**Substance of proposed rule:** The Public Service Commission (Commission) is considering a petition filed on February 12, 2021 by Niagara Mohawk Power Corporation d/b/a National Grid (National Grid), requesting authorization to transfer certain street lighting facilities located in the City of Rome (City) to the City.

The original cost of the facilities was approximately \$1,826,501 and the net book value of the assets is \$886,938, as of December 31, 2020. National Grid proposes to transfer the street lighting facilities to the City for approximately \$1,011,457.70, which includes the net book value of the assets as well as transition and transaction costs. National Grid explains that the agreement between it and the City provides that the purchase price will be adjusted (up or down) to reflect the actual net book value at the date of the closing.

### **PROPOSED RULE MAKING NO HEARING(S) SCHEDULED**

#### **Waiver of Tariff Rules and a Related Commission Regulation**

**I.D. No.** PSC-10-21-00008-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

**Proposed Action:** The Commission is considering a petition by Eldan Homes, Inc. for a waiver of Niagara Mohawk Power Corporation d/b/a National Grid's tariff rules regarding the extension of electric and gas lines.

**Statutory authority:** Public Service Law, sections 65 and 66

**Subject:** Waiver of tariff rules and a related Commission regulation.

**Purpose:** To consider whether a waiver of tariff rules and a Commission regulation are just and reasonable and in the public interest.

**Substance of proposed rule:** The Public Service Commission (Commission) is considering a petition filed on February 11, 2021 by Eldan Homes, Inc. (Petitioner), requesting a one year extension of the time allowed by Niagara Mohawk Power Corporation d/b/a National Grid (National Grid) to energize the final six lots of the Petitioner's Mallards Landing Phase 2 Section 18B Amended residential development (Development).

The Commission's regulations at 16 NYCRR § 100.3 provide that a non-residing applicant for electric service must provide a deposit to the utility equal to the estimated cost of construction. The deposit is returned to the applicant, on a pro rata basis, as each new customer takes service from the utility. Part 100.3(b) provides that any portion of the deposit remaining unrefunded five years after the date the utility is first ready to render service shall be retained by the utility. National Grid's electric tariff, PSC 220 Rule 16.6, incorporates the Commission's regulation. National Grid's gas tariff, PSC 219, Rule 10.4 provides substantially similar requirements for non-residing applicants requesting the extension of gas facilities.

The Development consists of 26 building lots to which National Grid has been ready to supply with gas and electric service since March 2016. The Petitioner provided National Grid with a deposit of \$90,083.77 to ensure all building lots would have homes built upon them to use gas and electric service from National Grid within five years, or by March 8, 2021. Currently, six of the 26 building lots are not prepared to be energized. Under Part 100.3(b), as incorporated into National Grid's tariff, if the six remaining building lots are not taking electric and gas service by March 8, 2021, National Grid is authorized to retain the remainder of the Petitioner's deposit, approximately \$20,788. Petitioner requests a one year extension of the development period due to the shutdown of the construction industry in the Spring of 2020 resulting from the impact of the COVID-19 pandemic.

The full text of the petition and the full record of the proceeding may be viewed online at the Department of Public Service web page: [www.dps.ny.gov](http://www.dps.ny.gov). The Commission may adopt, reject, or modify, in whole or in part, the action proposed and may resolve related matters.

NO HEARING(S) SCHEDULED**

**Gas Demand Response Pilot Program**

**I.D. No.** PSC-10-21-00009-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

**Proposed Action:** The Commission is considering a petition filed by Consolidated Edison Company of New York, Inc. on February 10, 2021, requesting to extend the term of its three-year Gas Demand Response Pilot Program by one year.

**Statutory authority:** Public Service Law, sections 5, 5(2), 65 and 66

**Subject:** Gas Demand Response Pilot Program.

**Purpose:** To provide promote natural gas system reliability by encouraging reductions of natural gas demand during peak gas demand days.

**Substance of proposed rule:** The Public Service Commission (Commission) is considering a petition (Petition) filed by Consolidated Edison Company of New York, Inc. (Con Edison or Company) on February 10, 2021, requesting to extend the term of its Smart Solutions for Natural Gas Customers Demand Response Pilot Program (Pilot Program) by one year. The Company is not seeking any additional funding for the one-year extension of the Pilot Program.

In the petition, Con Edison notes that, since the initial 2018/2019 Winter Season, the Company has gained valuable insight into customer engagement and third-party participation, program incentive levels and measures to streamline event dispatch. The Company notes, however, that it has encountered some challenges in gathering sufficient data due to mild winters that have limited the number of events and the usefulness of the data. Therefore, Con Edison is requesting that the Commission approve a one-year extension of the Pilot Program to allow the Company to continue testing to gather data needed to achieve the Pilot Program's overall goals, including, among other things, collecting information on successful customer gas use reduction strategies, informing the process of setting program incentive levels and testing customer engagement. The Company also requests that the Commission authorize the Secretary to grant any future requests to extend the term of the Pilot Program.

The full text of the petition and the full record of the proceeding may be reviewed online at the Department of Public Service web page: [www.dps.ny.gov](http://www.dps.ny.gov). **I.D. No.** TAF-51-20-00002-E

**Filing No.** 154

**Filing Date:** 2021-02-23

**Effective Date:** 2021-02-23

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

**Action taken:** Addition of section 9-1.2(g) to Title 20 NYCRR.

**Statutory authority:** Tax Law, sections 171, subdivision First, 209-B; L. 2014, ch. 59, part A, section 7

**Finding of necessity for emergency rule:** Preservation of general welfare.

**Specific reasons underlying the finding of necessity:** The Commissioner is required, pursuant to Tax Law section 209-B(1)(f), to annually adjust the rate of the metropolitan transportation business tax surcharge for taxable years beginning on or after January 1, 2016. The rate is to be adjusted as necessary to ensure that the receipts attributable to the surcharge will meet and not exceed the financial projections for each state fiscal year, as reflected in the enacted budget for that fiscal year.

This rule is being adopted on an emergency basis in order to have the rates for Tax Year 2021 in place by January 1, 2021, to enable taxpayers to properly estimate the taxes due for Tax Year 2021 and reflect these estimated taxes in their financial statements.

**Subject:** Metropolitan Transportation Business Tax Surcharge.

**Purpose:** To provide metropolitan transportation business tax rate for tax year 2021.

**Text of emergency rule:** Subchapter A of Title 20 of the Codes, Rules and Regulations of the State of New York is amended to add a new subdivision (g) to section 9-1.2 of Part 9 to read as follows:

The rate used to compute the metropolitan transportation business tax surcharge, as determined by the commissioner, will remain the same in any succeeding taxable year unless the commissioner, pursuant to the authority contained in Tax Law section 209-B(1)(f), determines a new rate.*

**This notice is intended** to serve only as a notice of emergency adoption. This agency intends to adopt the provisions of this emergency rule as a permanent rule, having previously submitted to the Department of State a notice of proposed rule making, I.D. No. TAF-51-20-00002-EP, Issue of December 23, 2020. The emergency rule will expire April 23, 2021.

**Text of rule and any required statements and analyses may be obtained from:** Kathleen D. Chase, Tax Regulations Specialist, Department of Taxation and Finance, Office of Counsel, Building 9, W.A. **Regulatory Impact Statement**

1. Statutory authority: Tax Law, section 171, subdivision First, generally authorizes the Commissioner of Taxation and Finance to promulgate regulations; Tax Law section 209-B generally imposes a tax surcharge on every corporation subject to tax pursuant to Tax Law section 209, other than a New York S corporation, for the privilege of exercising the corporation's corporate franchise, or of doing business, or of employing capital, or of owning or leasing property in a corporate or organized capacity, or of maintaining an office, or of deriving receipts from activity in the metropolitan commuter transportation district, for all or any part of the corporation's taxable year. Tax Law section 209-B(1)(f) requires the Commissioner to adjust the rate of the metropolitan transportation business tax surcharge for taxable years beginning on or after January 1, 2016. The rate is to be adjusted as necessary to ensure that the receipts attributable to the surcharge will meet and not exceed the financial projections for each state fiscal year, as reflected in the enacted budget for that fiscal year.

2. Legislative objectives: New subdivision (g) of section 9-1.2 of Part 9 of 20 NYCRR complies with the mandate of section 209-B(1)(f), setting forth the rate for taxable years beginning on or after January 1, 2021 and

before January 1, 2022 and follows subdivision (f), which set the rate for taxable years beginning on or after January 1, 2020 and before January 1, 2021. As required by section 209-B(1)(f), the Commissioner of Taxation and Finance has determined that the rate of the metropolitan transportation business tax surcharge will be 30 percent of the tax imposed under Tax Law section 209 for taxable years beginning on or after January 1, 2021 and before January 1, 2022. The previous rate established by regulation was 29.4 percent of the tax imposed under Tax Law section 209, for taxable years beginning on or after January 1, 2020 and before January 1, 2021.

3. Needs and benefits: This rule sets forth amendments to the Business Corporation Franchise Tax regulations required by Tax Law section 209-B(1)(f). The rule benefits taxpayers by putting in place the metropolitan transportation business tax surcharge effective January 1, 2021 for Tax Year 2021.

4. Costs:

(a) Costs to regulated parties for the implementation and continuing compliance with this rule: There is no additional cost or burden to comply with this amendment. There is no additional time period needed for compliance.

(b) Costs to this agency, the State and local governments for the implementation and continuation of this rule: Since the need to make amendments to the New York State Business Corporation Franchise Tax regulations under Tax Law article 9-A arises due to a statutory mandate that the Commissioner adjust the metropolitan transportation business tax surcharge, there are no costs to this agency or the State and local governments that are due to the promulgation of this rule.

(c) Information and methodology: This analysis is based on a review of the statutory requirements and on discussions among personnel from the department's Taxpayer Guidance Division, Office of Counsel, Office of Tax Policy Analysis, Bureau of Tax and Fiscal Studies and Office of Budget and Management Analysis and the Division of Budget.

5. Local government mandates: There are no costs or burdens imposed on local governments to comply with this amendment.

6. Paperwork: This rule will not require any new forms.

7. Duplication: This rule does not duplicate any other requirements.

8. Alternatives: Since section 209-B(1)(f) requires the Commissioner to adjust, under certain circumstances, the metropolitan transportation business tax surcharge, there are no viable alternatives to providing such rate using the methodology prescribed in Tax Law section 209-B.

9. Federal standards: This rule does not exceed any minimum standards of the federal government for the same or similar subject areas.

10. Compliance schedule: The required rate information has been made available to regulated parties, by means of the emergency re-adoption of new subdivision (g) of section 9-1.2 of Part 9 of the Business Corporation Franchise Tax regulations in sufficient time to implement the rate that became effective January 1, 2021. This rule maintains the effectiveness of the rate for the 2021 tax year as an emergency measure.

#### **Regulatory Flexibility Analysis**

A Regulatory Flexibility Analysis for Small Businesses and Local Governments is not being submitted with this rule because it will not impose any adverse economic impact or any additional reporting, recordkeeping, or other compliance requirements on small businesses or local governments.

The purpose of the rule is to add a new subdivision (g) to section 9-1.2 of Part 9 of 20 NYCRR, to adjust the rate of the metropolitan transportation business tax surcharge for taxable years beginning on or after January 1, 2021 and before January 1, 2022, as required by Tax Law section 209-B(1)(f).

Tax Law section 209-B generally imposes a tax surcharge on every corporation subject to tax pursuant to Tax Law section 209, other than a New York S corporation, for the privilege of exercising the corporation's corporate franchise, or of doing business, or of employing capital, or of owning or leasing property in a corporate or organized capacity, or of maintaining an office, or of deriving receipts from activity in the metropolitan commuter transportation district, for all or any part of the corporation's taxable year.

The Commissioner is required, pursuant to Tax Law section 209-B(1)(f), to annually adjust the rate of the metropolitan transportation business tax surcharge for taxable years beginning on or after January 1, 2016. The rate is to be adjusted as necessary to ensure that the receipts attributable to the surcharge will meet and not exceed the financial projections for each state fiscal year, as reflected in the enacted budget for that fiscal year.

Subdivision (g) of section 9-1.2 of Part 9 complies with the mandate of Tax Law section 209-B(1)(f), setting forth the rate for taxable years beginning on or after January 1, 2021 and before January 1, 2022, and follows subdivision (f), which set the rate for taxable years beginning on or after January 1, 2020 and before January 1, 2021. As required by Tax Law section 209-B(1)(f), the Commissioner of Taxation and Finance has determined that the metropolitan transportation business tax surcharge rate will

be 30 percent of the tax imposed under Tax Law section 209 for taxable years beginning on or after January 1, 2021 and before January 1, 2022.

#### **Rural Area Flexibility Analysis**

A Rural Area Flexibility Analysis is not being submitted with this rule because it will not impose any adverse impact on any rural areas. The purpose of the rule is to add a subdivision (g) to section 9-1.2 of Part 9 of 20 NYCRR, to adjust the rate of the metropolitan transportation business tax surcharge for taxable years beginning on or after January 1, 2021 and before January 1, 2022, pursuant to Tax Law section 209-B(1)(f).

Tax Law section 209-B generally imposes a tax surcharge on every corporation subject to tax pursuant to Tax Law section 209, other than a New York S corporation, for the privilege of exercising the corporation's corporate franchise, or of doing business, or of employing capital, or of owning or leasing property in a corporate or organized capacity, or of maintaining an office, or of deriving receipts from activity in the metropolitan commuter transportation district, for all or any part of the corporation's taxable year.

The Commissioner is required, pursuant to Tax Law section 209-B(1)(f), to annually adjust the rate of the metropolitan transportation business tax surcharge for taxable years beginning on or after January 1, 2016. The rate is to be adjusted as necessary to ensure that the receipts attributable to the surcharge will meet and not exceed the financial projections for each state fiscal year, as reflected in the enacted budget for that fiscal year.

Subdivision (g) of Section 9-1.2 of Part 9 complies with the mandate of Tax Law section 209-B(1)(f), setting forth the rate for taxable years beginning on or after January 1, 2021 and before January 1, 2022 and follows subdivision (f), which set the rate for taxable years beginning on or after January 1, 2020 and before January 1, 2021. As required by section 209-B(1)(f), the Commissioner of Taxation and Finance has determined that the metropolitan transportation business tax surcharge rate will be 30 percent of the tax imposed under Tax Law section 209 for taxable years beginning on or after January 1, 2021 and before January 1, 2022.

#### **Job Impact Statement**

A Job Impact Statement is not being submitted with this rule because it is evident from the subject matter of the rule that the rule will have no adverse impact on jobs and employment opportunities. The purpose of the rule is to add a new subdivision (g) to section 9-1.2 of Part 9 of 20 NYCRR, to adjust the rate of the metropolitan transportation business tax surcharge for taxable years beginning on or after January 1, 2021 and before January 1, 2022, pursuant to Tax Law section 209-B(1)(f).

Tax Law section 209-B generally imposes a tax surcharge on every corporation subject to tax pursuant to Tax Law section 209, other than a New York S corporation, for the privilege of exercising the corporation's corporate franchise, or of doing business, or of employing capital, or of owning or leasing property in a corporate or organized capacity, or of maintaining an office, or of deriving receipts from activity in the metropolitan commuter transportation district, for all or any part of the corporation's taxable year.

The Commissioner is required, pursuant to Tax Law section 209-B(1)(f), to annually adjust the rate of the metropolitan transportation business tax surcharge for taxable years beginning on or after January 1, 2016. The rate is to be adjusted as necessary to ensure that the receipts attributable to the surcharge will meet and not exceed the financial projections for each state fiscal year, as reflected in the enacted budget for that fiscal year.

Subdivision (g) of section 9-1.2 of Part 9 complies with the mandate of Tax Law section 209-B(1)(f), setting forth the rate for taxable years beginning on or after January 1, 2021 and before January 1, 2022, and follows subdivision (f), which set the rate for taxable years beginning on or after January 1, 2020 and before January 1, 2021. As required by section 209-B(1)(f), the Commissioner of Taxation and Finance has determined that the metropolitan business tax surcharge rate will be 30 percent of the tax imposed under Tax Law section 209 for taxable years beginning on or after January 1, 2021 and before January 1, 2022.

This rule merely complies with the mandates of Tax Law section 209-B, as amended, by adding a new subdivision (g) to section 9-1.2 of Part 9 of 20 NYCRR, setting forth the rate for the metropolitan transportation tax surcharge for tax year 2021.

Such Notice and Election Form shall not be due when payment to the injured worker or person entitled to a death benefit is made by the employer in lieu of workers' compensation benefits (currently reported on a SROI-EP) or payment is made pursuant to a schedule loss of use award, or section thirty-two waiver agreement, or when an award is made with a direction that payments are not to continue beyond the date of the award.

f) Discontinuing Direct Deposit or Electing Direct Deposit. Where benefit payments are ongoing, the carrier, self-insured employer or third-party administrator shall implement a request by the injured worker or person entitled to a death benefit to discontinue direct deposit, elect to begin direct deposit or change the bank accounts associated to a direct deposit within forty five days of receipt of notice from the claimant, when such notice is made in the format prescribed by the Chair. When direct deposit is discontinued, payment of benefits shall be by check.

g) Every application by a claimant for direct deposit shall inform the injured worker or person entitled to a death benefit of the obligation to immediately notify the carrier that in the event that the injured worker or person entitled to a death benefit is no longer entitled to such payment, the carrier shall be immediately notified. Further, the injured worker or person entitled to a death benefit shall immediately notify the carrier of any change in circumstances which would affect entitlement to receive the payment. In the event of failure to notify the carrier within 14 days of such change in circumstance, the carrier may avail itself of the procedure set forth in sections 300.23(a)(2) or 300.23(b)(3) of this Chapter.

h) The carrier, self-insured employer, third-party administrator or Special Fund may annually request that an injured worker or person entitled to a death benefit certify that they continue to elect payment of workers' compensation benefits by direct deposit. Such request must offer options for return by mailing and by electronic means. In the event an injured worker or person entitled to a death benefit does not return the certification within sixty days, the carrier, self-insured employer, third-party administrator or Special Fund may discontinue direct deposit and make indemnity or death benefits due thereafter by check.

#### Five-Year Review of Existing Rules

This rule is proposed pursuant to SAPA section 207(3), 5-Year Review of Existing Rules.

#### Regulatory Impact Statement

##### 1. Statutory Authority

The statutory authority for this rule comes from §§ 117(1) and 141 of the Workers' Compensation Law, which allows the Chair to adopt reasonable rules to supplement the provisions of the chapter and the labor law, as well as section 25 as amended by S7210/A7579.

##### 2. Legislative Objectives

In January 2021, the amendments to section 25 of the Workers' Compensation Law were enacted. The new law requires the option for direct deposit of compensation payments for death benefits from the carrier or self-insured employer.

The proposed amendments provide the manner of the direct deposit process as directed by section 25.

##### 3. Needs and Benefits

The direct deposit statute recently signed into law (A1291/S1298, signed chapter 9 of the laws of 2021) provides that direct deposit of compensation payments for indemnity and death benefits is required, and provides that enrolling in such direct deposit be done in a manner specified by Board regulations - the legislation requires the Board to enact regulations implementing the statute.

The statute does not contain any information about how carriers or self-insured employers can comply with this requirement and provides that regulations from the Board will provide such framework - this proposal provides the framework mentioned in the statute. The proposal is necessary to implement the statute and provide a process for the direct deposit of these compensation benefits as required by the statute.

##### 4. Costs

The proposed amendments should not impose significant costs. The proposal provides guidance and clarity to implement the statute, while avoiding costs outside what the law requires. The updates implement what the statute requires, and the proposal does not impose any independent additional costs.

##### 5. Local Government Mandates

There are no specific mandates on local governments as a result of this proposal.

##### 6. Paperwork

The proposal requires an Election Form to be provided by the carrier or self-insured employer in the format prescribed by the Chair, as well as a one-time Notice to the Claimant of Direct Deposit. The Board will prescribe the method of these forms, and unless specifically requested by the Board, they are not required to be provided to the Board.

##### 7. Duplication

There is no duplication of state or federal regulations or standards.

##### 8. Alternatives

An alternative to the regulation would be to ignore the statute and not provide any regulations prescribing the method of enrollment in direct deposit. However, without regulations in place to provide guidance and clarity, the statute would be difficult to implement, would increase paperwork, and lack of clarity could result in additional litigation.

##### 9. Federal Standards

There are no applicable federal standards or regulations related to the proposed amendments.

##### 10. Compliance Schedule

The statute takes effect July 1, 2021, and the proposed regulations would take effect upon publication of the Notice of Adoption in the State Register.

#### Regulatory Flexibility Analysis

##### 1. Effect of rule

The statute requires the option for direct deposit of compensation payments for death benefits from the carrier or self-insured employer. The proposed amendments provide the manner of the direct deposit process as directed by section 25 of the Workers' Compensation Law. Any self-insured local government employer would need to comply with this regulation, and small businesses are impacted only to the extent that their employees may be entitled to receive these benefits by direct deposit.

##### 2. Compliance requirements

The proposal sets out guidance for the direct deposit enrollment process for carriers and self-insured employers. The proposal implements the statute and provides guidance and clarity about the direct deposit process under section 25 of the NYS Workers' Compensation Law.

Carriers and self-insured employers must comply with the application and reregistration processes as well as the education requirements, etc. listed in the proposal to implement the statute.

##### 3. Professional services

It is believed that no professional services will be needed by small businesses or local governments to comply with the proposed regulation.

##### 4. Compliance costs

Compliance with the proposed regulations should not impose significant compliance costs on small businesses or local governments. The proposal seeks to implement the statute smoothly, and does not impose additional costs beyond what the statute would require.

##### 5. Economic and technological feasibility

Compliance with the proposed regulations is technologically and economically feasible for small business and local government. The proposed regulations lay out the direct deposit process, and no additional technology beyond what most carriers and self-insured employers already use will be required.

##### 6. Minimizing adverse impact

The proposed regulations were written to provide a framework to implement the statute in the clearest, smoothest way possible. To further minimize any impact, the regulations are being proposed now, and the statute takes effect on July 1, 2021.

##### 7. Small business and local government participation

The Board will duly consider all public comments received from small businesses or local governments during the public comment period. The Board has also sent an electronic communication describing the proposal to subscribers for Board updates (4,227 self-insured employers) on February 22, 2021.

#### Rural Area Flexibility Analysis

##### 1. Types and estimated numbers of rural areas

The proposed amendments provide the manner of the direct deposit process as directed by section 25. Any carrier or self-insured employer must comply with the proposal, including those in rural areas.

2. Reporting, recordkeeping and other compliance requirements; and professional services

The same compliance and direct deposit enrollment requirements apply to carriers and self-insured employers in rural areas as in metropolitan areas. The direct deposit process will be prescribed by the Board, and no special professional services should be required by rural or any other areas. The proposed regulations seek to implement the statute.

##### 3. Costs

The proposed amendments should not impose additional costs. The proposal provides guidance and clarity to implement the statute, while avoiding costs outside what the law requires.

4. Minimizing adverse impact

The proposed regulations were written to provide a framework to implement the statute requiring direct deposit to be available for these benefits in the clearest, smoothest way possible. To further minimize any impact, the regulations are being proposed now, and the statute takes effect on 7/1/21.

5. Rural area participation

The Board will duly consider all public comments received from rural areas during the public comment period.

***Job Impact Statement***

A Job Impact Statement is not required because the proposed amendments are not expected to have any impact on jobs or employment opportunities. The proposal provides details for implementing the law requiring certain claimants to be allowed to receive workers' compensation benefits through direct deposit. These proposed changes will not affect jobs or employment opportunities in any manner.

**ACTION PENDING INDEX**

The action pending index is a list of all proposed rules which are currently being considered for adoption. A proposed rule is added to the index when the notice of proposed rule making is first published in the *Register*. A proposed rule is removed from the index when any of the following occur: (1) the proposal is adopted as a permanent rule; (2) the proposal is rejected and withdrawn from consideration; or (3) the proposal's notice expires.

Most notices expire in approximately 12 months if the agency does not adopt or reject the proposal within that time. The expiration date is printed in the second column of the action pending index. Some notices, however, never expire. Those notices are identified by the word "exempt" in the second column. Actions pending for one year or more are preceded by an asterisk(\*).

For additional information concerning any of the proposals

listed in the action pending index, use the identification number to locate the text of the original notice of proposed rule making. The identification number contains a code which identifies the agency, the issue of the *Register* in which the notice was printed, the year in which the notice was printed and the notice's serial number. The following diagram shows how to read identification number codes.

Agency code	Issue number	Year published	Serial number	Action Code

## PUBLIC NOTICE

Department of State  
F-2020-1089

Date of Issuance – March 10, 2021

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities

described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act (CZMA) of 1972, as amended.

The applicant has certified that the proposed activities comply with and will be conducted in a manner consistent with the federally approved New York State Coastal Management Program. The applicant's consistency certification and accompanying public information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York and is available for review at: [http://www.dos.ny.gov/opd/programs/pdfs/Consistency/F-2020-1089\\_Application.pdf](http://www.dos.ny.gov/opd/programs/pdfs/Consistency/F-2020-1089_Application.pdf)

In F-2020-1089, the Village of Port Jefferson is proposing the East Beach Bluff Restoration Project at Village Beach Road, Village of Port Jefferson, Suffolk County. The project site is a public beach bordered by steep bluffs to the south and Long Island Sound to the north. Residential properties are located to the east, and an existing rock revetment and parking area are located west.

The stated purpose of the project is to make the East Beach recreation area more resilient and safer for public enjoyment. To accomplish this, the Village proposes to install approximately 400 linear feet of new steel sheetpile bulkhead with a 20-foot bulkhead return and stabilize the bluff face with a series of vegetated timber terraces. The toe of the bulkhead would be reinforced with a 6-foot deep riprap revetment comprised of 2.5-ton stone. To the west of the new bulkhead return, an additional 200 linear feet of bluff would be stabilized with three (3), 20-inch diameter coir logs bundled and anchored with stainless steel duckbill anchors, followed by a series of vegetated coir log and timber terraces up the bluff face.

The Village also proposes to add a 40-foot extension to the existing concrete ramp. New sheetpiling would be installed to extend both sides of the ramp sloping down to the beach elevation, where new sheetpiling would be buried below the existing beach elevation. The rectangular area created by the new sheeting would be 40-feet in length by approximately 12.5-feet wide and backfilled with sand. Riprap would be installed for new toe protection to the east of the ramp and would be blended with the existing rock revetment abutting the parking lot.

The proposed activity would be located within or has the potential to affect the following Special Management or Regulated Area(s):

- Long Island Sound Coastal Management Program:

<https://www.dos.ny.gov/opd/programs/WFRvitalization/longisland.html>; and

- Coastal Erosion Hazard Area: The site is mapped as a natural protective feature area.

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice or April 9, 2021.

*Comments should be addressed to:* Department of State, Office of Planning and Development and Community Infrastructure, Consistency Review Unit, One Commerce Plaza, Suite 1010, 99 Washington Ave., Albany, NY 12231, (518) 474-6000. Electronic submissions can be made by email at: [CR@dos.ny.gov](mailto:CR@dos.ny.gov)

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.
