

Project Sign Order Form

NYS Department of State

Environmental Protection Fund Local Waterfront Revitalization Program

In order to assist participating communities in fulfilling the signage requirement of the **Environmental Protection Fund - Local Waterfront Revitalization Program Grant Agreement** for construction projects, the Department of State and New York State Corrections, Division of Industry, have developed attractive low cost informational signage. The sign developed is printed on a 2' x 4' aluminum sign blank. The printing is silk screened on a adhesive vinyl, which is sealed to the blank. The cost of the completed sign and shipping is **\$116.84**. To order a sign for your community, please utilize this form and provide the requested information.
