Notice of Review for the
City of Plattsburgh
Draft Local Waterfront Revitalization Program

PURSUANT to Article 42 of the New York State Executive Law and 19 NYCRR Part 601, the New York State Department of State (DOS) has accepted a Draft Local Waterfront Revitalization Program (LWRP) for the City of Plattsburgh, located within Clinton County and the North Country Region. The LWRP is a comprehensive management program for the City's waterfront resources along Lake Champlain and the Saranac River.

To approve the City of Plattsburgh LWRP, the Secretary of State must find that it is consistent with Article 42 of the NYS Executive Law and that it does not conflict with existing State programs and policies. Since State agency actions must be consistent with an approved LWRP, Article 42 requires that the public and any potentially affected State and regional agencies be given the opportunity to comment on the proposed program. For this purpose, the City of Plattsburgh Draft LWRP is available online at: <https://dos.ny.gov/public-notices>

Comments on the City of Plattsburgh Draft LWRP should be submitted by **October 16, 2023**, to: Barbara Kendall, NYS Department of State, Office of Planning, Development & Community Infrastructure via email at barbara.kendall@dos.ny.gov.
