Concurrent Resolutions

The last date for submission of public comments is indicated on each Notice of Proposed Rule Making. Unless a different date is specified by statute, the proposing agency must accept comments for at least: 60 days after the date of *Register* publication of a Notice of Proposed Rule Making or combined Notice of Emergency Adoption and Proposed Rule Making; and 45 days after publication of a Notice of Revised Rule Making or combined Notice of Emergency Adoption and Revised Rule Making. When a public hearing on a proposed rule is statutorily required: the hearing may not be held until at least 60 days after the publication date of the notice; and comments must be accepted for at least 5 days after the last required hearing. When a public comment period for a proposed rule is scheduled to end on a Saturday, Sunday or public holiday, comments are accepted through the next succeeding business day.

For notices published in this issue:

- the 60-day period expires on November 3, 2024
- the 45-day period expires on October 19, 2024
- the 30-day period expires on October 4, 2024

Be a part of the rule making process!

Public comment on proposed rules is encouraged and may be submitted to the agency that is proposing the rule. Address your comments to the agency representative whose name and address is printed in the rule making notice. No special form is required; a handwritten letter will do. Individuals who access the online *Register* (dos.ny.gov/state-register) may send public comment via electronic mail to e-mail addresses that may be provided in Notices of Proposed Rule Making. This includes Proposed, Emergency/Proposed, Revised Proposed and Emergency/Revised Proposed rule makings.

To be considered, comments should reach the agency before expiration of the public comment period. The State Administrative Procedure Act provides for a minimum 60-day public comment period after publication in the *Register* for Notices of Proposed Rule Making, and a 45-day public comment period for Notices of Revised Rule Making. If a public hearing is required by statute, public comments are accepted for at least five days after the last such hearing. Agencies are also required to specify in each notice the last date of the public comment period.

When a public comment period would end on a Saturday or Sunday, the agency accepts public comment through the following Monday; when the comment period ends on a public holiday, public comment will be accepted through the next succeeding business day. Agencies cannot adopt a proposed rule until the day after the conclusion of the public comment period.

The Administrative Regulations Review Commission (ARRC) reviews newly proposed regulations to examine issues of compliance with legislative intent, impact on the economy, and impact on affected parties. In addition to sending comments or recommendations to the agency, please do not hesitate to transmit your views to ARRC:

RULE MAKING ACTIVITIES

Each rule making is identified by an I.D. No., which consists of 13 characters. For example, the I.D. No. AAM-01-96-00001-E indicates the following:

AAM -the abbreviation to identify the adopting agency
01 -the *State Register* issue number
96 -the year
00001 -the Department of State number, assigned upon receipt of notice.
E -Emergency Rule Making—permanent action not intended (This character could also be: A for Adoption; P for Proposed Rule Making; RP for Revised Rule Making; EP for a combined Emergency and Proposed Rule Making; EA for an Emergency Rule Making that is permanent and does not expire 90 days after filing.)

Italics contained in text denote new material. Brackets indicate material to be deleted.

EMERGENCY/PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Proposed Settlement Agreement on Reinstating a Low-Income Broadband Program

I.D. No. PSC-36-24-00001-EP

Filing Date: 2024-08-15

Effective Date: 2024-08-15

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Proposed Action: The Commission, on August 15, 2024, adopted on an emergency basis, an Order pertaining to a settlement agreement between Department of Public Service Staff and Charter Communications, Inc. regarding the reinitiation and continuation of a low-income broadband program.

Statutory authority: Public Service Law, sections 12, 25, 26, 94, 216 and 227-a

Finding of necessity for emergency rule: Preservation of public safety and general welfare.

Specific reasons underlying the finding of necessity: In May 2024, the federal Affordable Connectivity Program (ACP), which provided eligible households with an up to \$30 monthly discount for broadband, expired. Moreover, New York State's Affordable Broadband Act (General Business Law § 399-zzzzz), which requires, among other things, that internet service providers offer 25 Megabytes per second service for \$15 per month, is currently suspended by ongoing litigation. The only low-income broadband requirements currently existing in New York are the low-income broadband program conditions contained in the Commission's orders approving certain mergers. By approving the proposed settlement, the Commission will make affordable broadband available to eligible New Yorkers in Charter Communications, Inc.'s (Charter) service territory while the litigation is resolved and/or federal funding for ACP is reinstated. An exigent situation exists given the imminent start of the academic school year in the coming weeks, coupled with the need of eligible New York families to access and use broadband services to access essential educational opportunities and work force and employment opportunities.

Therefore, action was necessary to protect the general welfare and safety of Charter's customers by authorizing the terms of the settlement agreement as soon as practicable.

Subject: Proposed settlement agreement on reinstating a low-income broadband program.

Purpose: To ensure the continuation of a low-income broadband program in Charter Communication, Inc's service territory.

Substance of emergency/proposed rule: The Commission is considering a settlement agreement executed by Charter Communications, Inc. (Charter) and the Department of Public Service (Department) Staff, on August 1, 2024, which reinstates Charter's low-income broadband program.

The proposed settlement agreement between Department Staff and Charter resolves a dispute over Charter's low-income broadband program that had been required as part of the Commission's January 8, 2016 Order

approving Charter's merger with Time Warner Cable, Inc (the 2016 Merger Order). The 2016 Merger Order included a number of enforceable public interest conditions, including a condition that Charter offer a low-income broadband program with speeds of at least 30 Megabytes per second (Mbps) for \$14.99 per month. Charter subsequently increased the price of its low-income broadband program to \$24.99 per month at a higher speed of 50 Mbps without Commission approval and in apparent violation of the Commission's 2016 Merger Order. The proposed settlement will, among other things, require Charter to re-establish the program at \$15 per month for 50 Mbps speed for four years, with annual price adjustments for inflation.

In May 2024, the federal Affordable Connectivity Program (ACP), which provided eligible households with an up to \$30 monthly discount for broadband, expired. Moreover, the State's Affordable Broadband Act (General Business Law § 399-zzzzz), which requires among other things that internet service providers offer 25 Mbps service for \$15 per month, is currently suspended by ongoing litigation. Accordingly, by approving the proposed settlement agreement, the Commission will make affordable broadband available to eligible New Yorkers in Charter's service territory while the litigation is resolved and/or federal funding for ACP is reinstated.

The full text of the settlement agreement and the full record of the proceeding may be reviewed online at the Department of Public Service web page: www.dps.ny.gov. The Commission may adopt, reject or modify, in whole or in part, the action proposed and may resolve related matters.

This notice is intended: to serve as both a notice of emergency adoption and a notice of proposed rule making. The emergency rule will expire November 12, 2024.

Text of rule may be obtained from: John Pitucci, Public Service Commission, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 486-2655, email: john.pitucci@dps.ny.gov

Data, views or arguments may be submitted to: Michelle L. Phillips, Secretary, Department of Public Service, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 474-6530, email: secretary@dps.ny.gov

Public comment will be received until: 60 days after publication of this notice.

Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement

Statements and analyses are not submitted with this notice because the amended rule is within the definition contained in section 102(2)(a)(ii) of the State Administrative Procedure Act.

Major Rate Gas Plan

I.D. No. PSC-28-23-00024-A

Filing Date: 2024-08-15

Effective Date: 2024-08-15

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: On 8/15/24, the PSC adopted an order adopting, with corrections, the terms of a Joint Proposal establishing a three-year gas rate plan for The Brooklyn Union Gas Company d/b/a National Grid NY (KEDNY).

Statutory authority: Public Service Law, sections 5, 65 and 66

Subject: Major rate gas plan.

Purpose: To adopt the terms of a Joint Proposal to establish a three-year gas rate plan for KEDNY.

Substance of Final Rule: The Commission, on August 15, 2024, adopted an order adopting, with corrections, the terms of a Joint Proposal by and between The Brooklyn Union Gas Company d/b/a National Grid NY (KEDNY), KeySpan Gas East Corporation d/b/a National Grid (KEDLI), New York State Department of Public Service Staff, Environmental Defense Fund, NRG Energy, Inc., and the City of New York, establishing a three-year gas rate plan for KEDNY. The rates, terms, conditions, and provisions of the Joint Proposal dated April 9, 2024, filed in these proceedings and attached hereto as Attachment 1 are corrected as described in the order and adopted and incorporated consistent with the discussion herein. KEDNY is directed to file cancellation supplements, effective on not less than one day's notice, on or before August 22, 2024, cancelling the tariff amendments and supplements listed in Attachment 2. KEDNY is directed to file, on not less than five days' notice, to take effect on September 1, 2024 on a temporary basis, such tariff changes as are necessary to effectuate the terms of the order for Rate Year 1 beginning April 1, 2024, and are further directed to file all necessary revised Appendices to the Joint Proposal to reflect the rate plans established in the order. KEDNY shall serve copies of their filings on all active parties to these proceedings. Any party wishing to comment on the tariff amendments may do so by electronically filing its comments with the Secretary to the Commission and serving its comments on all active parties within 10 days after service of the tariff amendments. The amendments specified in the compliance filings shall not become effective on a permanent basis until approved by the Commission and will be subject to refund if any showing is made that the revisions are not in compliance with the order. KEDNY is directed to file such further tariff changes as are necessary to effectuate the rates for Rate Year 2 beginning April 1, 2025, and for Rate Year 3 beginning April 1, 2026. Such changes shall be filed on not less than 30 days' notice to be effective on a temporary basis until approved by the Commission. KEDNY shall file with the Secretary of the Commission, no later than six weeks following the effective date of the amendments, proof that notice to the public of the changes set forth in the amendments and their effective dates has been

published once a week for four consecutive weeks in one or more newspapers having general circulation in the service territory. The requirements of Public Service Law § 66(12)(b) and 16 NYCRR § 720-8.1 are not waived for tariff changes necessary to implement the rate plans in Rate Years 2 and 3, or with respect to tariff filings in compliance with the order made in subsequent years. Within 60 days after issuance of the order, KEDNY is directed to confirm in writing that it has reviewed the organizations in which they are members and have excluded all membership dues from the revenue requirements in the Multi-Year Rate Plan for all organizations that engage in lobbying activities. If any such dues were incorrectly included in the revenue requirements in these proceedings, KEDNY shall establish a deferral of those amounts for future refund to customers. The deferral shall accrue carrying costs at the pre-tax rate of return, subject to the terms and conditions set forth in the order.

PROPOSED RULE MAKING HEARING(S) SCHEDULED

Proposed Major Rate Increase in National Grid's Annual Electric Revenues

I.D. No. PSC-36-24-00003-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering a proposal filed by Niagara Mohawk Power Corporation d/b/a National Grid (National Grid) to make changes in the rates, charges, rules and regulations as contained in its tariff schedules P.S.C. Nos. 214 and 220 — Electricity.

Statutory authority: Public Service Law, sections 5, 65 and 66

Subject: Proposed major rate increase in National Grid's annual electric revenues.

Purpose: To ensure safe and adequate service at just and reasonable rates charged to customers without undue preferences.

Public hearing(s) will be held at: 10:30 a.m., Nov. 4, 2024 and continuing daily as needed at Department of Public Service, 19th Fl., Board Rm., 3 Empire State Plaza, Albany, New York 12223 (Evidentiary Hearing)*

*On occasion, there are requests to reschedule or postpone hearing dates. If such a request is granted, notification of any subsequent scheduling changes will be available at the DPS website (www.dps.ny.gov) under Case 24-E-0322.

Interpreter Service: Interpreter services will be made available to hearing impaired persons, at no charge, upon written request submitted within reasonable time prior to the scheduled public hearing. The written request must be addressed to the agency representative designated in the paragraph below.

Accessibility: All public hearings have been scheduled at places reasonably accessible to persons with a mobility impairment.

Substance of proposed rule: The Commission is considering a proposal filed by Niagara Mohawk Power Corporation d/b/a National Grid (National Grid or the Company) on May 28, 2024, to increase its annual electric delivery revenues for the rate year ending March 31, 2026, as contained in P.S.C. Nos. 214 and 220 – Electricity.

National Grid is requesting an increase in annual electric delivery revenues of approximately \$525 million (20 percent increase in delivery revenues, or 11 percent in total revenues) for the rate year ending March 31, 2026. The Company estimates that the requested increase in delivery revenues will result in a monthly bill increase of \$18.92 (23.4 percent increase in delivery bill or 15.3 percent increase in total bill) for a typical residential customer using 625 kilowatt-hours. The Company states that the increases are driven largely by non-controllable costs such as inflation, safety and compliance mandates, energy efficiency and market conditions related to return and interest rates. Further, the Company states it has taken steps to mitigate impacts by identifying efficiencies that reduced the combined electric and gas revenues increases by more than \$100 million. The initial suspension period for the proposed filing runs through October 30, 2024.

The full text of the proposal and the full record of the proceeding may be reviewed online at the Department of Public Service web page: www.dps.ny.gov. The Commission may adopt, reject or modify, in whole or in part, the action proposed and may resolve related matters.

Text of proposed rule and any required statements and analyses may be obtained by filing a Document Request Form (F-96) located on our website <http://www.dps.ny.gov/f96dir.htm>. Purpose: To ensure safe and adequate service at just and reasonable rates charged to customers without undue preferences.

Public hearing(s) will be held at: 10:30 a.m., Nov. 4, 2024 and continuing daily as needed at Department of Public Service, 19th Fl., Board Rm., 3 Empire State Plaza, Albany, New York 12223 (Evidentiary Hearing)*

*On occasion, there are requests to reschedule or postpone hearing dates. If such a request is granted, notification of any subsequent scheduling changes will be available at the DPS website (www.dps.ny.gov) under Case 24-G-0323.

Interpreter Service: Interpreter services will be made available to hearing impaired persons, at no charge, upon written request submitted within reasonable time prior to the scheduled public hearing. The written request must be addressed to the agency representative designated in the paragraph below.

Accessibility: All public hearings have been scheduled at places reasonably accessible to persons with a mobility impairment.

Substance of proposed rule: The Commission is considering a proposal filed by Niagara Mohawk Power Corporation d/b/a National Grid (National Grid or the Company) on May 28, 2024, to increase its annual gas delivery revenues for the rate year ending March 31, 2026, as contained in P.S.C. No. 219 – Gas.

National Grid is requesting an increase in annual gas revenues of approximately \$148 million (28 percent increase in delivery revenues, or 15 percent increase in total revenues) for the rate year ending March 31, 2026. The Company estimates that the requested increase in delivery revenues will result in a monthly bill increase of \$18.34 (28.9 percent increase in delivery bill or 20.2 percent increase in total bill) for a typical residential heating customer using 78 therms. The Company states that the increases are driven largely by non-controllable costs such as inflation, safety and compliance mandates, energy efficiency and market conditions related to return and interest rates. Further, the Company states it has taken steps to mitigate impacts by identifying efficiencies that reduced the combined electric and gas revenues increases by more than \$100 million. The initial suspension period for the proposed filing runs through October 30, 2024.

The full text of the proposal and the full record of the proceeding may be reviewed online at the Department of Public Service web page: www.dps.ny.gov. The Commission may adopt, reject or modify, in whole or in part, the action proposed and may resolve related matters.

PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Petition to Forgive Arrears Balances Greater Than 120 Days and Recover Costs Via a Surcharge

I.D. No. PSC-36-24-00002-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering a petition filed by Veolia Water New York, Inc. to forgive and write down arrears balances greater than 120 days, and to implement a surcharge mechanism to recover these amounts.

Statutory authority: Public Service Law, sections 4(1), 5(1), 89-b, 89-c(3) and (10)

Subject: Petition to forgive arrears balances greater than 120 days and recover costs via a surcharge.

Purpose: To determine if forgiveness of customer arrears greater than 120 days and recovery via a surcharge is in the public interest.

Substance of proposed rule: The Commission is considering a petition filed by Veolia Water New York, Inc. (the Company) on July 3, 2024, seeking Commission authorization to forgive and write down customer arrears balances greater than 120 days. The Company is also seeking authorization for a surcharge to recover this arrears balance.

The Commission's rate order in Case 23-W-0111 allows the Company to file a petition to seek forgiveness and recovery of arrears greater than 120 days to the extent that such arrears were incremental to the amount set in rates, and that the Company was not overearning. As of April 2024, arrears balances greater than 120 days totaled \$6.567 million for residential customers, and \$0.672 million for commercial customers. Accordingly, the Company prepared and filed the instant petition requesting to write down these amounts. The petition further requests that the Commission authorize the Company to account for the amounts written down as a regulatory asset, and recover the amounts through a surcharge mechanism which would limit bill impacts to 0.5 percent for all customers until such time the regulatory asset balance reaches zero. The Company estimates such recovery would take approximately six years.

The full text of the petition and the full record of the proceeding may be reviewed online at the Department of Public Service web page: www.dps.ny.gov. The Commission may adopt, reject, or modify, in whole or in part, the action proposed, and may resolve related matters.

Text of proposed rule and any required statements and analyses may be obtained by filing a Document Request Form (F-96) located on our website <http://www.dps.ny.gov/f96dir.htm>. **PROPOSED RULE MAKING
NO HEARING(S) SCHEDULED**

Clean Energy Standard Administration

I.D. No. PSC-36-24-00005-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering a petition filed by the New York State Energy Research and Development Authority seeking authorization of the funds necessary to cover the year 2025 costs to administer the Clean Energy Standard.

Statutory authority: Public Service Law, sections 4(1), 5(1), 5(2), 66(2), 66-p and 6-104(5)(b)

Subject: Clean Energy Standard administration.

Purpose: To authorize the funding necessary for continued implementation of the Clean Energy Standard in 2025.

Substance of proposed rule: The Public Service Commission (Commission) is considering a petition filed on July 31, 2024 by the New York State Energy Research and Development Authority (NYSERDA), seeking authorization of the funds to cover NYSEDA's costs to administer the Clean Energy Standard (CES), including the Tier 1, Tier 2, Tier 4, Offshore

Wind program, and the Zero-Emission Credit (ZEC) program (also referred to as Tier 3) for the 2025 Compliance Year (Petition). The petition also proposes to continue utilization of an administrative adder to fund the ZEC program, and includes a reconciliation of CES compliance year 2023 administrative expenses.

Specifically, NYSEDA proposes an administrative budget of \$36,935,012 for the CES 2025 Compliance Year. The petition explains that NYSEDA continues to keep a detailed account of all costs incurred in administering the CES programs and that any unspent administrative funds are used for future ratepayer benefit. The petition presents four categories of administrative funding requested: (1) Salaries and Overhead; (2) Technical and Implementation Support; (3) System Development; and (4) New York State Cost Recovery Expense.

Regarding Salaries and Overhead, the petition seeks to add four full-time employee positions, with three of the four positions being conversions from currently contracted positions. Therefore, this request represents a net total of one new position. According to the petition, all four positions are part of the Operations group which performs many functions that are commonly referred to as "back office," including all CES data handling, reporting, interaction with the financial and project record business systems, New York Generation Attribute Tracking System (NYGATS) eligibility, contract security tracking and management, and contract settlement. Additionally, the petition explains that this group also provides administrative support with tasks such as organizing large-group meetings, logistics and meeting materials, travel arrangements, onboarding and offboarding staff, and document preparation. The petition asserts that the one new position is needed to further assist the group with managing this workload, and that the three conversions from contracted staff to in-house employees would enable greater continuity in these positions, and reduce the inefficiency of having to find, onboard, and train new staff.

With respect to Technical and Implementation Support, the petition explains that these budget items include costs associated with ongoing program consultant support and implementation for the CES programs, development and issuance of procurements, technical and policy analysis, and technical evaluation panels for NYSEDA procurements. Specific to Tier 1 of the CES, the funds requested would enable NYSEDA to continue its work managing the existing contracts, conducting future solicitations, informing related State, federal, and electric grid policy and adapting to and implementing new policy provisions as they develop. Regarding Tier 2 of the CES, the petition asserts that the administrative funding request for Tier 2 reflects that NYSEDA continues to administer Tier 2 Maintenance contracts and therefore has ongoing salary expenses, but that no Technical and Implementation Support or System Development budget is requested with respect to Tier 2. Turning to Tier 4 of the CES, the petition requests funding for continued analysis related to assessing transmission constraints and monitoring new New York Independent System Operator, Inc. market developments and procedures related to internal controllable lines. The proposed budget also includes a comparative analysis of different energy pricing scenarios and their impact on Tier 4. With respect to offshore wind, the Technical and Implementation Support requested by the petition supports a coordinated set of activities designed to procure the most cost-effective projects by reducing project risk through effective engagement with stakeholders, recruiting supply chain opportunities to reduce bid prices, and attracting workforce opportunities for New Yorkers, with a focus on disadvantaged communities. The petition requests funding to conduct offshore wind solicitations, which are described as competitive, complex and involve detailed financial, technical, and electric grid analysis supported by internal and external subject matter experts. The petition asserts that administrative expenses will increase as offshore wind procurements add new contracts and existing contracts mature to construction. Also included in the requested funding in the petition are costs associated with facilitation, evaluators, and specialist reviewers required for the ORECRFP24-1 solicitation, as well as a small portion of funding for finalizing and publishing the "New York State Offshore Wind Masterplan 2.0: Deep Water" in 2025. The petition includes a funding request to continue NYSEDA's Offshore Wind "Liaisons" initiative which provides technical support to NYSEDA in key areas

of public interest and interaction, as well as support for core programmatic workstreams in 2025, including those related to stakeholder engagement and outreach and environmental research initiatives. Moreover, according to the petition, the funds requested here will be used to bolster other New York State workforce development funds to expand in-state offshore wind related workforce development. The petition also requests funds to continue education and outreach marketing campaigns, in-person community meetings, workshops, public facing materials, K-12 programming, and the continuation of the "Learning from the Experts" webinar series.

Regarding System Development, the petition explains that these costs include the annual administration, operation, and maintenance of NYGATS, and anticipated revisions to NYGATS and other business systems, such as Salesforce, to implement and manage CES programs and associated Load Serving Entity compliance activities. The petition asserts that the primary driver of system development costs in 2025 are the regular costs associated with operation and maintenance of NYGATS, and an anticipated engagement of an outside contractor to substantially update the NYGATS system. Moreover, because NYGATS administration is subject to the potential for a change of contractor, the petition explains that there is uncertainty in the cost to be incurred, and thus the budget requested represents NYSERDA's best estimate accounting for the range of costs that might be incurred under the possible scenarios. The petition also asserts that increased license costs for the Salesforce platform has also increased these administrative expenses.

With respect to the New York State Cost Recovery Expense, the petition explains that the New York State Cost Recovery Fee is a fee assessed to NYSERDA and other public authorities by New York State for an allocable share of State governmental costs attributable to the provision of services to public benefit corporations pursuant to Section 2975 of the Public Authorities Law. The petition asserts that NYSERDA allocates the proportionate share of the fee to the CES program based on the weighted average of programmatic expenditures.

Regarding the sources of funds to cover these administrative expenses, the petition proposes to fund its 2025 administration of the Tier 1, Tier 2, Tier 4 and offshore wind programs with revenues received in the previous years including bid fees, alternative compliance payments, contract security forfeitures, and interest income. The petition further proposes to continue to fund the ZEC program with an adder charge. Finally, the petition presents a reconciliation of CES compliance year 2023 administrative expenses by fund.

PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Proposal to Modify the Time Limit Established in the Make Ready Order

I.D. No. PSC-36-24-00006-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering a petition filed by the New York Power Authority (NYPA) to modify the time limit imposed in the Make Ready Order, which required NYPA to spend its allocated budget by 2022.

Statutory authority: Public Service Law, sections: 5(1), (2), 65(1), (5), 66(1), (12) and (14)

Subject: Proposal to modify the time limit established in the Make Ready Order.

Purpose: To consider an extended deadline so that NYPA may continue to use its unspent budget and build electric vehicle chargers.

Substance of proposed rule: The Public Service Commission (Commission) is considering a petition filed on July 29, 2024, by the New York Power Authority (NYPA) seeking to modify the Order Establishing Electric Vehicle Infrastructure Make-Ready Program and Other Programs (Make Ready Order), issued on July 16, 2020 in Case 18-E-0138 (Petition).

The Make Ready Order determined that NYPA was eligible for access to Make-Ready Program incentives for two purposes: (i) for the initiative to build ten fast charging locations in every Regional Economic Development Council region by 2022, capped at \$15 million; and (ii) for investments in fast charging locations to help build out a robust network of Direct Current Fast Chargers (DCFCs) across the State.

Specifically, NYPA's petition requests that the Commission remove the limitation that the funds be used by 2022 and be granted permission to access the funds through the end of the Make-Ready Program. As it currently stands, the Make-Ready Program will be sunset in 2025. NYPA notes that, as a result of the COVID-19 pandemic and supply chain shortages, development at many of its planned sites has been significantly impeded. Despite these challenges, NYPA states that it currently has 26 DCFC projects for which it plans to seek Make-Ready Program funds. The petition opines that the extension would benefit New Yorkers as NYPA's program focuses on building chargers in areas where the private sector market has not yet developed and where utilization is expected to be low for the near- to mid-term future.

PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Petition to Submeter Electricity and Waiver Request

I.D. No. PSC-36-24-00007-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering the petition of Chimes Syracuse, LLC to submeter electricity at 500 South Salina Street, Syracuse, New York, and waiver request of the energy audit requirements in 16 NYCRR § 96.5(k)(3).

Statutory authority: Public Service Law, sections 30, 32-48, 52, 53, 65(1), 66(1), (2), (3), (4), (12) and (14)

Subject: Petition to submeter electricity and waiver request.

Purpose: To ensure adequate submetering equipment, consumer protections and energy efficiency protections are in place.

Substance of proposed rule: The Commission is considering the petition filed by Chimes Syracuse, LLC (Owner) on July 23, 2024, seeking authority to submeter electricity at a new rental building, offering income eligible units, and market rate units, situated at 500 South Salina Street, Syracuse, New York, located in the territory of Niagara Mohawk Power Corp. d/b/a National Grid. The Commission is also considering the Owner's request for a waiver of 16 NYCRR § 96.5(k)(3), the requirement to conduct an energy audit.

In the petition, the Owner requests authorization to take electric service from National Grid and then distribute and meter that electricity to its residents. The Owner also requests a waiver of 16 NYCRR § 96.5(k)(3), which requires proof that an energy audit has been conducted when 20 percent or more of the residents receive income-based housing assistance. The Owner states the building is a new construction and therefore subject to New York State Construction Codes, which sets energy-efficiency standards for new construction, and the Commission should waive the energy audit requirements of 16 NYCRR § 96.5(k)(3). Once approved by the Commission, submetering of electricity to residential tenants is allowed so long as it complies with the protections and requirements of the Commission's regulations in 16 NYCRR Part 96.

The full text of the petition and waiver request and the full record of the proceeding may be reviewed online at the Department of Public Service web page: www.dps.ny.gov. The Commission may adopt, reject, or modify, in whole or in part, the action proposed and may resolve related matters.

Waiver Request of 16 NYCRR Sections 86.3(b)(2), 86.4(b) and 88.4(a)(4)

I.D. No. PSC-36-24-00008-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering a petition filed by New York Transco LLC and NYPA for waiver of certain provisions of 16 NYCRR regarding requirements for applications under PSL Article VII for Certificates of Environmental Compatibility and Public Need.

Statutory authority: Public Service Law, sections 4, 5 and 122

Subject: Waiver Request of 16 NYCRR sections 86.3(b)(2), 86.4(b) and 88.4(a)(4).

Purpose: To consider a waiver of certain regulations relating to the content of an application for transmission line siting.

Substance of proposed rule: The Public Service Commission is considering a petition filed by New York Transco LLC and the New York Power Authority (together, the Applicant) on July 31, 2024 for a waiver of certain requirements for the content of an application for a Certificate of Environmental Compatibility and Public Need (Certificate) pursuant to Public Service Law Article VII.

The Applicant proposes to construct, operate, and maintain the Propel NY Energy Project (the Project), comprised of approximately 89.7 miles of new underground transmission lines (approximately 78.5 miles at 345 kilovolts [kV] and approximately 11.2 miles at 138 kV) and direct interconnection with nine existing and/or new substations located within Suffolk, Nassau, Queens, Bronx, and Westchester counties. Of the approximately 89.7 miles of new underground transmission lines, two components are within New York State waters: (1) an approximately 9.1-mile crossing of the Long Island Sound between the Town of Oyster Bay and the City of New Rochelle, and (2) an approximately 0.7-mile crossing of the East River and an approximately 0.3-mile crossing of the Westchester Creek in Bronx County.

As part of the application process, the Applicant has moved for a waiver of Commission regulation 16 NYCRR § 86.3(b)(2), which requires that an Article VII application include aerial photographs reflecting the current situation and that such photographs be taken within six months of the date the application is filed. The Applicant states that although its aerial photographs were taken prior to the six months preceding the filing of its application, its aerial photographs accurately reflect the current conditions of the proposed Project and the surrounding area. The Applicant also commits to supplement its aerial photographs to the extent that current conditions meaningfully differ from its aerial photographs. The Applicant further seeks a waiver of the provision in 16 NYCRR § 86.4(b) that requires an applicant to indicate, on New York State Department of Transportation (DOT) maps, any alternative route considered. The Applicant states that it could not locate any DOT maps in the Project area with a scale sufficient to meaningfully review the alternative routes considered and that the maps that the Applicant provided clearly show the alternative routes considered. Lastly, the Applicant seeks a waiver of 16 NYCRR § 88.4(a)(4), which requires Article VII applicants to provide appropriate system studies, showing expected flows on the line under normal, peak and emergency conditions, including the system reliability impact study (SRIS) forwarded by the Transmission Planning Advisory Subcommittee for approval by the operating committee of the New York Independent System Operator (NYISO), which shows effects on stability of the interconnected system. The Applicant states that under NYISO's Open Access Transmission Tariff, the Project is not required to obtain a SRIS as part of NYISO's interconnection process and that instead, the Project is required to obtain a System Impact Study (SIS). The Applicant states that it prepared an SIS for the Project and that the SIS has been approved by NYISO's operating committee.

As a rule that requires a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2027, which is no later than the 3rd year after the year in which this rule is being adopted.

Assessment of Public Comment

The Department of State (“Department”) received 14 comments since the Proposed Rule (No. DOS-13-24-00002-P; March 27, 2024) was published in the State Register. A summary and analysis of issues raised are described below.

All 14 public comments were in support of the Department’s Proposed Rule. The comments neither raised issues nor suggested alternatives to the proposed rule as a whole or any part thereof. Accordingly, no changes were made to the rule. The comments characterized the Proposed Rule in different ways, varying from “common sense,” “long overdue,” and “timely.” The comments also stated the Proposed Rule will benefit appearance enhancement businesses, will increase safe access to services, is a solution for a growing demand, and reflects the continuous evolution of services. The comments mirror the content of the Department’s Regulatory Impact Statement and Regulatory Flexibility Analysis which assert the Proposed Rule promotes the safe application of silver nitrate dye to eyebrow and eyelash hair and removes a regulatory barrier encountered by consumers and professionals. One comment expressed support and asked to know when the rule was to be passed by the board.

ACTION PENDING INDEX

The action pending index is a list of all proposed rules which are currently being considered for adoption. A proposed rule is added to the index when the notice of proposed rule making is first published in the *Register*. A proposed rule is removed from the index when any of the following occur: (1) the proposal is adopted as a permanent rule; (2) the proposal is rejected and withdrawn from consideration; or (3) the proposal's notice expires.

Most notices expire in approximately 12 months if the agency does not adopt or reject the proposal within that time. The expiration date is printed in the second column of the action pending index. Some notices, however, never expire. Those notices are identified by the word "exempt" in the second column. Actions pending for one year or more are preceded by an asterisk(*).

For additional information concerning any of the proposals

listed in the action pending index, use the identification number to locate the text of the original notice of proposed rule making. The identification number contains a code which identifies the agency, the issue of the *Register* in which the notice was printed, the year in which the notice was printed and the notice's serial number. The following diagram shows how to read identification number codes.

Agency code	Issue number	Year published	Serial number	Action Code
AAM	01	12	0001	P

Action codes: P — proposed rule making; EP — emergency and proposed rule making (expiration date refers to proposed rule); RP — revised rule making

ADVERTISEMENTS FOR BIDDERS/CONTRACTORS

SEALED BIDS

PROVIDE
DAM REHABILITATION/SALMON
LADDER CONSTRUCTION
Imperial Mill Dam
Plattsburgh, Clinton County

Sealed bids for Project No. 45651-C, comprising of a contract for Construction Work, Provide Dam Rehabilitation & Salmon Ladder Construction, Imperial Mill Dam, 81 Adirondack Lane, Plattsburgh (Clinton County), NY, will be received by the Office of General Services (OGS), Design & Construction Group (D&C), Division of Contract Management, 35th Fl., Corning Tower, Empire State Plaza, Albany, NY 12242, on behalf of the Department of Environmental Conservation - Division of Operations, until 2:00 p.m. on Wednesday, September 18, 2024, when they will be publicly opened and read. Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by a bid security (i.e. certified check, bank check, or bid bond in the amount of \$331,000 for C).

All successful bidders will be required to furnish a Performance Bond and a Labor and Material Bond pursuant to Sections 136 and 137 of the State Finance Law, each for 100% of the amount of the Contract estimated to be between \$10,000,000 and \$15,000,000 for C.

Pursuant to State Finance Law §§ 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between OGS D&C and a bidder during the procurement process. A bidder is restricted from making contacts from the earliest posting on the OGS website, in a newspaper of general circulation, or in the Contract Reporter, of written notice, advertisement or solicitation of offers, through final award and approval of the contract by OGS D&C and the Office of the State Comptroller ("Restricted Period") to other than designated staff, unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). Designated staff are Kimberly Belden, Catherine Skaczkowski, Jessica Hoffman, and Pierre Alric in the Division of Contract Management, telephone (518) 474-0203, fax (518) 473-7862. OGS D&C employees are also required to obtain certain information when contacted during the restricted period and to make a determination of the responsibility of the bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period, the bidder is debarred from obtaining governmental Procurement Contracts. Bidders responding to this Advertisement must familiarize themselves with the State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the bid form. Further information about these requirements can be found within the project manual or at: <https://ogs.ny.gov/ACPL/>

Pursuant to Public Buildings Law § 8(6), effective January 11, 2020, for any projects where the project design commenced on or after January 1, 2020 and for any contracts over \$5,000 for the work of construction, reconstruction, alteration, repair, or improvement of any State building, a responsible and reliable NYS-certified Minority or Women-Owned Business Enterprise that submits a bid within ten percent of the lowest bid will be deemed the apparent low bidder provided that the bid is \$1,628,283 or less, adjusted annually for infla-

tion as of March 1, 2024. If more than one responsible and reliable MWBE firm meets these requirements, the MWBE firm with the lowest bid will be deemed the apparent low bidder.

XX Project commenced design before January 1, 2020. Not subject to provision.

— Project commenced design on or after January 1, 2020. Subject to provision.

The substantial completion date for this project is 734 days after the Agreement is approved by the Comptroller.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 10:00 a.m. on September 6, 2024, Imperial Mill Dam, 81 Adirondack Lane, Plattsburgh NY. Prospective bidders are urged, but not mandated, to visit the site at this time. Prospective bidders or their representatives attending the pre-bid site visit will not be admitted on facility grounds without proper photo identification. Note that parking restrictions and security provisions will apply, and all vehicles will be subject to search. Refer to Document 002218 for any additional requirements for attendance at the pre-bid site visit.

Phone the office of Shane Rolich (518) 949-0681 a minimum of 48 hours in advance of the date to provide the names of those who will attend the pre-bid site visit. Only contractors that schedule a visit at least 48 hours in advance will be allowed to participate in the pre-bid site visit.

Pursuant to New York State Executive Law Article 15-A and the rules and regulations promulgated thereunder, OGS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of OGS contracts. All bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises ("MBE") participation and 15% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs). The total contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under this Contract. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of MWBEs on the Contract for the provision of services and materials.

Article 3 of the Veteran's Services Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"). Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles. OGS hereby establishes overall goals for SDVOBs' participation under this contract as follows: 3% for the C trade contractor, based on the current availability of qualified SDVOBs. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials.

The Office of General Services reserves the right to reject any or all bids.

They shall not be leased, sold or exchanged, or be taken by any corporation, public or private, nor shall the timber thereon be sold, removed or destroyed. Nothing herein contained shall prevent the state from constructing, completing and maintaining any highway heretofore specifically authorized by constitutional amendment, nor from constructing and maintaining to federal standards federal aid interstate highway route five hundred two from a point in the vicinity of the city of Glens Falls, thence northerly to the vicinity of the villages of Lake George and Warrensburg, the hamlets of South Horicon and Pottersville and thence northerly in a generally straight line on the west side of Schroon Lake to the vicinity of the hamlet of Schroon, then continuing northerly to the vicinity of Schroon Falls, Schroon River and North Hudson, and to the east of Makomis Mountain, east of the hamlet of New Russia, east of the village of Elizabethtown and continuing northerly in the vicinity of the hamlet of Towers Forge, and east of Poke-O-Moonshine Mountain and continuing northerly to the vicinity of the village of Keeseville and the city of Plattsburgh, all of the aforesaid taking not to exceed a total of three hundred acres of state forest preserve land, nor from constructing and maintaining not more than twenty-five miles of ski trails thirty to two hundred feet wide, together with appurtenances thereto, provided that no more than five miles of such trails shall be in excess of one hundred twenty feet wide, on the north, east and northwest slopes of Whiteface Mountain in Essex county, nor from constructing and maintaining not more than twenty-five miles of ski trails thirty to two hundred feet wide, together with appurtenances thereto, provided that no more than two miles of such trails shall be in excess of one hundred twenty feet wide, on the slopes of Belleayre Mountain in Ulster and Delaware counties and not more than forty miles of ski trails thirty to two hundred feet wide, together with appurtenances thereto, provided that no more than eight miles of such trails shall be in excess of one hundred twenty feet wide, on the slopes of Gore and

Pete Gay mountains in Warren county, nor from relocating, reconstructing and maintaining a total of not more than fifty miles of existing state highways for the purpose of eliminating the hazards of dangerous curves and grades, provided a total of no more than four hundred acres of forest preserve land shall be used for such purpose and that no single relocated portion of any highway shall exceed one mile in length. Notwithstanding the foregoing provisions, the state may convey to the village of Saranac Lake ten acres of forest preserve land adjacent to the boundaries of such village for public use in providing for refuse disposal and in exchange therefore the village of Saranac Lake shall convey to the state thirty acres of certain true forest land owned by such village on Roaring Brook in the northern half of Lot 113, Township 11, Richards Survey. Notwithstanding the foregoing provisions, the state may convey to the town of Arietta twenty-eight acres of forest preserve land within such town for public use in providing for the extension of the runway and landing strip of the Piseco airport and in exchange therefor the town of Arietta shall convey to the state thirty acres of certain land owned by such town in the town of Arietta. Notwithstanding the foregoing provisions and subject to legislative approval of the tracts to be exchanged prior to the actual transfer of title, the state, in order to consolidate its land holdings for better management, may convey to International Paper Company approximately eight thousand five hundred acres of forest preserve land located in townships two and three of Totten and Crossfield Purchase and township nine of the Moose River Tract, Hamilton county, and in exchange therefore International Paper Company shall convey to the state for incorporation into the forest preserve approximately the same number of acres of land located within such townships and such County on condition that the legislature shall determine that the lands to be received by the state are at least equal in value to the lands to be conveyed by the state. Notwithstanding the foregoing provisions and subject to legislative approval of the tracts to be exchanged prior to the actual transfer of title and the conditions herein set forth, the state, in order to facilitate the preservation of historic buildings listed on the national register of historic places by rejoining an historic grouping of buildings under unitary ownership and stewardship, may convey to Sagamore Institute Inc., a not-for-profit educational organization, approximately ten acres of land and buildings thereon adjoining the real property of the Sagamore Institute, Inc. and located on Sagamore Road, near Raquette Lake Village, in the Town of Long Lake, county of Hamilton, and in exchange therefor; Sagamore Institute, Inc. shall convey to the state for incorporation into the forest preserve approximately two hundred acres of wild forest land located within the Adirondack Park on condition that the legislature shall determine that the lands to be received by the state are at least equal in value to the lands and buildings to be conveyed by the state and that the natural and historic character of the lands and buildings conveyed by the state will be secured by appropriate covenants and restrictions and that the lands and buildings conveyed by the state will reasonably be available for public visits according to agreement between Sagamore Institute, Inc. and the state. Notwithstanding the foregoing provisions the state may convey to the town of Arietta fifty acres of forest preserve land within such town for public use in providing for the extension of the runway and landing strip of the Piseco airport and providing for the maintenance of a clear zone around such runway, and in exchange therefor, the town of Arietta shall convey to the state fifty-three acres

of true forest land located in lot 2 township 2 Totten and Crossfield's Purchase in the town of Lake Pleasant. Notwithstanding the foregoing provisions and subject to legislative approval prior to actual transfer of title, the state may convey to the town of Keene, Essex county, for public use as a cemetery owned by such town, approximately twelve acres of forest preserve land within such town and, in exchange therefor, the town of Keene shall convey to the state for incorporation into the forest preserve approximately one hundred forty-four acres of land, together with an easement over land owned by such town including the riverbed adjacent to the land to be conveyed to the state that will restrict further development of such land, on condition that the legislature shall determine that the property to be received by the state is at least equal in value to the land to be conveyed by the state. Notwithstanding the foregoing provisions and subject to legislative approval prior to actual transfer of title, because there is no viable alternative to using forest preserve lands for the siting of drinking water wells and necessary appurtenances and because such wells are necessary to meet drinking water quality standards, the state may convey to the town of Long Lake, Hamilton county, one acre of forest preserve land within such town for public use as the site of such drinking water wells and necessary appurtenances for the municipal water supply for the hamlet of Raquette Lake. In exchange therefor, the town of Long Lake shall convey to the state at least twelve acres of land located in Hamilton County for incorporation into the forest preserve that the legislature shall determine is at least equal in value to the land to be conveyed by the state. The Raquette Lake surface reservoir shall be abandoned as a drinking water supply source. Notwithstanding the foregoing provisions and subject to legislative approval prior to actual transfer of title, the state may convey to National Grid up to six acres adjoining State Route 56 in St. Lawrence County where it passes through Forest Preserve in Township 5, Lots 1, 2, 5 and 6 that is necessary and appropriate for National Grid to construct a new 46kV power line and in exchange therefore National Grid shall convey to the state for incorporation into the forest preserve at least 10 acres of forest land owned by National Grid in St. Lawrence county, on condition that the legislature shall determine that the property to be received by the state is at least equal in value to the land conveyed by the state. Notwithstanding the foregoing provisions, the legislature may authorize the settlement, according to terms determined by the legislature, of title disputes in township forty, Totten and Crossfield purchase in the town of Long Lake, Hamilton county, to resolve longstanding and competing claims of title between the state and private parties in said township, provided that prior to, and as a condition of such settlement, land purchased without the use of state-appropriated funds, and suitable for incorporation in the forest preserve within the Adirondack park, shall be conveyed to the state on the condition that the legislature shall determine that the property to be conveyed to the state shall provide a net benefit to the forest preserve as compared to the township forty lands subject to such settlement. Notwithstanding the foregoing provisions, the state may authorize NYCO Minerals, Inc. to engage in mineral sampling operations, solely at its expense, to determine the quantity and quality of wollastonite on approximately 200 acres of forest preserve land contained in lot 8, Stowers survey, town of Lewis, Essex County provided that NYCO Minerals, Inc. shall provide the data and information derived from such drilling to the state for appraisal purposes. Subject to legislative approval of the tracts to be exchanged prior to the actual transfer of title, the state may subsequently convey said lot 8 to NYCO Minerals, Inc., and, in exchange therefor, NYCO Minerals, Inc. shall convey to the state for incorporation into the forest preserve not less than the same number of acres of land, on condition that the legislature shall determine that the lands to be received by the state are equal to or greater than the value of the land to be conveyed by the state and on condition that the assessed value of the land to be conveyed to the state shall total not less than one million dollars. When NYCO Minerals, Inc. terminates all mining operations on such lot 8 it shall remediate the site and convey title to such lot back to the state of New York for inclusion in the forest preserve. In the event that lot 8 is not conveyed to NYCO Minerals, Inc. pursuant to this paragraph, NYCO Minerals, Inc. nevertheless shall convey to the state for incorporation into the forest preserve not less than the same number of acres of land that is disturbed by any mineral sampling operations conducted on said lot 8 pursuant to this

paragraph on condition that the legislature shall determine that the lands to be received by the state are equal to or greater than the value of the lands disturbed by the mineral sampling operations. Notwithstanding the foregoing provisions and subject to legislative approval prior to actual transfer of title, a total of no more than two hundred fifty acres of forest preserve land shall be used for the establishment of a health and safety land account. Where no viable alternative exists and other criteria developed by the legislature are satisfied, a town, village or county may apply, pursuant to a process determined by the legislature, to the health and safety land account for projects limited to: address bridge hazards or safety on county highways, and town highways listed on the local highway inventory maintained by the department of transportation, dedicated, and in existence on January first, two thousand fifteen, and annually plowed and regularly maintained; elimination of the hazards of dangerous curves and grades on county highways, and town highways listed on the local highway inventory maintained by the department of transportation, dedicated, and in existence on January first, two thousand fifteen, and annually plowed and regularly maintained; relocation and reconstruction and maintenance of county highways, and town highways listed on the local highway inventory maintained by the department of transportation, dedicated, and in existence on January first, two thousand fifteen and annually plowed and regularly maintained, provided further that no single relocated portion of any such highway shall exceed one mile in length; and water wells and necessary appurtenances when such wells are necessary to meet drinking water quality standards and are located within five hundred thirty feet of state highways, county highways, and town highways listed on the local highway inventory maintained by the department of transportation, dedicated, and in existence on January first, two thousand fifteen, and annually plowed and regularly maintained. As a condition of the creation of such health and safety land account the state shall acquire two hundred fifty acres of land for incorporation into the forest preserve, on condition that the legislature shall approve such lands to be added to the forest preserve. **Notwithstanding the foregoing provisions, the construction, operation, and maintenance to international standards for Nordic skiing and biathlon trails that will accommodate global competitions, training, and events, totaling not more than three hundred twenty-three acres of trails and appurtenances thereto, is authorized on one thousand thirty-nine acres of forest preserve lands at the Mount Van Hoevenberg Olympic Sports Complex in the town of North Elba in Essex county, and as an offset thereto the state must acquire for incorporation into the forest preserve at least two thousand five hundred acres of forest land for inclusion in the forest preserve in the Adirondack Park on condition that the legislature shall determine that such lands are equal to or greater in value.**

§ 2. RESOLVED (if the Assembly concur), That the foregoing be referred to the first regular legislative session convening after the next succeeding general election of members of the assembly, and, in conformity with section 1 of article 19 of the constitution, be published for 3 months previous to the time of such election.

PROPOSED AMENDMENT
NUMBER TWO

Senate 5414

CONCURRENT RESOLUTION OF THE SENATE AND ASSEMBLY

proposing amendments to article 6 of the constitution, in relation to the number of supreme court justices in any judicial district

Section 1. Resolved (if the Assembly concur), That subdivision d of section 6 of article 6 of the constitution be amended to read as follows:

d. The supreme court is continued. It shall consist of the number of justices of the supreme court including the justices designated to the appellate divisions of the supreme court, judges of the county court of the counties of Bronx, Kings, Queens and Richmond and judges of the

court of general sessions of the county of New York authorized by law on the thirty-first day of August next after the approval and ratification of this amendment by the people, all of whom shall be justices of the supreme court for the remainder of their terms. The legislature may increase the number of justices of the supreme court in any judicial district [~~except that the number in any district shall not be increased to exceed one justice for fifty thousand, or fraction over thirty thousand of the population thereof as shown by the last federal census or state enumeration~~]. The legislature may decrease the number of justices of the supreme court in any judicial district, except that the number in any district shall not be less than the number of justices of the supreme court authorized by law on the effective date of this article.

§ 2. Resolved (if the Assembly concur), That the foregoing amendments be referred to the first regular legislative session convening after the next succeeding general election of members of the assembly, and, in conformity with section 1 of article 19 of the constitution, be published for 3 months previous to the time of such election.
