AMENDED & RESTATED
CONFLICT OF INTEREST POLICY

Section 1. Purpose. The purpose of this Amended & Restated Conflict of Interest Policy is to protect the interest of THE BUFFALO CITY CEMETERY, INC. (the "Corporation") when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer, Trustee or Key Person of the Corporation, or other Interested Person, as such term is defined in this Policy, or that might result in a possible excess benefit transaction. The Corporation's officers and Trustees owe a duty of loyalty to the Corporation and must act in good faith and in the Corporation's best interest, rather than in their own interests or the interests of any other person or entity. This Policy is designed to ensure that the Board of Trustees of the Corporation (the "Board") and its authorized committees make decisions in an objective manner without undue influence and sets forth procedures for monitoring, reporting, and engaging in the review and oversight of any approval or ratification of any action taken in connection with conflicts of interest and related party transactions (as such terms are defined in this Policy). The Corporation encourages individuals to avoid conflicts of interest in appearance and in fact. This Policy is intended to supplement but not replace any applicable state and federal law ("Applicable Law") governing conflicts of interest applicable to not-for-profit and charitable corporations. To the extent there is a conflict or inconsistency between the provisions of this Policy and Applicable Law, the provisions of Applicable Law shall govern.

Section 2. Definitions.

(a) "Affiliate" of a corporation, as set forth in Section 102(a)(19) of the New York Not-for-Profit Corporation Law, as may be amended from time to time (the "NPCL"), means any entity controlled by, or in control of, such corporation.

(b) "Compensation" includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.
(c) A “Conflict of Interest” shall exist (i) when an Interested Person has a Financial Interest in a proposed transaction, or (ii) with respect to all proposed Related Party Transactions or (iii) if the Deciding Body makes the determination in its sole discretion that a Conflict of Interest exists.

(d) “Deciding Body” means the Board, or a committee thereof appointed by the Board, which is responsible for overseeing the implementation of and compliance with the Corporation’s Conflict of Interest Policy, as required by Section 715-a of the NPCL.

(e) “Financial Interest”: A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

(i) an ownership or investment interest in any entity with which the Corporation has a transaction or arrangement,

(ii) a Compensation arrangement with the Corporation or with any entity or individual with which the Corporation has a transaction or arrangement, or

(iii) a potential ownership or investment interest in, or Compensation arrangement with, any entity or individual with which the Corporation is negotiating a transaction or arrangement.

(f) “Interested Person”: An Interested Person is any (i) Related Party or (ii) any trustee, officer, Key Person or member of a committee with Board-delegated powers, who has a direct or indirect Financial Interest, or who has any other interest or relationship that could reasonably be viewed as having the potential to affect his or her decision-making judgment.

(g) “Key Person” as set forth in Section 102(a)(25) of the NPCL, means any person other than a trustee or officer, whether or not an employee of the Corporation, who (i) has responsibilities, or exercises powers or influence over the Corporation as a whole similar to the responsibilities, powers, or influence of trustees and officers; (ii) manages the Corporation, or a segment of the Corporation that represents a substantial portion of the activities, assets, income or expenses of the Corporation; or (iii) alone or with others controls or determines a substantial portion of the Corporation’s capital expenditures or operating budget.
(h) "Related Party" as set forth in Section 102(a)(23) of the NPCL, means (i) Any trustee, officer or Key Person of the Corporation or any affiliate of the Corporation; (ii) any relative of any trustee, officer, or Key Person of the Corporation or any affiliate; or (iii) any entity in which any individual described in clause (i) or (ii) has a 35% or greater ownership or beneficial interest or, in the case of a partnership or professional corporation, a direct or indirect ownership interest in excess of 5%. Said information shall be disclosed to the Corporation by a trustee upon joining the Board and annually thereafter.

(i) "Related Party Transaction" as set forth in Section 102(a)(24) of the NPCL, means any transaction, agreement, or other arrangement in which a "related party" has a financial interest and in which the Corporation or any of its affiliates is a participant, except that a transaction shall not be a related party transaction if: (i) the transaction or the related party's financial interest in the transaction is de minimis, (ii) the transaction would not customarily be reviewed by the board or boards of similar organizations in the ordinary course of business and is available to others on the same or similar terms, or (iii) the transaction constitutes a benefit provided to a related party solely as a member of a class of the beneficiaries that the Corporation intends to benefit as part of the accomplishment of its mission which benefit is available to all similarly situated members of the same class on the same terms.

(j) "Relative" of an individual, as set forth in Section 102(a)(22) of the NPCL, means (i) his or her spouse or domestic partner as defined in section twenty-nine hundred ninety-four-a of the public health law; (ii) his or her ancestors, brothers and sisters (whether whole or half-blood), children (whether natural or adopted), grandchildren, great-grandchildren; or (iii) the spouse or domestic partner of his or her brothers, sisters, children, grandchildren, and great-grandchildren.

Section 3. Procedures.

(a) Duty to Disclose. In connection with any actual or possible Conflict of Interest, an Interested Person must disclose the existence of the financial or other interest and be given the opportunity to disclose all material facts to the Deciding Body.
(b) Determining Whether a Conflict of Interest Exists. After disclosure of the interest and all material facts, and after any discussion with the Interested Person, he or she will leave the Deciding Body's meeting while the determination of a Conflict of Interest is discussed and voted upon. The remaining Deciding Body members will decide if a Conflict of Interest exists.

(c) Procedures for Addressing the Conflict of Interest. The Deciding Body will determine by a majority vote of the disinterested trustees whether the transaction or arrangement is fair, reasonable and in the Corporation's best interest. In conformity with the above determination it will make its decision as to whether to enter into the transaction or arrangement.

(d) Additional Procedures for Addressing Certain Conflicts of Interest. The Corporation shall not enter into a Related Party Transaction unless the transaction is determined by the Deciding Body to be fair, reasonable and in the Corporation's best interest at the time of such determination. Any trustee, officer or Key Person who has an interest in a Related Party Transaction shall disclose in good faith to the Deciding Body the material facts concerning such interest. In addition, with respect to any Related Party Transaction in which a Related Party has a substantial Financial Interest, the Deciding Body shall: (i) prior to entering into the transaction, consider alternative transactions to the extent available; (ii) approve the transaction by not less than a majority vote of the trustees or committee members present at the meeting; and (iii) contemporaneously document in writing the basis for the Deciding Body's approval, including its consideration of any alternative transactions.

(e) No Improper Attempts to Influence Vote. The Interested Person with the Conflict of Interest is prohibited from making any attempt to influence improperly the deliberation or voting on the matter giving rise to the Conflict of Interest. An Interested Person is precluded from being present at or participating in any board deliberation or vote related to the transaction or arrangement giving rise to a conflict of Interest or Related Party Transaction. Notwithstanding the foregoing, the Board of Trustees may request that an Interested Person present information to the Board prior to the commencement of deliberations or voting relating thereto.
(f) Violations of the Conflicts of Interest Policy. If the Deciding Body has reasonable cause to believe that an individual has failed to disclose actual or possible Conflicts of Interest, it will inform the individual of the basis for such belief and afford the individual an opportunity to explain the alleged failure to disclose. If, after hearing the individual’s response and after making further investigation as warranted by the circumstances, the Deciding Body determines the individual has failed to disclose an actual or possible Conflict of Interest, it will take appropriate disciplinary and corrective action.

Section 4. Records of Proceedings. The minutes of the Deciding Body’s meeting will contain the names of persons who disclosed or otherwise were found to have a Financial Interest in connection with an actual or possible Conflict of Interest, the nature of the Financial Interest, any action taken to determine whether a Conflict of Interest was present, the Deciding Body’s decision as to whether a Conflict of Interest in fact existed, the names of persons who were present for discussions, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

Section 5. Compensation. Any person (or family member of such person) who receives Compensation or other payment, directly or indirectly, from the Corporation is precluded from voting on matters pertaining to his/her Compensation or other payment. Notwithstanding the previous sentence, no trustee will be prohibited from deliberating or voting concerning Compensation for service on the Board that is to be made available or provided to all trustees of the Corporation on the same or substantially similar terms. Trustees who receive Compensation, directly or indirectly, from the Corporation may provide information to the Deciding Body regarding Compensation.

Section 6. Initial and Annual Statements. Each trustee will annually sign a statement which affirms that he or she is aware of and understands the Corporation’s Conflict of Interest policy, has agreed to comply with the policy, and understands that the Corporation is charitable and, in order to maintain its federal tax exemption, it must engage primarily in activities that accomplish one or more of its tax-exempt purposes. In addition, each trustee shall initially (prior to his or her initial election) and annually thereafter complete, sign and submit to
the Secretary of the Corporation (or a designated compliance officer) a written statement identifying, to the best of his or her knowledge, any entity of which such trustee is an officer, director, trustee, member, owner (either as a sole proprietor or a partner), or employee and with which the Corporation has a relationship, and any transaction in which the Corporation is a participant and in which the trustee might have a Conflict of Interest. The Secretary of the Corporation (or a designated compliance officer) shall provide a copy of all completed statements to the Chair of the Deciding Body.

Section 7. Periodic Reviews. To ensure the Corporation operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its 501(c)(13) tax-exempt status, the Board will conduct periodic reviews, including, at a minimum, whether Compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm’s length bargaining, and whether any partnerships, joint ventures, and arrangements with management organizations conform to the Corporation’s written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction. The Corporation may, but need not, use outside advisors to assist it in its periodic reviews. If outside advisors are used, their use will not relieve the Board of its responsibility for ensuring periodic reviews are conducted.

RE: Request for Quote

The Buffalo City Cemetery, Inc., also known as Forest Lawn, is a not-for-profit 501(c)(13) organization regulated by the New York State Department of State Division of Cemeteries. As an organization that welcomes all faiths, we operate five cemeteries and a crematory: Forest Lawn Cemetery in Buffalo, New York; Lakeside Cemetery in Hamburg, New York; St. Matthew’s Cemetery in West Seneca, New York; Williamsville Cemetery and Gethsemane Cemetery – both in Williamsville, New York; as well as Forest Lawn Cremation Company in Buffalo, New York.

Forest Lawn is proud to have a multidecade union shop on our properties. Our union contract has allowed management for many years to supplement our union employees with independent vendors to support cemetery care, maintenance and interments. To that end, we are conducting our due diligence to seek independent vendors who have the willingness and capacity to be considered for backup, intermittent care, maintenance, and interment work on our properties as needed. Please answer the following questions and complete the enclosed price sheet. We will be presenting these quotes to our board at the September board meeting; therefore, your response is needed no later than Thursday, September 16, 2021 by 12:00 PM.

Upon review of all RFQ responses, Forest Lawn may request vendors to provide additional information.

Please provide your complete responses by email to Joseph P. Dispensa, jdispenza@forest-lawn.com.

The response date to this RFQ is: Thursday, September 16, 2021 by 12:00 PM.

If you have any questions, please contact Joseph P. Dispensa at 716-885-1600 (office), 716-818-3032 (cell), or jdispenza@forest-lawn.com.

Mr Polishook,

Due to Covid 19 we did not have a yearly board meeting in 2021. We put it out for bid, see attached. After not receiving any bids, we agreed through phone calls/texts to move forward with WNY.

Mr Polishook,

It hasn't been approved yet, as we have not had a Board Meeting to do so. We should be meeting in next 7 - 10 days. Would you like me to forward board minutes once the Board has approved or not?

Please let me know.

Mr. Polishook,

Yes, WNY does all burials at Freedom Cemetery.

Families/Funeral Homes pay us (Freedom Cemetery), and then we (Freedom Cemetery) would be invoiced by WNY.

Mr Polishook,

The only work WNY does for Freedom Cemetery is burials.

I am unable to answer anything regarding Freedom Rural, as it is run by its own Board.

Mr Polishook,

Freedom Cemetery does not have a contract with WNY. So sorry, I made an error on the date. It is a 2022 contract.

Mr Polishook,

1. Neither Oakwood Cemetery or Freedom Cemetery has a conflict of interest policy
2. Oakwood's 2002 Lawn Care Maintenance Contract is attached
3. no recent signed conflict of interest statement for Levi Wolcott or myself due to not having a conflict of interest policy

If you need any other information, please let me know.

Dear Ms. Hibsch:

I’m working on our review of the proposed mergers of these cemeteries with Forest Lawn, and have some questions that probably should be directed to a board member other than you.

For both cemeteries, I need:

1. The cemetery’s conflict of interest policy;
2. The cemetery’s contract with WNY Cemetery Service; and
3. Your most recent signed conflict of interest statement.

For Oakwood, I also need Levi Wolcott’s signed conflict of interest statement (it’s my understanding he isn’t on the board of Freedom Cemetery).

Please let me know who I can get these from most quickly.

Thanks.

2. The cemetery’s contract with WNY Cemetery Service; and
3. Your most recent signed conflict of interest statement.

For Oakwood, I also need Levi Wolcott’s signed conflict of interest statement (it’s my understanding he isn’t on the board of Freedom Cemetery).

Mr Polishook,

Freedom Cemetery does not have a contract with WNY. So sorry, I made an error on the date. It is a 2022 contract.

Chris Kloc would be the person to contact regarding questions about the WNY contract. He can be reached at 716-863-5493.

Contact for Freedom Cemetery would be Mr. Brown at 716-492-1581.

Mr. Polishook,

Yes, WNY does all burials at Freedom Cemetery.

Families/Funeral Homes pay us (Freedom Cemetery), and then we (Freedom Cemetery) would be invoiced by WNY.

Albany, New York 12231-0001
Attn: Director Lewis Polishook

Dear Director Polishook:

Re: Forest Lawn: Conflict of Interest Policy and Disclosure

As previously submitted to the New York State Cemetery Board, the Board of Trustees of The Buffalo City Cemetery, Inc. (“Forest Lawn”) adopted an updated Conflict of Interest Policy on September 21, 2021, pursuant to Section 715-a of the New York Not-for-Profit Corporation Law (the “Conflict of Interest Policy”).

Pursuant to the Conflict of Interest Policy, attached hereto as Exhibit A, Craig Wolcott, an officer of Forest Lawn as Forest Lawn’s Vice President of Operations and Mergers, has provided a Conflict of Interest Disclosure statement for the 2022 fiscal year, a copy of which is attached hereto as Exhibit B (the “Conflict of Interest Disclosure”).

In contemplation of the potential mergers (the “Potential Mergers”) of Oakwood Cemetery Association (“Oakwood”) and Freedom Cemetery Society (“Freedom”), respectively, with and into Forest Lawn, Forest Lawn identified potential conflicts of interest as a result of certain family relationships Mr. Wolcott has with certain key persons of both Oakwood and Freedom (the “Relationships”). After analyzing the Relationships, Forest Lawn determined there is no violation of the Conflict of Interest Policy with respect to these Relationships, as Mr. Wolcott, does not have the right to vote on Forest Lawn’s participation in the Potential Mergers (he is not a trustee on the Board of Forest Lawn), nor does he have a personal financial interest in the Potential Mergers. Moreover, while Mr. Wolcott’s Relationships may give rise to a potential conflict of interest on the part of Mr. Wolcott’s relatives who are trustees and/or officers of both Oakwood and Freedom, it is our understanding that under the governance obligations of those constituent corporations to the Potential Merger with Forest Lawn, these persons recused themselves from any vote and approvals relating to Freedom and Oakwood entering into each respective Potential Merger with Forest Lawn. Nonetheless, we further note that these governance obligations are those of Freedom and Oakwood and their respective board of trustees, and not of Forest Lawn.

In addition to the foregoing, and as you already know, there was one additional related party transaction that the Forest Lawn Board of Trustees identified, reviewed and approved in accordance with its obligations under the New York not-for-profit corporation law, involving Mr. Wolcott being a related party to a vendor transaction relationship as a result of Forest Lawn engaging Western New York Lawn Service, Inc. (commonly referred to as Western New York
Cemetery Services) to provide cemetery maintenance services. You will see in Mr. Wolcott’s disclosure statement that he again discloses this same conflict of interest, which has already been addressed by the Forest Lawn Board and disclosed under separate cover to the New York State Cemetery Board.

While the use of annual conflict of interest disclosures aims to preemptively identify potential existing relationships that may give rise to conflicts of interests regarding Forest Lawn’s dealings, Forest Lawn does and will take proactive steps to address additional conflicts as they may arise in the course of business and as they are identified and/or otherwise disclosed to Forest Lawn.

Respectfully submitted,

Christopher W. Converse, Vice President

MEMORANDUM FROM

Patricia C. Sandison
Direct Dial: 518.433.2427
Facsimile: 877.432.1629

To: The Buffalo City Cemetery, Inc.
    Joseph P. Dispenza, President

Date: September 23, 2021

Subject: The Buffalo City Cemetery, Inc. Related Party Transaction Approvals

You have indicated to me that the Cemetery Board and the Division of Cemeteries has expressed concern through informal channels about the business relationship between The Buffalo City Cemetery, Inc. (“BCC”) and a “related party” Western New York Lawn Service, Inc. (commonly referred to as Western New York Cemetery Services) (“WNYCS”) as a result of the family relationship Craig Wolcott, VP of Operation of BCC, has with the owners of WNYCS. You have also indicated to me that BCC takes seriously its obligations under the New York Not-for-Profit Corporation Law (the “NPCL”), and that the Board of Trustees of BCC would like to undertake a robust process to ensure that BCC’s business relationship with WNYCS is fair, reasonable, and in the best interests of BCC under the NPCL’s related party transaction rules. This memo is a brief summary of all the steps undertaken by BCC and its Board of Trustees to address these concerns.

I. Adoption of an Amended & Restated Conflict of Interest Policy

As you know, we have undertaken a legal review and update of BCC’s conflict of interest policy to ensure compliance with the NPCL, including Section 715-a thereof. The amended & restated conflict of interest policy was adopted and duly approved by unanimous vote of all those Trustees present at the September 21, 2021 meeting of the BCC Board of Trustees. See the enclosed BCC Certified Board Resolutions and the related Exhibit A therein for a copy of the A&R Conflict of Interest Policy adopted and approved by the Board.

II. Analysis and Governance actions by BCC and its Board of Trustees to address Related Party Transaction obligations under the NPCL as relates to its business relationship with WNYCS

As you also know, the Executive Committee of BCC met on September 9, 2021 to discuss the business relationship between BCC and WNYCS, and to review with counsel the requirements for the Board’s consideration and approval of same under the NPCL’s related party transaction rules. Consistent with the NPCL and BCC’s obligations thereunder, BCC shall not enter into a related party transaction unless the transaction is determined by the Board to be fair, reasonable and in BCC’s best interest at the time of such determination; and, in addition, with respect to any related party transaction in which such related party has a substantial financial
interest, the Board shall: (i) prior to entering into the transaction, consider alternative transactions to the extent available; (ii) approve the transaction by not less than a majority vote of the directors present at the meeting; and (iii) contemporaneously document in writing the basis for the Board’s approval, including its consideration of any alternative transactions. See the preambles in the attached Resolutions package for a full scope of the background and analysis as applied to the facts and circumstances of WNYCS and the steps taken to meet the foregoing obligations.

Although there may be some question as to whether WNYCS has a substantial financial interest in the business relationship between BCC and WNYCS, BCC has taken the conservative approach in assuming it does. As such, the Board of BCC has engaged in the more robust analysis to include consideration of alternative transactions with alternative vendors as part of its approval. To that end, as part of the discussion, a Request for Quotations (RFQ) process was undertaken by BCC by its leadership team for purposes of identifying alternative transactions with alternative regional vendors, if any, capable of providing the necessary services for BCC in the geographic area on comparable or better terms. The RFQ was launched by BCC on September 7, 2021 with a stated deadline of September 16, 2021. BCC and its leadership team (without any involvement by Craig Wolcott), proactively reached out to vendors in the geographic area to notify them of the RFQ and provide them with adequate notice of the opportunity to submit a proposal. See Exhibit B-3 in the attached Resolutions package.

WNYCS was the only vendor who submitted a proposal in response to the RFQ. See a copy of the WNYCS proposal in Exhibit C in the attached Resolutions package.

The President of BCC produced a report for its Board of Trustees summarizing the results of the RFQ process and outlining the due diligence undertaken as part of the RFQ. See the Report included as Exhibit B in the attached Resolutions package.

At a meeting of the Board of Trustees held on September 21, 2021, the Board of Trustees, having considered the apparent lack of alternative transactions as outlined in the Report, approved the proposed transaction to retain WNYCS on an ongoing basis to perform the supplementary Maintenance Services (as defined in the attached Resolutions) for BCC and its affiliated cemeteries on the terms and at the quoted rates set forth in WNYCS’s proposal and determined that the terms of the proposed transaction to be fair, reasonable and in BCC’s best interest.

Although a voting Trustee on the Board of Trustees, Mr. Dispenza recused himself from the aforementioned vote in recognition of his role in managing the RFQ process. In addition, Craig Wolcott played no role in the RFQ process, and has neither seen, reviewed, been privy to nor participated in any deliberation or vote among the members of the BCC Board or any Committee thereof with respect to their review of the proposed transaction with WNYCS. As such, Mr. Wolcott has not had any undue influence on any actions taken by the Committee or the Board of Trustees with respect to same.

RESOLUTIONS OF THE BOARD OF TRUSTEES

The Board of Trustees (the “Board”) of THE BUFFALO CITY CEMETERY, INC. (“BCC” or the “Corporation”), at a duly called meeting on September 21, 2021 at 4:00 P.M., approved the adoption of the following preambles and resolutions:

WHEREAS, BCC desires to update its conflict of interest policy to formally provide for related party transactions as required under the New York Not-for-Profit Corporation Law and adopt the amended and restated conflict of interest policy, in the form provided to the Board, as prepared by legal counsel, and attached hereto as Exhibit A (the “Conflict of Interest Policy”);

WHEREAS, Although BCC has a multi-decade union shop on its properties, its union contract has allowed BCC for many years to supplement its union employees with independent vendors to support cemetery care, maintenance, interments, as well as foundation installations and other projects as determined by cemetery management to be in the best interest of the cemetery and its lot owners;

WHEREAS, BCC has historically engaged Western New York Lawn Service, Inc. (commonly referred to as Western New York Cemetery Services) (“WNYCS”) as the primary supplementary provider of cemetery care, maintenance, interment and additional services for BCC at all of its locations for multiple years, and additionally, BCC has historically engaged WNYCS to provide such supplemental maintenance services at BCC when its union employees are not able or willing to take on cemetery care, maintenance, interment, foundation work and other necessary services based on need (collectively, “Maintenance Services”);

WHEREAS, BCC’s cemetery merger vision and strategic plan (the “BCC Cluster Model”), as presented to and approved by the BCC Board on May 22, 2018, and as shared with and approved by Louis Polishook of the division of cemeteries during the same year, relies on a merger model aimed towards creating geographic “clusters” of cemeteries to be managed as a group as a strategy to drive operational efficiencies and to create overarching, efficient, economies of scale through adoption of centralized management and repeatable, disciplined processes for cemetery maintenance and management. A core component of the BCC Cluster Model is the centralized management of Maintenance Services across all cemetery sites under the BCC umbrella, and one which WNYCS has been able to provide BCC with a track record of reliability and success for many years;

WHEREAS, Craig Wolcott has recently been elected an officer of BCC with the title Vice President of Operations and Mergers;
WHEREAS, WNYCS is a New York business corporation that is owned 100% by relatives of Craig Wolcott (namely, his wife Tina Wolcott and his son Levy Wolcott);

WHEREAS, because Craig Wolcott is an officer of BCC and likely also a key person of BCC, and due to the ownership interest held by his relatives in WNYCS as described above, it is likely that BCC’s relationship with WNYCS for vendor services would rise to the level of being a related party transaction under the New York Not-for-Profit Corporation Law (“NPCL”) and WNYCS would be considered a related party of BCC under the NPCL;

WHEREAS, consistent with the NPCL and BCC’s obligations thereunder, the Corporation shall not enter into a related party transaction unless the transaction is determined by the Board to be fair, reasonable and in the Corporation’s best interest at the time of such determination; and, in addition, with respect to any related party transaction in which such related party has a substantial financial interest, the Board shall: (i) prior to entering into the transaction, consider alternative transactions to the extent available; (ii) approve the transaction by not less than a majority vote of the directors present at the meeting; and (iii) contemporaneously document in writing the basis for the Board’s approval, including its consideration of any alternative transactions;

WHEREAS, to properly execute its obligations under the NPCL and to act in good faith and in the best interests of BCC, the Board desires to review BCC’s current Maintenance Services arrangements with WNYCS as a related party transaction, and as such, to assess in good faith whether BCC’s proposed arrangement with WNYCS shall be approved as being fair, reasonable and in BCC’s best interest;

WHEREAS, as it is likely that WNYCS can be shown to have a substantial financial interest in the contract with BCC to provide Maintenance Services, the Board will also consider any alternative transactions, to the extent available, prior to approving the continuation of the Maintenance Services arrangements with WNYCS;

WHEREAS, to properly identify and assess any such potential alternative transactions, the President of the Corporation assembled an internal team of corporate officers (not including Mr. Wolcott) to request and solicit additional quotations for the Maintenance Services from regional vendors specializing in cemetery maintenance and lawn care services (the “RFQ Process”), and based on the submissions received from alternative vendors as a result of the RFQ Process, the President produced a report, in the form provided to the Board and attached as Exhibit B hereto (the “Report”), outlining the due diligence undertaken as part of the RFQ Process to identify any qualified alternative vendors to WNYCS (the “Alternative Transactions”) and the requisite rates quoted thereby to perform the Maintenance Services;

WHEREAS, for the reasons outlined in more detail in the Report, the President and all corporate officers of the Corporation (excluding VP of Operation Mr. Craig Wolcott), recommends to the Board that it is in the best interests of the Corporation to retain WNYCS to perform the Maintenance Services for BCC and its affiliated cemeteries on the terms and at the
quoted rates set forth in the proposal submitted by WNYCS for the Maintenance Services, a copy of which is attached as Exhibit C, (collectively, the “Proposed Transaction”);

WHEREAS, the Board of Trustees, in reviewing the Report and the Proposed Transaction, and undertaking any other due diligence or inquiry it may deem necessary, is tasked with the duty to oversee all conflict of interest matters, including related party transactions, as they may arise in accordance with BCC’s conflict of interest policy; and

Conflict of Interest Policy
THE BUFFALO CITY CEMETERY, INC.

AMENDED & RESTATED
CONFLICT OF INTEREST POLICY

Section 1. Purpose. The purpose of this Amended & Restated Conflict of Interest Policy is to protect the interest of THE BUFFALO CITY CEMETERY, INC. (the “Corporation”) when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer, Trustee or Key Person of the Corporation, or other Interested Person, as such term is defined in this Policy, or that might result in a possible excess benefit transaction. The Corporation’s officers and Trustees owe a duty of loyalty to the Corporation and must act in good faith and in the Corporation’s best interest, rather than in their own interests or the interests of any other person or entity. This Policy is designed to ensure that the Board of Trustees of the Corporation (the “Board”) and its authorized committees make decisions in an objective manner without undue influence and sets forth procedures for monitoring, reporting, and engaging in the review and oversight of any approval or ratification of any action taken in connection with conflicts of interest and related party transactions (as such terms are defined in this Policy). The Corporation encourages individuals to avoid conflicts of interest in appearance and in fact. This Policy is intended to supplement but not replace any applicable state and federal law (“Applicable Law”) governing conflicts of interest applicable to not-for-profit and charitable corporations. To the extent there is a conflict or inconsistency between the provisions of this Policy and Applicable Law, the provisions of Applicable Law shall govern.

Section 2. Definitions.

(a) “Affiliate” of a corporation, as set forth in Section 102(a)(19) of the New York Not-for-Profit Corporation Law, as may be amended from time to time (the “NPCL”), means any entity controlled by, or in control of, such corporation.

(b) “Compensation” includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.
(c) A “Conflict of Interest” shall exist (i) when an Interested Person has a Financial Interest in a proposed transaction, or (ii) with respect to all proposed Related Party Transactions or (iii) if the Deciding Body makes the determination in its sole discretion that a Conflict of Interest exists.

(d) “Deciding Body” means the Board, or a committee thereof appointed by the Board, which is responsible for overseeing the implementation of and compliance with the Corporation’s Conflict of Interest Policy, as required by Section 715-a of the NPCL.

(e) “Financial Interest”: A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

   (i) an ownership or investment interest in any entity with which the Corporation has a transaction or arrangement,
   (ii) a Compensation arrangement with the Corporation or with any entity or individual with which the Corporation has a transaction or arrangement, or
   (iii) a potential ownership or investment interest in, or Compensation arrangement with, any entity or individual with which the Corporation is negotiating a transaction or arrangement.

(f) “Interested Person”: An Interested Person is any (i) Related Party or (ii) any trustee, officer, Key Person or member of a committee with Board-delegated powers, who has a direct or indirect Financial Interest, or who has any other interest or relationship that could reasonably be viewed as having the potential to affect his or her decision-making judgment.

(g) “Key Person” as set forth in Section 102(a)(25) of the NPCL, means any person other than a trustee or officer, whether or not an employee of the Corporation, who (i) has responsibilities, or exercises powers or influence over the Corporation as a whole similar to the responsibilities, powers, or influence of trustees and officers; (ii) manages the Corporation, or a segment of the Corporation that represents a substantial portion of the activities, assets, income or expenses of the Corporation; or (iii) alone or with others controls or determines a substantial portion of the Corporation’s capital expenditures or operating budget.
(h) "Related Party” as set forth in Section 102(a)(23) of the NPCL, means (i) Any trustee, officer or Key Person of the Corporation or any affiliate of the Corporation; (ii) any relative of any trustee, officer, or Key Person of the Corporation or any affiliate; or (iii) any entity in which any individual described in clause (i) or (ii) has a 35% or greater ownership or beneficial interest or, in the case of a partnership or professional corporation, a direct or indirect ownership interest in excess of 5%. Said information shall be disclosed to the Corporation by a trustee upon joining the Board and annually thereafter.

(i) “Related Party Transaction” as set forth in Section 102(a)(24) of the NPCL, means any transaction, agreement, or other arrangement in which a “related party” has a financial interest and in which the Corporation or any of its affiliates is a participant, except that a transaction shall not be a related party transaction if: (i) the transaction or the related party’s financial interest in the transaction is de minimis, (ii) the transaction would not customarily be reviewed by the board or boards of similar organizations in the ordinary course of business and is available to others on the same or similar terms, or (iii) the transaction constitutes a benefit provided to a related party solely as a member of a class of the beneficiaries that the Corporation intends to benefit as part of the accomplishment of its mission which benefit is available to all similarly situated members of the same class on the same terms.

(j) “Relative” of an individual, as set forth in Section 102(a)(22) of the NPCL, means (i) his or her spouse or domestic partner as defined in section twenty-nine hundred ninety-four-a of the public health law; (ii) his or her ancestors, brothers and sisters (whether whole or half-blood), children (whether natural or adopted), grandchildren, great-grandchildren; or (iii) the spouse or domestic partner of his or her brothers, sisters, children, grandchildren, and great-grandchildren.

Section 3. Procedures.

(a) Duty to Disclose. In connection with any actual or possible Conflict of Interest, an Interested Person must disclose the existence of the financial or other interest and be given the opportunity to disclose all material facts to the Deciding Body.
(b) **Determining Whether a Conflict of Interest Exists.** After disclosure of the interest and all material facts, and after any discussion with the Interested Person, he or she will leave the Deciding Body’s meeting while the determination of a Conflict of Interest is discussed and voted upon. The remaining Deciding Body members will decide if a Conflict of Interest exists.

(c) **Procedures for Addressing the Conflict of Interest.** The Deciding Body will determine by a majority vote of the disinterested trustees whether the transaction or arrangement is fair, reasonable and in the Corporation’s best interest. In conformity with the above determination it will make its decision as to whether to enter into the transaction or arrangement.

(d) **Additional Procedures for Addressing Certain Conflicts of Interest.** The Corporation shall not enter into a Related Party Transaction unless the transaction is determined by the Deciding Body to be fair, reasonable and in the Corporation’s best interest at the time of such determination. Any trustee, officer or Key Person who has an interest in a Related Party Transaction shall disclose in good faith to the Deciding Body the material facts concerning such interest. In addition, with respect to any Related Party Transaction in which a Related Party has a substantial Financial Interest, the Deciding Body shall: (i) prior to entering into the transaction, consider alternative transactions to the extent available; (ii) approve the transaction by not less than a majority vote of the trustees or committee members present at the meeting; and (iii) contemporaneously document in writing the basis for the Deciding Body’s approval, including its consideration of any alternative transactions.

(e) **No Improper Attempts to Influence Vote.** The Interested Person with the Conflict of Interest is prohibited from making any attempt to influence improperly the deliberation or voting on the matter giving rise to the Conflict of Interest. An Interested Person is precluded from being present at or participating in any board deliberation or vote related to the transaction or arrangement giving rise to a conflict of Interest or Related Party Transaction. Notwithstanding the foregoing, the Board of Trustees may request that an Interested Person present information to the Board prior to the commencement of deliberations or voting relating thereto.
(f) **Violations of the Conflicts of Interest Policy.** If the Deciding Body has reasonable cause to believe that an individual has failed to disclose actual or possible Conflicts of Interest, it will inform the individual of the basis for such belief and afford the individual an opportunity to explain the alleged failure to disclose. If, after hearing the individual’s response and after making further investigation as warranted by the circumstances, the Deciding Body determines the individual has failed to disclose an actual or possible Conflict of Interest, it will take appropriate disciplinary and corrective action.

**Section 4. Records of Proceedings.** The minutes of the Deciding Body’s meeting will contain the names of persons who disclosed or otherwise were found to have a Financial Interest in connection with an actual or possible Conflict of Interest, the nature of the Financial Interest, any action taken to determine whether a Conflict of Interest was present, the Deciding Body’s decision as to whether a Conflict of Interest in fact existed, the names of persons who were present for discussions, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

**Section 5. Compensation.** Any person (or family member of such person) who receives Compensation or other payment, directly or indirectly, from the Corporation is precluded from voting on matters pertaining to his/her Compensation or other payment. Notwithstanding the previous sentence, no trustee will be prohibited from deliberating or voting concerning Compensation for service on the Board that is to be made available or provided to all trustees of the Corporation on the same or substantially similar terms. Trustees who receive Compensation, directly or indirectly, from the Corporation may provide information to the Deciding Body regarding Compensation.

**Section 6. Initial and Annual Statements.** Each trustee will annually sign a statement which affirms that he or she is aware of and understands the Corporation’s Conflict of Interest policy, has agreed to comply with the policy, and understands that the Corporation is charitable and, in order to maintain its federal tax exemption, it must engage primarily in activities that accomplish one or more of its tax-exempt purposes. In addition, each trustee shall initially (prior to his or her initial election) and annually thereafter complete, sign and submit to
the Secretary of the Corporation (or a designated compliance officer) a written statement identifying, to the best of his or her knowledge, any entity of which such trustee is an officer, director, trustee, member, owner (either as a sole proprietor or a partner), or employee and with which the Corporation has a relationship, and any transaction in which the Corporation is a participant and in which the trustee might have a Conflict of Interest. The Secretary of the Corporation (or a designated compliance officer) shall provide a copy of all completed statements to the Chair of the Deciding Body.

Section 7. Periodic Reviews. To ensure the Corporation operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its 501(c)(13) tax-exempt status, the Board will conduct periodic reviews, including, at a minimum, whether Compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm’s length bargaining, and whether any partnerships, joint ventures, and arrangements with management organizations conform to the Corporation’s written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction. The Corporation may, but need not, use outside advisors to assist it in its periodic reviews. If outside advisors are used, their use will not relieve the Board of its responsibility for ensuring periodic reviews are conducted.

Adopted by the Board of Trustees: September 21, 2021
Memorandum from the President, Joseph P. Dispenza on RFQ – Exhibit B

Key elements of the RFQ and Management’s Selection Process

1) The need for cemetery care and maintenance, interment, foundation, and weather-related services cannot be determined or guaranteed in advance. Buffalo City Cemetery (BCC) union typically provides these services. Only when the union refuses overtime or due to PTO is unwilling or unable to cover needed services is the independent vendor brought in. This scheduling flexibility is critical to BCC’s need; however, this is very difficult for most independent vendors. BCC, as all cemeteries, are “on-call” 24/7/365, due to evolving weather conditions, religious requirements of our lot owners, and customer expectations. As an example, independent vendors may have work on a Saturday evening and Sunday at BCC, but not be called to work again for extended periods of time.

2) Due to the above requirements and BCC’s expectations, a vendor must be fully operational through real-time electronic communications.

3) Digging ditches or holes to plant trees, lay pipes, or construct foundations for non-cemetery properties is less delicate and exact as the same type of work in a cemetery. As we all know, digging alongside fully or partially decomposed wood caskets, metal caskets, concrete burial vaults, and baby “eterna-cribs” with heavy equipment is unforgiving and must be perfect each and every time. Therefore, the absolute mandate that any service provider to BCC must provide through recommendations that they indeed have successful work experience in all weather conditions and have the experienced operators to perform cemetery specific work.

4) Regardless of total annual need by BCC, ever-changing weather conditions, location of BCC properties, holidays, and/or time of day, BCC’s fees are regulated and not variable. The fee the vendor charges BCC must also be fixed regardless of any variables.

5) Reputation of the vendor through their largest accounts and how they secure the majority of their business is also a critical factor in determining and assuring the trustees and management of BCC that the selected vendor is reputable, honorable, exacting in their service, accountable, and reliable.

6) The vendor must provide absolute assurance if they are not the contractor but rather subcontracts out the work that all of the above stipulations are met with their subcontractors as death care services must be ready and available 24/7/365. Our vendor cannot be searching at the last minute for a subcontractor who may or may not have the required experience.

7) Mandatory general liability, automobile liability, umbrella liability, and worker’s compensation coverages must be met, as is expected by all vendors and contractors of BCC.

8) President, Vice President, and Vice President of Finance, with unanimity, affirm once again to BCC trustees that Western New York Cemetery Services is the best and most qualified vendor and now, after the RFQ process, the only regional vendor in terms of experience, willingness and capacity to continue being BCC’s vendor of choice. Management also wants to record that it should be noted in Western New York Cemetery Services’ response to our RFQ, the Division of Cemeteries itself is WNY’s largest account and provider of business recommendations and contracts, including monument repair and maintenance across the state of New York, cemetery care and maintenance, cemetery cleanups, etc. This alone is a significant reason to again select Western New York Cemetery Services as BCC’s vendor.
Secretary’s Report – Request for Quote

I worked with President Joseph P. Dispenza and Vice President Christopher Converse to draft the Request for Quote (RFQ). I researched cemetery care and maintenance companies as well as commercial garden landscape companies from names provided by Mr. Dispenza, Mr. Converse, and from Mr. Dispenza’s professional knowledge of cemetery contractors at the Jewish cemeteries on Pine Ridge Road in Buffalo, NY, as well as the many merger candidate cemeteries across Western New York. These cemeteries have neither a staffed office nor a service building on site.

At the direction of President Joseph P. Dispenza, the RFQ was sent by both email (if available) with delivery receipts and hand delivery with delivery receipts on Tuesday, September 7, 2021. On Tuesday, September 14, 2021 I called every vendor at Mr. Dispenza’s direction (see attached report.) As of 2:00 PM on Tuesday, September 16, 2021, we received only one response to our RFQ from Western New York Cemetery Services (see attached.) On September 16, 2021 I met in person with Mr. Dispenza and he directed that the RFQ process be closed at 2:00 PM, two hours past the deadline. No other responses were received.

Respectfully submitted,

Meghann Surrett
Corporate Secretary

RE:  Request for Quote  

The Buffalo City Cemetery, Inc., also known as Forest Lawn, is a not-for-profit 501(c)(13) organization regulated by the New York State Department of State Division of Cemeteries. As an organization that welcomes all faiths, we operate five cemeteries and a crematory: Forest Lawn Cemetery in Buffalo, New York; Lakeside Cemetery in Hamburg, New York; St. Matthew’s Cemetery in West Seneca, New York; Williamsville Cemetery and Gethsemane Cemetery – both in Williamsville, New York; as well as Forest Lawn Cremation Company in Buffalo, New York.

Forest Lawn is proud to have a multidecade union shop on our properties. Our union contract has allowed management for many years to supplement our union employees with independent vendors to support cemetery care, maintenance and interments. To that end, we are conducting our due diligence to seek independent vendors who have the willingness and capacity to be considered for backup, intermittent care, maintenance, and interment work on our properties as needed. Please answer the following questions and complete the enclosed price sheet. We will be presenting these quotes to our board at the September board meeting; therefore, your response is needed no later than Thursday, September 16, 2021 by 12:00 PM.

Upon review of all RFQ responses, Forest Lawn may request vendors to provide additional information.

Please provide your complete responses by email to Joseph P. Dispenza, jdispenza@forest-lawn.com.

The response date to this RFQ is: Thursday, September 16, 2021 by 12:00 PM.

If you have any questions, please contact Joseph P. Dispenza at 716-885-1600 (office), 716-818-3032 (cell), or jdispenza@forest-lawn.com.

3-Yr Average: $269,041
5-Yr Average: $269,394
5-Yr Average Total: $1,622,418

* Dig, cover, seed graves for Lakeside, Williamsville and Gethsemane Cemeteries, as it is more efficient than having Forest Lawn groundsmen travel to these locations

** Includes one-time windstorm clean-up, mulching/landscaping labor and related supplies, road repairs, grave liners, etc.

*** The 5-year average mow & trim cost is $324,484. The average 3-year average for temp labor was $269,041. Over 5 years, that's an increase of 4% per year.

**** These are pass-through payments; WNY Lawn performs the work and is paid by Forest Lawn; the Division reimburses Forest Lawn.

Additional Facts:
Mow and trim cost is impacted by weather conditions each year, with dry season requiring less work and wet seasons requiring more.

WNY Lawn rates are based on rate sheets which they submit for each cemetery to the President and Treasurer at the beginning of each season (typically March).
Stated are the scope of work and rates per mow & trim for each cemetery. To determine reasonableness, these rates are compared with hours and cost of temp and/or union labor to complete the work.

In 2018, Forest Lawn maintained a groundsmen labor force of about 20. Currently, we are down to 7. This decline is due to retirements, voluntary resignations and terminations following union decertification (Nov). This has resulted in lower employee labor costs and benefits. This has also resulted in the need for additional seasonal labor from WNY Lawn to complete mowing, trimming, foundations, burial services, etc.

Paid time off (PTO) hours for union labor force was significant for several long-time employees. This resulted in the need for additional seasonal labor from WNY Lawn to complete mowing, trimming, foundations, burials, etc. For example, in calendar year 2021 there were 5 union groundsmen who were each entitled to PTO of 264 hours (6.5 weeks) per year. For just these 5 men, the cemetery "lost" 33 weeks of labor.
And NYS Paid Sick Leave (NYSPSL) law took effect in 2021, awarding all employees (including each groundsman) an additional 40 hours per year of PTO, again necessitating the use of outside labor to complete cemetery services. The 7 current grounds staff averages PTO plus NYSPSL 4.5 weeks per year.

Foundations for 2022 includes a one-time cost of $11,735 for Tibor Baranski project.

Analysis Summary:

Forest Lawn grounds labor: three days per week are potentially lost due to their use of time off. This results in the Supervisor spending time almost daily managing the available grounds labor to cover perpetual care duties and calling outside vendor to supplement labor needs. This is in contrast to outside vendor services where the vendor provides perpetual care labor to Forest Lawn and no staffing issues need to be managed by the Supervisor.

Re: Buffalo City Cemetery, Inc. – Outside Vendor Services Policy Statement

Dear Mr. Polishook and Mr. Vanderbles,

Thank you for your time on our recent conference on May 4th and for the follow up correspondence from Mr. Vanderbles on May 5th. As you know, over the course of our ongoing discussions, David Fleming and I have outlined the steps taken by the Board of Trustees and senior management of The Buffalo City Cemetery, Inc. (“BCC” or the “Organization”) to address conflicts of interest and related party transaction concerns arising from BCC’s engagement of Western New York Lawn Service, Inc. as an outside vendor.

As you also know, the Board of Trustees of BCC has undertaken all required approvals of the related party transaction and additional diligence and review associated therewith under applicable New York State law and the Organization’s Conflict of Interest Policy.

Additionally, in keeping with BCC’s commitment to best practices and in furtherance of more robust internal controls, BCC has implemented the enclosed internal Policy Statement governing Outside Vendor Services.
As evidenced by this additional voluntary step toward implementing greater internal controls and oversight by disinterested parties within BCC's operations, among other actions, BCC is committed to fair and reasonable dealings with all vendors in furtherance of the best interests of the not-for-profit corporation at all times, free from the undue influence of interested persons and related parties.

As always, I am happy to discuss any further questions or concerns you may have.

Sincerely yours,

Patricia Sandison

Outside Vendor Services
Policy Statement

Adopted: May 6, 2022

This Policy Statement is intended to address outside vendor services procured by The Buffalo City Cemetery, Inc. (the “Cemetery” or “BCC”) for cemetery care, maintenance, interment, foundation work and other necessary and supplementary services (collectively, “Outside Vendor Services”). In particular, this Policy Statement outlines the standard RFQ and procurement process to be undertaken whenever any candidate for such Outside Vendor Services is a related party to BCC under its Conflict of Interest Policy, as may be amended from time to time consistent with applicable law, including New York Not-for-Profit Corporation Law.

(1) Annual Request for Quotation (RFQ) Process

(a) The Cemetery will engage in an annual RFQ process for the engagement of Outside Vendor Services, which RFQ process will follow that previously described and further memorialized in BCC’s Board of Trustees (“Board”) meeting preambles and resolutions approved as of September 21, 2021 (the “Resolutions”). As part of the RFQ process, the President of BCC will assemble an internal team of disinterested and independent corporate officers to request and solicit additional quotations for Outside Vendor Services from regional vendors specializing in such cemetery maintenance and lawn care services. In addition to engaging in this standard outreach to potential vendors, the RFQ will be publicly posted on the BCC main webpage.

(b) The RFQ process will take place and be submitted annually to the Board on or around September of each year, or such other date determined by the Board, or more frequently as necessary based on the needs of the Cemetery or as determined by the Board and/or the President in consultation with outside counsel.

(c) Upon receipt of the RFQ submissions received from alternative vendors as a result of the RFQ process, the President of BCC will produce and provide to the Board a written report summarizing the RFQ results and outlining the President’s recommendations (the “Report”). Upon review of the Report, the Board will vote to approve the engagement of Outside Vendor Services that it determines to be, in its sole discretion, fair, reasonable and in the best interest of the Cemetery and the Board will memorialize its decision in a resolution (minutes of which will be preserved in BCC’s records). That annual resolution will comply with BCC’s requisition process and BCC’s Conflict of Interest Policy.
(2) **Outside Vendor Oversight Policy**

For so long as the BCC’s Vice President of Operations and/or any other lead supervisors/superintendents has a relationship with a related party providing Outside Vendor Services to BCC, BCC will implement the following Outside Vendor Oversight Policy.

(a) Recommendations for the scope of work to be completed for the upcoming year will continue to be provided by the Vice President of Operations and BCC’s lead supervisors/superintendents. The vetting of Outside Vendor Services work to be performed, estimates and approval of projects and purchases, will be supervised and approved by BCC’s President and the Vice President of Finance. The President and the Vice President of Finance are the only two officers and managers in this chain of command who report directly to the Board of Trustees of BCC.

(b) The Vice President of Operations and the lead supervisors/superintendents of BCC will work with and oversee the work performed by the outside vendors, but final approval of Outside Vendor Services activities are directed and approved by unrelated BCC senior leadership consisting of the President and Vice President of Finance.

(c) The deployment of BCC work is determined based on availability of BCC staff, which is impacted by: sick leave, vacation time, projects to be completed, the number or timing of burials, changing weather conditions, and the immediate interment requirements of BCC’s Jewish and Muslim lot owners, among other factors. Outside vendors are utilized to fill in the gaps in BCC operations and service needs. The scope of this work and budgets are ultimately overseen by the President and Vice President of BCC based on BCC Board approved annual budgets. The best deployment of services is reviewed by the President and Vice President of Finance and with the Vice President of Operations in consultation with the supervisors/superintendents on a regular basis and is planned for in most instances, weeks or months in advance, subject to any emergency situations.

(d) The Outside Vendor Services performed by outside vendors will be reviewed and included in a log maintained by BCC assigned staff that is not the VP of Operations or a related party to the outside vendor as defined in the Cemetery’s policies and under applicable law. This log will be utilized by BCC’s President and Vice President of Finance as part of the determination of payments for Outside Vendor Services performed by outside vendors while also comparing such log to the invoices for such services from the vendors. Review and oversight of this work will also be conducted by periodic and unannounced site visits to determine the status of mowing and other Outside Vendor Services performed by outside vendors by a BCC staff that is not the VP of Operations or a related party of the vendor.
