

PUBLIC NOTICE
Department of State
Notice of Review for the
Town and Village of Cape Vincent
Draft Local Waterfront Revitalization Program

In accordance with the New York State Waterfront Revitalization of Coastal Areas and Inland Waterways Act and the New York State Coastal Management Program, the Town and Village of Cape Vincent, located within Jefferson County, have prepared a Draft Local Waterfront Revitalization Program (LWRP). The LWRP is a comprehensive management program for the Village and Town's waterfront resources along the St. Lawrence River and Lake Ontario.

To approve the joint Town and Village of Cape Vincent LWRP, pursuant to Article 42 of the NYS Executive Law, it is required that potentially affected State, federal, and local agencies be consulted to assure that the program does not conflict with existing policies and programs. For this purpose, the Draft LWRP is available online at: <https://dos.ny.gov/public-notices>.

The Draft LWRP was accepted by the New York State Department of State (DOS) as complete and is now available for review by potentially affected State, federal and local agencies, and the public. Comments on the Draft LWRP are due by **January 22, 2024**. At the close of this required review period, DOS will coordinate responses to comments received with the Town and Village, and modifications to the LWRP will be made as necessary to address all comments. Following adoption of the LWRP by the Town and Village, and its subsequent approval by the Secretary of State, pursuant to 15 CFR Part 923, Subpart H, DOS will request incorporation of the LWRP into the State's Coastal Management Program by the federal Office for Coastal Management (OCM), as a Program Change.

Comments on the joint Town and Village of Cape Vincent Draft LWRP should be submitted by **January 22, 2024**, to: Irene Holak, NYS Department of State, Office of Planning and Development & Community Infrastructure via email at Irene.Holak@dos.ny.gov.
