RE: Application for Repair of Hazardous Monuments

DATE: July 5, 2022

Exhibits

- A) Application for Repair or Removal of Dilapidated or Disrepaired Monuments that Create a Hazardous Condition
- B) North-East Cemetery Services repair estimate for \$72,267.85 (average \$1,095/ per monument)
- C) Humphrey Memorials repair estimate for \$79,330 (average \$1,201/ per monument)
- D) Invoices and copies from The Rome Sentinel for \$497.46

Introduction and Recommendation

The Division received an application (Exhibit A) for the repair of 66 hazardous monuments located in the Oriskany Cemetery, town of Whitestown, Oneida County. The application was submitted by Dolores Pugh, president of the Oriskany Cemetery Association. Included with this application was an estimate, from North-East Cemetery Services (Exhibit B) totaling \$72,267.85, an estimate from Humphrey Memorials (Exhibit C) totaling \$79,330. Also included was an invoice from The Rome Sentinel for a legal notice (Exhibit D) that was run for three consecutive weeks from December 1, through December 15, 2021 for \$497.46.

I recommend approval of this application.

The Monuments

I visited the Oriskany Cemetery and found 66 monuments to be either loose on their foundations or tipping and appeared to pose a hazard to cemetery visitors and employees. Mrs. Pugh stated that the cemetery has no records for the monuments in question and as such, could not contact the last known lot owners by mail, the most recent monument is dated 2000. The cemetery has had no response to the legal advertisements which it placed, and has no funds dedicated to the restoration of monuments. Mrs. Pugh stated that prior to the recent reorganization of the cemetery, records were not maintained properly, but that they currently keep lot owner information. Based upon the information provided, it is the Division's understanding that the cemetery has determined that the monument owners cannot be found.

**Department
of State**

The Estimates

Both contractors propose to: remove the monuments from the existing foundations; dig out existing foundations; place new foundations made of solid concrete poured to a depth of 42 inches and replace the monument, resealing all joints with setting compound or epoxy and offer a ten-year warranty.

Recommendation

The Cemetery is up to date on annual reports and vandalism payments. This appears to be a legitimate claim for \$72,765.31. I recommend that this application be approved.

ALBANY OFFICE
DEPARTMENT OF STATE

Dear Sir,

In June of 2020, the entire Board of The Oriskany Cemetery Association was forced to resign due to financial mismanagement leaving the cemetery in a dire situation. Since then an entirely new Board has been formed and major changes to the operation, maintenance, equipment finances and records has taken place and repair to some grave stones has been accomplished.

We have been advised by some people and other cemeteries that State money is available for monument repair and that we should apply for a grant. We have over 140 monuments that need repair but are applying for a grant on the worst sixty-six. The cemetery association has never applied for a grant and without a grant we cannot afford to due the repairs.

Enclosed are the following items which we were advised to submit:

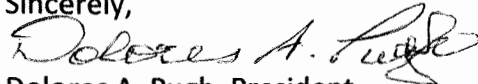

- 1) Application
- 2) A copy of the legal ad along with a notarized affidavit
- 3) A set of pictures which can be accessed at the following link:

https://drive.google.com/drive/folders/172zcCZOJP23cydkZpT59ad_joghyOw4i?usp=sharing

- 4) Copies of the bids received
- 5) Copy of the legal ad bill from the newspaper

If you have any questions, please do not hesitate to let me know. We appreciate any assistance you are able to give us.

Sincerely,

Dolores A. Pugh, President
Oriskany Cemetery Association
