I. INTRODUCTION

The purpose of this RFA is to establish an agreement with qualified not-for-profit organizations to provide immigration legal services and law-related support for immigrants across New York State. Applicants must use a “universal representation” model to provide services under this grant. A universal representation model services any immigrant in need of immigration legal representation.

This RFA combines the existing ONA Legal Counsel and Liberty Defense Project Regional Rapid Response programs into one unified, enhanced ONA Legal Counsel contract, which will serve to strengthen the State’s provision of free, experienced, and trusted legal services, and build a solid network of experts by streamlining their ability to interact under one umbrella, while facilitating how grantees go about meeting deliverables, thus meeting the needs of the new American community throughout New York State.

Since its creation in 2012, the New York State Office for New Americans (ONA) has provided an array of supportive immigration related services including legal assistance to thousands of new Americans across the State. ONA’s service delivery, including its immigration legal services, have evolved as the needs of the community have changed. During the previous federal administration, ONA adapted its programming to respond to and meet the needs at that time, including expanding the role of its Legal Counsels to include the provision of direct representation for a larger number of cases and creating a Regional Rapid Response component to the Liberty Defense Project (LDP).

More recently, in responding to requests for assistance across the state, including during the COVID-19 pandemic, ONA sought to address the critical needs of under-served and vulnerable new American communities. Through its Ramirez June Initiative to assist new Americans with intellectual and developmental disabilities, ONA has addressed the need for focused legal assistance for this population, including supporting its legal partners to gain additional expertise in the area of disability related naturalization and adult guardianship. ONA’s partners have also shared the unique needs of new American communities of color and indigenous communities particularly vulnerable to changing immigration enforcement and policies.

Looking to the future of community-based and responsive immigration legal programming, with this RFA ONA is proposing an enhanced Legal Counsel program that will take a holistic approach to legal services by merging elements of both the existing Legal Counsel and LDP programs to ensure that services meet ongoing needs and eliminate duplication of efforts, while sustaining the legal capacity already established by each program’s network of community-based providers. By combining these two programs, ONA’s delivery of legal services will be enhanced as it takes a pro-active step to ensure that the right to an attorney is easily available to all New York residents, irrespective of immigration status, for years to come.

II. FUNDING AND PROJECT PERIOD

The New York State Department of State (DOS) ONA, through this RFA is making approximately \$6,000,000 available to fund this program.

Approximately six awards will be granted to organizations applying to Part A of the RFA, approximately four awards will be granted to organizations applying to Part B of the RFA, and approximately four awards will be granted to organizations applying to Part C of the RFA.

Awards will be granted to qualified not-for-profit organizations according to the following breakdown:

Part A - \$300,000 per region
Part B - \$450,000 per region
Part C - \$600,000 per region

If an agency wishes to apply for more than one region, a separate application must be submitted for each region. See Section V for a breakdown of regions under this RFA.

Each contract will have the option of three one-year renewals at the same funding level as Year One. Funding in subsequent years is contingent upon funds being appropriated in the State budget and the organization's ability to meet the program requirements as stipulated in this RFA. Matching funds are not required for this grant and no preference will be given to organizations that provide matching funds under this grant.

VI. REQUIRED ACTIVITIES

This section discusses required activities and contractual documentation requirements for the ONA Legal Counsel grantees in all regions for Part A, Part B and Part C. All services should be provided by the ONA Legal Counsel with the support of the grantee. Each ONA Legal Counsel is expected to dedicate their work exclusively to the Required Activities defined in this part.

All services provided under this grant must be offered at no charge to the clients. Significant travel will be expected of ONA Legal Counsel to meet the needs of immigrants throughout the assigned region.

Each grantee organization will be required to provide and/or procure language translation/interpretation and accessibility services for non-English proficient immigrant clients and immigrant clients with communication-related disabilities. Attorneys funded under this grant must have language ability or access to confidential language access and/or effective communication accommodation services when assisting clients. It is expected that every client who receives assistance from an attorney funded under this grant will be served in the language of the client's choice, including sign language, and materials in braille.

In addition, grantees should be aware that clients being served under this grant may need additional assistance with reasonable accommodations in compliance with the Americans with Disabilities Act (ADA). The ONA Ramirez June Initiative will work with grantees should any accommodations or technical assistance be needed.

1. Recruit and hire or repurpose immigration lawyers to serve as Legal Counsels

Each host organization must hire or repurpose Legal Counsels who each meet the following minimum qualifications:

- (1) Be a member in good standing of the bar of the highest court of any state in the country or U.S. territory; and
- (2) Have three or more years of experience as an attorney, including at least two years of immigration law experience OR work under the supervision of a senior attorney with three or more years of immigration law experience.

For Part A, each grantee will have two qualified immigration attorneys, with one Legal Counsel dedicating 100% of their time to grant activities throughout the entirety of the grant. The other Legal Counsel position may utilize an FTE staffing model to total 100% for that position.

For Part B, each grantee will have three qualified immigration attorneys, with one Legal Counsel dedicating 100% of their time to grant activities throughout the entirety of the grant. The other two Legal Counsel positions may utilize an FTE staffing model to total 100% per position.

For Part C, each grantee will have four qualified immigration attorneys, with one Legal Counsel dedicating 100% of their time to grant activities throughout the entirety of the grant. The other three Legal Counsel positions may utilize an FTE staffing model to total 100% per position.

2. Provide intake/direct representation to immigrants

Certain new Americans may have complex legal needs that require representation by an attorney. Legal Counsels will screen and provide direct representation to immigrants. Legal Counsels must be prepared to handle all types of immigration cases including, but not limited to:

- Deferred Action for Childhood Arrivals (DACA)
- Asylum
- U visas
- T visas
- Temporary Protected Status (TPS)
- Special Immigrant Juvenile Status (SIJS)
- Unaccompanied/separated minors
- Violence Against Women Act (VAWA)
- Convention Against Torture (CAT)
- Withholding of removal
- Removal proceedings, for those currently detained or not, including those with a prior order of removal
- Work permits
- Bond hearings
- Board of Immigration Appeals (BIA)
- ICE Case Review Process
- Federal litigation (e.g. habeas corpus petitions)¹
- Parole
- Guardianship/custody issues for minors in the face of potential deportation of parents or guardians
- Family reunification
- Consular processing
- Family-based immigration
- Complex naturalization, including considerations for individuals with intellectual and developmental disabilities, such as N-648's and naturalization related guardianship

Each Legal Counsel must use a “universal representation” model in the provision of services to any immigrant in need of legal representation who meets geographic eligibility requirements.

¹ In certain circumstances, the final agency decision of the BIA can be further litigated in a U.S. Circuit Court of Appeals. Thus, the allowed Federal litigation will apply to challenging the following: U.S. Citizenship and Immigration Services' (USCIS) unreasonable delay in adjudicating an application or petition; USCIS' denial of an application for naturalization; the unlawful detention of someone in immigration custody; a removal order on legal or constitutional grounds.

Legal Counsel grantees are expected to maintain capacity to take on cases for direct representation from Opportunity Center consultation days as well as referrals from ONA.

All attorneys that will practice in New York State Family Court must be barred in New York State.

Grantee caseloads are calculated based on the number of Opportunity Centers in the region of coverage. In some regions, for example the North Country, ONA may designate another ONA grantee as a host organization to count as an Opportunity Center for the purposes of this grant.

For the purposes of this RFA, a “case” is defined as an individual client. Grantee caseload expectations are detailed as follows:

- Part A -
 - Grantees with 0 or 1 Opportunity Center in their region of coverage will provide assistance to 50 – 60 cases at a time
 - Grantees with 2 or 3 Opportunity Centers in their region of coverage will provide assistance to 40 – 50 cases at a time
 - Grantees with 4 or 5 Opportunity Centers in their region of coverage will provide assistance to 30 – 40 cases at a time
- Part B -
 - Grantees with 0 or 1 Opportunity Center in their region of coverage will provide assistance to 75 – 90 cases at a time
 - Grantees with 2 or 3 Opportunity Centers in their region of coverage will provide assistance to 60 – 75 cases at a time
 - Grantees with 4 or 5 Opportunity Centers in their region of coverage will provide assistance to 45 – 60 cases at a time
- Part C -
 - Grantees with 0 or 1 Opportunity Center in their region of coverage will provide assistance to 100 – 120 cases at a time
 - Grantees with 2 or 3 Opportunity Centers in their region of coverage will provide assistance to 80 – 100 cases at a time
 - Grantees with 4 or 5 Opportunity Centers in their region of coverage will provide assistance to 60 – 80 cases at a time

3. Provide immigration law consultations to new Americans with immigration legal questions at ONA Opportunity Centers and other community organizations

Legal Counsels will provide advice to scheduled and walk-in clients with immigration law questions on a consultation basis.

ONA Opportunity Centers are contracted community-based organizations providing naturalization and other immigration related support. Legal Counsels will work with each ONA Opportunity Center in their corresponding region to schedule mutually convenient legal consultation days, and the ONA Opportunity Center staff will schedule legal consultation appointments for the ONA Legal Counsels throughout the day. Legal Counsel grantees will provide 20 consultation days at each assigned ONA Opportunity Center.

During each legal consultation day, ONA Opportunity Centers or the host organization will schedule multiple appointments and ONA Legal Counsels will meet with multiple individuals with immigration law questions.

For each Opportunity Center in the service region, the grantee must designate one Legal Counsel liaison to that Opportunity Center, to coordinate consultation days, receive referrals, answer questions, etc.

In addition, Legal Counsel grantees will arrange four place-based immigration consultation days to process immigration related applications and provide immigration consultations in the zip codes other than the one in which the Opportunity Center is located.

For regions with no Opportunity Centers, Legal Counsel grantees will need to provide 24 consultation days annually at other community organizations.

As needed, ONA may designate up to two consultation days per year, per region, as “ONA sponsored” events hosted by the Legal Counsel in locations identified by ONA.

As needed, ONA may ask Legal Counsel grantees to provide legal support to other ONA contracted partners in their region. ONA will consult with the Legal Counsel grantee prior to assignment.

Legal Counsels will provide a consultation, or an initial evaluation of an individual’s case, which may or may not necessarily lead to a long-term client relationship with that individual. However, Legal Counsels must maintain capacity to take on direct representation of cases from consultation days as needed.

Before providing advice during a legal consultation day, Legal Counsels will ensure that each client understands and signs a form indicating that they are not retaining the Legal Counsel and understands the nature of the consultation services provided.

Legal Counsels will comply with all ethical and confidentiality rules.

Legal Counsels will complete a form after meeting with each client during an immigration law consultation describing the type of question asked.

Legal Counsels will prioritize consultation day clients for direct representation cases.

Consultation days may be done either in person or virtually. There is no set number for how many Consultation Days can be done virtually, however all Consultation Days should be scheduled in coordination with the assigned Opportunity Center. ONA reserves the right to request grantees provide a justification for the need for virtual services at any time. If consultation days are held virtually, they must be synchronous, with opportunities for participants to communicate face to face with the Legal Counsel in real time. Virtual consultation days must adhere to NY IT policies regarding accessibility of information communication technology².

- Individuals and families impacted by changes in federal immigration policy and migration flows as needed. This may include recent border arrivals, or families and individuals put into expedited removal proceedings.

Cases may be referred by DOS/ONA, its partners, and the NYS New Americans Hotline. Legal Counsels must contact the individual in need of legal assistance within two business days of receipt of the referral. If cases need more urgent assistance, ONA will inform the Legal Counsel of such cases specifically. If the Legal Counsel is unable to assist the individual, they must notify ONA.

5. Provide Know Your Rights trainings or related workshops

A minimum of 12 Know Your Rights trainings or related workshops must be provided annually per grantee. The locations for the Know Your Rights training or related workshop must be based on need and be geographically distributed within the service area. Topics may also include a focus on the rights for particularly vulnerable or under-served groups, for example disability related Know Your Rights.

To achieve geographic distribution, grantees are encouraged to partner with local community groups to organize, host, and conduct outreach for the trainings and workshops. All Know Your Rights trainings and related workshops require prior approvals from DOS/ONA.

All Know Your Rights trainings must be presented by the Legal Counsel or a DOJ accredited representative. Non-attorneys are prohibited from providing legal advice at Know Your Rights trainings.

Trainings may be provided either in person or virtually. If trainings are held virtually, trainings must be synchronous, with opportunities for participants to communicate face to face with the trainer in real time. Virtual trainings must adhere to NY IT policies regarding accessibility of information communication technology³.

6. Respond timely to immigration law questions from ONA Opportunity Centers and other immigrant service providers in assigned region

³ https://its.ny.gov/sites/default/files/documents/nys-p08-005_accessibility_of_information_communication_technology_2.pdf

The Legal Counsels will inform all immigrant service providers in their assigned region that the Legal Counsel is available to address immigration law questions and provide the Legal Counsel's contact information.

If a Legal Counsel receives an immigration law question from a service provider outside of their assigned region, they should direct the provider to the Legal Counsel assigned to that provider's region.

Legal Counsels will provide a minimum of four trainings to Opportunity Center staff or other immigrant service providers in their region focused on specific immigration law and/or federal immigration policy updates. All trainings for Opportunity Center staff or other immigrant service providers must be presented by the Legal Counsel or DOJ accredited representative with prior approval from DOS/ONA.

This support may include, but is not limited to, preparation of documents, interpretation and translation in the language of the individual's choice including sign language, information in braille, assistance with getting disability accommodations including through USCIS, referrals, financial planning, assistance with naturalization-related guardianship arrangements and alternatives to guardianships, and accompanying individuals to check-ins. If the grantee is unable to provide these services themselves, they must partner with a local organization that can. Grantees may choose to provide law-related services as deemed necessary based on client need and agency capacity.

8. Referrals

Legal Counsel grantees must develop a referral list for programs and services available to new Americans in their assigned regions.

9. Attend DOS/ONA webinars

The Legal Counsels will join, via phone or Internet, DOS/ONA's webinars held on a monthly basis, to connect with state representatives and state resources.

Awardees should be prepared to negotiate and execute subject contracts quickly. Work related expenses incurred prior to contract execution are not authorized and may not be reimbursed if the awardee fails to negotiate a contract in good faith.

XII. CONTRACTING REQUIREMENTS

Standard Contract: Successful applicants must enter into a standard contract with the Department of State (DOS) which includes, among other requirements, an approved budget and work plan, any attachments or exhibits, and compliance with Article 15-A of the New York Executive Law. The contract includes financial reporting requirements, including procurement procedures. The contract may be subject to approval by the Attorney General and State Comptroller, require submission of final products in both hard copy and electronic form, and be subject to payment only upon proper documentation and compliance with payment procedures and all other contractual requirements. A copy of a sample standard contract can be found as Appendix D. Sample contracts should not be submitted with this proposal; successful applicants will receive a contract package to complete.

Project Period: The initial contract period under all parts of this RFA is anticipated to be one year with the option of three one-year renewals. Failure to incur all expenses or complete all identified outcomes in the stated period may result in loss or recapture of funds.

Vendor Responsibility Questionnaire: DOS strongly recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at http://www.osc.state.ny.us/vendrep/info_vsystem.htm or go directly to the VendRep System online at <https://portal.osc.state.ny.us>. Vendors must provide their New York State Vendor Identification Number when enrolling. Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the VendRep website www.osc.state.ny.us/vendrep or may contact DOS or the Office of the State Comptroller's Help Desk for a copy of the paper form.

XIII. CONTRACT DEVELOPMENT PROCESS

Applications will be reviewed and successful applicants will be notified of funding decisions through issuance of a Notice of Award document that sets forth the amount of funds granted and the terms and conditions of the grant award, which are subject to approval by the Office of the State Comptroller.

DOS/ONA will begin the contract development process with the successful applicants when the award is announced. Successful applicants may be asked to provide updated work plans and payment schedules that specify the services to be delivered, project goals, claiming process, and other information. The contract will include, but not be limited to, standard terms and conditions such as confidentiality of records, publications, and contract termination. The proposal of the successful applicant will serve as the basis for additional contract terms, which will be modified within the context of this RFA. The contract will constitute a legal agreement between the selected applicant and DOS/ONA and will be in force for the full period of the contract.

The initial term will be for one year. The contract will have the option for three one-year renewals. All plans and working documents prepared by the applicant(s) under the contract to be awarded will become the property of the State of New York.

Unsuccessful applicants may request the opportunity to be debriefed. Requests must be made in writing within 15 calendar days of receipt of the Notice of Non-award to the same address to which applications are submitted. In the event unsuccessful bidders wish to protest the award resulting from this RFA, bidders should follow the protest procedures established by the Office of the State Comptroller (OSC). These procedures can be found in Chapter XI Section 17 of the Guide to Financial Operations (GFO), available on-line at: <http://www.osc.state.ny.us/agencies/guide/MyWebHelp/>

The contractor, at the discretion of DOS, may receive up to a 25% advance of the initial period amount upon request. Thereafter, each grantee will be reimbursed for expenses incurred pursuant to grant related activities including salary, benefits, travel, and related expenses. No payments will be made until the contract is fully executed and signed by the State Comptroller and the State Attorney General, if applicable. Contractors will work at their own risk if they conduct program activities before the contract is executed.

XXI. PROGRAM ASSESSMENT AND MONITORING

a. RECORD KEEPING

The contractor must maintain current and accurate fiscal and accounting controls to support its claims for payment. Records must adequately identify revenue sources and expense items for all contracted activities. Accounting records must be supported by clear documentation for all funds received and disbursed. Records must be retained and be accessible for a period of six years from the end of the contract or last payment or last contract transaction. If any claim, audit, litigation, or State/Federal investigation is commenced before the expiration of the records retention period, the records must be retained by the contractor until all claims or findings regarding the records are finally resolved. DOS/ONA or its designee shall have access to any records relevant to the project (including books, documents, photographs, correspondence, and records), for audits, examinations, transcripts, and excerpts. If DOS/ONA determines that such records possess long-term or historic value, they must be transferred, upon request, to DOS/ONA. *Failure to provide requested documents could result in immediate termination of the contract.*

b. MONITORING

ONA will monitor projects on a regular basis throughout the life of the contract. Monitoring may include, but not be limited to, site visits, regular telephone contact, and/or discussions of progress reports. The goals of project monitoring are to ensure that the terms of the contract are being met and to provide technical assistance, where necessary, to help the contractor meet the terms of the contract.

XXII. AMENDMENTS TO THE CONTRACT

Amendments and modifications to executed contracts are sometimes necessary to accommodate the needs of both the contractor and DOS/ONA. These changes, which must be by mutual written agreement, may include modification to reimbursement schedules, time and money amendments, or no-cost extensions as necessary. Contract modifications, including amendments and no-cost time extensions, will be made at the discretion of DOS/ONA with the approval of the Office of the State Comptroller.

XXIV. MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES PARTICIPATION

New York State Law

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations Department of State is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of Department of State contracts.

Business Participation Opportunities for MWBEs

The Department’s New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) utilization goal is 30%. For purposes of this solicitation, the specific MWBE goal and the breakdown between the Minority-owned Business Enterprise (“MBE”) and the Women-owned Business Enterprise (“WBE”) utilization goals shall be established post award and set forth in the Department of State contract, in the Attachment B “Budget” (based on the current availability of MBEs and WBEs). A contractor (“Contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFA, the respondent agrees that Department of State may withhold payment pursuant to any Contract awarded as a result of this RFA pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com/frontend/vendorsearchpublic.asp>. For guidance on how Department of State will evaluate a Contractor’s “good faith efforts,” refer to 5 NYCRR § 142.8.

The respondent understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the broker’s contract.

FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60 percent of the total value of the supplier’s contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE.

In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this RFA, such finding constitutes a breach of contract and Department of State may withhold payment as liquidated damages. Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

Applicants are required to submit the MWBE Compliance Form (Found in Appendix E) with their application.

Additionally, successful applicants will be required to submit an MWBE Utilization Plan (Form D) *or* MWBE Compliance Certification Letter (Form D-1) stating their commitment to show due-diligence to comply with the MWBE goals and requirements within ten (10) business days after the applicant receives notice from Department of State that the grant is being awarded as evidence of compliance with the foregoing (MWBE forms can be found at <https://dos.ny.gov/supplier-diversity>). Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to Department of State for review and approval.

The Department of State shall review the submitted MWBE Utilization Plan and issue a written notice of acceptance or notice of deficiency within 20 days of receipt of utilization plan.

If a notice of deficiency is issued, the respondent will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Department of State a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by Department of State to be inadequate, Department of State shall notify the respondent and direct the respondent to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the proposal.

Please see details under **“Additional Notices and Explanations Regarding the MWBE Program and this Request for Applications.”**

Department of State may disqualify a respondent as being non-responsive under the following circumstances:

- a) If a respondent fails to submit an MWBE Utilization Plan or certification letter;
- b) If a respondent fails to submit a written remedy to a notice of deficiency;
- c) If a respondent fails to submit a request for waiver; or
- d) If Department of State determines that the respondent has failed to document good faith efforts.

Successful applicant(s) will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to Department of State but must be made no later than prior to the submission of a request for final payment on the Contract.

Successful applicant(s) will be required to submit a quarterly MWBE Contractor Compliance & Payment Report to Department of State (Form F, MWBE forms can be found at <https://dos.ny.gov/supplier-diversity>), by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

Further, pursuant to Article 15 of the Executive Law (the “Human Rights Law”), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and subcontractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the requirements detailed in Sections XXIV and XXV may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

XXVI. SERVICE-DISABLED VETERAN-OWNED BUSINESSES PARTICIPATION

Article 17-B of the Executive Law, enacted in 2014, authorized the creation of the Division of Service Disabled Veterans' Business Development to promote participation of Service-Disabled Veteran-Owned Businesses (SDVOBs) in New York State contracting. The Service-Disabled Veteran-Owned Business Act recognizes the veterans’ service to and sacrifice for our nation, declares that it is New York State’s public policy to promote and encourage the continuing economic development of service-disabled veteran-owned businesses, and allows eligible Veteran business owners to become certified as a New York State Service Disabled Veteran-Owned Business (SDVOB), in order to increase their participation in New York State's contracting opportunities. To this effect, the Department of State (DOS) has implemented a Veteran-Owned Businesses (SDVOB) Program, as mandated by Article 17-B.

DOS’s SDVOB utilization goal is 6%. To comply with this goal, DOS strongly encourages grantees to make every effort, to the maximum extent possible, to engage certified SDVOBs in the purchasing of commodities, services and technology in the performance of their contracts with the Department. If SDVOB utilization is obtained, a quarterly SDVOB utilization report should be submitted to the Department with information of the utilization percentage achieved during that quarter. Contractor Reporting Forms are found at: <https://dos.ny.gov/supplier-diversity>.

The Division of Service-Disabled Veterans' Business Development (DSDVBD) is housed within the New York State Office of General Services (OGS) and maintains a directory of the NYS Certified SDVOBs. For assistance with engaging SDVOB vendors in your contracts, please contact the Division of Service-Disabled Veterans' Business Development at the following email address: VeteransDevelopment@ogs.ny.gov, or the DOS Bureau of Fiscal Management – SDVOB Program at dos.sm.sdvob@dos.ny.gov. The directory of certified SDVOB vendors can be found at: https://ogs.ny.gov/Veterans/Docs/CertifiedNYS_SDVOB.pdf

**STATE OF NEW YORK
MASTER CONTRACT FOR GRANTS**

This State of New York Master Contract for Grants (Master Contract) is hereby made by and between the State of New York acting by and through the applicable State Agency (State) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Master Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Executory Clause: In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Master Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Master Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the Master Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Master Contract exceeds \$50,000 (or \$85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If, by the Master Contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the AG and OSC.

Budget Changes: An amendment that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a portion of the total value of the contract, equal to or greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in Attachment D (Payment and Reporting Schedule).

C. Order of Precedence:

In the event of a conflict among (i) the terms of the Master Contract (including any and all attachments and amendments) or (ii) between the terms of the Master Contract and the original request for proposal, the program application or other attachment that was completed and executed by the Contractor in connection with the Master Contract, the order of precedence is as follows:

1. Standard Terms and Conditions
2. Modifications to the Face Page
3. Modifications to Attachment A-2⁵, Attachment B, Attachment C and Attachment D
4. The Face Page
5. Attachment A-2⁶, Attachment B, Attachment C and Attachment D
6. Modification to Attachment A-1
7. Attachment A-1
8. Other attachments, including, but not limited to, the request for proposal or program application

D. Funding: Funding for the term of the Master Contract shall not exceed the amount specified as "Contract Funding Amount" on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Master Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

E. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Master Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Attachment C (Work Plan) in accordance with the provisions of the Master Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program.

F. Modifications: To modify the Attachments or Face Page, the parties mutually agree to record, in writing, the terms of such modification and to revise or complete the Face Page and all the appropriate attachments in conjunction therewith. In addition, to the extent that such modification meets the criteria set forth in Section I.B herein, it shall be subject to the approval of the AG and OSC before it shall become valid, effective and binding upon the State. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Master Contract.

G. Governing Law: The Master Contract shall be governed by the laws of the State of New York except where the Federal Supremacy Clause requires otherwise.

⁵ To the extent that the modifications to Attachment A-2 are required by Federal requirements and conflict with other provisions of the Master Contract, the modifications to Attachment A-2 shall supersede all other provisions of this Master Contract. See Section I (V).

⁶ To the extent that the terms of Attachment of A-2 are required by Federal requirements and conflict with other provisions of the Master Contract, the Federal requirements of Attachment A-2 shall supersede all other provisions of this Master Contract. See Section I (V).

H. Severability: Any provision of the Master Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Master Contract shall attempt in good faith to reform the Master Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

I. Interpretation: The headings in the Master Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered to be gender neutral. The Master Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

J. Notice:

1. All notices, except for notices of termination, shall be in writing and shall be transmitted either:
 - a. by certified or registered United States mail, return receipt requested;
 - b. by facsimile transmission;
 - c. by personal delivery;
 - d. by expedited delivery service; or
 - e. by e-mail.
2. Notices to the State shall be addressed to the Program Office designated in Attachment A-1 (Program Specific Terms and Conditions).
3. Notices to the Contractor shall be addressed to the Contractor's designee as designated in Attachment A-1 (Program Specific Terms and Conditions).
4. Any such notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.
5. The parties may, from time to time, specify any new or different e-mail address, facsimile number or address in the United States as their address for purpose of receiving notice under the Master Contract by giving fifteen (15) calendar days prior written notice to the other party sent in accordance herewith. The parties agree to mutually designate individuals as their respective representatives for the purposes of receiving notices under the Master Contract. Additional individuals may be designated in writing by the parties for purposes of implementation, administration, billing and resolving issues and/or disputes.

K. Service of Process: In addition to the methods of service allowed by the State Civil Practice Law & Rules (CPLR), Contractor hereby consents to service of process upon it by registered or certified mail,

return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. The Contractor shall have thirty (30) calendar days after service hereunder is complete in which to respond.

L. Set-Off Rights: The State shall have all of its common law, equitable, and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold, for the purposes of set-off, any moneys due to the Contractor under the Master Contract up to any amounts due and owing to the State with regard to the Master Contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of the Master Contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies, or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State Agency, its representatives, or OSC.

M. Indemnification: The Contractor shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Master Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages and cost of every nature arising out of the provision of services pursuant to the Master Contract.

N. Non-Assignment Clause: In accordance with Section 138 of the State Finance Law, the Master Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet, or otherwise disposed of without the State's previous written consent, and attempts to do so shall be considered to be null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of the State Agency and with the concurrence of OSC, where the original contract was subject to OSC's approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless the Master Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

O. Legal Action: No litigation or regulatory action shall be brought against the State of New York, the State Agency, or against any county or other local government entity with funds provided under the Master Contract. P. No Arbitration: Disputes involving the Master Contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

Q. Secular Purpose: Services performed pursuant to the Master Contract are secular in nature and shall be

performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

R. Partisan Political Activity and Lobbying: Funds provided pursuant to the Master Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

S. Reciprocity and Sanctions Provisions: The Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state, or political subdivision that penalizes New York State vendors, and if the goods or services it offers shall be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that it be denied contracts which it would otherwise obtain.³

T. Reporting Fraud and Abuse: Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections.

U. Non-Collusive Bidding: By submission of this bid, the Contractor and each person signing on behalf of the Contractor certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his or her knowledge and belief that its bid was arrived at independently and without collusion aimed at restricting competition. The Contractor further affirms that, at the time the Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive binding certification on the Contractor's behalf.

V. Federally Funded Grants and Requirements Mandated by Federal Laws: All of the Specific Federal requirements that are applicable to the Master Contract are identified in Attachment A-2 (Federally Funded Grants and Requirements Mandated by Federal Laws) hereto. To the extent that the Master Contract is funded in whole or part with Federal funds or mandated by Federal laws, (i) the provisions of the Master Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) the Contractor agrees to comply with all applicable federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-2 (Federally Funded Grants and Requirements Mandated by Federal Laws) hereto.

II. TERM, TERMINATION AND SUSPENSION

A. Term: The term of the Master Contract shall be as specified on the Face Page, unless terminated sooner as provided herein.

B. Renewal:

1. General Renewal: The Master Contract may consist of successive periods on the same terms and conditions, as specified within the Master Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Master Contract.

2. Renewal Notice to Not-for-Profit Contractors:

- a) Pursuant to State Finance Law § 179-t, if the Master Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Master Contract no later than ninety (90) calendar

days prior to the end of the term of the Master Contract, unless funding for the renewal is contingent upon enactment of an appropriation. If funding for the renewal is contingent upon enactment of an appropriation, the State shall notify the Contractor of the State's intent to renew or not to renew the Master Contract the later of: (1) ninety (90) calendar days prior to the end of the term of the Master Contract, and (2) thirty (30) calendar days after the necessary appropriation becomes law. Notwithstanding the foregoing, in the event that the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the not-for-profit Contractor. For purposes of State Finance Law §179-t, "Unusual Circumstances" shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance.

³As of October 9, 2012, the list of discriminatory jurisdictions subject to this provision includes the states of Alaska, Hawaii, Louisiana, South Carolina, West Virginia, and Wyoming. Contact NYS Department of Economic Development for the most current list of jurisdictions subject to the provision.

- b) Notification to the not-for-profit Contractor of the State's intent to not renew the Master Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the not-for-profit Contractor of its intent not to renew the Master Contract as required in this Section and State Finance Law §179-t, the Master Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Master Contract.

C. Termination:

1. Grounds:

- a) Mutual Consent: The Master Contract may be terminated at any time upon mutual written consent of the State and the Contractor.
- b) Cause: The State may terminate the Master Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Master Contract and/or with any laws, rules, regulations, policies, or procedures that are applicable to the Master Contract.
- c) Non-Responsibility: In accordance with the provisions of Sections IV(N)(6) and (7) herein, the State may make a final determination that the Contractor is non-responsible (Determination of Non-Responsibility). In such event, the State may terminate the Master Contract at the Contractor's expense, complete the contractual requirements in any manner the State deems advisable and pursue available legal or equitable remedies for breach.
- d) Convenience: The State may terminate the Master Contract in its sole discretion upon thirty (30) calendar days prior written notice.
- e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency entering into the Master Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Master Contract, the Master Contract may be terminated or reduced at the State Agency's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Master Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Master Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.
- f) Force Majeure: The State may terminate or suspend its performance under the Master Contract immediately upon the occurrence of a "force majeure." For purposes of the Master Contract, "force majeure" shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

2. Notice of Termination:

- a) Service of notice: Written notice of termination shall be sent by:
 - (i) personal messenger service; or
 - (ii) certified mail, return receipt requested and first class mail.
- b) Effective date of termination: The effective date of the termination shall be the later of (i) the date indicated in the notice and (ii) the date the notice is received by the Contractor, and shall be established as follows:
 - (i) if the notice is delivered by hand, the date of receipt shall be established by the receipt given to the Contractor or by affidavit of the individual making such hand delivery attesting to the date of delivery; or
 - (ii) if the notice is delivered by registered or certified mail, by the receipt returned from the United States Postal Service, or if no receipt is returned, five (5) business days from the date of mailing of the first class letter, postage prepaid, in a depository under the care and control of the United States Postal Service.

3. *Effect of Notice and Termination on State's Payment Obligations:*

- a) Upon receipt of notice of termination, the Contractor agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the State.
- b) The State shall be responsible for payment on claims for services or work provided and costs incurred pursuant to the terms of the Master Contract. In no event shall the State be liable for expenses and obligations arising from the requirements of the Master Contract after its termination date.

4. *Effect of Termination Based on Misuse or Conversion of State or Federal Property:*

Where the Master Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Master Contract for the purposes set forth herein, the State may, at its option, require:

- a) the repayment to the State of any monies previously paid to the Contractor; or
- b) the return of any real property or equipment purchased under the terms of the Master Contract; or
- c) an appropriate combination of clauses (a) and (b) of Section II(C)(4) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

- C. **Suspension**: The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given a formal written notice outlining the particulars of such suspension. Upon issuance of such notice, the

Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Master Contract.

III. PAYMENT AND REPORTING

A. Terms and Conditions:

1. In full consideration of contract services to be performed, the State Agency agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained. Contractor obligations or expenditures that precede the start date of the Master Contract shall not be reimbursed.
3. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. Provided, however, the State may, at its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. Billing invoices submitted to the State must contain all information and supporting documentation required by Attachment D (Payment and Reporting Schedule) and Section III(C) herein. The State may require the Contractor to submit billing invoices electronically.
4. Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the head of the State Agency, in the sole discretion of the head of such State Agency, due to extenuating circumstances. Such electronic payment shall be made in accordance with OSC's procedures and practices to authorize electronic payments.
5. If travel expenses are an approved expenditure under the Master Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
6. Timeliness of advance payments or other claims for reimbursement, and any interest to be paid to Contractor for late payment, shall be governed by Article 11-A of the State Finance Law to the extent required by law.
7. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Master Contract shall be governed by Article 11-B of the State Finance Law.

B. Advance Payment and Recoupment:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients,

shall be made and recouped in accordance with State Finance Law Section 179(u), this Section and the provisions of Attachment D (Payment and Reporting Schedule).

2. Initial advance payments made by the State to not-for-profit grant recipients shall be due no later than thirty (30) calendar days, excluding legal holidays, after the first day of the Contract Term or, if renewed, in the period identified on the Face Page. Subsequent advance payments made by the State to not-for-profit grant recipients shall be due no later than thirty (30) calendar days, excluding legal holidays, after the dates specified in Attachment D (Payment and Reporting Schedule).
3. For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year. For simplified renewals, the payment schedule (Attachment D) will be modified as part of the renewal process.

When submitting a voucher, such voucher shall also be deemed to certify that: (i) the payments requested do not duplicate reimbursement from other sources of funding; and (ii) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event.

Milestone payments shall be made to the Contractor when requested in a form approved by the State, and at frequencies and in amounts stated in Attachment D (Payment and Reporting Schedule). The State Agency shall make milestone payments subject to the Contractor's satisfactory performance.

2. The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. F. Outstanding Amounts Owed to the State:

Prior period overpayments (including, but not limited to, contract advances in excess of actual expenditures) and/or audit recoveries associated with the Contractor may be recouped against future payments made under this Master Contract to Contractor. I. Agency Specific Clauses

For the purposes of this Agreement, the terms "State" and "Department" are interchangeable, unless the context requires otherwise. In addition, the terms "Agreement" and "Contract" are interchangeable, unless the context requires otherwise.

A. Project Timetable

B. Budget Modifications

Prior DOS written approval, which requires a detailed breakdown and justification, is required for all requests for budget modifications, regardless of the amount of the modification. Additional approvals will be required when modifications exceed thresholds described below.

Any proposed modification to a contract that will result in a transfer of funds among program activities or budget cost categories, but does not affect the amount, consideration, scope or other terms of such contracts must be submitted to DOS for submission to the Office of State Comptroller for approval when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or
2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of more than five million dollars.

C. Applicable Terms

In addition to the criteria set forth in IV(E)(1)(b) of the Standard Terms and Conditions, documentation of personal service expenditures shall:

1. Be based upon actual work performed;
2. Be supported by internal controls that provide a reasonable assurance that the charges are accurate, allowable, and properly allocated; and
3. Comply with the Contractor's established accounting policies.

Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

D. License to Use and Reproduce Documents, Intellectual Property and Other Works:

By acceptance of this Agreement, Contractor transfers to the Department a perpetual, transferable nonexclusive license to use, reproduce in any medium, and distribute, for any purpose, any intellectual property or other work purchased, developed or prepared for or in connection with the Project using funding provided pursuant to this Contract, including but not limited to reports, maps, designs, plans, analysis, and documents regardless of the medium in which they are originally produced. Contractor warrants to the Department that it has sufficient title or interest in such works to license pursuant to this Agreement, and further agrees and warrants that it shall not enter into any subcontract or other agreement purporting to limit such title or interest in such works in any manner that may compromise Contractor's ability to provide the aforesaid license to the Department. Such warranties shall survive the termination of this agreement. Contractor agrees to provide the original of each such work, or a copy thereof which is acceptable to the Department, to the Department before payments shall be made under this Agreement.

E. Property

The ownership of all property or intellectual property described herein and purchased, developed or prepared under the terms of this Contract shall reside with the Contractor with a reversionary interest in such property or intellectual property held by the Department, unless otherwise authorized or directed in writing by the Department. Except as otherwise provided in Section II.C.4 of the Standard Terms and Conditions, Contractor shall retain ownership of such property or intellectual property after the term of this Contract so long as such property or intellectual property is used for purposes similar to those contemplated by this Contract. Otherwise, the Contractor shall return such property or intellectual property to the Department at the Contractor's cost and expense, and Contractor's ownership interests, rights and title in such property or intellectual property shall revert to the Department. The ownership of all property purchased with federal funds provided pursuant to this Agreement, however, shall be governed by the terms of applicable federal law and OMB Circulars including, but not limited to, 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," as amended.

F. Termination

The Department may terminate the Agreement in accordance with the terms and conditions set forth in the Master Grant Contract section of this Agreement. In addition to other reserved rights it has to terminate this Agreement, the Department may terminate or suspend the Agreement under the following circumstances:

1. The Contractor shall complete the project as set forth in this Agreement, and failure to render satisfactory progress or to complete the project to the satisfaction of the State may be deemed an abandonment of the project and may cause the suspension or termination of any obligation of the State. In the event the Contractor should be deemed to have abandoned the project for any reason or cause other than a national emergency or an Act of God, all monies paid to the Contractor by the State and not expended in accordance with this Agreement shall be repaid to the State upon demand. If such monies are not repaid within one year after such demand, the State Comptroller of the State of New York may cause to be withheld from the Contractor any State assistance to which the Contractor would otherwise be entitled in an amount equal to the monies demanded.

2. In the event that the Department has provided written notice to the Contractor directing that the Contractor correct any failure to comply with this Agreement, the Department reserves the right to direct that the Contractor suspend all work during a period of time to be determined by the Department. If the Contractor does not correct such failures during the period provided for in the notice, this Agreement shall be deemed to be terminated after expiration of such time period. During any such suspension, the Contractor agrees not to incur any new obligations after receipt of the notice without approval by the Department.
3. If the Department determines the Contractor has breached a term of the Agreement and if the Department determines the defect can be remedied, it may, in its sole discretion, issue a written notice providing the Contractor with a minimum of 30 days to correct the defect and the notice may include a prospective termination date. If the Contractor fails to correct the defect or fails to make a good faith effort to do so as determined by the Department to the Department's satisfaction, the Department may terminate the Agreement for cause.
4. The Department shall also have the right to postpone or suspend the Agreement or deem it abandoned without this action being a breach of the Agreement. The Department shall provide written notice to the Contractor indicating the Agreement has been postponed, suspended or abandoned. During any postponement, suspension or abandonment the Contractor agrees not to do any work under the Agreement without prior written approval of the Department.
5. In the event the Agreement is postponed, suspended, abandoned or terminated, the Department shall make a settlement with the Contractor upon an equitable basis in good faith and under the general compensation principles and rates established in the Agreement by the Department. This settlement shall fix the value of the work which was performed by the Contractor to the Department's satisfaction prior to the postponement, suspension, abandonment or termination of the Agreement.
6. Any funds paid to the Contractor by the Department which are not expended under the terms of the Agreement shall be repaid to the Department.

G. Subcontracting Requirements

1. Contractor agrees that it shall not enter into any subcontract for the performance of work in furtherance of this Contract with any subcontractor that at the time of contracting: (1) is listed on the New York State Department of Labor's list of companies with which New York State cannot do business (available at <https://dbr.labor.state.ny.us/EDList/searchPage.do>); (2) is listed as an entity debarred from federal contracts (available at: <https://www.sam.gov/portal/public/SAM>); or (3) fails to possess requisite workers compensation and disability insurance coverage (see <http://www.wcb.ny.gov>). In addition, Contractor agrees that it shall immediately suspend or terminate any subcontract entered into for the performance of work in furtherance of this Contract if at any time during the term of such subcontract the subcontractor: (1) is listed on the New York State Department of Labor's list of companies with which New York State cannot do business (available at <https://dbr.labor.state.ny.us/EDList/searchPage.do>); (2) is listed as an entity debarred from federal contracts (list available at: <https://www.sam.gov/portal/public/SAM>); or (3) fails to maintain requisite workers compensation or disability insurance coverage (see <http://www.wcb.ny.gov>). Contractor agrees that any such suspension shall remain in place until

the condition giving rise to the suspension is corrected by the subcontractor. The terms of this clause shall be incorporated in any and all subcontracts entered into in furtherance of this Contract.

2. The Contractor's use of subcontractors shall not diminish the Contractor's obligations to complete the Work in accordance with the Contract. The Contractor shall control and coordinate the Work of its subcontractors.
3. The Contractor shall be responsible for informing its subcontractors of all the terms, conditions and requirements of the Contract Documents including, but not limited to the terms of the Master Grant Contract, any and all Appendices, and any changes made by amendments thereto, and ensuring that any and all subcontracts entered into in furtherance of this Contract conform to and do not conflict with such terms.
4. Contractor shall file each and every subcontract entered into in furtherance of this Contract with the Department of State no later than fifteen (15) calendar days following the signing of the subcontract, unless otherwise authorized or directed by the Department of State.
5. In addition to the requirements of Section IV.B.2 of the Standard Terms and Conditions, the Department reserves the right to require, upon notice to the Contractor, that, commencing from the date of such notice or a date otherwise specified in such notice, Contractor must obtain written approval from the Department prior to entering into any and all subcontracts valued at or below \$100,000 for the performance of any activities covered by this Contract (as provided for in Attachment C). Contractor agrees to require any proposed subcontractors to timely provide to the Department such information as may be requested by the Department as necessary to assess whether the proposed subcontractor is a responsible entity capable of lawfully and satisfactorily performing the work. In the event the Department invokes this right of prior approval and a request for approval is submitted by Contractor and denied by the Department, Contractor agrees that it shall not enter into the proposed subcontract and that no costs associated with such subcontract shall be allowable under this Contract.

N. Minority and Women Owned Business Participation

Article 15-A of the New York State Executive Law, as amended, authorized the creation of a Division of Minority and Women's Business Development to promote employment and business opportunities on state contracts for minorities and women. This law supersedes any other provision in state law authorizing or requiring an equal employment opportunity program or a program for securing participation by minority and women-owned business enterprises. Under this statute, State agencies are charged with establishing business participation goals for minorities and women. The Department of State administers a Minority and Women-owned Business Enterprises (MWBE) Program as mandated by Article 15-A.

1. General Provisions

- a. The Department of State is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”) for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- b. The Contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the New York State Department of State (the “Agency”), to fully comply and cooperate with the Agency in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State-certified minority and women-owned business enterprises (“MWBEs”). The Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) and other applicable federal, state, and local laws. Contractor agrees that the terms “MWBE,” “MBE” and “WBE” as used herein, shall mean those MBE or WBE firms certified as such by the State pursuant to NY Executive Law Article 15-A and listed in the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp>.

- c. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section M(7) of this Attachment and such other remedies as are available to the Agency pursuant to the Contract and applicable law.

2. Contract Goals

- a. The Department's New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") utilization goal is 30%. For purposes of this Contract, the specific overall MWBE goal and the breakdown between the Minority-owned Business Enterprise ("MBE") and the Women-owned Business Enterprise ("WBE") utilization goals, are set forth in the Attachment B "Budget", based on the current availability of MBEs and WBEs.
- b. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in Section 2(a) hereof, the Contractor should reference the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp>.

Additionally, the Contractor is encouraged to contact the Division of Minority and Women's Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.

- c. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the broker's contract.

FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60 percent of the total value of the supplier's contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE.

- d. The Contractor must document "good faith efforts," pursuant to 5 NYCRR §142.8, to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. Such documentation shall include, but not necessarily be limited to:
 - (1) Evidence of outreach to MWBEs;

3. Equal Employment Opportunity (“EEO”)

a. The provisions of Article 15-A §312 of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.

b. In performing the Contract, the Contractor shall:

(1) Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.

(4) The Contractor's EEO policy statement shall include the following language:

(a) The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.

(d) The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph “e” of this section 3, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

c. Form B - Staffing Plan

If the total expenditure of this contract is in excess of \$250,000, the following provision shall apply: The Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The Contractor shall complete the Staffing

plan form and submit it as part of their proposal or within a reasonable time, as directed by the Department of State.

O. Service-Disabled Veteran-Owned Businesses Participation

Article 17-B of the Executive Law, enacted in 2014, authorized the creation of the Division of Service-Disabled Veterans' Business Development to promote participation of Service-Disabled

Veteran-Owned Businesses (SDVOBs) in New York State contracting. The Service-Disabled Veteran-Owned Business Act recognizes the veterans' service to and sacrifice for our nation, declares that it is New York State's public policy to promote and encourage the continuing economic development of service-disabled veteran-owned businesses, and allows eligible Veteran business owners to become certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB), in order to increase their participation in New York State's contracting opportunities. To this effect, the Department of State (DOS) has implemented a Veteran-Owned Businesses (SDVOB) Program, as mandated by Article 17-B.

To comply with the SDVOB Program goals of 6%, the Department of State strongly encourages grantees to make every effort, to the maximum extent possible, to engage certified SDVOBs in the purchasing of commodities, services and technology in the performance of their contracts with the Department. If SDVOB utilization is obtained, a quarterly SDVOB utilization report should be submitted to the Department with information of the utilization percentage achieved during that quarter. Contractor Reporting Forms are found at: <https://ogs.ny.gov/Veterans/>

The Division of Service-Disabled Veterans' Business Development (DSDVBD) is housed within the New York State Office of General Services (OGS) and maintains a directory of the NYS Certified SDVOBs. For assistance with engaging SDVOB vendors in your contracts, please contact the Division of Service-Disabled Veterans' Business Development at the following email address: VeteransDevelopment@ogs.ny.gov, or the DOS Bureau of Fiscal Management – SDVOB Program at dos.sm.sdvoob@dos.ny.gov.
