PROPOSED RULE MAKING
NO HEARING(S) SCHEDULED

National Institute of Standards and Technology ("NIST") Handbook 44; Receipts Issued by Taxicab Operators, Digital Scales

I.D. No. AAM-16-17-00001-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: This is a consensus rule making to amend section 220.2 of Title 1 NYCRR.

Statutory authority: Agriculture and Markets Law, sections 16, 18 and 179

Subject: National Institute of Standards and Technology (''NIST'') Handbook 44; receipts issued by taxicab operators, digital scales.

Purpose: To incorporate NIST Handbook 44 (2017 edition); to allow handwritten taxicab receipts; to liberalize scale requirements.

Text of proposed rule: Subdivision (a) of section 220.2 of 1 NYCRR is amended to read as follows:

(a) Except as otherwise provided in this Part, the specifications, tolerances and regulations for commercial weighing and measuring devices shall be those adopted by the [98th] *101st* National Conference on Weights and Measures [2013] *2016* as published in the National Institute of Standards and Technology Handbook 44, [2014] *2017* edition. This document is available from the National Conference on Weights and Measures, 1135 M Street, Suite 110, Lincoln, NE 68508, or the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402. It is available for public inspection and copying in the office of the Director of Weights and Measures, Department of Agriculture and Markets, 10B Airline Drive, Albany, NY 12235, or in the office of the Department of State, One Commerce Plaza, 99 Washington Avenue, Suite 650, Albany, New York 12231.

Subdivision (c) of section 220.2 of 1 NYCRR is repealed and a new subdivision (c) is added thereto, to read as follows:

(c) The municipal authority with jurisdiction over taximeters may elect to permit hand written receipts for fares.

Subdivision (d) of section 220.2 of 1 NYCRR is repealed and subdivisions (e) and (f) are relettered to be subdivisions (d) and (e), respectively.

Text of proposed rule and any required statements and analyses may be obtained from: Mike Sikula, Director, Bureau of Weights & Measures, NYS Department of Agriculture and Markets, 10B Airline Drive, Albany, NY 12235, (518) 457-3146, email: Mike.Sikula@agriculture.ny.gov

Data, views or arguments may be submitted to: Same as above.

Public comment will be received until: 45 days after publication of this notice.

Consensus Rule Making Determination

The proposed rule will amend subdivision (a) of 1 NYCRR section 220.2 to incorporate by reference the 2017 edition of National Institute of Standards and Technology Handbook 44, will amend subdivision (c) of such section to allow certain taxicab operators to issue handwritten receipts, and will repeal subdivision (d) of such section that presently requires Class III digital scales with a division size greater than five grams to have at least 2,000 scale divisions.

The proposed amendment to subdivision (a) of 1 NYCRR section 220.2 is non-controversial. The 2017 edition of Handbook 44 has been adopted by or is in the process of being adopted by every state; manufacturers of weighing and measuring devices located in New York already, therefore, conform their operations to the provisions of this document in order to sell their products in interstate commerce. Furthermore, the State's users of commercial weighing and measuring devices also already use devices that conform to the provisions of this document due to its nearly-nationwide applicability.

The proposed amendment to subdivision (c), and the proposed repeal of subdivision (d), of 1 NYCRR section 220.2 are, also, non-controversial; both actions will "liberalize" certain existing requirements, thereby placing a lesser burden upon regulated parties.

Based upon the foregoing, the proposed rule will not have any adverse impact upon parties regulated pursuant thereto and is, therefore, non-controversial.

Job Impact Statement

The proposed rule will not have an adverse impact on jobs or on employment opportunities.

The proposed rule will incorporate by reference in subdivision (a) 1 NYCRR section 220.2 the 2017 edition of National Institute of Standards and Technology Handbook 44 (henceforth, "Handbook 44 (2017 edition)") which contains specifications, tolerances and regulations for commercial measuring devices. The 2014 edition of Handbook 44 is presently incorporated by reference. Handbook 44 (2017 edition) differs from the 2014 edition in that it contains amended requirements governing the timing feature for electric vehicle fueling systems, provides for less stringent requirements applicable for load cells used in scales installed directly next to each other, sets forth the requirement that a "pay at the pump" fuel dispenser must "time out" after two minutes after having first been engaged, contains provisions that recognize and that are applicable to liquefied petroleum gas (LPG), and other, non-substantive additions, amendments, and deletions. Handbook 44 (2017 edition) has been adopted or is in the process of being adopted by every state; manufacturers and users of weighing and measuring devices located in New York already, therefore, conform their operations to the provisions of this document in order to sell their products in interstate commerce.

The proposed rule will, also, amend subdivision (c) of 1 NYCRR sec-

tion 220.2 to allow municipal agencies that have regulatory authority over taxicabs to allow operators thereof to issue handwritten receipts rather than "printed" receipts. Finally, the proposed rule will repeal subdivision (d) of 1 NYCRR section 220.2 to eliminate the requirement that a Class III digital scale with a division size greater than five grams must have a minimum of 2,000 scale divisions.

The proposed rule requires manufacturers and users of weighing and measuring devices to do no more than they are practically required to do presently and/or lessens certain regulatory burdens; as such, the proposed rule will not have an adverse impact upon jobs or employment opportunities.

EMERGENCY/PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Eligible Score Band for an Appeal of the English Language Arts Regents Examination for Eligible English Language Learners (ELLs)

I.D. No. EDU-16-17-00008-EP
Filing No. 243
Filing Date: 2017-04-04
Effective Date: 2017-04-04

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Proposed Action: Amendment of section 100.5(d)(7) of Title 8 NYCRR.

Statutory authority: Education Law, sections 101, 207, 208, 209, 215, 305(1), (2), 2117(1), 3204(2) and (2-a)

Finding of necessity for emergency rule: Preservation of general welfare.

Specific reasons underlying the finding of necessity: The proposed amendment is necessary to implement revisions to policy adopted by the Board of Regents to adjust the eligible score band for an appeal of the English Language Arts Regents examination passing scores by qualifying English Language Learners (ELLs). Under the proposed amendment, qualifying ELLs will be eligible to appeal scores of 55-59, instead of the current 55-61, on the required Regents examination in English Language Arts. This proposed amendment is necessary to align to amendments made by the Board of Regents at its March 2016 meeting which allow all students (including ELLs) to appeal scores of 60-64 on certain Regents examinations, so a separate appeal for ELLs from 60-61 is not necessary.

Because the Board of Regents meets at fixed intervals, the earliest the proposed amendment could be presented for regular adoption is the July 2017 Regents meeting, after publication of the proposed rule in the State Register on April 19, 2017 and expiration of the 45-day public comment period for State agency rule makings. Furthermore, pursuant to the State Administrative Procedure Act (SAPA), the earliest effective date of the proposed amendment, if adopted at the July meeting, would be August 2, 2017, the date a Notice of Adoption would be published in the State Register. However, school districts must start preparations now, in order to timely implement in the expanded appeals process for Regents examination passing scores for eligible ELLs.

Emergency action to adopt the proposed amendment is necessary for the preservation of the general welfare in order to immediately adjust the eligible score band for an appeal of the English Language Arts Regents examination passing scores for qualifying ELLs for the 2016-2017 school year.

It is anticipated that the proposed amendment will be presented to the Board of Regents for adoption as a permanent rule at the July 2017 meeting, which is the first scheduled meeting after expiration of the 45-day public comment period mandated by the State Administrative Procedure Act.

Subject: Eligible Score Band for an Appeal of the English Language Arts Regents Examination for Eligible English Language Learners (ELLs).

Purpose: To Align with the Recent Expansion of the Eligible Score Band for Appeals for Certain Regents Examinations for All Students.

Text of emergency/proposed rule: Subclause (1) of clause (b) of subparagraph (i) of paragraph (7) of subdivision (d) of section 100.5 of the Regulations of the Commissioner of Education is amended as follows:

(1) has scored between [55 and 61] *55-59* on the required Regents examination in English language arts under appeal;

This notice is intended: to serve as both a notice of emergency adoption and a notice of proposed rule making. The emergency rule will expire July 2, 2017.

Text of rule and any required statements and analyses may be obtained from: Kirti Goswami, State Education Department, Office of Counsel, State Education Department, Room 148, 89 Washington Avenue, Albany, NY 12234, (518) 474-6400, email: legal@nysed.gov

Data, views or arguments may be submitted to: Angelica Infante, State Education Department, State Education Builiding 2M, 89 Washington Avenue, Albany, NY 12234, (518) 474-5015, email: REGCOMMENTS@NYSED.GOV

Public comment will be received until: 45 days after publication of this notice.

LEGISLATIVE OBJECTIVES:

The proposed amendment is necessary to implement revisions to policy adopted by the Board of Regents to adjust the eligible score band for an appeal of the English Language Arts Regents examination passing scores by qualifying English Language Learners (ELLs).

NEEDS AND BENEFITS:

Under the proposed amendment, qualifying ELLs will be eligible to appeal scores of 55-59, instead of the current 55-61, on the required Regents examination in English Language Arts. This proposed amendment is necessary to align to amendments made by the Board of Regents at its March 2016 meeting which allow all students (including ELLs) to appeal scores of 60-64 on certain Regents examinations, so a separate appeal for ELLs from 60-61 is not necessary.

(b) Costs to local government: The proposed amendment will not impose any significant costs on local governments.

(c) Costs to private regulated parties: none.

(d) Costs to regulating agency for implementation and continued administration of this rule: none.

LOCAL GOVERNMENT MANDATES:

The proposed amendment does not impose any additional program, service, duty or responsibility upon school districts. The proposed amendment is necessary to implement revisions to policy adopted by the Board

of Regents to adjust the eligible score band for an appeal of the English Language Arts Regents examination passing scores by qualifying English Language Learners (ELLs). PAPERWORK:

The proposed amendment will not require any additional paperwork beyond what is necessary to process current appeals.

DUPLICATION:

The proposed amendment is necessary to ensure compliance with Education Law sections 3204 and 4403, Title I and III of the ESEA, Title IV of the Civil Rights Act of 1964, and the EEOA and does not duplicate existing State or Federal requirements.

ALTERNATIVES:

There were no significant alternatives and none were considered.

FEDERAL STANDARDS:

The proposed amendment is necessary to ensure compliance with Education Law sections 3204 and 4403, Title I and III of the ESEA, Title IV of the Civil Rights Act of 1964, and the EEOA. These laws require states and school districts to provide ELL students with appropriate services to overcome language barriers. In addition, federal jurisprudence in landmark cases such as Castañeda v. Pickard established standards to ensure compliance with EEOA. For example, the Castañeda standard mandates that programs for language-minority students must be (1) based on a sound educational theory, (2) implemented effectively with sufficient resources and personnel, and (3) evaluated to determine whether they are effective in helping students overcome language barriers.

COMPLIANCE SCHEDULE:

It is anticipated that school districts and BOCES will be able to achieve compliance with the proposed amendment by its effective date. The proposed amendment is necessary to implement revisions to policy adopted by the Board of Regents to adjust the eligible score band for an appeal of the English Language Arts Regents examination passing scores by qualifying English Language Learners (ELLs). Under the proposed amendment, qualifying ELLs will be eligible to appeal scores of 55-59, instead of the current 55-61, on the required Regents examination in English Language Arts. This proposed amendment is necessary to align to amendments made by the Board of Regents at its March 2016 meeting which allow all students (including ELLs) to appeal scores of 60-64 on certain Regents examinations, so a separate appeal for ELLs from 60-61 is not necessary.

Regulatory Flexibility Analysis

Small businesses:

This proposed amendment is necessary to align to amendments made by the Board of Regents at its March 2016 meeting which allow all students (including ELLs) to appeal scores of 60-64 on certain Regents examinations, so a separate appeal for ELLs from 60-61 is not necessary. The proposed amendment does not impose any adverse economic impact, reporting, record keeping or other compliance requirements on small businesses. Because it is evident from the nature of the proposed amendment that it does not affect small businesses, no further steps were needed to ascertain that fact and none were taken. Accordingly, a regulatory flexibility analysis for small businesses is not required and one has not been prepared.

Accordingly, there is no need for a shorter review period.

The Department invites public comment on the proposed five year review period for this rule. Comments should be sent to the agency contact listed in item 10. of the Notice of Proposed Rule Making published herewith, and must be received within 45 days of the State Register publication date of the Notice.

Pursuant to State Administrative Procedure Act section 207(1)(b), the State Education Department proposes that the initial review of this rule shall occur in the fifth calendar year after the year in which the rule is adopted, instead of in the third calendar year. The justification for a five year review period is that the proposed amendment is necessary to implement long-range Regents policy relating to improving graduation outcomes for students who are English Language Learners. Accordingly, there is no need for a shorter review period.

The Department invites public comment on the proposed five year review period for this rule. Comments should be sent to the agency contact listed in item 10 of the Notice of Proposed Rule Making published herewith, and must be received within 45 days of the State Register publication date of the Notice.

Job Impact Statement

In January 2015, the Board of Regents extended the Regents Examination appeal process to include a provision to allow eligible English language learners (ELLs) to appeal scores of 55-61 on the English Language Arts (ELA) Regents Examination. At its March 2016 meeting, the Board of Regents adopted a proposed amendment to expand the eligible score bands for appeals of Regents examinations for all students from 62-64 to 60-64. Due to this expansion of the eligible score band for such appeals for all students (including ELLs), it is necessary to adjust the eligible score band for appeals of the English Language Arts Regents examinations for qualifying ELLs by two points, from 55-61 to 55-59, to clarify that a separate appeal for ELLs who score between 60-61 on the ELA Regents Examination is not necessary.

Because it is evident from the nature of the proposed amendment that it will have no impact on the number of jobs or employment opportunities in New York State, and no further steps were needed to ascertain that fact and none were taken. Accordingly, a job impact statement is not required and one has not been prepared.

Assessment of Public Comment

1. COMMENT:

One commenter suggested the following edits to the proposed amendment relating to the definition of "solicit" and "procure":

126.1(bb) Solicit or Procure means inducing or attempting to induce a prospective student to sign an enrollment agreement with a licensed private career school, private career school or a certified English as a second language school as defined in Section 5001 of the Education Law. An online education marketplace that advertises, markets and collects fees for participation in classes offered by such schools shall not be considered to be inducing or attempting to induce a prospective student to sign an enrollment agreement for purposes of this Part or Section 5004 of the Education Law. In order for an online education marketplace to be found to be inducing or attempting to induce a prospective student to sign an enrollment agreement with any such school, the online education marketplace must provide a copy of such enrollment agreement to the prospective student or assist a prospective student in completing or signing an enrollment agreement.

DEPARTMENT RESPONSE:

The Department believes the current definition of solicit and procure is clear and it means to induce or attempt to induce a prospective student to sign an enrollment agreement. Moreover, Education Law 5001(1)(c) defines an ''online education marketplace'' as a website or other inter-net-based online technology tool with which a licensed private career school or certified ESL school contracts for marketing or advertising services, or services in connection with the collection of tuition and/or fees, to the extent authorized in Education Law § 5004.

Therefore, the Department believes that the commenter's suggested edits are unnecessary because the purpose of the statutory exemption for online education marketplaces as set forth in Education Law § 5001(1)(c), which includes the contracting for marketing or advertising services, or services in connection with the collection of tuition and/or fees may be effected without it.

2. COMMENT:

The same commenter suggested the following edits to the proposed amendment defining "enroll":

126.1(cc) Enroll means the execution of an enrollment agreement between a prospective student and a licensed private career school or private career school or a certified English as a second language school as defined in Section 5001 of the Education Law. An online education marketplace that advertises, markets and collects fees for participation in classes offered by such schools but does not execute an enrollment agreement shall not be considered to be enrolling for purposes of this Part or Section 5004 of the Education Law.

DEPARTMENT RESPONSE:

See Response to Comment #1. In addition, enrollment is already prescribed in section 126.7 of the Commissioner's regulations and therefore the Department does not believe that any revisions are warranted.

3. COMMENT:

The same commenter suggested the following edits to the proposed amendment governing the fulfillment of an accounting obligation.

126.18(b) If an enrollment agreement is executed within 30 calendar days of receipt of such monies, as described in subdivision (a) of this section, then the online education marketplace shall pay all monies, less its percentage as set forth in its contract with the school licensed under Article 101 of the Education Law, to the school within 10 calendar days of receipt of notification that the enrollment agreement has been executed. If the enrollment agreement is cancelled pursuant to Section 126.7(d)(9) of this Part, then the online education marketplace or school shall refund such monies to the student within 20 days of the cancellation of the agreement.

DEPARTMENT RESPONSE:

Education Law § 5004(3)(b)(4) provides that a licensed private career school or certified ESL shall separately account for tuition and fees and payments made by the school to an online education marketplace for services rendered to the school by the online education marketplace. Therefore, this provision only relates to the tuition and fees to the school. Any payments made by the school to an online education marketplace for services rendered to the school by the online education marketplace must be separately accounted for, as required under the statute. Therefore, the suggested edits are not necessary.

4. COMMENT:

The same commenter suggested the following edits to the proposed amendment governing discipline of online education marketplaces:

126.8(f) Pursuant to section 5004(3)(b)(i)(5) of the Education Law, the Commissioner may take disciplinary action against an online education marketplace pursuant to section 5003 of the Education Law in accordance with due process procedures set forth in subdivision (b) of section 126.14 of this Part, except that the Commissioner may impose only those penalties set forth in Section 5003(6)(a).

DEPARTMENT RESPONSE:

Online education marketplaces should not be accorded different treatment under the Education Law than any other party covered by it. The proposed revisions would unduly limit the Department's reasonable discretion to determine appropriate penalties if an online educational marketplace violates the law and therefore no revisions are warranted.

5. COMMENT:

The same commenter suggested the following edits to the proposed amendment prohibiting online education marketplaces from offering services to unlicensed or uncertified schools:

126.18(g) An online education marketplace is prohibited from offering advertising/marketing services to an unlicensed private career school or uncertified ESL school. An online education marketplace shall not be offering advertising/marketing services to such schools where such school,

through a contract with an online education marketplace, represents and warrants to the online education marketplace that it is licensed. Where an online education marketplace has a contract with this provision, an online education marketplace shall not violate this Part or Section 5004 of the Education Law if it advertises, markets or collect fees from an unlicensed school.

DEPARTMENT RESPONSE:

Education Law § 5004(3)(b)(6) is clear that an online education marketplace is prohibited from offering advertising/marketing services to an unlicensed private career school or uncertified ESL school. The proposed edits attempt to restrict the circumstances in which the Department may reasonably determine that a violation of the statutory prohibition referred to has occurred. Therefore, the Department believes that no revisions are warranted.

Initial Review of Rule

As a rule that requires a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2020, which is no later than the 3rd year after the year in which this rule is being adopted.

Assessment of Public Comment

Since publication of Proposed Rule Making in the State Register on January 25, 2017, the State Education Department (SED) received one comment:

1. COMMENT:

One commenter recommended that candidates with an expired initial certificate should be allowed to fulfill the requirements for a reissuance of their certificate by taking professional development courses rather than retaking the required exam.

DEPARTMENT RESPONSE:

Completion of seventy-five hours of professional development and/or 50 clock hours of acceptable continuing teacher and leader education (CTLE), and/or a combination thereof prorated in a manner determined by the Department is one of the requirements for the reissuance of an initial certificate along with evidence that the candidate has retaken the content specialty test (CST) required for the initial certificate sought and received a satisfactory passing score on such examination. The proposed amendment provides more flexibility in when the candidate may complete these requirements and requires candidates to provide evidence of a satisfactory passing score on the CST and the professional development within one year of their application date. The Department believes that re-taking the content specialty test is necessary to ensure that the candidate has the requisite content knowledge for the certificate sought.

Residency Certificates

I.D. No. EDU-16-17-00009-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Addition of section 80-5.23 to Title 8 NYCRR.

Statutory authority: Education Law, sections 207(not subdivided), 215(not subdivided), 3001, 3003, 3004 and 3009

Subject: Residency Certificates.

Purpose: To establish requirements for candidates seeking a residency certificate.

Text of proposed rule: Section 80-5.23 of the Regulations of the Commissioner of Education shall be added to read as follows:

§ 80-5.23 Residency certificate.

(a) A student who is enrolled in the Classroom Academy Residency Pilot Program, a pilot of a registered and approved teacher education program, may, upon submission of an application with a recommendation by the partnering institution of higher education and a recommendation by the partnering school district, receive a residency certificate under this section.

(b) This certificate shall only be issued to candidates enrolled in a Classroom Academy Residency Pilot Program, as approved by the Department, and who receive an assurance from the partnering school district that the resident has an employment commitment for the length of the residency program and a plan for providing mentoring and instructional support to the residency candidate that is acceptable to the Department.

(c)(1) The certificate shall be valid for no more than three years from its effective date; provided however, the certificate shall have an earlier expiration date if one of the following conditions occurs: the resident successfully completes the residency program, as determined by the partnering institution of higher education; or the resident exits the program, as determined by the partnering higher education institution.

(2) The certificate shall not be renewable.

(3) For individuals called to active duty in the Armed Forces, the validity period of the residency certificate may be extended for the time of active service and an additional 12 months from the end of such service, provided that the holder is a student in a registered or approved graduate program of teacher education.

(d) Upon successful completion of the residency program, as determined by the partnering higher education institution and partnering school district, up to one year of the residency experience may be credited toward the experience required for the student's professional teaching certificate; provided that such experience meets the requirements set forth in section 80-3.4 of the Commissioner's regulations.

Text of proposed rule and any required statements and analyses may be obtained from: Kirti Goswami, State Education Department, Office of Counsel, State Education Department, Room 148, 89 Washington Avenue, Albany, NY 12234, (518) 474-6400, email: legal@nysed.gov

Data, views or arguments may be submitted to: Peg Rivers, State Education Department, Office of Higher Education, Room 979, Albany, NY 12234, (518) 408-1189, email: peg.rivers@nysed.gov

Public comment will be received until: 45 days after publication of this notice.

This rule was not under consideration at the time this agency submitted its Regulatory Agenda for publication in the Register.

Regulatory Impact Statement

1. STATUTORY AUTHORITY:

Education Law 207(not subdivided) grants general rule-making authority to the Regents to carry into effect State educational laws and policies.

Education Law 305(1) authorizes the Commissioner to enforce laws relating to the State educational system and execute Regents educational policies. Section 305(2) provides the Commissioner with general supervision over schools and authority to advise and guide school district officers in their duties and the general management of their schools.

Education Law 3001 establishes the qualifications of teachers in the classroom.

Education Law 3004(1) authorizes the Commissioner to promulgate regulations governing the certification requirements for teachers employed in public schools.

Education Law 3009 prohibits school district monies from being used to pay the salary of an unqualified teacher.

2. LEGISLATIVE OBJECTIVES:

The purpose of the proposed addition of new section 80-5.23 of the Regulations of the Commissioner is to establish the requirements for a residency Certificate for those students enrolled in a Classroom Academy Residency Pilot Program to apply for a time-limited certificate so that candidates enrolled in the program may be certified and receive payment by the school district/BOCES for their services.

3. NEEDS AND BENEFITS:

Candidates enrolled in the Classroom Academy Residency Pilot Program will be able to participate in a two-year full time internship as a part of the National Education Association Greater Public Schools grant which was awarded to the Cambridge, Hudson Falls, and Washington-

Warren-Saratoga-Hamilton-Essex County BOCES consortia in partnership with the teacher preparation program at SUNY Plattsburgh-Queensbury.

A goal of the program is to create sustainability by allowing the candidates enrolled in the program to be paid by the school district/BOCES. To accomplish this, the resident must hold a teaching certificate under Education Law § 3009 or be a substitute teacher under 80-5.4 of the Commissioner's Regulations. The candidates would not qualify for an internship certificate under 80-5.9 because an applicant is required to have completed at least one half of the semester hour requirement for their program. The Department proposes creating a time-limited Residency Certificate to allow candidates enrolled in the program to be certified while enrolled in the program, thus allowing the school district/BOCES to pay their salary.

Proposed Amendments:

While enrolled in the program, student candidates will be eligible to receive a time-limited Residency Certificate that will allow them to teach in the partnering district. This time-limited certificate will be valid for up to three years while the candidate is enrolled in and completes the program, and upon successful completion, up to one year of the candidate's residency experience may be credited towards the teaching experience required for the candidate's professional certificate.

To qualify for the Residency Certificate, a candidate must be enrolled in the Classroom Academy Residency Pilot Program, a pilot of a registered and approved teacher education program and must apply to the Department. In addition, the application must include an assurance from the partnering school district that the teacher candidate resident has an employment commitment for the length of the residency program and that the district has provided a plan for mentoring and instructional support to the residency candidate that is acceptable to the Department.

4. COSTS:

a. Costs to State government: The amendment does not impose any costs on State government, including the State Education Department.

b. Costs to local government: The amendment does not impose any costs on local government, including school districts and BOCES.

c. Costs to private regulated parties: The amendment does not impose any costs on private regulated parties.

d. Costs to regulating agency for implementation and continued administration: See above.

5. LOCAL GOVERNMENT MANDATES:

The proposed amendment does not impose any additional program, service, duty or responsibility upon any local government.

6. PAPERWORK:

The proposed amendment does not impose any additional paperwork requirements; application for the certificate is completed electronically.

7. DUPLICATION:

The proposed amendment does not duplicate existing State or Federal requirements.

8. ALTERNATIVES:

No alternatives were considered.

9. FEDERAL STANDARDS:

There are no applicable Federal standards.

10. COMPLIANCE SCHEDULE:

It is anticipated that the proposed amendment will come before the Board of Regents for permanent adoption at its July 2017 meeting. If adopted at the July 2017 meeting, the proposed amendments will become effective on August 2, 2017.

Regulatory Flexibility Analysis

(a) Small businesses:

The purpose of the proposed addition of new section 80-5.23 to the Regulations of the Commissioner is to establish a Residency Certificate for those students enrolled in a Classroom Academy Residency Pilot Program to allow for a time-limited certificate so that candidates enrolled in the program may be certified while in the program and paid by the school district/BOCES.

Candidates enrolled in the Classroom Academy Residency Pilot Program will be able to participate in a two-year full time internship as a part of the National Education Association Greater Public Schools grant which was awarded to the Cambridge, Hudson Falls, and the Washington-Warren-Saratoga-Hamilton-Essex County BOCES consortia in partnership with the teacher preparation program at SUNY Plattsburgh-Queensbury.

A goal of the program is to create sustainability by allowing the candidates enrolled in the program to be paid by the school district/BOCES. To accomplish this, the resident must hold a teaching certificate under Education Law § 3009 or be a substitute teacher under 80-5.4 of the Commissioner's Regulations. The candidates would not qualify for an internship certificate under 80-5.9 of the Regulations because an applicant is required to have completed at least one half of the semester hour requirement for their program. The Department proposes creating a time-limited Residency Certificate to allow candidates enrolled in the program to be certified while enrolled in the program, thus allowing the school district/BOCES to pay their salary.

The amendment does not impose any new recordkeeping or other compliance requirements, and will not have an adverse economic impact, on small business. Because it is evident from the nature of the proposed amendments that they do not affect small businesses, no further steps were needed to ascertain that fact and one were taken. Accordingly, a regulatory flexibility analysis for small businesses is not required and one has not been prepared.

(b) Local governments:

1. EFFECT OF RULE:

The proposed amendment will effect school districts and boards of cooperative educational services throughout the State who employ candidates enrolled in the Classroom Academy Residency Pilot Program.

2. COMPLIANCE REQUIREMENTS:

Candidates enrolled in the Classroom Academy Residency Pilot Program will be able to participate in a two-year full time internship as a part of the National Education Association Greater Public Schools grant which was awarded to the Cambridge, Hudson Falls, and Washington-Warren-Saratoga-Hamilton-Essex County BOCES consortia in partnership with the teacher preparation program at SUNY Plattsburgh-Queensbury.

This time-limited certificate will be valid for up to three years while the candidate is enrolled in and completes the program, and upon successful completion, up to one year of the candidate's residency experience may be credited towards the teaching experience required for the candidate's professional certificate.

To qualify for the Residency Certificate, a candidate must be enrolled in the Classroom Academy Residency Pilot Program, a pilot of a registered and approved teacher education program and must apply to the Department. In addition, the application must include an assurance from the partnering school district that the teacher candidate resident has an employment commitment for the length of the residency program and that the district has provided a plan for mentoring and instructional support to the residency candidate that is acceptable to the Department.

3. PROFESSIONAL SERVICES:

The proposed amendment does not impose any additional professional service requirements on local governments.

4. COMPLIANCE COSTS:

There are no additional compliance costs on local governments, and there is no fee to those applying for the Residency Certificate.

5. ECONOMIC AND TECHNOLOGICAL FEASIBILITY:

The proposed amendment does not impose any additional technological requirements on districts or BOCES.

6. MINIMIZING ADVERSE IMPACT:

The proposed amendment seeks to allow candidates enrolled in the Classroom Academy Residency Pilot Program to apply for a time-limited certificate and thus may be paid by a school district/BOCES, allowing the sustainability aspect of the program to be implemented. No adverse impact is created by this time-limited certificate.

7. LOCAL GOVERNMENT PARTICIPATION:

Copies of the proposed amendment have been provided to District Superintendents with the request that they distribute them to school districts within their supervisory districts for review and comment. Copies were also provided for review and comment to the chief school officers of the five big city school districts.

Rural Area Flexibility Analysis

1. TYPES AND ESTIMATED NUMBER OF RURAL AREAS:

This amendment applies to those candidates enrolled in the Classroom Academy Residency Pilot Program, through a grant received by the rural school district consortia composed of Cambridge, Hudson Falls, and the Washington-Warren-Saratoga-Hamilton-Essex County BOCES, in partnership with the teacher preparation program at SUNY Plattsburgh-Queensbury.

2. REPORTING, RECORDKEEPING, AND OTHER COMPLIANCE REQUIREMENTS; AND PROFESSIONAL SERVICES:

Candidates enrolled in the Classroom Academy Residency Pilot Program will be able to participate in a two-year full time internship as a part of the National Education Association Greater Public Schools grant which was awarded to the Cambridge, Hudson Falls, and Washington-Warren-Saratoga-Hamilton-Essex County BOCES consortia in partnership with the teacher preparation program at SUNY Plattsburgh-Queensbury.

Proposed Amendments:

While enrolled in the program, student candidates will be eligible to receive a time-limited Residency Certificate that will allow them to teach in the partnering district. This time-limited certificate will be valid for up to three years while the candidate is enrolled in and completes the program, and upon successful completion, up to one year of the candidate's residency experience may be credited towards the teaching experience required for the candidate's professional certificate.

3. COSTS:

The proposed amendment does not impose any costs on candidates. There is no application fee for those candidates applying for the Residency Certificate.

4. MINIMIZING ADVERSE IMPACT:

The proposed amendment seeks to allow candidates enrolled in the Classroom Academy Residency Pilot Program to apply for a time-limited certificate and thus may be paid by a school district/BOCES, allowing the sustainability aspect of the program to be implemented. No adverse impact is created by this time-limited certificate.

5. RURAL AREA PARTICIPATION:

Copies of the proposed amendments have been provided to Rural Advisory Committee for review and comment.

Job Impact Statement

The purpose of the proposed addition of new section 80-5.23 of the Regulations of the Commissioner is to establish a residency certificate for those students enrolled in a Classroom Academy Residency Pilot Program to allow for a time-limited certificate so that candidates enrolled in the program may be certified while in the program and paid by the school district/BOCES.

The proposed amendment seeks to allow candidates the opportunity to participate in a full time two-year internship experience in a district and be paid by the district/BOCES. It is evident from the nature of the proposed amendment that it will have no impact on the number of jobs or employment opportunities in New York State, and no further steps were needed to ascertain that fact and none were taken. Accordingly, a job impact statement is not required and one has not been prepared.

Permits for Taking Surfclams

I.D. No. ENV-16-17-00003-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: This is a consensus rule making to amend Subpart 43-1 of Title 6 NYCRR.

Statutory authority: Environmental Conservation Law, section 13-0309(12)

Subject: Permits for taking surfclams.

Purpose: To reduce paperwork and streamline the surfclam permitting process.

Text of proposed rule: 43-1.4 Permit requirements; issuance and revocation procedures.

Subdivisions 43-1.4(a) and (b) are repealed.

New subdivisions 43-1.4(a) and (b) are adopted to read as follows:

(a) Each person participating in harvest operations on board a vessel harvesting surfclams or ocean quahogs from public underwater lands other than the Atlantic Ocean shall possess a valid New York State shellfish digger's permit.

(b)(1) Any operator or captain of a vessel harvesting surfclams and ocean quahogs by mechanical means from public underwater lands other than the Atlantic Ocean shall obtain a surfclam/ocean quahog other than Atlantic Ocean captain/operator permit ("captain/operator permit"). This permit authorizes the permit holder to operate a vessel used to take surfclams or ocean quahogs, or both, by mechanical means.

(2) A captain/operator permit applicant shall identify on the permit application form the vessel to be used in the harvest of surfclams or ocean quahogs by mechanical means. An application will not be deemed complete without the vessel registration number ('i.e.', State registration or United States Coast Guard documentation number) and, if federally documented, the vessel name, both verified by a valid state registration or USCG Certificate of Documentation. Any vessel used to take surfclams or ocean quahogs by mechanical means must be specifically identified on a permit issued in the name of the operator or captain of the vessel. Any vessel identified on a captain/operator permit application or permit must comply with the provisions of section 43-1.6 of this Subpart.

(3) Any vessel engaged in the taking of surfclams or ocean quahogs by mechanical means must have a captain/operator permit holder on board such vessel whose permit identifies that vessel and identifies that permit holder as an operator or captain of the vessel.

(4) The holder of the captain/operator permit will be held responsible for all fishing activities and liable for all violations of 6 NYCRR Subpart 43-1 that occur on such vessel.

Subdivision 43-1.10(a) is repealed.

New subdivision 43-1.10(a) is adopted to read as follows:

(a) Any person who is the holder of a surfclam/ocean quahog other than Atlantic Ocean captain/operator permit (hereafter "captain/operator permit") issued pursuant to subdivision 43-1.4(b) of this Subpart shall complete and submit an accurate report detailing all harvesting and sales activities for each trip surfclams or ocean quahogs are harvested by mechanical means. Trip reports shall be completed, signed, and submitted to the department for each Sunday through Saturday period on a form prescribed by the department.

Text of proposed rule and any required statements and analyses may be obtained from: Maureen Davidson, NYSDEC Division of Marine Resources, 205 North Belle Mead Road, Suite 1, East Setauket, New York 11733, (631) 444-0483, email: maureen.davidson@dec.ny.gov

Data, views or arguments may be submitted to: Same as above.

Public comment will be received until: 45 days after publication of this notice.

Additional matter required by statute: This rulemaking has been determined to be a Type II action pursuant to 6 NYCRR 617.5(c)(20) and (27).

Consensus Rule Making Determination

This proposed rule making will reduce paperwork and costs to DEC and reduce the paperwork burden on applicants and permit holders.

Currently, DEC's Marine Resources Permit Office (MPO) issues three different permits for the harvest of surfclams by mechanical means from waters other than the Atlantic Ocean (i.e., Long Island Sound, Gardiners Bay, and Block Island Sound): 1) a vessel owner permit, 2) a vessel captain or operator permit, and 3) a crew member permit. The Division of Marine Resources (DMR) is proposing to eliminate the vessel owner and crew member permits and retain only the captain/operator permit.

This proposal will reduce paper and printing costs for DEC and streamline the permit approval and issuance process. Applicants will see a reduction in the number of application forms to be submitted to the MPO. Information concerning the ownership of a vessel will be obtained through the permit application process for the captain/operator permit, thereby eliminating the need for a special permit to be issued to the vessel owner. The Department anticipates that this rule making will have a positive impact on both DEC and commercial surfclam harvesters.

No person is likely to object to the rule because it will reduce paperwork and costs to DEC and reduce the paperwork burden on applicants and

permit holders. There are no anticipated adverse impacts: there are no mandates for local governments, and there are no costs to DEC, local municipalities, or the regulated public.

Job Impact Statement

DEC has determined that this rule making will not have an adverse impact on jobs and employment opportunities. Therefore, a Job Impact Statement is not required.

This proposed rule will amend 6 NYCRR Subpart 43-1 and eliminate two out of three permits currently required for the surfclam fishery in waters other than the Atlantic Ocean (e.g., Long Island Sound, Gardiners Bay, and Block Island Sound). These permits are all issued free of charge.

The amendment will reduce paperwork and printing costs for the Department of Environmental Conservation (DEC) and streamline the permit approval and issuance process. Permit applicants will see a reduction in the number of handouts and application forms needed to be submitted to the DEC Division of Marine Resources Marine Permit Office. There are no anticipated adverse impacts: there are no mandates for local governments, and there are no costs to DEC, local municipalities, or the regulated public. The Department anticipates that this rule making will have a positive impact on regulated individuals.

PROPOSED RULE MAKING
NO HEARING(S) SCHEDULED

Rules and Regulations to Effectuate the Purposes of the Public Employees' Fair Employment Act (Civil Service Law art. 14)

I.D. No. PRB-16-17-00002-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Amendment of Parts 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214 and 215 of Title 4 NYCRR.

Purpose: Codify existing practices; modernize pleadings; remove outdated rules.

Substance of proposed rule (Full text is posted at the following State website:perb.ny.gov): The proposed amendments are enacted pursuant to Civil Service Law § 205.5(l), which provides that the Public Employment Relations Board ("PERB") shall have the power "[t]o make, amend and rescind, from time to time, such rules and regulations, including but not limited to those governing its internal organization and conduct of its affairs, and to exercise such other powers, as may be appropriate to effectuate the purposes and provisions of [the Public Employees' Fair Employment Act, Civil Service Law Art. 14].

Amendments are now proposed which will, upon adoption, codify existing practices as well as modernizing pleadings to allow for electronic filing and removing outdated rules.

A summary of the primary changes follows below. The full text of the proposed amendments to this part will be available on PERB's website during the public comment period.

Section 200.11 includes an expanded definition of the term "service" and defines "proof of service."

Section 200.12 defines the terms "electronic filing" and "electronic service" and allows the director or administrative law judge before whom a matter is pending to permit the electronic filing and electronic service of any or all pleadings or related documents under defined circumstances. Section 200.12 also allows the Chairperson, in consultation with the board, to generally authorize the electronic service and/or filing of any documents for any or all proceedings before it or before an administrative law judge under defined circumstances.

Section 201.3(f) provides that a petition for decertification may be filed by public employees or by a public employee organization, other than the recognized or certified employee organization, or a petition for certification may be filed by a public employee organization other than the recognized or certified employee organization, commencing one year after such recognition or certification, unless and until the recognized or certified employee organization has negotiated its first collective bargaining agreement.

Section 201.4 clarifies the evidence that the director shall accept in determining whether the showing of interest submitted with a petition for certification is timely.

Section 201.9 provides rules governing the withdrawal of employer applications for designation of persons as managerial or confidential.

Section 204.7 updates the procedures to be used when a party files an application for injunctive relief.

Section 205.4 updates the procedures to be used when a public employer or a certified or recognized employee organization files a declaration of impasse.

Section 205.18 updates the procedures to be used in the selection of an interest arbitration panel.

Section 207.15 allows the chairperson to change the administrative fee charged in connection with voluntary grievance arbitration on a yearly basis after an annual review.

Section 207.16 provides that, upon completion of an assignment, the arbitrator shall submit to the director of conciliation a copy of the invoice submitted to the parties.

Part 208 updates the procedures to be used for public access to records of the board.

Section 212.4(d) codifies and clarifies the powers of administrative law judges to administer oaths and affirmations and to exercise discretion in regulating the course of the proceeding. Section 212.4(d) also clarifies the procedures to be used to file interlocutory appeals of a decision, ruling, or order of an administrative law judge that does not resolve the entirety of a case.

Section 213.4 provides procedures and substantive requirements for filing motions for leave to file interlocutory exceptions to interim decisions, orders, or rulings.

Section 213.5 provides procedures and substantive requirements for filing responses to motions for leave to file interlocutory exceptions.

Section 213.6 provides that the board may grant or deny a motion for leave to file interlocutory exceptions in a non-final decision and that, upon grant of such a motion, the board shall issue a schedule for the filing of exceptions, cross-exceptions, responses, and briefs.

Section 213.9 provides procedures and substantive requirements for board-initiated and non-party-initiated amicus curiae briefs.

Section 213.10(c) provides procedures for a party to file a request for reconsideration of a final decision or order because of extraordinary circumstances.

Section 213.11 provides procedures for a party to ask the board to seek a judicial order enforcing the board's remedial order.

Section 214 provides that misconduct by any person at any stage of a case before the board, an administrative law judge or other person designated by the board to conduct proceedings, may be grounds for summary exclusion by the board, administrative law judge, or other designee before whom the misconduct occurred and that misconduct by an attorney or other representative before the agency, including but not limited to misconduct at a hearing, shall be grounds for discipline.

Regulatory Impact Statement

1. Statutory Authority: The Public Employees' Fair Employment Act (Civil Service Law Art. 14), better known as the "Taylor Law," was enacted in 1967. The Taylor Law established the Public Employment Relations Board ("PERB") to resolve disputes between public employers and legally recognized unions, as well as between union members and their unions. Civil Service Law § 205. PERB also certifies bargaining units and representatives in written decisions. Id.

Civil Service Law § 205.5(l) provides that PERB shall have the power "[t]o make, amend and rescind, from time to time, such rules and regulations, including but not limited to those governing its internal organization and conduct of its affairs, and to exercise such other powers, as may be appropriate to effectuate the purposes and provisions of [Article 14]."

2. Legislative Objectives: The proposed rules fulfill the legislative policy, as set forth in Civil Service Law § 205.5(l), that PERB make, amend and rescind rules and regulations to effectuate the purposes of the Taylor Law.

3. Needs and Benefits: The proposed new rules codify existing practices, thus affording new practitioners and unrepresented litigants to avail themselves of the benefit of such previously uncodified practices, as well as modernizing pleadings to allow for electronic filing and removing outdated rules, resulting in increased efficiency and clarity. No costs of implementation or continuation of the rules is anticipated.

4. Costs: The proposed rules are designed to be cost-neutral by updating and replacing similar rules that already pertain in proceedings under the Taylor Law.

The proposed rules impose no new fees, nor do they in any significant way increase the burden of practicing before PERB upon parties. Therefore, there are no costs to the regulated parties stemming from implementation of and/or continued compliance with the proposed rules.

5. Local Government Mandates: None applicable.

6. Paperwork: None applicable.

7. Duplication: None applicable.

8. Alternatives: In view of the familiarity of the great majority of PERB's constituency with the existing framework of the rules, as well as the regulatory changes to SERA, which brought PERB's functioning under that statute into harmony with its functions under the Taylor Law, potential alternatives, such as adopting procedural rules more akin to those applicable under the National Labor Relations Act ("NLRA"), were considered but deemed contraindicated.

9. Federal Standards: Not applicable.

10. Compliance Schedule: Upon enactment, and applicable to previously-filed cases with the Board on an ongoing basis.

Regulatory Flexibility Analysis

1. Effect of rule: The proposed amended rules ("Rules") replace, amend, and streamline the already extant rules of procedure by which claims under the Public Employees' Fair Employment Act (Civil Service Law, Art. 14), better known as the "Taylor Law," will be heard and processed to either settlement or a decision on the merits of the dispute by the Public Employment Relations Board ("PERB").

The Rules effect only employees and employers whose rights are governed by the Taylor Law—that is, employees of: "(i) the state of New York, (ii) a county, city, town, village or any other political subdivision or civil division of the state, (iii) a school district or any governmental entity operating a public school, college or university, (iv) a public improvement or special district, (v) a public authority, commission, or public benefit corporation, (vi) any other public corporation, agency or instrumentality or unit of government which exercises governmental powers under the laws of the state. . . ." (Taylor Law § 201.6(a)).

2. Compliance requirements: The Rules do not impose reporting, recordkeeping, or other similar requirements on any entity.

3. Professional services: No professional services are mandated or necessary to comply with the Rules. While litigants covered by the Taylor Law frequently elect to be represented by counsel before PERB, such representation is not required by the Rules, nor is it made more necessary or advantageous than under the already extant rules of procedure which these Rules would amend or supersede.

4. Compliance costs: The Rules impose no additional burdens upon litigants or entities governed by the Taylor Law.

5. Economic and technological feasibility: No economic or technological mandates are contained within the Rules, except for the possibility that electronic filing of documents with PERB may be permitted at the discretion of PERB's Chairperson. Parties for whom such electronic filing would present a technological or economic hardship would be permitted to "opt out" should electronic filing be allowed.

6. Minimizing adverse impact: As discussed above, no adverse impact of the Rules is anticipated.

7. Small business and local government participation: Because of the technical nature of the projected amendments to the Rules, the wide breadth of a statewide community of practitioners who regularly bring cases under the Taylor Law, and the high volume of cases pending before PERB, it was deemed that the SAPA process represented the most efficacious and practical means of gaining input from small businesses and any local governments whose constituents might have views on the procedural changes.

Rural Area Flexibility Analysis

1. Types and estimated numbers of rural areas: The proposed amended rules ("Rules") apply state-wide, and do not distinguish between litigants before the Public Employment Relations Board ("PERB") under the Public Employees' Fair Employment Act (Civil Service Law, Art. 14), better known as the "Taylor Law," based upon the nature of the locality in which a litigant is sited.

2. Reporting, recordkeeping and other compliance requirements; and professional services: The Rules do not impose reporting, recordkeeping, or other similar requirements on any entity. Nor are professional services mandated or necessary to comply with the Rules. Rather, the Rules replace, amend, and streamline the already extant rules of procedure by which claims under the Taylor Law are heard and processed to either settlement or a decision on the merits of the dispute by PERB.

3. Costs: The Rules do not impose any new fees or costs on the entities or parties subject to the Taylor Law.

4. Minimizing adverse impact: Not Applicable.

5. Rural area participation: These requirements are not applicable, pursuant to SAPA § 202-bb (7), because the Rules do not impose an adverse impact on rural areas and the Rules would not impose reporting, recordkeeping, or other compliance requirements on public or private entities in rural areas.

Job Impact Statement

1. Nature of impact: None. The proposed amended rules replace, amend, and streamline the already extant rules of procedure by which claims under the Public Employees' Fair Employment Act (Civil Service Law, Art. 14), better known as the "Taylor Law," will be heard and processed to either settlement or a decision on the merits of the dispute by the Public Employment Relations Board ("PERB"). No additional burdens are added upon litigants or entities governed by the Taylor Law.

2. Categories and numbers affected: Not applicable.

3. Regions of adverse impact: Not applicable.

4. Minimizing adverse impact: Not applicable.

5. Self-employment opportunities: Not applicable.

ACTION PENDING INDEX

The action pending index is a list of all proposed rules which are currently being considered for adoption. A proposed rule is added to the index when the notice of proposed rule making is first published in the *Register*. A proposed rule is removed from the index when any of the following occur: (1) the proposal is adopted as a permanent rule; (2) the proposal is rejected and withdrawn from consideration; or (3) the proposal's notice expires.

Most notices expire in approximately 12 months if the agency does not adopt or reject the proposal within that time. The expiration date is printed in the second column of the action pending index. Some notices, however, never expire. Those notices are identified by the word "exempt" in the second column. Actions pending for one year or more are preceded by an asterisk(*).

For additional information concerning any of the proposals listed in the action pending index, use the identification number to locate the text of the original notice of proposed rule making. The identification number contains a code which identifies the agency, the issue of the *Register* in which the notice was printed, the year in which the notice was printed and the notice's serial number. The following diagram shows how to read identification number codes.

Agency code	Issue number	Year published	Serial number	Action Code

ADVERTISEMENTS FOR BIDDERS/CONTRACTORS

SEALED BIDS

PROVIDE
SALT STORAGE BUILDING
Department of Transportation Region 4
Batavia, Genesee County

Sealed bids for Project Nos. 45422-C, 45422-E, comprising separate contracts for Construction Work and Electrical Work, Provide Salt Storage Building, DOT Region 4, 5441 East Main Street, Batavia (Genesee County), NY, will be received by the Office of General Services (OGS), Design & Construction Group (D&C), Division of Contract Management, 35th Fl., Corning Tower, Empire State Plaza, Albany, NY 12242, on behalf of the Department of Transportation, until 2:00 p.m. on Wednesday, April 26, 2017, when they will be publicly opened and read. Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by a certified check, bank check, or bid bond in the amount of $26,000 for C and $1,500 for E.

All successful bidders on a multiple trade project or the successful bidder on a single trade project will be required to furnish a Performance Bond and a Labor and Material Bond in the statutory form of public bonds required by Sections 136 and 137 of the State Finance Law, each for 100% of the amount of the Contract estimated to be between $500,000 and $1,000,000 for C and under $25,000 for E.

Pursuant to State Finance Law § 139-j and § 139-k, this solicitation includes and imposes certain restrictions on communications between OGS D&C and a bidder during the procurement process. A bidder is restricted from making contacts from the earliest notice of intent to solicit offers through final award and approval of the Procurement Contract by OGS D&C and Office of the State Comptroller ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). Designated staff are Frank Peris and Carl Ruppert in the Division of Contract Management, telephone (518) 474-0203, fax (518) 473-7862 and John Lewyckyj, Deputy Director, Design & Construction Group, telephone (518) 474-0201, fax (518) 486-1650. OGS D&C employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period, the bidder is debarred from obtaining governmental Procurement Contracts. Bidders responding to this Advertisement must familiarize themselves with the new Legislative and State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the bid form. Further information about these requirements can be found within the project manual or at: http://ogs.ny.gov/aboutogs/regulations/defaultAdvisoryCouncil.asp.

As a condition of award, within 48 hours of receipt of the proposed Contract Agreement from the State, the low bidder shall return the Contract Agreement to the State, properly executed, along with the Bonds if required by said Agreement. Low bidders who cannot meet these provisions may be subject to disqualification and forfeiture of the bid security.

The State intends to expedite award of this Contract and the Contractor shall be prepared to proceed with the Work accordingly. Bidders are warned that time is of the essence of the Contract and completion of the Work must be completed by October 1, 2017 after the Agreement is approved by the Comptroller. Due to the tightness of the construction schedule, bidders should consider the necessity for an increased work force and shift operations.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 10:00 a.m. on April 14, 2017 at DOT Region 4, Genesee County, 5441 East Main Street, Batavia, NY. Prospective bidders are urged to visit the site at this time. Prospective bidders or their representatives attending the pre-bid site visit will not be admitted on facility grounds without proper photo identification. Note that parking restrictions and security provisions will apply and all vehicles will be subject to search.

For assistance pertaining to the site visit only, please phone Jason Gac (716) 937-4200.

It is the policy of the State and the Office of General Services to encourage meaningful minority- and women-owned business enterprise participation in this project by contractors, subcontractors and suppliers under the Contract, and all bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises ("MBE") participation and 15% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs) for Construction Work. The total contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under this Contract.

The Office of General Services reserves the right to reject any or all bids.

The Bidding and Contract Documents for this Project are available on compact disc (CD) only, and may be obtained for an $8.00 deposit per set, plus a $2.00 per set shipping and handling fee. Contractors and other interested parties can order CD's on-line through a secure web interface available 24 hours a day, 7 days a week. Please use the following link at the OGS website for ordering and payment instructions: http://www.ogs.ny.gov/bu/dc/esb/acquirebid.asp.

(c) In addition, upon stipulation filed with the clerk of the court where the action was commenced or, if the case was transferred, the clerk of the court to which it has been transferred, any civil action for a sum of money only, pending or thereafter commenced in such courts, including actions removed to a court of limited jurisdiction from the Supreme Court pursuant to CPLR 325(d), regardless of the amount in controversy, shall be arbitrated, and in any such action the arbitration award shall not be limited to the amounts provided in subdivision (b) of this section, or to the monetary jurisdiction of the court. (f) The appropriate administrative judge, with the approval of the Deputy Chief Administrator, may direct a pretrial calendar hearing by the court of actions pending on the arbitration calendar. If an action is not settled or dismissed, or judgment by default is not directed upon the hearing, it shall be processed thereafter in accordance with the provisions of this Part.

AMENDMENT OF RULE
Rules of the Chief Judge

Pursuant to Article VI, § 28(c) of the State Constitution and section 211 of the Judiciary Law, upon consultation with the Administrative Board of the Courts, and with the approval of the Court of Appeals of the State of New York, I hereby amend, effective immediately, Part 36 of the Rules of the Chief Judge, by deleting the bracketed material and adding the underlined material.

Section 36.0 Preamble.

Public trust in the judicial process demands that appointments by judges be fair, impartial and beyond reproach. Accordingly, these rules are intended to ensure that appointees are selected on the basis of merit, without favoritism, nepotism, politics or other factors related to the qualifications of the appointee or the requirements of the case.

The rules cannot be written in a way that foresees every situation in which they should be applied. Therefore, the appointment of trained and competent persons, and the avoidance of factors unrelated to the merit of the appointments or the value of the work performed* are fundamental objectives that should guide all appointments made[,] and orders issued[,] pursuant to this Part.

Section 36.1 Application.

(a) Except as set forth in subdivision (b) of this section, this Part shall apply to the following appointments made by any judge or justice of the Unified Court System:

(1) guardians;

(2) guardians ad litem, including guardians ad litem appointed to investigate and report to the court on particular issues, and their counsel and assistants;

(3) [law guardians] *attorneys for the child* who are not paid from public funds, in those judicial departments where their appointments are authorized;

(4) court evaluators;

(5) attorneys for alleged incapacitated persons;

(6) court examiners;

(7) supplemental needs trustees;

(8) receivers;

(9) referees (other than special masters and those otherwise performing judicial functions in a quasi-judicial capacity); and

(10) the following persons or entities performing services for guardians or receivers:

(i) counsel;

(ii) accountants;

(iii) auctioneers;

(iv) appraisers;

(v) property managers; and

(vi) real estate brokers;

(11) a public administrator within the City of New York and for the Counties of Westchester, Onondaga, Erie, Monroe, Suffolk and Nassau and counsel to the public administrator, except that only sections 36.2(c) and 36.4*(f)*[(e)] of this Part shall apply, and that section 36.2(c) of this Part shall not apply to incumbents in these positions until one year after the effective date of this paragraph.

(b) Except for section 36.2(c)(6) and (7) of this Part, *this Part* shall not apply to:

(1) appointments of [law guardians] *attorneys for the child* pursuant to section 243 of the Family Court Act, guardians ad litem pursuant to section 403-a of the Surrogate's Court Procedure Act, or the Mental Hygiene Legal Service;

(2) the appointment of, or the appointment of any persons or entities performing services for, any of the following:

(i) a guardian who is a relative of:

(a) the subject of the guardianship proceeding; or

(b) the beneficiary of a proceeding to create a supplemental needs trust;

a person or entity nominated as guardian by the subject of the proceeding or proposed as guardian by a party to the proceeding; a supplemental needs trustee nominated by the beneficiary of a supplemental needs trust or proposed by a proponent of the trust; or a person or entity having a legally recognized duty or interest with respect to the subject of the proceeding;

(ii) a guardian ad litem nominated by an infant of 14 years of age or over;

(iii) a nonprofit institution performing property management or personal needs services, or acting as court evaluator;

(iv) a bank or trust company as a depository for funds or as a supplemental needs trustee;

(v) except as set forth in [paragraph (a)(ii) of this section] *section 36.1(a)(11)* a public official vested with the powers of an administrator;

(vi) a person or institution whose appointment is required by law; or

(vii) a physician whose appointment as a guardian ad litem is necessary where emergency medical or surgical procedures are required; and

(3) an appointment other than above without compensation, except that the appointee must file a notice of appointment pursuant to section 36.4*(b)*[(a)] of this Part.

Section 36.2 Appointments.

(a) Appointments by the judge. All appointments of the persons or entities set forth in section 36.1 of this Part, including those persons or entities set forth in section 36.1(a)(10) of this Part who perform services for guardians or receivers, shall be made by the judge authorized by law to make the appointment. In making appointments of persons or entities to perform services for guardians or receivers, the appointing judge may consider the recommendation of the guardian or receiver.

(b) Use of lists.

(1) All appointments pursuant to this Part shall be made by the appointing judge from the appropriate list of applicants established by the Chief Administrator of the Courts pursuant to section 36.3 of this Part.

(2) An appointing judge may appoint a person or entity not on the appropriate list of applicants upon a finding of good cause, which shall be set forth in writing and shall be filed with the fiduciary clerk at the time of the making of the appointment. The appointing judge shall send a copy of such writing to the Chief Administrator. A judge may not appoint a person or entity that has been removed from a list pursuant to section 36.3(e) of this Part.

(3) Appointments made from outside the lists shall remain subject to all of the requirements and limitations set forth in this Part, except that the appointing judge may waive any education and training requirements where completion of these requirements would be impractical.

(c) Disqualifications from appointment.

(1) No person shall be appointed who is a judge or housing judge of the Unified Court System of the State of New York, or who is a relative of, or related by marriage to, a judge or housing judge of the Unified Court System within the fourth degree of relationship.

(2) No person serving as a judicial hearing officer pursuant to Part 122 of the Rules of the Chief Administrator shall be appointed in actions or proceedings in a court in a county where he or she serves on a judicial hearing officer panel for such court.

(3) No person shall be appointed who is a full-time or part-time employee of the Unified Court System. No person who is the spouse, sibling, parent or child of an employee who holds a position at salary grade JG24 or above, or its equivalent, shall be appointed by a court within the judicial district where the employee is employed or, with respect to an employee with statewide responsibilities, by any court in the State.

(4)(i) No person who is a chair or executive director, or their equivalent, of a State or county political party (including any person or persons who, in counties of any size or population, possess or perform any of the titles, powers or duties set forth in Public Officers Law section 73[l][k]), or the spouse, sibling, parent or child of that official, shall be appointed while that official serves in that position and for a period of two years after that official no longer holds that position. This prohibition shall apply to the members, associates, counsel and employees of any law firms or entities while the official is associated with that firm or entity.

(ii) No person who has served as a campaign chair, coordinator, manager, treasurer or finance chair for a candidate for judicial office, or the spouse, sibling, parent or child of that person, or anyone associated with the law firm of that person, shall be appointed by the judge for whom that service was performed for a period of two years following the judicial election. If the candidate is a sitting judge, the disqualifications shall apply as well from the time the person assumes any of the above roles during the campaign for judicial office.

(5) No former judge or housing judge of the Unified Court System, or the spouse, sibling, parent or child of such judge, shall be appointed, within two years from the date the judge left judicial office, by a court within the jurisdiction where the judge served. Jurisdiction is defined as follows:

(i) the jurisdiction of a judge of the Court of Appeals shall be statewide;

(ii) the jurisdiction of a justice of an Appellate Division shall be the judicial department within which the justice served;

(iii) the jurisdiction of a justice of the Supreme Court and a judge of the Court of Claims shall be the principal judicial district within which the justice or judge served; and

(iv) with respect to all other judges, the jurisdiction shall be the principal county within which the judge served.

(6) No attorney who has been disbarred or suspended from the practice of law shall be appointed during the period of disbarment or suspension.

(7) No person convicted of a felony, or for five years following the date of sentencing after conviction of a misdemeanor (unless otherwise waived by the Chief Administrator upon application), shall be appointed unless that person receives a certificate of relief from disabilities.

(8) No receiver or guardian shall be appointed as his or her own counsel, and no person associated with a law firm of that receiver or guardian shall be appointed as counsel to that receiver or guardian, unless there is a compelling reason to do so.

(9) No attorney for an alleged incapacitated person shall be appointed as guardian to that person, or as counsel to the guardian of that person.

(10) No person serving as a court evaluator shall be appointed as guardian for the incapacitated person except under extenuating circumstances that are set forth in writing and filed with the fiduciary clerk at the time of the appointment.

(d) Limitations on appointments based upon compensation.

(1) No person or entity shall be eligible to receive more than one appointment within a calendar year for which the compensation anticipated to be awarded to the appointee in any calendar year exceeds the sum of $15,000.

(2) If a person or entity has been awarded more than an aggregate of $75,000 in compensation by all courts during any calendar year, the person or entity shall not be eligible for compensated appointments by any court during the next calendar year.

(3) For purposes of this Part, the term compensation shall mean awards by a court of fees, commissions, allowances or other compensation, excluding costs and disbursements.

(4) These limitations shall not apply where the appointment is

necessary to maintain continuity of representation of or service to the same person or entity in further or subsequent proceedings.

Section 36.3 Procedure for appointment.

(a) Application for appointment. The Chief Administrator shall provide for the application by persons or entities seeking appointments pursuant to this Part on such forms as shall be promulgated by the Chief Administrator. The forms shall contain such information as is necessary to establish that the applicant meets the qualifications for the appointments covered by this Part and to apprise the appointing judge of the applicant's background.

(b) Qualifications for appointment. The Chief Administrator shall establish requirements of education and training for placement on the list of available applicants. These requirements shall consist, as appropriate, of substantive issues pertaining to each category of appointment— including applicable law, procedures, and ethics—as well as explications of the rules and procedures implementing the process established by this Part. Education and training courses and programs shall meet the requirements of these rules only if certified by the Chief Administrator. Attorney participants in these education and training courses and programs may be eligible for continuing legal education credit in accordance with the requirements of the Continuing Legal Education Board.

(c) Establishment of lists. The Chief Administrator shall establish separate lists of qualified applicants for each category of appointment, and shall make available such information as will enable the appointing judge to be apprised of the background of each applicant. The Chief Administrator may establish more than one list for the same appointment category where appropriate to apprise the appointing judge of applicants who have substantial experience in that category. Pursuant to section 81.32(b) of the Mental Hygiene Law, the Presiding Justice of the appropriate Appellate Division shall designate the qualified applicants on the lists of court examiners established by the Chief Administrator.

(d) Registration. The Chief Administrator shall establish a procedure requiring that each person or entity on a list reregister every two years in order to remain on the list.

(e) Removal from lists. The Chief Administrator may remove any person or entity from any list for unsatisfactory performance or any conduct incompatible with appointment from that list, or if disqualified from appointment pursuant to this Part. A person or entity may not be removed except upon receipt of a written statement of reasons for the removal and an opportunity to provide an explanation and to submit facts in opposition to the removal.

(f) Notwithstanding section 36.3(e), pending a final determination on the issue of removal, the Chief Administrator may temporarily suspend any person or entity from any list upon a showing of good cause that the person's conduct places clients or wards at significant risk of financial or other harm, or presents an immediate threat to the public.

Payment of such compensation may not be made until the plaintiffs in the matter have received a copy of the court's compensation order.

(3) Exception. The procedure set forth in this section shall not apply to the appointment of a referee to sell real property and a referee to compute whose compensation for such appointments is not anticipated to exceed $750.
