Notice of Availability of State and Federal Funds

Executive Orders

Court Notices

State agencies must specify in each notice which proposes a rule the last date on which they will accept public comment. Agencies must always accept public comment: for a minimum of 45 days following publication in the *Register* of a Notice of Proposed Rule Making or a Notice of Emergency Adoption and Proposed Rule Making for which full text was included in the Notice or posted on a state web site, or which is a consensus rule or a rule defined in SAPA § 102(2)(a)(ii); or for a minimum of 60 days following publication in the *Register* of a Notice of Proposed Rule Making or a Notice of Emergency Adoption and Proposed Rule Making for which a summary of the text of the rule was included in the Notice and the full text of which was not published on a state web site; and for 30 days after publication of a Notice of Revised Rule Making in the *Register*. When a public hearing is required by statute, the hearing cannot be held until 45 days after publication of the notice, and comments must be accepted for at least 5 days after the last required hearing. When the public comment period ends on a Saturday, Sunday or legal holiday, agencies must accept comment through the close of business on the next succeeding workday.

For notices published in this issue:

- the 60-day period expires on September 18, 2016
- the 45-day period expires on September 3, 2016
- the 30-day period expires on August 19, 2016

NEW YORK STATE REGISTER

Be a part of the rule making process!

The public is encouraged to comment on any of the proposed rules appearing in this issue. Comments must be made in writing and must be submitted to the agency that is proposing the rule. Address your comments to the agency representative whose name and address are printed in the notice of rule making. No special form is required; a handwritten letter will do. Individuals who access the online *Register* (www.dos.ny.gov) may send public comment via electronic mail to those recipients who provide an e-mail address in Notices of Proposed Rule Making. This includes Proposed, Emergency Proposed, Revised Proposed and Emergency Revised Proposed rule makings.

To be considered, comments must reach the agency before the proposed rule is adopted. The law provides for a minimum 45-day public comment period after publication in the *Register* of every Notice of Proposed Rule Making for which full text was included or posted on a state web site, or which is a consensus rule or a rule defined in SAPA § 102(2)(a)(ii); a minimum 60-day public comment period after publication in the *Register* of a Notice of Proposed Rule Making for which a summary of the text of the rule was included in the Notice and the full text of which was not published on a state web site; and a 30-day public comment period for every Notice of Revised Rule Making. If a public hearing is required by statute, public comments are accepted for at least five days after the last such hearing. Agencies are also required to specify in each notice the last date on which they will accept public comment.

When a time frame calculation ends on a Saturday or Sunday, the agency accepts public comment through the following Monday; when calculation ends on a holiday, public comment will be accepted through the following workday. Agencies cannot take action to adopt until the day after public comments are due.

The Administrative Regulations Review Commission (ARRC) is charged with the task of reviewing newly proposed regulations to examine the issues of compliance with legislative intent, impact on the economy, and impact on affected parties. In addition to sending comments or recommendations to the agency, please do not hesitate to transmit your views to ARRC:

Administrative Regulations Review Commission
State Capitol
Albany, NY 12247
Telephone: (518) 455-5091 or 455-2731

Each paid subscription to the *New York State Register* includes one weekly issue for a full year and four “Quarterly Index” issues. The Quarterly is a cumulative list of actions that shows the status of every rule making action in progress or initiated within a calendar year.

The *Register* costs \$80 a year for a subscription mailed first class and \$40 for periodical (second) class. Prepayment is required. To order, send a check or money order payable to the NYS Department of State to the following address:

NYS Department of State
One Commerce Plaza
99 Washington Avenue
Suite 650
Albany, NY 12231-0001
Telephone: (518) 474-6957

KEY: (P) Proposal; (RP) Revised Proposal; (E) Emergency; (EP) Emergency and Proposal; (A) Adoption; (AA) Amended Adoption; (W) Withdrawal

Individuals may send public comment via electronic mail to those recipients who provided an e-mail address in Notices of Proposed Rule Making. This includes Proposed, Emergency Proposed, Revised Proposed and Emergency Revised Proposed rule makings. Choose pertinent issue of the *Register* and follow the procedures on the website (www.dos.ny.gov)

RULE MAKING ACTIVITIES

Each rule making is identified by an I.D. No., which consists of 13 characters. For example, the I.D. No. AAM-01-96-00001-E indicates the following:

- AAM -the abbreviation to identify the adopting agency
01 -the *State Register* issue number
96 -the year
00001 -the Department of State number, assigned upon receipt of notice.
- E -Emergency Rule Making—permanent action not intended (This character could also be: A for Adoption; P for Proposed Rule Making; RP for Revised Rule Making; EP for a combined Emergency and Proposed Rule Making; EA for an Emergency Rule Making that is permanent and does not expire 90 days after filing.)

Italics contained in text denote new material. Brackets indicate material to be deleted.

Department of Agriculture and Markets

NOTICE OF ADOPTION

Species of Trees and Plants of the Prunus Species

I.D. No. AAM-19-16-00003-A
Filing No. 638
Filing Date: 2016-07-05
Effective Date: 2016-07-20

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Amendment of Part 140 of Title 1 NYCRR.
Statutory authority: Agriculture and Markets Law, sections 18, 164 and 167

Subject: Species of trees and plants of the Prunus species.

Purpose: To amend the plum pox virus quarantined and regulated areas for purposes of helping prevent the further spread of this virus.

Text or summary was published in the May 11, 2016 issue of the Register, I.D. No. AAM-19-16-00003-EP.

Final rule as compared with last published rule: No changes.

Text of rule and any required statements and analyses may be obtained from: Christopher A. Logue, Director, Division of Plant Industry, NYS Department of Agriculture and Markets, 10B Airline Drive, Albany, New York 12235, (518) 457-2087, email: christopher.logue@agriculture.ny.gov

Initial Review of Rule

As a rule that requires a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2019, which is no later than the 3rd year after the year in which this rule is being adopted.

Assessment of Public Comment

The agency received no public comment.

Data, views or arguments may be submitted to: Ilene Lees, Counsel, NYS Department of Civil Service, Empire State Plaza, Agency Building 1, Albany, NY 12239, (518) 473-2624, email: ilene.lees@cs.ny.gov

Public comment will be received until: 45 days after publication of this notice.**Regulatory Impact Statement**

A regulatory impact statement is not submitted with this notice because this rule is subject to a consolidated regulatory impact statement that was previously printed under a notice of proposed rule making, I.D. No. CVS-02-16-00003-P, Issue of January 13, 2016.

Regulatory Flexibility Analysis

A regulatory flexibility analysis is not submitted with this notice because this rule is subject to a consolidated regulatory flexibility analysis that was previously printed under a notice of proposed rule making, I.D. No. CVS-02-16-00003-P, Issue of January 13, 2016.

Rural Area Flexibility Analysis

A rural area flexibility analysis is not submitted with this notice because this rule is subject to a consolidated rural area flexibility analysis that was previously printed under a notice of proposed rule making, I.D. No. CVS-02-16-00003-P, Issue of January 13, 2016.

Job Impact Statement

A job impact statement is not submitted with this notice because this rule is subject to a consolidated job impact statement that was previously printed under a notice of proposed rule making, I.D. No. CVS-02-16-00003-P, Issue of January 13, 2016.

**PROPOSED RULE MAKING
NO HEARING(S) SCHEDULED**

Jurisdictional Classification**I.D. No.** CVS-29-16-00018-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Amendment of Appendixes 1 and 2 of Title 4 NYCRR.**Statutory authority:** Civil Service Law, section 6(1)**Subject:** Jurisdictional Classification.**Purpose:** To delete subheading and positions from; to add heading, subheading and positions in exempt and non-competitive classes.

Text of proposed rule: Amend Appendix 1 of the Rules for the Classified Service, listing positions in the exempt class, in the New York State Thruway Authority, by deleting therefrom the position of Director, Canal Recreationway Commission and deleting therefrom the subheading "New York State Canal Corporation" and the positions of Director Operations and Special Assistant (2); and, under the heading "Miscellaneous," by adding thereto the heading New York State Power Authority and under the New York State Power Authority, by adding thereto the subheading "New York State Canal Corporation" and the positions of Director, Canal Recreationway Commission, Director Operations and Special Assistant (2); and

Amend Appendix 2 of the Rules for the Classified Service, listing positions in the non-competitive class, in the New York State Thruway Authority, by deleting therefrom the subheading "New York State Canal Corporation" and the positions of Business Development Specialist 1 (5), Business Development Specialist 2 (1), Confidential Assistant (1) and Soil and Water Engineering Specialist (1); and, under the heading "Miscellaneous," by adding thereto the heading New York State Power Authority and under the New York State Power Authority, by adding thereto the subheading "New York State Canal Corporation" and the positions of Business Development Specialist 1 (5), Business Development Specialist 2 (1), Confidential Assistant (1) and Soil and Water Engineering Specialist (1).

Text of proposed rule and any required statements and analyses may be obtained from: Jennifer Paul, NYS Department of Civil Service, Empire State Plaza, Agency Building 1, Albany, NY 12239, (518) 473-6598, email: jennifer.paul@cs.ny.gov

Department of Environmental Conservation

NOTICE OF ADOPTION

Fisher Trapping Seasons and General Trapping Regulations for Furbearers

I.D. No. ENV-19-15-00010-A

Filing No. 641

Filing Date: 2016-07-05

Effective Date: 2016-07-20

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Amendment of sections 6.2 and 6.3 of Title 6 NYCRR.

Statutory authority: Environmental Conservation Law, sections 3-0301, 11-0303, 11-0917, 11-1101, 11-1103 and 11-1105

Subject: Fisher trapping seasons and general trapping regulations for furbearers.

Purpose: Revise existing fisher seasons, establish a new season in central/western NY, update and clarify general trapping regulations.

Text or summary was published in the May 13, 2015 issue of the Register, I.D. No. ENV-19-15-00010-P.

Final rule as compared with last published rule: No changes.

Revised rule making(s) were previously published in the State Register on May 11, 2016.

Text of rule and any required statements and analyses may be obtained from: Michael Schiavone, Department of Environmental Conservation, 625 Broadway, Albany, NY 12233-4754, (518) 402-8883, email: wildliferegs@dec.ny.gov

Additional matter required by statute: A programmatic environmental impact statement is on file with the Department of Environmental Conservation.

Revised Regulatory Impact Statement

1. Statutory Authority

Section 3-0301 of the Environmental Conservation Law (ECL) directs the Department of Environmental Conservation (DEC or department) to provide for the propagation, protection, and management wildlife.

Section 11-0303 of the ECL directs DEC to develop and carry out programs that will maintain desirable species in ecological balance, and to observe sound management practices. This directive is to be met with regard to: ecological factors, the compatibility of production and harvest

of wildlife with other land uses, the importance of wildlife for recreational purposes, public safety, and protection of private premises.

ECL sections 11-0917 and 11-1101 describe the conditions under which wild game may be possessed, transported, or sold, and which trapping activities are prohibited.

ECL section 11-1103 states that the department may by regulation permit trapping of beaver, fisher, otter, bobcat, coyote, fox, raccoon, opossum, weasel, skunk, muskrat, pine marten and mink and may regulate the taking, possession and disposition of such animals.

ECL section 11-1105 describes how traps may be set, how often they must be checked, and how animals may be dispatched.

2. Legislative Objectives

The legislative objectives behind the statutory provisions listed above are to authorize the department to establish, by regulation, certain basic wildlife management tools, including the setting of open areas for trapping fisher and other furbearers. These tools are used by the department in recognition of the importance of trapping for recreational purposes.

3. Needs and Benefits

The Division of Fish and Wildlife (Division) proposes to establish a new 6-day fisher trapping season in select Wildlife Management Units (WMUs) in central and western New York that can sustain a limited harvest opportunity based on analyses of fisher population data and estimates of trapping pressure. In addition, the Division proposes a restriction of the fisher season in Adirondack WMUs from 46 days to 30 days based on scientific evidence that harvest rates in those units is exceeding 20%, the threshold for sustainable harvest. Finally, the Division is proposing minor revisions to the general trapping regulations for furbearers to improve clarity and ease compliance and enforcement.

4. Costs

None beyond normal administrative costs.

5. Paperwork

The proposed revisions require participants in fisher trapping seasons to obtain a special permit from DEC free of charge and to complete a trapping effort log. These requirements allow wildlife managers to obtain important information on trapping harvest, participation, and effort to ensure that harvest is sustainable.

6. Local Government Mandates

These amendments do not impose any program, service, duty or responsibility upon any county, city, town village, school district or fire district.

7. Duplication

There are no other regulations similar to this proposal.

8. Alternatives

Alternatives for Fisher Trapping in Adirondack WMUs in Northern New York

No changes to fisher trapping seasons in Adirondack WMUs. A fundamental part of fisher management is that populations can generally sustain annual harvest rates of approximately 20%. Harvest and trapping effort data from the Adirondacks indicate that the fisher population has declined in recent years and that harvest rates exceed 20%. Based on our analysis of fisher harvest data, Division staff concluded that some changes to trapping regulations are necessary to ensure that fisher harvests are managed on a sustainable basis as a public trust resource.

Temporarily close fisher trapping seasons in Adirondack WMUs. Fisher trapping season closures were implemented in New York in 1977, 1983, and 1984; however, the recently observed fisher harvest declines do not warrant such action at this time. While such measures may provide immediate relief of harvest pressure on fisher populations, short-term season closures are unlikely to provide long-term benefits if other harvest restrictions are not implemented when seasons are re-opened. Furthermore, because fishers and martens are trapped using the same methods, the marten trapping season in the Adirondacks would also be closed under this alternative. Fishers would also continue to be harvested incidental to other terrestrial furbearers with concurrent seasons (e.g., fox, raccoon, coyote). Lastly, when trapping seasons are closed, the Division loses a valuable source of data (i.e., biological data collected during pelt sealing) that is used to assess population status and make management decisions.

Alternatives for Fisher Trapping in Central and Western New York

Maintain a closed season for trapping fishers. While maintaining a closed season for fisher trapping is a viable management option, providing regulated trapping opportunities is consistent with the NYSDEC Bureau of Wildlife's mission "To provide the people of New York the opportunity to enjoy all the benefits of the wildlife of the State, now and in the future." These benefits include opportunities to harvest and observe fishers in the wild. Even with the proposed opening of a limited trapping season Central/Western New York, we expect fisher populations to continue to expand to other areas of western New York (e.g., the Lake Plains) which will provide additional opportunities for the public to observe and enjoy this species in the future.

Open a fisher trapping season with harvest regulations similar to other

areas of New York (existing or proposed). We considered this option to address potential concerns regarding inequity of harvest opportunities among fisher management zones or having different trapping seasons and regulations across the state. However, our assessment of fisher populations and harvest data from ecologically-similar areas of southeastern New York, suggested that a more conservative season than occurs elsewhere currently (46 days) or than is proposed for the Adirondack WMUs (30 days) was more appropriate for opening a new season. The proposed 6-day season will almost certainly be sustainable, provide some new harvest opportunities, and provide data that we can use to evaluate possible season expansions in the future.

Alternatives for Revisions to General Trapping Regulations for Furbearers

Make no changes to existing general trapping regulations in NYCRR Section 6.3. We can continue to manage furbearers without making changes to the general regulations described in Section 6.3, but the current wording has led to confusion among both trappers and law enforcement personnel, making compliance and enforcement a challenge.

9. Federal Standards

There are no federal standards associated with fisher trapping.

10. Compliance Schedule

Trappers would have to comply with the new regulations beginning in the fall of 2016.

Revised Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement

A revised Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement are not needed. The original Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement, as published in the Notice of Proposed Rule Making, remain valid and do not need to be amended.

Assessment of Public Comment

The Department received 45 comments on the proposed amendment to fisher seasons and general trapping regulations. A summary of comments and Department responses follows.

Comment:

General statements opposed to trapping.

Response:

Some people do not approve of trapping; however, New York's Environmental Conservation Law (ECL) authorizes trapping as a legitimate use of our wildlife resources. Consequently, the proposed regulations provide for this use, while ensuring it is done sustainably.

Comment:

The proposed season length reduction in Adirondack Wildlife Management Units (WMUs) is not science-based or is based on inadequate data.

Response:

The proposed regulations are based on analyses of available data including harvest totals and sex ratios, trapping effort, and both mail and field survey results. The Fisher Management Plan, on which the regulatory proposal was based, incorporates numerous references to scientific literature from peer-reviewed professional journals on fisher and furbearer management.

The assessment of fisher population declines in the Adirondacks is based, in part, on "take per unit effort" (TPUE) data. The scientific literature has several references that demonstrate the utility of using TPUE to monitor changes in furbearer populations. TPUE accounts for sources of variation in harvest (e.g., changes in trapping pressure due to pelt prices, weather, and costs) by normalizing harvest by effort expended. TPUE is the product of the number of traps set and the number of nights these traps are set (expressed as the number of fisher harvested per 100 trap-nights). Normalizing harvest data by effort facilitates year-to-year comparisons and addresses changes in effort and resulting harvest. TPUE does not account for changes in trapping vulnerability that occur in response to food availability, but this was considered when interpreting TPUE trends. Some commenters mentioned the link between mast production and harvest. While mast influences variation in harvest between years, over the long-term there has been a consistent decreasing trend in TPUE.

Comment:

More research is needed before decreasing the season length in the Adirondacks.

Response:

Some commenters felt that additional research was necessary to document fisher population declines in Adirondack WMUs. We do not believe more research would change the outcome of our proposals. All indicators (TPUE, harvest rates, and sex ratios) point to a decreasing fisher population. We believe this warrants the proposed season reduction to achieve a 20% harvest rate to stabilize the population.

While the available data indicate that the fisher population in Adirondack WMUs is declining, additional research is needed to better understand the cause(s) of the decline. The need for additional research, including

descriptions of potential studies to address this issue, is described in the Fisher Management Plan. Department staff plan to implement these research studies as resources allow.

Data gathered from ongoing and future field surveys, mail surveys, pelt sealing, and formal research projects will be used to evaluate the changes made to fisher trapping seasons, and to make adjustments, if needed.

Comment:

Trapping harvest favoring female fishers is "normal" and sustainable, contrary to what is stated in the Fisher Management Plan.

Response:

Peer-reviewed published research found that adult female fishers had lower mortality rates and were less vulnerable to trapping than adult males, indicating that sex ratios which favor males or approach 1:1 female:male (F:M) reflect a sustainable harvest. Although Fur Harvesters Auction (FHA) data presented to the Department indicated a F:M ratio similar to that presented in the Fisher Management Plan, there are important differences. First, sex ratio data from New York contain both spatial and temporal components, enabling us to calculate ratios and their variability over time within discrete areas with the same trapping regulations (e.g., northern vs. southeastern NY). Furthermore, the department evaluated additional harvest data (e.g., TPUE, harvest density, success rate) to corroborate sex ratio data. FHA data were pooled across a large geographic area that varied greatly in F:M ratios and trapping regulations, precluding an understanding of how differences in regulations across jurisdictions influence these ratios, and prohibiting a comparison with other harvest data. Lastly, even if FHA data were an accurate reflection of the fisher sex ratio, it's important to note that other eastern and mid-western states are observing similar declines in fisher harvests, which suggests that ratios exceeding 1:1 indicate increasing harvest intensity and potentially overharvest.

Comment:

Trapping season dates should be set for when fur is "prime."

Response:

Many trappers suggested a later season start date to improve the quality of fur on harvested fisher. While later dates would lead to an improvement in pelt quality, there are other factors to consider. First, fishers harvested in late October are routinely sold at reasonable prices, so the difference in pelt quality from a modest delay in season dates is small. In addition, incidental capture of fisher by trappers targeting other species using body-grip traps prior to the later opening date is problematic. Body-grip traps are lethal traps and non-target catches cannot be released.

In response to the input received for Northern New York during the Notice of Proposed Rulemaking (NPR) in 2015, the Department amended the proposed regulation in the Notice of Revised Rulemaking to a season start date of November 1 for Adirondack WMUs (the original proposed start date in the NPR was October 25) and also increased the proposed season length from 22 to 30 days.

Comment:

Restricting the fisher trapping season in the Adirondacks will negatively affect marten trapping opportunity.

Response:

Trapping methods for fisher and marten are very similar and therefore, regulations designed to protect one species must also be applied to the other. Were marten seasons to remain unchanged, there is the strong possibility that marten trappers could incidentally take fisher after fisher season closed. We recognize that the proposed changes will result in the loss of marten trapping opportunity, but to avoid the incidental take of fisher, seasons for the two species must be aligned.

Comment:

Do not restrict the fisher trapping season in select townships in Saratoga County that are dissimilar to fisher populations in the central Adirondacks.

Response:

While fishers may be relatively abundant in a given local area, it is not feasible for the Department to manage populations on a small spatial scale such as townships. Furthermore, it is not scientifically valid to extrapolate the status of fisher populations across a larger region based on what is observed at the township level.

The Department collects and analyzes data at the WMU Aggregate level (e.g., Central Adirondacks, Champlain Valley). WMU aggregates are groupings of WMUs based on their ecological similarity. WMU aggregates are the most appropriate scale for managing furbearers such as fisher because they account for ecological variation across a region while providing an adequate sample size for data collection (e.g., pelt sealed fishers, TPUE data).

Comment:

The "revocable special permit" for fisher trapping needs clarification. Trapping log books provide unreliable data due to the variation in experience of trappers.

Response:

The proposed amendment for fisher trapping specified the requirement for a "special permit" that is obtained from the Department free of charge.

The special permit system is a mechanism that has been used successfully for furbearer species to obtain estimates of participation and effort that cannot be obtained from pelt-sealing alone. As stated above, estimates of TPUE are a more accurate representation of abundance than raw harvest totals. Furthermore, the log books accurately account for the diversity of experience and effort among trappers, thus providing a more accurate assessment of trapping pressure and take. The Department envisions use of the special permit system as temporary as we seek to better understand fisher populations over the next 3-5 years. The special permit would be revoked in the instance where the permit holder committed a violation of the New York State Environmental Conservation Law or New York State Code of Rules and Regulations related to trapping.

Comment:

The fisher population in central and western New York cannot sustain the proposed season.

Response:

The Department conducted intense trail camera surveys in C/WNY over the last three winters to estimate fisher occupancy and density, including surveys in Wildlife Management Units (WMUs) currently open to fisher trapping, and based on these data, is confident fisher populations in select areas of C/WNY can sustain a limited harvest. Department staff will use data from trapper diaries (i.e., "log books"), pelt sealing, and other field surveys to evaluate the new season over the next three years and make changes, if needed.

Comment:

The phrases "leg hold" traps and traps with "teeth in the jaws" reflect poorly upon trappers.

Response:

Regulatory language regarding "leg hold" traps and the prohibition against using traps with "teeth in the jaws" mirror the language in ECL § 11-1101. We recognize that "foot-hold" trap is a more accurate reflection of this device and that traps with "teeth in the jaws" have been prohibited in New York State for decades; however, the Department uses these phrases to remain consistent with statute. Changing this language would require a law change.

Comment:

Changes to size of body-grip traps required to use the offset trigger are unnecessary.

Response:

To improve protection of river otter in areas with no otter trapping season, the Department feels this change is necessary given the prevalence of "330" sized body-grip traps that measure less than nine inches that are commercially available. These traps are generally less expensive than other brands and are therefore likely to be commonly used. Given their smaller dimensions than other "330" sized traps, they may also have a higher likelihood of capturing otter unless offset triggers per 6 NYCRR 6.3(a)(12).

Based on the data collected by the Department, the adjustments made to the Fisher Management Plan and original regulatory proposal based on public input, and new comments received on the Notice of Revised Rulemaking, the department has determined that it remains appropriate to allow the modification of existing fisher trapping seasons, expand fisher trapping opportunity into new regions of the state, and to make minor modifications to the general trapping regulations. Therefore, the regulation is being adopted as proposed in the Notice of Revised Rulemaking published on May 11, 2016.

Department of Financial Services

EMERGENCY/PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Workers' Compensation Safe Patient Handling Program

I.D. No. DFS-29-16-00020-EP

Filing No. 632

Filing Date: 2016-07-01

Effective Date: 2016-07-01

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Proposed Action: Addition of Subpart 151-7 (Regulation 119) to Title 11 NYCRR.

Statutory authority: Financial Services Law, sections 202 and 302; Insurance Law, sections 301 and 2304(j)

Finding of necessity for emergency rule: Preservation of general welfare.

Specific reasons underlying the finding of necessity: Part A of Chapter 60 of the Laws of 2014 added a new Title 1-A to Public Health Law Article 29-D to require health care facilities to establish safe patient handling programs by January 1, 2017. Part A also added a new Insurance Law § 2304(j) to require the Superintendent of Financial Services ("Superintendent") to make rules, by July 1, 2016, establishing requirements for health care facilities to obtain a reduced workers' compensation insurance rate for safe patient handling programs implemented pursuant to Public Health Law § 2997-(k)(2). Section 2304(j) further requires the Superintendent to submit reports to the Legislature by December 1, 2018 and December 1, 2020 that evaluate the effects of the reduced rate, including changes in claim frequency and costs.

The regulation states that for each workers' compensation insurance policy issued or renewed in New York, an insurer must provide a credit to a health care facility that implements and maintains a safe patient handling program that meets the requirements of Public Health Law § 2997-(k)(2). The amount of the credit and the manner in which it is applied must be in accordance with the approved manual filed by the rate service organization of which the insurer is a member. The regulation also requires an insurer to verify that a health care facility has implemented and maintains a safe patient handling program that meets the requirements of Public Health Law § 2997-(k)(2) before providing a credit, and requires every workers' compensation rate service organization to submit an annual report to the Superintendent regarding policies receiving a credit pursuant to the regulation, including policy year payrolls, indemnity losses, indemnity claim counts, medical losses by classification, and such other information as the Superintendent may require.

Insurance Law § 2304(j) requires that the regulation be in place by July 1, 2016. Therefore, it is necessary to promulgate the regulation on an emergency basis for the furtherance of the general welfare.

Subject: Workers' Compensation Safe Patient Handling Program.

Purpose: To implement part A of chapter 60 of the Laws of 2014.

Text of emergency/proposed rule: *Workers' Compensation Safe Patient Handling Program*

§ 151-7.0 Preamble.

In March 2014, Governor Andrew M. Cuomo signed into law Part A of Chapter 60 of the Laws of 2014, which amended the Public Health Law and Insurance Law with regard to safe patient handling programs. Specifically, Chapter 60 added a new Title 1-A to Public Health Law Article 29-D to require health care facilities to establish safe patient handling programs, and added a new Insurance Law section 2304(j) to require the department to make rules establishing requirements for health care facilities to obtain a reduced workers' compensation insurance rate for safe patient handling programs implemented pursuant to Public Health Law section 2997-(k)(2).

§ 151-7.1 Definitions.

In this Subpart, health care facility shall have the meaning set forth in Public Health Law section 2997-(h)(1).

§ 151-7.2 Safe patient handling program credits.

(a) For each workers' compensation insurance policy issued or renewed in this State, an insurer shall provide a credit to a health care facility that implements and maintains a safe patient handling program that meets the requirements of Public Health Law section 2997-(k)(2). The amount of the credit and the manner in which it is applied shall be in accordance with the approved manual filed by the rate service organization of which the insurer is a member.

(b) An insurer shall verify that a health care facility has implemented and maintains a safe patient handling program that meets the requirements of Public Health Law section 2997-(k)(2) before providing a credit.

§ 151-7.4 Reporting requirements.

By June 1 of each year, every workers' compensation rate service organization shall submit a report to the superintendent regarding policies receiving a credit pursuant to this Part, including policy year payrolls, indemnity losses, indemnity claim counts, and medical losses by classification, and such other information as the superintendent may require. Every workers' compensation rate service organization shall report the information, including adjustments, consistent with the comparable classification relativity review.

This notice is intended: to serve as both a notice of emergency adoption and a notice of proposed rule making. The emergency rule will expire September 28, 2016.

Text of rule and any required statements and analyses may be obtained from: Joana Lucashuk, NYS Department of Financial Services, One State Street, New York, NY 10004, (212) 480-2125, email: joana.lucashuk@dfs.ny.gov

Data, views or arguments may be submitted to: Same as above.

Public comment will be received until: 45 days after publication of this notice.

Regulatory Impact Statement

1. Statutory authority: Financial Services Law §§ 202 and 302 and Insurance Law §§ 301 and 2304(j).

Financial Services Law § 202 establishes the office of the Superintendent of Financial Services (“Superintendent”). Financial Services Law § 302 and Insurance Law § 301, in material part, authorize the Superintendent to effectuate any power accorded to the Superintendent by the Financial Services Law, Insurance Law, or any other law, and to prescribe regulations interpreting the Insurance Law.

Insurance Law § 2304(j) requires the Superintendent to make rules establishing requirements for health care facilities to obtain a reduced workers’ compensation insurance rate for safe patient handling programs implemented pursuant to Public Health Law § 2997-k(2). This section also requires the Superintendent to evaluate the results of the reduced rate, including changes in claim frequency and costs, and submit a report to the Legislature by December 1, 2018 and December 1, 2020.

2. Legislative objectives: In March 2014, Governor Andrew M. Cuomo signed into law Chapter 60 of the Laws of 2014, Part A of which amended the Public Health Law and Insurance Law with regard to safe patient handling programs. Specifically, Part A of Chapter 60 added a new Title 1-A to Public Health Law Article 29-D to require health care facilities to establish safe patient handling programs. Part A also added a new Insurance Law § 2304(j) requiring the Superintendent to make rules establishing requirements for health care facilities to obtain a reduced workers’ compensation insurance rate for safe patient handling programs implemented pursuant to Public Health Law § 2997-k(2). It also requires the Superintendent to evaluate the results of the reduced rate, including changes in claim frequency and costs, and submit a report to the Legislature by December 1, 2018 and December 1, 2020.

This rule accords with the public policy objectives that the Legislature sought to advance in Insurance Law § 2304(j) by requiring an insurer to provide a credit on each workers’ compensation insurance policy issued or renewed in New York State to a health care facility that implements and maintains a safe patient handling program pursuant to the requirement prescribed in Public Health Law § 2997-k(2). The amount of the credit and the manner in which it is applied must conform with the approved manual filed by the rate service organization (“RSO”) of which the insurer is a member.

3. Needs and benefits: Part A of Chapter 60 of the Laws of 2014 amended the Public Health Law to require health care facilities to establish safe patient handling programs. Part A also amended the Insurance Law to require the Superintendent to establish, by regulation, requirements for health care facilities to obtain a reduced workers’ compensation insurance rate for safe patient handling programs, and to require the Superintendent to evaluate the results of the reduced rate, including changes in claim frequency and costs, and submit a report to the Legislature by December 1, 2018 and December 1, 2020.

This rule requires an insurer to provide a credit on each workers’ compensation insurance policy issued or renewed in New York State to a health care facility that implements and maintains a safe patient handling program pursuant to the requirements prescribed in Public Health Law § 2997-k(2). The amount of the credit and the manner in which it is applied must conform with the approved manual filed by the RSO of which the insurer is a member. The rule also requires every workers’ compensation RSO to file certain information with the Superintendent by June 1 of each year so that the Superintendent may collect information for the reports due to the Legislature in 2018 and 2020.

4. Costs: This rule may impose compliance costs on insurers because an insurer must verify that a health care facility has a safe patient handling program implemented pursuant to Public Health Law § 2997-k(2). However, this is a consequence of Part A of Chapter 60 of the Laws of 2014, which requires an insurer to provide a credit on each workers’ compensation insurance policy issued or renewed in New York State to a health care facility that implements and maintains a safe patient handling program pursuant to the requirements prescribed in Public Health Law § 2997-k(2).

A workers’ compensation RSO may incur costs for the implementation and continuation of this rule, because every workers’ compensation RSO must submit a report to the Superintendent regarding policies receiving the credit, including providing information on policy year payrolls, indemnity losses, indemnity claim counts, and medical losses by classification, and such other information as the Superintendent may require. This report is necessary, however, in order to comply with the statutory mandate that the Superintendent report to the Legislature the effects of the reduced rate.

The Department of Financial Services (“DFS”) also may incur costs for

the implementation and continuation of this rule, because DFS will need to review the workers’ compensation RSO’s report, as well as draft its own report for submission to the Legislature. However, any additional costs incurred should be minimal and DFS should be able to absorb the costs in its ordinary budget.

This rule does not impose compliance costs on any local government.

5. Local government mandates: This rule does not impose any program, service, duty, or responsibility upon a county, city, town, village, school district, fire district, or other special district.

6. Paperwork: Workers’ compensation RSOs may incur additional paperwork because this rule requires every workers’ compensation RSO to submit a report to the Superintendent regarding policies receiving the credit, including providing information regarding policy year payrolls, indemnity losses, indemnity claim counts, and medical losses by classification, and such other information as the Superintendent may require.

7. Duplication: This rule does not duplicate, overlap, or conflict with any existing state or federal rules or other legal requirements.

8. Alternatives: DFS considered requiring a workers’ compensation RSO to file its annual report electronically but decided that an RSO likely will want to file the report electronically and therefore it is not necessary to require it in the rule.

DFS also considered prescribing the way in which an insurer must verify that a health care facility has implemented and is maintaining a safe patient handling program that meets the requirements of Public Health Law section 2997-k(2) before providing a credit. However, DFS decided it was not necessary to prescribe the method of verification because the insurer is in the best position to determine the ideal way to verify compliance with the law before providing a credit.

9. Federal standards: The rule does not exceed any minimum standards of the federal government for the same or similar subject areas.

10. Compliance schedule: An insurer and workers’ compensation RSO must comply with this rule as of July 1, 2016.

Regulatory Flexibility Analysis

1. Effect of rule: Part A of Chapter 60 of the Laws of 2014 amended the Public Health Law by adding a new Title 1-A to Public Health Law Article 29-D to require health care facilities to establish safe patient handling programs. Part A also added a new Insurance Law § 2304(j), requiring the Superintendent of Financial Services (“Superintendent”) to make rules establishing requirements for health care facilities to obtain a reduced workers’ compensation insurance rate for safe patient handling programs implemented pursuant to Public Health Law § 2997-k(2). This section also requires the Superintendent to evaluate the results of the reduced rate, including changes in claim frequency and costs, and submit a report to the Legislature by December 1, 2018 and December 1, 2020.

This rule reflects the amendments to the Insurance Law by Chapter 60. The rule also requires every workers’ compensation rate service organization (“RSO”) to file certain information with the Superintendent by June 1 of each year so that the Superintendent may collect information for the reports due to the Legislature in December 2018 and December 2020. As such, it should not affect local governments.

In addition, this rule is in part directed at workers’ compensation RSOs, which the Department does not believe fall within the definition of a “small business” as defined by State Administrative Procedure Act § 102(8) because in general they are not independently owned and do not have fewer than 100 employees.

Industry asserts that certain domestic insurers, in particular co-op insurers and mutual insurers, subject to the rule are small businesses. However, the law, rather than the rule, requires that an insurer provide a credit to a health care facility that implements and maintains a safe patient handling program. The rule cannot vary a requirement imposed by law.

2. Compliance requirements: No local government will have to undertake any reporting, recordkeeping, or other affirmative acts to comply with the rule because the rule does not apply to any local government. An insurer that is a small business affected by this rule, if any, may be subject to reporting, recordkeeping, or other compliance requirements because the insurer must verify that a health care facility has a safe patient handling program implemented pursuant to Public Health Law § 2997-k(2). However, this is a consequence of Part A of Chapter 60 of the Laws of 2014, which requires an insurer to provide a credit on each workers’ compensation insurance policy issued or renewed in New York State to a health care facility that implements and maintains a safe patient handling program that meets the requirements of the Public Health Law.

3. Professional services: No local government will need professional services to comply with this rule because the rule does not apply to any local government. No insurer that is a small business affected by the rule, if any, should need to retain professional services, such as lawyers or auditors, to comply with this rule.

4. Compliance costs: No local government will incur any costs to comply with this rule because the rule does not apply to any local government. An insurer that is a small business affected by this rule, if

any, may incur additional compliance costs because the insurer must verify that a health care facility has a safe patient handling program implemented pursuant to Public Health Law § 2997-k(2). However, this is a consequence of Part A of Chapter 60 of the Laws of 2014, which requires an insurer to provide a credit on each workers' compensation insurance policy issued or renewed in New York State to a health care facility that implements and maintains a safe patient handling program that meets the requirements of the Public Health Law.

5. Economic and technological feasibility: This rule does not apply to any local government; therefore, no local government should experience any economic or technological impact as a result of the rule. No insurer that is a small business affected by this rule, if any, should experience any economic or technological impact as a result of the rule. Furthermore, this rule merely implements Part A of Chapter 60 of the Laws of 2014, which requires an insurer to provide a credit on each workers' compensation insurance policy issued or renewed in New York State to a health care facility that implements and maintains a safe patient handling program that meets the requirements of the Public Health Law.

6. Minimizing adverse impact: There will not be an adverse impact on any local government because the rule does not apply to any local government. This rule should not have an adverse impact on an insurer that is a small business affected by the rule, if any, because the rule uniformly affects all insurers that are subject to the rule and merely implements Part A of Chapter 60 of the Laws of 2014, which requires an insurer to provide a credit on each workers' compensation insurance policy issued or renewed in New York State to a health care facility that implements and maintains a safe patient handling program that meets the requirements of the Public Health Law.

7. Small business and local government participation: The Department of Financial Services ("DFS") will comply with SAPA § 202-b(6) by publishing the proposed rule in the State Register and posting the proposed rule on DFS's website.

Rural Area Flexibility Analysis

1. Types and estimated numbers of rural areas: Insurers and workers' compensation rate services organizations ("RSOs") affected by this rule operate in every county in this state, including rural areas as defined by State Administrative Procedure Act § 102(10).

2. Reporting, recordkeeping and other compliance requirements; and professional services: The rule imposes additional reporting, recordkeeping, and other compliance requirements by requiring workers' compensation RSOs, including RSOs located in rural areas, to submit a report to the Superintendent of Financial Services ("Superintendent") regarding policies receiving the credit, including information regarding policy year payrolls, indemnity losses, indemnity claim counts, and medical losses by classification, and such other information as the Superintendent may require.

An insurer may be subject to additional reporting, recordkeeping, or other compliance requirements because the insurer must verify that a health care facility has a safe patient handling program implemented pursuant to Public Health Law § 2997-k(2). However, this is a consequence of Part A of Chapter 60 of the Laws of 2014, which requires the Superintendent to make rules establishing requirements for health care facilities to obtain a reduced workers' compensation insurance rate for safe patient handling programs implemented pursuant to Public Health Law § 2997-k(2), by requiring an insurer to provide a credit on each workers' compensation insurance policy issued or renewed in New York State to a health care facility that implements and maintains a safe patient handling program pursuant to the requirements prescribed in the Public Health Law.

An insurer or workers' compensation RSO in a rural area should not need to retain professional services, such as lawyers or auditors, to comply with this rule.

3. Costs: The rule may result in additional costs to workers' compensation RSOs, including RSOs located in rural areas, because it requires workers' compensation RSOs to submit a report to the Superintendent regarding policies receiving the credit, including information regarding policy year payrolls, indemnity losses, indemnity claim counts, and medical losses by classification, and such other information as the Superintendent may require. Such costs are difficult to estimate because of several factors, such as the number of policies that will receive the credit. However, this report is necessary in order to implement the statutory mandate that the Superintendent report to the Legislature the effects of the credit. In addition, any additional costs to workers' compensation RSOs in rural areas should be commensurate with costs for workers' compensation RSOs in non-rural areas.

An insurer may incur additional compliance costs because the insurer must verify that a health care facility has a safe patient handling program implemented pursuant to Public Health Law § 2997-k(2). However, this is a consequence of Part A of Chapter 60 of the Laws of 2014, which requires an insurer to provide a credit on each workers' compensation insurance policy issued or renewed in New York State to a health care facility that

implements and maintains a safe patient handling program that meets the requirements of the Public Health Law.

4. Minimizing adverse impact: This rule uniformly affects insurers and workers' compensation RSOs that are located in both rural and non-rural areas of New York State. The rule should not have an adverse impact on rural areas.

5. Rural area participation: Insurers and workers' compensation RSOs in rural areas will have an opportunity to participate in the rule-making process when the proposed rule is published in the State Register and on the Department of Financial Services' website.

Job Impact Statement

This rule should not adversely impact jobs or employment opportunities in New York State. With regard to insurers, the rule merely implements Part A of Chapter 60 of the Laws of 2014 by requiring that for each workers' compensation insurance policy issued or renewed in New York State, an insurer provide a credit to a health care facility that implements and maintains a safe patient handling program that meets the requirements of Public Health Law § 2997-k(2). The amount of the credit and the manner in which it is applied must be in accordance with the approved manual filed by the rate service organization ("RSO") of which the insurer is a member. The rule also requires every workers' compensation RSO to file certain information with the Superintendent of Financial Services ("Superintendent") by June 1 of each year so that the Superintendent may collect information for the statutorily-required reports due to the Legislature in 2018 and 2020.

NOTICE OF ADOPTION

Regulating Transaction Monitoring and Filtering Systems Maintained by Banks, Check Cashers and Money Transmitters

I.D. No. DFS-50-15-00004-A

Filing No. 629

Filing Date: 2016-06-30

Effective Date: 2017-01-01

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Addition of Part 504 to Title 3 NYCRR.

Statutory authority: Banking Law, section 37(3) and (4); Financial Services Law, section 302

Subject: Regulating Transaction Monitoring and Filtering Systems maintained by banks, check cashers and money transmitters.

Purpose: To ensure that the financial system is not used for purposes of money laundering or other suspicious activities, terrorist financing, or sanctions violations.

Text of final rule: Part 504

Banking Division Transaction Monitoring and Filtering Program Requirements and Certifications

§ 504.1 Background.

The Department of Financial Services (the "Department") has been involved in investigations into compliance by Regulated Institutions, as defined below, with applicable Bank Secrecy Act/Anti-Money Laundering laws and regulations¹ ("BSA/AML") and Office of Foreign Assets Control of the Treasury Department ("OFAC")² requirements implementing federal economic and trade sanctions.³

As a result of these investigations, the Department identified shortcomings in the transaction monitoring and filtering programs of these institutions attributable to a lack of robust governance, oversight, and accountability at senior levels. Based on not only this experience, but also its regular examinations for safety and soundness, along with other factors, the Department has reason to believe that financial institutions have shortcomings in their transaction monitoring and filtering programs.

As a result, the Department has determined to clarify the required attributes of a Transaction Monitoring and Filtering Program and to require that the Board of Directors or Senior Officer(s), as applicable, of each Regulated Institution submit to the Superintendent annually a Board Resolution or Compliance Finding, as defined in this Part, confirming the steps taken to ascertain compliance by the Regulated Institution with this Part.

This regulation implements these requirements.

§ 504.2 Definitions.

The following definitions apply in this Part:

(a) "Annual Board Resolution or Senior Officer Compliance Finding" means a board resolution or senior officer(s) finding in the form set forth in Attachment A.

(b) "Bank Regulated Institutions" means all banks, trust companies, private bankers, savings banks, and savings and loan associations chartered pursuant to the New York Banking Law (the "Banking Law") and all branches and agencies of foreign banking corporations licensed pursuant to the Banking Law to conduct banking operations in New York.

(c) "Board of Directors" means the governing board of every Regulated Institution or the functional equivalent if the Regulated Institution does not have a Board of Directors.

(d) "Nonbank Regulated Institutions" shall mean all check cashers and money transmitters licensed pursuant to the Banking Law.

(e) "Regulated Institutions" means all Bank Regulated Institutions and all Nonbank Regulated Institutions.

(f) "Risk Assessment" means an on-going comprehensive risk assessment, including an enterprise wide BSA/AML risk assessment, that takes into account the institution's size, staffing, governance, businesses, services, products, operations, customers, counterparties, other relations and their locations, as well as the geographies and locations of its operations and business relations.

(g) "Senior Officer(s)" shall mean the senior individual or individuals responsible for the management, operations, compliance and/or risk of a Regulated Institution including a branch or agency of a foreign banking organization subject to this Part.

(h) "Suspicious Activity Reporting" means a report required pursuant to 31 U.S.C. § 5311 et seq. that identifies suspicious or potentially suspicious or illegal activities.

(i) "Transaction Monitoring Program" means a program that includes the attributes specified in Subdivisions (a), (c) and (d) of Section 504.3.

(j) "Filtering Program" means a program that includes the attributes specified in Subdivisions (b), (c) and (d) of Section 504.3.

(k) "Transaction Monitoring and Filtering Program" means a Transaction Monitoring Program, and a Filtering Program, collectively.

§ 504.3 Transaction Monitoring and Filtering Program Requirements.

(a) Each Regulated Institution shall maintain a Transaction Monitoring Program reasonably designed for the purpose of monitoring transactions after their execution for potential BSA/AML violations and Suspicious Activity Reporting, which system may be manual or automated, and which shall include the following attributes, to the extent they are applicable:

1. be based on the Risk Assessment of the institution;
2. be reviewed and periodically updated at risk-based intervals to take into account and reflect changes to applicable BSA/AML laws, regulations and regulatory warnings, as well as any other information determined by the institution to be relevant from the institution's related programs and initiatives;
3. appropriately match BSA/AML risks to the institution's businesses, products, services, and customers/counterparties;
4. BSA/AML detection scenarios with threshold values and amounts designed to detect potential money laundering or other suspicious or illegal activities;
5. end-to-end, pre-and post-implementation testing of the Transaction Monitoring Program, including, as relevant, a review of governance, data mapping, transaction coding, detection scenario logic, model validation, data input and Program output;
6. documentation that articulates the institution's current detection scenarios and the underlying assumptions, parameters, and thresholds;
7. protocols setting forth how alerts generated by the Transaction Monitoring Program will be investigated, the process for deciding which alerts will result in a filing or other action, the operating areas and individuals responsible for making such a decision, and how the investigative and decision-making process will be documented; and
8. be subject to an on-going analysis to assess the continued relevancy of the detection scenarios, the underlying rules, threshold values, parameters, and assumptions.

(b) Each Regulated Institution shall maintain a Filtering Program, which may be manual or automated, reasonably designed for the purpose of interdicting transactions that are prohibited by OFAC, and which shall include the following attributes, to the extent applicable:

1. be based on the Risk Assessment of the institution;
2. be based on technology, processes or tools for matching names and accounts⁴, in each case based on the institution's particular risks, transaction and product profiles;
3. end-to-end, pre- and post-implementation testing of the Filtering Program, including, as relevant, a review of data matching, an evaluation of whether the OFAC sanctions list and threshold settings map to the risks of the institution, the logic of matching technology or tools, model validation, and data input and Program output;
4. be subject to on-going analysis to assess the logic and performance of the technology or tools for matching names and accounts, as well as the OFAC sanctions list and the threshold settings to see if they continue to map to the risks of the institution; and
5. documentation that articulates the intent and design of the Filtering Program tools, processes or technology.

(c) Each Transaction Monitoring and Filtering Program shall require the following, to the extent applicable:

1. identification of all data sources that contain relevant data;
 2. validation of the integrity, accuracy and quality of data to ensure that accurate and complete data flows through the Transaction Monitoring and Filtering Program;
 3. data extraction and loading processes to ensure a complete and accurate transfer of data from its source to automated monitoring and filtering systems, if automated systems are used;
 4. governance and management oversight, including policies and procedures governing changes to the Transaction Monitoring and Filtering Program to ensure that changes are defined, managed, controlled, reported, and audited;
 5. vendor selection process if a third party vendor is used to acquire, install, implement, or test the Transaction Monitoring and Filtering Program or any aspect of it;
 6. funding to design, implement and maintain a Transaction Monitoring and Filtering Program that complies with the requirements of this Part;
 7. qualified personnel or outside consultant(s) responsible for the design, planning, implementation, operation, testing, validation, and on-going analysis of the Transaction Monitoring and Filtering Program, including automated systems if applicable, as well as case management, review and decision making with respect to generated alerts and potential filings; and
 8. periodic training of all stakeholders with respect to the Transaction Monitoring and Filtering Program.
- (d) To the extent a Regulated Institution has identified areas, systems, or processes that require material improvement, updating or redesign, the Regulated Institution shall document the identification and the remedial efforts planned and underway to address such areas, systems or processes. Such documentation must be available for inspection by the Superintendent.

§ 504.4 Annual Board Resolution or Senior Officer(s) Compliance Finding.

To ensure compliance with the requirements of this Part, each Regulated Institution shall adopt and submit to the Superintendent a Board Resolution or Senior Officer(s) Compliance Finding in the form set forth in Attachment A by April 15th of each year. Each Regulated Institution shall maintain for examination by the Department all records, schedules and data supporting adoption of the Board Resolution or Senior Officer(s) Compliance Finding for a period of five years.

§ 504.5 Penalties/Enforcement Actions.

This regulation will be enforced pursuant to, and is not intended to limit, the Superintendent's authority under any applicable laws.

§ 504.6 Effective Date.

This Part shall be effective January 1, 2017. Regulated Institutions will be required to prepare and submit to the Superintendent Annual Board Resolutions or Senior Officer(s) Compliance Findings under § 504.4 commencing April 15, 2018.

ATTACHMENT A

(Regulated Institution Name)

APRIL 15, 20____

Annual Board Resolution or Senior Officer(s) Compliance Finding For Bank Secrecy Act/Anti-Money Laundering and Office of Foreign Asset Control Transaction Monitoring and Filtering Program

Whereas, in compliance with the requirements of the New York State Department of Financial Services (the "Department") that each Regulated Institution maintain Transaction Monitoring and Filtering Program in compliance with Section 504.3; and

Whereas, Section 504.4 requires that the Board of Directors or a Senior Officer(s), as appropriate, adopt and submit to the Superintendent a Board Resolution or Senior Officer Compliance Finding confirming its or such individual's findings that the Regulated Institution is in compliance with Section 504.3 of this Part 504;

NOW, THEREFORE, the Board of Directors or Senior Officer certifies:

- (1) The Board of Directors (or name of Senior Officer(s)) has reviewed documents, reports, certifications and opinions of such officers, employees, representatives, outside vendors and other individuals or entities as necessary to adopt this Board Resolution or Senior Officer Compliance Finding;
- (2) The Board of Directors or Senior Officer(s) has taken all steps necessary to confirm that (name of Regulated Institution) has a Transaction Monitoring and Filtering Program that complies with the provisions of Section 504.3; and
- (3) To the best of the (Board of Directors) or (name of Senior Officer(s)) knowledge, the Transaction Monitoring and the Filtering Program of (name of Regulated Institution) as of _____ (date of the Board Resolution or Senior Officer(s) Compliance Finding) for the year ended _____ (year

for which Board Resolution or Compliance Finding is provided) complies with Section 504.3.

Signed by each member of the Board of Directors or Senior Officer(s)
(Name) _____ Date: _____

¹ With respect to federal laws and regulations, see 31 U.S.C. § 5311, et seq. and 31 CFR Chapter X. For New York State regulations, see Part 115 (3 NYCRR 115), Part 116 (3 NYCRR 116), Part 416 (3 NYCRR 416) and Part 417 (3 NYCRR 417).

² 31 CFR part 501 et seq.

³ For information regarding the United States Code, the Code of Federal Regulations and the Federal Register, see Supervisory Policy G-1.

⁴ The technology used in this area may be based on automated tools that develop matching algorithms, such as those that use various forms of so-called “fuzzy logic” and culture-based name conventions to match names. This regulation does not mandate the use of any particular technology, only that the system or technology used must be reasonably designed to identify prohibited transactions.

Final rule as compared with last published rule: Nonsubstantive changes were made in sections 504.1, 504.2, 504.3, 504.4, 504.5 and 504.6.

Revised rule making(s) were previously published in the State Register on December 16, 2016.

Text of rule and any required statements and analyses may be obtained from: Celeste Koeleveld, Department of Financial Services, One state Street, New York, New York 10004, (212) 709-1663, email: Celeste.Koeleveld@dfs.ny.gov

Revised Regulatory Impact Statement

1. Statutory Authority.

Pursuant to Sections 37(3) and 37(4) of the New York Banking Law (the “BL”), the Department of Financial Services (the “Department”) has broad authority to require reports from state-chartered banks, private banks, trust companies, licensed branches and agencies of foreign bank corporations, licensed check cashers and licensed money transmitters (each a “Covered Institution”). The Department also has broad authority to prescribe the form of all such reports pursuant to these two provisions. In addition, Section 302 of the Financial Services Law (“FSL”) provides the Department with equally broad authority to adopt regulations relating to “financial products and services” which are broadly defined in the FSL to mean essentially any product or services offered by a regulated institution. Accordingly, the Department has ample authority to adopt the proposed regulation.

2. Legislative Objectives.

The BL and the FSL are both intended to ensure the safe and sound operation of the financial system. The proposed regulation is intended to ensure that the financial system is not used for money laundering, sanctions violations, or terrorist funding purposes. This goal is perfectly consistent with the objective of the BL and FSL. Federal Bank Secrecy Act/Anti-Money Laundering laws and regulations and Office of Foreign Assets Control requirements (together, “Requirements”) generally prohibit financial institutions from engaging in or facilitating money laundering, sanctions violations, and funding for terrorist or criminal organizations and countries.

The proposed rule creates a more granular framework for the Board of Directors or Senior Officer (as defined) at a Covered Institution to follow in implementing and maintaining a program and processes that are reasonably designed to ensure compliance with the Requirements and allows the Department to confirm such compliance.

3. Needs and Benefits.

The proposed rule does not change existing compliance requirements imposed on Covered Institutions. Rather, it mandates that the Board of Directors or Senior Officer at these institutions file an annual certification with the Department confirming that their institution has a program and processes reasonably designed to ensure compliance with the Requirements. It is the Department’s intent that this certification requirement will assist institutions to proactively ensure compliance with the Requirements.

4. Costs.

All Covered Institutions are currently subject to the Requirements. The proposed regulation provides more granular guidance and requires the Board of Directors or Senior Officer at a Covered Institution to certify that their Covered Institution has implemented a program that is reasonably designed to comply with the proposal. It is the Department’s intent that this certification requirement will cause covered institutions to proactively ensure compliance with existing Requirements. The cost of complying with the proposed regulation generally should have been incurred previously to ensure compliance. Hence, it is arguable that only costs associated with the proposed regulation reflect costs that institutions should have expensed in the past.

5. Local Government Mandates.

This proposal imposes no program, service, duty or responsibility upon any county, city, town, village, school district or other special district.

6. Paperwork.

The regulation does not change the process utilized by the Department to determine compliance with the Requirements. However, it does require Covered Institutions to document their compliance with the requirements of this proposal. Nevertheless, it is not believed that this requirement will be significant as Covered Institutions are already required to maintain compliance programs applicable to the Requirements. This proposal will only require that such compliance be appropriately documented.

7. Duplication.

The regulation does not duplicate, overlap or conflict with any other regulations.

8. Alternatives.

The Department is not aware of any alternatives to the proposed rule.

9. Federal Standards.

Not applicable.

10. Compliance Schedule.

The proposed rule will become applicable upon formal adoption.

Revised Regulatory Flexibility Analysis

1. Effect of the Rule:

The proposed rule does not have any impact on local governments.

The proposed rule sets forth a methodology to be used by the Banking Division of the Department of Financial Services (the “Department”) to assess the processes and systems used by chartered banks, private banks, trust companies, licensed branches and agencies of foreign banking corporations, licensed check cashers and licensed money transmitters (each a “Covered Institution”) to comply with federal Bank Secrecy Act, Anti-Money Laundering laws and regulations and Office of Foreign Assets Control requirements (together, “Requirements”). The regulation should not significantly increase existing compliance costs of these entities. This new regulation requires that the Board of Directors or Senior Officer (as defined) at these entities take steps to ensure and document compliance by their institutions with the Requirements. Those Requirements, which are implemented under both federal and state law, protect against money laundering, sanctions violations, and funding for terrorist or criminal organizations and countries.

2. Compliance Requirements:

The proposed rule does not change existing compliance requirements imposed on Covered Institutions, except that it creates a more granular framework for the Board of Directors or Senior Officer for these institutions to follow in implementing and maintaining a program that is reasonably designed to ensure compliance by their institutions with the Requirements. It is the Department’s intent that this new certification requirement will cause the Board of Directors or Senior Officers to proactively ensure compliance.

3. Professional Services:

None beyond existing costs to comply with the Requirements under applicable federal and state law.

After their review of the requirements of this proposal, certain institutions may decide to engage third party service providers to ensure compliance with applicable federal and state laws and regulations.

4. Compliance Costs:

All Covered Institutions are currently subject to the Requirements. Depending on the size of the institution, regulatory compliance systems or processes may be manual or automated. The proposed regulation provides more granular guidance and requires the Board of Directors or Senior Officers at a Covered Institution certify that their institutions have a program that is reasonably designed to ensure compliance with the Requirements. It is the Department’s intent that this certification requirement will cause institutions to proactively ensure compliance with federal and state law. The cost of compliance with the new rule generally should have been incurred previously to ensure compliance. Hence, it is arguable that only costs associated with the proposed regulation reflect costs that institutions should have incurred in the past.

5. Economic and Technological Feasibility:

Covered Institutions should already have in place processes and systems, whether manual or automated to ensure compliance with the Requirements. At most, the proposed regulation will focus the attention of institutions on the adequacy of existing systems.

6. Minimizing Adverse Impacts:

As noted above, the proposed regulation does not impose a substantially new regulatory requirement. Rather, it is intended to cause institutions to review their systems and processes to ensure their adequacy.

7. Small Business and Local Government Participation:

This regulation does not impact local governments.

As noted above, under existing federal and state law designed to protect against money laundering and funding for terrorists organizations and countries, Covered Institutions already must have systems and processes

in place to protect against money laundering and funding for terrorist organizations and countries. The proposed regulation is intended merely to foster compliance with existing requirements.

Revised Rural Area Flexibility Analysis

Changes made to the last published rule do not necessitate revision to the previously published RAFA.

Revised Job Impact Statement

Changes made to the last published rule do not necessitate revision to the previously published JIS.

Initial Review of Rule

As a rule that requires a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2019, which is no later than the 3rd year after the year in which this rule is being adopted.

Assessment of Public Comment

The Department of Financial Services (the "Department") received in excess of 20 comments on the original proposal as published in the State Register on December 16, 2015, through the close of the comment period on March 31, 2016. These comments addressed the following issues:

1. Commentators noted that the federal framework for anti-money laundering ("AML"), Bank Secrecy Act ("BSA") and the sanctions program administered by the Office of Foreign Assets Control ("OFAC") are risk-based and allow covered institutions to adapt to changing circumstances and threats. The original proposal would have created, it was claimed, a static regulatory framework that could not be adapted in a timely fashion to such evolving dangers. The proposal has been amended to more clearly reflect the risk-based design of the regulation.

2. A number of commentators asserted that the original proposed certification requirement would undermine the ability of covered institutions to develop and implement effective AML and counterterrorism financing compliance programs. In particular, commentators expressed concern that the original proposal would discourage qualified individuals from serving as compliance specialists and that the need to comply with the requirements of the proposal would divert resources from existing compliance programs. The revised regulation addresses these issues by revising the form of certification and broadening the individuals that the institution can select to provide the compliance certification.

3. For similar reasons, a number of commentators noted that the parts of the proposal that focused on criminal penalties were unreasonable given the original wording of Section 504.5. In addition, it was suggested that criminal penalties would be inappropriate where the certifying individual was acting in reliance on many other individuals, not necessarily subject to his or her oversight or control. The revised regulation addresses these issues. The reference to criminal penalties has been removed from Section 504.5, and the form of certification and the individuals required to certify, as well as the facts that the institution is required to certify, have been amended.

4. Many commentators also expressed concern that the certifying official would be held "strictly liable" if he or she certified that a program complied with the regulation but the program did not, in fact, comply with the regulation. The revised regulation addresses these concerns by providing that the program must be "reasonably designed" to monitor prohibited transactions; that the program must be "risk-based"; and that the program must incorporate certain attributes "to the extent they are applicable" to the particular institution. In addition, the compliance finding makes clear that it is based on the certifying individuals' review of necessary documents and materials, which may be prepared by or under the responsibility of other parties, and that it is made to the best of the certifying individuals' knowledge. That said, if such a program is not reasonably designed and if the compliance finding is not based on a review of necessary documents and materials, the certifying individual(s) may appropriately be subject to the Superintendent's civil enforcement powers, and if the compliance finding was made with the intent to deceive, to criminal penalties.

5. Commentators noted that the original regulation did not provide an opportunity to indicate that, during the course of a year, an institution identified areas requiring improvement or remediation. The revised regulation has added a provision to provide for such an opportunity.

6. Several commentators noted that there is an existing federal framework that governs AML/BSA and OFAC. Commentators also asserted that regulations adopted by the Department should be consistent with this framework. The Department believes that the revised regulation is consistent with the federal framework and responsive to the comments.

7. Several commentators also pointed out that the terminology used in the original proposal, while accurately reflecting terminology common to institutions and individuals in the transaction and filtering field, was not generally defined in applicable federal laws and regulations. The revised regulation de-emphasizes such terminology in an effort to ensure consistency with the existing federal framework.

8. A number of commentators noted that the original proposal excluded

credit unions from its coverage. Although credit unions are not included in the regulation because they generally present a lesser risk of money laundering and other suspicious or illegal activities, credit unions are nonetheless required to have BSA and OFAC compliant programs. The Department will continue to monitor and assess whether other types of institutions should be covered by the regulation.

9. With respect to Section 504.3(a), a number of commentators noted that the original requirement that a transaction monitoring program "reflect all current . . . laws, regulations and alerts" was unnecessary and failed to reflect the risk-based nature of the federal guidelines. The regulation has been modified to address these comments.

10. With respect to Section 504.3(b), concern was expressed that the original proposal would require that all transactions would have to be screened and that this requirement was inconsistent with the risk-based nature of the federal framework. The regulation has been modified to address this issue.

11. With respect to 504.3(d) in the original proposal, many commentators noted that this part of the original proposal could be interpreted to mean that a covered institution could not scale back its monitoring and filtering systems if it turned out that the system was not operating as intended or was providing an unreasonable number of false positive alerts. This provision has been deleted from the regulation, because the concern about program changes deliberately designed to avoid regulatory requirements is adequately addressed elsewhere in the regulation and in applicable law.

12. A number of commentators asserted that the immediate effective date provision and April 1, 2017 certification requirement did not allow sufficient time within which covered institutions could ensure their compliance. The revised regulation addresses these concerns by extending the effective date until January 1, 2017, and extending the time for the first certification until April 1, 2018.

13. Check cashers offered their view that their industry already is subject to extensive regulation and, therefore, it is not in need of further regulation by the Department in this area. In the Department's view, this comment misapprehends the purpose of the regulation.

14. One commentator suggested that existing transaction monitoring and filtering systems be grandfathered. The Department believes that public policy mandates that transaction monitoring and filtering programs be up to date and operating as required by law. The revised regulation provides adequate time for regulated institutions to comply with the regulations.

15. One commentator suggested that subsidiaries of federally chartered institutions should not be subject to the requirements of this proposal. The Department respectfully disagrees. Where such subsidiaries are subject to the Department's jurisdiction, they are appropriately subject to this regulation.

NOTICE OF ADOPTION

Minimum Standards for Form, Content and Sale of Health Insurance, Including Standards of Full and Fair Disclosure

I.D. No. DFS-08-16-00002-A

Filing No. 631

Filing Date: 2016-07-01

Effective Date: 2016-09-18

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Amendment of Part 52 (Regulation 62) of Title 11 NYCRR.

Statutory authority: Financial Services Law, sections 202 and 302; Insurance Law, sections 301 and 3201(c)

Subject: Minimum Standards for Form, Content and Sale of Health Insurance, Including Standards of Full and Fair Disclosure.

Purpose: To prohibit a health insurance policy or contract from providing coverage for conversion therapy to insureds under the age of 18.

Text or summary was published in the February 24, 2016 issue of the Register, I.D. No. DFS-08-16-00002-P.

Final rule as compared with last published rule: No changes.

Text of rule and any required statements and analyses may be obtained from: Thomas Fusco, New York State Department of Financial Services, 65 Court Street, Room 7, Buffalo, NY 14202, (716) 847-7619, email: thomas.fusco@dfs.ny.gov

Revised Regulatory Impact Statement

1. Statutory authority: Financial Services Law ("FSL") Sections 202 and 302 and Insurance Law ("IL") Sections 301 and 3201(c). Pursuant to FSL § 202, the Superintendent of Financial Services ("Superintendent")

has the rights, powers, and duties in connection with financial services and protection in this state, expressed or reasonably implied by the FSL or any other applicable law of this State. IL § 301 and FSL § 302, in pertinent part, authorize the Superintendent to prescribe regulations, not inconsistent with the IL and FSL, interpreting the provisions of the IL and to effectuate any power granted to the Superintendent in the Insurance Law. IL § 3201(c) authorizes the Superintendent to disapprove any policy form for delivery or issuance for delivery in this state if the benefits provided therein are unreasonable in relation to the premium charged or any such form contains provisions that encourage misrepresentation or are unjust, unfair, inequitable, misleading, deceptive, or contrary to law or to the public policy of this state.

2. Legislative objectives: The amendment to the regulation would prohibit any insurer from providing coverage in any insurance policy or contract delivered or issued for delivery in New York for conversion therapy for any individual under the age of 18 years. As discussed below in Needs and Benefits, there is a growing consensus in the medical community that conversion therapy for minors actually can be harmful to the minor. Further, homosexuality is not a disorder requiring treatment; therefore providing coverage for treatment that is not medically necessary in a policy or contract is misleading or deceptive. This amendment is being proposed in conjunction with amendments by the Office of Mental Health that prohibit any facility under its supervision from providing conversion therapy to minors.

3. Needs and benefits: Conversion therapy refers to any practice by a mental health professional that seeks to change an individual's sexual orientation or gender identity, including efforts to change behaviors, gender expressions, or to eliminate or reduce sexual or romantic attractions or feelings toward individuals of the same sex. Conversion therapy does not include counseling or therapy for an individual who is seeking to undergo a gender transition or who is in the process of undergoing a gender transition, that provides acceptance, support, and understanding of an individual or the facilitation of an individual's coping, social support, and identity exploration and development, including sexual orientation-neutral interventions to prevent or address unlawful conduct or unsafe sexual practices, provided that the counseling or therapy does not seek to change sexual orientation or gender identity. The practice is currently legal in New York State and there are no prohibitions against such therapy being reimbursed through commercial health insurance. However, conversion therapy has been repudiated and discredited by many medical and professional organizations, including: the American Academy of Pediatrics; the American Counseling Association; the American Psychiatric Association; the American Psychological Association; the American School Health Association; the American Association of School Administrators; the American School Counselor Association; the National Association of School Psychologists; and the National Association of Social Workers. These and many other mainstream health and mental health professional organizations have rejected the notion that homosexuality is a mental disorder or that same-sex attraction and orientation in adolescents is abnormal or mentally unhealthy. Below are examples of public statements issued by various professional organizations about the dangers of conversion therapy:

(a) The American Academy of Pediatrics, in a 2001 pamphlet entitled *Gay, Lesbian and Bisexual Teens: Facts for Teens and Their Parents*, advised that "counseling may be helpful for [adolescents] if [they] feel confused about [their] sexual identity." However, the Academy noted that teens should "avoid any treatments that claim to be able to change a person's sexual orientation, or treatment ideas that see homosexuality as a sickness."

(b) Principle 6 of the American Academy of Child and Adolescent Psychiatry's Practice Parameter published in September 2012 states that there is no evidence that sexual orientation can be altered through therapy, and that attempts to do so may be harmful. The Academy also noted that "there is no medically valid basis for attempting to prevent homosexuality, which is not an illness. On the contrary, such efforts may encourage family rejection and undermine self-esteem, connectedness, and caring, which are important protective factors against suicidal ideation and attempts."

(c) The American Psychiatric Association published a position statement in March of 2000 in which it stated: "Psychotherapeutic modalities to convert or 'repair' homosexuality are based on developmental theories whose scientific validity is questionable. Furthermore, anecdotal reports of 'cures' are counterbalanced by anecdotal claims of psychological harm. In the last four decades, 'reparative' therapists have not produced any rigorous scientific research to substantiate their claims of cure. Until there is such research available, the American Psychiatric Association recommends that ethical practitioners refrain from attempts to change individuals' sexual orientation, keeping in mind the medical dictum to first, do no harm. The potential risks of reparative therapy are great, including depression, anxiety and self-destructive behavior, since therapist alignment with

societal prejudices against homosexuality may reinforce self-hatred already experienced by the patient. Many patients who have undergone reparative therapy relate that they were inaccurately told that homosexuals are lonely, unhappy individuals who never achieve acceptance or satisfaction. The possibility that the person might achieve happiness and satisfying interpersonal relationships as a gay man or lesbian is not presented, nor are alternative approaches to dealing with the effects of societal stigmatization discussed. Therefore, the American Psychiatric Association opposes any psychiatric treatment such as reparative or conversion therapy which is based upon the assumption that homosexuality per se is a mental disorder or based upon the a priori assumption that a patient should change his/her sexual orientation."

Indeed, it has been reported that minors who experience family rejection based on their sexual orientation face especially serious health risks. In one study, lesbian, gay, and bisexual young adults who reported higher levels of family rejection during adolescence were 8.4 times more likely to report having attempted suicide, 5.9 times more likely to report high levels of depression, 3.4 times more likely to use illegal drugs, and 3.4 times more likely to report having engaged in unprotected sexual intercourse compared with peers from families that reported no or low levels of family rejection (*Family Rejection as a Predictor of Negative Health Outcomes in White and Latino Lesbian, Gay, and Bisexual Young Adults* (2009) 123 *Pediatrics* 346).

Based on the positions of many reputable medical and mental health professional organizations, the Department believes that providing reimbursement for a repudiated and discredited therapy that is not only medically unwarranted and provides no therapeutic value, but also harmful to the patient is therefore inappropriate and misleading. This amendment ensures that insurers will not provide coverage for such conversion therapy for insureds under 18 years old.

4. Costs: This rule imposes no compliance costs upon state or local governments. This rule may impose some compliance costs on insurers due to policy form changes that may be necessary as a result of the regulation. However, any such cost will be nominal. Insurers generally file policy form changes each year, and any changes necessary to comply with the regulation will be included with the other annual changes.

5. Local government mandates: This rule imposes no new mandates on any county, city, town, village, school district, fire district or other special district.

6. Paperwork: This rule does not impose any additional paperwork except that insurers will have to refile their policy forms to show that coverage for conversion therapy for individuals under 18 years old is specifically excluded.

7. Duplication: There are no federal or other New York State requirements that duplicate, or conflict with this regulation.

8. Alternatives: The Department considered various alternative methods to ensuring that policies or contracts do not provide coverage for conversion therapy for individuals under 18 years old, including issuance of a Department directive through a circular letter to insurers. However, in order for any such directive to be binding on insurers, a regulation is necessary. In addition, although many reputable medical and mental health professional organizations have condemned the practice of conversion therapy, such condemnation alone will not necessarily curb that practice. In fact, in its May 2012 position statement, the Pan American Health Organization stated that services that "purport to 'cure' people with non-heterosexual sexual orientation lack medical justification and represent a serious threat to the health and well-being of affected people. . .", and recommended that governments and other entities sanction the harmful practice of conversion therapy.

9. Federal standards: There are no minimum standards of the federal government for the same or similar subject areas.

10. Compliance schedule: Since insurers that have to amend their policy forms to conform to this amendment need time to file with and get approval from the Superintendent, the rule is effective 60 days after publication in the State Register. Insurers may, however, issue policies or contracts before that date that conform to the regulation upon obtaining approval.

Initial Review of Rule

As a rule that requires a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2019, which is no later than the 3rd year after the year in which this rule is being adopted.

Assessment of Public Comment

The New York State Department of Financial Services ("Department") received comments from an organization that represents psychiatrists in New York ("psychiatrists' organization"); a national organization that provides crisis intervention and suicide prevention services to lesbian, gay, bisexual, transgender, and questioning youth ("LGBTQ"), aged 13-24 years old, ("LGBTQ youth organization"); and an organization that characterizes itself as "a statewide lobbying organization on behalf of the

Christian community” (“lobbying organization”). The psychiatrists’ organization supports the proposed regulation but believes it is only the first step and advocates action that would prohibit physicians and mental health professionals from offering or providing services to change the sexual orientation of a minor. The LGBTQ youth organization also submitted comments in support of the proposed regulation. The lobbying organization submitted comments in opposition to the proposed regulation.

Specific comments in opposition to the proposed regulation by the lobbying organization include the following.

Comment

The regulation is unnecessary or highly premature given that the Department acknowledged in the regulatory impact statement that it is not known if any mental health professional in New York provides conversion therapy to minors.

Department’s Response

Although it is not known whether there are mental health professionals in New York that provide such therapy or will provide the therapy in the future, to the extent that a mental health professional in New York currently provides or will provide in the future conversion therapy, this amendment will prohibit health insurance coverage for the therapy.

Comment

Although the regulatory impact statement contends that the proposed regulation would impose no compliance costs on insurers, the regulation likely would require insurers to review, and possibly revise, their own insurance provisions, to inform mental health professionals and insureds of the ban on conversion therapy to minors, and to take steps to monitor compliance, all of which would impose costs on insurers.

Department’s Response

The Department has revised the regulatory impact statement to reflect that there may be some costs to insurers to comply with the regulation. However, any such costs will be nominal. Insurers generally file policy form changes each year, and any changes necessary to comply with the regulation will be included with the other annual changes. In addition, the revised policy form will inform insureds of the ban. Therefore, insurers will not need to incur additional costs to send separate notifications to insureds. Additionally, any costs incurred as a result of the regulation may be offset by a reduction in claims.

Comment

The proposed regulation is an attempt to implement the provisions of a bill, (S.121/A.4958), which failed to pass the New York Legislature.

Department’s Response

The proposed bill, S.121/A.4958, would prohibit a mental health care professional from providing conversion therapy to minors and would make doing so professional misconduct that could result in disciplinary action. The proposed regulation does not prohibit mental health professionals from providing conversion therapy to minors, nor does it make doing so professional misconduct. The proposed regulation prohibits health insurance coverage for conversion therapy provided to minors. As explained in the regulatory impact statement, the Superintendent of Financial Services (“Superintendent”) has the authority to prohibit health insurance policy forms that contain provisions that are misleading. Therefore, the Department did not make any changes in response to this comment.

Comment

The proposed regulation is based on a false premise that there is a growing consensus in the medical community that conversion therapy can be harmful to minors and that the regulatory impact statement offers no basis for this claim other than a series of conclusory statements by professional associations.

Department’s Response

As stated in the regulatory impact statement, numerous relevant professional organizations have repudiated and discredited conversion therapy as being medically invalid and potentially harmful, and have taken positions that its members should avoid providing conversion therapy, particularly to minors. The regulatory impact statement also refers to a study that was conducted. Therefore, the Department did not make any changes in response to this comment.

Comment

Instead of banning conversion therapy, the Department should regulate forms of therapy that encourage minors to pursue “gender transitions” as such transitions can lead to significant hormonal changes, unnecessary elective surgeries, and even permanent infertility.

Department’s Response

Health insurance coverage for gender dysphoria is a separate and distinct issue from conversion therapy provided to minors. Insurance Circular Letter No. 7 (2014) describes an insurer’s responsibilities regarding health insurance coverage for gender dysphoria. The Department did not make any changes in response to this comment.

New York State Gaming Commission

NOTICE OF ADOPTION

Surveillance Standards for a Licensed Gaming Facility

I.D. No. SGC-19-16-00013-A

Filing No. 639

Filing Date: 2016-07-05

Effective Date: 2016-07-20

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Addition of Part 5314 to Title 9 NYCRR.

Statutory authority: Racing, Pari-Mutuel Wagering and Breeding Law, sections 104(19), 1307(1), (2)(k) and 1331

Subject: Surveillance standards for a licensed gaming facility.

Purpose: To govern a gaming facility licensee’s system of procedures and standards for surveillance.

Text or summary was published in the May 11, 2016 issue of the Register, I.D. No. SGC-19-16-00013-P.

Final rule as compared with last published rule: No changes.

Text of rule and any required statements and analyses may be obtained from: Kristen Buckley, Acting Secretary, New York State Gaming Commission, One Broadway Center, 6th Floor, Schenectady, NY 12305, (518) 388-3407, email: gamingrules@gaming.ny.gov

Initial Review of Rule

As a rule that does not require a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2021, which is no later than the 5th year after the year in which this rule is being adopted.

Assessment of Public Comment

The Gaming Commission received comments from one entity, Fox Rothschild LLP on behalf of Montreign Operating Company, LLC, in regard to this proposed rulemaking. The Commission has considered each of the comments and decided that no changes are appropriate at this time. Requests for interpretations of rules were not considered to be public comments and, therefore, are not addressed in this assessment. In particular:

1. Proposed Rule 5314.2(d). The commenter argues that the cost for surveillance and security employees to undergo annual incident management training is unreasonably burdensome. The Commission believes it is prudent to require such training in order to promote public health and safety in licensed gaming facilities.

2. Proposed Rule 5314.3(b). The commenter suggests that a Commission representative also should be required to sign the monitoring room entry log. The Commission disagrees because the anonymity of a Commission representative may be desired in certain investigations and the rule as drafted is consistent with practices in licensed video lottery gaming facilities.

3. Proposed Rule 5314.7(a). The commenter suggests that the retention requirement for routine activity recordings should be reduced from 14 to seven days. The Commission reviewed retention requirements from other jurisdictions and believes that the rule as drafted is reasonable.

4. Proposed Rule 5314.7(c). The commenter disagrees that the Commission should be provided original recordings of internal control violations and criminal activity and instead suggests that the Commission have daily access to such recordings. The Commission believes that the rule as drafted is prudent, but may consider clarifying or modifying such rule in a subsequent rulemaking.

NOTICE OF ADOPTION

Conduct of Operation of a Gaming Facility

I.D. No. SGC-19-16-00014-A

Filing No. 640

Filing Date: 2016-07-05

Effective Date: 2016-07-20

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Addition of Part 5313 to Title 9 NYCRR.

Statutory authority: Racing, Pari-Mutuel Wagering and Breeding Law, sections 104(19), 1307(1), (2)(i), (k), 1331, 1332, 1333 and 1341(2)

Subject: Conduct of operation of a gaming facility.

Purpose: To govern a gaming facility licensee's system of procedures for the conduct and operation of gaming.

Text or summary was published in the May 11, 2016 issue of the Register, I.D. No. SGC-19-16-00014-P.

Final rule as compared with last published rule: No changes.

Text of rule and any required statements and analyses may be obtained from: Kristen Buckley, Acting Secretary, New York State Gaming Commission, One Broadway Center, 6th Floor, Schenectady, NY 12305, (518) 388-3407, email: gamingrules@gaming.ny.gov

Initial Review of Rule

As a rule that does not require a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2021, which is no later than the 5th year after the year in which this rule is being adopted.

Assessment of Public Comment

The Gaming Commission received comments from one entity, Fox Rothschild LLP on behalf of Montreign Operating Company, LLC, in regard to this proposed rulemaking. The Commission has considered each of the comments and decided that no changes are appropriate at this time. Requests for interpretations of rules were not considered to be public comments and, therefore, are not addressed in this assessment. In particular:

1. Proposed Rule 5313.1(e)-(g). The commenter suggests that the timeframe for Commission review of internal control amendments be reduced from 30 to seven days. The Commission finds that the 30-day review period is consistent with or less burdensome than other related statutory and regulatory requirements. The Commission understands that time-sensitive circumstances can arise and will, at its discretion, accept requests to expedite review of any internal control amendment.

2. Proposed Rule 5313.2(e)-(f). The commenter objects to the imposition of mandatory penalties for violations of underage gaming, suggesting that certain instances of minors on a gaming floor might be the result of intentionally deceptive conduct on the part of the minor. The Commission believes that the proposed rule is sufficiently clear in providing that only when it is determined that culpability for a violation is established would the prescribed sanctions apply.

3. Proposed Rule 5313.7(a). The commenter suggests that the timeframe for submission of emergency procedures be reduced to 30 days. The Commission believes that 90 days is prudent and that the rule as proposed is consistent with other sections of law and regulation.

4. Proposed Rule 5313.8(g). The commenter suggests that the timeframe for when an amendment to an operation certificate becomes effective be designated as seven days. The Commission believes that it is prudent to not set a specific time limit because some amendments may require longer review periods.

5. Proposed Rule 5313.14(e). The commenter disagrees with the restrictions on the placement and location of automated teller machines. The Commission conducted a thorough review of those jurisdictions that do regulate the location of automated teller machines and believes that five feet is a reasonable distance.

6. Proposed Rule 5313.14(f). The commenter recommends that the maximum amount a player may withdraw from an automated teller machine be increased from \$3,500 to \$5,000 per calendar day. The Commission conducted a thorough review of jurisdictions that regulate the maximum withdrawal amounts from automated teller machines and believes that the \$3,500 limit proposed is reasonable.

Action taken: Amendment of sections 80.136 and 800.5 of Title 10 NYCRR.

Statutory authority: Public Health Law, section 3002

Subject: Controlled Substances for EMS Agency Agent and Requirements for an Advanced Life Support System.

Purpose: To amend the regulations regarding the EMS Agency Agent and the Requirements for an Advanced Life Support System.

Text of final rule: Paragraph (2) of subdivision (e) of section 80.136 of Part 80 is amended to read as follows:

(2) The Department shall issue such registration unless the Department finds that the application should be denied by reason of false statements in the application, [conviction of a felony,] failure to provide adequate safeguards against diversion of the controlled substances, [any conviction related to controlled substances, or] other good and sufficient reason such as an administrative determination that article 30 or 33 of the Public Health Law [or any provision within Part 800 of this Title or any provision within this Part] was violated, or conviction of one or more criminal offenses, as defined in section 800.3(ak), unless the applicant is found eligible after a balancing of the factors set out in Article 23-A of the Correction Law. In accordance with that Article, no application for registration shall be denied by reason of the applicant having been previously convicted of one or more criminal offenses unless (i) there is a direct relationship between one or more of the previous criminal offenses and duties required of the registration or (ii) registering the applicant would involve an unreasonable risk to property or the safety or welfare of a specific individual or the general public. In determining these questions, the department will look at all factors listed under New York State Correction Law section 753.

Section 800.5 of Part 800 is amended to read as follows:

800.5 Requirements For An Advanced Life Support System

(a) An advanced life support system must meet the following requirements:

(1) designation of a qualified physician to provide medical supervision and direction; and

(2) integration with a hospital emergency service, or intensive care, coronary care, or other appropriate hospital unit.

(b) An ambulance or advanced life support first response service, when providing advanced life support services, must meet the requirements of Sections 800.23 and 800.24 of this Part and utilize a treatment record provided by or approved by the department, including submission of such record for use in quality assurance programs.

(c) An advanced life support system providing prehospital [intermediate] Advanced EMT care must include the following:

(1) voice communications to receive medical direction;

(2) equipment and supplies to provide prehospital [intermediate] advanced care; and

(3) staffing by a certified advanced emergency medical technician [technician-intermediate], emergency medical technician-critical care, or emergency medical technician-paramedic, as appropriate.

(d) An advanced life support system providing prehospital EMT- critical care and/or EMT-paramedic services must include the following:

(1) voice communications to receive medical direction;

(2) biomedical telemetry;

(3) equipment and supplies to provide pre-hospital critical care and/or EMT-paramedic services; [and]

(4) a current class 3(c) institutional dispenser limited license, in accordance with Article 33 of the Public Health Law and section 80.136 of this Title, unless exempt as an ALS agency owned and operated by a hospital, to purchase, possess, deliver and administer controlled substance medications to treat patients, in accordance with applicable State-approved regional protocols developed pursuant to sections 3002-a and 3004-a of the Public Health Law; and

[(4)] (5) staffing by a certified emergency medical technician-critical care or emergency medical technician-paramedic, as appropriate.

Final rule as compared with last published rule: Nonsubstantive changes were made in sections 80.136(e)(2) and 800.5(d)(4).

Text of rule and any required statements and analyses may be obtained from: Katherine Ceroalo, DOH, Bureau of House Counsel, Reg. Affairs Unit, Room 2438, ESP Tower Building, Albany, NY 12237, (518) 473-7488, email: regsqna@health.ny.gov

Revised Regulatory Impact Statement

Statutory Authority:

The authority for the promulgation of this regulation is contained in Public Health Law (PHL) Article 30 (Emergency Medical Services), Section 3002, as well as Article 33 (Controlled Substances), Sections 3308 and 3390. Section 3002 sets forth the provisions creating the New York State Emergency Medical Services Council (SEMSCO) and specifies that it shall have the power, by an affirmative vote of a majority of those pre-

Department of Health

NOTICE OF ADOPTION

Controlled Substances for EMS Agency Agent and Requirements for an Advanced Life Support System

I.D. No. HLT-30-15-00008-A

Filing No. 630

Filing Date: 2016-06-30

Effective Date: 2016-07-20

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

sent, subject to approval by the Commissioner, to enact, and from time to time, amend and repeal, rules and regulations establishing minimum standards for ambulance services, ambulance service certification, advanced life support first response services, the provision of prehospital emergency medical care, public education, the development of a statewide emergency medical services system, the provision of ambulance services outside of the primary territory specified in the ambulance services' certificate and the training, examination, and certification of certified first responders, emergency medical technicians, and advanced emergency medical technicians; provided, however that such minimum standards must be consistent with the staffing standards established by the ambulance services and advanced life support first response services provisions outlined in PHL Section 3005-a.

PHL 3308 authorizes the Commissioner to promulgate regulations which are necessary and proper to supplement the provisions of Article 33 to effectuate its purposes and intent.

Additionally, PHL 3390 authorizes the Commissioner to revoke a license or certificate issued under Article 33 in whole or in part upon a finding that the licensee or certificate holder has been convicted in any jurisdiction relating to a substance listed as a controlled substance in Article 33.

Legislative Objectives:

The purpose of PHL Article 30 is to promote the public health, safety and welfare by providing certification for pre-hospital care providers and all advanced life support first response and ambulance services. The purpose of PHL Article 33 is to prevent the illegal use of and trade in controlled substances and to provide for the legitimate use of controlled substances in health care.

Needs and Benefits:

The revisions to Section 800.5 add a requirement that Advanced Life Support (ALS) agencies providing Critical Care and/or Paramedic level service must be licensed, in accordance with PHL Article 33 and Title 10 NYCRR Part 80.136, to purchase, possess, deliver and administer controlled substance medications as per state approved regional protocols. The State Emergency Medical Advisory Committee (SEMASC), the advisory board to the Commissioner of Health, and the SEMSCO have recognized that the ability to provide a patient with controlled substance medications when indicated is the national standard for ALS prehospital emergency medical care. At present, there are 675 ALS EMS agencies in New York State. Of the 675 ALS EMS agencies, 522 already hold current controlled substances licenses under PHL Article 33. This revision will currently affect the remaining 153 agencies and any newly established advanced life support level EMS agency. Agencies that do not seek licensure to purchase, possess, deliver and administer controlled substances in accordance with PHL Article 33 Section 800.5 would be authorized to apply for and provide care only at the Advanced EMT level. Agencies that operate at the Advanced EMT level are allowed to perform advanced airway management and some medication for emergency treatment for diabetics and allergies, but does not allow advanced medication therapy.

An ALS EMS agency's ability to administer controlled substance medication to patients during prehospital emergency care is of significant benefit to the patient. Controlled substance medications may be used to treat seizures, medical anxiety, profound agitation and excited delirium, as well as pain prior to arrival at a hospital.

For example, prehospital medical protocols to allow ALS providers to use benzodiazepines for seizure management have been a mainstay of EMS care in much of the State for many years. Indeed, when the National Association of EMS Physicians first examined prehospital care standards in 2008, they carefully considered the ability to provide timely treatment of seizures. (Evidence Based Performance Measures for EMS Systems, Prehospital Emergency Care, 2008;12:141-51.) Patients experiencing prolonged or continuous seizures -- seizures that do not stop rapidly on their own -- can develop subtle brain damage; brain damage that may have been prevented by administration of a benzodiazepine such as midazolam or diazepam. In addition, management of seizures in the field makes transportation safer for both the patient and the EMS providers.

Furthermore, on January 14, 2015, the SEMASC and SEMSCO authorized an update to the EMS protocols for the City of New York to recommend access to the benzodiazepine (midazolam) for the treatment of patients with excited delirium. Excited delirium is a condition that manifests as a combination of delirium, psychomotor agitation, anxiety, hallucinations, speech disturbances, disorientation, violent and bizarre behavior, insensitivity to pain, elevated body temperature, and superhuman strength. Excited delirium can result in sudden death (usually via cardiac or respiratory arrest) when the patient is subjected to physical control measures, including police restraint. ("White Paper Report on Excited Delirium Syndrome", ACEP Excited Delirium Task Force, American College of Emergency Physicians, September 10, 2009). Rapid chemical sedation of patients with excited delirium may prevent such

outcomes and would allow EMS to assist law enforcement effectively in the care of people in crisis.

Pain management is the standard of care for patients suffering acute traumatic injury. (ATLS 9th Ed.) Early treatment of pain improves care in the emergency department and reduces the need for higher doses of medication. The Joint Commission: Accreditation, Healthcare, Certification (Joint Commission) has made early administration of pain medication a goal of its hospital surveys and prehospital pain management reduces the time to emergency department analgesia significantly. Also, for patients suffering heart attacks, early pain management reduces the oxygen demand on the heart and may reduce long-term damage and morbidity. (Circulation 12/13/05, vol 112, no 24, p IV-98 for reduction of oxygen demand.)

Critical care technicians and paramedics train to use complex medications as a part of the delivery of care. The agencies and the medical directors authorizing these providers to afford patient care must have access to controlled substances to provide necessary medical therapy to best protect the health of their patients.

The proposed regulation also amends section 80.136 of Part 80 related to the issuance of certifications to agents of advanced life support agencies. Section 80.136 is updated to incorporate Correction Law Article 23-A's balancing test when reviewing applications to register an agent to purchase, possess, and deliver controlled substances, and specifies that the factors set forth in Correction Law § 753 will be utilized when making a determination whether to grant the application to an applicant who has a criminal conviction.

Costs for the Implementation of and Continuing Compliance with these Regulations to the Regulated Entity:

There is a fee of \$100 for the original application and each renewal thereafter. Municipally owned EMS agencies are exempt from the application fee. Affected EMS agencies will be required to purchase the controlled substance medications and develop a method of securing them in the vehicles and the base of operations as required by Title 10 NYCRR Part 80.136. This cost will vary depending on the cost of the medications and the locking system chosen by the EMS agency.

Cost to State and Local Government:

There will be no costs to the general public, state and local government. These regulations are directed at the advanced life support level EMS agency. An EMS agency that is part of state or local municipal government is exempted by regulation from the application fee.

Cost to the Department of Health:

The Department of Health will not incur any additional costs.

Local Government Mandates:

These regulations are directed at the advanced life support level EMS agency. An EMS agency that is part of state or local municipal government is exempted by regulation from the application fee. To obtain and maintain an ALS license, local municipal government agencies will have to hold a current class 3(c) institutional dispenser limited license.

Paperwork:

Affected EMS agencies will need to apply for a Controlled Substance license through the Department of Health.

Duplication:

This measure does not duplicate, overlap or conflict with a State or federal statute or rule.

Alternative:

There are no other viable alternative approaches. Current provisions must be updated to reflect appropriate EMS standards and practice.

Federal Requirements:

This regulatory amendment does not exceed any minimum standards of the federal government for the same or similar subject areas. This proposal is intended to update Part 800 provisions with language appropriate and applicable to the modern EMS system.

Compliance Schedule:

This proposal will go into effect upon publication of the Notice of Adoption in the New York State Register.

Revised Regulatory Flexibility Analysis

Effect of Rule:

With respect to small businesses, the amendment will affect only those that are also certified advanced life support (ALS) ambulance or advanced life support first response emergency medical service agencies as defined by Article 30 of the New York State Public Health Law. With respect to local governments, the amendment will only affect those that are also certified ambulance or advanced life support first response emergency medical service agencies as defined by Article 30 of the New York State Public Health Law.

Compliance Requirements:

Small businesses and local governments must comply if they are certified advanced life support (ALS) ambulance or advanced life support first response emergency medical service agencies as defined by Article 30 of the New York State Public Health Law.

In order to comply with Title 10 NYCRR Part 80.136, these agencies must apply to the Department of Health to obtain a Controlled Substance License for EMS Agencies. This includes completing specific forms provided by the Department and developing policies and procedures that detail the medical direction, service management, personnel responsibilities, purchase, inventory storage and security, and patient administration and the quality assurance process. In order to maintain the license, the EMS agency must renew every two years using an abbreviated process.

Professional Services:

Small businesses and local governments that are certified advanced life support (ALS) ambulance or advanced life support first response emergency medical service agencies will need no additional professional services to comply.

Compliance Costs:

Costs to Private Regulated Parties:

The regulation will present a cost for the application process (\$100, however this may be waived for municipal entities), medication and security system. This is dependent upon how the EMS agency chooses implement its own controlled substance program. At present, none of the controlled substance medications commonly carried by currently licensed EMS agencies exceeds \$6.00 per single unit. Securing these medications both on vehicles and in EMS stations may range from a small amount of money to several thousand dollars, depending on the EMS service and medical director's preference.

Costs to State Government and Local Government:

There will be no additional cost to State government.

Economic and Technological Feasibility:

There will be a minimal impact on small businesses that are currently certified advanced life support (ALS) ambulance or advanced life support first response emergency medical service agencies that have yet to obtain a controlled substance license. The regulation will present a cost for the application process (\$100, however this may be waived for municipal entities), medication and security system used to secure medications. The cost and impact are dependent upon how each EMS agency chooses to implement its own controlled substance program.

Minimizing Adverse Impact:

The New York State Department of Health will assist local governments by providing consultation, coordination and information and updates on its website.

Small Business and Local Government Participation:

The Department received comments during the notice and comment period, and took those comments into consideration when developing this regulation.

Cure Period:

The intent of this regulatory amendment is to ensure that patients whose prehospital injury or illness is best treated with controlled substances may receive such lifesaving medications. The ability for an advanced life support EMS agency to administer this class of medication is a standard of care for the ALS level of service, and the Department is satisfied that the benefits to the public outweigh any cost. Violations of such standards would pose a threat to public health, safety and well-being of the patients served. For those EMS agencies not willing to obtain a license, it is expected that they would remain an active part of the EMS response system, as basic life support ambulance services.

Revised Rural Area Flexibility Analysis

Changes made to the last published rule do not necessitate revision to the previously published RAFA.

Revised Job Impact Statement

Nature of Impact:

The proposed rule will have minimal or no impact on jobs. Some current ambulance agencies employ part time staff to provide ALS level of care without a controlled substance license. These agencies would have to continue to employ EMS staff regardless of the level of care they provide. The ambulance services that employ larger numbers of EMS providers are unaffected as they already hold controlled substance licenses.

Assessment of Public Comment

Public comments were submitted to the NYS Department of Health (DOH) in response to the proposed changes to Title 10 NYCRR Part 800.5 requiring EMS agencies to obtain a license issued by the Department of Health to possess and administer controlled substance medication per approved regional protocols. The Department received comments from four groups representing the EMS community in Nassau County and the American College of Emergency Physicians. Many of the comments were the same or similar. These comments and the Department of Health's responses are summarized below:

A letter was received via email from a paramedic with the following comments:

COMMENT: The paramedic expressed concern that 45 days would not be enough time for the unlicensed EMS agencies to come into compliance.

RESPONSE: In January 2013, the State Emergency Medical Advisory Committee (SEMAC) resolved that EMS agencies providing advanced life support obtain a controlled substance license. Since that time, the affected advanced life support (ALS) EMS agencies have been working towards compliance with the SEMAC decision as well as this anticipated regulatory amendment. At present, there are at total of 1,150 certified EMS agencies in New York State, of which 582 EMS agencies will be affected by this regulatory amendment. Currently, 456 agencies are already in compliance, leaving 126 services that will have to obtain controlled substance licenses if they choose to continue to provide ALS level of care. The Department believes that, given this background, 45 days provides sufficient additional time to come into compliance.

COMMENT: The paramedic also suggested that the regulation should clearly indicate that EMS agencies obtain the controlled substance license, not individual providers.

RESPONSE: The Department agrees that, under Article 33 of the NYS Public Health Law, a Controlled Substance License is issued to an EMS agency, not an individual certified EMS provider. The Regulatory Flexibility Analysis was revised to clarify this.

Multiple commenters submitted the following comments:

COMMENT: The section concerning the Cure Period in the Regulatory Flexibility Analysis for Small Business and Local Governments states "Violations of such standards would pose a threat to public health, safety and well-being of the patients served." Commenters asserted that requiring Controlled Substance licensure actually creates a larger risk to public safety because ambulance services that refuse or cannot comply will no longer be available to provide ALS level care.

RESPONSE: The intent of this regulatory amendment is to ensure that patients whose prehospital injury or illness is best treated with controlled substances may receive such lifesaving medications. The ability for an advanced life support EMS agency to administer this class of medication is a standard of care for the ALS level of service, and the Department is satisfied that the benefits to the public outweigh any cost. For those EMS agencies not willing to obtain a license, it is expected that they would remain an active part of the EMS response system, as basic life support ambulance services.

COMMENT: Multiple commenters raised concerns that the application process and record keeping burden are not adequately articulated in the Paperwork section of the Regulatory Impact Statement.

RESPONSE: It appears that many commenters misinterpreted the Regulatory Impact Statement. Many of the forms listed in the commenters' letters were provided for convenience by the Department, as samples of what could be required in different applications. The actual number of forms required for each particular application will generally be far less.

COMMENT: Multiple commenters stated that, contrary to the Regulatory Flexibility Analysis, the regulation will have an effect on small business and local government, specifically commercial and volunteer ambulances.

RESPONSE: At present, there are at total of 1,150 certified EMS agencies in New York State, of that 582 EMS agencies will be affected by this regulatory amendment. Currently, 456 agencies are already in compliance, leaving only 126 services that will have to obtain controlled substance licenses if they choose to continue to provide ALS level of care. The Regulatory Flexibility Analysis has been revised accordingly.

COMMENT: Multiple commenters expressed concern that the Job Impact Statement does not reflect the possibility that, if an agency does not obtain a license and downgrades the level of care provided, providers may have to lay off advanced certified staff.

RESPONSE: The Department agrees that the regulations may affect a small number of individuals if their EMS agency chooses not to obtain a controlled substance license. However, many of the unlicensed agencies are volunteer fire department-based ambulance services, which would not be affected. The Job Impact Statement has been revised accordingly.

COMMENT: Multiple commenters asked for an explanation as to why, for regions that do not have protocols to obtain, stock and administer controlled substance medications, EMS agencies should be required to hold controlled substance licenses. They further commented that Regional Emergency Medical Advisory Committees (REMACs) are authorized to develop protocols that address specific local conditions. Commenters asserted that the proposed regulation would conflict with the authority of REMACs to develop such protocols.

RESPONSE: The State Emergency Medical Advisory Committee (SEMAC) sets statewide minimum standards for treatment, transportation and triage protocols for the provision of prehospital EMS care by certified providers and agencies. The SEMAC reviews and approves regional EMS protocols, which must be consistent with the SEMAC's standards. This regulatory amendment was submitted at the request of the SEMAC membership. Additionally, these regulations are well within the regulatory authority of the State Emergency Medical Services Council.

COMMENT: Multiple commenters raised concerns regarding the initial

cost for implementation and the cost to remain in continuing compliance with these regulations. The commenters asserted that the evaluation of costs in the Regulatory Impact Statement is misleading and that there will be significant expense to the EMS agencies affected by this amendment.

RESPONSE: While there will be cost for the medication and security system, these depend on how each EMS agency chooses to implement its own controlled substance program. At present, none of the controlled substance medications commonly carried by currently licensed EMS agencies exceeds \$6.00 per single unit. Securing these medications both on vehicles and in EMS stations may range from a small amount of money to several thousand dollars, depending on the EMS service and medical director's preference. The Regulatory Impact Statement was revised accordingly.

The Nassau County Regional EMS Council (REMSCO) submitted written comments as follows:

COMMENT: The REMSCO stated a concern that having controlled substance medications on the ambulance in their county "will inevitably lead to break-ins of parked ambulances."

RESPONSE: The Department has not received any reports of ambulances being broken into for their controlled substance medications. The Department will continue to monitor this concern but, at present, it is satisfied that the benefit of EMS ALS agencies possessing these medications outweighs the costs.

COMMENT: The REMSCO disputes the section in the Regulatory Impact Statement entitled Local Government Mandate, which states: "These provisions do not add any additional mandates to local government."

RESPONSE: If the EMS agency is owned by a local government, the Department agrees that these provisions add minimal cost to maintain an ALS license. However, the Department is satisfied that the benefit of EMS agencies possessing these medications outweighs the costs. The Local Government Mandate section was revised accordingly.

The Association of Fire Districts of Nassau County, the Nassau County Fireman's Association, the Fire Chief's Council of Nassau County, the Nassau County Fire Commission, Vocational Education and Extension Board of EMS Nassau County and the Executive Council of Firematic Association of Nassau County collectively submitted the following comments:

COMMENT: The commenters generally comment that they "agree with the essence of the proposed regulation, which is the ability to provide patients with controlled substance medications when indicated; however, the practicality of providing the narcotics, under this manner, will immediately and severely impact the 1.4 million residents of Nassau County."

RESPONSE: The Department respectfully disagrees. This regulatory amendment will improve the level of prehospital emergency medical care available to the 1.4 million residents of Nassau County, and across the State of New York.

COMMENT: The commenters generally recommend that the regulation be amended to allow controlled substances to be provided by alternative means such as "Mutual Aid / Dual Response / ALS Intercept". The commenters requested that ALS agencies not be downgraded to BLS if they do not get a controlled substances license.

RESPONSE: The State Emergency Medical Advisory Committee (SEMACE) reviewed this issue and determined that such alternatives means were based on the service being provided by neighboring agencies. The SEMACE's physicians were concerned that there would be a delayed response or the neighboring agency would be unavailable. The Department agrees with the SEMACE that these alternatives are not sufficiently reliable.

COMMENT: The Nassau County Executive wrote a letter on behalf of the Association of Fire Districts of Nassau County and the Nassau County Fire Commission, requesting that the Department of Health amend its 2013 policy statement requiring ALS EMS agencies to obtain a Controlled Substance License and be able to administer controlled substance medication to patient's requiring these medications.

RESPONSE: The Department suspended the policy statement at the end of 2014.

COMMENT: The Department received a letter from the New York – American College of Emergency Physicians (ACEP), located in Webster, NY (Monroe County), in support of the proposed changes to the Part 800 regulations.

RESPONSE: The Department acknowledges that the letter states that the ability to control seizures and manage pain is an essential component of advanced prehospital care. The Department concurs with the ACEP's opinion that the use of controlled substances for these purposes have been proven both safe and highly effective and should be considered the standard of care for paramedic and critical care technicians practicing in New York State.

Public Service Commission

EMERGENCY/PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Appointment of a Temporary Operator

I.D. No. PSC-29-16-00019-EP

Filing Date: 2016-06-30

Effective Date: 2016-06-30

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Proposed Action: The Commission, on June 29, 2016, adopted an order appointing Suez Water New York, Inc. the temporary operator of the Forest Park Water Company, Inc.

Statutory authority: Public Service Law, sections 89-b, 89-c and 112-a

Finding of necessity for emergency rule: Preservation of public health, public safety and general welfare.

Specific reasons underlying the finding of necessity: On January 14, 2016, Suez Water Owego-Nichols, Inc. (SWON) filed a petition seeking authorization to acquire the assets of Forest Park and two other water systems. In June 2016, the Forest Park Water Company, Inc. (Forest Park) suffered a well failure in its Chateau Ridge system. When Forest Park's operator was unable to maintain a connection to another system owned by Forest Park, Department of Public Service Staff requested that SWON assist in restoring service to Forest Park's ratepayers. While the acquisition petition is still under the consideration by the Commission, the Commission believes that the Forest Park ratepayers would benefit from an operator with greater expertise and resources while addressing the supply shortfall. While SWON expresses willingness to assume operation of the system, the company recommends that the Commission instead appoint its sister company, Suez Water New York, Inc., which has greater immediate resources than SWON.

Subject: Appointment of a temporary operator.

Purpose: To ensure safe water supply through appointment of a temporary operator.

Substance of emergency/proposed rule: The Public Service Commission (Commission) adopted an order appointing SUEZ Water New York Inc. temporary operator of the Forest Park Water Company, Inc. (Forest Park) pursuant to its authority under Public Service Law § 112-a. Prior to the Commission's action, Forest Park's owners communicated their consent to the appointment, satisfying the statute's notice requirement.

This notice is intended: to serve as both a notice of emergency adoption and a notice of proposed rule making. The emergency rule will expire September 27, 2016.

Text of rule may be obtained from: John Pitucci, Public Service Commission, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 486-2655, email: john.pitucci@dps.ny.gov

Data, views or arguments may be submitted to: Kathleen H. Burgess, Secretary, Department of Public Service, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 474-6530, email: secretary@dps.ny.gov

Public comment will be received until: 45 days after publication of this notice.

Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement

Statements and analyses are not submitted with this notice because the amended rule is within the definition contained in section 102(2)(a)(ii) of the State Administrative Procedure Act.

PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Use of the Silver Spring Network Commercial Gas Interface Management Unit — IMU 200

I.D. No. PSC-29-16-00021-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Public Service Commission is considering a petition filed by Consolidated Edison and Orange and Rockland Utilities, on June 16, 2016, to use the Silver Spring Network Commercial Gas Interface Management Unit (IMU) 200.

Statutory authority: Public Service Law, section 67(1)

Subject: Use of the Silver Spring Network Commercial Gas Interface Management Unit — IMU 200.

Purpose: To consider the use of the Silver Spring Network Commercial Gas Interface Management Unit — IMU 200.

Substance of proposed rule: The Public Service Commission is considering a petition filed by Consolidated Edison Company of New York, Inc., and Orange and Rockland Utilities, Inc., to use the Silver Spring Interface Management Unit – IMU 200, in commercial gas metering applications. The Companies will deploy the Silver Spring IMU 200 as part of Advanced Metering Infrastructure projects. The Commission may adopt, reject or modify, in whole or in part, the relief requested, and may resolve related matters.

Text of proposed rule and any required statements and analyses may be obtained by filing a Document Request Form (F-96) located on our website <http://www.dps.ny.gov/f96dir.htm>. For questions, contact: John Pitucci, Public Service Commission, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 486-2655, email: john.pitucci@dps.ny.gov

Data, views or arguments may be submitted to: Kathleen H. Burgess, Secretary, Public Service Commission, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 474-6530, email: secretary@dps.ny.gov

Public comment will be received until: 45 days after publication of this notice.

**PROPOSED RULE MAKING
NO HEARING(S) SCHEDULED**

Petitions for Rehearing of the Commission's Order Adopting Low Income Program Modifications and Directing Utility Filings

I.D. No. PSC-29-16-00022-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering three Petitions for Rehearing filed on June 20, 2016, requesting rehearing of the Commission's Order Adopting Low Income Program Modifications and Directing Utility Filings.

Statutory authority: Public Service Law, sections 4(1), 5(1), 65(1), (2), (3), 66(1), (2), (3), (5), (8), (9) and (12)

Subject: Petitions for Rehearing of the Commission's Order Adopting Low Income Program Modifications and Directing Utility Filings.

Purpose: To establish rates, terms, and conditions for low income utility programs.

Substance of proposed rule: The New York State Public Service Commission (Commission) is considering three Petitions for Rehearing (Petitions) filed on June 20, 2016, requesting rehearing of the Commission's Order Adopting Low Income Program Modifications and Directing Utility Filings, issued on May 20, 2016 (Order). The Petitions were filed by Multiple Intervenors (MI), National Fuel Gas Distribution Corporation (NFG), and the City of New York (NYC). MI requests rehearing and modification of the Order and seeks to: (1) reduce the increases to the annual budgets for utility low income programs located in Upstate New York; (2) phase-in any increases to the annual budgets for the upstate utilities' low income programs; (3) remove, with respect to the upstate utilities, the linkage between low income program budgets funded through delivery rates and electricity and gas commodity prices; and, (4) with respect to the upstate utilities, allocate the costs of low income programs to the various customer classes on a per customer basis and recover the properly allocated costs from individual demand-metered customers on a per customer or, alternately, per kW basis. NFG requests rehearing and modification of the Order and seeks to: (1) alter the affordability methodology in order to permit targeted variable discounts based on specific household income size and composition; (2) clarify how discount levels should be phased out at program initiation where low usage households are already paying bills at or below the targeted 6%, and whether and to

what extent any discount-related credits can be applied to customers' accounts where bills are below the targeted energy burden; (3) encourage the Office of Temporary and Disability Assistance (OTDA) to include household income figures and number of inhabitants in the files provided to utilities; (4) allow utilities to adopt a targeted low income program providing an affordable bill of 6% of household income based on information provided by OTDA, or allow utilities to continue to offer variable rate discounts to households based on income and household size provided by the customer; (5) clarify an alleged conflict between the 6% energy burden target and the 2% budget cap; and, (6) prohibit arrears forgiveness programs for utilities that are projected to be at or above the 2% budget cap. NYC requests rehearing and modification of the Order and seeks to: (1) reverse the decision to eliminate low income program discounts for direct voucher and utility guarantee customers; (2) alter the affordability methodology to achieve the targeted reduction in energy burden through a generally applicable customer discount with less reliance on receipt of Home Energy Assistance Program benefits; (3) clarify that the greater benefits, compared to those specified in the Order, provided to National Grid NY may continue; and, (4) clarify and confirm that HEAP eligible heating customers can continue to receive heating level benefits under and in accordance with the existing provisions of Consolidated Edison Company of New York, Inc. and National Grid NY's low income programs. The Commission may adopt, reject, or modify, in whole or in part, the relief proposed, and may resolve related matters.

Text of proposed rule and any required statements and analyses may be obtained by filing a Document Request Form (F-96) located on our website <http://www.dps.ny.gov/f96dir.htm>. For questions, contact: John Pitucci, Public Service Commission, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 486-2655, email: john.pitucci@dps.ny.gov

Participation of NYPA Customers in Surcharge-Funded Clean Energy Programs

I.D. No. PSC-29-16-00024-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering a proposal to allow New York Power Authority customers to participate in Clean Energy Fund and Utility Energy Efficiency programs filed by the Joint Utilities on June 30, 2016.

Statutory authority: Public Service Law, sections 5(1), (2), 65 and 66

Subject: Participation of NYPA customers in surcharge-funded clean energy programs.

Purpose: To consider participation of NYPA customers in surcharge-funded clean energy programs.

Substance of proposed rule: The Public Service Commission (Commission) is considering the Proposal of the Joint Utilities to allow New York Power Authority customers to participate in Clean Energy Fund Programs (the Proposal) filed by Consolidated Edison Company of New York, Inc., Orange and Rockland Utilities, Inc., Central Hudson Gas & Electric Corporation, and Niagara Mohawk Power Corporation d/b/a National Grid (collectively, the Joint Utilities) on June 30, 2016. The Joint Utilities filed the Proposal in compliance with the Commission's January 21, 2016 Order Authorizing the Clean Energy Fund Framework in Case 14-M-0094. The Commission may adopt, reject, or modify, in whole or in part, the Proposal and may resolve related matters.

Proposed Modifications to Gas Safety Violations Metric Adopted in Case 12-G-0202

I.D. No. PSC-29-16-00025-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Public Service Commission is considering a Niagara Mohawk Power Corp. (NMPC) petition to modify the gas safety metric in the Joint Proposal in Case 12-G-0202.

Statutory authority: Public Service Law, sections 5(1), 65 and 66

Subject: Proposed modifications to gas safety violations metric adopted in Case 12-G-0202.

Purpose: To consider NMPC's petition to modify gas safety violations metric.

Substance of proposed rule: The Public Service Commission (PSC) is considering a petition filed by Niagara Mohawk Power Corporation (NMPC) seeking to modify the existing gas safety violations Metric (Metric) adopted by the PSC in Case 12-G-0202 - Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Niagara Mohawk Power Corporation d/b/a National Grid for Gas Service, Order Approving Electric and Gas Rate Plans in Accord With Joint Proposal (issued March 15, 2013). The modifications NMPC seeks include: (1) that the number of violations found in the audit results for calendar years 2013 and 2014 would be subject to the maximum negative revenue adjustment only if NMPC does not meet specific (NMPC proposed) levels of improvement in the calendar year 2015 audits; (2) that the Metric be modified so that for calendar year 2015 and all future audit years, the maximum number of High Risk and Other Risk violations will be capped at 10 per regulation; and (3) that any NRAs stemming from audits be directed solely to gas safety programs and improvements, with \$400,000 of the NRAs for 2013 and 2014 being assigned to a third party consultant who will advise NMPC on regulatory compliance improvements. The Commission may adopt, reject or modify, in whole or in part, the relief proposed and may resolve related matters.

If such a request is granted, notification of any subsequent scheduling changes will be available at the DPS website (www.dps.ny.gov) under Case 16-W-0259.

ACTION PENDING INDEX

The action pending index is a list of all proposed rules which are currently being considered for adoption. A proposed rule is added to the index when the notice of proposed rule making is first published in the *Register*. A proposed rule is removed from the index when any of the following occur: (1) the proposal is adopted as a permanent rule; (2) the proposal is rejected and withdrawn from consideration; or (3) the proposal's notice expires.

Most notices expire in approximately 12 months if the agency does not adopt or reject the proposal within that time. The expiration date is printed in the second column of the action pending index. Some notices, however, never expire. Those notices are identified by the word "exempt" in the second column. Actions pending for one year or more are preceded by an asterisk(*).

For additional information concerning any of the proposals listed

in the action pending index, use the identification number to locate the text of the original notice of proposed rule making. The identification number contains a code which identifies the agency, the issue of the *Register* in which the notice was printed, the year in which the notice was printed and the notice's serial number. The following diagram shows how to read identification number codes.

Agency code	Issue number	Year published	Serial number	Action Code
AAM	01	12	0001	P

Action codes: P — proposed rule making; EP — emergency and proposed rule making (expiration date refers to proposed rule); RP — revised rule making

Agency I.D. No.	Expires	Subject Matter	Purpose of Action

ADVERTISEMENTS FOR BIDDERS/CONTRACTORS

SEALED BIDS

REPLACE SECURITY DOORS AND FRAMES Hutchings Psychiatric Center Syracuse, Onondaga County

Sealed bids for Project No. M3059-C, for Construction Work, Replace Security Doors and Frames, Building 7, Hutchings Psychiatric Center, 620 Madison Street, Syracuse (Onondaga County), NY, will be received by the Office of General Services (OGS), Design & Construction Group (D&C), Division of Contract Management, 35th Fl., Corning Tower, Empire State Plaza, Albany, NY 12242, on behalf of the Office of Mental Health, until 2:00 p.m. on Wednesday, July 20, 2016, when they will be publicly opened and read. Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by a certified check, bank check, or bid bond in the amount of \$15,800 for C.

The value of the Contract is estimated to be between \$100,000 and \$250,000.

Pursuant to State Finance Law § 139-j and § 139-k, this solicitation includes and imposes certain restrictions on communications between OGS D&C and a bidder during the procurement process. A bidder is restricted from making contacts from the earliest notice of intent to solicit offers through final award and approval of the Procurement Contract by OGS D&C and Office of the State Comptroller ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). Designated staff are Frank Peris and Carl Ruppert in the Division of Contract Management, telephone (518) 474-0203, fax (518) 473-7862 and John Lewyckyj, Deputy Director, Design & Construction Group, telephone (518) 474-0201, fax (518) 486-1650. OGS D&C employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a 4 year period, the bidder is debarred from obtaining governmental Procurement Contracts. Bidders responding to this Advertisement must familiarize themselves with the new Legislative and State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the bid form. Further information about these requirements can be found within the project manual or at: <http://ogs.ny.gov/aboutogs/regulations/defaultAdvisoryCouncil.asp>.

As a condition of award, within 48 hours of receipt of the proposed Contract Agreement from the State, the low bidder shall return the Contract Agreement to the State, properly executed, along with the Bonds if required by said Agreement. Low bidders who cannot meet these provisions may be subject to disqualification and forfeiture of the bid security.

The State intends to expedite award of this Contract and the Contractor shall be prepared to proceed with the Work accordingly. Bidders are warned that time is of the essence of the Contract and completion of the Work must be within 200 days after the Agreement is approved by the Comptroller. Due to the tightness of the construction schedule, bidders should consider the necessity for an increased work force and shift operations.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 9:30 a.m. on July 8, 2016 at Hutchings Psychiatric Center, Building 10, 620 Madison Street, Syracuse, NY. Prospective bidders are urged to visit the site at this time. Prospective bidders or their representatives attending the pre-bid site visit will not be admitted on facility grounds without proper photo identification. Note that parking restrictions and security provisions will apply and all vehicles will be subject to search.

For assistance pertaining to the site visit only, please phone Traci Shifflett (315) 426-3966.

It is the policy of the State and the Office of General Services to encourage meaningful minority- and women-owned business enterprise participation in this project by contractors, subcontractors and suppliers under the Contract, and all bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises ("MBE") participation and 15% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs). The total contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under this Contract.

The Office of General Services reserves the right to reject any or all bids.

The Bidding and Contract Documents for this Project are available on compact disc (CD) only, and may be obtained for an \$8.00 deposit per set, plus a \$2.00 per set shipping and handling fee. Contractors and other interested parties can order CD's on-line through a secure web interface available 24 hours a day, 7 days a week. Please use the following link at the OGS website for ordering and payment instructions: <http://www.ogs.ny.gov/bu/dc/esb/acquirebid.asp>.

For questions about purchase of bid documents, please send an e-mail to D&C.Plans@ogs.ny.gov, or call 1-877-647-7526.

OGS - Design & Construction Group

ABATE DAMAGED ACM Mid Hudson Psychiatric Center New Hampton, Orange County

Sealed bids for Project No. M3066-C, for Construction Work, Abate Damaged ACM, Buildings 4 & 5, Mid Hudson Psychiatric Center, 2834 Route 17M, New Hampton (Orange County), NY, will be received by the Office of General Services (OGS), Design & Construction Group (D&C), Contract Administration, 35th Fl., Corning Tower, Empire State Plaza, Albany, NY 12242, on behalf of the Office of Mental Health, until 2:00 p.m. on Wednesday, July 20, 2016, when they will be publicly opened and read. Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by a certified check, bank check, or bid bond in the amount of \$38,100 for C.

All successful bidders on a multiple trade project or the successful bidder with a bid over \$200,000 on a single trade project, will be required to furnish a Performance Bond and a Labor and Material Bond in the statutory form of public bonds required by Sections 136 and 137 of the State Finance Law, each for 100% of the amount of the Contract estimated to be between \$1,000,000 and \$2,000,000 for C. The requirement for Labor and Material and Performance Bonds may be waived on a bid under \$200,000 on a single trade project.

Pursuant to State Finance Law § 139-j and § 139-k, this solicitation includes and imposes certain restrictions on communications between OGS D&C and a bidder during the procurement process. A bidder is restricted from making contacts from the earliest notice of intent to solicit offers through final award and approval of the Procurement Contract by OGS D&C and Office of the State Comptroller ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). Designated staff are Frank Peris and Carl Ruppert in the Bureau of Contract Awards, telephone (518) 474-0203, fax (518) 473-7862 and John Lewyckyj, Director of Contract Administration, telephone (518) 474-0201, fax (518) 486-1650. OGS D&C employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a 4 year period, the bidder is debarred from obtaining governmental Procurement Contracts. Bidders responding to this Advertisement must familiarize themselves with the new Legislative and State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the bid form. Further information about these requirements can be found within the project manual or at: <http://ogs.ny.gov/aboutogs/regulations/defaultAdvisoryCouncil.asp>.

As a condition of award, within 48 hours of receipt of the proposed Contract Agreement from the State, the low bidder shall return the Contract Agreement to the State, properly executed, along with the Bonds if required by said Agreement. Low bidders who cannot meet these provisions may be subject to disqualification and forfeiture of the bid security.

The State intends to expedite award of this Contract and the Contractor shall be prepared to proceed with the Work accordingly. Bidders are warned that time is of the essence of the Contract and completion of the Work must be within 223 days after the Agreement is approved by the Comptroller. Due to the tightness of the construction schedule, bidders should consider the necessity for an increased work force and shift operations.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 9:00 a.m. on July 7, 2016 at Mid Hudson Psychiatric Center, 2834 Route 17M, New Hampton, NY. Prospective bidders are urged to visit the site at this time. Prospective bidders or their representatives attending the pre-bid site visit will not be admitted on facility grounds without proper photo identification. Note that parking restrictions and security provisions will apply and all vehicles will be subject to search.

For assistance pertaining to the site visit only, please phone Robin Griffiths (845) 365-0730 Ext. 101.

It is the policy of the State and the Office of General Services to encourage meaningful minority business enterprise participation in this project by contractors, subcontractors and suppliers who perform commercially useful functions under the Contract, and all bidders are expected to cooperate in implementing this policy.

It is the policy of the State and the Office of General Services to encourage meaningful minority- and women-owned business enterprise participation in this project by contractors, subcontractors and suppliers under the Contract, and all bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises ("MBE") participation and 15% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs). OGS - Design & Construction Group

PROVIDE
MAINTENANCE SUBHEADQUARTERS
Department of Transportation Region 8
Red Hook, Dutchess County

Sealed bids for Project Nos. 44823-C, 44823-H, 44823-P, 44823-E, comprising separate contracts for Construction Work, HVAC Work, Plumbing Work, and Electrical Work, Provide Maintenance Subheadquarters, DOT Region 8, Route 9G, Red Hook (Dutchess County), NY, will be received by the Office of General Services (OGS), Design & Construction Group (D&C), Division of Contract Management, 35th Fl., Corning Tower, Empire State Plaza, Albany, NY 12242, on behalf of the Department of Transportation, until 2:00 p.m. on Wednesday, July 27, 2016, when they will be publicly opened and read. Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by a certified check, bank check, or bid bond in the amount of \$87,500 for C, \$22,800 for H, \$18,000 for P, and \$24,700 for E.

All successful bidders on a multiple trade project or the successful bidder with a bid over \$200,000 on a single trade project, will be required to furnish a Performance Bond and a Labor and Material Bond in the statutory form of public bonds required by Sections 136 and 137 of the State Finance Law, each for 100% of the amount of the Contract estimated to be between \$3,000,000 and \$4,000,000 for C, between \$500,000 and \$1,000,000 for H, between \$100,000 and \$250,000 for P, and between \$500,000 and \$1,000,000 for E. The requirement for Labor and Material and Performance Bonds may be waived on a bid under \$200,000 on a single trade project.

Pursuant to State Finance Law § 139-j and § 139-k, this solicitation includes and imposes certain restrictions on communications between OGS D&C and a bidder during the procurement process. A bidder is restricted from making contacts from the earliest notice of intent to solicit offers through final award and approval of the Procurement Contract by OGS D&C and Office of the State Comptroller ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). Designated staff are Frank Peris and Carl Ruppert in the Division of Contract Management, telephone (518) 474-0203, fax (518) 473-7862 and John Lewyckyj, Deputy Director, Design & Construction Group, telephone (518) 474-0201, fax (518) 486-1650. OGS D&C employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a 4 year period, the bidder is debarred from obtaining governmental Procurement Contracts. Bidders responding to this Advertisement must familiarize themselves with the new Legislative and State Finance Law requirements and will be expected to affirm that they understand and agree to

comply on the bid form. Further information about these requirements can be found within the project manual or at: <http://ogs.ny.gov/aboutogs/regulations/defaultAdvisoryCouncil.asp>.

As a condition of award, within 48 hours of receipt of the proposed Contract Agreement from the State, the low bidder shall return the Contract Agreement to the State, properly executed, along with the Bonds if required by said Agreement. Low bidders who cannot meet these provisions may be subject to disqualification and forfeiture of the bid security.

The State intends to expedite award of this Contract and the Contractor shall be prepared to proceed with the Work accordingly. Bidders are warned that time is of the essence of the Contract and completion of the Work must be within 400 days after the Agreement is approved by the Comptroller. Due to the tightness of the construction schedule, bidders should consider the necessity for an increased work force and shift operations.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 10:00 a.m. on July 15, 2016 at DOT Region 8, Dutchess County, Route 9G, Facility Parking Lot, Red Hook, NY. Prospective bidders are urged to visit the site at this time. Prospective bidders or their representatives attending the pre-bid site visit will not be admitted on facility grounds without proper photo identification. Note that parking restrictions and security provisions will apply and all vehicles will be subject to search.

For assistance pertaining to the site visit only, please phone Shannon Landolfa (845) 831-3111.

It is the policy of the State and the Office of General Services to encourage meaningful minority- and women-owned business enterprise participation in this project by contractors, subcontractors and suppliers under the Contract, and all bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises (“MBE”) participation and 15% for Women-Owned Business Enterprises (“WBE”) for C trade, an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises (“MBE”) participation and 15% for Women-Owned Business Enterprises (“WBE”) for H trade, an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises (“MBE”) for P trade, an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises (“MBE”) for participation and 15% for Women-Owned Business Enterprises (“WBE”) participation and 15% for Women-Owned Business Enterprises (“WBE”) for E trade participation (based on the current availability of qualified MBEs and WBEs). The total contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under this Contract.

The Office of General Services reserves the right to reject any or all bids.

The Bidding and Contract Documents for this Project are available on compact disc (CD) only, and may be obtained for an \$8.00 deposit per set, plus a \$2.00 per set shipping and handling fee. Contractors and other interested parties can order CD's on-line through a secure web interface available 24 hours a day, 7 days a week. OGS - Design & Construction Group

NOTICE OF AVAILABILITY OF STATE AND FEDERAL FUNDS

New York Homes and Community Renewal
Division of Housing and Community Renewal
641 Lexington Ave.
New York, NY 10022

DEVELOPERS SEEKING FINANCING FOR NEW CONSTRUCTION, SUBSTANTIAL REHABILITATION AND MODERATE REHABILITATION OF SITE-SPECIFIC, AFFORDABLE, MULTI-FAMILY RENTAL HOUSING

Supportive Housing Opportunity Program

New York State Homes and Community Renewal (HCR) announces the availability of approximately \$150,000,000 of funding for the Supportive Housing Opportunity Program (“SHOP”). This funding is being made available through HCR’s Multifamily Open Window Request for Proposals (“RFP”), which was originally issued on April 13, 2016 and revised on June 23, 2016 to include this additional amount of funding.

Other previously-announced funding available through the RFP includes: up to \$51,990,000 for the following Low Income Housing Trust Fund initiatives: New Construction Capital Program (“NCP”), Public Housing Preservation Program (“PHP”), and Multifamily Preservation Program (“MPP”); up to \$15,000,000 for the Middle Income Housing Program (“MIHP”); up to \$26,750,000 for the Homes for Working Families (“HWF”); up to \$4,000,000 in annual allocations of State Low Income Housing Credit (“SLIHC”); up to \$31,200,000 for the Rural and Urban Community Investment Fund (“CIF”); up to \$42,000,000 for the House NY Mitchell-Lama Loan Program (“HML”); and up to \$13,250,000 for the Mitchell-Lama Loan Program (“MLLP”). This funding is made available through the New York State Division of Housing and Community Renewal (“DHCR”), the Housing Trust Fund Corporation (“HTFC”), and HFA.

This RFP also explains how HCR may offer a limited amount of Project Based Voucher (“PBV”) and HOME assistance, depending upon availability, for proposed projects seeking the financing allocated under this competitive Request for Proposals.

Applications requesting funding under this RFP may be submitted at any time between April 13, 2016 and March 1, 2017, or until all allocations of resources are committed. Applications will be reviewed as received and funding determinations will be made throughout the year. Applications seeking consideration for PBV assistance in combination with eligible funding must submit a complete application by no later than 5:00 p.m. EDT, September 30, 2016. Complete applications seeking consideration for PBV assistance will be evaluated monthly beginning with complete applications received prior to May 1, 2016, which will be evaluated by June 1, 2016, and so forth.

Notwithstanding resource availability, applications must be received by HCR by 5:00 p.m. EST, March 1, 2017. It is anticipated that an RFP will be issued in April of 2017 for Fiscal Year 2017-18 funding.

This Notice of Credit and Funding Availability (“Notice”) describes the programmatic and submission requirements for the listed programs.

Applicants may only apply under this Notice for awards for new construction, substantial rehabilitation and moderate rehabilitation of site-specific multi-family rental housing Projects that (i) will also have first mortgages financed by tax-exempt Private Activity Bonds (“Bonds”) issued by HFA or HDC or (ii) will receive an award of 9%

tax credits from an HCA other than a component of HCR. Any awards made under this Notice will be contingent on the Project receiving an award of Bond volume cap authority sufficient to fund the Project’s first mortgage or an award of 9% tax credits from an HCA other than a component of HCR.

HCR is making available a variety of financing options and programs through this single, “Open Window” Notice to encourage, in a manner that ensures its quality and affordability, a wide range of affordable housing including new construction, adaptive reuse of non-residential buildings, and preservation of existing housing. The core mission of this funding availability is to provide financing and capital to promote affordable rental housing opportunities for low- to moderate- income residents of New York State. We expect that the resources available through this Notice will largely be paired with tax-exempt bond financing.

The manner in which these financing resources are being deployed provides flexibility for developers and the agencies to consider different potential financing options for projects simultaneously.

HCR will allocate these resources to provide for the market and site-specific needs and opportunities within the diverse communities and neighborhoods across New York State, including urban, suburban and rural areas. Therefore, we encourage a range of project goals that are responsive to the particular needs of a location or population including: coordinated investments that take into account other activities in the community, mixed income and mixed use developments, and integrated, supportive housing to meet the needs of a variety of special populations.

In addition to the creation and preservation of affordable housing, HCR works to promote community and economic development. We encourage coordination with municipalities and other state agencies so that projects are a part of the transformation and revitalization of communities. As a result, the development and preservation of housing can accomplish more than affordable housing.

HCR’s overall priority is to encourage the submission of applications that will support and promote high quality projects that address the needs of individuals, families and seniors, and that may advance one or more of the specific housing priorities of New York State as described in the RFP.

This Notice explains the process by which HCR will accept and evaluate applications requesting these resources. This process is explained in more detail in the RFP. After a determination has been made, unsuccessful Applicants may request an exit conference with HCR staff to review their application.

Prospective Applicants may request technical assistance in preparing an application at any time.

HCR reserves the right to award all, a portion of, or none of the program funds or SLIHC based upon funding availability, readiness, feasibility of the Projects, the Applicant’s ability to meet HCR criteria for funding, and the Applicant’s ability to advance the State’s housing goals. HCR also reserves the right to review applications requesting program funds or SLIHC as applications for funding under other programs for which the Project may be eligible through HCR, and to change or disallow aspects of the applications received. HCR reserves the right to make any such changes as an express condition of its award commitment for the Project.

HCR will seek to award these limited resources so as to promote a statewide geographic distribution of such financing. Therefore, awards

for proposed Projects may be denied in areas of the State that have recently been awarded HCR capital financing, including, but not limited to, financing under HWF or SLIHC. Funding may also be denied to Projects where market studies or other analyses indicate low-income housing saturation.

Applicants requesting all funding except for SLIHC must submit an application fee of \$5,000 to HTFC or HFA. Upon receipt of the application, HCR will invoice the Applicant for this fee. No action on the application will be taken until the fee is received.

Additionally, an Applicant requesting SLIHC financing under this Notice must, upon receipt of an invoice, submit a \$3,000 SLIHC application fee. Payment of all application fees is due at the time of initial application submission. Not-for-profit Applicants for SLIHC may request a deferral of payment until the time of construction mortgage closing.

Pre-application Requirements

Prospective Applicants are required to schedule and coordinate a pre-application meeting with development team members, HCR staff, and representatives of the proposed Bond Issuer. The pre-application meeting will enable HCR and the Bond Issuer to jointly assess Project readiness and determine whether it is appropriate for the Applicant to proceed with submission of an application for any program included in this notice. Should an Applicant submit an application to HCR without previously conducting such a meeting, HCR reserves the right, in its full discretion, to terminate the application without further review.

This Notice provides a summary description of the programs herein and procedures for applying for assistance thereunder. Additional information about these programs, including a fuller version of this Notice in the RFP, applications and additional required forms is available on the HCR website, at: <http://www.nyshcr.org>

For an application, contact: Mr. Jason Pearson, Vice President, Multifamily Initiatives, at the above address or call (212) 872-0470, or e-mail: jason.pearson@nyshcr.org

MISCELLANEOUS NOTICES/HEARINGS

Notice of Abandoned Property Received by the State Comptroller

Pursuant to provisions of the Abandoned Property Law and related laws, the Office of the State Comptroller receives unclaimed monies and other property deemed abandoned. A list of the names and last known addresses of the entitled owners of this abandoned property is maintained by the office in accordance with Section 1401 of the Abandoned Property Law. Interested parties may inquire if they appear on the Abandoned Property Listing by contacting the Office of Unclaimed Funds, Monday through Friday from 8:00 a.m. to 4:30 p.m., at:

1-800-221-9311
or visit our web site at:
www.osc.state.ny.us

Claims for abandoned property must be filed with the New York State Comptroller's Office of Unclaimed Funds as provided in Section 1406 of the Abandoned Property Law. For further information contact: Office of the State Comptroller, Office of Unclaimed Funds, 110 State St., Albany, NY 12236.

NOTICE OF ANNULMENT OF DISSOLUTION OF CERTAIN BUSINESS CORPORATIONS

Under the Provisions of Section 203-a of the Tax Law, As Amended The Secretary of State hereby provides notice that the following corporations, which were duly dissolved in the manner prescribed by Section 203-a of the Tax Law, have complied with the provisions of subdivision (7) of Section 203-a of the Tax Law, annulling all of the proceedings theretofore taken for the dissolution of each such corporation. The appropriate entries have been made on the records of the Department of State.

NOTICE OF PUBLIC HEARING

Susquehanna River Basin Commission

SUMMARY: The Susquehanna River Basin Commission will hold a public hearing on August 4, 2016, in Harrisburg, Pennsylvania. At this public hearing, the Commission will hear testimony on the projects listed in the Supplementary Information section of this notice. The Commission will also hear testimony on a proposal to rescind its Information Technology Services Fee Policy. Such projects and the proposal are intended to be scheduled for Commission action at its next business meeting, tentatively scheduled for September 8, 2016, which will be noticed separately. The public should take note that this public hearing will be the only opportunity to offer oral comment to the Commission for the listed projects and proposal. The deadline for the submission of written comments is August 15, 2016.

DATES: The public hearing will convene on August 4, 2016, at 2:30 p.m. The public hearing will end at 5:00 p.m. or at the conclusion of public testimony, whichever is sooner. The deadline for the submission of written comments is August 15, 2016.

ADDRESSES: The public hearing will be conducted at the Pennsylvania State Capitol, Room 8E-B, East Wing, Commonwealth Avenue, Harrisburg, Pa.

FOR FURTHER INFORMATION CONTACT: Jason Oyler, General Counsel, telephone: (717) 238-0423, ext. 1312; fax: (717) 238-2436.

Information concerning the applications for these projects is available at the SRBC Water Resource Portal at www.srbc.net/wrp. Ad-

ditional supporting documents are available to inspect and copy in accordance with the Commission's Access to Records Policy at www.srbc.net/pubinfo/docs/2009-02_Access_to_Records_Policy_20140115.pdf.

SUPPLEMENTARY INFORMATION: The public hearing will cover a proposed rescission to the Commission's Information Technology Services Fee Policy, as posted on the SRBC Public Participation Center webpage at www.srbc.net/pubinfo/publicparticipation.htm. The public hearing will also cover the following projects:

Projects Scheduled for Action:

1. Project Sponsor and Facility: Bloomfield Borough Water Authority, Centre Township, Perry County, Pa. Application for groundwater withdrawal of up to 0.302 mgd (30-day average) from Well 3.

2. Project Sponsor and Facility: Cabot Oil & Gas Corporation (Susquehanna River), Great Bend Township, Susquehanna County, Pa. Application for renewal of surface water withdrawal of up to 2.000 mgd (peak day) (Docket No. 20120904).

3. Project Sponsor and Facility: Elizabethtown Area Water Authority, Elizabethtown Borough, Lancaster County, Pa. Application for groundwater withdrawal of up to 0.201 mgd (30-day average) from Well 1.

4. Project Sponsor and Facility: Elizabethtown Area Water Authority, Mount Joy Township, Lancaster County, Pa. Application for groundwater withdrawal of up to 0.106 mgd (30-day average) from Well 3.

5. Project Sponsor and Facility: Elizabethtown Area Water Authority, Elizabethtown Borough, Lancaster County, Pa. Application for groundwater withdrawal of up to 0.130 mgd (30-day average) from Well 4.

6. Project Sponsor and Facility: Elizabethtown Area Water Authority, Mount Joy Township, Lancaster County, Pa. Application for groundwater withdrawal of up to 0.187 mgd (30-day average) from Well 8.

7. Project Sponsor and Facility: Elizabethtown Area Water Authority, Mount Joy Township, Lancaster County, Pa. Application for groundwater withdrawal of up to 0.216 mgd (30-day average) from Well 9.

8. Project Sponsor: Exelon Generation Company, LLC. Project Facility: Muddy Run Pumped Storage Project, Drumore and Martic Townships, Lancaster County, Pa. Application for an existing hydroelectric facility.

9. Project Sponsor and Facility: Geisinger Health System, Mahoning Township, Montour County, Pa. Modification to increase consumptive water use by an additional 0.319 mgd (peak day), for a total consumptive water use of up to 0.499 mgd (peak day) (Docket No. 19910103).

10. Project Sponsor and Facility: Gilberton Power Company, West Mahanoy Township, Schuylkill County, Pa. Application for renewal of consumptive water use of up to 1.510 mgd (peak day) (Docket No. 19851202).

11. Project Sponsor and Facility: Gilberton Power Company, West Mahanoy Township, Schuylkill County, Pa. Application for groundwater withdrawal of up to 1.870 mgd (30-day average) from the Gilberton Mine Pool.

12. Project Sponsor and Facility: Manbel Devco I, LP, Manheim Township, Lancaster County, Pa. Application for groundwater withdrawal of up to 4.320 mgd (30-day average) from the Belmont Quarry.

13. Project Sponsor: Pennsylvania American Water Company. Project Facility: Nittany Water System, Walker Township, Centre County, Pa. Application for groundwater withdrawal of up to 0.432 mgd (30-day average) from Nittany Well 1.

14. Project Sponsor and Facility: Republic Services of Pennsylvania, LLC, Windsor and Lower Windsor Townships, York County, Pa. Application for renewal of groundwater withdrawal of up to 0.350 mgd (30-day average) from groundwater remediation wells (Docket No. 19860903).

15. Project Sponsor and Facility: SWN Production Company, LLC, Herrick Township, Bradford County, Pa. Application for groundwater

withdrawal of up to 0.101 mgd (30-day average) from the Fields Supply Well.

16. Project Sponsor and Facility: Talisman Energy USA Inc. (Susquehanna River), Sheshequin Township, Bradford County, Pa. Application for renewal of surface water withdrawal of up to 1.500 mgd (peak day) (Docket No. 20120912).

17. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Chiques Creek), West Hempfield Township, Lancaster County, Pa. Application for surface water withdrawal of up to 2.880 mgd (peak day).

18. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Conestoga River-1), Conestoga Township, Lancaster County, Pa. Application for surface water withdrawal of up to 2.880 mgd (peak day).

19. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Conestoga River-1), Conestoga Township, Lancaster County, Pa. Application for consumptive water use of up to 0.100 mgd (peak day).

20. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Conestoga River-2), Conestoga Township, Lancaster County, Pa. Application for surface water withdrawal of up to 2.592 mgd (peak day).

21. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Conestoga River-2), Conestoga Township, Lancaster County, Pa. Application for consumptive water use of up to 0.100 mgd (peak day).

22. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Deep Creek), Hegins Township, Schuylkill County, Pa. Application for surface water withdrawal of up to 2.880 mgd (peak day).

23. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Fishing Creek), Sugarloaf Township, Columbia County, Pa. Application for surface water withdrawal of up to 2.592 mgd (peak day).

24. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Little Fishing Creek), Mount Pleasant Township, Columbia County, Pa. Application for surface water withdrawal of up to 2.880 mgd (peak day).

25. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Pequea Creek), Martic Township, Lancaster County, Pa. Application for surface water withdrawal of up to 2.880 mgd (peak day).

26. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Roaring Creek), Franklin Township, Columbia County, Pa. Application for surface water withdrawal of up to 2.880 mgd (peak day).

27. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Susquehanna River), Eaton Township, Wyoming County, Pa. Application for surface water withdrawal of up to 2.592 mgd (peak day).

28. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Susquehanna River), Eaton Township, Wyoming County, Pa. Application for consumptive water use of up to 0.100 mgd (peak day).

29. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Susquehanna River-1), Montour Township and Catawissa Borough, Columbia County, Pa. Application for surface water withdrawal of up to 2.880 mgd (peak day).

30. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Susquehanna River-1), Montour Township and Catawissa Borough, Columbia County, Pa. Application for consumptive water use of up to 0.100 mgd (peak day).

31. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Susquehanna River-2), Montour Township, Columbia County, Pa. Application for surface water withdrawal of up to 2.880 mgd (peak day).

32. Project Sponsor and Facility: Transcontinental Gas Pipe Line

Company, LLC. Project: Atlantic Sunrise (Susquehanna River-2), Montour Township, Columbia County, Pa. Application for consumptive water use of up to 0.100 mgd (peak day).

33. Project Sponsor and Facility: Transcontinental Gas Pipe Line Company, LLC. Project: Atlantic Sunrise (Swatara Creek), East Hanover Township, Lebanon County, Pa. Application for surface water withdrawal of up to 2.880 mgd (peak day).

34. Project Sponsor and Facility: Village of Windsor, Broome County, N.Y. Application for groundwater withdrawal of up to 0.380 mgd (30-day average) from Well 2.

35. Project Sponsor and Facility: West Manchester Township Authority, West Manchester Township, York County, Pa. Application for groundwater withdrawal of up to 0.216 mgd (30-day average) from Well 7.

Opportunity to Appear and Comment:

Interested parties may appear at the hearing to offer comments to the Commission on any project or proposal listed above. The presiding officer reserves the right to limit oral statements in the interest of time and to otherwise control the course of the hearing. Rules of conduct will be posted on the Commission's website, www.srbc.net, prior to the hearing for review. The presiding officer reserves the right to modify or supplement such rules at the hearing. Written comments on any project listed above may also be mailed to Mr. Jason Oyler, General Counsel, Susquehanna River Basin Commission, 4423 North Front Street, Harrisburg, Pa. 17110-1788, or submitted electronically through www.srbc.net/pubinfo/publicparticipation.htm. Comments mailed or electronically submitted must be received by the Commission on or before August 15, 2016, to be considered.

AUTHORITY: Pub. L. 91-575, 84 Stat. 1509 et seq., 18 CFR Parts 806, 807, and 808.

Dated: June 30, 2016.

Andrew D. Dehoff

Executive Director.

PUBLIC NOTICE

Town of Big Flats

The Town of Big Flats, NY is soliciting proposals from administrative service agencies relating to trust service, administration and/or funding of a Deferred Compensation Plan for the employees of the Town of Big Flats. They must meet the requirements of Section 457 of the Internal Revenue Code and Section 5 of the State Finance Law, including all rules and regulations issued pursuant thereto.

A copy of the proposal questionnaire may be obtained from: Town of Big Flats, Attn: Merlyn Tiwari, Bookkeeper, 476 Maple St., Big Flats, NY 14814, (607) 562-8443

All proposals must be received no later than thirty (30) from the date of publication in the New York State Register.

PUBLIC NOTICE

Greene County Highway and Solid Waste Department Notice of Draft Request for Proposals and Comment Period For Transportation and Disposal of Solid Waste Greene County, New York

Notice is hereby given that pursuant to General Municipal Law § 120-w, the Greene County Highway and Solid Waste Department is issuing a Draft Request for Proposals (DRFP) for Transportation and Disposal of solid waste from the County's Catskill Transfer Station, beginning January 1, 2017. The Contractor will be required furnish all labor, materials and equipment as detailed in the DRFP.

Copies of the DRFP may be obtained at the office of the Greene County Highway and Solid Waste Department from 9:00 A.M. to 4:00 P.M. beginning July 6, 2016.

Written comments on the DRFP will be received at the office of the Greene County Highway and Solid Waste Department, located at 240 W. Main St., Catskill, NY 12414 until 4:00 P.M. September 6, 2016.

Comments on the DRFP should be submitted in writing and directed

to: Robert J. Van Valkenburg, Superintendent, Greene County Highway and Solid Waste Department, P.O. Box 485, 240 W. Main St., Catskill, NY 12414, rvanvalkenburg@discovergreene.com

PUBLIC NOTICE

New York State and Local Retirement Systems Unclaimed Amounts Payable to Beneficiaries

Pursuant to the Retirement and Social Security Law, the New York State and Local Retirement Systems hereby gives public notice of the amounts payable to beneficiaries.

The State Comptroller, pursuant to Sections 109 (a) and 409 (a) of the Retirement and Social Security Law has received, from the New York State and Local Retirement Systems, a listing of beneficiaries or estates having unclaimed amounts in the Retirement System. A list of the names contained in this notice is on file and open to public inspection at the office of the New York State and Local Retirement Systems located at 110 State St., in the City of Albany, New York.

Set forth below are the names and addresses (last known) of beneficiaries and estates appearing from the records of the New York State and Local Retirement Systems, entitled to the unclaimed benefits.

At the expiration of six months from the date of publication of this list of beneficiaries and estates, unless previously paid to the claimant, the amounts shall be deemed abandoned and placed in the pension accumulation fund to be used for the purpose of said fund.

Any amounts so deemed abandoned and transferred to the pension accumulation fund, may be claimed by the executor or administrator of the estates or beneficiaries so designated to receive such amounts, by filing a claim with the State Comptroller. In the event such claim is properly made, the State Comptroller shall pay over to the estates or to the person or persons making such claim, the amount without interest.

PUBLIC NOTICE

New York State and Local Retirement Systems Unclaimed Amounts Payable to Beneficiaries

Pursuant to the Retirement and Social Security Law, the New York State and Local Retirement Systems hereby gives public notice of the amounts payable to beneficiaries.

The State Comptroller, pursuant to Sections 109 (a) and 409 (a) of the Retirement and Social Security Law has received, from the New York State and Local Retirement Systems, a listing of beneficiaries or estates having unclaimed amounts in the Retirement System. A list of the names contained in this notice is on file and open to public inspection at the office of the New York State and Local Retirement Systems located at 110 State St., in the City of Albany, New York.

Set forth below are the names and addresses (last known) of beneficiaries and estates appearing from the records of the New York State and Local Retirement Systems, entitled to the unclaimed benefits.

At the expiration of six months from the date of publication of this list of beneficiaries and estates, unless previously paid to the claimant, the amounts shall be deemed abandoned and placed in the pension accumulation fund to be used for the purpose of said fund.

Any amounts so deemed abandoned and transferred to the pension accumulation fund, may be claimed by the executor or administrator of the estates or beneficiaries so designated to receive such amounts,

by filing a claim with the State Comptroller. In the event such claim is properly made, the State Comptroller shall pay over to the estates or to the person or persons making such claim, the amount without interest.

PUBLIC NOTICE

**New York State and Local Retirement Systems
 Unclaimed Amounts Payable to Beneficiaries**

Pursuant to the Retirement and Social Security Law, the New York State and Local Retirement Systems hereby gives public notice of the amounts payable to beneficiaries.

The State Comptroller, pursuant to Sections 109 (a) and 409 (a) of the Retirement and Social Security Law has received, from the New York State and Local Retirement Systems, a listing of beneficiaries or estates having unclaimed amounts in the Retirement System. A list of the names contained in this notice is on file and open to public inspection at the office of the New York State and Local Retirement Systems located at 110 State St., in the City of Albany, New York.

Set forth below are the names and addresses (last known) of beneficiaries and estates appearing from the records of the New York State and Local Retirement Systems, entitled to the unclaimed benefits.

At the expiration of six months from the date of publication of this list of beneficiaries and estates, unless previously paid to the claimant, the amounts shall be deemed abandoned and placed in the pension accumulation fund to be used for the purpose of said fund.

Any amounts so deemed abandoned and transferred to the pension accumulation fund, may be claimed by the executor or administrator of the estates or beneficiaries so designated to receive such amounts, by filing a claim with the State Comptroller. In the event such claim is properly made, the State Comptroller shall pay over to the estates or to the person or persons making such claim, the amount without interest.

PUBLIC NOTICE

New York State and Local Retirement System

Pursuant to Retirement and Social Security Law, the New York State and Local Employees' Retirement System hereby gives public notice of the following:

The persons whose names and last known addresses are set forth below appear from records of the above named Retirement System to be entitled to accumulated contributions held by said retirement system whose membership terminated pursuant to Section 517-a of the Retirement and Social Security Law on or before May 31, 2016. This notice is published pursuant to Section 109 of the Retirement and Social Security Law of the State of New York. A list of the names contained in this notice is on file and open to public inspection at the office of the New York State and Local Retirement System located at the 110 State St., in the City of Albany, New York. At the expiration of six months from the date of the publication of this notice. The accumulated contributions of the persons so listed shall be deemed abandoned and shall be placed in the pension accumulation fund to be used for the purpose of said fund. Any accumulated contributions so deemed abandoned and transferred to the pension accumulation fund may be claimed by the persons who made such accumulated contributions or, in the event of his death, by his estate or such person as he shall have nominated to receive such accumulated contributions, by filing a claim with the State Comptroller in such form and in such a manner as may be prescribed by him, seeking the return of such abandoned contributions. In the event such claim is properly made the State Comptroller shall pay over to the person or persons or estate making the claim such amount of such accumulated contributions without interest.

PUBLIC NOTICE

New York State and Local Retirement System

Pursuant to Retirement and Social Security Law, the New York State and Local Employees' Retirement System hereby gives public notice of the following:

The persons whose names and last known addresses are set forth below appear from records of the above named Retirement System to be entitled to accumulated contributions held by said retirement system whose membership terminated pursuant to Section 613 of the Retirement and Social Security Law on or before April 30, 2016. This notice is published pursuant to Section 109 of the Retirement and Social Security Law of the State of New York. A list of the names contained in this notice is on file and open to public inspection at the office of the New York State and Local Retirement System located at the 110 State St., in the City of Albany, New York. At the expiration of six months from the date of the publication of this notice. The accumulated contributions of the persons so listed shall be deemed abandoned and shall be placed in the pension accumulation fund to be used for the purpose of said fund. Any accumulated contributions so deemed abandoned and transferred to the pension accumulation fund may be claimed by the persons who made such accumulated contributions or, in the event of his death, by his estate or such person as he shall have nominated to receive such accumulated contributions, by filing a claim with the State Comptroller in such form and in such a manner as may be prescribed by him, seeking the return of such abandoned contributions. In the event such claim is properly made the State Comptroller shall pay over to the person or persons or estate making the claim such amount of such accumulated contributions without interest.

Involved is the renovations to Strough Middle School small gymnasium and mechanical room fire wall to separate the two spaces. The subject building is located at 801 Laurel Street, City of Rome, Oneida County, State of New York.

EXECUTIVE ORDERS

Executive Order No. 158: Establishing the LGBT Memorial Commission.

WHEREAS, on June 12, 2016, 49 people were murdered in a terrorist attack in Orlando, Florida that specifically targeted the lesbian, gay, bi-sexual, and transgender (LGBT) community, resulting in the loss of innocent lives to senseless gun violence;

WHEREAS, New York continues to mourn the victims of this tragedy and the loss of innocent lives to senseless gun violence;

WHEREAS, the memory of these and other victims must be honored as part of our on-going commitment to advance a compassionate and tolerant society where everyone can live free from prejudice and love whomever they choose;

WHEREAS, New York stands united with the LGBT community and all victims of gun violence and terrorism;

WHEREAS, New York is the proud birthplace of the national movement for fairness, justice, and equal rights for LGBT citizens and continues to be a leader in the pursuit of individual rights and freedoms for all;

WHEREAS, under New York law, the act of intentionally harming a person based on a belief or perception of the person's sexual orientation is classified as a hate crime and subject to increased criminal penalties;

WHEREAS, in addition to enacting hate crimes legislation, New York has advanced and secured essential rights and protections for LGBT New Yorkers including enacting the Marriage Equality Act to allow same-sex couples to marry, adopting regulations affirming that all transgender individuals are protected under the State's Human Rights Law, banning the deplorable practice of conversion therapy, strengthening health care and insurance regulations to protect transgender New Yorkers, and committing programmatic and fiscal resources to end the HIV/AIDS epidemic.

NOW THEREFORE, I, ANDREW M. CUOMO, Governor of the State of New York, by virtue of the authority vested in me by the Constitution and laws of the State of New York, do order as follows:

1. There is hereby established the LGBT Memorial Commission (the Commission). The Commission shall provide recommendations to the Governor pertaining to the site, design, and installation of a memorial in the vicinity of the western portion of Greenwich Village in the City of New York to honor the victims of the June 12, 2016 terrorist attack, and to stand as an international symbol against ignorance, hate, bigotry, and gun violence.

2. The Governor shall appoint ten voting members to the Commission, which shall include individuals with a range of perspectives, interests, and specific knowledge concerning the LGBT community. All members of the Commission shall serve at the pleasure of the Governor.

3. A majority of the total members of the Commission who have been appointed shall constitute a quorum, and all recommendations of the Commission shall require approval of a majority of its total members.

4. Every agency, department, office, division or public authority of this State shall provide to the Commission such information, assistance and cooperation, including use of State facilities, which is reasonably necessary to accomplish the purposes of this Order. Staff support necessary for the conduct of the Commission's work may be furnished by state agencies and authorities (subject, as necessary, to the approval of the board of directors of such authorities).

5. The Commission may draw upon the human resources, expertise and funding of private institutions, as consistent with all laws and regulations regarding such assistance. Such assistance shall be provided without financial remuneration and shall not be provided under any circumstances that would create an actual conflict of interest, or the appearance of such a conflict.

6. The Commission shall commence its work immediately. On or before December 31, 2016, or such other time as may be specified by the Governor, the Commission shall complete its duties and activities described herein and provide its recommendations to the Governor, at which time the Commission shall terminate its work and be relieved of all responsibilities and duties hereunder.

(L.S.)

GIVEN under my hand and the Privy Seal of the State in the City of Albany this twenty-sixth day of June in the year two thousand sixteen.

BY THE GOVERNOR

/S/ Andrew M. Cuomo

/s/ William J. Mulrow

Secretary to the Governor

COURT NOTICES

AMENDMENT OF RULE Rules of the Chief Judge

Pursuant to article VI, § 28(c) of the State Constitution and section 211 of the Judiciary Law, upon consultation with the Administrative Board of the Courts, and with the approval of the Court of Appeals of the State of New York, I hereby amend, effective immediately, sections 24.4(a)(2) and 24.6(k) of the Rules of the Chief Judge by deleting the bracketed material and adding the underlined material and promulgate, effective immediately, new sections 24.4(a)(3) and 24.4(a)(4) of the Rules of the Chief Judge, relating to Time and Leave, to read as follows:

§ 24.4(a)(2) *For non-Family Medical Leave Act (FMLA) approved absences, an [An] employee shall be allowed to charge a maximum of 15 days of sick leave in any one calendar year for absences from work to care for a close family member during a time of illness. For purposes of this section, a close family member shall be the employee's spouse; domestic partner; natural, foster or step child; natural, foster or step parent; or any relative residing with the employee or an individual for whom the employee is the primary caregiver.*

§ 24.4(a)(3) *Notwithstanding the 15 day limit set forth in section 24.4(a)(2), an employee who is approved for caregiver leave pursuant to the FMLA shall be allowed to charge approved FMLA caregiver absences during the FMLA period to accumulated sick leave.*

§ 24.4(a)(4) *During a leave pursuant to the FMLA, employees may charge their leave accruals at the half-time rate.*

§ 24.6(k) *Leaves for medical screening. An employee shall be entitled to leave with pay for breast and prostate cancer screening, and bone marrow screening and donation.*

AMENDMENT OF RULE Rules of the Chief Judge

Pursuant to article VI, § 28(c) of the State Constitution and section 211 of the Judiciary Law, upon consultation with the Administrative Board of the Courts, and with the approval of the Court of Appeals of the State of New York, I hereby repeal, effective immediately, sections 29.2(a), (b), (c), (d) and (e) and section 29.4 of the Rules of the Chief Judge; renumber, effective immediately, sections 29.2(f), (g) and (h) to be sections (a), (b) and (c) of the Rules of the Chief Judge; and amend, effective immediately, sections 29.1(b) and 29.2 of the Rules of the Chief Judge by deleting the bracketed material and adding the underlined material, relating to Electronic Recording and Audio-Visual Coverage in Court Facilities and of Court Proceedings, to read as follows:

Section 29.1 General.

(b) This section shall not apply to

[(1) audio-visual coverage of proceedings in the appellate courts or the trial courts under section 29.2 or 29.3; and

(2)] applications made to the appropriate court for photographing, taping or videotaping by or on behalf of the parties to the litigation and not for public dissemination.

Section 29.2 Appellate courts.

In respect to appellate courts, the Chief Judge hereby authorizes electronic photographic recording of proceedings in such courts, subject to the approval of the respective appellate court. [, and subject to the following conditions.]

[(f)] (a) Conferences of counsel. To protect the attorney-client privilege and effective right to counsel, there shall be no audio pickup or audio broadcast of conferences which occur in a court facility between attorneys and their clients, between co-counsel of a client, or between counsel and the presiding judge held at the bench, without the express consent of all participants in the conference. Nor shall any chambers conference be filmed, recorded or broadcast.

[(g)] (b) Consent not required. Electronic media or print photography coverage of appellate arguments shall not be limited by the objection of counsel or parties, except for good cause shown.

[(h)] (c) Appellate review. An order granting or denying the electronic media [from] access to any proceeding, or affecting other matters arising under these rules and standards, shall not be appealable insofar as it pertains to and arises under these rules and standards except as otherwise provided and authorized by law.

AMENDMENT OF RULE Rules of the Chief Judge

Pursuant to article VI, § 28(c) of the State Constitution and section 211 of the Judiciary Law, upon consultation with the Administrative Board of the Courts, and with the approval of the Court of Appeals of the State of New York, I hereby amend, effective immediately, section 36.2(c)(4)(i) of the Rules of the Chief Judge by deleting the bracketed material and adding the underlined material, relating to Appointments by the Court, to read as follows:

§ 36.2(c) Disqualifications from appointment.

(4)(i) No person who is [the] a chair or executive director, or their equivalent, of a state or county political party (*including any person or persons who, in counties of any size or population, possess or perform any of the titles, powers or duties set forth in Public Officers Law § 73[1][k]*), or the spouse, sibling, parent or child of that official, shall be appointed while that official serves in that position and for a period of two years after that official no longer holds that position. This prohibition shall apply to the members, associates, counsel and employees of any law firms or entities while the official is associated with that firm or entity.

AMENDMENT OF RULE

Uniform Rules for the Supreme and County Courts

Pursuant to the authority vested in me, and with the advice and consent of the Administrative Board of the Courts, I hereby adopt Rule 11-g and Appendix B ("Stipulation and Order for the Production and Exchange of Confidential Information;" attached) of section 202.70(g) of the Uniform Rules for the Supreme and County Courts (Rules of Practice for the Commercial Division), effective July 1, 2016, to read as follows:

Rule 11-g. Proposed Form of Confidentiality Order.

The following procedure shall apply in those parts of the Commercial Division where the justice presiding so elects:

(a) *For all commercial cases that warrant the entry of a confidentiality order, the parties shall submit to the Court for signature the proposed stipulation and order that appears in Appendix B to these Rules of the Commercial Division.*

(b) *In the event the parties wish to deviate from the form set forth in Appendix B, they shall submit to the Court a red-line of the proposed*

changes and a written explanation of why the deviations are warranted in connection with the pending matter.

(c) Nothing in this rule shall preclude a party from seeking any form of relief otherwise permitted under the Civil Practice Law and Rules.

SUPREME COURT OF THE STATE OF
NEW YORK
COUNTY OF _____

.....	x	
_____	:	Index No. ____
	:	STIPULATION AND
Plaintiff,	:	ORDER FOR THE
	:	PRODUCTION AND
- against -	:	EXCHANGE OF
	:	CONFIDENTIAL
_____	:	INFORMATION
	:	
Defendant.	:	
.....	x	

This matter having come before the Court by stipulation of plaintiff, _____, and defendant, _____, (individually "Party" and collectively "Parties") for the entry of a protective order pursuant to CPLR 3103(a), limiting the review, copying, dissemination and filing of confidential and/or proprietary documents and information to be produced by either party and their respective counsel or by any non-party in the course of discovery in this matter to the extent set forth below; and the parties, by, between and among their respective counsel, having stipulated and agreed to the terms set forth herein, and good cause having been shown;

IT IS hereby ORDERED that:

1. This Stipulation is being entered into to facilitate the production, exchange and discovery of documents and information that the Parties and, as appropriate, non-parties, agree merit confidential treatment (hereinafter the "Documents" or "Testimony").

2. Any Party or, as appropriate, non-party, may designate Documents produced, or Testimony given, in connection with this action as "confidential," either by notation on each page of the Document so designated, statement on the record of the deposition, or written advice to the respective undersigned counsel for the Parties hereto, or by other appropriate means.

3. As used herein:

(a) "Confidential Information" shall mean all Documents and Testimony, and all information contained therein, and other information designated as confidential, if such Documents or Testimony contain trade secrets, proprietary business information, competitively sensitive information or other information the disclosure of which would, in the good faith judgment of the Party or, as appropriate, non-party designating the material as confidential, be detrimental to the conduct of that Party's or non-party's business or the business of any of that Party's or non-party's customers or clients.

(b) "Producing Party" shall mean the parties to this action and any non-parties producing "Confidential Information" in connection with depositions, document production or otherwise, or the Party or non-party asserting the confidentiality privilege, as the case may be.

(c) "Receiving Party" shall mean the Parties to this action and/or any non-party receiving "Confidential Information" in connection with depositions, document production, subpoenas or otherwise.

4. The Receiving Party may, at any time, notify the Producing Party that the Receiving Party does not concur in the designation of a document or other material as Confidential Information. If the Producing Party does not agree to declassify such document or material within seven (7) days of the written request, the Receiving Party may move before the Court for an order declassifying those documents or materials. If no such motion is filed, such documents or materials

shall continue to be treated as Confidential Information. If such motion is filed, the documents or other materials shall be deemed Confidential Information unless and until the Court rules otherwise. Notwithstanding anything herein to the contrary, the Producing Party bears the burden of establishing the propriety of its designation of documents or information as Confidential Information.

5. Except with the prior written consent of the Producing Party or by Order of the Court, Confidential Information shall not be furnished, shown or disclosed to any person or entity except to:

(a) personnel of the Parties actually engaged in assisting in the preparation of this action for trial or other proceeding herein and who have been advised of their obligations hereunder;

(b) counsel for the Parties to this action and their associated attorneys, paralegals and other professional and non-professional personnel (including support staff and outside copying services) who are directly assisting such counsel in the preparation of this action for trial or other proceeding herein, are under the supervision or control of such counsel, and who have been advised by such counsel of their obligations hereunder;

(c) expert witnesses or consultants retained by the Parties or their counsel to furnish technical or expert services in connection with this action or to give testimony with respect to the subject matter of this action at the trial of this action or other proceeding herein; provided, however, that such Confidential Information is furnished, shown or disclosed in accordance with paragraph 7 hereof;

(d) the Court and court personnel;

(e) an officer before whom a deposition is taken, including stenographic reporters and any necessary secretarial, clerical or other personnel of such officer;

(f) trial and deposition witnesses, if furnished, shown or disclosed in accordance with paragraphs 9 and 10, respectively, hereof; and

(g) any other person agreed to by the Producing Party.

6. Confidential Information shall be utilized by the Receiving Party and its counsel only for purposes of this litigation and for no other purposes.

7. Before any disclosure of Confidential Information is made to an expert witness or consultant pursuant to paragraph 5(c) hereof, counsel for the Receiving Party making such disclosure shall provide to the expert witness or consultant a copy of this Stipulation and obtain the expert's or consultant's written agreement, in the form of Exhibit A attached hereto, to comply with and be bound by its terms. Counsel for the Receiving Party obtaining the certificate shall supply a copy to counsel for the other Parties at the time designated for expert disclosure, except that any certificate signed by an expert or consultant who is not expected to be called as a witness at trial is not required to be supplied.

8. All depositions shall presumptively be treated as Confidential Information and subject to this Stipulation during the deposition and for a period of fifteen (15) days after a transcript of said deposition is received by counsel for each of the Parties. At or before the end of such fifteen day period, the deposition shall be classified appropriately.

9. Should the need arise for any Party or, as appropriate, non-party, to disclose Confidential Information during any hearing or trial before the Court, including through argument or the presentation of evidence, such Party or, as appropriate, non-party may do so only after taking such steps as the Court, upon motion of the Producing Party, shall deem necessary to preserve the confidentiality of such Confidential Information.

10. This Stipulation shall not preclude counsel for any Party from using during any deposition in this action any Documents or Testimony which has been designated as "Confidential Information" under the terms hereof. Any deposition witness who is given access to Confidential Information shall, prior thereto, be provided with a copy of this Stipulation and shall execute a written agreement, in the form of Exhibit A attached hereto, to comply with and be bound by its terms. Counsel for the Party obtaining the certificate shall supply a copy to counsel for the other Parties and, as appropriate, a non-party that is a Producing Party. In the event that, upon being presented with a copy of the Stipulation, a witness refuses to execute the agreement to be

bound by this Stipulation, the Court shall, upon application, enter an order directing the witness's compliance with the Stipulation.

11. A Party may designate as Confidential Information subject to this Stipulation any document, information, or deposition testimony produced or given by any non-party to this case, or any portion thereof. In the case of Documents, produced by a non-party, designation shall be made by notifying all counsel in writing of those documents which are to be stamped and treated as such at any time up to fifteen (15) days after actual receipt of copies of those documents by counsel for the Party asserting the confidentiality privilege. In the case of deposition Testimony, designation shall be made by notifying all counsel in writing of those portions which are to be stamped or otherwise treated as such at any time up to fifteen (15) days after the transcript is received by counsel for the Party (or, as appropriate, non-party) asserting the confidentiality. Prior to the expiration of such fifteen (15) day period (or until a designation is made by counsel, if such a designation is made in a shorter period of time), all such Documents and Testimony shall be treated as Confidential Information.

In Counties WITH Electronic Filing

12. (a) A Party or, as appropriate, non-party, who seeks to file with the Court (i) any deposition transcripts, exhibits, answers to interrogatories, or other documents which have previously been designated as comprising or containing Confidential Information, or (ii) any pleading, brief or memorandum which reproduces, paraphrases or discloses Confidential Information shall file the document, pleading, brief, or memorandum on the NYSCEF system in redacted form until the Court renders a decision on any motion to seal (the "Redacted Filing"). If the Producing Party fails to move to seal within seven (7) days of the Redacted Filing, the Party (or, as appropriate, non-party) making the filing shall take steps to replace the Redacted Filing with its corresponding unredacted version.

(b) In the event that the Party's (or, as appropriate, non-party's) filing includes Confidential Information produced by a Producing Party that is a non-party, the filing Party shall so notify that Producing Party within twenty four (24) hours after the Redacted Filing by providing the Producing Party with a copy of the Redacted Filing as well as a version of the filing with the relevant Producing Party's Confidential Information unredacted.

(c) If the Producing Party makes a timely motion to seal, and the motion is granted, the filing Party (or, as appropriate, non-party) shall ensure that all documents (or, if directed by the court, portions of documents) that are the subject of the order to seal are filed in accordance with the procedures that govern the filing of sealed documents on the NYSCEF system. If the Producing Party's timely motion to seal is denied, then the Party (or, as appropriate, non-party) making the filing shall take steps to replace the Redacted Filing with its corresponding unredacted version.

(d) Any Party filing a Redacted Filing in accordance with the procedure set forth in this paragraph 12 shall, contemporaneously with or prior to making the Redacted Filing, provide the other Parties and the Court with a complete and unredacted version of the filing.

(e) All pleadings, briefs or memoranda which reproduce, paraphrase or disclose any materials which have previously been designated by a party as comprising or containing Confidential Information shall identify such documents by the production number ascribed to them at the time of production.

In Counties WITHOUT Electronic Filing

13. (a) A Party or, as appropriate, non-party, who seeks to file with the Court any deposition transcripts, exhibits, answers to interrogatories, and other documents which have previously been designated as comprising or containing Confidential Information, or any pleading, brief or memorandum which reproduces, paraphrases or discloses Confidential Information, shall (i) serve upon the other Parties (and, as appropriate, non-parties) a Redacted Filing and a complete and unredacted version of the filing; (ii) file a Redacted Filing with the court; and (iii) transmit the Redacted Filing and a complete unredacted version of the filing to chambers. Within three (3) days thereafter, the Producing Party may file a motion to seal such Confidential Information.

(b) If the Producing Party does not file a motion to seal within the

aforementioned three (3) day period, the Party (or, as appropriate, non-party) that seeks to file the Confidential Information shall take steps to file an unredacted version of the material.

(c) In the event the motion to seal is granted, all (or, if directed by the court, portions of) deposition transcripts, exhibits, answers to interrogatories, and other documents which have previously been designated by a Party (or, as appropriate, non-party) as comprising or containing Confidential Information, and any pleading, brief or memorandum which reproduces, paraphrases or discloses such material, shall be filed in sealed envelopes or other appropriate sealed container on which shall be endorsed the caption of this litigation, the words "CONFIDENTIAL MATERIAL-SUBJECT TO STIPULATION AND ORDER FOR THE PRODUCTION AND EXCHANGE OF CONFIDENTIAL INFORMATION" as well as an indication of the nature of the contents and a statement in substantially the following form:

"This envelope, containing documents which are filed in this case by (name of Party or as appropriate, non-party), is not to be opened nor are the contents thereof to be displayed or revealed other than to the Court, the parties and their counsel of record, except by order of the Court or consent of the parties. Violation hereof may be regarded as contempt of the Court."

In the event the motion to seal is denied, then the Party (or, as appropriate, non-party) making the filing shall take steps to replace the Redacted Filing with its corresponding unredacted version.

(d) In the event that the Party's (or, as appropriate, non-party's) filing includes Confidential Information produced by a Producing Party that is non-party, the Party (or, as appropriate, non-party) making the filing shall so notify the Producing Party within twenty four (24) hours after the Redacted Filing by providing the Producing Party with a copy of the Redacted Filing as well as a version of the filing with the relevant non-party's Confidential Information unredacted.

(e) All pleadings, briefs or memoranda which reproduce, paraphrase or disclose any documents which have previously been designated by a party as comprising or containing Confidential Information shall identify such documents by the production number ascribed to them at the time of production.

14. Any person receiving Confidential Information shall not reveal or discuss such information to or with any person not entitled to receive such information under the terms hereof and shall use reasonable measures to store and maintain the Confidential Information so as to prevent unauthorized disclosure.

15. Any document or information that may contain Confidential Information that has been inadvertently produced without identification as to its "confidential" nature as provided in paragraphs 2 and/or 11 of this Stipulation, may be so designated by the party asserting the confidentiality privilege by written notice to the undersigned counsel for the Receiving Party identifying the document or information as "confidential" within a reasonable time following the discovery that the document or information has been produced without such designation.

16. Extracts and summaries of Confidential Information shall also be treated as confidential in accordance with the provisions of this Stipulation.

17. The production or disclosure of Confidential Information shall in no way constitute a waiver of each Producing Party's right to object to the production or disclosure of other information in this action or in any other action. Nothing in this Stipulation shall operate as an admission by any Party or non-party that any particular document or information is, or is not, confidential. Failure to challenge a Confidential Information designation shall not preclude a subsequent challenge thereto.

18. This Stipulation is entered into without prejudice to the right of any Party or non-party to seek relief from, or modification of, this Stipulation or any provisions thereof by properly noticed motion to the Court or to challenge any designation of confidentiality as inappropriate under the Civil Practice Law and Rules or other applicable law.

19. This Stipulation shall continue to be binding after the conclusion of this litigation except that there shall be no restriction on docu-

ments that are used as exhibits in Court (unless such exhibits were filed under seal); and (b) that a Receiving Party may seek the written permission of the Producing Party or further order of the Court with respect to dissolution or modification of the Stipulation. The provisions of this Stipulation shall, absent prior written consent of the parties, continue to be binding after the conclusion of this action.

20. Nothing herein shall be deemed to waive any privilege recognized by law, or shall be deemed an admission as to the admissibility in evidence of any facts or documents revealed in the course of disclosure.

21. Within sixty (60) days after the final termination of this litigation by settlement or exhaustion of all appeals, all Confidential Information produced or designated and all reproductions thereof shall be returned to the Producing Party or, at the Receiving Party's option, shall be destroyed. In the event that any Receiving Party chooses to destroy physical objects and documents, such Party shall certify in writing within sixty (60) days of the final termination of this litigation that it has undertaken its best efforts to destroy such physical objects and documents, and that such physical objects and documents have been destroyed to the best of its knowledge. Notwithstanding anything to the contrary, counsel of record for the Parties may retain one copy of documents constituting work product, a copy of pleadings, motion papers, discovery responses, deposition transcripts and deposition and trial exhibits. This Stipulation shall not be interpreted in a manner that would violate any applicable rules of professional conduct. Nothing in this Stipulation shall prohibit or interfere with the ability of counsel for any Receiving Party, or of experts specially retained for this case, to represent any individual, corporation or other entity adverse to any Party or non-party or their affiliate(s) in connection with any other matter.

22. If a Receiving Party is called upon to produce Confidential Information in order to comply with a court order, subpoena, or other direction by a court, administrative agency, or legislative body, the Receiving Party from which the Confidential Information is sought shall (a) give written notice by overnight mail and either email or facsimile to the counsel for the Producing Party within five (5) business days of receipt of such order, subpoena, or direction, and (b) give the Producing Party five (5) business days to object to the production of such Confidential Information, if the Producing Party so desires. Notwithstanding the foregoing, nothing in this paragraph shall be construed as requiring any party to this Stipulation to subject itself to any penalties for noncompliance with any court order, subpoena, or other direction by a court, administrative agency, or legislative body.

23. This Stipulation may be changed by further order of this Court, and is without prejudice to the rights of a Party to move for relief from any of its provisions, or to seek or agree to different or additional protection for any particular material or information.

24. This Stipulation may be signed in counterparts, which, when fully executed, shall constitute a single original, and electronic signatures shall be deemed original signatures.

AMENDMENT OF RULE
Uniform Rules of the Trial Courts

Pursuant to the authority vested in me, and with the advice and consent of the Administrative Board of the Courts, I hereby amend 22 NYCRR § 202.70(g) of the Uniform Rules of the Trial Courts (Rules of the Commercial Division of Supreme Court), by adding a new Rule 14-a, relating to procedures governing disclosure conferences conducted by nonjudicial personnel, as follows, effective July 1, 2016.

Rule 14-a. Rulings at Disclosure Conferences. The following procedures shall govern all disclosure conferences conducted by non-judicial personnel.

(a) At the request of any party

(1) prior to the conclusion of the conference, the parties shall prepare a writing setting forth the resolutions reached and submit the writing to the court for approval and signature by the presiding justice; or

(2) prior to the conclusion of the conference, all resolutions shall be dictated into the record, and either the transcript shall be submitted to the court to be "so ordered," or the court shall otherwise enter an order incorporating the resolutions reached.

(b) With respect to telephone conferences, upon request of a party and if the court so directs, the parties shall agree upon and jointly submit to the court within one (1) business day of the telephone conference a stipulated proposed order, memorializing the resolution of their discovery dispute. If the parties are unable to agree upon an appropriate form of proposed order, they shall so advise the court so that the court can direct an alternative course of action.
