Courses that are approved for In-Service training begin with course code “NY21”¹. These courses must be completed within the same calendar year. Do not restart a course from your Simpson Strong-Tie Transcript if the course was started in the previous calendar year. Doing so may prevent you from receiving credit.

Simpson Strong-Tie provides course completion reports to the Division of Building Standards and Codes every month. You may have to wait until the following month for completed courses to show up in you SLMS account.

¹ For example: NY21AS716A, Changes in Wind Design with ASCE 7-16.
