PUBLIC NOTICE

Department of State
F-2019-1024 (DA)

Date of Issuance – November 20, 2019

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

A federal agency has determined that the proposed activity complies with and will be conducted in a manner consistent to the maximum extent practicable with the approved New York State Coastal Management Program. The agency’s consistency determination and accompanying public information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

In F-2019-1024(DA), The US Fish and Wildlife Service is proposing to enhance approximately 250 acres of encroached cattails in the French Creek Wildlife Management Area (WMA). The proposed work will consist of excavating potholes and connecting channels, as well as the construction of habitat mounds to improve habitat connectivity for fish and other wildlife species and to promote native vegetation diversity. Construction is being proposed from February to mid-March 2020. Disturbed material will only include cattail (maximum excavation depth not to exceed 3 feet) that have been accreted since the Seaway inception and should not disturb native soils within the project area.

The applicant’s consistency certification and supporting information are available for review at: <http://www.dos.ny.gov/opd/programs/pdfs/Consistency/F-2019-1024ForPN.pdf>

Original copies of public information and data submitted by the applicant are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30-days from the date of publication of this notice, or, December 20, 2019.

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

PUBLIC NOTICE

Department of State
Routine Program Change

STATEWIDE — Pursuant to 15 CFR 923.84(b)(4), the New York State Department of State (DOS) hereby gives notice that the National Oceanic and Atmospheric Administration’s Office for Coastal Management (OCM) concurred on October 11, 2019 on the incorporation of the amendment to the City of Rochester Local Waterfront Revitalization Program (LWRP) into New York State’s Coastal Management Program as a Routine Program Change. DOS requested OCM’s concurrence on this action on July 17, 2019, in a previous notice in the New York State Register, which further described the content of the action.

The City of Rochester LWRP Amendment was prepared in partnership with DOS and in accordance with the New York State Waterfront Revitalization of Coastal Areas and Inland Waterways Act and the New York State Coastal Management Program. The LWRP is a long-term intermunicipal management program for the City’s waterfront resources along Lake Ontario, the Genesee River, Erie Canal, Densmore Creek and Irondequoit Creek, and is based on the policies of the New York State Coastal Management Program. The City of Rochester LWRP Amendment includes a comprehensive description of the existing and proposed land uses in the waterfront revitalization area, incorporates harbor management elements, and identifies the next generation of waterfront revitalization projects.

Pursuant to the New York State Coastal Management Program and Article 42 of the New York State Executive Law, the City of Rochester LWRP Amendment was adopted by resolution by the City of Rochester City Council on October 18, 2017, and approved by the New York State Secretary of State on August 17, 2018. Federal Consistency with the City of Rochester LWRP applies as of the date of this Notice.

OCM’s concurrence includes the following list of changes and qualifications:

Changes Approved

Name/Description of State or Local Law/Regulation/Policy/Program Authority	State/Local Legal Citation	Date Adopted by State	Date Effective in State
ADDED:			
City of Rochester LWRP.	Art. 42 of NYS Executive Law	8/17/2018	8/17/2018
City of Rochester LWRP, Section 3, Waterfront Revitalization Policies. These contain the enforceable policies of the LWRP for CZMA review purposes.	Art. 42 of NYS Executive Law	8/17/2018	8/17/2018

Qualifications

As a standard qualification applying to all approval of enforceable policies, states may not incorporate enforceable policies by reference. If an approved enforceable policy refers to another statute, regulation, policy, standard, guidance, or other such requirement or document, the referenced policy itself must be submitted to and approved by the Office for Coastal Management as an enforceable policy in order to be applied under the federal consistency review provisions of the CZMA. Therefore, no referenced policy in these approved enforceable policies may be applied for federal consistency unless that policy has been separately approved by the Office for Coastal Management.

For CZMA review purposes, the enforceable policies of the LWRP are only those enumerated bold-faced policy and sub-policy statements within Section 3. The explanatory text may not be used as a basis for issuing an objection under the state’s CZMA authority.

As with other New York Coastal Management Program LWRPs, the

City of Rochester contains in Section 6 a list of Federal Actions and Programs Likely to Affect LWRP Implementation. This listing is not applicable for CZMA review purposes.

The amended City of Rochester Local Waterfront Revitalization Program is available at: http://www.dos.ny.gov/opd/programs/WFRevitalization/LWRP_status.html, the website of the Department of State. *If you have any questions, please contact:* Barbara Kendall, DOS Office of Planning, Development & Community Infrastructure, 99 Washington Ave., Suite 1010, Albany, NY 12231, (518) 473-8928
