

**New York State Department of State
2023-2024 Environmental Protection Fund
Smart Growth Countywide Resiliency Grant Awards**

Capital District

Applicant: Washington (Co)
CFA Number: 129912
Award Amount: \$180,000
Project Name: Washington County Countywide Resiliency Plan

Project Description:

Washington County will develop a Countywide Resiliency Plan in partnership with key partners and the Lake Champlain-Lake George Regional Planning Board. The plan will identify vulnerabilities to key assets, risks to health and vulnerable populations, and impacts to economic sectors from climate hazards such as flooding, excessive heat, and extreme weather events. The Plan will result in the identification of resilience goals and strategies to improve the overall resiliency of the County.

North Country

Applicant: Clinton (Co)
CFA Number: 128922
Award Amount: \$202,500
Project Name: Clinton County Countywide Resiliency Plan

Project Description:

Clinton County will develop a Countywide Resiliency Plan in partnership with local municipalities and key partners, with support from the Lake Champlain-Lake George Regional Planning Board. The goal of the planning project is to better understand the impacts of climate change to key assets in Clinton County and better coordinate resources and long-term planning efforts to inform project implementation and improve the overall resiliency of the County.

Southern Tier

Applicant: Broome (Co)
CFA Number: 128071
Award Amount: \$271,677
Project Name: Broome County Countywide Resiliency Plan

Project Description:

Broome County will develop a Countywide Resiliency Plan. The Plan will assess the risks and vulnerabilities of critical infrastructure and other key assets to climate hazards such as more frequent and intense extreme weather events, flooding, drought, extreme temperatures, and snow storms. The Plan will be used to inform other planning initiatives and identify projects and actions for inclusion in future Capital Improvement Plans.

**New York State Department of State
2023-2024 Environmental Protection Fund
Smart Growth Countywide Resiliency Grant Awards**

Applicant: Chemung (Co)
CFA Number: 128063
Award Amount: \$148,500
Project Name: Chemung County Countwide Resiliency Plan

Project Description:

Chemung County will develop a Countywide Resiliency Plan in partnership with key partners. This Plan will address climate change risks and vulnerabilities to key assets associated with an increase in frequency and severity of storm and precipitation events (increased flooding), along with drought, extreme heat, and other climate hazards. This planning process and identified strategies will improve resiliency and inform subsequent plans, including the County's Comprehensive Master Plan.

Western New York

Applicant: Chautauqua (Co)
CFA Number: 126891
Award Amount: \$144,000
Project Name: Chautauqua County Countywide Resiliency Plan

Project Description:

Chautauqua County will develop a Countywide Resiliency Plan in partnership with municipal and key partners. The Plan will address the risks and vulnerabilities associated with an increase in the frequency and severity of storm events, flooding, drought, and other climate hazards. The Plan will build on local planning initiatives, prioritize public safety, balance economic development and conservation goals, and identify strategies that will increase the County's resilience.
