Department of State
Routine Program Implementation Notice

PURSUANT to 15 CFR 923.84(b), the New York State Department of State (DOS) has submitted to the Federal Office of Ocean and Coastal Resource Management (OCRM) a routine program implementation action. The DOS considers this action to be routine and requests OCRM's concurrence in this determination. The change to the New York State Coastal Management Program (CMP) covered by this request is the incorporation of the Town of Schodack/Village of Castleton Local Waterfront Revitalization Program into the State's CMP.

A major component of the State's CMP is the provision that local governments be allowed to prepare local waterfront revitalization programs which further detail and make geographically specific the State's coastal policies. Each local program will be reviewed for consistency with the State's CMP and approved if it meets the guidelines established in the State CMP and Article 42 of the NYS Executive Law.

Copies of the Town of Schodack/Village of Castleton Local Waterfront Revitalization Program are available for review at the DOS, 162 Washington Avenue, Albany, New York; Town Hall, 1777 Columbia Turnpike, Castleton, New York and Village Hall, South Main Street, Castleton, New York.

Any comments on whether or not the action does or does not constitute a routine program implementation action should be submitted by July 24, 1987 to: Kathryn Cousins, North Atlantic Regional Program Manager, Office of Ocean and Coastal Resource Management, 1825 Connecticut Avenue NW, Washington, DC 20235

Further information on this action may be obtained from: Division of Coastal Resources and Waterfront Revitalization, Department of State, 162 Washington Ave., Albany, NY 12231.
