The Reorganization of Local Government:

A Summary of the Government Reorganization Processes

General Municipal Law Article 17-A provides a unified process for the consolidation and dissolution of local government entities. The process is applicable to towns, villages, fire and fire protection districts, special improvement districts, other improvement districts created pursuant to Articles 11, 12, 12-a or 13 of Town Law, and other districts created by law. **It excludes school districts, city districts, or special purpose districts created by counties under County Law.**

Under Article 17-A of General Municipal Law there are two different methods for local governments to consider: Board-Initiated or Citizen-Initiated. The process for either consolidation or dissolution is the same. The following is a brief outline of the processes found in Article 17-A.

VOTER- INITIATED REORGANIZATION

Article 17-A of General Municipal Law provides a process for voters to petition for a public vote on consolidating or dissolving their local government. Only voters registered in the local government entity may sign consolidation petitions, or serve as the contact person for the petition [§757(3)].

Unlike a board-initiated reorganization, in a voter-initiated process the consolidation agreement or dissolution plan will not be developed until after the referendum on whether to consolidate or dissolve passes. The plan must contain the same information as one prepared in a board-initiated process. Once a proposed plan is prepared by the governing bodies, voters have the opportunity to conduct another petition drive to require a second referendum, this time on the plan itself. If that drive is successful and another referendum is held, it too must pass in order for the reorganization to take effect.

If the governing bodies are unable or unwilling to prepare and approve a reorganization plan, five voters who signed the original petition may bring a C.P.L.R. Article 78 action in state Supreme Court. Depending on its findings, the court may refer the matter to mediation or issue an injunction compelling the governing bodies to act. If the governing bodies still fail to act, the court may appoint a judicial hearing officer to develop and approve a plan [§764].

A petition must contain, for each governmental entity to be consolidated or dissolved, the signatures of 10 percent of the registered voters in that entity or 5000 signatures, whichever is less. However, if a governmental entity to be reorganized has 500 or fewer registered voters, signatures of at least 20 percent of the voters are required.

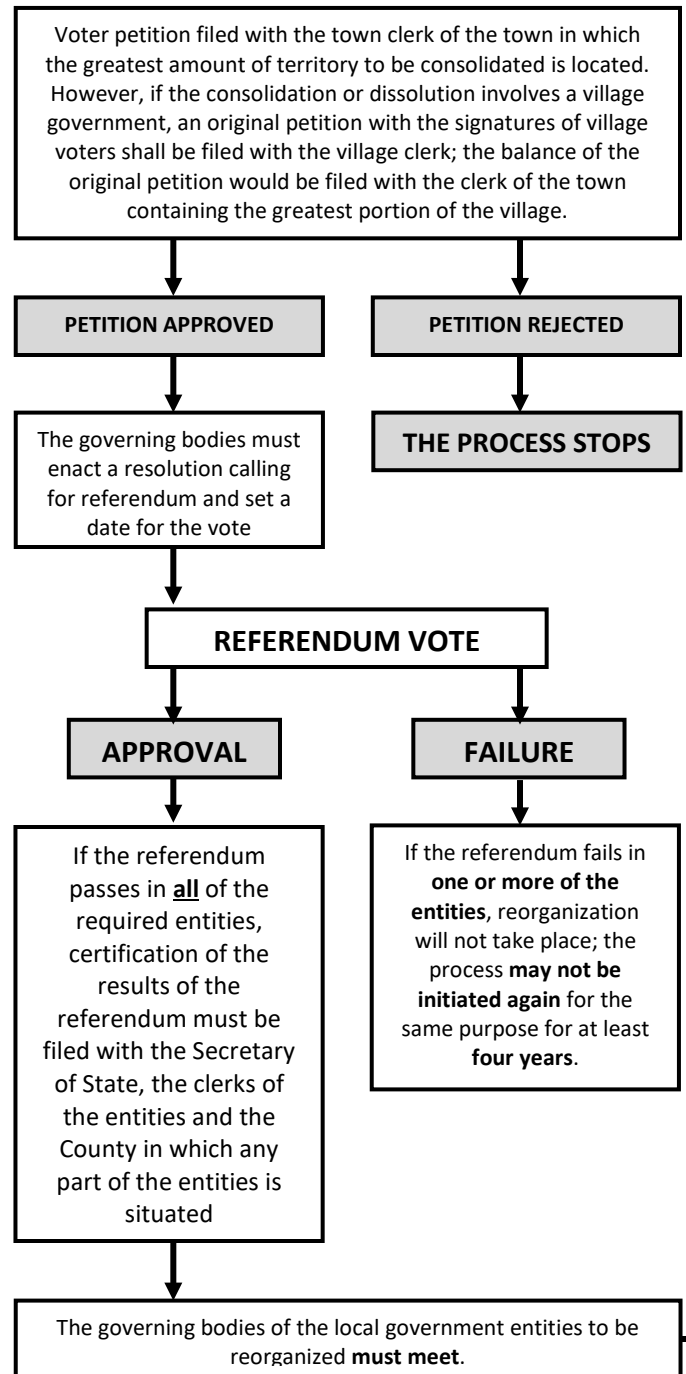

Within 10 days final determination regarding the sufficiency of the number of signatures on the petition is made by the clerk

If the entity is a village the original petition must be filed with the village clerk. This petition must contain the signatures of at least 25 percent of the voters in the entity, or 15,000 signatures, whichever is less.

BOARD-INITIATED REORGANIZATION

The statutory process, when initiated by the governing body of the participating local government entities, begins with a resolution by the governing bodies endorsing a proposed joint consolidation agreement or dissolution plan.

However, the process of reorganization may start many months before the statutory process begins. With a board initiated reorganization process the board(s) may conduct a study to determine the possible impacts associated with reorganization. As outlined in the previous section, by taking the time to study the impacts of reorganization, both the governing body and the public will be able to evaluate the impacts of reorganization before making the decision to reorganize.

Once a proposed joint consolidation agreement or dissolution plan is adopted by the local government entities involved, the board-initiated consolidation proceeds as follows:

Within 5 business days after the proposed joint consolidation agreement or proposed dissolution plan is adopted

Within 35 to 90 days after the proposed joint consolidation agreement or proposed dissolution plan is adopted

After the final hearing on the proposed joint consolidation agreement or proposed dissolution.

Within 180 days from the close of the last public hearing.

Within 60 to 90 days, or if a general election falls within such period, the referendum may be held at the general election.

Notice of the referendum is to be published at least once each week for four successive weeks prior to the referendum.
