5. “Appraiser panel” means a network, list or roster of licensed or certified appraisers approved by the appraisal management company to perform appraisals as independent contractors of the appraisal management company.

6. “Appraisal review” means the act or process of developing and communicating an opinion about the quality or another appraiser’s work that was performed as part of an appraisal assignment. Appraisal reviews must be performed by a person who is certified as a real estate appraiser pursuant to article 6-E of this chapter.

For the purposes of this article, a non-substantive ground for denial, revocation, or surrender of an appraiser's license should not be construed as an automatic prohibition.

A certificate of registration granted by the department pursuant to this article shall be valid for a period of two years from the date upon which it is issued.

§160-gggg. Fees.

1. The department shall collect a fee of two hundred fifty dollars for a certificate of registration issued or reissued under the provisions of this article. Additionally, the department shall assess twenty-five dollars for each appraiser added to an appraisal management company's appraiser panel.

1. Each appraisal management company applying for a certificate of registration shall designate one controlling person who shall be the main contact for all communication between the department and the appraisal management company. Such designated controlling person shall never have had a license or certificate to act as an appraiser denied, revoked, or surrendered in lieu of possible discipline in any state and shall be of good moral character, as determined by the department. Applicants shall cooperate with any such background investigation conducted by the department.

2. Prior to placing an assignment for an appraisal or valuation service with an appraiser on the appraiser panel of an appraisal management company, the appraisal management company shall verify that the appraiser receiving the assignment is a competent appraiser as defined by the USPAP Competency Rule with regards to geographic area and the type of property being appraised. Nothing in this section shall prohibit an appraisal management company from hiring, employing, engaging or contracting with or paying a person to perform a property inspection, or property evaluation if they are licensed as an appraiser, a real estate broker including associate real estate brokers and real estate salespersons pursuant to article 12-A of the real property law or a home inspector pursuant to article 12-B of the real property law, or a person to perform a broker price opinion if they are licensed as a real estate broker including associate real estate brokers and real estate salespersons pursuant to article 12-A of the real property law.

Records shall be maintained for a period of at least five years after such appraisal is completed or two years after final disposition of a judicial proceeding related to such assignment, whichever period expires later. Appraisal management companies shall make records available to the department upon request. Appraisal management

companies shall also allow the department to examine the books and records of the appraisal management company and require it to submit reports, information and documents upon request. Appraisal management companies shall also allow the department to verify that the appraisers on such panel hold a valid license or certification.

§160-mmmm. Appraiser independence, unlawful acts.

Each appraisal management company shall ensure that real estate appraisals are conducted independently and free from inappropriate influence and coercion. Notwithstanding any other provision of this article, it shall be unlawful for any employee, director, officer, or agent of an appraisal management company registered in this state pursuant to this article to:

1. Compensate, coerce, extort, collude, instruct, induce, bribe, or intimidate, or attempt to compensate, coerce, extort, collude, instruct, induce, bribe, or intimidate a person, firm or other entity conducting or involved in an appraisal for the purpose of causing the appraised value assigned under the appraisal or other valuation services to the property to be based on any factor other than the independent judgment of the appraiser;

3. Seek to influence an appraiser or otherwise to encourage a targeted value in order to facilitate the making or pricing of a consumer credit transaction;

7. Require a real estate appraiser to indemnify an appraisal management company or hold an appraisal management company harmless for any liability, damage, losses, or claims arising out of the services performed by such appraisal management company, and not the services performed by the appraiser;

8. Condition the request for an appraisal or the payment of an earned fee, salary or bonus, on the opinion, conclusion, or valuation to be reached, or on a preliminary estimate or opinion requested from an appraiser;

9. Request that an appraiser provide an estimated, predetermined, or desired valuation in an appraisal report, or provide estimated values or comparable sales at any time prior to the appraiser's completion of an appraisal;

10. Provide to an appraiser an anticipated, estimated, encouraged, or desired value for a subject property or a proposed or target amount to be loaned to the borrower, except that a copy of the sales contract for purchase transactions may be provided; or

11. Provide to an appraiser, or any entity or person related to the appraiser, stock or any other financial or non-financial benefits in

exchange for appraising property in a manner other than that which is within the independent opinion of the appraiser.

Nothing in this section shall be construed as prohibiting the appraisal management company from asking an appraiser to consider additional, appropriate property information, including: additional comparable properties to make or support an appraisal; provide further detail, substantiation, or explanation for the appraiser's value conclusion; or correct errors in the appraisal report.

§160-nnnn. Mandatory reporting.

An appraisal management company that has a reasonable basis to believe an appraiser within the appraisal management company's appraisal panel is failing to comply with the uniform standards of professional appraisal practice, is violating applicable laws, or is otherwise engaging in unethical or unprofessional conduct shall immediately refer such matter to the department.

§160-oooo. Unprofessional conduct.

1. Appraisal management companies shall not engage in unprofessional conduct including, but not limited to the following:

- (a) requiring an appraiser to modify any aspect of an appraisal report or valuation service report, unless such modifications are appropriate according to USPAP;

- (c) requiring an appraiser to prepare an appraisal report or valuation service under a time frame that such appraiser believes, in their professional judgment, does not afford such appraiser the ability to meet all the relevant legal and professional obligations including USPAP requirements. Notwithstanding the foregoing provisions of this paragraph, all appraisal reports should be completed within a reasonable timeframe and appraisers may not unnecessarily delay completing appraisal assignments;
- (d) prohibiting or inhibiting communication between the appraiser and the lender, a real estate licensee, or any other person from whom such appraiser, in their professional judgment is relevant;
- (e) requiring the appraiser to do anything that does not comply with USPAP, or any assignment conditions and certifications required by the client;
- (f) making any portion of the appraiser's fee or the appraisal management company's fee contingent upon a favorable outcome, including, but not limited to, the closing of a loan, requiring a specific dollar amount be achieved by such appraiser in the appraisal report, making requests for the purpose of facilitating a mortgage loan transaction, setting a broker price opinion, or setting any other real property price or value estimation that does not qualify as an appraisal; or
- (g) each appraisal management company operating in this state shall make payment to an appraiser for the completion of an appraisal or valuation assignment within thirty days of the date on which such appraiser transmits or otherwise provides the completed appraisal or valuation services to the appraisal management company or its assignee;

2. It shall be unlawful for an appraisal management company to:

- (a) knowingly fail to compensate an appraiser at a rate that is reasonable and customary for appraisal or other valuation services being performed in the market area of the property being appraised without the services of an appraisal management company in a manner that is either inconsistent with, or would violate section 1639(e) of the federal Truth in Lending Act (15 USC §1639(e);
- (b) knowingly include any fees for appraisal management services that are performed by the appraisal management company for a lender, client, or other person in the amount that it charges the lender, client, or other person for the actual completion of an appraisal or valuation service by an appraiser that is part of the appraiser panel of the appraisal management company;
- (c) knowingly fail to separate any and all fees charged to a client by the appraisal management company for the actual completion of an appraisal by an appraiser from the fees charged to a lender, client, or any other person by an appraisal management company for appraisal management services;
- (d) knowingly prohibit an appraiser from recording the fee that such appraiser was paid by the appraisal management company for the performance of the appraisal within the appraisal report that is submitted by such appraiser to the appraisal management company.
- (e) knowingly fail to separately state the fees paid to an appraiser for appraisal services and the fees charged by the appraisal management company for services associated with the management of the appraisal process to the client, borrower and any other payer. Appraisal management companies shall provide a copy of the appraiser's invoice with a copy of any appraisal report submitted to a client or a client's representative;
- (f) knowingly allow the removal from rotation of an appraiser from an appraiser panel, without prior written notice to such appraiser with just cause; or
- (g) knowingly obtain, use, or pay for a second or subsequent appraisal or the ordering of an automated valuation model or any other valuation service in connection with a mortgage financing transaction unless there is a reasonable basis to believe that the initial appraisal was flawed or tainted and such basis is clearly and appropriately noted in the loan file, or unless such appraisal or automated valuation model is done pursuant to a bona fide pre- or post-funding appraisal review or quality control process. Nothing in this paragraph shall prohibit an AMC from obtaining additional appraisals if required by a lending program, or if such additional appraisals are required by applicable local, state, or federal law.

§160-pppp. Alteration of appraisal reports.

An appraisal management company shall not alter, modify, or otherwise change a completed appraisal or valuation service report submitted by an appraiser by removing such appraiser's signature or seal or by adding information to, or removing information from such report with intent to change the valuation conclusion. An appraisal management company shall not require an appraiser to provide such appraisal management company with such appraiser's digital signature or seal.

§160-qqqq. Enforcement.

The department may revoke or suspend the license of an appraisal management company, or in lieu thereof may impose a fine, per violation, not to exceed twenty-five thousand dollars if the department

finds that the licensee has made a material misstatement in the application for such license, or if such licensee has been found guilty of fraud or fraudulent practices, or for dishonest or misleading advertising, or has demonstrated untrustworthiness or incompetency to act as an appraisal management company, or has violated any provision of this article or a regulation promulgated thereunder. The department shall report any such violations by appraisal management companies to the appraisal subcommittee.

§160-rrrr. Disciplinary hearings.

The department shall, before revoking or suspending any license or imposing any fine or reprimand on the holder thereof, and at least twenty days prior to the date set for the hearing, notify, in writing, the holder of such license of any charges made and shall afford such licensee an opportunity to be heard in person or by counsel in reference thereto. Such written notice may be served by personal delivery to the licensee, or by certified mail to the last known business address of such licensee or unlicensed person, or by any method authorized by the civil practice law and rules. The hearing on such charges shall be at such time and place as the department shall prescribe.

§160-ssss. Power to suspend a license.

In cases where the health, safety, or welfare of the public is endangered, the department shall have the authority to immediately suspend a license pending a hearing before an administrative law judge.

§160-tttt. Investigation.

Each such applicant or licensee shall be obliged, on request of the department, to supply such information as may be required concerning his or its business, business practices or business methods, or proposed business practices or methods.

For the purpose of enforcing the provisions of this article, and in making investigations relating to any violation thereof, and for the purpose of investigating the character, competency and integrity of the applicants or licensees hereunder, and for the purpose of investigating the business, business practices and business methods of any applicant or licensee, or of the officers or agents thereof, the department, acting by such officer or person in the department as the secretary of state may designate, shall have the power to subpoena and bring before the officer or person so designated any person in this state and require the production of any books, records or papers which he deems relevant to the inquiry and administer an oath to and take testimony of any person or cause his or her deposition to be taken, except that any applicant or licensee or officer or agent thereof shall not be entitled to fees and/or mileage. A subpoena issued under this section shall be regulated by the civil practice law and rules.

§160-uuuu. Rule-making authority.

The department may adopt rules not inconsistent with the provisions of this chapter which may be reasonably necessary to implement, administer, and enforce the provisions of this chapter.

§160-vvvv. Violations.

1. Any person or company who fails to obtain a certificate of registration required pursuant to this article shall be guilty of a misdemeanor.

2. Criminal actions for failure to obtain a certificate of registration may also be prosecuted by the attorney general, or his or her deputy, in the name of the people of the state, and in any such prosecution the attorney general, or his or her deputy, may exercise all the powers and perform all the duties the district attorney is otherwise authorized to exercise or to perform therein.

§160-www. Severability.

Should the courts of this state declare any provision of this article unconstitutional, or unauthorized, or in conflict with any other section or provision of this article, such decision shall affect only such section or provision so declared to be unconstitutional or unauthorized and shall not affect any other section or part of this article.

The actions of the department in granting or refusing to grant or to renew a license under this article or in revoking or suspending such a license or imposing any fine or reprimand on the holder thereof or refusing to revoke or suspend such a license or impose any fine or reprimand shall be subject to review by a proceeding brought under and pursuant to article seventy-eight of the civil practice law and rules at the instance of the applicant for such license, the holder of a license so revoked, suspended, fined, or reprimanded or the person aggrieved.
