State agencies must specify in each notice which proposes a rule the last date on which they will accept public comment. Agencies must always accept public comment: for a minimum of 45 days following publication in the *Register* of a Notice of Proposed Rule Making, or a Notice of Emergency Adoption and Proposed Rule Making; and for 30 days after publication of a Notice of Revised Rule Making, or a Notice of Emergency Adoption and Revised Rule Making in the *Register*. When a public hearing is required by statute, the hearing cannot be held until 45 days after publication of the notice, and comments must be accepted for at least 5 days after the last required hearing. When the public comment period ends on a Saturday, Sunday or legal holiday, agencies must accept comment through the close of business on the next succeeding workday.

For notices published in this issue:

- the 45-day period expires on December 23, 2017
- the 30-day period expires on December 8, 2017

Be a part of the rule making process!

The public is encouraged to comment on any of the proposed rules appearing in this issue. Comments must be made in writing and must be submitted to the agency that is proposing the rule. Address your comments to the agency representative whose name and address are printed in the notice of rule making. No special form is required; a handwritten letter will do. Individuals who access the online *Register* (www.dos.ny.gov) may send public comment via electronic mail to those recipients who provide an e-mail address in Notices of Proposed Rule Making. This includes Proposed, Emergency Proposed, Revised Proposed and Emergency Revised Proposed rule makings.

To be considered, comments should reach the agency before expiration of the public comment period. The law provides for a minimum 45-day public comment period after publication in the *Register* of every Notice of Proposed Rule Making, and a 30-day public comment period for every Notice of Revised Rule Making. If a public hearing is required by statute, public comments are accepted for at least five days after the last such hearing. Agencies are also required to specify in each notice the last date on which they will accept public comment.

When a time frame calculation ends on a Saturday or Sunday, the agency accepts public comment through the following Monday; when calculation ends on a holiday, public comment will be accepted through the following workday. Agencies cannot take action to adopt until the day after expiration of the public comment period.

The Administrative Regulations Review Commission (ARRC) reviews newly proposed regulations to examine issues of compliance with legislative intent, impact on the economy, and impact on affected parties. In addition to sending comments or recommendations to the agency, please do not hesitate to transmit your views to ARRC:

RULE MAKING ACTIVITIES

Each rule making is identified by an I.D. No., which consists of 13 characters. For example, the I.D. No. AAM-01-96-00001-E indicates the following:

AAM -the abbreviation to identify the adopting agency
01 -the *State Register* issue number
96 -the year
00001 -the Department of State number, assigned upon receipt of notice.
E -Emergency Rule Making—permanent action not intended (This character could also be: A for Adoption; P for Proposed Rule Making; RP for Revised Rule Making; EP for a combined Emergency and Proposed Rule Making; EA for an Emergency Rule Making that is permanent and does not expire 90 days after filing.)

EMERGENCY RULE MAKING

START-UP NY Program

I.D. No. EDV-45-17-00003-E

Filing No. 909

Filing Date: 2017-10-23

Effective Date: 2017-10-23

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Addition of Part 220 to Title 5 NYCRR.

Statutory authority: Economic Development Law, art. 21, sections 435-36; L. 2013, ch. 68

Finding of necessity for emergency rule: Preservation of general welfare.

Specific reasons underlying the finding of necessity: On June 24, 2013, Governor Andrew Cuomo signed into law the SUNY Tax-free Areas to Revitalize and Transform UPstate New York (START-UP NY) program, which offers an array of tax benefits to eligible businesses and their employees that locate in facilities affiliated with New York universities and colleges. The START-UP NY program will leverage these tax benefits to attract innovative start-ups and high tech industries to New York so as to create jobs and promote economic development.

Regulatory action is required to implement the START-UP NY program. The legislation creating the START-UP NY program delegated to the Department of Economic Development the establishment of procedures for the implementation and execution of the START-UP NY program.

Without regulatory action by the Department of Economic Development, procedures will not be in place to accept applications from institutions of higher learning desiring to create Tax-Free Areas, or businesses wishing to participate in the START-UP NY program.

Adoption of this rule will enable the State to begin accepting applications from businesses to participate in the START-UP NY program, and represent a step towards the realization of the strategic objectives of the START-UP NY program: attracting and retaining cutting-edge start-up companies, and positioning New York as a global leader in high tech industries.

Subject: START-UP NY Program.

Purpose: Establish procedures for the implementation and execution of START-UP NY.

Substance of emergency rule (Full text is posted at the following State website: <https://startup.ny.gov/university-and-college-resources>): START-UP NY is a new program designed to stimulate economic development and promote employment of New Yorkers through the creation of tax-free areas that bring together educational institutions, innovative companies, and entrepreneurial investment.

1) The regulation defines key terms, including: “business in the formative stage,” “campus,” “competitor,” “high tech business,” “net new job,” “new business,” and “underutilized property.”

2) The regulation establishes that the Commissioner shall review and approve plans from State University of New York (SUNY) colleges, City University of New York (CUNY) colleges, and community colleges seeking designation of Tax-Free NY Areas, and report on important aspects of the START-UP NY program, including eligible space for use as Tax-Free Areas and the number of employees eligible for personal income tax benefits.

3) The regulation creates the START-UP NY Approval Board, composed of three members appointed by the Governor, Speaker of the Assembly and Temporary President of the Senate, respectively. The START-UP NY Approval Board reviews and approves plans for the creation of Tax-Free NY Areas submitted by private universities and colleges, as well as certain plans from SUNY colleges, CUNY colleges, and community colleges, and designates Strategic State Assets affiliated with eligible New York colleges or universities. START-UP NY Approval Board members may designate representatives to act on their behalf during their absence. START-UP NY Approval Board members must remain disinterested, and recuse themselves where appropriate.

4) The regulation establishes eligibility criteria for Tax-Free Areas. Eligibility of vacant land and space varies based on whether it is affiliated with a SUNY college, CUNY college, community college, or private college, and whether the land or space in question is located upstate, downstate, or in New York City. The regulation prohibits any allocation of land or space that would result in the closure or relocation of any program or service associated with a university or college that serves students, faculty, or staff.

5) The regulation establishes eligibility requirements for businesses to participate in the START-UP program, and enumerates excluded industries. To be eligible, a business must: be a new business to the State at the time of its application, subject to exceptions for NYS incubators, businesses restoring previously relocated jobs, and businesses the Commissioner has determined will create net new jobs; comply with applicable worker protection, environmental, and tax laws; align with the academic mission of the sponsoring institution (the Sponsor); demonstrate that it will create net new jobs in its first year of operation; and not be engaged in the same line of business that it conducted at any time within the last five years in New York without the approval of the Commissioner. Businesses locating downstate must be in the formative stages of development, or engaged in a high tech business. To remain eligible, the business must, at a minimum, maintain net new jobs and the average number of jobs that existed with the business immediately before entering the program.

6) The regulation describes the process for approval of Tax-Free Areas.

An eligible institution may submit a plan to the Commissioner identifying land or space to be designated as a Tax-Free Area. This plan must: identify precisely the location of the applicable land or space; describe business activities to be conducted on the land or space; establish that the business activities in question align with the mission of the institution; indicate how the business would generate positive community and economic benefits; summarize the Sponsor's procedures for attracting businesses; include a copy of the institution's conflict of interest guidelines; attest that the proposed Tax-Free Area will not jeopardize or conflict with any existing tax-exempt bonds used to finance the Sponsor; and certify that the Sponsor has not relocated or eliminated programs serving students, faculty, or staff to create the vacant land. Applications by private institutions require approval by both the Commissioner and START-UP NY Approval Board. The START-UP NY Approval Board is to approve applications so as to ensure balance among rural, urban and suburban areas throughout the state.

7) A sponsor applying to create a Tax-Free Area must provide a copy of its plan to the chief executive officer of any municipality in which the proposed Tax-Free Area is located, local economic development entities, the applicable university or college faculty senate, union representatives and the campus student government. Where the plan includes land or space outside of the campus boundaries of the university or college, the institution must consult with the chief executive officer of any municipality in which the proposed Tax-Free Area is to be located, and give preference to underutilized properties identified through this consultation. The Commissioner may enter onto any land or space identified in a plan, or audit any information supporting a plan application, as part of his or her duties in administering the START-UP program.

8) The regulation provides that amendments to approved plans may be made at any time through the same procedures as such plans were originally approved. Amendments that would violate the terms of a lease between a sponsor and a business in a Tax-Free Area will not be approved. Sponsors may amend their plans to reallocate vacant land or space in the case that a business, located in a Tax-Free Area, is disqualified from the program but elects to remain on the property.

9) The regulation describes application and eligibility requirements for businesses to participate in the START-UP program. Businesses are to submit applications to sponsoring universities and colleges by 12/31/20. An applicant must: (1) authorize the Department of Labor (DOL) and Department of Taxation and Finance (DTF) to share the applicant's tax information with the Department of Economic Development (DED); (2) allow DED to monitor the applicant's compliance with the START-UP program and agree to submit an annual report in such form as the Commissioner shall require; (3) provide to DED, upon request, information related to its business organization, tax returns, investment plans, development strategy, and non-competition with any businesses in the community but outside of the Tax-Free Area; (4) certify efforts to ascertain that the business would not compete with another business in the same community but outside the Tax-Free Area, including an affidavit that notice regarding the application was published in a daily publication no fewer than five consecutive days; (5) include a statement of performance benchmarks as to new jobs to be created through the applicant's participation in START-UP; (6) provide a statement of consequences for non-conformance with the performance benchmarks, including proportional recovery of tax benefits when the business fails to meet job creation benchmarks in up to three years of a ten-year plan, and removal from the program for failure to meet job creation benchmarks in at least four years of a ten-year plan; (7) identify information submitted to DED that the business deems confidential, proprietary, or a trade secret. Sponsors forward applications deemed to meet eligibility requirements to the Commissioner for further review. The Commissioner shall reject any application that does not satisfy the START-UP program eligibility requirements or purpose, and provide written notice of the rejection to the Sponsor. The Commissioner may approve an application any time after receipt; if the Commissioner approves the application, the business applicant is deemed accepted into the START-UP NY Program and can locate to the Sponsor's Tax-Free NY Area. Applications not rejected will be deemed accepted after sixty days. The Commissioner is to provide documentation of acceptance to successful applicants.

10) The regulation allows a business to amend a successful application at any time in accordance with the procedure of its original application. No amendment will be approved that would contain terms in conflict with a lease between a business and a SUNY college when the lease was included in the original application.

11) The regulation permits a business that has been rejected from the START-UP program to locate within a Tax-Free Area without being eligible for START-UP program benefits, or to reapply within sixty days via a written request identifying the reasons for rejection and offering verified factual information addressing the reasoning of the rejection. Failure to reapply within sixty days waives the applicant's right to resubmit. Upon receipt of a timely resubmission, the Commissioner may use any re-

sources to assess the claim, and must notify the applicant of his or her determination within sixty days. Disapproval of a reapplication is final and non-appealable.

12) With respect to audits, the regulation requires businesses to provide access to DED, DTF, and DOL to all records relating to facilities located in Tax-Free Areas at a business location within the State during normal business hours. DED, DTF, and DOL are to take reasonable steps to prevent public disclosure of information pursuant to Section 87 of the Public Officers Law where the business has timely informed the appropriate officials, the records in question have been properly identified, and the request is reasonable.

13) The regulation provides for the removal of a business from the program under a variety of circumstances, including violation of New York law, material misrepresentation of facts in its application to the START-UP program, or relocation from a Tax-Free Area. Upon removing a business from the START-UP program, the Commissioner is to notify the business and its Sponsor of the decision in writing. This removal notice provides the basis for the removal decision, the effective removal date, and the means by which the affected business may appeal the removal decision. A business shall be deemed served three days after notice is sent. Following a final decision, or waiver of the right to appeal by the business, DED is to forward a copy of the removal notice to DTF, and the business is not to receive further tax benefits under the START-UP program.

14) To appeal removal from the START-UP program, a business must send written notice of appeal to the Commissioner within thirty days from the mailing of the removal notice. The notice of appeal must contain specific factual information and all legal arguments that form the basis of the appeal. The appeal is to be adjudicated in the first instance by an appeal officer who, in reaching his or her decision, may seek information from outside sources, or require the parties to provide more information. The appeal officer is to prepare a report and make recommendations to the Commissioner. The Commissioner shall render a final decision based upon the appeal officer's report, and provide reasons for any findings of fact or law that conflict with those of the appeal officer.

15) With regard to disclosure authorization, businesses applying to participate in the START-UP program authorize the Commissioner to disclose any information contained in their application, including the projected new jobs to be created.

16) In order to assess business performance under the START-UP program, the Commissioner may require participating businesses to submit annual reports on or before March 15 of each year describing the businesses' continued satisfaction of eligibility requirements, jobs data, an accounting of wages paid to employees in net new jobs, and any other information the Commissioner may require. Information contained in businesses' annual reports may be made public by the Commissioner.

17) The Freedom of Information Law is applicable to the START-UP program, subject to disclosure waivers to protect certain proprietary information submitted in support of an application to the START-UP program.

18) All businesses must keep relevant records throughout their participation in the START-UP program, plus three years. DED has the right to inspect all such documents upon reasonable notice.

19) If the Commissioner determines that a business has acted fraudulently in connection with its participation in the START-UP program, the business shall be immediately terminated from the program, subject to criminal penalties, and liable for taxes that would have been levied against the business during the current year.

20) The regulation requires participating universities and colleges to maintain a conflict of interest policy relevant to issues that may arise during the START-UP program, and to report violations of said policies to the Commissioner for publication.

This notice is intended to serve only as an emergency adoption, to be valid for 90 days or less. This rule expires January 20, 2018.

Regulatory Impact Statement

STATUTORY AUTHORITY:

Chapter 68 of the Laws of 2013 requires the Commissioner of Economic Development to promulgate rules and regulations to establish procedures for the implementation and execution of the SUNY Tax-free Areas to Revitalize and Transform UPstate New York program (START-UP NY). These procedures include, but are not limited to, the application processes for both academic institutions wishing to create Tax-Free NY Areas and businesses wishing to participate in the START-UP NY program, standards for evaluating applications, and any other provisions the Commissioner deems necessary and appropriate.

LEGISLATIVE OBJECTIVES:

The proposed rule is in accord with the public policy objectives the New York State Legislature sought to advance by enacting the START-UP NY program, which provides an incentive to businesses to locate critical high-tech industries in New York State as opposed to other competitive markets in the U.S. and abroad. It is the public policy of the State to establish Tax-Free Areas affiliated with New York universities and colleges, and to afford significant tax benefits to businesses, and the employees of those businesses, that locate within these Tax-Free Areas. The tax benefits are designed to attract and retain innovative start-ups and high-tech industries, and secure for New York the economic activity they generate. The proposed rule helps to further such objectives by establishing the application process for the program, clarifying the nature of eligible businesses and facilities, and describing key provisions of the START-UP NY program.

NEEDS AND BENEFITS:

The emergency rule is necessary in order to implement the statute contained in Article 21 of the Economic Development Law, creating the START-UP NY program. The statute directs the Commissioner of Economic Development to establish procedures for the implementation and execution of the START-UP NY program.

Upstate New York has faced longstanding economic challenges due in part to the departure of major business actors from the region. This divestment from upstate New York has left the economic potential of the region unrealized, and left many upstate New Yorkers unemployed.

START-UP NY will promote economic development and job creation in New York, particularly the upstate region, through tax benefits conditioned on locating business facilities in Tax-Free NY Areas. Attracting start-ups and high-tech industries is critical to restoring the economy of upstate New York, and to positioning the state as a whole to be competitive in a globalized economy. These goals cannot be achieved without first establishing procedures by which to admit businesses into the START-UP NY program.

The proposed regulation establishes procedures and standards for the implementation of the START-UP program, especially rules for the creation of Tax-Free NY Areas, application procedures for the admission of businesses into the program, and eligibility requirements for continued receipt of START-UP NY benefits for admitted businesses. These rules allow for the prompt and efficient commencement of the START-UP NY program, ensure accountability of business participants, and promote the general welfare of New Yorkers.

COSTS:

I. Costs to private regulated parties (the business applicants): None. The proposed regulation will not impose any additional costs to eligible business applicants.

II. Costs to the regulating agency for the implementation and continued administration of the rule: None.

III. Costs to the State government: None.

IV. Costs to local governments: None.

LOCAL GOVERNMENT MANDATES:

The rule establishes certain property tax benefits for businesses locating in Tax-Free NY Areas that may impact local governments. However, as described in the accompanying statement in lieu of a regulatory flexibility analysis for small businesses and local governments, the program is expected to have a net-positive impact on local government.

PAPERWORK:

The rule establishes application and eligibility requirements for Tax-Free NY Areas proposed by universities and colleges, and participating businesses. These regulations establish paperwork burdens that include materials to be submitted as part of applications, documents that must be submitted to maintain eligibility, and information that must be retained for auditing purposes.

DUPLICATION:

The proposed rule will create a new section of the existing regulations of the Commissioner of Economic Development, Part 220 of 5 NYCRR. Accordingly, there is no risk of duplication in the adoption of the proposed rule.

ALTERNATIVES:

No alternatives were considered in regard to creating a new regulation in response to the statutory requirement. The regulation implements the statutory requirements of the START-UP NY program regarding the application process for creation of Tax-Free NY Areas and certification as an eligible business. This action is necessary in order to clarify program participation requirements and is required by the legislation establishing the START-UP NY program.

FEDERAL STANDARDS:

There are no federal standards applicable to the START-UP NY program; it is purely a State program that offers tax benefits to eligible businesses and their employees. Therefore, the proposed rule does not exceed any federal standard.

COMPLIANCE SCHEDULE:

The affected State agency (Department of Economic Development) and the business applicants will be able to achieve compliance with the regulation as soon as it is implemented.

Regulatory Flexibility Analysis

Participation in the START-UP NY program is entirely at the discretion of qualifying business that may choose to locate in Tax-Free NY Areas. Neither statute nor the proposed regulations impose any obligation on any business entity to participate in the program. Rather than impose burdens on small business, the program is designed to provide substantial tax benefits to start-up businesses locating in New York, while providing protections to existing businesses against the threat of tax-privileged start-up companies locating in the same community. Local governments may not be able to collect tax revenues from businesses locating in certain Tax-Free NY Areas. However, the regulation is expected to have a net-positive impact on local governments in light of the substantial economic activity associated with businesses locating their facilities in these communities.

Because it is evident from the nature of the proposed rule that it will have a net-positive impact on small businesses and local government, no further affirmative steps were needed to ascertain that fact and none were taken. Accordingly, a regulatory flexibility analysis for small businesses and local government is not required and one has not been prepared.

Rural Area Flexibility Analysis

The START-UP NY program is open to participation from any business that meets the eligibility requirements, and is organized as a corporation, partnership, limited liability company, or sole proprietorship. A business's decision to locate its facilities in a Tax-Free NY Area associated with a rural university or college would be no impediment to participation; in fact, START-UP NY allocates space for Tax-Free NY Areas specifically to the upstate region which contains many of New York's rural areas. Furthermore, START-UP NY specifically calls for the balanced allocation of space for Tax-Free NY Areas between eligible rural, urban, and suburban areas in the state. Thus, the regulation will not have a substantial adverse economic impact on rural areas, and instead has the potential to generate significant economic activity in upstate rural areas designated as Tax-Free NY Areas. Accordingly, a rural flexibility analysis is not required and one has not been prepared.

Job Impact Statement

The regulation establishes procedures and standards for the administration of the START-UP NY program. START-UP NY creates tax-free areas designed to attract innovative start-ups and high-tech industries to New York so as to stimulate economic activity and create jobs. The regulation will not have a substantial adverse impact on jobs and employment opportunities; rather, the program is focused on creating jobs. Because it is evident from the nature of the rulemaking that it will have either no impact or a positive impact on job and employment opportunities, no further affirmative steps were needed to ascertain that fact and none were taken. Accordingly, a job impact statement is not required and one has not been prepared.

Department of Financial Services

EMERGENCY RULE MAKING

Registration and Financial Responsibility Requirements for Mortgage Loan Servicers

I.D. No. DFS-45-17-00002-E

Filing No. 907

Filing Date: 2017-10-19

Effective Date: 2017-10-19

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Addition of Part 418 and Supervisory Procedures MB109 and MB110 to Title 3 NYCRR.

Statutory authority: Banking Law, art. 12-D

Finding of necessity for emergency rule: Preservation of general welfare.

Specific reasons underlying the finding of necessity: Chapter 472 of the Laws of 2008, which requires mortgage loan servicers to be registered

with the Superintendent of Financial Services (formerly the Superintendent of Banks), went into effect on July 1, 2009. These regulations implement the registration requirement and inform servicers of the details of the registration process so as to permit applicants to prepare, submit and review applications for registrations on a timely basis.

Excluding persons servicing loans made under the Power New York Act from the mortgage loan servicer rules is necessary to facilitate the immediate implementation of such loan program so that the anticipated energy efficiency benefits can be realized without delay.

Subject: Registration and Financial Responsibility Requirements for Mortgage Loan Servicers.

Purpose: To amend art. 12-D of the Banking Law to require that persons or entities which service mortgage loans on residential real property on or after July 1, 2009 be registered with the Superintendent of Financial Services.

Substance of emergency rule (Full text is posted at the following State website: <http://www.dfs.ny.gov/legal/regulations/emergency/banking/emergbanking.htm>): Section 418.1 summarizes the scope and application of Part 418. It notes that Sections 418.2 to 418.11 implement the requirement in Article 12-D of the Banking Law that certain mortgage loan servicers (“servicers”) be registered with the Superintendent of Financial Services (formerly the Superintendent of Banks), while Sections 418.12 and 418.13 set forth financial responsibility requirements that are applicable to both registered and exempt servicers. (Section 418.14 sets forth the transitional rules.)

Section 418.2 implements the provisions in Section 590(2)(b-1) of the Banking Law requiring registration of servicers and exempting mortgage bankers, mortgage brokers, and most banking and insurance companies, as well as their employees. Servicing loans made pursuant to the Power New York Act of 2011 is excluded. The Superintendent is authorized to approve other exemptions.

Section 418.3 contains a number of definitions of terms that are used in Part 418, including “Mortgage Loan”, “Mortgage Loan Servicer”, “Third Party Servicer” and “Exempted Person”.

Section 418.4 describes the requirements for applying for registration as a servicer.

Section 418.5 describes the requirements for a servicer applying to open a branch office.

Section 418.6 covers the fees for application for registration as a servicer, including processing fees for applications and fingerprint processing fees.

Section 418.7 sets forth the findings that the Superintendent must make to register a servicer and the procedures to be followed upon approval of an application for registration. It also sets forth the grounds upon which the Superintendent may refuse to register an applicant and the procedure for giving notice of a denial.

Section 418.8 defines what constitutes a “change of control” of a servicer, sets forth the requirements for prior approval of a change of control, the application procedure for such approval and the standards for approval. The section also requires servicers to notify the Superintendent of changes in their directors or executive officers.

Section 418.9 sets forth the grounds for revocation of a servicer registration and authorizes the Superintendent, for good cause or where there is substantial risk of public harm, to suspend a registration for 30 days without a hearing. The section also provides for suspension of a servicer registration without notice or hearing upon non-payment of the required assessment. The Superintendent can also suspend a registration when a servicer fails to file a required report, when its surety bond is cancelled, or when it is the subject of a bankruptcy filing. If the registrant cures the deficiencies its registration can be reinstated. The section further provides that in all other cases, suspension or revocation of a registration requires notice and a hearing.

The section also covers the right of a registrant to surrender its registration, as well as the effect of revocation, termination, suspension or surrender of a registration on the obligations of the registrant. It provides that registrations will remain in effect until surrendered, revoked, terminated or suspended.

Section 418.10 describes the power of the Superintendent to impose fines and penalties on registered servicers.

Section 418.11 sets forth the requirement that applicants demonstrate five years of servicing experience as well as suitable character and fitness.

Section 418.12 covers the financial responsibility and other requirements that apply to applicants for servicer registration, registered servicers and exempted persons (other than insured depository institutions to which Section 418.13 applies). The financial responsibility requirements include a required net worth (as defined in the section) of at least \$250,000 plus one-quarter percent of total loans serviced or, for a Third Party Servicer, one-quarter of 1 percent of New York loans serviced; (2) a corporate surety bond of at least \$250,000 and (3) a Fidelity and E&O bond in an amount

that is based on the volume of New York mortgage loans serviced, with a minimum of \$300,000.

The Superintendent is empowered to waive, reduce or modify the financial responsibility requirements for certain servicers who service an aggregate amount of loans not exceeding \$4,000,000.

Section 418.13 exempts from the otherwise applicable net worth and surety bond requirements, but not the Fidelity and E&O bond requirements, entities that are subject to the capital requirements applicable to insured depository institutions and that are considered at least adequately capitalized.

Section 418.14 provides a transitional period for registration of mortgage loan servicers. A servicer doing business in this state on June 30, 2009 which files an application for MLS registration by July 31, 2009 will be deemed in compliance with the registration requirement until notified that its application has been denied. A person who is required to register as a servicer solely because of the changes in the provisions of the rule regarding use of third party servicers which became effective on August 23, 2011 and who files an application for registration within 30 days thereafter will not be required to register until six months from the effective date of the amendment or until the application is denied, whichever is earlier.

Section 109.1 defines a number of terms that are used in the Supervisory Procedure.

Section 109.2 contains a general description of the process for registering as a mortgage loan servicer (“servicer”) and contains information about where the necessary forms and instructions may be found.

Section 109.3 lists the documents to be included in an application for servicer registration, including the required fees. It also sets forth the execution and attestation requirements for applications. The section makes clear that the Superintendent of Financial Services (formerly the Superintendent of Banks) can require additional information or an in person conference, and that the applicant can submit additional pertinent information.

Section 109.4 describes the information and documents required to be submitted as part of an application for registration as a servicer. This includes various items of information about the applicant and its regulatory history, if any, information demonstrating compliance with the applicable financial responsibility and experience requirements, information about the organizational structure of the applicant, and other documents, such as fingerprint cards and background reports.

Section 110.1 defines a number of terms that are used in the Supervisory Procedure.

Section 110.2 contains a general description of the process for applying for approval of a change of control of a mortgage loan servicer (“servicer”) and contains information about where the necessary forms and instructions may be found.

Section 110.3 lists the documents to be included in an application for approval of a change of control of a servicer, including the required fees. It sets forth the time within which the Superintendent of Financial Services (formerly the Superintendent of Banks) must approve or disapprove an application. It also sets forth the execution and attestation requirements for applications. The section makes clear that the Superintendent can require additional information or an in person conference, and that the applicant can submit additional pertinent information. Last, the section lists the types of changes in a servicer’s operations resulting from a change of control which should be notified to the Department of Financial Services (formerly the Banking Department).

Section 110.4 describes the information and documents required to be submitted as part of an application for approval of a change of control of servicer. This includes various items of information about the applicant and its regulatory history, if any, information demonstrating continuing compliance with the applicable financial responsibility and experience requirements, information about the organizational structure of the applicant, a description of the acquisition and other documents regarding the applicant, such as fingerprint cards and background reports.

This notice is intended to serve only as a notice of emergency adoption. This agency intends to adopt this emergency rule as a permanent rule and will publish a notice of proposed rule making in the *State Register* at some future date. The emergency rule will expire January 16, 2018.

Regulatory Impact Statement

1. Statutory Authority.

Article 12-D of the Banking Law, as amended by the Legislature in the Subprime Lending Reform Law (Ch. 472, Laws of 2008, hereinafter, the “Subprime Law”), creates a framework for the regulation of mortgage loan servicers. Mortgage loan servicers (MLS) are individuals or entities

which engage in the business of servicing mortgage loans for residential real property located in New York. That legislation also authorizes the adoption of regulations implementing its provisions. (See, e.g., Banking Law Sections 590(2) (b-1) and 595-b.)

Subsection (1) of Section 590 of the Banking Law was amended by the Subprime Law to add the definitions of “mortgage loan servicer” and “servicing mortgage loans”. (Section 590(1)(h) and Section 590(1)(i).)

A new paragraph (b-1) was added to Subdivision (2) of Section 590 of the Banking Law. This new paragraph prohibits a person or entity from engaging in the business of servicing mortgage loans without first being registered with the Superintendent of Financial Services (formerly the Superintendent of Banks). The registration requirements do not apply to an “exempt organization,” licensed mortgage banker or registered mortgage broker.

This new paragraph also authorizes the Superintendent to refuse to register an MLS on the same grounds as he or she may refuse to register a mortgage broker under Banking Law Section 592-a(2).

Subsection (3) of Section 590 was amended by the Subprime Law to clarify the power of the banking board to promulgate rules and regulations and to extend the rulemaking authority regarding regulations for the protection of consumers and regulations to define improper or fraudulent business practices to cover mortgage loan servicers, as well as mortgage bankers, mortgage brokers and exempt organizations. (Note that under Section 89 of Part A of Chapter 62 of the Laws of 2011, the functions and powers of the banking board have been transferred to the Superintendent.)

New Paragraph (d) was added to Subsection (5) of Section 590 by the Subprime Law and requires mortgage loan servicers to engage in the servicing business in conformity with the Banking Law, such rules and regulations as may be prescribed by the Superintendent, and all applicable federal laws, rules and regulations.

New Subsection (1) of Section 595-b was added by the Subprime Law and requires the Superintendent to promulgate regulations and policies governing the grounds to impose a fine or penalty with respect to the activities of a mortgage loan servicer. Also, the Subprime Law amends the penalty provision of Subdivision (1) of Section 598 to apply to mortgage loan servicers as well as to other entities.

New Subdivision (2) of Section 595-b was added by the Subprime Law and authorizes the Superintendent to prescribe regulations relating to disclosure to borrowers of interest rate resets, requirements for providing payoff statements, and governing the timing of crediting of payments made by the borrower.

Section 596 was amended by the Subprime Law to extend the Superintendent’s examination authority over licensees and registrants to cover mortgage loan servicers. The provisions of Banking Law Section 36(10) making examination reports confidential are also extended to cover mortgage loan servicers.

Similarly, the books and records requirements in Section 597 covering licensees, registrants and exempt organizations were amended by the Subprime Law to cover servicers and a provision was added authorizing the Superintendent to require that servicers file annual reports or other regular or special reports.

The power of the Superintendent to require regulated entities to appear and explain apparent violations of law and regulations was extended by the Subprime Law to cover mortgage loan servicers (Subdivision (1) of Section 39), as was the power to order the discontinuance of unauthorized or unsafe practices (Subdivision (2) of Section 39) and to order that accounts be kept in a prescribed manner (Subdivision (5) of Section 39).

Finally, mortgage loan servicers were added to the list of entities subject to the Superintendent’s power to impose monetary penalties for violations of a law, regulation or order. (Paragraph (a) of Subdivision (1) of Section 44).

The fee amounts for MLS registration applications and for MLS branch applications are established in accordance with Banking Law Section 18-a.2. Legislative Objectives.

The Subprime Law is intended to address various problems related to residential mortgage loans in this State. The Subprime Law reflects the view of the Legislature that consumers would be better protected by the supervision of mortgage loan servicing. Even though mortgage loan servicers perform a central function in the mortgage industry, there had previously been no general regulation of servicers by the state or the Federal government.

The Subprime Law requires that entities be registered with the Superintendent in order to engage in the business of servicing mortgage loans in this state. The law further requires mortgage loan servicers to engage in the business of servicing mortgage loans in conformity with the rules and regulations promulgated by the Superintendent.

The mortgage servicing statute has two main components: (i) the first component addresses the registration requirement for persons engaged in the business of servicing mortgage loans; and (ii) the second authorizes the Superintendent to promulgate appropriate rules and regulations for the regulation of servicers in this state.

The regulations implement the first component of the mortgage servicing statute – the registration of mortgage servicers. In doing so, the rule utilizes the authority provided to the Superintendent to set standards for the registration of such entities. For example, the rule requires that a potential loan servicer would have to provide, under Sections 418.11 to 418.13 of the proposed regulations, evidence of their character and fitness to engage in the servicing business and demonstrate to the Superintendent their financial responsibility. The rule also utilizes the authority provided by the Legislature to revoke, suspend or otherwise terminate a registration or to fine or penalize a registered mortgage loan servicer.

Consistent with this requirement, the rule authorizes the Superintendent to refuse to register an applicant if he/she shall find that the applicant lacks the requisite character and fitness, or any person who is a director, officer, partner, agent, employee, substantial stockholder of the applicant has been convicted of certain felonies. These are the same standards as are applicable to mortgage bankers and mortgage brokers in New York. (See Section 418.7.)

Further, in carrying out the Legislature’s mandate to regulate the mortgage servicing business, Section 418.8 sets out certain application requirements for prior approval of a change in control of a registered mortgage loan servicer and notification requirements for changes in the entity’s executive officers and directors. Collectively, these various provisions implement the intent of the Legislature to register and supervise mortgage loan servicers.

The Department has separately adopted emergency regulations dealing with business conduct and consumer protection requirements for MLSs. (3 NYCRR Part 419).

3. Needs and Benefits.

The Subprime Law adopted a multifaceted approach to the lack of supervision of the mortgage loan industry. It affected a variety of areas in the residential mortgage loan industry, including: i. loan originations; ii. loan foreclosures; and iii. the conduct of business by residential mortgage loans servicers.

Previously, the Department of Financial Services (formerly the Banking Department) regulated the brokering and making of mortgage loans, but not the servicing of these mortgage loans. Servicing is vital part of the residential mortgage loan industry; it involves the collection of mortgage payments from borrowers and remittance of the same to owners of mortgage loans; to governmental agencies for taxes; and to insurance companies for insurance premiums. Mortgage servicers also may act as agents for owners of mortgages in negotiations relating to modifications. As “middlemen,” moreover, servicers also play an important role when a property is foreclosed upon. For example, the servicer may typically act on behalf of the owner of the loan in the foreclosure proceeding.

Further, unlike in the case of a mortgage broker or a mortgage lender, borrowers cannot “shop around” for loan servicers, and generally have no input in deciding what company services their loans. The absence of the ability to select a servicer obviously raises concerns over the character and viability of these entities given the central part of they play in the mortgage industry. There also is evidence that some servicers may have provided poor customer service. Specific examples of these activities include: pyramiding late fees; misapplying escrow payments; imposing illegal prepayment penalties; not providing timely and clear information to borrowers; and erroneously force-placing insurance when borrowers already have insurance.

While minimum standards for the business conduct of servicers is the subject of another emergency regulation which has been promulgated by the Department. (3 NYCRR Part 419) Section 418.2 makes it clear that persons exempted by from the registration requirement must notify the Department that they are servicing mortgage loans and must otherwise comply with the regulations.

As noted above, these regulations relate to the first component of the mortgage servicing statute – the registration of mortgage loan servicers. It is intended to ensure that only those persons and entities with adequate financial support and sound character and general fitness will be permitted to register as mortgage loan servicers.

Further, consumers in this state will also benefit under these regulations because in the event there is an allegation that a mortgage servicer is involved in wrongdoing and the Superintendent finds that there is good cause, or that there is a substantial risk of public harm, he or she can suspend such mortgage servicer for 30 days without a hearing. And in other cases, he or she can suspend or revoke such mortgage servicer’s registration after notice and a hearing. Also, the requirement that servicers meet minimum financial standards and have performance and other bonds will act to ensure that consumers are protected.

As noted above, the MLS regulations are divided into two parts. The Department had separately adopted emergency regulations dealing with business conduct and consumer protection requirements for MLSs. (3 NYCRR Part 419).

All Exempt Organizations, mortgage bankers and mortgage brokers

that perform mortgage loan servicing with respect to New York mortgages must notify the Superintendent that they do so, and will be required to comply with the conduct of business and consumer protection rules applicable to MLSs.

Under Section 418.2, a person servicing loans made under the Power New York Act of 2011 will not thereby be considered to be engaging in the business of servicing mortgage loans. Consequently, a person would not be subject to the rules applicable to MLSs by reason of servicing such loans.

4. Costs.

The mortgage business will experience some increased costs as a result of the fees associated with MLS registration. The amount of the application fee for MLS registration and for an MLS branch application is \$3,000.

The amount of the fingerprint fee is set by the State Division of Criminal Justice Services and the processing fees of the National Mortgage Licensing System are set by that body. MLSs will also incur administrative costs associated with preparing applications for registration.

The ability by the Department to regulate mortgage loan servicers is expected to reduce costs associated with responding to consumers' complaints, decrease unnecessary expenses borne by mortgagors, and, through the timely response to consumers' inquiries, should assist in decreasing the number of foreclosures in this state.

The regulations will not result in any fiscal implications to the State. The Department is funded by the regulated financial services industry. Fees charged to the industry will be adjusted periodically to cover Department expenses incurred in carrying out this regulatory responsibility.

5. Local Government Mandates.

None.

6. Paperwork.

An application process has been established for potential mortgage loan servicers to apply for registration electronically through the National Mortgage Licensing System and Registry (NMLSR) - a national system, which currently facilitates the application process for mortgage brokers, bankers and loan originators. Therefore, the application process is virtually paperless; however, a limited number of documents, including fingerprints where necessary, would have to be submitted to the Department in paper form.

The specific procedures that are to be followed in order to apply for registration as a mortgage loan servicer are detailed in Supervisory Procedure MB 109.

7. Duplication.

The regulation does not duplicate, overlap or conflict with any other regulations.

An exemption was created under Section 418.13, from the otherwise applicable net worth and surety bond requirements, for entities that are subject to the capital requirements applicable to insured depository institutions and are considered adequately capitalized.

8. Alternatives.

The purpose of the regulation is to carry out the statutory mandate to register mortgage loan servicers while at the same time avoiding overly complex and restrictive rules that would have imposed unnecessary burdens on the industry. The Department is not aware of any alternative that is available to the instant regulations. The Department also has been cognizant of the possible burdens of this regulation, and it has accordingly concluded that an exemption from the registration requirement for persons or entities that are involved in a de minimis amount of servicing would address the intent of the statute without imposing undue burdens those persons or entities.

The procedure for suspending servicers that violate certain financial responsibility or customer protection requirements, which provides a 90-day period for corrective action, during which there can be an investigation and hearing on the existence of other violations, provides flexibility to the process of enforcing compliance with the statutory requirements.

9. Federal Standards.

Currently, mortgage loan servicers are not required to be registered by any federal agencies. However, although not a registration process, in order for any mortgage loan servicer to service loans on behalf of certain federal instrumentalities such servicers have to demonstrate that they have specific amounts of net worth and have in place Fidelity and E&O bonds.

These regulations exceed those minimum standards, in that, a mortgage loan servicer will now have to demonstrate character and general fitness in order to be registered as a mortgage loan servicer. In light of the important role of a servicer - collecting consumers' money and acting as agents for mortgagees in foreclosure transactions - the Department believes that it is imperative that servicers be required to meet this heightened standard.

10. Compliance Schedule.

The emergency regulations will become effective on September 17, 2012. Similar emergency regulations have been in effect since July 1, 2009.

The Department expects to approve or deny applications within 90 days of the Department's receipt (through NMLSR) of a completed application.

A transitional period is provided for mortgage loan servicers which were doing business in this state on June 30, 2009 and which filed an application for registration by July 31, 2009. Such servicers will be deemed in compliance with the registration requirement until notified by the Superintendent that their application has been denied.

Additionally, the version of Part 418 adopted on an emergency basis effective August 5, 2011 requires holders of mortgage servicing rights to register as mortgage loans servicers even where they have sub-contracted servicing responsibilities to a third-party servicer. Such servicers were given until October 15, 2011 to file an application for registration.

Regulatory Flexibility Analysis

1. Effect of the Rule:

The emergency rule will not have any impact on local governments. It is estimated that there are approximately 120 mortgage loan servicers in the state which are not mortgage bankers, mortgage brokers or exempt organizations, and which are therefore required to register under the Subprime Lending Reform Law (Ch. 472, Laws of 2008) (the "Subprime Law"). Of these, it is estimated that a very few of the remaining entities will be deemed to be small businesses.

2. Compliance Requirements:

The provisions of the Subprime Law relating to mortgage loan servicers has two main components: it requires the registration by the Department of Financial Services (formerly the Banking Department) of servicers who are not mortgage bankers, mortgage brokers or exempt organizations (the "MLS Registration Regulations"), and it authorizes the Department to promulgate rules and regulations that are necessary and appropriate for the protection of consumers, to define improper or fraudulent business practices, or otherwise appropriate for the effective administration of the provisions of the Subprime Law relating to mortgage loan servicers (the "MLS Business Conduct Regulations").

The provisions of the Subprime Law requiring registration of mortgage loan servicers which are not mortgage bankers, mortgage brokers or exempt organizations became effective on July 1, 2009. The emergency MLS Registration Regulations here adopted implement that statutory requirement by providing a procedure whereby MLSs can apply to be registered and standards and procedures for the Department to approve or deny such applications. The emergency regulations also set forth financial responsibility standards applicable to applicants for MLS registration, registered MLSs and servicers which are exempted from the registration requirement.

Additionally, the regulations set forth standards and procedures for Department action on applications for approval of change of control of an MLS. Finally, the emergency regulations set forth standards and procedures for, suspension, revocation, expiration, termination and surrender of MLS registrations, as well as for the imposition of fines and penalties on MLSs.

3. Professional Services:

None.

4. Compliance Costs:

Applicants for mortgage loan servicer registration will incur administrative costs associated with preparing applications for registration. Applicants, registered MLSs and mortgage loan servicers exempted from the registration requirement may incur costs in complying with the financial responsibility regulations. Registration fees of \$3000, plus fees for fingerprint processing and participation in the National Mortgage Licensing System and Registry (NMLS) will be required of non-exempt servicers.

5. Economic and Technological Feasibility:

The emergency rule-making should impose no adverse economic or technological burden on mortgage loan servicers who are small businesses. The NMLS is now available. This technology will benefit registrants by saving time and paperwork in submitting applications, and will assist the Department by enabling immediate tracking, monitoring and searching of registration information; thereby protecting consumers.

6. Minimizing Adverse Impacts:

The regulations minimize the costs and burdens of the registration process by utilizing the internet-based NMLS, developed by the Conference of State Bank Supervisors and the American Association of Residential Mortgage Regulators. This system uses an on-line application form for servicer registration. A common form will be accepted by New York and the other participating states.

As noted above, most servicers are not small businesses. As regards servicers that are small businesses and not otherwise exempted, the regulations give the Superintendent of Financial Services (formerly the Superintendent of Banks) the authority to reduce, waive or modify the financial responsibility requirements for entities that do a de minimis amount of servicing.

7. Small Business and Local Government Participation:

Industry representatives have participated in outreach programs regarding regulation of servicers. The Department also maintains continuous

contact with large segments of the servicing industry though its regulation of mortgage bankers and brokers. The Department likewise maintains close contact with a variety of consumer groups through its community outreach programs and foreclosure mitigation programs. In response to comments received regarding earlier versions of this regulation, the Department has modified the financial responsibility requirements. The revised requirements should generally be less burdensome for mortgage loan servicers, particularly smaller servicers and those located in rural areas.

Rural Area Flexibility Analysis

Types and Estimated Numbers:

Approximately 70 mortgage loan servicers have been registered by the Department of Financial Services or have applied for registration. Very few of these entities operate in rural areas of New York State and of those, most are individuals that do a de minimis business. As discussed below, the Superintendent can modify the requirements of the regulation in such cases.

Compliance Requirements:

Mortgage loan servicers in rural areas which are not mortgage bankers, mortgage brokers or exempt organizations must be registered with the Superintendent to engage in the business of mortgage loan servicing. An application process will be established requiring a MLS to apply for registration electronically and to submit additional background information and fingerprints to the Mortgage Banking unit of the Department.

MLSs are required to meet certain financial responsibility requirements based on their level of business. The regulations authorize the Superintendent of Financial Services (formerly the Superintendent of Banks) to reduce or waive the otherwise applicable financial responsibility requirements in the case of MLSs which service not more than \$4,000,000 in aggregate mortgage loans in New York and which do not collect tax or insurance payments. The Superintendent is also authorized to reduce or waive the financial responsibility requirements in other cases for good cause. The Department believes that this will ameliorate any burden which those requirements might otherwise impose on entities operating in rural areas.

Costs:

The mortgage business will experience some increased costs as a result of the fees associated with MLS registration. The application fee for MLS registration will be \$3,000. The amount of the fingerprint fee is set by the State Division of Criminal Justice Services and the processing fees of the National Mortgage Licensing System and Registry (“NMLSR”) are set by that body. Applicants for mortgage loan servicer registration will also incur administrative costs associated with preparing applications for registration.

Applicants, registered MLSs and mortgage loan servicers exempted from the registration requirement may incur costs in complying with the financial responsibility regulations.

Minimizing Adverse Impacts:

The regulations minimize the costs and burdens of the registration process by utilizing the internet-based NMLSR, developed by the Conference of State Bank Supervisors and the American Association of Residential Mortgage Regulators. This system uses an on-line application form for servicer registration. A common form will be accepted by New York and the other participating states.

Of the servicers which operate in rural areas, it is believed that most are mortgage bankers, mortgage brokers or exempt organizations.

Additionally, in the case of servicers that operate in rural areas and are not otherwise exempted, the Superintendent has the authority to reduce, waive or modify the financial responsibility requirements for individuals that do a de minimis amount of servicing.

Rural Area Participation:

Industry representatives have participated in outreach programs regarding regulation of servicers. The Department also maintains continuous contact with large segments of the servicing industry though its regulation of mortgage bankers and brokers. The Department likewise maintains close contact with a variety of consumer groups through its community outreach programs and foreclosure mitigation programs. In response to comments received regarding earlier versions of this regulation, the Department has modified the financial responsibility requirements. The revised requirements should generally be less burdensome for mortgage loan servicers, particularly smaller servicers and those located in rural areas.

Job Impact Statement

Article 12-D of the Banking Law, as amended by the Subprime Lending Reform Law (Ch. 472, Laws of 2008), requires persons and entities which engage in the business of servicing mortgage loans to be registered with the Superintendent of Financial Services (formerly the Superintendent of Banks). This emergency regulation sets forth the application, exemption and approval procedures for registration as a Mortgage Loan servicer (MLS), as well as financial responsibility requirements for ap-

plicants, registrants and exempted persons. The regulation also establishes requirements with respect to changes of officers, directors and/or control of MLSs and provisions with respect to suspension, revocation, termination, expiration and surrender of MLS registrations.

The requirement to comply with the emergency regulations is not expected to have a significant adverse effect on jobs or employment activities within the mortgage loan servicing industry. Many of the larger entities engaged in the mortgage loan servicing business are already subject to oversight by the Department of Financial Services (formerly the Banking Department) and exempt from the new registration requirement. Additionally, the regulations give the Superintendent the authority to reduce, waive or modify the financial responsibility requirements for entities that do a de minimis amount of servicing.

The registration process itself should not have an adverse effect on employment. The regulations require the use of the internet-based National Mortgage Licensing System and Registry, developed by the Conference of State Bank Supervisors and the American Association of Residential Mortgage Regulators. This system uses a common on-line application for servicer registration in New York and other participating states. It is believed that any remaining adverse impact would be due primarily to the nature and purpose of the statutory registration requirement rather than the provisions of the emergency regulations.

Higher Education Services Corporation

EMERGENCY RULE MAKING

New York State Masters-in-Education Teacher Incentive Scholarship Program

I.D. No. ESC-45-17-00001-E

Filing No. 906

Filing Date: 2017-10-18

Effective Date: 2017-10-18

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Addition of section 2201.17 to Title 8 NYCRR.

Statutory authority: Education Law, sections 653, 655 and 669-f

Finding of necessity for emergency rule: Preservation of general welfare.

Specific reasons underlying the finding of necessity: This statement is being submitted pursuant to subdivision (6) of section 202 of the State Administrative Procedure Act and in support of the New York State Higher Education Services Corporation’s (“HESC”) Emergency Rule Making seeking to add a new section 2201.17 to Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York.

This regulation implements a statutory student financial aid program providing for awards to be made to students beginning with the fall 2016 term, which generally starts in August. Emergency adoption is necessary to avoid an adverse impact on the processing of awards to eligible scholarship applicants. The statute provides for tuition benefits to college-going students attending a New York State public institution of higher education who pursue a graduate program of study in an education program leading to a career as a teacher in public elementary or secondary education. Decisions on applications for this Program are made prior to the beginning of the term. Therefore, it is critical that the terms of the program as provided in the regulation be effective immediately so that students can make informed choices and in order for HESC to process scholarship applications in a timely manner. To accomplish this mandate, the statute further provides for HESC to promulgate emergency regulations to implement the program. For these reasons, compliance with section 202(1) of the State Administrative Procedure Act would be contrary to the public interest.

Subject: New York State Masters-in-Education Teacher Incentive Scholarship Program.

Purpose: To implement the New York State Masters-in-Education Teacher Incentive Scholarship Program.

Text of emergency rule: New section 2201.17 is added to Title 8 of the New York Code, Rules and Regulations to read as follows:

Section 2201.17 New York State Masters-in-Education Teacher Incentive Scholarship Program.

(a) *Definitions.* As used in section 669-f of the Education Law and this section, the following terms shall have the following meanings:

(1) *Academic excellence* shall mean the attainment of a cumulative grade point average of 3.5 or higher upon completion of an undergraduate program of study from a college or university located within New York State.

(2) *Approved master's degree in education program* shall mean a program registered at a New York State public institution of higher education pursuant to Part 52 of the Regulations of the Commissioner of Education.

(3) *Award* shall mean a New York State Masters-in-Education Teacher Incentive Scholarship Program award pursuant to section 669-f of the New York State education law.

(4) *Classroom instruction* shall mean elementary and secondary education instruction, as required by the New York State Education Department, including enrichment and supplemental instruction that may be offered to a subset of students. Classroom instruction shall not include support services, such as counseling, speech therapy or occupational therapy services.

(5) *Elementary and secondary education* shall mean pre-kindergarten through grade 12 in a public school recognized by the board of regents or the university of the state of New York, including charter schools authorized pursuant to article fifty-six of the education law.

(6) *Full-time study* shall mean the number of credits required by the institution in each term of the approved master's degree in education program. A recipient may complete fewer credits than required for full-time study if he or she is in their last term and fewer credit hours are necessary to complete their degree program. In this case, the award amount shall be based on the tuition reported by the institution.

(7) *Initial certification* shall mean any certification issued pursuant to part 80 of this title which allows the recipient to teach in a classroom setting on a full-time basis.

(8) *Interruption in graduate study or employment* shall mean an allowable temporary period of leave for a definitive length of time due to circumstances approved by the corporation, including, but not limited to, maternity/paternity leave, death of a family member, or military duty.

(9) *Program* shall mean the New York State Masters-in-Education Teacher Incentive Scholarship Program codified in section 669-f of the education law.

(10) *Public institution of higher education* shall mean the state university of New York, as defined in subdivision 3 of section 352 of the education law, or the city university of New York as defined in subdivision 2 of section 6202 of the education law.

(11) *Rank* shall mean an applicant's position, relative to all other applicants, based on cumulative grade point average upon completion of an undergraduate program of study from a college or university located within New York State.

(12) *School year* shall mean the period commencing on the first day of July in each year and ending on the thirtieth day of June next following.

(13) *Successful completion of a term* shall mean that at the end of any academic term, the recipient: (i) met the eligibility requirements for the award pursuant to sections 661 and 669-f of the Education Law; (ii) maintained full-time status as defined in this section; and (iii) possessed a cumulative grade point average of 3.5 or higher as of the date of the certification by the institution.

(14) *Teach in a classroom setting on a full-time basis* shall mean continuous employment providing classroom instruction in a public elementary or secondary school, including charter schools, Boards of Co-operative Educational Services (BOCES) and public pre-kindergarten programs, located within New York State, for at least 10 continuous months, each school year, for a number of hours to be determined by the labor contract between the teacher and employer, or if none of the above apply, the chief administrator of the school.

(b) *Eligibility.* An applicant must satisfy the eligibility requirements contained in both sections 669-f and 661 of the education law, provided however that an applicant for this Program must meet the good academic standing requirements contained in section 669-f of the education law.

(c) *Priorities.* If there are more applicants than available funds, the following provisions shall apply:

(1) *First priority* shall be given to applicants who have received payment of an award pursuant to section 669-f of the education law for the academic year immediately preceding the academic year for which payment is sought and have successfully completed the academic term for which payment is sought. *First priority* shall include applicants who received payment of an award pursuant to section 669-f of the education law, were subsequently granted an interruption in graduate study by the corporation for the academic year immediately preceding the academic year for which payment is sought and have successfully completed the academic term for which payment is sought. If there are more applicants than available funds, recipients shall be chosen by lottery.

(2) *Second priority* shall be given to up to five hundred new applicants, within the remaining funds available for the Program, if any. If there are more applicants than available funds, recipients shall be chosen by rank, starting at the applicant with the highest cumulative grade point average beginning in the 2016-17 academic year. In the event of a tie, distribution of any remaining funds shall be done by lottery.

(d) *Administration.*

(1) Applicants for an award shall apply for program eligibility at such times, on forms and in a manner prescribed by the corporation. The corporation may require applicants to provide additional documentation evidencing eligibility.

(2) Recipients of an award shall:

(i) execute a service contract prescribed by the corporation;

(ii) request payment at such times, on forms and in a manner specified by the corporation;

(iii) receive such awards for not more than four academic terms, or its equivalent, of full-time graduate study leading to certification as a public elementary or secondary classroom teacher, including charter schools, excluding any allowable interruption of study;

(iv) facilitate the submission of information from their employer attesting to the recipient's job title, the full-time work status of the recipient, and any other information necessary for the corporation to determine compliance with the program's employment requirements on forms and in a manner prescribed by the corporation; and

(v) provide any other information necessary for the corporation to determine compliance with the program's requirements.

(e) *Amounts.*

(1) The amount of the award shall be determined in accordance with section 669-f of the education law.

(2) Disbursements shall be made each term to institutions, on behalf of recipients, within a reasonable time upon successful completion of the term subject to the verification and certification by the institution of the recipient's grade point average and other eligibility requirements.

(3) Awards shall be reduced by the value of other educational grants and scholarships limited to tuition, as authorized by section 669-f of the education law.

(f) *Failure to comply.*

(1) All award monies received shall be converted to a 10-year student loan plus interest for recipients who fail to meet the statutory, regulatory, contractual, administrative or other requirement of this program.

(2) The interest rate for the life of the loan shall be fixed and equal to that published annually by the U.S. Department of Education for undergraduate unsubsidized Stafford loans at the time the recipient signed the service contract with the corporation.

(3) Interest shall begin to accrue on the day each award payment is disbursed to the institution.

(4) Interest shall be capitalized on the day the award recipient violates any term of the service contract or the date the corporation deems the recipient was no longer able or willing to perform the terms of the service contract. Interest on this capitalized amount shall continue to accrue and be calculated using simple interest until the amount is paid in full.

(5) Where a recipient has demonstrated extreme hardship as a result of a disability, labor market conditions, or other such circumstances, the corporation may, in its discretion, postpone converting the award to a student loan, temporarily suspend repayment of the amount owed, prorate the amount owed commensurate with service completed, discharge the amount owed, or take such other appropriate action.

This notice is intended to serve only as a notice of emergency adoption. This agency intends to adopt this emergency rule as a permanent rule and will publish a notice of proposed rule making in the *State Register* at some future date. The emergency rule will expire January 15, 2018.

Regulatory Impact Statement

Statutory authority:

The New York State Higher Education Services Corporation's ("HESC") statutory authority to promulgate regulations and administer the New York State Masters-in-Education Teacher Incentive Scholarship Program ("Program") is codified within Article 14 of the Education Law. In particular, Subpart A of Chapter 56 of the Laws of 2015 created the Program by adding a new section 669-f to the Education Law. Subdivision 6 of section 669-f of the Education Law authorizes HESC to promulgate emergency regulations for the purpose of administering this Program.

Pursuant to Education Law § 652(2), HESC was established for the purpose of improving the post-secondary educational opportunities of eligible students through the centralized administration of New York State financial aid programs and coordinating the State's administrative effort in student financial aid programs with those of other levels of government.

In addition, Education Law § 653(9) empowers HESC's Board of Trustees to perform such other acts as may be necessary or appropriate to carry out the objectives and purposes of the corporation including the promulgation of rules and regulations.

HESC's President is authorized, under Education Law § 655(4), to propose rules and regulations, subject to approval by the Board of Trustees, governing, among other things, the application for and the granting and administration of student aid and loan programs, the repayment of loans or the guarantee of loans made by HESC; and administrative functions in support of state student aid programs. Also, consistent with Education Law § 655(9), HESC's President is authorized to receive assistance from any Division, Department or Agency of the State in order to properly carry out his or her powers, duties and functions. Finally, Education Law § 655(12) provides HESC's President with the authority to perform such other acts as may be necessary or appropriate to carry out effectively the general objects and purposes of HESC.

Legislative objectives:

The Education Law was amended to add a new section 669-f to create the "New York State Masters-in-Education Teacher Incentive Scholarship Program" (Program). The objective of this Program is to incent New York's highest-achieving undergraduate students to pursue teaching as a profession.

Needs and benefits:

According to a recent Wall Street Journal article, many experts call teacher quality the most important school-based factor affecting learning. Studies underscore the impact of highly effective teachers and the need to put them in classrooms with struggling students to help them catch up. To improve teacher quality, New York State has significantly raised the bar by modifying the three required exams and adding the Educative Teacher Performance Assessment, known as edTPA, as part of the licensing requirement for all teachers. To supplement this effort, this Program aims to incentivize top undergraduate students to pursue their master's degree in New York State and teach in public elementary and secondary schools (including charter schools) across the State.

The Program provides for annual tuition awards to students enrolled full-time, at a New York State public institution of higher education, in a master's degree in education program leading to a career as a classroom teacher in elementary or secondary education. Eligible recipients may receive annual awards for not more than two academic years of full-time graduate study. The maximum amount of the award is equal to the annual tuition charged to New York State resident students attending a graduate program full-time at the State University of New York (SUNY). Payments will be made directly to schools on behalf of students upon certification of their successful completion of the academic term.

Students receiving a New York State Masters-in-Education Teacher Incentive Scholarship Program award must sign a service agreement and agree to teach in the classroom at a New York State public elementary or secondary school, which includes charter schools, for five years following completion of their master's degree. Recipients who do not fulfill their service obligation will have the value of their awards converted to a student loan and be responsible for interest.

Costs:

a. There are no application fees, processing fees, or other costs to the applicants of this Program.

b. It is anticipated that there will be no costs to the agency for the implementation of, or continuing compliance with this rule.

c. The maximum cost of the Program to the State is \$1.5 million in the first year, based upon budget estimates.

d. It is anticipated that there will be no costs to Local Governments for the implementation of, or continuing compliance with, this rule.

e. The source of the cost data in (c) above is derived from the New York State Division of the Budget.

Local government mandates:

No program, service, duty or responsibility will be imposed by this rule upon any county, city, town, village, school district, fire district or other special district.

Paperwork:

This proposal will require applicants to file an electronic application, together with supporting documentation, for eligibility. Each year recipients will file an electronic request for payment together with supporting documentation for up to two years of award payments. Recipients are required to sign a contract for services in exchange for an award. Recipients must submit annual status reports until a final disposition is reached in accordance with the written contract.

Duplication:

No relevant rules or other relevant requirements duplicating, overlapping, or conflicting with this rule were identified.

Alternatives:

The proposed regulation is the result of HESC's outreach efforts to the State Education Department, the State University of New York and the

City University of New York with regard to this Program. Several alternatives were considered in the drafting of this regulation. For example, several alternatives were considered in defining terms used in the regulation as well as the administration of the Program. Given the statutory language as set forth in section 679-g of the Education Law, a "no action" alternative was not an option.

Federal standards:

This proposal does not exceed any minimum standards of the Federal Government and efforts were made to align it with similar federal subject areas as evidenced by the adoption of the federal undergraduate unsubsidized Stafford loan rate in the event that the award is converted to a student loan.

Compliance schedule:

The agency will be able to comply with the regulation immediately upon its adoption.

Regulatory Flexibility Analysis

This statement is being submitted pursuant to subdivision (3) of section 202-b of the State Administrative Procedure Act and in support of the New York State Higher Education Services Corporation's ("HESC") Emergency Rule Making, seeking to add a new section 2201.17 to Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York.

It is apparent from the nature and purpose of this rule that it will not impose an adverse economic impact on small businesses or local governments. HESC finds that this rule will not impose any compliance requirement or adverse economic impact on small businesses or local governments. Rather, it has potential positive economic impacts inasmuch as it implements a statutory student financial aid program that provides tuition benefits to students attending a New York State public institution of higher education who pursue their master's degree in an education program leading to a career as a teacher in public elementary or secondary education. Students will be rewarded for remaining and working in New York, which will provide an economic benefit to the State's small businesses and local governments as well.

Rural Area Flexibility Analysis

This statement is being submitted pursuant to subdivision (4) of section 202-bb of the State Administrative Procedure Act and in support of the New York State Higher Education Services Corporation's Emergency Rule Making, seeking to add a new section 2201.17 to Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York.

It is apparent from the nature and purpose of this rule that it will not impose an adverse impact on rural areas. Rather, it has potential positive impacts inasmuch as it implements a statutory student financial aid program that provides tuition benefits to students attending a New York State public institution of higher education who pursue their master's degree in an education program leading to a career as a teacher in public elementary or secondary education. Students will be rewarded for remaining and working in New York, which benefits rural areas around the State as well.

This agency finds that this rule will not impose any reporting, record keeping or other compliance requirements on public or private entities in rural areas.

Job Impact Statement

This statement is being submitted pursuant to subdivision (2) of section 201-a of the State Administrative Procedure Act and in support of the New York State Higher Education Services Corporation's Emergency Rule Making seeking to add a new section 2201.17 to Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York.

It is apparent from the nature and purpose of this rule that it will not have any negative impact on jobs or employment opportunities. Rather, it has potential positive economic impacts inasmuch as it implements a statutory student financial aid program that provides tuition benefits to students attending a New York State public institution of higher education who pursue their master's degree in an education program leading to a career as a teacher in public elementary or secondary education. Students will be rewarded for remaining and working in New York, which will benefit the State as well.

Petition for a Waiver of the Prohibition on Service to Low-Income Customers by ESCOs

I.D. No. PSC-14-17-00013-A

Filing Date: 2017-10-20

Effective Date: 2017-10-20

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: On 10/19/17, the PSC adopted an order denying Agway Energy Services, LLC's (Agway) petition for a waiver of the prohibition on service to low-income customers by energy service companies (ESCOs).

Statutory authority: Public Service Law, sections 5(1)(b), 65(1), (2), (3), 66(1), (2), (3), (5) and (8)

Subject: Petition for a waiver of the prohibition on service to low-income customers by ESCOs.

Purpose: To deny Agway's petition for a waiver of the prohibition on service to low-income customers by ESCOs.

Substance of final rule: The Commission, on October 19, 2017, adopted an order denying Agway Energy Services, LLC's (Agway) petition for a waiver of the Order Adopting a Prohibition on Service to Low-Income Customers by Energy Service Companies (ESCO), issued December 16, 2016 (December Order). Electric and gas distribution utilities that have tariffed provisions providing for retail access and which have Agway operating in their service territory are directed to, within 10 days of the effective date of this Order, place a block on all assistance program participant accounts served by Agway, preventing those accounts from being enrolled with an energy service company in the future. The same electric and gas distribution utilities identified in Ordering Clause 2 are directed to, within 10 days of the effective date of this Order, communicate to Agway which accounts the ESCO is no longer eligible to serve. The same electric and gas distribution utilities identified in Ordering Clause 2 shall, on a rolling basis, communicate to Agway an updated list of ineligible accounts. Agway, within 30 days of receiving the communication from the

electric and gas distribution utilities pursuant to Ordering Clause 3 and 4, shall de-enroll any customer accounts identified by the electric and gas distribution utilities, provided that existing contracts will continue to their expiration, subject to the terms and conditions set forth in the order.

Final rule as compared with last published rule: No changes.

NOTICE OF ADOPTION**Appointment of Temporary Operator of Gas Facilities**

I.D. No. PSC-34-17-00010-A

Filing Date: 2017-10-23

Effective Date: 2017-10-23

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: On 10/19/17, the PSC adopted an order approving Reserve Gas Company, Inc.'s (Reserve) petition to be appointed temporary operator of multiple gas facilities and to charge a temporary monthly surcharge.

Statutory authority: Public Service Law, sections 65, 66 and 112-a

Subject: Appointment of temporary operator of gas facilities.

Purpose: To approve Reserve's petition to be appointed temporary operator of multiple gas facilities.

Substance of final rule: The Commission, on October 19, 2017, adopted an order approving Reserve Gas Company, Inc.'s (Reserve) petition to be appointed as temporary operator of all the gas facilities owned and/or operated by Michael Schlegel, Christa Schlegel, Northern Gas Well Operators, Inc., New York Gas & Oil Company, Inc., and/or 1st Medina Gas Properties, LLC (NGO/Schlegels) that are necessary to serve customers on Sullivan Road and associated areas in Erie County, New York and Wyoming County, New York. Reserve is also authorized to file tariffs to charge a temporary monthly surcharge of \$15 for customers in the Town of Alden, New York, and any new customers using the gas facilities abandoned by NGO/Schlegels on not less than one day's notice to become effective December 1, 2017. NGO/Schlegels are ordered to provide Reserve and the Department of Public Service, within 15 days of the date of this Order, full and unfettered access to all property, books, and records, including financial records, contracts, and easements, necessary for the operations and management of the gas system they have abandoned. Reserve is directed to, within 10 days of the date of this order, contact Department of Public Service Staff (Department) to commence weekly odorization testing for the Sullivan Road customers. Such testing shall continue for six months or until the Department agrees that a baseline showing has been established, that any natural odorant, with the addition of the new pipeline and wells, is adequate to meet the odorization requirements in 16 NYCRR § 255.625, which may or may not include added odorant. Thereafter, Reserve's public awareness plan, shall be submitted to the Department of Public Service, including the modifications, subject to the terms and conditions set forth in the order.

I.D. No. PSC-45-17-00008-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering a proposal filed by SUEZ Water Owego-Nichols Inc. (SUEZ O-N) to make various changes in the rates, charges, rules and regulations contained in its Schedule, P.S.C. No. 1 — Water.

Statutory authority: Public Service Law, section 89-c(1) and (10)

Subject: Major water rate filing.

Purpose: To consider an increase in SUEZ O-N's annual revenue requirement by approximately \$600,000, or 33.4%.

Public hearing(s) will be held at: 10:30 a.m., January 29, 2018 and continuing daily as needed, at Department of Public Service, Agency Bldg. 3, 3rd Fl. Hearing Rm., Albany, NY. (Evidentiary Hearing)*

*On occasion, there are requests to reschedule or postpone evidentiary hearing dates. If such a request is granted, notification of any subsequent scheduling changes will be available at the DPS website (www.dps.ny.gov) under Case 17-W-0528.

Interpreter Service: Interpreter services will be made available to hearing impaired persons, at no charge, upon written request submitted within reasonable time prior to the scheduled public hearing. The written request must be addressed to the agency representative designated in the paragraph below.

Accessibility: All public hearings have been scheduled at places reasonably accessible to persons with a mobility impairment.

Substance of proposed rule: The Commission is considering a proposal filed by SUEZ Water Owego-Nichols Inc. (SUEZ O-N or the Company) on September 6, 2017, in P.S.C. No. 1 — Water, to increase its annual revenue requirement by approximately \$600,000, or 33.4%. The requested increase in revenues would result in a monthly bill increase of \$12.08, or 40.4%, for an average residential customer using 5 CCF, or about 3,740 gallons, per month. The initial suspension period for the proposed tariff amendments runs through January 22, 2018. Existing Baseline Resources Under Tier 2 of the Renewable Energy Standard Program

I.D. No. PSC-45-17-00005-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering a Department of Public Service Staff Report, filed on October 19, 2017, regarding retention of existing baseline resources under Tier 2 of the Renewable Energy Standard.

Statutory authority: Public Service Law, sections 4(1), 5(1), (2), 66(2); Energy Law, section 6-104(5)(b)

Subject: Existing baseline resources under Tier 2 of the Renewable Energy Standard Program.

Purpose: To promote and maintain renewable and zero-emission electric energy resources.

Substance of proposed rule: The Commission is considering a Department of Public Service (DPS) Staff Report Regarding Retention of Existing Baseline Resources Under Tier 2 of the Renewable Energy Standard Program (Report). The report, filed on October 19, 2017, is in response to Commission directives to prepare, for Commission review, recommendations for consideration of eligibility changes for Tier 2 and options for repowering baseline resources. Staff's report includes the following revisions to the eligibility criteria for Tier 2 for Commission Consideration: a) Revise the vintage date to include all non-state owned, run-of-river hydroelectric facilities; wind facilities; and biomass direct combustion facilities, which are not currently under a contract to sell their environmental attributes associated with the energy produced, as eligible for support under Tier 2 if the facility was in operation prior to January 1, 2015; b) increase the eligibility size threshold for small hydroelectric facilities from 5 MW up to 10 MW; c) maintain the to-go-costs analysis but allow a return on capital for future capital expenditures and a 5% risk contingency of forecasted Operation and Maintenance expenses; d) allow for a Streamlined Review for a maintenance contract with a three-year term, and financial support up to the current Social Cost of Carbon price minus the Regional Greenhouse Gas Initiative price; e) allow a facility under a Case-by-Case review to receive a maintenance contract, with a three-year term, and financial support up to the then current Tier 1 REC price; d) permit a facility to apply for a renewal of a maintenance contract upon its expiration; e) continue to provide guidance to existing facilities in the VDER and other regulatory proceedings. Arrow Park, Inc.'s Rates for the Provision of Water

I.D. No. PSC-45-17-00006-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Public Service Commission is considering a tariff filing by Arrow Park, Inc. to increase its annual revenues by approximately \$11,200 or 62.06%, to become effective April 1, 2018.

Statutory authority: Public Service Law, sections 4(1), 5(1)(f), 89-c(1), (3), (10)(a), (b) and (f)

Subject: Arrow Park, Inc.'s rates for the provision of water.

Purpose: To consider an increase in Arrow Park, Inc.'s annual water revenues by approximately \$11,200 or 62.06%.

Substance of proposed rule: The Commission is considering tariff revisions filed by Arrow Park, Inc. (Arrow Park or the Company) to P.S.C. No. 3 — Water, to increase the Company's annual revenues by approximately \$11,200 or 62.06%. The Company is also requesting a loan repayment quarterly surcharge of \$37.70, and establishment of an Escrow Account of \$15,000 to be funded through an additional quarterly customer surcharge for replacement of broken meters, upgrade current meters, and to cover the cost of extraordinary repairs. Arrow Park states that this increase is necessary due to increases in operating expenses, water testing, insurance, repairs and maintenance and Capital Improvements since the current rates went into effect on January 1, 2012. The proposed amendments have an effective date of April 1, 2018. The full text of the rate filing may be reviewed online at the Department of Public Service web page: www.dps.ny.gov. The Commission may adopt, reject or modify, in whole or in part, the relief proposed and may resolve related matters.

Request for Waiver of the Individual Metering Requirements of 16 NYCRR Part 96

I.D. No. PSC-45-17-00007-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering the petition of Opportunities for Broome, Inc. for a waiver of the individual metering requirements of 16 NYCRR Part 96 at 88-90 Carroll Street, Binghamton, New York.

Statutory authority: Public Service Law, sections 2, 4(1), 30, 32-48, 52, 53, 65(1), 66(1), (2), (3), (4), (12) and (14)

Subject: Request for waiver of the individual metering requirements of 16 NYCRR Part 96.

Purpose: To consider the request for waiver of the individual metering requirements of 16 NYCRR Part 96.

Substance of proposed rule: The Commission is considering the petition of Opportunities for Broome, Inc. filed on September 25, 2017, requesting waiver of the individual metering requirements of 16 NYCRR Part 96 and allow master-metering at 88-90 Carroll Street, Binghamton, New York, located in the service territory of New York State Electric and Gas Corporation (NYSEG). By stating its intent to master-meter electricity, Opportunities for Broome, Inc. has requested authorization to take electric service from NYSEG and include the cost for electricity as part of rent to tenants. Master-metering of electricity to residential tenants is allowed so long as it complies with 16 NYCRR § 96.2(c). The full text of the waiver request may be reviewed online at the Department of Public Service web page: www.dps.ny.gov. The Commission may adopt, reject or modify, in whole or in part, the relief requested and may resolve related matters.

Text of proposed rule and any required statements and analyses may be obtained by filing a Document Request Form (F-96) located on our website <http://www.dps.ny.gov/f96dir.htm>. For questions, contact: John Pitucci, Public Service Commission, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 486-2655, email: john.pitucci@dps.ny.gov

Data, views or arguments may be submitted to: Kathleen H. Burgess, Secretary, Public Service Commission, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 474-6530, email: secretary@dps.ny.gov

Public comment will be received until: 45 days after publication of this notice.

Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement

Statements and analyses are not submitted with this notice because the proposed rule is within the definition contained in section 102(2)(a)(ii) of the State Administrative Procedure Act.

ACTION PENDING INDEX

The action pending index is a list of all proposed rules which are currently being considered for adoption. A proposed rule is added to the index when the notice of proposed rule making is first published in the *Register*. A proposed rule is removed from the index when any of the following occur: (1) the proposal is adopted as a permanent rule; (2) the proposal is rejected and withdrawn from consideration; or (3) the proposal's notice expires.

Most notices expire in approximately 12 months if the agency does not adopt or reject the proposal within that time. The expiration date is printed in the second column of the action pending index. Some notices, however, never expire. Those notices are identified by the word "exempt" in the second column. Actions pending for one year or more are preceded by an asterisk(*).

For additional information concerning any of the proposals

listed in the action pending index, use the identification number to locate the text of the original notice of proposed rule making. The identification number contains a code which identifies the agency, the issue of the *Register* in which the notice was printed, the year in which the notice was printed and the notice's serial number. The following diagram shows how to read identification number codes.

Agency code	Issue number	Year published	Serial number	Action Code
AAM	01	12	0001	P

Action codes: P — proposed rule making; EP — emergency and proposed rule making (expiration date refers to proposed rule); RP — revised rule making

ADVERTISEMENTS FOR BIDDERS/CONTRACTORS

SEALED BIDS

PROVIDE EGG LOBBY IMPROVEMENTS Empire State Plaza, Albany, Albany County

Sealed bids for Project Nos. 45423-C, 45423-H, 45423-P, 45423-E, comprising separate contracts for Construction Work, HVAC Work, Plumbing Work, and Electrical Work, Provide Egg Lobby Improvements, The EGG, Empire State Plaza, Albany (Albany County), NY, will be received by the Office of General Services (OGS), Design & Construction Group (D&C), Division of Contract Management, 35th Fl., Corning Tower, Empire State Plaza, Albany, NY 12242, on behalf of the Office of General Services, until 2:00 p.m. on Wednesday, November 8, 2017, when they will be publicly opened and read. Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by a certified check, bank check, or bid bond in the amount of \$48,500 for C, \$16,600 for H, \$8,800 for P, and \$9,900 for E.

All successful bidders will be required to furnish a Performance Bond and a Labor and Material Bond in the statutory form of public bonds required by Sections 136 and 137 of the State Finance Law, each for 100% of the amount of the Contract estimated to be between \$1,000,000 and \$2,000,000 for C, between \$100,000 and \$250,000 for H, between \$100,000 and \$250,000 for P, and between \$100,000 and \$250,000 for E.

Pursuant to State Finance Law §§ 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between OGS D&C and a bidder during the procurement process. A bidder is restricted from making contacts from the earliest posting, on the OGS website, in a newspaper of general circulation, or in the Contract Reporter of written notice, advertisement or solicitation of offers through final award and approval of the contract by OGS D&C and the Office of the State Comptroller ("Restricted Period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). Designated staff are Jessica Hoffman, Carl Ruppert and Pierre Alric in the Division of Contract Management, telephone (518) 474-0203, fax (518) 473-7862 and John Lewycky, Deputy Director, Design & Construction Group, telephone (518) 474-0201, fax (518) 486-1650. OGS D&C employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period, the bidder is debarred from obtaining governmental Procurement Contracts. Bidders responding to this Advertisement must familiarize themselves with the State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the bid form. Further information about these requirements can be found within the project manual or at: <http://www.ogs.ny.gov/aboutOGS/regulations/defaultAdvisoryCouncil.html>

The substantial completion date for this project is 210 days after the Agreement is approved by the Comptroller.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 9:00 a.m. on October 27, 2017 at Empire State

Plaza, Concourse Room 130, Conference Room A, Albany, NY. Prospective bidders are urged to visit the site at this time. Prospective bidders or their representatives attending the pre-bid site visit will not be admitted on facility grounds without proper photo identification. Note that parking restrictions and security provisions will apply and all vehicles will be subject to search.

For assistance pertaining to the site visit only, please phone Ramona Pierce (518) 473-0027.

Pursuant to New York State Executive Law Article 15-A and the rules and regulations promulgated thereunder, OGS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority- and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of OGS contracts. All bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises ("MBE") participation and 15% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs) for C, H and E trades. The total contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under this Contract.

The Office of General Services reserves the right to reject any or all bids.

The Bidding and Contract Documents for this Project are available on compact disc (CD) only, and may be obtained for an \$8.00 deposit per set, plus a \$2.00 per set shipping and handling fee. Contractors and other interested parties can order CD's on-line through a secure web interface available 24 hours a day, 7 days a week. PUBLIC NOTICE

Department of State
Routine Program Change

STATEWIDE — Pursuant to 15 CFR 923.84(b)(4), the New York State Department of State (DOS) hereby gives notice that the National Oceanic and Atmospheric Administration’s Office for Coastal Management (OCM) concurred on October 11, 2017 on the incorporation of the Town of Huron Local Waterfront Revitalization Program (LWRP) into New York State’s Coastal Management Program as a Routine Program Change. DOS requested OCM’s concurrence on this action on June 14, 2017, in a previous notice in the New York State Register, which further described the content of the action.

The Town of Huron LWRP was prepared in partnership with DOS and in accordance with the New York State Waterfront Revitalization of Coastal Areas and Inland Waterways Act and the New York State Coastal Management Program. The LWRP is a long-term intermunicipal management program for the Town’s waterfront resources along Sodus Bay, Lake Ontario, East Bay, and Port Bay, and is based on the policies of the New York State Coastal Management Program. The Town of Huron LWRP includes a comprehensive description of the existing and proposed land uses in the waterfront revitalization area, incorporates harbor management elements, and identifies the next generation of waterfront revitalization projects.

Pursuant to the New York State Coastal Management Program and Article 42 of the New York State Executive Law, the Town of Huron LWRP was adopted by resolution by the Town of Huron Town Board on April 18, 2016, and approved by the New York State Secretary of State on May 15, 2017. Federal Consistency with the Town of Huron LWRP applies as of the date of this Notice.

OCM’s concurrence includes the following list of changes and qualifications:

Name/Description of State or Local Law/Regulation/Policy/Program Authority	State/Local Legal Citation	Date Adopted by the Municipality	Date Effective in State
ADDED: Town of Huron LWRP. The enforceable policies of the LWRP for CZMA review purposes are only found within the Waterfront Revitalization Policies of Section III	Art. 42 of the NYS Executive Law	4/18/2016	5/15/2017

The Town of Huron Local Waterfront Revitalization Program is available at: http://www.dos.ny.gov/opd/programs/WFRevitalization/LWRP_status.html, the website of the Department of State. *If you have any questions, please contact:* Renee Parsons, DOS Office of Planning, Development & Community Infrastructure, 99 Washington Ave., Suite 1010, Albany, NY 12231, (518) 473-2461
