RE: Application for Repair of Hazardous Monuments

DATE: September 29, 2022

Exhibits

- A) Application for Repair or Removal of Dilapidated or Disrepaired Monuments that Create a Hazardous Condition
- B) Humphrey Memorials repair estimate for \$37,040 (average \$1,195/ per monument
- C) North-East Cemetery Services repair estimate for \$42,492 (average \$1,371/ per monument)
- D) Invoices and copies from The Observer Dispatch for \$244.20

Introduction and Recommendation

The Division received an application (Exhibit A) for the repair of 31 hazardous monuments located in the Oriskany Falls Cemetery, town of Augusta, Oneida County. The application was submitted by Scott Jeffers, president of the Oriskany Falls Cemetery Association. Included with this application was an estimate, from Humphrey Memorials (Exhibit B) totaling \$37,040, and an estimate from North-East Cemetery Services (Exhibit C) totaling \$42,492. Also included was an invoice from The Observer Dispatch for a legal notice (Exhibit D) that was run for three consecutive weeks from October 29, through November 12, 2021, for \$244.20.

I recommend approval of this application.

The Monuments

The Oriskany Falls Cemetery was visited, and 31 monuments were found to be either loose on their foundations or tipping and appeared to pose a hazard to cemetery visitors and employees. Mr. Jeffers stated that the cemetery has no records for the monuments in question and as such, could not contact the last known lot owners by mail, the most recent monument is dated 1928. The cemetery has had no response to the legal advertisements which it placed, and has no funds dedicated to the restoration of monuments. Based upon the information provided, it is the Division's understanding that the cemetery has determined that the monument owners cannot be found.

**Department
of State**

The Estimates

Both contractors propose to: remove the monuments from the existing foundations; dig out existing foundations; place new foundations made of solid concrete poured to a depth of 42 inches and replace the monument, resealing all joints with setting compound or epoxy and offer a ten-year warranty.

Recommendation

The Cemetery is up to date on annual reports and vandalism payments. This appears to be a legitimate claim for \$37,284.20. I recommend that this application be approved.
