Opinions of the Attorney General

State agencies must specify in each notice which proposes a rule the last date on which they will accept public comment. Agencies must always accept public comment: for a minimum of 60 days following publication in the *Register* of a Notice of Proposed Rule Making, or a Notice of Emergency Adoption and Proposed Rule Making; and for 45 days after publication of a Notice of Revised Rule Making, or a Notice of Emergency Adoption and Revised Rule Making in the *Register*. When a public hearing is required by statute, the hearing cannot be held until 60 days after publication of the notice, and comments must be accepted for at least 5 days after the last required hearing. When the public comment period ends on a Saturday, Sunday or legal holiday, agencies must accept comment through the close of business on the next succeeding workday.

For notices published in this issue:

- the 60-day period expires on October 10, 2021
- the 45-day period expires on September 25, 2021
- the 30-day period expires on September 10, 2021

NEW YORK STATE REGISTER

Be a part of the rule making process!

The public is encouraged to comment on any of the proposed rules appearing in this issue. Comments must be made in writing and must be submitted to the agency that is proposing the rule. Address your comments to the agency representative whose name and address are printed in the notice of rule making. No special form is required; a handwritten letter will do. Individuals who access the online *Register* (www.dos.ny.gov) may send public comment via electronic mail to those recipients who provide an e-mail address in Notices of Proposed Rule Making. This includes Proposed, Emergency Proposed, Revised Proposed and Emergency Revised Proposed rule makings.

To be considered, comments should reach the agency before expiration of the public comment period. The law provides for a minimum 60-day public comment period after publication in the *Register* of every Notice of Proposed Rule Making, and a 45-day public comment period for every Notice of Revised Rule Making. If a public hearing is required by statute, public comments are accepted for at least five days after the last such hearing. Agencies are also required to specify in each notice the last date on which they will accept public comment.

When a time frame calculation ends on a Saturday or Sunday, the agency accepts public comment through the following Monday; when calculation ends on a holiday, public comment will be accepted through the following workday. Agencies cannot take action to adopt until the day after expiration of the public comment period.

The Administrative Regulations Review Commission (ARRC) reviews newly proposed regulations to examine issues of compliance with legislative intent, impact on the economy, and impact on affected parties. In addition to sending comments or recommendations to the agency, please do not hesitate to transmit your views to ARRC:

Administrative Regulations Review Commission

RULE MAKING ACTIVITIES

Each rule making is identified by an I.D. No., which consists of 13 characters. For example, the I.D. No. AAM-01-96-00001-E indicates the following:

AAM -the abbreviation to identify the adopting agency
01 -the *State Register* issue number
96 -the year
00001 -the Department of State number, assigned upon receipt of notice.
E -Emergency Rule Making—permanent action not intended (This character could also be: A for Adoption; P for Proposed Rule Making; RP for Revised Rule Making; EP for a combined Emergency and Proposed Rule Making; EA for an Emergency Rule Making that is permanent and does not expire 90 days after filing.)

Italics contained in text denote new material. Brackets indicate material to be deleted.

Restaurant Return-to-Work Tax Credit Program

I.D. No. EDV-32-21-00004-EP

Filing No. 882

Filing Date: 2021-07-27

Effective Date: 2021-07-27

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Proposed Action: Addition of Part 280 to Title 5 NYCRR.

Statutory authority: L. 2021, ch. 59, part PP, subpart A

Finding of necessity for emergency rule: Preservation of general welfare.

Specific reasons underlying the finding of necessity: The Restaurant Return-To-Work Tax Credit Program was enacted in response to the acute, and devastating impact of the COVID-19 pandemic on the restaurant industry in New York City and in other specific areas of New York State that were subject to additional restrictions for on-premises dining for at least 30 consecutive days (defined as Orange or Red Zones), per guidance from the New York State Department of Health, pursuant to Executive Order 202.68 as amended. This new program provides financial incentives to COVID-impacted restaurants to expedite their hiring efforts and reduce the duration and severity of COVID-related economic impacts.

The restaurant industry is vital part of the economy in communities across the State of New York. Residents want to live in areas with active

retail corridors that include a vibrant and diverse choice of restaurants, and visitors seek out the same vibrant places as travel destinations. In New York City alone, prior to the pandemic, the restaurant industry employed approximately 320,000 workers (2019 monthly average).¹ At the start of the pandemic, this total dipped to 87,100 in April 2020, and has rebounded to 200,100 (62.6 percent of the 2019 monthly average) as of May 2021. With respect to restaurant revenues, restaurants across the state experienced substantially lower revenues during the period of COVID restrictions. Such restrictions were particularly acute in New York City, and in Orange and Red Zones, who endured additional restrictions due to the public health outcomes in those specific geographies.

A healthy, vibrant restaurant industry is essential to the recovery of New York City's tourism and hospitality industries, attracting millions of visitors each year who spent a total of \$47.7 billion in 2019.² Restaurants are the second largest component of tourism spending, behind lodging.³

Outside of New York City, the pandemic hit certain areas of the State particularly hard with clusters of COVID-19 cases which required the New York State Department of Health to issue emergency orders to restrict on-premises dining, beyond the restrictions imposed throughout the State. Qualifying Orange or Red Zones were designated in Chemung, Erie, Monroe, Onondaga, Rockland and Westchester Counties.

These regulations must be promulgated immediately so that the Department of Economic Development can launch the Program and begin accepting applications in time for eligible restaurant owners to be reviewed, and issued certificates before the November 15, 2021 deadline when owners must submit proof of receipt to the Department of Taxation and Finance when requesting an advance payment of the amount of the tax credit.

Emergency adoption of these regulations will enable the State to act to provide relief to restaurants in eligible areas as they begin rehiring restaurant workers to help support the recovery of New York's tourism and hospitality industries. Pursuant to Chapter 59 of the Laws of 2021, the Commissioner of Economic Development is expressly authorized to promulgate regulations for this Program on an emergency basis.

Subject: Restaurant Return-to-Work Tax Credit program.

Purpose: To create the administrative processes for the Restaurant Return-to-Work Tax Credit program.

Substance of emergency/proposed rule (Full text is posted at the following State website: esd.ny.gov): The regulation contained in 5 NYCRR Part 280 which governs the Restaurant Return-To-Work Tax Credit program is summarized as follows:

The regulation begins by defining a host of key terms necessary to implement the tax credit program. These include, but are not limited to, the following:

(1) "average full-time employment"; (2) "average starting full-time employment"; (3) "average ending full-time employment"; (4) "certificate of tax credit"; (5) "eligible industry"; (6) "net employee increase"; (7) "COVID-19 impacted food services sector"; (8) "independently owned" and (9) "independently owned establishments."

Next, the regulation sets forth the application process for the program. The Department's review of applications includes whether: (i) the application is complete; (ii) the applicant provided evidence of their business eligibility; (iii) the applicant agreed to allow the Department of taxation and finance to share the applicant's tax information with the Department; (iv) the applicant agreed to allow the Department of labor to share its tax and employer information with the Department; (v) the applicant allowed the Department and its agents access to any and all books and records the

Department may require to monitor compliance; (vi) the applicant certified, under penalty of perjury, that it is in substantial compliance with all emergency orders or public health regulations currently required of such entity and local, and state tax laws; and (vii) the applicant agreed to provide any additional information required.

After reviewing an applicant's completed application and determining that the applicant meets the program's eligibility criteria set forth below, the Department may admit the applicant into the Program and issue them a certificate of tax credit.

The regulation next outlines eligibility for the program. To be eligible for the credit, an applicant must: (1) be a small business; (2) operate an independently owned and operated establishment or establishments as defined in this Part; (3) have experienced economic harm as a result of the COVID-19 emergency as evidenced by a year-to-year decrease of at least forty percent in New York State between the second quarter of 2019 and the second quarter of 2020 or the third quarter of 2019 and the third quarter of 2020 for one or both of: i) gross receipts or ii) average full-time employment; and (4) have demonstrated a net employee increase for the business entity.

A business entity must also: 1) be in substantial compliance with all emergency orders or public health regulations currently required of such entity and local, and state tax laws; 2) not owe past due state taxes or local property taxes.

The regulation outlines the calculation of the credit which is equal to \$5,000 per each full time equivalent net employee increase and is capped at fifty thousand dollars (\$50,000) per applicant.

The regulation contains a section on retention and reporting requirements as well as a section on removal from the program.

The regulation concludes with a description of the advance tax credit payment option and a notation of the overall cap on the tax credit program (\$35 million for one year).

For the advance option, applicants who choose to use August 31, 2021 as the last date to calculate their average ending full-time employment and have received their certificate of tax credit by November 15, 2021 will have the option to request an advance payment of the amount of tax credit they are allowed under this program.

For those applicants who have requested an advance payment and for whom the commissioner of taxation and finance has determined eligible for this credit, the commissioner of taxation and finance shall advance a payment of the tax credit allowed to the taxpayer. However, in the case of a taxpayer subject to article nine-a of the Tax Law, such payment shall be equal to the amount of credit allowed to the taxpayer less twenty-five dollars.

The text of the rulemaking is available at www.esd.ny.gov.

This notice is intended: to serve as both a notice of emergency adoption and a notice of proposed rule making. The emergency rule will expire October 24, 2021.

Text of rule and any required statements and analyses may be obtained from: Thomas P Regan, NYS Department of Economic Development, 625 Broadway, Albany NY 12245, (518) 292-5120, email: thomas.regan@esd.ny.gov

Data, views or arguments may be submitted to: Same as above.

Public comment will be received until: 60 days after publication of this notice.

Regulatory Impact Statement

STATUTORY AUTHORITY:

Chapter 59 of the Laws of 2021 allow the Commissioner of the Department of Economic Development (the "Department") to promulgate regulations establishing the application process for the Restaurant Return-To-Work program. These procedures include the process for applying for tax credits under this program, standards for the assessment of applications, and other provisions deemed necessary and appropriate.

LEGISLATIVE OBJECTIVES:

The proposed/emergency rule gives effect to the intention of the legislature as it creates a new tax credit program which provides financial incentives to COVID-impacted restaurants to expedite their hiring efforts and reduce the duration and severity of COVID-related economic impacts.

NEEDS AND BENEFITS:

The proposed/emergency rule is necessary in order to create the administrative procedures for the new tax credit program further discussed below.

The Restaurant Return-To-Work Tax Credit Program was enacted in response to the acute, and devastating impact of the COVID-19 pandemic on the restaurant industry in New York City and in other specific areas of New York State that were subject to additional restrictions for on-premises dining for at least 30 consecutive days (defined as Orange or Red Zones), per guidance from the New York State Department of Health, pursuant to Executive Order 202.68 as amended.

The restaurant industry is vital part of the economy in communities

across the State of New York. Residents want to live in areas with active retail corridors that include a vibrant and diverse choice of restaurants, and visitors seek out the same vibrant places as travel destinations. With respect to restaurant revenues, restaurants across the state experienced substantially lower revenues during the period of COVID restrictions. Such restrictions were particularly acute in New York City, and in Orange and Red Zones, who endured additional restrictions, due to the public health outcomes in those specific geographies.

A healthy, vibrant restaurant industry is essential to the recovery of New York's tourism and hospitality industries, attracting millions of visitors each year who spend a total of \$46 billion annually. Restaurants are the second largest component of tourism spending, behind lodging.

Outside of New York City, the pandemic hit certain areas of the State particularly hard with clusters of COVID-19 cases which required the New York State Department of Health to issue emergency orders to additionally restrict on-premises dining, beyond the restrictions imposed throughout the State. Qualifying Orange or Red Zones were designated in Chemung, Erie, Monroe, Onondaga, Rockland and Westchester Counties.

The emergency/proposed rule will create the administrative procedures for this \$35 million tax credit program which provides credits to independently owned restaurants qualifying as small businesses that increase their employment during 2021. The rule lays out the administrative process for the program, including eligibility criteria and key definitions.

COSTS:

I. Costs to private regulated parties (the business applicants): None. The proposed/emergency rule will not impose any additional costs to eligible business applicants.

II. Costs to the regulating agency for the implementation and continued administration of the rule: None.

III. Costs to the State government: The fast track portion of this tax credit program will lead to certain Agency administrative costs estimated at less than \$250,000.

IV. Costs to local governments: None. The proposed/emergency rule will not impose any costs on local governments.

LOCAL GOVERNMENT MANDATES:

None. There are no local government mandates associated with this program.

PAPERWORK:

The rule creates a new tax credit program. The rule entails certain paperwork burdens including materials to be submitted as part of applications for tax credits, additional documents the Commissioner may request from applicants as part of his evaluation of applications, and certain records that must be maintained by program participants for auditing purposes.

DUPLICATION:

The proposed rule creates a new tax credit program in Part 280 of 5 NYCRR. Accordingly, there is no risk of duplication in the adoption of the proposed rule.

ALTERNATIVES:

No alternatives were considered with regard to creating a new rule in response to the statutory requirement.

FEDERAL STANDARDS:

There are no federal standards applicable to this program; it is purely a state program that offers tax benefits to certain restaurants who have a demonstrated economic loss due to COVID-19. Therefore, the proposed/emergency rule does not exceed any federal standard.

COMPLIANCE SCHEDULE:

The affected agency (Department of Economic Development) and any applicants to restaurant return to work tax credit program will be able to achieve compliance with the regulation as soon as it is implemented.

Regulatory Flexibility Analysis

Participation in the Restaurant Return-To-Work Tax Credit program is entirely at the discretion of qualifying business entities. Neither statute nor the proposed/emergency rule impose any obligation on any local government or business entity to participate in the program. The proposed/emergency rule does not impose any adverse economic impact or compliance requirements on small businesses or local governments. In fact, the proposed/emergency rule may have a positive economic impact on small businesses.

Because it is evident from the nature of the proposed/emergency rule that it will have either no impact or a positive impact on small businesses and local government, no further affirmative steps were needed to ascertain that fact and none were taken. Accordingly, a regulatory flexibility analysis for small businesses and local governments is not required and one has not been prepared.

Rural Area Flexibility Analysis

Under the Restaurant Return-To-Work Tax Credit program, certain businesses in rural areas of New York State may be eligible to apply to participate in the program entirely at their discretion if they are independently

owned establishments located outside of New York City in an area which has been and/or remains designated by the New York State Department of Health as either an orange zone or red zone pursuant to Executive Order 202.68 as amended, and for which such designation was or has been in effect and resulted in additional restrictions on indoor dining for at least thirty (30) consecutive days, and are primarily organized to prepare and provide meals, and/or beverages to customers for consumption, including for immediate indoor on-premises consumption.

Municipalities are not eligible to participate in the Program. The rule does not impose any special reporting, record keeping or other compliance requirements on private entities in rural areas. Therefore, the rule will not have a substantial adverse economic impact on rural areas nor on the reporting, record keeping or other compliance requirements on public or private entities in such rural areas. Accordingly, a rural area flexibility analysis is not required and one has not been prepared.

Job Impact Statement

The proposed/emergency rule creates the administrative process for the Restaurant Return-To-Work Tax Credit program. The program aims to incentivize restaurants into hiring employees at this difficult economic time and will not have a substantial adverse impact on jobs and employment opportunities; rather, the program is intended to increase employment opportunities.

Because it is evident from the nature of the proposed/emergency rulemaking that it will have either no impact or a positive impact on job and employment opportunities, no further affirmative steps were needed to ascertain that fact and none were taken. Accordingly, a job impact statement is not required and one has not been prepared.

Education Department

NOTICE OF EXPIRATION

The following notice has expired and cannot be reconsidered unless the Education Department publishes a new notice of proposed rule making in the NYS Register.

Substantially Equivalent Instruction for Nonpublic School Students

I.D. No.	Proposed	Expiration Date
EDU-27-19-00010-P	July 3, 2019	July 24, 2021

Department of Environmental Conservation

NOTICE OF ADOPTION

Food Donation and Food Scraps Recycling

I.D. No. ENV-04-21-00008-A

Filing No. 879

Filing Date: 2021-07-27

Effective Date: 2022-01-01

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Addition of Part 350 to Title 6 NYCRR.

Statutory authority: Environmental Conservation Law, art. 1 of title 1, art. 3 of title 3, art. 27 of title 22 and art. 71 of title 27

Subject: Food Donation and Food Scraps Recycling.

Purpose: Required by title 22 of article 27, the rule increases food donation and the recycling of food scraps through composting.

Substance of final rule: A new 6 NYCRR Part 350 is proposed to be adopted to implement the Food Donation and Scraps Recycling Law enacted in 2019 in Title 22 of Article 27 of the Environmental Conservation Law. No substantive changes were made to the Express Terms. Any non-substantive changes to organization and clarifying terms are reflected in the Notice of Adoption.

Subpart 350-1 provides the general provisions that apply to the Part including purpose, definitions, exemptions, prohibitions, inspection, and

severability. In accordance with the law, the exemptions include cities with a population of one million or more, hospitals, nursing homes, adult care facilities, and elementary and secondary schools.

Subpart 350-2 outlines the requirements that apply to designated food scraps generators. The Subpart outlines how designated food scraps generators are determined and the requirements for those generators. The requirements include the need to donate excess food, to recycle food scraps if an organics facility is available, and annual reporting. The Subpart also includes a temporary waiver provision for generators that can demonstrate a need to be excluded from the requirements of the law.

Subpart 350-3 clarifies that the lists of designated food scraps generators, organic recyclers, and transporters will be maintained by the Department.

Subpart 350-4 outlines the requirements that apply to transporters, organic recyclers, transfer facilities, landfills, and combustion facilities. These requirements mandate that once the food scraps are separated by the generator they must be ultimately recycled and not disposed.

Final rule as compared with last published rule: Nonsubstantial changes were made in sections 350-1.1(b)(1), 350-1.2, (a), (b), (e), (g), (i), (m), 350-1.3(a), 350-1.4(b), 350-2.1, 350-2.2, 350-2.3, 350-2.4(a), (1), (5), (b), (1), (2), (3), (4), (c), 350-2.5(a), (d), 350-2.6(a)(1), (2), (b)(3), (4), (5), (c)(1)(i), (ii), (2)(i), (ii), ('a'), ('b'), (iii), (c)(3)(i), (4)(i), (ii), (5), (d), 350-3.2, 350-4.1(c), 350-4.2(a), (b), 350-4.3 and 350-4.4.

Text of rule and any required statements and analyses may be obtained from: Sally Rowland, Department of Environmental Conservation, 625 Broadway, Albany, NY 12233-7253, (518) 402-8678, email: sally.rowland@dec.ny.gov

Revised Regulatory Impact Statement

Introduction

The Department is proposing to adopt 6 NYCRR Part 350 to implement the Food Donation and Scraps Recycling Law, which was enacted in 2019. The law takes effect on January 1, 2022 and requires large generators of food scraps to donate excess edible food and recycle all remaining food scraps if they are located within 25 miles of an organics recycler. Food scraps generators may petition the Department for a one-year waiver from these requirements.

1. Statutory Authority

The proposed regulations are derived directly from Title 22 of Article 27 of the Environmental Conservation Law (ECL). The statutory authority to implement the regulations is found under ECL title 1 of article 1; title 3 of article 3; title 22 of article 27; and title 27 of article 71. The relevant statutory provisions are summarized below.

ECL section 1-0101 declares a policy of the State to conserve, improve and protect its natural resources and environment and to prevent, abate and control water, land and air pollution in order to enhance the health, safety and welfare of the people and their overall economic and social well-being.

ECL Section 3-0301 empowers the Department to adopt regulations as may be necessary to carry out the environmental policy of the State set forth in Section 1-0101.

ECL Article 27, Title 22 Food Donation and Food Scraps Recycling

Section 27-2201. Definitions. This section provides the definitions needed to implement the statute including designated food scraps generator, food scraps, organics recycler, person, single location, incinerator, landfill, transfer facility, excess edible food, and food relief organization.

Section 27-2203. Designated food scraps generator responsibilities. Effective January 1, 2022, this section outlines the responsibilities of the generators including the requirement to donate excess edible food to the maximum extent practicable; the requirement to separate food scraps from other waste and to send food scraps to an organics recycler if one exists within 25 miles with sufficient capacity; and an exclusion from the separation requirement if the recycler to whom food scraps are sent can process municipal waste.

This section also requires generators to submit an annual report to the Department, beginning on March 1, 2023. The annual report is submitted electronically and must summarize the food donated and information concerning food scraps recycling.

To ensure that a generator is not unduly burdened financially by the statute, this section also includes a waiver provision. A generator can petition the Department for a waiver from compliance due to cost, the availability of an organics recycler and other factors.

Section 27-2205. Waste transporter responsibilities. This section requires waste transporters that collect food scraps from designated food scraps generators to deliver the food scraps to an organics recycling facility or to an intermediary such as a depackaging facility or a transfer facility that will then send the food scraps to a recycler.

Section 27-2207. Transfer facility. This section requires transfer facilities that accept food scraps from designated food scraps generators to send the food scraps to an organics recycler.

Section 27-2209. Food scraps disposal prohibition. This section requires incinerators and landfills to take all reasonable precautions to not accept food scraps from designated food scraps generators.

Section 27-2211. Department responsibilities. This section outlines the responsibility of the Department. The Department must publish information on its website concerning how designated food scraps generators are determined, how the waiver process works, how odors and vectors can be minimized, and a list of all facilities and transporters.

The Department is required to assess the capacity of all organics recyclers annually and to notify generator if they qualify as designated food scraps generators.

The Department must also develop educational materials for the affected generators and on waste minimization.

Section 27-2213. Regulations. The Department must promulgate regulations that include the methodology the department will use to determine who is a designated food scraps generator; the waiver process; procedures to minimize odors and vectors; a list of all designated food scraps generators, organics recyclers, and all waste transporters that manage source-separated organics; and how designated food scraps generators will comply.

Section 27-2215. Exclusions. Cities with a population of one million or more (if they continue to implement their own law), hospitals, nursing homes, adult care facilities, and elementary and secondary schools are not subject to Article 27, Title 22 of the ECL or this Part.

Section 27-2217. Annual Report. Beginning January 1, 2023, requires the Department to report annually to the Governor and Legislature concerning the implementation of the statute.

ECL Section 71-2701 gives the Department the authority to enforce article 27 of the ECL.

2. Legislative Objectives

The New York State Legislature included the following introduction to the enabling legislation for the proposed regulations, outlining the objectives:

Approximately 40 percent of the food produced in the United States today goes uneaten. Much of this organic waste is disposed of in solid waste landfills, where its decomposition accounts for over 12 percent of our nation's emissions of methane, a potent greenhouse gas. Meanwhile, an estimated 2.8 million New Yorkers are facing hunger and food insecurity. Recognizing the importance of food scraps to our environment, economy, and the health of New Yorkers, the Food Donation and Food Scraps Recycling act establishes a food scraps hierarchy for the state of New York. The first tier of the hierarchy is source reduction, reducing the volume of surplus food generated. The second tier is recovery, feeding wholesome food to hungry people. Third is repurposing, feeding animals. Fourth is recycling, processing any leftover food such as by composting or anaerobic digestion to create a nutrient-rich soil amendment. This rulemaking will implement the legislative objectives to address each tier of the hierarchy by facilitating the prevention of food waste generation by commercial generators and residents; directing the recovery of excess edible food from high-volume commercial food waste generators; and ensuring that a significant portion of inedible food waste from large volume food waste generators is managed in a sustainable manner and is not disposed in landfills or sent to combustors. In addition, the Department has supported the recovery of wholesome food by providing grants from the environmental protection fund to increase capacity of food banks and other emergency food providers, conduct food scraps audits of high-volume generators of food scraps, support implementation of pollution prevention projects identified by food scraps audits and expand capacity of generators and municipalities to donate and recycle food.

3. Needs and Benefits

The proposed rulemaking is mandatory and required by statute.

Proposed Part 350 affects large generators of food scraps including some grocery stores, restaurants, and colleges. These designated food scraps generators are those that generate at a single location an annual average of two tons per week or more of food scraps. All designated food scraps generators must donate excess edible food and must also send food scraps to an organics recycler if one is available within 25 miles of the generator. The increase in food donation will help those in need and will result in job creation to assist the non-profits that handle food donations. The requirement that generators must recycle their food scraps by using organics recyclers, such as composting facilities, anaerobic digesters, or depackaging facilities, will reduce the amount of food scraps that end up in landfills and ultimately produce methane, a potent greenhouse gas. Composting facilities and other organics recyclers also produce beneficial organics soil conditioners that are needed to improve the quality of poor soils and reduce erosion.

4. Costs

a. Costs to the Regulated Parties

The proposed regulations require designated food scraps generators to donate wholesome food. Increasing food donation from large food genera-

tors will not only help those in need, it will be a financial advantage for the food establishment, such as a grocery store or restaurant. Cost savings will be realized through tax deductions and through a reduction in the cost of waste disposal since the food will no longer be disposed.

The statute and the proposed Part 350 regulations also require designated food scraps generators to send their food scraps to an organics recycler if one exists within 25 miles of the generator and the recycler has capacity, as long as the cost is reasonably competitive with disposal. Experience in other states and for some generators in New York State has shown that the cost for sending food scraps to an organics recycler compared to sending those scraps for disposal can vary greatly. The statute and the proposed regulations limit the potential cost increase on the generators. The statute allows any designated food scraps generator to seek a waiver from the Department from the need to send their food scraps to an organics recycler if the cost to recycle is not reasonably competitive with the cost of disposal. The proposed regulations define reasonably competitive to equate to a ten percent difference. Therefore, if the cost to send their food scraps to an organics recycler is more than ten percent higher than the cost for disposal, the generator can obtain a waiver from the Department. Therefore, if there is a cost increase to the generators it will be limited to an amount consistent with the requirements of the statute. In some cases, cost savings will be realized.

The statute and the proposed Part 350 regulations require the designated food scraps generators to report annually to the Department. There will be a cost associated with obtaining and maintaining the data and providing it to the Department. The cost for obtaining and maintaining the data should not increase with this proposed rulemaking because the data is already maintained by the generators for other purposes – donation data for tax purposes and waste management data for business cost management. For reporting, the proposed Part 350 follows the statute by requiring electronic reporting to decrease the burden on the generators. The Department will also provide the electronic reporting forms to be used. Therefore, the overall increased cost to the generators for recordkeeping and reporting should be minimal.

b. Costs to the Department, State and Local Governments

The Department, State and local governments will not incur additional costs due to the issuance of the proposed regulations. The Department will implement the regulations and develop and provide outreach and education on those requirements with existing staff.

5. Local Government Mandates

There are no mandates that need to be addressed by local governments since the proposed regulations do not apply to these entities.

6. Paperwork

The proposed regulations, consistent with the underlying statute, requires the designated food scraps generators to report annually to the Department, beginning on March 1, 2023. The annual report must summarize the amount of food donated with the destination and the amount of food recycled with the transporter and organics recycler used. The Department will develop a simple electronic reporting form to assist the generators in submitting the required information. The information should be readily available to the generators from Food Banks and other emergency food providers, and the food scraps haulers.

7. Duplication

The proposed regulations do not duplicate, overlap, or conflict with any other State or federal requirements.

8. Alternatives

The Department is required by State legislation under Title 22 of Article 27, to promulgate rules and regulations necessary to implement the provisions of the statute. Therefore, there are no other alternatives for this proposed rulemaking.

9. Federal Standards

No federal standards will be exceeded by promulgating the proposed rule.

10. Compliance Schedule

The statutory requirements set forth in Article 22 of the ECL take effect on January 1, 2022. The rule will be effective 30 days after filing the Notice of Adoption with the Department of State.

Revised Regulatory Flexibility Analysis

The Regulatory Flexibility Analysis for Small Businesses and Local Governments that was previously published remains accurate and does not require revision to address the nonsubstantive changes incorporated as part of this Notice of Adoption.

Revised Rural Area Flexibility Analysis

The Rural Area Flexibility Analysis that was previously published remains accurate and does not require revision to address the nonsubstantive changes incorporated as part of this Notice of Adoption.

Revised Job Impact Statement

Part 350 will increase the donation of edible food to those in need and increase the recycling of food scraps through composting and other means. This will cause job creation.

In accordance with Section 201-a(2)(a) of the State Administrative Procedure Act, a Job Impact Statement has not been prepared for this rule making, as it is not expected to create a substantial adverse impact on jobs and employment opportunities in New York State (the State). To the contrary, proposed 6 NYCRR Part 350 is expected to create, as set forth below, a positive impact on employment opportunities.

Initial Review of Rule

As a rule that requires a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2024, which is no later than the 3rd year after the year in which this rule is being adopted.

Assessment of Public Comment

Introduction

The New York State Department of Environmental Conservation has prepared this assessment of public comment to address the comments that were received on the proposed 6 NYCRR Part 350 Food Donation and Food Scraps Recycling regulations.

The proposed regulations were published for public review and comment in the Environmental Notice Bulletin (ENB) on January 27, 2021. DEC provided a 60-day comment period that ended April 27, 2021. DEC also held a public hearing on April 7, 2021.

This assessment of public comment addresses all comments received, with the exception of editorial comments. The comments have been organized to follow the format of the proposed Part 350 regulations, with general comments addressed at the beginning of the assessment of public comment.

This is a summary of the complete assessment of public comment.

General Comments

The general comments received on the proposed Part 350 were not specific to a section of the regulations but were more applicable to food waste management in general and related topics. Some of the comments covered the following areas:

- the need for additional education on cooking;
- the need to have a more aggressive law;
- concerns about cost impacts on businesses;
- COVID related concerns with food donation;
- support for the law;
- the need for grants for municipalities and others;
- general enforcement questions;
- use of compost products;
- compost operator certification;
- support for community scale composting;
- contamination of the food scraps;
- the need for more outreach and education; and
- the cost of compliance.

Although the general comments were outside the scope of the Part 350 rulemaking, responses were provided for each comment. The responses provided additional clarification on DEC programs and policies related to organics recycling.

Subpart 350-1

There were several comments related to the exemptions in Part 350 (hospitals, etc.), primarily that they should be eliminated. The exemptions are set forth in the Food Donation and Food Scraps Recycling Law (Law). Any amendments to the exemptions would require approval by the Legislature. Similarly, comments recommending lowering the threshold below two tons per week would require an amendment to the Law.

The majority of the remaining comments on this Subpart pertained to the definitions. Most definitions come from the Law. The responses indicate that DEC will provide additional guidance where needed.

Subpart 350-2

This Subpart contains the criteria that apply to designated food scraps generators. There were comments on all aspects of this Subpart. The majority of the responses provided clarification to the commentor or indicated that the Law would need to be amended to change the provisions in Part 350. Some minor revisions to Part 350 were made for clarity.

Subpart 350-3

Most of the comments in this Subpart concerned the methodology DEC used to develop the list of designated food scraps generators. Some minor revisions to Part 350 were made to clarify the methodology used.

Subpart 350-4

Responses addressed concerns raised by other involved facilities such as transfer facilities. Most criteria in this Subpart come directly from the Law. Minor clarifications were added where necessary.

Department of Financial Services

NOTICE OF ADOPTION

Public Adjusters

I.D. No. DFS-14-21-00007-A

Filing No. 880

Filing Date: 2021-07-27

Effective Date: 2021-10-08

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Amendment of Part 25 (Regulation 10) of Title 11 NYCRR.

Statutory authority: Financial Services Law, sections 202, 302; Insurance Law, sections 301, 2101(g)(2), 2108, 2110(a) and 2134

Subject: Public Adjusters.

Purpose: To update the rule regarding public adjusters, including to conform to chapter 546 of the Laws of 2013.

Substance of final rule: The titles of Sections 25.1 and 25.2 are amended and the bodies of Sections 25.1 and 25.2 are amended to make technical amendments.

Section 25.3 is amended to make clear that a public adjuster may not solicit the adjustment of a loss between 6:00 p.m. and 8:00 a.m. through a contractor or any other individual or entity and to make technical amendments.

Section 25.4 is amended to require a public adjuster to notify the Department of Financial Services of a change in the public adjuster's business or residence telephone number, fax number, or email address within 30 days of the change.

Section 25.5 is amended to add definitions of "business entity", "within the second degree of consanguinity", and "supplemental claim" and to make technical amendments.

Section 25.6 is amended to provide that pursuant to Insurance Law Section 2108(s)(2)(A), a public adjuster may not receive any compensation, either directly or indirectly, for a referral of the insured to an individual or entity for services, work, or repairs relating to any insurance claim for which the public adjuster represents the insured or has negotiated or effected a settlement, unless the compensation is prominently and clearly disclosed to the insured in a written compensation agreement. Pursuant to Insurance Law Section 2108(s)(2)(B), a public adjuster who has a financial or ownership interest, directly or indirectly, in an individual or entity that performs services, work, or repairs, or is the spouse of the individual having such an interest, may not refer the insured to the individual or entity unless the financial or ownership interest is prominently and clearly disclosed to the insured in the written compensation agreement. If a public adjuster refers an insured to such an individual or entity, then the written compensation agreement required by this section must be a separate document from any agreement or contract entered to perform services, work, or repairs. Every such agreement or contract must itemize all fees in writing and may not be used to circumvent or in any way increase the amount that the public adjuster may charge pursuant to Section 25.7.

Section 25.6 is further amended to state that pursuant to Insurance Law Section 2108(s)(2)(B), if a public adjuster refers an insured to an individual who is related to the public adjuster by blood or affinity within the second degree of consanguinity, or to an entity owned or controlled by such an individual, for services, work, or repairs relating to any insurance claim for which the public adjuster represents the insured or has negotiated or effected a settlement, then the public adjuster must disclose the relationship to the insured in the written compensation agreement. If a public adjuster refers an insured to an individual or entity described in Section 25.6(e) subsequent to the written compensation agreement being signed by the party to be charged, then the public adjuster may not receive any compensation for the referral unless the public adjuster obtains an acknowledged disclosure statement that is consistent with Form 2 in Section 25.13(b). The disclosure statement is limited to the disclosure of the referral fees, and the party to be charged who signed the original compensation agreement must acknowledge by signature the disclosure statement. The public adjuster must provide a copy of the signed disclosure statement to the insurer.

Section 25.6 also is amended to provide that a public adjuster may not require an insured to use any individual or entity for services, work, or repairs relating to any insurance claim for which the public adjuster represents or represented the insured or has negotiated or effected a

settlement. If services rendered by an outside expert or consultant retained or employed by the public adjuster directly relate to the adjusting function of a public adjuster, then the public adjuster must include the fees for those services in the written compensation agreement and is subject to the maximum compensation set forth in Section 25.7.

Section 25.7 is amended to state that a public adjuster may not charge a fee in excess of 12.5 percent of the recovery for services rendered by the public adjuster, with respect to a claim, except a public adjuster may charge a fee of up to 20 percent on a supplemental claim if the aggregate fee charged is less than or equal to 12.5 percent of the full claim payment. The public adjuster must compute the fee based upon any monies paid by the insurer for any insurance claim for which the public adjuster represents the insured or has negotiated or effected a settlement, after the insured has retained the services of the public adjuster. Any compensation received by a public adjuster, either directly or indirectly, for a referral of an insured to an individual or entity for services, work, or repairs relating to any insurance claim for which the public adjuster represents or represented the insured or has negotiated or effected a settlement, is deemed to be compensation from the insured and, in combination with any other compensation received from the insured, may not exceed the maximum amount that the public adjuster may charge in accordance with this section. Notwithstanding Section 25.7(a) and (b) or Section 25.6(e)(4), a public adjuster may not receive any compensation, either directly or indirectly, for a referral described in Section 25.6(e)(2).

Section 25.9 is amended to make technical amendments and reletter subdivisions.

Section 25.10(b) is amended to make a technical amendment.

The title of Section 25.11 is amended to reference “files” and the text of Section 25.11 is amended to reference books, files, and records; communications. Section 25.11 also is amended to provide that when an insured is represented by a public adjuster, an insurer must include the public adjuster in any written or oral communications the insurer initiates with the insured unless the insured instructs the insurer otherwise in writing.

Section 25.12 is amended to state that when a claim is settled where the insured is represented by a public adjuster, the insurer must follow the direction of the insured, subject to the interests of any loss payee or mortgagee, as to who shall be named on the insurer’s check or checks by following the instructions in a direction to pay letter signed by the insured and filed with the insurer. The insurer may not accept the direction to pay letter unless the letter is signed by the first named insured with respect to commercial claims and all named insureds with respect to non-commercial claims, and the letter is consistent with Form 4 in Section 25.13(d).

Section 25.12 also is amended to provide that upon the written direction of the insured, the insurer must make its check payable to both the public adjuster and the insured, or to the public adjuster named as a payee, but not in excess of the amount of the public adjuster’s fee, as indicated in the written compensation agreement signed by the party to be charged and filed with the insurer, less any referral fee set forth in a disclosure statement made pursuant to Section 25.6(e)(4). If an insured does not submit a direction to pay letter to the insurer, then the insurer may not make any check payable to the public adjuster. Any payment made to a public adjuster may be only for those elements of the claim for which the public adjuster represents the insured. A direction to pay letter will be valid for any payment made pursuant to a claim unless revoked by the insured. A direction to pay letter is revocable by any named insured at any time prior to the insurer issuing a check. If an insured revokes a direction to pay letter, then the revocation must be in writing and signed by the insured. The insured must submit the revocation to the insurer and provide the public adjuster with a copy. A public adjuster may not condition doing business with an insured on the insured signing a direction to pay letter that directs the insurer to name the public adjuster on the check.

Section 25.12 is further amended to provide that any mediation, arbitration, or litigation proceeding involving a dispute regarding a loss in New York between an insured and a public adjuster initiated by a public adjuster must be filed and held in New York and will be subject to the laws of New York.

Section 25.13 is repealed and a new section 25.13 is added to set forth a public adjuster compensation agreement form, disclosure statement form, notice of cancellation form, and direction to pay form.

Final rule as compared with last published rule: Nonsubstantial changes were made in sections 25.3(a), 25.6(e)(4), 25.12(a)(1) and 25.13(a)(2).

Text of rule and any required statements and analyses may be obtained from: Joana Lucashuk, Department of Financial Services, One State Street, 20th Floor, New York, NY 10004, (212) 480-2125, email: Joana.Lucashuk@dfs.ny.gov

Revised Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement

A revised Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement are not required

for the adoption of the Seventh Amendment to 11 NYCRR 25 (Insurance Regulation 10) because the non-substantive revisions to the regulation do not require a change to the previously published Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement.

Initial Review of Rule

As a rule that requires a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2024, which is no later than the 3rd year after the year in which this rule is being adopted.

Assessment of Public Comment

The Department of Financial Services (“DFS”) received comments from a trade organization representing New York property/casualty insurers (“insurer trade”), a trade organization representing public adjusters (“public adjuster trade”), and a property/casualty insurer (collectively, “interested parties”).

Interested parties submitted a number of comments, including comments that: the change to 11 NYCRR § 25.3(a) to prohibit public adjusters from accepting contracts between 6:00 p.m. and 8:00 a.m. would deprive an insured of timely, necessary, and desired professional representation; the definition of “supplemental claim” in 11 NYCRR § 25.5(e) needlessly limits the rights of consumers without a regulatory purpose or basis because it refers to an insured retaining a public adjuster to prove the amount and extent of the loss and not the cause of the loss; the language in 11 NYCRR § 25.6(e)(4) seemingly prevents any compensation being paid to the public adjuster if there is a referral to a relevant contractor without the necessary paperwork and signatures and therefore DFS should add language clarifying that the limitation on the compensation only applies to compensation for the referral; DFS should add language to 11 NYCRR § 25.6(f) that states that “[f]or reasonable expenses incurred for experts and consultants performing services that are beyond the normal estimating process such as architects, engineers, specialized personal property experts, accountants, [and] lawyers, said expenses shall not be considered as part of the public adjuster’s fee for purposes of calculating the maximum fee in Section 25.7 of the Part provided the expert and consultant services were performed with the knowledge, consent and approval of the insured”; limiting the fee to up to 20% of the supplemental claim needlessly reduces the universe of consumers benefitted by the regulation and that public adjusters should be able to charge a fee of up to 30%; DFS should amend 11 NYCRR § 25.11(a) to require that the public adjuster maintain and retain the referral fee disclosure with reasonable and appropriate sanctions for failure to do so instead of filing it with the insurer; DFS should amend 11 NYCRR § 25.11(b) so that an insurer only must include the public adjuster on all written communications, and not oral communications, because requiring an insurer to include the public adjuster in oral communications may hamper communication with the insured; in the absence of a direction to pay letter, 11 NYCRR § 25.12(a) precludes a two-party check payable to both the insured and the public adjuster for the contracted fee and that the amendments are fatally flawed and taken together appear to be unconstitutional; DFS add language to clarify any potential confusion regarding the payment protocols for paying a public adjuster’s fee for claims where there is a mortgagee listed on the policy; the language in 11 NYCRR § 25.12(a)(3) that states that “[a]ny payment made to a public adjuster shall be only for those elements of the claim for which the public adjuster represents the insured” is an unnecessary intrusion on the relationship between the consumer and their professional representatives and that the language will be interpreted as inappropriately disallowing a payment to the public adjuster; the language in 11 NYCRR § 25.12(a)(5), which states that “[a] public adjuster shall not condition doing business with an insured on the insured signing a direction to pay letter that directs the insurer to name the public adjuster on the check” is unconstitutional and that a public adjuster must always be entitled to condition doing business on a reasonable expectation of payment for services rendered; DFS amend 11 NYCRR §§ 25.7 and 25.13 to include a numerical example that demonstrates how the public adjuster’s fee is taken from the claim payment the insurer makes; DFS amend the proposed compensation agreement to include assignment language; and DFS amend the regulation to provide insurers with an outlet to report patterns of excessive or fraudulent claims because the insurer alleges that it is common for public adjusters to grossly inflate the adjustment of losses.

DFS made non-substantive changes to the regulation to clarify certain language, correct an inconsistency, and fix a typographical error. DFS did not make any substantive changes to the regulation, in light of the comments or otherwise. DFS has posted on its website a complete assessment of the public comments that DFS received regarding the amendment to the regulation.

Department of Health

PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Abortion Services

I.D. No. HLT-32-21-00001-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Amendment of sections 756.3 and 756.4 of Title 10 NYCRR.

Statutory authority: Public Health Law, section 2803

Subject: Abortion Services.

Purpose: To protect and promote the health of New Yorkers seeking to access abortion services.

Text of proposed rule: Section 756.3 is amended to read as follows:

The operator shall ensure that:

(a) prior to performing the procedure, the patient receives a [complete physical examination] *clinically relevant examination, which may be satisfied, when clinically appropriate, through a review of the patient's medical history and discussion of patient symptoms conducted through telemedicine.* [with appropriate tests for a positive pregnancy diagnosis and sonography if there is a question of gestational age, and] *T[t]he results [are] of such examination shall be documented in the patient's medical record;*

(b) after the procedure, an evaluation of the [physical and emotional] status of the patient is made and documented in the patient's medical record;

(c) information and counseling about [alternative] methods of [birth control] *contraception* are made available [by a health care professional] to all patients who want such information;

(d) referral is made to another facility for family planning services, if not available at the center, and if desired by the patient; and

(e) [the determination of blood group and Rh type is made prior to the termination of pregnancy. The patient is evaluated for the risk of sensitization to Rho(D) antigen and,] *a determination of blood group and Rh type, if clinically indicated, is made in accordance with evidence based clinical guidelines. [i]f the use of Rh immune globulin is indicated and the patient consents, an appropriate dosage is administered within 72 hours after the termination of pregnancy.*

Section 756.4 is REPEALED and a new section 756.4 is added to read as follows:

756.4 Health care practitioner services

The operator shall ensure that:

(a) a health care practitioner licensed, certified, or authorized under title eight of the education law, acting within such practitioner's lawful scope of practice, performs the abortion; and

(b) an abortion is performed only when, according to the practitioner's reasonable and good faith professional judgment based on the facts of the patient's case: the patient is within twenty-four weeks from the commencement of pregnancy, or there is an absence of fetal viability, or the abortion is necessary to protect the patient's life or health.

Text of proposed rule and any required statements and analyses may be obtained from: Katherine Ceroalo, DOH, Bureau of Program Counsel, Reg. Affairs Unit, Room 2438, ESP Tower Building, Albany, NY 12237, (518) 473-7488, email: regsqna@health.ny.gov

Data, views or arguments may be submitted to: Same as above.

Public comment will be received until: 60 days after publication of this notice.

This rule was not under consideration at the time this agency submitted its Regulatory Agenda for publication in the Register.

Regulatory Impact Statement

Statutory Authority:

The statutory authority is provided under Public Health Law (PHL) § 2803(2), which permits the Public Health and Health Planning Council (PHHPC), upon approval of the Commissioner of Health, to adopt rules necessary to effectuate the provisions and purposes of PHL Article 28.

Legislative Objectives:

The legislative objective of PHL Article 28 includes the protection of the health of the residents of the State by assuring the efficient provision and proper utilization of health services, of the highest quality at a reasonable cost. Specifically, PHL § 2800 provides that "Hospital and related

services including health-related service of the highest quality, efficiently provided and properly utilized at a reasonable cost, are of vital concern to the public health. In order to provide for the protection and promotion of the health of the inhabitants of the state, pursuant to section three of article seventeen of the constitution, the department of health shall have the central, comprehensive responsibility for the development and administration of the state's policy with respect to hospital and related services, and all public and private institutions, whether state, county, municipal, incorporated or not incorporated, serving principally as facilities for the prevention, diagnosis or treatment of human disease, pain, injury, deformity or physical condition or for the rendering of health-related service shall be subject to the provisions of this article."

Needs and Benefits:

The proposed regulatory changes are necessary to protect and promote the health of New Yorkers seeking to access abortion services, consistent with PHL § 2800. The proposed amendments will better enable abortion service clinics, as PHL Article 28 diagnostic and treatment centers, to provide safe, high-quality services by aligning the regulations with current clinical standards for providing abortion care. In particular, repeal of section 756.4, which limited provision of abortion care to physicians, and replacement with language that mirrors PHL § 2599-bb, is necessary in light of the passage of the Reproductive Health Act of 2019. Specifically, the Act affirmed that any health care provider—not merely physicians—licensed and certified under Title 8 of the Education Law and acting within their scope of practice may provide abortion care. The proposed regulatory changes will thus advance the purposes of the Reproductive Health Act, which aimed to codify into state law the fundamental protections relating to abortion access articulated in Roe v. Wade and ensure access to safe, legal abortion in New York State.

The proposed regulatory amendments are also necessary to conform New York's abortion regulations to recent federal case law relating to abortion access, including *Whole Women's Health v Hellerstedt* (579 U.S. ___, 136 S.Ct. 2292 [2016]), *June Medical Services LLC v Russo* (591 U.S. ___, Nos. 18-1323, 18-1460, [2020]), and *Am. Coll. of Obstetricians & Gynecologists v United States FDA* (2020 US Dist LEXIS 122017 [D Md July 13, 2020]). Specifically, section 756.4(b), which requires a physician with admitting privileges at a hospital to conduct an abortion, is unconstitutional according to a recent United States Supreme Court case in *June Medical Services*, which held that a similar Louisiana law requiring physician hospital admitting privileges in order to conduct an abortion poses an undue burden on a woman's right to abortion and is therefore unconstitutional.

With respect to the proposed amendments to section 756.3(a), which would permit clinically-relevant examinations to be conducted via telemedicine, this change is required for consistency with a recent ruling from the United States District Court for the District of Maryland. In that case, the court granted a nationwide preliminary injunction requiring that the U.S. Food and Drug Administration (FDA) temporarily suspend enforcement of the in-person dispensing requirements for the medication mifepristone, when used for medication abortion (*Am. Coll. of Obstetricians & Gynecologists v United States FDA*, 2020 US Dist LEXIS 122017, at *1 [D Md July 13, 2020]). The Court held that the FDA's requirement that mifepristone be dispensed in person during the COVID-19 emergency improperly infringed on access to constitutionally protected medication abortions.

Similarly, subdivisions (a) and (e) of section 756.3 unnecessarily subject all patients, regardless of clinical necessity, to COVID-19 risks by requiring in-person physical examinations and Rh factor testing in order to access abortion during the pandemic. Although the COVID-19 state of emergency will eventually resolve, subdivisions (a) and (e) of section 756.3 must be amended as proposed to ensure that current regulatory requirements do not create barriers to accessing abortion services when in-person visits are not clinically necessary.

Costs:

Costs to Private Regulated Parties:

The private parties subject to the proposed regulations are licensed diagnostic and treatment centers (D&TCs). This proposal is expected to have minimal costs on D&TCs, because the amendments will bring the regulations in line with current clinical practices.

Costs to Local Government:

This proposal will not impact local governments.

Costs to the Department of Health:

The Department will utilize existing resources to review compliance with the amended regulatory requirements.

Costs to Other State Agencies:

The proposed regulatory changes will not result in any additional costs to other state agencies.

Local Government Mandates:

No new local government program, project or activity is required by the proposed regulations.

Paperwork:
No new paperwork requirements would be imposed under the proposed regulatory changes.

Duplication:
These regulatory amendments do not duplicate existing State or federal requirements.

Alternatives:
The Department found no viable alternatives to the proposed regulations. Not amending the regulations was rejected as an option, because the existing regulations, adopted over 30 years ago, are not aligned with current clinical best practices. Failing to make the proposed regulatory changes would also place New York State at odds with federal law, to the extent that current regulations require that at least one physician in the clinic has admitting privileges at a hospital; similar admitting privileges requirements were found unconstitutional by the U.S. Supreme Court in 2016 and 2020 (see *Whole Women's Health v Hellerstedt*, 136 S.Ct. at 2292; *June Medical Services*, Nos. 18-1323, 18-1460).

Federal Standards:
The proposed regulations do not duplicate or conflict with any federal regulations. Indeed, this proposal will bring the Department's regulations in line with federal case law, including two recent U.S. Supreme Court decisions: *Whole Women's Health v Hellerstedt* (136 S.Ct. at 2292) and *June Medical Services* (Nos. 18-1323, 18-1460).

Compliance Schedule:
The regulations will be effective upon publication of a Notice of Adoption in the New York State Register.

Regulatory Flexibility Analysis

No Regulatory Flexibility Analysis is required pursuant to section 202-(b)(3)(a) of the State Administrative Procedure Act. The proposed amendment does not impose an adverse economic impact on small businesses or local governments, and it does not impose reporting, recordkeeping or other compliance requirements on small businesses or local governments.

Rural Area Flexibility Analysis

A Rural Area Flexibility Analysis for these amendments is not being submitted because amendments will not impose any adverse impact or significant reporting, record keeping or other compliance requirements on public or private entities in rural areas. There are no professional services, capital, or other compliance costs imposed on public or private entities in rural areas as a result of the proposed amendments.

Job Impact Statement

A Job Impact Statement for the proposed regulatory amendments is not being submitted because it is apparent from the nature and purposes of the amendments that they will not have a substantial adverse impact on jobs and/or employment opportunities.

2655, email: john.pitucci@dps.ny.gov An IRS employer ID no. or social security no. is required from firms or persons to be billed 25 cents per page. Please use tracking number found on last line of notice in requests.

Assessment of Public Comment

An assessment of public comment is not submitted with this notice because the rule is within the definition contained in section 102(2)(a)(ii) of the State Administrative Procedure Act.

(20-E-0672SA1)

PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Prohibition on ESCO Service to Low-Income Customers

I.D. No. PSC-32-21-00002-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering a petition filed on July 7, 2021 by Icon Energy, LLC d/b/a Source Power Company seeking a waiver to the prohibition on service to low-income customers by energy service companies (ESCOs).

Statutory authority: Public Service Law, sections 5(1)(b), 65(1), (2), (3), 66(1), (2), (3), (5), and (8)

Subject: Prohibition on ESCO service to low-income customers.

Purpose: To consider whether Icon Energy, LLC d/b/a Source Power Company should be granted a waiver to serve low-income customers.

Substance of proposed rule: The Public Service Commission (Commission) is considering a petition filed on July 7, 2021 by Icon Energy, LLC d/b/a Source Power Company (Source Power) seeking a waiver to the prohibition on service by energy service companies (ESCOs) to low-income customers (Petition).

On December 16, 2016, the Commission directed a prohibition on ESCO service to low-income customers (Prohibition Order). The Prohibition Order provided that, if an ESCO can demonstrate that it is capable of providing a product to low-income customers that guarantees savings compared to what the customer would have otherwise paid as a full-service utility customer, it may seek a waiver of the Prohibition Order from the Commission.

In its petition, Source Power seeks such a waiver, indicating that it intends to serve low-income customers with a product that guarantees savings compared to what the customer would have otherwise paid as a full-service utility customer, and that it can otherwise meet the Commission's objectives set forth in the Prohibition Order. Source Power explains that its guaranteed savings calculation will be compared to the utility's default supply rate, which is made up of all utility supply rate components, including but not limited to Electricity Supply Reconciliation Mechanism, Government Surcharges, Gross Receipts Tax Rate, Merchant Function Charge, MFC Surcharge, and taxes on supply for the same 12-month or shorter period that the customer is enrolled with Source Power. Source Power notes that, in order to serve mass-market customers, it has provided documentation demonstrating its ability to calculate the utility rate based on individual rate components of the applicable tariff and that these calculations were reviewed by Department of Public Service Staff and found acceptable.

Source Power asserts that its guaranteed savings product is designed to produce savings each month to customers, as compared to the utility rate, and avows that, because pricing relies on forecasted rates, it will commit to true-ups at least every 12 months to further ensure guaranteed savings to all customers, including low-income customers. Source Power proposes to monitor savings calculations and application of savings for low-income customers by consistently auditing applicable utility tariffs and performing random audits of customer billings on its guaranteed savings product to ensure compliance and accuracy of its savings calculation methodology. Source Power commits to providing the Commission an audit report for all its guaranteed savings product customers that will include the number of customers served for each period, as well as other information, with low-income customers segregated from the larger population.

The full text of the petition and the full record of the proceeding may be reviewed online at the Department of Public Service web page: www.dps.ny.gov. The Commission may adopt, reject, or modify, in whole or in part, the action proposed and may resolve other related matters.

Text of proposed rule and any required statements and analyses may be obtained by filing a Document Request Form (F-96) located on our website <http://www.dps.ny.gov/f96dir.htm>. For questions, contact: John Pitucci, Public Service Commission, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 486-2655, email: john.pitucci@dps.ny.gov

Public Service Commission

NOTICE OF ADOPTION

Submetering of Electricity

I.D. No. PSC-05-21-00006-A

Filing Date: 2021-07-21

Effective Date: 2021-07-21

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: On 7/15/21, the PSC adopted an order approving LS-14 Ave LLC's (LS-14 Ave) notice of intent to submeter electricity at 540 Sixth Avenue, New York, New York.

Statutory authority: Public Service Law, sections 2, 4(1), 30, 32-48, 52, 53, 65(1), 66(1), (2), (3), (4), (12) and (14)

Subject: Submetering of electricity.

Purpose: To approve LS-14 Ave's notice of intent to submeter electricity.

Substance of final rule: The Commission, on July 15, 2021, adopted an order approving LS-14 Ave LLC's notice of intent to submeter electricity at 540 Sixth Avenue, New York, New York, located in the service territory of Consolidated Edison Company of New York, Inc., subject to the terms and conditions set forth in the order.

Final rule as compared with last published rule: No changes.

Text of rule may be obtained from: John Pitucci, Public Service Commission, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 486-

Data, views or arguments may be submitted to: Michelle L. Phillips, Secretary, Public Service Commission, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 474-6530, email: secretary@dps.ny.gov

Public comment will be received until: 60 days after publication of this notice.

Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement

Statements and analyses are not submitted with this notice because the proposed rule is within the definition contained in section 102(2)(a)(ii) of the State Administrative Procedure Act.

**PROPOSED RULE MAKING
NO HEARING(S) SCHEDULED**

Exemptions from Utility Standby Rates for Certain Designated or Environmentally Advantageous Technologies

I.D. No. PSC-32-21-00003-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering a proposal by the Joint Utilities to harmonize each utility's requirements for technology-based exemptions to standby service rates.

Statutory authority: Public Service Law, sections 64, 65(1), (2), (3), (5), 66(1), (2), (5), (8), (9), (10) and (12)

Subject: Exemptions from utility standby rates for certain designated or environmentally advantageous technologies.

Purpose: To harmonize standby rate exemptions statewide.

Substance of proposed rule: The Public Service Commission (Commission) is considering a proposal filed on July 13, 2021 by Central Hudson Gas & Electric Corporation (Central Hudson); Consolidated Edison Company of New York, Inc. (Con Edison); New York State Electric & Gas Corporation (NYSEG); Niagara Mohawk Power Corporation d/b/a National Grid (National Grid); Orange and Rockland Utilities, Inc. (O&R); and Rochester Gas & Electric Corporation (RG&E), collectively, the Joint Utilities, to harmonize standby rate exemptions as directed by the Commission in the May 14, 2021 Order Continuing Certain Exemptions to Standby Rates (Standby Exemption Order) issued in this proceeding.

The Joint Utilities identify two areas where modification of certain utilities' tariffs are required to achieve statewide harmonization of standby rate exemptions. First, National Grid limits eligibility for standby rate exemptions for Designated Technologies, which National Grid's tariff calls "Environmentally Advantageous Technologies" for systems sized at or below the limits established by Public Service Law § 66-j and 66-l, while the other utilities do not. To align all the utility tariffs, National Grid proposes to amend its tariff to extend eligibility for its Environmentally Advantageous Technologies standby rate exemption to designated technologies of any size, with the exception of an energy storage system limit of one megawatt (MW) of inverter capability.

Second, Con Edison, O&R, and National Grid limit the standby rate exemption to energy storage systems of one MW of inverter capability or less while Central Hudson imposes no size limit and NYSEG and RG&E provide no energy storage system exemption. To harmonize standby rate exemptions related to energy storage systems, Central Hudson proposes to amend its tariff to implement a one MW size limitation for standby rate exemptions for energy storage systems, while NYSEG and RG&E propose to amend their tariffs to add a standby rate exemption for energy storage systems up to one MW in size.

The full text of the proposal and the full record of the proceeding may be reviewed online at the Department of Public Service web page: www.dps.ny.gov. The Commission may adopt, reject or modify, in whole or in part, the action proposed and may resolve related matters.

Text of proposed rule and any required statements and analyses may be obtained by filing a Document Request Form (F-96) located on our website <http://www.dps.ny.gov/f96dir.htm>. For questions, contact: John Pitucci, Public Service Commission, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 486-2655, email: john.pitucci@dps.ny.gov

Data, views or arguments may be submitted to: Michelle L. Phillips, Secretary, Public Service Commission, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 474-6530, email: secretary@dps.ny.gov

Public comment will be received until: 60 days after publication of this notice.

Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement

Statements and analyses are not submitted with this notice because the proposed rule is within the definition contained in section 102(2)(a)(ii) of the State Administrative Procedure Act.

NOTICE OF ADOPTION

Establishment of Parentage

I.D. No. TDA-13-21-00010-A

Filing No. 881

Filing Date: 2021-07-27

Effective Date: 2021-08-11

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Amendment of section 346.2 and Part 347 of Title 18 NYCRR.

Statutory authority: United States Code, title 42, sections 651-657, 660, 663-664, 666-667; Code of Federal Regulations, title 45, section 303.5; Family Court Act, section 516-a; Public Health Law, section 4135-b; Social Services Law, sections 17(a)-(b), (k), 20(3)(d), 34(3)(f), 111-a, 111-c, 111-k; L. 2020, ch. 56, part L

Subject: Establishment of parentage.

Purpose: To amend state regulations concerning the establishment of paternity to reflect federal and recently-enacted state statutory requirements, to coordinate and update terminology used by the Child Support Program, and to conform regulatory citations with state laws.

Text or summary was published in the March 31, 2021 issue of the Register, I.D. No. TDA-13-21-00010-P.

Final rule as compared with last published rule: No changes.

Text of rule and any required statements and analyses may be obtained from: Richard P. Rhodes, Jr., New York State Office of Temporary and Disability Assistance, 40 North Pearl Street, 16-C, Albany, NY 12243-0001, (518) 486-7503, email: richard.rhodesjr@otda.ny.gov

Initial Review of Rule

As a rule that does not require a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2026, which is no later than the 5th year after the year in which this rule is being adopted.

Assessment of Public Comment

The agency received no public comment.

ACTION PENDING INDEX

The action pending index is a list of all proposed rules which are currently being considered for adoption. A proposed rule is added to the index when the notice of proposed rule making is first published in the *Register*. A proposed rule is removed from the index when any of the following occur: (1) the proposal is adopted as a permanent rule; (2) the proposal is rejected and withdrawn from consideration; or (3) the proposal's notice expires.

Most notices expire in approximately 12 months if the agency does not adopt or reject the proposal within that time. The expiration date is printed in the second column of the action pending index. Some notices, however, never expire. Those notices are identified by the word "exempt" in the second column. Actions pending for one year or more are preceded by an asterisk(*).

For additional information concerning any of the proposals

listed in the action pending index, use the identification number to locate the text of the original notice of proposed rule making. The identification number contains a code which identifies the agency, the issue of the *Register* in which the notice was printed, the year in which the notice was printed and the notice's serial number. The following diagram shows how to read identification number codes.

Agency code	Issue number	Year published	Serial number	Action Code
AAM	01	12	0001	P

Action codes: P — proposed rule making; EP — emergency and proposed rule making (expiration date refers to proposed rule); RP — revised rule making

Agency I.D. No.	Expires	Subject Matter	Purpose of Action

ADVERTISEMENTS FOR BIDDERS/CONTRACTORS

SEALED BIDS

Replace
Air Handlers/HVAC System
Marcy Correctional Facility
Marcy, Oneida County

Sealed bids for Project Nos. M3137-H and M3137-E, comprising separate contracts for HVAC Work and Electrical Work, Replace Air Handlers / HVAC System, Building 12, Marcy Correctional Facility, 9000 Old River Road, Marcy (Oneida County), NY will be received by the Office of General Services (OGS), Design & Construction Group (D&C), Division of Contract Management, 35th Fl., Corning Tower, Empire State Plaza, Albany, NY 12242, on behalf of the Department of Correctional Services, until 2:00 p.m. on Wednesday, September 1, 2021, when they will be publicly opened and read. Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by a bid security (i.e. certified check, bank check, or bid bond in the amount of \$22,900 for H and \$4,600 for E).

All successful bidders will be required to furnish a Performance Bond and a Labor and Material Bond pursuant to Sections 136 and 137 of the State Finance Law, each for 100% of the amount of the Contract estimated to be between \$250,000 and \$500,000 for H and between \$50,000 and \$100,000 for E.

Pursuant to State Finance Law §§ 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between OGS D&C and a bidder during the procurement process. A bidder is restricted from making contacts from the earliest posting on the OGS website, in a newspaper of general circulation, or in the Contract Reporter, of written notice, advertisement or solicitation of offers, through final award and approval of the contract by OGS D&C and the Office of the State Comptroller ("Restricted Period") to other than designated staff, unless it is a contract that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). Designated staff are John Pupons, Jessica Hoffman and Pierre Alric in the Division of Contract Management, telephone (518) 474-0203, fax (518) 473-7862, and John Lewyckyj, Acting Director, Design & Construction Group, telephone (518) 474-0201, fax (518) 486-1650. OGS D&C employees are also required to obtain certain information when contacted during the restricted period and to make a determination of the responsibility of the bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period, the bidder is debarred from obtaining governmental Procurement Contracts. Bidders responding to this Advertisement must familiarize themselves with the State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the bid form. Further information about these requirements can be found within the project manual or at: <https://ogs.ny.gov/ACPL/>

Pursuant to Public Buildings Law § 8(6), effective January 11, 2020, for any projects where the project design commenced on or after January 1, 2020 and for any contracts over \$5,000 for the work of construction, reconstruction, alteration, repair, or improvement of any State building, a responsible and reliable NYS-certified Minority or Women-Owned Business Enterprise that submits a bid within ten percent of the lowest bid will be deemed the apparent low bidder

provided that the bid is \$1,400,000 or less, as adjusted annually for inflation beginning January 1, 2020. If more than one responsible and reliable MWBE firm meets these requirements, the MWBE firm with the lowest bid will be deemed the apparent low bidder.

Project commenced design before January 1, 2020. Not subject to provision.

Project commenced design on or after January 1, 2020. Subject to provision.

The substantial completion date for this project is 330 days after the Agreement is approved by the Comptroller.

No pre-bid site visits have been scheduled for this project and prospective bidders are not allowed to visit the project site or facility buildings and grounds to take measurements or examine existing conditions.

Pursuant to New York State Executive Law Article 15-A and the rules and regulations promulgated thereunder, OGS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of OGS contracts. All bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 20% for MWBE participation, 10% for Minority-Owned Business Enterprises ("MBE") participation and 10% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs). The total contract goal can be obtained by utilizing any combination of MBE and/or WBE participation for subcontracting and supplies acquired under this Contract. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of MWBEs on the Contract for the provision of services and materials.

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"). Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles. OGS hereby establishes overall goals for SDVOBs' participation under this contract as follows: 0% for the E trade contractor, and 6% for the H trade contractor, based on the current availability of qualified SDVOBs. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials.

The Office of General Services reserves the right to reject any or all bids.

The Bidding and Contract Documents for this Project are available for viewing and downloading from OGS Design & Construction's plan room hosting service, Bid Express. Vendors wishing to view and/or download bid documents must complete a one-time registration for the Bid Express service. There is no cost to register for Bid Express. Registration along with viewing and downloading of documents can be accessed at the following link: <http://www.bidexpress.com>

For questions about downloading of bid documents, please send an e-mail to support@bidexpress.com, or call the Bid Express toll-free number at (888) 352-2439.

For all other questions, please send an email to DCPlans@ogs.ny.gov, or call (518) 474-0203.

MISCELLANEOUS NOTICES/HEARINGS

Notice of Abandoned Property Received by the State Comptroller

Pursuant to provisions of the Abandoned Property Law and related laws, the Office of the State Comptroller receives unclaimed monies and other property deemed abandoned. A list of the names and last known addresses of the entitled owners of this abandoned property is maintained by the office in accordance with Section 1401 of the Abandoned Property Law. Interested parties may inquire if they appear on the Abandoned Property Listing by contacting the Office of Unclaimed Funds, Monday through Friday from 8:00 a.m. to 4:30 p.m., at:

1-800-221-9311
or visit our web site at:
www.osc.state.ny.us

Claims for abandoned property must be filed with the New York State Comptroller's Office of Unclaimed Funds as provided in Section 1406 of the Abandoned Property Law. For further information contact: Office of the State Comptroller, Office of Unclaimed Funds, 110 State St., Albany, NY 12236.

PUBLIC NOTICE

New York City
Deferred Compensation Plan & NYCE IRA

The New York City Deferred Compensation Plan & NYCE IRA (the "Plan") is seeking proposals from qualified vendors to provide Auditing Services for the City of New York Deferred Compensation Plan. The Request for Proposals ("RFP") will be available beginning on Wednesday, July 28, 2021. Responses are due no later than 4:30 p.m. Eastern Time on Wednesday, August 25, 2021. To obtain a copy of the RFP, please visit the Plan's website at www1.nyc.gov/site/olr/about/about-rfp.page and download and review the applicable documents.

If you have any questions, please email them to Georgette Gestely, Director, at RPretax@nyceplans.org

Consistent with the policies expressed by the City, proposals from certified minority-owned and/or women-owned businesses or proposals that include partnering arrangements with certified minority-owned and/or women-owned firms are encouraged. Additionally, proposals from small and New York City-based businesses are also encouraged.

PUBLIC NOTICE

Department of State
F-2021-0263
Date of Issuance – August 11, 2021

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act (CZMA) of 1972, as amended.

The applicant has certified that the proposed activities comply with and will be conducted in a manner consistent with the federally approved New York State Coastal Management Program (NYSCMP). The applicant's consistency certification and accompanying public in-

formation and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

In F-2021-0263 Robert D'Argenio and Joseph Caggiano are proposing to: 1) Remove 20 feet of an existing solid filled timber pier, install rip rap along 20' of each side of the waterward end of the pier and reface the pier with treated lumber. 2) Place rip rap along at the waterward end and along 20 additional linear feet of two peninsulas, use stabilizing material to reinforce the remainder of each of the peninsulas in addition to erosion control measure being employed upslope of the rip rap. Rip rap is also proposed to be placed along the outside edge of each peninsula. The bank located at the back end (landward end) of the western peninsula is proposed to be stabilized with pressure treated lumber and the back end of the eastern peninsula is proposed to be stabilized and used as a boat launch replacing an existing Marston Mat boat ramp. 3) Dredge material from each of the two channels to a depth of 3' resulting in ~1,890 cubic yards of dredged material. The material is proposed to be dewatered on the peninsulas. The dredged material is proposed to be placed on the peninsulas to a depth of 1-1.5'. Both peninsulas have been determined to be state and federally regulated freshwater wetlands.

The stated purpose of the proposed work is to protect the shoreline, refurbish the pier and dredge the channels.

The work is proposed for the applicants' properties on the Salmon River at 24 and 28 Scharoun Drive in the Town of Richland, Oswego County.

The applicant's consistency certification and supporting information are available for review at: <https://dos.ny.gov/system/files/documents/2021/08/f-2021-0263publicnotice.pdf>

The proposed activity would be located within or has the potential to affect the following Special Management or Regulated Area(s): Salmon River Coastal Fish and Wildlife Habitat

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice or September 10, 2021.

Comments should be addressed to: Department of State, Office of Planning and Development and Community Infrastructure, Consistency Review Unit, One Commerce Plaza, Suite 1010, 99 Washington Ave., Albany, NY 12231, (518) 474-6000. Electronic submissions can be made by email at: CR@dos.ny.gov

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

PUBLIC NOTICE

Department of State
F-2021-0329
Date of Issuance – August 11, 2021

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program. The applicant's consis-

tency certification and accompanying public information and data are available for inspection on the New York State Department of State's website at <https://dos.ny.gov/system/files/documents/2021/08/f-2021-0329.pdf>

In F-2020-0329, or the "Hamilton Boat Dock", the applicant – Thomas Hamilton – proposes to construct a 4' by 130' piling-supported timber pier; piling-supported boat elevator; 3.5' by 40' aluminum ramp; 8' by 25' timber floating dock with 30" tall float skids; four steel anchor pilings. Total area of proposed structures with berthing is approximately 1,950 square feet, approximately 1,880 square feet below Mean High Water.

The purpose of this project is to provide safe access to the water for private recreational docking. The project is located at 14 Parsonage Point Place in the City of Rye, Westchester County on Long Island Sound.

Any interested parties and/or agencies desiring to express their views concerning the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice, or, September 10, 2021.

Comments should be addressed to: Department of State, Office of Coastal, Local Government and Community Sustainability, One Commerce Plaza, 99 Washington Ave., Suite, 1010, Albany, NY 12231, (518) 474-6000, Fax (518) 474-6572. This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

PUBLIC NOTICE

Department of State

F-2021-0377

Date of Issuance – August 11, 2021

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program.

In F-2021-0377- Kenneth Springer proposes to remove existing 107' of bulkhead and replace in kind 107' single wale bulkhead with (2) 10' returns and bulkhead to be raised 6"; Installation of new vertical deadman pins; Installation of 6 foot wide Boardwalk landward of bulkhead; Installation of 4 foot wide gravel area landward of bulkhead; Installation of 4' x 16' fixed pier; Installation of 3' x 12' ramp; Installation of 6' x 20' floating dock; and installation of kayak rack at 88 Lake Avenue, Center Moriches, NY, 11934.

Town of Brookhaven, County of Suffolk, Senix Creek.

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice, or September 10, 2021.

Comments should be addressed to: Consistency Review Unit, Department of State, Office of Planning, Development and Community Infrastructure, One Commerce Plaza, 99 Washington Ave., Albany, NY 12231, (518) 474-6000, Fax (518) 473-2464. Electronic submissions can be made by email at: CR@dos.ny.gov

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

PUBLIC NOTICE

Department of State
F-2021-0666

Date of Issuance - August 11, 2021

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program.

In F-2021-0666, NYS Parks, Recreation, and Historic Preservation is proposing to place rock reefs and sills along the shoreline, installation of planting boxes between the reefs and the shoreline, installation

of submerged logs for added stability and protection against erosion both offshore and along the shoreline, removal of invasive trees and shrubs, grading localized riverbank slopes and planting of submerged, emergent, riparian and upland vegetation within designated planting zones, along the above shoreline and localized grading to establish gradual slopes. The proposed project is located in Grand Island, Erie County, Niagara River.

The stated purpose of the proposed action is to enhance aquatic and riparian habitats to increase the net quantity, quality, and productivity of the aquatic ecosystem.

The applicant's consistency certification and supporting information are available for review at: https://dos.ny.gov/system/files/documents/2021-08_f-2021-0666_wrs_rest_pln

Original copies of public information and data submitted by the applicant are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice, or September 10, 2021.

Comments should be addressed to Consistency Review Unit, Department of State, Office of Planning, Development and Community Infrastructure, One Commerce Plaza, 99 Washington Ave., Albany, NY 12231, (518) 474-6000, Fax (518) 473-2464. Electronic submissions can be made by email at: CR@dos.ny.gov

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

PUBLIC NOTICE

Department of State
F-2021-0668

Date of Issuance - August 11, 2021

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program.

In F-2021-0668, Lighthouse Landing Communities is proposing to construct a public access dock for transient boating use consisting of the following structures: 8' x 59' access pier with 7' x 8' pier head, 5' x 80' gangway, 8' x 120' floating dock with 10' x 16' landing float, and two 3 pile ice deflector timber dolphins. Construction of a public access fishing pier consisting of the following structures: 8' x 35' access walkway, 10' x 88' long wharf, and two 3 pile ice deflector dolphins. Installation of 1000 cy of beach fill sand. The proposed project is located at 199 Beekman Avenue, Sleepy Hollow, Westchester County, Hudson River.

The stated purpose of the proposed action is to allow for transient boat docking and water dependent access to the newly developed upland areas. The fishing pier and beach improvements will allow for passive and active recreational activities.

The applicant's consistency certification and supporting information are available for review at: https://dos.ny.gov/system/files/documents/2021-08_f-2021-0668_lighthouse_landing

Original copies of public information and data submitted by the applicant are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice, or September 10, 2021.

Comments should be addressed to: Consistency Review Unit, Department of State, Office of Planning, Development and Community Infrastructure, One Commerce Plaza, 99 Washington Ave.,

Albany, NY 12231, (518) 474-6000, Fax (518) 473-2464. Electronic submissions can be made by email at: CR@dos.ny.gov

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

PUBLIC NOTICE

Department of State
Uniform Code Variance/Appeal Petitions

Pursuant to 19 NYCRR Part 1205, the variance and appeal petitions below have been received by the Department of State. Unless otherwise indicated, they involve requests for relief from provisions of the New York State Uniform Fire Prevention and Building Code. Persons wishing to review any petitions, provide comments, or receive actual notices of any subsequent proceeding may contact Brian Tollisen or Neil Collier, Building Standards and Codes, Department of State, One Commerce Plaza, 99 Washington Ave., Albany, NY 12231, (518) 474-4073 to make appropriate arrangements.

2021-0383 Matter of PAC Architecture and Design, Peter Cinquemani, 75 Albertson Avenue, Albertson, NY 11507, for a variance concerning safety requirements, including the required ceiling height. Involved is an existing one-family dwelling located at 40 White Oak Tree Road, Syosset, Village of Laurel Hollow, NY 11791, County of Nassau, State of New York.

OPINIONS OF THE ATTORNEY GENERAL

The full text of an informal or formal opinion of the Attorney General may be obtained by writing to the Office of Legal Records, Department of Law, State Capitol, Albany, NY 12224. Please include the identification number, the date, the section(s) of law considered and the subject of the opinion.

INFORMAL OPINIONS

No. 2021-1

Home Rule Municipal Law §§ 10(1)(i), 40; Legislative Law § 55; New York Constitution Article IX, sections 2(c), 2(b)(2); Session Laws L. 1982, ch. 719 §§ 1 & 7, Act of Nov. 13, 2013, ch. 498 §§ 2 & 9

The town of Islip need not seek additional special legislation before revising the permitted size of the Central Islip Fire Districts' proposed fire substation.
