RE: PROPOSED MERGER

DATE: JUNE 7, 2022

Buffalo City Cemetery, d/b/a The Forest Lawn Group (Forest Lawn) and Oakwood Cemetery Association (Oakwood) seek the New York State Cemetery Board’s (Board) recommendation of approval of a merger and approval of the certificate of merger.

The two cemeteries are not contiguous, so Not-for-Profit Corporation Law (N-PCL) section 1506-d applies to this proposed merger.

The Division of Cemeteries (the Division) has reviewed the relevant factors under this statute and recommends that the Board: recommend approval of the merger and approve the form of the accompanying certificate of merger (Exh. 8). Those recommendations are conditioned on subsequent receipt of other required regulatory approvals (Attorney General and/or Supreme Court, and Erie County Legislature) and payment of the outstanding PM deficit using general funds.

Background

Forest Lawn is the largest cemetery in Western New York. Its constituent cemeteries comprise a total of 657 acres. It appears to be in compliance with all Division requirements and is consistently well-maintained. Over the last 20 or so years, it has merged with five other cemeteries in Erie County: Buffalo Cremation Co., St. Matthews Cemetery, Williamsville Cemetery, Gethsemane Cemetery, and Lakeside Cemetery. Its operation of these five cemeteries appears to be financially successful and all are well maintained. It is in the process of merging with four other cemeteries: Lancaster Rural Cemetery (Lancaster Rural), also in Erie County (the Board issued a favorable recommendation at its November 9, 2021, meeting and approved the certificate of merger at its March 8, 2022, meeting), Attica and Quaker Settlement Cemeteries (the Board issued a favorable recommendation at its February 8, 2022, meeting and approved the certificate of merger at its March 8, 2022, meeting); and Griffins Mills Cemetery Association (the Board issued a favorable recommendation and approved the certificate of merger at its March 8, 2022, meeting).

Forest Lawn now seeks to merge with cemeteries somewhat farther from its original location.

Oakwood is a 16-acre cemetery within the Greater Buffalo area, in East Aurora (Town of Aurora), New York. It is less than five miles from Griffins Mills Cemetery and about 13 miles from two of Forest Lawn’s existing cemeteries, Lakeside and St. Matthews.

Oakwood does not appear to be in compliance with Not-for-Profit Corporation Law section 715 (related party transactions) and 715-a (conflict of interest policy). It also appears to have a small PM deficit, caused by a previous board failing to make required deposits into PM.
**Statutory Factors**

**The plan of merger or consolidation is economically feasible and financially responsible**

From Forest Lawn’s perspective, the merger is economically feasible and financially responsible in the sense that taking on the obligation to maintain and operate Oakwood will not materially impair, and will likely benefit, Forest Lawn’s position.

Forest Lawn reasonably projects that it can improve the performance of Oakwood’s unrestricted and restricted funds. Oakwood is approximately 16 acres.

Oakwood has made a small profit in all but one of the last few years. Thus, even absent the savings Forest Lawn estimates it will provide, a merger will benefit Forest Lawn. In addition, Oakwood has substantial funds of its own: almost $1.5 million at market in its PM Fund. Together with Forest Lawn’s $31 million in combined funds, both cemeteries will remain well capitalized after the merger.

Forest Lawn asserts that the number of grave sales will increase dramatically in the first few years of sales; we consider this projection to be extremely optimistic. On the other hand, Forest Lawn can increase investment income by investing the former Oakwood PM Fund in the way it invests its own funds (Oakwood currently earns about 2.5 percent in interest and dividends). Because Oakwood has historically been profitable, even a small increase in investment income should have a strong positive impact on the balance sheet.

Forest Lawn initially stated that it will reduce expenses, in significant part by cutting by half costs of repair and maintenance currently paid to WNY Cemetery Service, Inc. (WNY) (see below for a discussion of related party issues concerning this corporation, Oakwood, and Forest Lawn). Forest Lawn has now provided an update, stating that there were errors in the previous calculation and showing no savings in that area. Expenses do not appear to be extremely high to begin with and Oakwood generally operates in the black, so reducing them is less critical here with Forest Lawn’s resources behind Oakwood. Eliminating existing trustee fees will improve Oakwood’s financial position slightly.

See the section entitled “Related Party Issues” below.

**the merger or consolidation does not harm the interests of each cemetery corporation, their lot owners, the communities in which the constituent cemeteries are located, or the state.**

Oakwood has a reasonably strong PM Fund for a cemetery of its type and size but will nevertheless find it difficult to operate purely on investment income based on current fund balances. On the other hand, it is unlikely to run out of grave sales anytime soon. Adding Forest Lawn’s $31 million in funds will dramatically strengthen its financial position without materially weakening Forest Lawn’s financial position. The merger will thus benefit the Oakwood lot owners and Town of Aurora by reducing the risk of reaching the point where no volunteers step up to serve as board members. In connection with each of the mergers, Forest Lawn has asserted that the transaction benefits its own lot owners by adding to its PM. The Division has been skeptical of this claim elsewhere, but here, given that Oakwood is consistently profitable, it will benefit Forest Lawn in the short and medium term.

Oakwood seems unlikely to be able to increase its sales significantly on its own; Forest Lawn projects fairly dramatic increases in sales. This seems unlikely but it is reasonable to expect that Forest Lawn achieve at least a modest increase in lot sales.

Division Investigator Cynthia Craig was part of an effort to reorganize the Board in 2017. Subsequently, Oakwood elected Craig Wolcott as President and his sister as treasurer, along
with two non-Wolcott trustees (one of whom is a local funeral director). On March 28, 2022, Investigator Cynthia Craig spoke with Dan Rahn, a board member and son of the former President, who advises that the board does not anticipate being able to recruit individuals who will be willing to continue active management of the cemetery and that merger with Forest Lawn represents the best option for the cemetery and its lot owners.

See the section entitled “Related Party Issues” below.

the surviving or consolidated corporation will have the resources, ability and commitment of directors and officers to ensure that all the constituent cemeteries are properly operated and maintained, that they will not fall into disrepair and dilapidation and become a burden upon the community, that they will be operated for the mutual benefit of lot owners, and that they will continue to serve the local communities in which they are located

Properly Operated and Maintained

Forest Lawn successfully operates and maintains several cemeteries in the Greater Buffalo area, and they are properly operated and maintained. Forest Lawn appears to be in compliance with Article 15 and Division regulations. See the section entitled “Related Party Issues” below.

Not Become a Burden on the Community

As noted above, Oakwood is less likely to become a burden on the community if it merges with Forest Lawn than if it were to remain a separate entity. Adding Oakwood to the Forest Lawn Group does not make it appreciably more likely that Forest Lawn or its other constituent cemeteries will become a burden on the community.

Operated for the Mutual Benefit of Lot Owners

In this case, bringing more professional management and additional sales resources to Oakwood will benefit lot owners without adversely affecting the existing lot owners of Forest Lawn. Like many volunteer-run cemeteries, and as mentioned above, Oakwood’s board does not believe they will be able to recruit the next generation of officers and directors. See the section entitled “Related Party Issues” below.

Continue to Serve the Local Communities

See above. The Division’s understanding is that, once merged, it is not possible for a cemetery to be partially abandoned to a town. Thus, this merger means that Oakwood will continue to operate as a not-for-profit cemetery unless the entire Forest Lawn group were somehow abandoned.

Notice to Municipalities

Forest Lawn provided the Towns of Aurora (Oakwood), Amherst (Williamsville and Gethsemane), Hamburg (Lakeside), and West Seneca (St. Matthews) with notice of these mergers. No notice is required to the City of Buffalo (cities are not required to maintain abandoned cemeteries).

1 In April 2019, Forest Lawn performed a mass disinterment at St. Matthews in April 2019 based on its expressed concern related to erosion in a section adjoining Cayuga Creek. Forest Lawn performed the disinterments and reinterments without consent of the affected families. The Division issued a notice of non-compliance based on these disinterments and reinterments. Forest Lawn has attempted to contact families concerning final resting places. These efforts have been complicated by a lawsuit brought on behalf of several families seeking monetary damages and class certification. We regard seeking consent of the families and, failing that, court approval as curing their non-compliance.
**Plan Includes**

a description of the financial assets of each constituent cemetery corporation demonstrating that the surviving or consolidated cemetery will have sufficient financial resources to operate all locations subsequent to merger or consolidation;

The plan submitted to the Board contains a description of both cemeteries’ financial assets, which appear sufficient to operate all locations after merger.

a proposal for management of financial assets of the surviving or consolidated cemetery, including management of trust funds of the constituent cemeteries;

The plan submitted to the Board describes in detail how Forest Lawn manages its investments. The combined cemetery will not segregate Forest Lawn and former Oakwood assets.

a proposal for maintenance, storage and availability of all corporate and cemetery records relating to the constituent cemeteries, including procedures for physical or remote access to such records by persons entitled to access

As described in the plan submitted to the Board, Forest Lawn will hold Oakwood records at the Margaret L. Wendt Archive and Research Center at Forest Lawn, digitize them, and make them available electronically or, on request, by paper. Records will be available online or by calling the cemetery; contact information will be posted at Oakwood. Oakwood does not have an onsite office so this will be an improvement for its former lot owners and visitors.

See above.

a plan for maintenance and operation of all locations in an equitable manner

Forest Lawn states that it provides the same level of care at all of its existing locations and will continue to do so at any new locations. We have no care complaints from Forest Lawn Group cemeteries. At Oakwood, WNY currently provides maintenance. That company is owned in part by a current Oakwood board member, Levi Wolcott; his mother is the co-owner. His aunt, Nancy Hibsch, is also an officer and director of Oakwood. As noted below, Oakwood lacks a conflict of interest policy and does not appear to comply with N-PCL section 715 in retaining WNY. Craig Wolcott was himself President of Oakwood but resigned before merger discussions occurred.

Additionally, Craig Wolcott, whose wife and son own WNY, and whose sister Nancy Hibsch sits on Oakwood’s board, is a Forest Lawn Vice President. Forest Lawn states that it will engage in a competitive bidding process to ensure that whoever maintains Oakwood going forward will provide at least as good services at a similar or better price. Forest Lawn has provided both its conflict of interest and a procurement resolution. Exhs. 9-10.

Administrative functions will be consolidated at Forest Lawn’s Buffalo office.

---

2 Forest Lawn interprets N-PCL section 1506-d as requiring that this information be provided to the cemeteries with which it will merge and included in its application to the Board but believes that it is not necessary to include it in the Plan of Merger document pursuant to N-PCL section 902. The Division believes that the Plan of Merger pursuant to N-PCL section 902 should include all of the information required to be included under N-PCL section 1506-d. However, in this case Oakwood has provided supporting documentation indicating that Forest Lawn provided this information and made these representations to Oakwood. See Exh. 5. Given the foregoing, the Division believes that the Board can and should still approve this application.
an agreement that contact information for the surviving or consolidated cemetery will be posted at the entrance to each location of the surviving or consolidated cemetery and on any website maintained by it.

Forest Lawn has agreed to do this.

a proposal for the conduct of annual and special lot owner meetings that permits lot owners who were lot owners of a constituent cemetery to attend, actively participate in, and vote at such meetings remotely.

Forest Lawn will create a website for Oakwood, will publish notice in local papers, and will make online participation available to lot owners unable to travel to Buffalo for the cemetery’s annual meeting. This proposal will make it easier for Oakwood lot owners to attend meetings than it is now.

a proposal for providing notice to lot owners who were lot owners of a constituent cemetery of the place, date and hour of the annual and any special lot owner meetings in compliance with section six hundred five of this chapter, and that also provides for: notice to be published in a newspaper located in each county in which any constituent cemetery was located, and notice to be prominently posted on the homepage of any website maintained by the surviving or consolidated cemetery.

See above.

Notice of Meeting Concerning Merger

Not By Publication (Unless Undue Hardship)

Oakwood provided notice by mail to lot owners and has provided proof of that notice. See Exhs. H-I. Forest Lawn published notice of its meetings and has provided proof of that notice. See Exhs. H, J. The Division notes that Forest Lawn published its notice in the Am-Pol Eagle, a newspaper aimed at the Western New York Polish community. The Division has discussed with Forest Lawn publication of notices in publications most likely to reach lot owners.

Posting

Oakwood states that it posted notice of the meeting concerning the merger as required. See Exh. I. The notice indicates it was posted on June 7, 2021, for an August 20, 2021 meeting. Oakwood also reports that the notice was posted for at least the required 60 days.

For some reason, Forest Lawn posted notice at its cemetery for only 57 days. This minor defect does not affect the Division’s recommendation of approval.

Website

Forest Lawn published notice of the meeting on its website; Oakwood does not have a website.

Meetings and Approvals

The boards of both cemeteries unanimously approved the proposed merger. When Oakwood’s board first approved this merger on March 1, 2021, both Nancy Hibsch and Levi Wolcott participated in the vote. Because of concerns about a possible related party transaction (given Craig Wolcott’s status as a Vice President of Forest Lawn), the Oakwood board met again on December 14, 2021, to ratify its previous approval of the merger, with Nancy Hibsch and Levi Wolcott recusing themselves. In ratifying the merger, the board stated that it “has reviewed
options for the long-term sustainability of the Association” and specifically found that “a merger of” Oakwood “with and into Forest Lawn (the “Merger”) under the terms of the Plan of Merger will meet the financial needs and long-term sustainability of the Association’s operations and will support the best interests of the Association and its lot owners.” Exh. 6.

Forest Lawn’s lot owners approved the merger with no opposition, although only two attended the meeting in person (there were 650 proxies voted in favor). Oakwood’s lot owners approved the merger by a vote of 26-6. Exh. 5.

**Related Party Issues**

There are several related party issues present here.

First, Oakwood contracts with WNY to provide grave openings and maintenance. Levi Wolcott, along with his mother, owns WNY; he and his aunt also serve on Oakwood’s board. However, Oakwood has not complied with the related party statute in approving its contract with WNY. Indeed, Oakwood does not even have a conflict-of-interest policy. Oakwood reports that it attempted to solicit bids by advertising in 2021 but no one submitted one, so it renewed its contract with WNY. Exh. 13. It does not appear that either Nancy Hibsch or Levi Wolcott recused themselves from this process.

Craig Wolcott, the former owner and father and husband of the owners of WNY, is a Vice President at Forest Lawn. According to its 990, Forest Lawn paid WNY approximately $396,000 in 2020 for lawncare. Forest Lawn reports compliance with Article 7 of the Not-for-Profit Corporation Law and has amended its conflict-of-interest policy to address these situations. Exhs. 10, 14. Forest Lawn has represented to the Division that it will follow a competitive bidding process and this conflict-of-interest policy when soliciting outside contractors to perform burials. Id.; see also Exh. 9.

Second, the merger itself potentially raises related party issues. Two of Oakwood’s board members, Nancy Hibsch and Levi Wolcott, are, respectively, the sister and son of a Forest Lawn Vice President, Craig Wolcott, although Craig Wolcott does not sit on Forest Lawn’s board.

To address this issue, Oakwood’s board met again without Ms. Hibsch and Mr. Wolcott after it and the lot owners approved the merger. As noted above, the board ratified the transaction, stating that it “has reviewed options for the long-term sustainability of the Association” and finding that “a merger of” Oakwood “with and into Forest Lawn (the “Merger”) under the terms of the Plan of Merger will meet the financial needs and long-term sustainability of the Association’s operations and will support the best interests of the Association and its lot owners.” Exh. 6.

Forest Lawn’s board’s approval of the transaction does not mention Craig Wolcott or possible related party issues. Exh. N. Forest Lawn subsequently provided a letter explaining why its board did not specifically address the issue of Craig Wolcott’s family’s affiliation with other cemeteries’ boards and provided a 2022 conflict of interest statement in which Craig Wolcott disclosed his connection to WNY and the cemeteries where his family members are on the board or where WNY provides services. Exh. 14. In that letter, Forest Lawn takes the position that:

> After analyzing the Relationships, Forest Lawn determined there is no violation of the Conflict of Interest Policy with respect to these Relationships, as Mr. Wolcott, does not have the right to vote on Forest Lawn’s participation in the Potential Mergers (he is not a trustee on the Board of Forest Lawn), nor does he have a personal financial interest in the Potential Mergers.
Forest Lawn has also taken steps, detailed in Exhibits 11 and 17-19, in an effort to ensure that its continued use of WNY’s services complies with the related party provisions of the Not-for-Profit Corporation Law. The Division has informed Forest Lawn that it will request regular updates to attempt to review compliance.

**Recommendation**

The Division recommends that the Board in turn recommend approval, subject to subsequently obtaining other required approvals as noted above and approve the certificate of merger.

Oakwood is financially viable as an independent not-for-profit cemetery corporation. However, it cannot recruit new board members and the current board is not willing to stay on indefinitely. With more professional, local management, we believe Forest Lawn can run Oakwood successfully (as it has done with Lakeside and St. Matthews and other Greater Buffalo cemeteries). Forest Lawn will benefit by acquiring Oakwood’s PM Fund of over $1.4 million.

We therefore recommend that the Board: 1. approve the form of the (unsigned) certificate of merger (Exhibit 8); and 2. recommend approval of the merger, both subject to subsequent receipt of all other required approvals (Attorney General and/or Supreme Court, and Erie County Legislature) and payment of the outstanding PM deficit using general funds.

RE: FINANCIAL SUMMARY OF PROPOSED MERGER APPLICATION
DATE: April 22, 2022

Buffalo City Cemetery, d/b/a The Forest Lawn Group (Forest Lawn) seeks New York State Cemetery Board (Board) approval to merge with Oakwood Cemetery Association (Oakwood), located in the Town of East Aurora (Town), in Erie County.

Division Audit
Oakwood was last audited by the Division in 2017 through the year-ending December 31, 2016. The audit report states the cemetery underwent a large-scale reorganization as of March 1, 2017. Six board members resigned, and five new board members were added, to include three new officers. The last two audit reports (2013 and 2017) indicated the cemetery was not making its required deposits to the permanent maintenance fund since at least 2007. As of 12/31/2016, the cemetery had a deficit in its permanent maintenance fund of $31,757.22. The audit report also states the cemetery was running a n annual operating deficit averaging $12,500 in years 2013-2016, which appears to have since turned around.

Oakwood wrote a letter to the Division dated April 10, 2018 requesting a repayment plan to address the Permanent Maintenance deficit. The cemetery stated it would deposit $3,092.22 on July 15, 2019 and $3,185.00 every July 15th for nine years. As of the date of this board application, Oakwood reported that it had not made any repayments to the PM fund. However, after further analysis, the Division determined that the PM deficit has been reduced to $10,027.48 as of 12/31/2021, by reinvesting income earned on the securities. This revised figure is seen in the section below labeled ‘Fund Balances’.

The cemetery was holding funds in a Perpetual Care account but did not have a copy of the related wills stipulating the purpose for the funds. Oakwood was instructed to seek copies of the will’s and not use the interest gained on those monies until it could determine the required use.

The 2017 audit report expressed concern over a related party transaction. The Oakwood Presidents’ company was providing the mowing, trimming, and grave digging services for the cemetery. It also noted that Oakwood’s Secretary/Treasurer is the President’s sister. Oakwood reported recently that they since bid for these services indicating they had one inquiry but no other bidders.

Annual Report / Vandalism & Assessment fees
Oakwood is current with its Annual Financial Report submissions. As of 12/31/2021, Oakwood owes the Division $47.00 for outstanding Vandalism & Assessment fees.
Cemetery Activity / Financial Condition
Oakwood is an active cemetery that reported totals of 190 burials, $123,159 in interment income, and $103,500 in lot sales in the last four years (2017-2020). The total acreage at Oakwood is 16 acres with only .5 acre unsold and developed.

Oakwood finished with a net operating surplus in three of the last four years (2017-2020). The cemetery has transferred $20-23k/year in investment income from dividends and interest to the operating account to help offset expenses.

Fund Balances:
As of 12/31/2021, Oakwood Cemetery Association reported the following assets:

As of December 31, 2021, there is a deficit in the Permanent Maintenance Fund of $10,027.48. The original deficit of $32k +/- has been indirectly and partially absorbed through capital gains over the years since. Oakwood was notified in writing within the Divisions 2013 and 2017 audit reports and both times agreed to pay the deficit back but did not follow through on that promise. Given Oakwood has enough funds in their General Fund, the Division recommends that the PM deficit be remedied as a condition of the merger. Forest Lawn agreed to this condition in an email dated March 30, 2022 from David Fleming.

Upon merger, Forest Lawn would gain funds held by Oakwood as Perpetual Care. Oakwood provided an itemized list of this fund showing the balance is comprised of multiple bequests. Forest Lawn is required to carry out the wishes of decedent’s according to intentions stated in their wills. Like the Attica merger, the Division is unsure if funds currently classified as Perpetual Care are permanent maintenance or special trusts by nature in accordance with division regulations. Forest Lawn should explore the PC fund and any related wills and classify the funds as true PC or reclassify as PM, Special Trusts (ST), or GF.

Forest Lawn claims it can support all current and newly acquired cemeteries maintenance needs in perpetuity indicating the merger will compound market returns thus increasing available maintenance resources.

Financial Review of Application
The focus for this part of the review was given to statements throughout the application that related to financial claims or projections and the merger document presented as Exhibit T labeled “Operational Projections” and its subsequent revision. In Exhibit T, results for Revenue and Expenses were given for years 2013-2020 with projections for 2021-2025 using the average of the previous 5-year results as a basis for comparison.

Revenue:
Forest Lawn projected a 35% increase in grave sales in Year 1, 2% increases per year for interment fees, a 125% increase in foundation income in Year 1, and a 78% increase in interest
& dividends in Year 1. Forest Lawn stated it would allow 4 burials per lot, as opposed to 2 currently allowed by Oakwood and market new offerings which would increase revenue in the remaining available space. Forest Lawn refers to its investment strategy as stronger and expects a guaranteed minimum return of 3.25%.

Expenses:
Forest Lawn projected that overall expenses would increase 3% in Year 1 and 1.5% each year after. The fees paid to Oakwood’s President and Secretary/Treasurer is eliminated and office expense is significantly reduced. There are expected increases in grave services and insurance, and new costs for advertising and a PM loan payback. It has subsequently been determined that the PM loan payback was for work that was proposed but later withdrawn. In an email dated March 30, 2022, David Fleming withdrew that expense line from the financial forecast.

5-year averages, comparison before and after merger:

</table>

As the above table shows, Forest Lawn provided a Financial Forecast that projected an increase in Oakwood’s bottom line by more than 400% over the first five years post-merger. Note: this table does not reflect the removal of the PM loan payback expense, which would only further support the favorable financial position post-merger.

Related Parties:
Forest Lawn’s Vice President/Groundskeeper is the father of a Trustee on Oakwood’s board and the brother of Oakwood’s Treasurer. The Oakwood Trustee and his mother (the Forest Lawn VP’s wife) owns the contracting company that provides mowing and maintenance and grave digging services for Oakwood and other cemeteries with which Forest Lawn seeks to merge. It is feasible to believe that these individuals could realize an increase in income or wages as their responsibilities increase due to the growing number of Forest Lawn properties. For example, the financial projections provided by Forest Lawn show a 23% increase in costs related to grave digging, a service provided by the referenced contractor. The sister/aunt of the same individuals who is an officer on the Oakwood board. is also being compensated.

It does not appear that any of this related party information was disclosed properly over the years within Oakwood board’s minutes, annual lot owner’s meetings, Form 990, or the independent auditor’s review. There is no evidence that the related parties recused themselves from any related discussion, votes, or bids when it came to contractor services or the proposed merger until December 2021. After inquiry by the Division as to compliance with related party provisions, the Oakwood board, without Nancy Hibsch and Levi Wolcott, met and, after noting the existence of related parties, ratified the merger on December 14, 2021. It does not appear that Oakwood had or has a written Conflict of Interest policy as of the date of this report and it does not appear that the same information was disclosed to the lot owners.

Conclusion:
From a financial perspective, Oakwood is not in danger of abandonment in the foreseeable future. The 2017 board reorganization and advice given to Oakwood during the Division audit in 2017 to strengthen its financial operations has seemingly been applied and proven successful. Oakwood
recognized a small surplus in three of the last four years and has a reasonably sized endowment fund for its size that has been performing well. In addition, it has sufficient land for future sales. However, the growing concern of a lack of community volunteer support and Forest Lawn’s plan to significantly increase revenues would make the strongest arguments in favor of this merger.

As stated in the sections above, the Division recommends three conditions of this merger:

1. Oakwood must pay $47.00 to Division of Cemeteries for outstanding Vandalism & Assessment fees through 12/31/2021 (see attached fund review worksheet, tab 2).

2. Oakwood must transfer $10,027.48 from its general fund to the permanent maintenance fund to close the PM deficit. Forest Lawn should first confirm the capital gains and brokerage fees from 2017-2021. The Division calculations are based on figures that Oakwood reported on its Annual Financial Reports (see attached fund review worksheet).

3. Forest Lawn should work with Oakland to identify the source and purpose of funds currently designated as Perpetual Care to determine if any of the funds should instead be classified as PM, ST, or GF, prior to seeking approval for this merger from the Office of the Attorney General.

Re: Merger of Forest Lawn Cemetery & Crematory (15027) and Oakwood Cemetery Association (15052)

Dear Members of the Board:

Attached herewith please find an application package related to the proposed merger of Oakwood Cemetery Association into The Buffalo City Cemetery (Forest Lawn Cemetery & Crematory). Both cemeteries are regulated by the state and are under the jurisdiction of the State Cemetery Board. The cemeteries respectfully request the State Cemetery Board’s consent to this merger for the benefit of all lot owners as outlined in the following documents.

The proposed merger of these operations has been under discussion by both organizations for some time. Subsequent to these talks, the proposed merger and plan of merger have been approved by the boards of each entity as well as the lot owners of the cemeteries. United, the merged cemeteries will create increased financial stability and service for all members of the organizations and will strengthen the long-term resources for all lot owners.

This merger is in keeping with The Forest Lawn Group’s strategy approved and outlined by its Board of Trustees to meet the financial needs and long-term sustainability of cemetery operations and endowment while supporting the interests of all lot owners. This proven business model (through mergers dating back to 1998) increases available revenues, reduces maintenance per acre, and increases permanent maintenance funds. The management of clusters of cemeteries in geographic regions is key to the success of this effective business model.
The reality is that many cemeteries, especially smaller, rural cemeteries, are increasingly in financial and operational distress. Many of them, including Oakwood Cemetery Association, have told Forest Lawn in plain terms that they will fail and face abandonment in the very near term unless a solution is found. They face declining revenues, increasing costs, small and often insufficient endowments, and their boards and management are aging with no younger generation stepping in to take over. A new strategy is essential if these cemeteries are going to survive and not become a burden on the tax payers of local municipalities. Industry consolidation, in instances such as this, is the only realistic path forward. Combining with Forest Lawn offers Oakwood Cemetery Association Cemetery enhanced management, operational and financial resources and support, together with operational efficiencies, that will keep these cemeteries (as well as the entire Forest Lawn Group) viable and strong.

As the Board is aware, Forest Lawn has for two decades owned and operated a “cluster” of cemeteries located in Western New York. It has proven that it has the professional management and resources to manage multiple cemeteries, and has demonstrated the operational efficiencies that can result from a group of geographically close cemeteries sharing resources. Forest Lawn is also able to implement common policies and procedures, financial controls and reporting, marketing and promotional resources (including web site and online resources), and other operational efficiencies for the benefit of all of its cemeteries. At the same time, Forest Lawn’s management template remains a behind-the-scenes overlay of practices and policies so that the sensibilities and traditions of each local community cemetery is preserved and respected.

These clusters have greatly strengthened Forest Lawn’s financial position while also providing enhanced services and engagement for constituent operations.

Oakwood Cemetery Association is a sixteen acre parcel with burials averaging 41 per year and annual sales of approximately $42,000. The cemetery has a large and unaddressed outstanding PM loan balance of $32,000 which Forest Lawn proposes to pay back over the next 10 years. The details of this payback are outlined in the attached documents.

The Oakwood Cemetery Association also has an outstanding personal injury claim. The cemetery has insurance related to this litigation and the carrier is currently providing Oakwood’s defense.

Oakwood has $1,200,000 in its Permanent Maintenance Fund (PM) and has a General Fund of approximately $52,065.35. Forest Lawn’s conservatively estimates an increase in revenue of $9,000 over previous five-year averages based on their proven management operations.

The merger of these cemetery operations will compound market returns and will increase available maintenance resources.

Oakwood’s operations will benefit from operating efficiencies, and opportunities from the Forest Lawn management template (i.e. pre-need term contracts, accepting credit cards, marketing and community engagement). This merger will create stronger services for all lot owners and will significantly improve The Forest Lawn Group’s ability to meet the promise of perpetual care while fulfilling the sacred duties associated with cemetery management.
We look forward to working with the State Cemetery Board to answer any questions you may have about this important project and to secure a timely consent to this merger.

Thank you in advance for your consideration of this important project.

Very truly yours,

David F. Fleming, Jr.

Forest Lawn Overview:

Forest Lawn (Corporate title of The Buffalo City Cemetery, Inc.), is a regulated a not-for-profit cemetery organization. As an organization that welcomes all faiths, they operate five cemeteries and a crematory.

In its 170+ years, Forest Lawn Cemetery has become an enduring chronicle of local history and a cultural landmark to local accomplishment. The cemetery is a national asset with designation in the New York State and National Registers of Historic Places.

With more than 3,500 trees in Forest Lawn, representing 100 different species and varieties, the cemetery is an important arboretum.

The Margaret L. Wendt Archive and Resource Center at Forest Lawn is nationally recognized and is an archival “center of excellence” for protecting, and conserving one of Western New York’s most precious assets – Forest Lawn’s collection of more than 1.2 million historic documents, including the most comprehensive family archives in Western New York.

Forest Lawn has strategically expanded over the years to strengthen the viability of its operations and its service to lot owners. Today, The Forest Lawn Group includes cemeteries in Buffalo, Hamburg, Williamsville and West Seneca. Lakeside Cemetery in Hamburg (south of Buffalo) is a lovely cemetery and also a home for several forms of wildlife. Williamsville Cemetery’s eight acres also represents the rich history of the Village of Williamsville in the Town of Amherst. St. Matthew’s Cemetery showcases the beauty, heritage and tradition of West Seneca. The most recent addition to the Forest Lawn Group is Gethsemane Cemetery in Williamsville. Since its dedication in the early 1900’s, this beautiful, quiet, serene place had been a private cemetery, exclusively for burial of the Sisters of St. Francis of the Neumann Communities. In 2018, the Sisters entrusted ownership of Gethsemane to the Forest Lawn Cemetery and Crematory Group.

Oakwood Cemetery Association Overview:

Oakwood Cemetery is a regulated not-for-profit cemetery operation in the Town of Aurora, New York in Erie County.

The cemetery is a 16-acre parcel which is positioned to be an excellent constituent cemetery within the Forest Lawn Group based on its current state and opportunity for enhanced operations.

Oakwood has a significant $1,200,000 PM fund and has a small number of established perpetual care trusts.

The cemetery had 34 burials in 2020 with an operating surplus of $2,460.81 and currently has two employees.

Oakwood also has an unresolved and outstanding $32,000 PM loan that must be addressed.
Forest Lawn Group Merger Outline:

Forest Lawn is aware that many small, cemeteries lack the financial, manpower and capital resources to adequately maintain and manage their cemetery properties. Many are surviving day-to-day with little or no ability or resources to do any marketing or promotional activities, raise funds, take advantage of technology, or plan strategically for the future. Forest Lawn, with its professional staff, and substantial resources and infrastructure, has a demonstrated track record and nimble structure to combine resources with groups of smaller cemeteries in a way that will benefit all parties. The strategy can be summarized as follows:

• Creating groupings of multiple, geographically close cemeteries — each a “cluster;”
• That achieve a critical mass of endowment and revenue dollars;
• Which can then be managed more effectively for revenue growth, economies of scale and cost reduction;
• Can leverage the broader geographic area of the “cluster” to draw business from larger population base;
• Thereby enabling both growth in total revenue and a reduction in expense per acre;
• While at the same time creating opportunities to attract and develop new, younger employees for sustaining our business long-term.

Forest Lawn already owns and operates a “cluster” of cemeteries located in Western New York. It has proven that it has the professional management and resources to manage multiple cemeteries, and has demonstrated the operational efficiencies that can result from a group of geographically close cemeteries sharing resources. Forest Lawn is also able to implement common policies and procedures, financial controls and reporting, marketing and promotional resources (including website and on-line resources), and other operational efficiencies for the benefit of all of its cemeteries. At the same time, Forest Lawn’s management template remains a behind-the-scenes overlay of practices and policies so that the sensibilities and traditions of each local community cemetery is preserved and respected. Forest Lawn is confident that these same operational resources and benefits can be implemented in other “clusters” of cemeteries in Western New York.

Forest Lawn and Oakwood Cemetery Association, based on research, analysis and long-term viability for both operations, have determined that this merger is in the best interests of their operations and therefore respectfully request an expedited review and consent to this strategic plan of merger.
(1) The plan of merger or consolidation is economically feasible and financially responsible:

The Forest Lawn Group is a nationally recognized cemetery operation with a significant track record of successful mergers with smaller cemeteries that have strengthened the combined operations financially and from an operations perspective.

The Forest Lawn Group has a successful program of reducing expenses and increasing revenue per acre for all constituent cemeteries.

Oakwood is a 16-acre cemetery that had 34 reported burials in 2020. The five year average of burials at the cemetery is 41 with the average annual sales amount of $42,389.

Oakwood Cemetery would continue this ongoing work with important contributions to the success of the merged operations. Oakwood has a $1,200,000 PM fund. There was also $52,065.35 in operating fund as of December 31, 2020. As a combined entity, it would generate a positive shared impact on the PM fund.

The cemetery does have an open PM loan of $32,000 which Forest Lawn requests be restructured to allow for timely payback at $3,200 a year over ten years. The details of this request are outlined in the attached Exhibit Z.

Oakwood has the financial, operating and sales opportunities to excel under a merger with Forest Lawn.

The financial projections for Oakwood are conservative estimates. Increases in revenue of $9,000 (35%) in grave sales is projected over the previous five-year average along with an anticipated 3.25% return on the PM Fund. Forest Lawn anticipates a significant reduction in repair and maintenance expenses and the addition of annual expenditures for the PM Fund payback. The result is anticipated as a year one $50,000 change in net assets which grows to $60,000 in year five.

Forest Lawn’s Annual Financial Report for the year ending March 31, 2021 outlines the investments and operational income of the operations. This report is attached as Exhibit R.

Oakwood Cemetery Association’s Annual Financial Report for the year ending December 31, 2020 is attached as Exhibit S.

The marketing of new offerings based on the Forest Lawn portfolio will further assist the success of operations for this cemetery and the cluster as a whole.

Oakwood Cemetery’s PM funds will be strengthened by Forest Lawn’s investment policies while the operations will continue to maintain operation cash necessary for ongoing operations.

Please see Exhibit T for additional information on operational projections.
(2) The merger or consolidation does not harm the interests of each cemetery corporation, their lot owners, the communities in which the constituent cemeteries are located, or the state:

The merger of Forest Lawn and Oakwood Cemetery Association will financially strengthen both cemeteries.

The addition of $1,200,000 in PM to Forest Lawn’s existing investments will generate a positive shared impact on the PM fund as a result of the merger. This long-term sustainability is critically important to both operations.

The addition of new interment space for the Oakwood operations as well as the resolution of a long-standing PM loan issue will strengthen operations.

The existing lot owners of Forest Lawn will continue to receive the same renowned services they have expected with increased viability of its PM and operational structure. Oakwood’s current lot owners will see new technology offerings for access such as websites along with easy access to records, staff and arrangements. Representatives will be available to lot owners six days a week, with the monitoring of emails on a 24/7 basis. The new website will be a comprehensive source of information and contact for lot owners.

The community of Oakwood will be benefited by the continuation of a well-maintained cemetery that will not be in danger of abandonment. The locality’s tax burden would not be increased by this cemetery abandonment since the operations will merge with a strong existing operation. The state would be benefited by protecting scarce cemetery abandonment funds and the consolidation of operations will allow for easier oversight and less deployment of Division of Cemeteries resources to handle struggling operations and the prevention of cemetery reorganization.

The enhanced financial position of these merged entities will provide for long term viability otherwise unattainable by the individual cemeteries.

(3) The surviving or consolidated corporation will have the resources, ability and commitment of directors and officers to ensure that all the constituent cemeteries are properly operated and maintained, that they will not fall into disrepair and dilapidation and become a burden upon the community, that they will be operated for the mutual benefit of lot owners, and that they will continue to serve the local communities in which they are located:

The combined resources of Forest Lawn and Oakwood will greatly strengthen the operations of both entities in ways not possible on their own.

Forest Lawn has a proven track record of cluster cemetery operations that reduces costs and increases revenues which will benefit both operations.
The officers and the directors of both organizations have approved their plan of merger and have enthusiastically supported this merger process as outlined in the Plan of Merger attached as Exhibit L.

The maintenance provided by Forest Lawn for constituent cemeteries has been and will remain exceptional. The services provided to lot owners will continue in an enhanced and strategic way which will leverage operational savings and enhanced services and offerings.

The communities served will have greater access to historical documents, research, and varieties of traditional cemetery offerings. These enhancements will serve the community as well as the larger cemetery operations and their lot owners.

(4) The municipalities which would be required to assume the care and control of any part of the cemetery if the surviving or consolidated cemetery corporation were to be abandoned have been notified of the proposed merger or consolidation:

The localities required to assume control of any part of the Oakwood Cemetery should it be abandoned have been notified of the proposed merger.

A copy of the letter to the Town Supervisor of Aurora, New York, and Affidavit of Mailing and the Certified Receipt are attached as Exhibit G.

(5) The plan of merger or consolidation submitted to the cemetery board shall include the following:

(i) A description of the financial assets of each constituent cemetery corporation demonstrating that the surviving or consolidated cemetery will have sufficient financial resources to operate all locations subsequent to merger or consolidation;

Forest Lawn will utilize their existing operations to serve the cemetery’s operational and maintenance needs.

A full description of Oakwood Cemetery’s assets may be found in their Annual Financial Report attached as Exhibit S.

A full description of Forest Lawn’s assets may be found in their Annual Financial Report attached as Exhibit R.

The added investments of the Oakwood’s substantial PM will further strengthen Forest Lawn’s overall financial position for the long-term for all operations. The operational revenue picture currently in place at Oakwood would be resolved to the benefit of all lot owners as a result of this merger.
The expansion of burial space for Oakwood in addition to the resolution of outstanding PM liabilities provides a strengthening of operations for both entities.

(ii) A proposal for management of financial assets of the surviving or consolidated cemetery, including management of trust funds of the constituent cemeteries;

The management of financial assets will be governed by Forest Lawn’s policies which may be found attached as Exhibit U.

All special trusts will be held in conformity with state standards and Forest Lawn investment policies.

(iii) A proposal for maintenance, storage and availability of all corporate and cemetery records of the surviving or consolidated cemetery including procedures for physical or remote access to such records by persons entitled to access;

Forest Lawn has a proven track record related to digitizing documents and providing storage and retrieval of corporate records and historical documents. Forest Lawn intends to make records available to lot owners electronically and, for those lot owners who prefer hard copies of records, Forest Lawn will ensure hard copies are made available by mail or other means requested by persons entitled to access.

Forest Lawn will provide specific contact information, including other important information on its website, to all lot owners of Oakwood Cemetery, to allow lot owners to request copies of applicable records.

Forest Lawn has a professionally staffed office with representatives available six days a week, and monitors incoming emails on a 24/7 basis. Forest Lawn’s website, as well as the websites it plans to create for each merged cemetery, will be a comprehensive source of information and contact for lot owners.

Forest Lawn’s experience with many smaller and cemeteries is that their books and records are not readily available or accessible; many are not maintained on computers or available electronically at all. Forest Lawn intends to implement much more professional and robust recordkeeping at each merged cemetery and is confident that under its ownership, recordkeeping will be complete and accurate and availability of records to all lot owners and other stakeholders will improve considerably.
(iv) A proposal for maintenance, storage and availability of all corporate and cemetery records relating to the constituent cemeteries, including procedures for physical or remote access to such records by persons entitled to access;

Forest Lawn has a proven track record related to digitizing documents and providing storage and retrieval of corporate records. Forest Lawn intends to make records available to lot owners electronically and, for those lot owners who prefer hard copies of records, Forest Lawn will ensure hard copies are made available by mail or other means.

Forest Lawn will provide specific contact information, including other important information on its website, to all lot owners of Oakwood Cemetery, to allow lot owners to request copies of applicable records.

Forest Lawn has a professionally staffed office with representatives available six days a week, and monitors incoming emails on a 24/7 basis. Forest Lawn’s website, as well as the websites it plans to create for each merged cemetery, will be a comprehensive source of information and contact for lot owners.

Forest Lawn intends to implement much more professional and robust recordkeeping at each merged cemetery and is confident that under its ownership, recordkeeping will be complete and accurate and availability of records to all lot owners and other stakeholders will improve considerably.

(v) A plan for maintenance and operation of all locations in an equitable manner;

Forest Lawn intends to introduce shared services and manpower as part of its “cluster” model, including contractual services as it does currently in its remote operations at other cemeteries. Oakwood Cemetery will be serviced in the same manner as it services its existing constituent cemeteries. These mobile land services are highly efficient and enable the maximization of scheduling services and maintenance. This operational structure will reduce costs of the operation.

All administrative services will be centralized. This means that all constituent parts will receive the same equitable services. There will be a significant increase in the accessibility of administrative support and organizational resources for Oakwood based on Forest Lawn’s existing model of operations.
(vi) An agreement that contact information for the surviving or consolidated cemetery will be posted at the entrance to each location of the surviving or consolidated cemetery and on any website maintained by it;

Forest Lawn will provide the necessary contact information for Oakwood Cemetery at the entrance to the cemetery as well as their websites following the completed merger of the organizations. The access to support services provided by Forest Lawn will represent a significant increase in services for Oakwood Cemetery lot owners.

(vii) A proposal for the conduct of annual and special lot owner meetings that permits lot owners who were lot owners of a constituent cemetery to attend, actively participate in, and vote at such meetings remotely; and

The ongoing pandemic has established new expectations for remote and in-person meetings. Such meetings have been the expectation for more than a year. They foster greater participation and ease of interaction for attendees.

Forest Lawn will manage the logistics of local cemetery meetings using both technology and regular in-person visits of Forest Lawn representatives to the local cemeteries. Forest Lawn will publish notices of annual lot owners’ and any special meetings in each locality in the same manner that it currently publishes notices in its principal location in Buffalo, including by electronic means. As part of its discussions with potentially constituent cemeteries, Forest Lawn has committed to creating a website for each location (many of which, like Oakwood, have little or no online presence currently) and will post meeting notices and other information on those websites.

Forest Lawn will also facilitate participation by lot owners of remote cemeteries in lot owners’ meetings using video conferencing or other web-based meeting tools and/or a local location for such participation. Forest Lawn will also send representatives to attend live, in-person lot owners’ meetings at constituent locations as and when necessary or appropriate.

Forest Lawn is confident that lot owners of Oakwood Cemetery will have appropriate notice and opportunity to participate in annual and special lot owner meetings in more ways than they have currently.
A proposal for providing notice to lot owners who were lot owners of a constituent cemetery of the place, date and hour of the annual and any special lot owner meetings in compliance with section six hundred five of this chapter, and that also provides for: notice to be published in a newspaper located in each county in which any constituent cemetery was located, and notice to be prominently posted on the homepage of any website maintained by the surviving or consolidated cemetery.

Forest Lawn will provide notice to lot owners of Oakwood Cemetery Association in compliance with NPCL §605. Forest Lawn will send notice to each member that has requested such notice in writing. Forest Lawn will also publish notice of the meeting on their website and the Oakwood Cemetery website and three successive weeks of publication in a newspaper in the county of operation of Oakwood Cemetery.

These forms of notification along with the access to remote meetings will provide the cemetery’s lot owners with significant access for participation.

In addition to the requirements of section nine hundred three of this chapter, lot owner approval of the plan of merger or consolidation must meet these requirements:

(1) Notice of the meeting to lot owners by a constituent cemetery corporation that will not be a surviving cemetery corporation may not be served by publication, unless the constituent cemetery demonstrates that notice by means other than publication would cause undue hardship; Lot owner notice was served by publication and mailing. A copy of the publication and mailing may be found attached as Exhibits H and J. The Lot Owner Meeting is scheduled for August 20, 2021.

(2) Additional notice of the meeting shall be conspicuously posted at the cemetery at least sixty days prior to the meeting and shall provide the name, telephone number and address of a person from whom a copy of the plan of merger or consolidation may be obtained; and A copy of the posted notice may be found attached as Exhibit I.

(3) Additional notice of the meeting, along with the plan of merger or consolidation or an outline of the material features of the plan, shall be conspicuously posted, by each constituent corporation, on any website it maintains or through which it conducts business.

Oakwood Cemetery does not have a website at this time. Forest Lawn maintains a website for postings. The website posting may be found attached as Exhibit J.

OF
THE BUFFALO CITY CEMETERY, INC.

A corporation governed by the
Not-for-Profit Corporation Law of New York

ARTICLE I
CEMETERY GROUNDS

Section 1. Cemetery Grounds. The cemetery grounds of the corporation may be referred to by the name of FOREST LAWN.

ARTICLE II
MEETINGS OF MEMBERS

Section 1. Annual Meeting. The annual meeting of the members of the corporation, for election of Trustees and for the transaction of such other business as may be set forth in the notice of the meeting and has properly come before the meeting, shall be held each year at the principal office of the corporation or at such other place within the State of New York as the Board of Trustees shall determine and the notice of the meeting shall specify, and shall be held on the last or next to last Tuesday of April of each year.

Section 2. Special Meetings. Special meetings of the members may be called by the Board of Trustees, by the Chairman of the Board, or by the President, acting for the Chairman of the Board, and shall be called by the Chairman of the Board, the President or the Secretary at the request in writing of three or more members of the Board of Trustees. Such request shall state the purpose or purposes for which the meeting is to be called. Each special
meeting of the members shall be held at such time and at such place, within or without the State of New York as the Board of Trustees or the person calling the meeting shall determine and the notice of the meeting shall specify.

Section 3. Notice of Meetings. Notice of each meeting of members shall be given by publication in a newspaper published in the City of Buffalo once a week for three successive weeks next preceding the date of such meeting, and such notice shall state the purpose or purposes for which the meeting is called and the place, date and hour of the meeting, and, unless it is the annual meeting, indicate that the notice is being issued by or at the direction of the person or persons calling the meeting. The corporation shall also prominently post notice of such meeting on the homepage of any website maintained by it continuously from the date of publication pursuant to this Section through the date of the meeting. The corporation shall send notice of any meeting of the members by first class mail to any member who requests in writing that such notices be delivered by such method.

Section 4. Waiver of Notice. Whenever under any provision of these by-laws, the certificate of incorporation, the terms of any agreement or instrument, or law, the members are authorized to take any action after notice to any person or persons or after the lapse of a prescribed period of time, such action may be taken without notice and without the lapse of a prescribed period of time, if at any time before or after such action is completed the person or persons entitled to such notice or entitled to participate in the action to be taken, or by his or her duly authorized attorney-in-fact, submit a signed waiver of such notice or time requirements.

Section 5. Quorum and Qualifications of Voting Members. At each meeting of members for the transaction of any business, a quorum for the transaction of business shall consist of five members entitled to vote at such meeting.

Section 6. Procedure. The order of business and all other matters of procedure at every meeting of voting members may be determined by the presiding officer. The Chairman of the Board, or in his or her absence, the most senior member of the Board of Trustees present at such a meeting, shall preside over such a meeting.
Section 7. Voting. Each member in good standing shall be entitled at every meeting of members to one vote on all matters appropriate for consideration by the corporation’s membership. Trustees elected at any meeting of the members shall, except as otherwise provided by law or the certificate of incorporation, be elected by a plurality of the votes cast. All other corporate action to be taken by vote of the members shall, except as otherwise provided by law, the certificate of incorporation or these by-laws, be authorized by a majority of the votes cast. The vote for Trustees, or upon any question before a meeting of members, shall not be by ballot unless the person presiding at such meeting shall so direct or any voting member shall so demand.

Section 8. Written Consent of the Members Without a Meeting. Whenever by law members are required or permitted to take any action by vote, such action may be taken without a meeting on written consent, setting forth the action so taken, signed by all of the members. Written consent thus given by all of the members shall have the same effect as a unanimous vote of the members.

Section 9. Inspectors of Election. Two inspectors of election, neither of whom shall be a candidate for the office of Trustee of the corporation, shall be appointed by the Board of Trustees at a meeting of the Board preceding each meeting at which an election of Trustees is held, or by the presiding officer at each such meeting, such inspectors to serve at such meeting and any adjournments thereof in connection with such election. The inspectors appointed to act at any corporate meeting, before entering upon the discharge of their duties, shall be sworn faithfully to execute the duties of inspectors at such meeting with strict impartiality and according to the best of their ability, and the oath so taken shall be subscribed by them. The presiding officer at any corporate meeting may also appoint at such meeting two inspectors with authority to count and report upon the votes cast at such meeting upon such questions (other than the election of Trustees) as may be voted upon by ballot.

Section 10. Adjournments. The members entitled to vote who are present in person or by proxy at any meeting, whether or not a quorum shall be present or represented at the meeting, shall have power by a majority vote to adjourn the meeting from time to time without further notice other than announcement at the meeting. At any adjourned meeting at which the
requisite number of members entitled to vote shall be present in person or by proxy, any business
may be transacted which might have been transacted at the meeting as originally called, and
those members present in person or by proxy, and no others, shall be entitled to vote at such
adjourned meeting.

Section 11. Proxies. Every member entitled to vote at any meeting may vote by
proxy. Every proxy shall be executed in writing by the member, or by his or her duly authorized
attorney. No proxy shall be valid after the expiration of eleven months from the date of its
execution unless the member executing it shall have specified therein its duration. Every proxy
shall be revocable at the pleasure of the person executing it or of his or their personal
representatives or assigns.

ARTICLE III
BOARD OF TRUSTEES

Section 1. Management of Corporate Affairs. Except as otherwise provided by
law, the certificate of incorporation of the corporation or these by-laws, the activities, property
and affairs of the corporation shall be managed by the Board of Trustees.

Section 2. Number and Qualifications. The Board of Trustees shall consist of
at least eight but not more than twelve persons, who shall be elected by the members at the
annual meeting of the members. All of the Trustees shall be at least eighteen (18) years of age,
at least one of them shall be a citizen of the United States and at least a majority of them shall be
residents of the State of New York. Trustees need not be members of the corporation. As used
in these by-laws, the term “entire Board” means the number of Trustees within such range that
were elected or appointed as of the most recently held election of Trustees, as well as any
Trustees whose terms have not yet expired.

Section 3. Classes of Trustees and Term of Office. The Trustees shall be
divided into three classes, each of which shall consist of four Trustees. At each annual meeting
of the members, successors to the class of Trustees whose terms then expire shall be elected for
terms that shall expire at the third succeeding annual meeting of the members. Newly created
Trusteeships or any decrease in Trusteeships shall be so apportioned among the classes of
Trustees as to make all classes as nearly equal in number as possible, but in no case will a
decrease in the number of Trustees shorten the term of any incumbent Trustee. The election of Trustees shall be conducted by two inspectors of election as provided herein and shall be decided by a plurality vote.

Section 4. Vacancies. Newly created Trusteeships resulting from an increase in the number of Trustees and vacancies occurring in the Board of Trustees for any reason may be filled by vote of a majority of the Trustees then in office, although less than a quorum exists, or any such newly created Trusteeships and vacancies occurring in the Board of Trustees for any reason may be filled by vote of the members at any meeting of members, notice of which shall have referred to the proposed election. If any such newly created Trusteeships or vacancies occurring in the Board of Trustees for any reason shall not be filled prior to the next annual meeting of members, they shall be filled by vote of the members at the annual meeting. A Trustee elected to fill a vacancy, unless elected by the members, shall hold office until the next meeting of members at which the election of Trustees is in the regular order of business, and until his or her successor has been elected and qualified.

Section 5. Resignation. Any Trustee of the corporation may resign at any time by giving his or her resignation to the Chairman of the Board, the President, or the Secretary. Such resignation shall take effect at the time specified therein and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 6. Removal. Any Trustee may be removed with or without cause by a majority of the members entitled to vote or with cause by a majority of the Board of Trustees at any meeting of the members or the Board, as applicable, notice of which shall have referred to the proposed action.

Section 7. Compensation. No Trustee of the corporation shall receive directly or indirectly, any salary, compensation or emolument for the corporation, except reasonable compensation for services actually performed, reimbursement of expenses necessarily incurred in effecting one or more of the corporate purposes of the corporation and a fixed sum and expenses of attendance of meetings of the Board (which such sum may be paid for a stated period or periods or paid on the basis of each regular or special meeting of the Board attended).
ARTICLE IV
MEETINGS OF TRUSTEES

Section 1.  Regular Meetings. Regular meetings of the Board of Trustees of the corporation, for the transaction of such business as may be set forth in any notice of the meeting, shall be held at the office of the corporation according to the schedule of dates and times fixed by the Board of Trustees and at such other times and places as the Chairman of the Board or the President, acting for the Chairman of the Board, shall determine and any notice of meeting shall specify.

Section 2. Special Meeting. Special meetings of the Board of Trustees may be called at any time by the Chairman of the Board or the President, acting for the Chairman of the Board, upon receipt of a written request therefor signed by three Trustees. Such request shall state the purpose or purposes for which the meeting is to be called. Each special meeting of the Board of Trustees shall be held at such time and place as the person calling the meeting shall determine and the notice of the meeting shall specify.

Section 3. Notice of Meetings. Notice is not required for any regular meeting of the Board of Trustees. Notice of each special meeting of the Board of Trustees stating the time and place thereof shall be given by the Secretary or Assistant Secretary to each member of the Board (a) not less than five (5) days before the meeting if given by electronic mail or by mailing the notice, postage prepaid, addressed to each member of the Board at his or her residence or usual place of business, or (b) not less than two (2) days if given in person or by direct telephone contact. Unless otherwise required by law, the certificate of incorporation or these by-laws, the notice of any special meeting of the Board of Trustees need not specify the purposes for which the meeting is called.

Section 4. Waiver of Notice. Whenever under any provision of these by-laws, the certificate of incorporation, the terms of any agreement or instrument, or law, the corporation, the Board of Trustees or any Committee thereof are authorized to take any action after notice to any person or persons or after the lapse of a prescribed period of time, such action may be taken without notice and without the lapse of such period of time, if at any time before or after such action is completed the person or persons entitled to such notice or entitled to
participate in the action to be taken, or by his or her duly authorized attorney-in-fact, submit a signed waiver of such notice or time requirements.

Section 5. Quorum and Action by the Board. At all meetings of the Board of Trustees, except as otherwise provided by law, the certificate of incorporation or these by-laws, a quorum shall be required for the transaction of business and shall consist of not less than a majority of the entire Board and the vote of a majority of the Trustees present shall decide any question that may come before the meeting. A majority of the Trustees present, whether or not a quorum is present, may adjourn any meeting to another time or place without notice other than announcement at the meeting of the time and place to which the meeting is adjourned.

Section 6. Procedure. The order of business and all other matters of procedure at every meeting of the Trustees may be determined by the person presiding at the meeting. The Chairman of the Board or, in his absence, the most senior member of the Board of Trustees present at such meeting, shall preside over such meeting.

Section 7. Action Without a Meeting. Any action required or permitted to be taken by the Board or any Committee thereof may be taken without a meeting if all members of the Board or the Committee consent in writing to the adoption of a resolution authorizing the action. The resolution and the written consents thereto by the members of the Board or Committee shall be filed with the minutes of the proceedings of the Board or Committee.

Section 8. Presence at Meeting by Telephone. Members of the Board of Trustees or any Committee thereof may participate in a meeting of such Board or Committee by means of a conference telephone or similar communications equipment allowing all persons participating in the meeting to hear each other at the same time. Participation in a meeting by such means shall constitute presence in person at the meeting.

Section 9. Reports. The Board of Trustees shall make and file or cause to be made and filed the reports and accountings required by law.
ARTICLE V
COMMITTEES

Section I. Committees of the Board. The Chairman of the Board of Trustees shall annually submit to the Board of Trustees a slate of proposed members of Committees of the Board, all of whom have been selected from among the Trustees. The Board of Trustees shall appoint the members of such Committees of the Board at the first meeting of the Board of Trustees following the annual corporate meeting. The members of each Committee of the Board shall hold office until their successors are appointed and have qualified. The Committees of the Board shall include, but are not limited to:

(a) Executive Committee. An Executive Committee of at least three Trustees, a majority of whom shall constitute a quorum. The Chairman of the Board of Trustees shall annually submit to the Board of Trustees a slate of proposed members of the Executive Committee, and members of the Executive Committee shall be appointed by a majority of the entire Board. The Executive Committee shall meet at least annually prior to the annual meeting of the members of the corporation. Except as otherwise provided by law, during the intervals between the meetings of the Board of Trustees, the Executive Committee shall possess and may exercise all the powers of the Board of Trustees in the management and direction of the business and affairs of the corporation, in such manner as the Executive Committee shall deem for the best interests of the corporation, in all cases in which specific directions shall not have been given by the Board of Trustees, and shall keep minutes of its proceedings which shall be reported to the Board of Trustees at its next succeeding meeting, and shall be subject to revision or alteration by the Board of Trustees, provided that no rights of third parties shall be affected by any such revision or alteration. Persons other than Trustees may be members of Committees of the Corporation. The Chairman of the Board of Trustees shall nominate the members of any such Committee. Such Committee or Committees shall have such name or names as may be determined from time to time by the resolution or resolutions adopted by the Board of Trustees. OFFICERS

Section 1. Officers. The Board of Trustees shall annually, at the first meeting of the Board after the annual meeting of members, appoint or elect a Chairman of the Board, who shall be chosen from among the Trustees, a President, a Secretary, an Assistant Secretary, and a Treasurer. The Board of Trustees may from time to time elect or appoint such additional officers as it may determine. Such additional officers shall have such authority and perform such duties as the Board of Trustees may from time to time prescribe.

Section 2. Term of Office. The Chairman of the Board, the President, the Secretary, the Assistant Secretary and the Treasurer shall, unless otherwise determined by the Board of Trustees, hold office until the first meeting of the Board following the next annual meeting of the members and until their successors have been elected or appointed and qualified. Each additional officer appointed or elected by the Board of Trustees shall hold office for such term as shall be determined from time to time by the Board of Trustees and until his or her successor has been elected or appointed and qualified. Any officer, however, may be removed or have his or her authority suspended by the Board of Trustees at any time, with or without cause. If the office of any officer becomes vacant for any reason, the Board of Trustees shall have the power to fill such vacancy.

Section 3. Resignation. Any officer may resign at any time by notifying the Board of Trustees, the President or the Secretary of the corporation in writing. Such resignation shall take effect at the time specified therein and unless otherwise specified in such resignation, the acceptance thereof shall not be necessary to make it effective.

Section 4. Duties of Officers May Be Delegated. In case of the absence or disability of an officer of the corporation, or for any other reason that the Board may deem
sufficient, the Board, except where otherwise provided by law, may delegate, for the time being, the powers or duties of any officer to any other officer, or to any member of the Board.

Section 5. The Chairman of the Board. The Chairman of the Board shall be the chief executive officer of the corporation. He or she shall preside at all corporate meetings and meetings of the Board of Trustees and shall be entitled to vote upon all questions. The Chairman of the Board shall also annually submit to the Board for its approval a list of the Chairs of each Committee of the Board other than the Audit Committee. No employee of the Corporation shall serve as Chairman of the Board or hold any other title with similar responsibilities except if the Board approves such employee's service by a two-thirds vote of the entire Board, and the Board contemporaneously documents in writing the basis for its approval.

Section 6. The President. The President shall be the chief operating officer of the corporation and shall have the general powers and duties of supervision and management of the corporation and shall perform all such other duties as usually pertain to the office or are properly required by the Board of Trustees. The President shall have the power to appoint and discharge employees of the corporation and to fix their compensation. The President shall refer to the Board of Trustees or to the Executive Committee of the Board, for their consideration, major matters of policy, administration procedure and development, and shall make reports thereon.

Section 8. The Assistant Secretary. The Assistant Secretary shall, in the
absence or disability of the Secretary, perform the duties and exercise the powers of the
Secretary.

Section 9. The Treasurer. The Treasurer shall have the care and custody of all
the money and securities of the corporation, subject to the direction of the Board of Trustees
through the Chairman of the Board in respect to forms of account, current, monthly and annual
reports. The Treasurer shall cause to be entered in the books of the corporation to be kept for
that purpose full and accurate accounts of all moneys received and paid on account of the
corporation. The Treasurer shall make and sign such reports, statements and instruments as may
be required of him or her by the Board of Trustees or by the laws of the United States or of any
state, country, or other political subdivision and shall perform such other duties as usually pertain
to the office or as are properly required of the Treasurer by the Board of Trustees.

Section 10. Officers Holding Two or More Offices. Any two or more offices,
except those of President and Secretary, may be held by the same person, but no officer shall
execute or verify any instrument in more than one capacity if such instrument is required by law
or otherwise to be executed or verified by two or more officers.

Section 11. Compensation. The Board of Trustees shall annually fix the salaries
of officers for the ensuing year.

Section 12. Bonds. The Board of Trustees may require any officer, agent or
employee of the corporation to give a bond to the corporation, conditional upon the faithful
performance of his or her duties, with one or more sureties and in such amount as may be
satisfactory to the Board of Trustees. The cost of such bond shall be borne by the corporation.

ARTICLE VII
INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 1. Right of Indemnification. Each Trustee and officer of the
corporation, whether or not then in office, and any person whose testator or intestate was such a
Trustee or officer, shall be indemnified by the corporation for the defense of, or in connection
with, any threatened, pending or completed actions or proceedings and appeals therein, whether
civil, criminal, administrative or investigative, in accordance with and to the fullest extent permitted by the Not-For-Profit Corporation Law of the State of New York or other applicable law, as such law now exists or may hereafter be adopted or amended; provided, however, that the corporation shall provide indemnification in connection with an action or proceeding (or part thereof) initiated by such trustee or officer only if such action or proceeding (or part thereof) was authorized by the Board of Trustees.

Section 2. Advancement of Expenses. Expenses incurred by a Trustee or officer in connection with any action or proceeding as to which indemnification may be given under Section 1 of this Article VII may be paid by the corporation in advance of the final disposition of such action or proceeding upon the receipt of an undertaking by or on behalf of such Trustee or officer to repay such advancement in case such Trustee or officer is ultimately found not to be entitled to indemnification as authorized by this Article VII. Unless otherwise required by law, the Trustee or officer shall not be required, as a condition of obtaining advancement of expenses hereunder, to show that he or she has met the applicable standard of conduct provided by law for indemnification in connection with such action or proceeding.

Section 3. Availability and Interpretation. To the extent permitted under applicable law, the rights of indemnification and to the advancement of expenses provided in this Article VII (a) shall be available with respect to events occurring prior to the adoption of this Article VII, (b) shall continue to exist after any rescission or restrictive amendment of this Article VII with respect to events occurring prior to such rescission or amendment, (c) shall be interpreted on the basis of applicable law in effect at the time of the occurrence of the event or events giving rise to the action or proceeding or, at the sole discretion of the Trustee or officer (or, if applicable, at the sole discretion of the testator or intestate of such Trustee or officer seeking such rights), on the basis of applicable law in effect at the time such rights are claimed and (d) shall be in the nature of contract rights that may be enforced in any court of competent jurisdiction as if the corporation and the Trustee or officer for whom such rights are sought were parties to a separate written agreement.

Section 4. Other rights. The rights of indemnification and to the advancement of expenses provided in this Article VII shall not be deemed exclusive of any other rights to
which any Trustee or officer of the corporation or other person may now or hereafter be otherwise entitled, whether contained in the certificate of incorporation, these by-laws, a resolution of the members, a resolution of the Board of Trustees or an agreement providing for such indemnification, the creation of such other rights being hereby expressly authorized. Without limiting the generality of the foregoing, the rights of indemnification and to the advancement of expenses provided in this Article VII shall not be deemed exclusive of any rights, pursuant to statute or otherwise, of any Trustee or officer of the corporation or other person in any action or proceeding to have assessed or allowed in his or her favor, against the corporation or otherwise, his or her costs and expenses incurred therein or in connection therewith or any part thereof.

Section 5. Severability. If this Article VII or any part hereof shall be held unenforceable in any respect by a court of competent jurisdiction, it shall be deemed modified to the minimum extent necessary to make it enforceable, and the remainder of this Article VII shall remain fully enforceable.

ARTICLE VIII

All checks, notes, drafts and other negotiable instruments of the corporation shall be signed by such officer or officers, agent or agents, employee or employees as the Board of Trustees from time to time by resolution may designate. No officers, agents or employees of the corporation, alone or with others, shall have the power to make any checks, notes, drafts or other negotiable instruments in the name of the corporation or to bind the corporation thereby except as provided in this section.

Section 2. Audit. All accounts of operating income and expense of trust funds of every character shall be audited promptly after the close of the corporation's fiscal year by an audit company or certified public accountant to be designated by the Board of Trustees.

Section 5. Voting of Securities Held by the Corporation. Stocks or other securities owned by the corporation may be voted in person or by proxy as the Board of Trustees or the executive committee shall specify. In the absence of any direction by the Board of Trustees, the Executive Committee or Investment Committee, such stocks or securities shall be voted by the President as he or she shall determine.

Section 6. Income from Corporation Activities. All income from activities of the corporation shall be applied to the maintenance, expansion or operation of the lawful activities of the corporation, subject to the powers and duties of the corporation to make investments and reinvestments.

ARTICLE IX
CONVEYANCE OF BURIAL LOTS

All conveyances of burial lots, plots and parts thereof shall be under the seal of the corporation, signed by the President and the Treasurer. They shall be made subject to the conditions and limitations, and with the privileges specified in the rules and regulations that are now in force, or that shall from time to time be adopted by the Board for the regulation and government of the cemetery.

the proposed action, by the vote of a majority of members entitled to vote at such meeting, or at

NOW, THEREFORE, in consideration of the respective representations, warranties, covenants, conditions and agreements set forth below, the parties hereto, intending to be legally bound hereby, agree as follows:

1. MERGER

1.1 Agreement to Merge. 1.7 Closing Date. The closing of the transactions contemplated by this Agreement (the “Closing”) shall take place within thirty (30) days after all conditions to Closing set forth in Sections 5 and 6 of this Agreement have been fulfilled or waived, or on such other date as the Constituent Corporations shall mutually agree in writing. The date on which the Closing occurs is hereinafter referred to as the “Closing Date”.

1.8 Abandonment of Merger. Except as otherwise provided by law or as otherwise determined by any government agency having jurisdiction, the Merger may be abandoned at any time prior to the Closing Date (a) by written agreement of the Constituent Corporations; (b) by Forest Lawn by written notice to the Association in the event that the Closing Date has not occurred for any reason on or prior to the expiration of one-year following the date of this Agreement, but only if Forest Lawn is not in breach of, or default under, any provision of this Agreement beyond any applicable cure period; or (c) by Forest Lawn by written notice to the Association in the event that the Association shall have breached any representation in Article III and failed to cure such breach within thirty (30) days of receipt of notice of such breach from Forest Lawn.
