Be a part of the rule making process!

Public comment on proposed rules is encouraged and may be submitted to the agency that is proposing the rule. Address your comments to the agency representative whose name and address is printed in the rule making notice. No special form is required; a handwritten letter will do. Individuals who access the online *Register* (dos.ny.gov/state-register) may send public comment via electronic mail to e-mail addresses that may be provided in Notices of Proposed Rule Making. This includes Proposed, Emergency/Proposed, Revised Proposed and Emergency/Revised Proposed rule makings.

To be considered, comments should reach the agency before expiration of the public comment period. The State Administrative Procedure Act provides for a minimum 60-day public comment period after publication in the *Register* for Notices of Proposed Rule Making, and a 45-day public comment period for Notices of Revised Rule Making. If a public hearing is required by statute, public comments are accepted for at least five days after the last such hearing. Agencies are also required to specify in each notice the last date of the public comment period.

When a public comment period would end on a Saturday or Sunday, the agency accepts public comment through the following Monday; when the comment period ends on a public holiday, public comment will be accepted through the next succeeding business day. Agencies cannot adopt a proposed rule until the day after the conclusion of the public comment period.

The Administrative Regulations Review Commission (ARRC) reviews newly proposed regulations to examine issues of compliance with legislative intent, impact on the economy, and impact on affected parties. In addition to sending comments or recommendations to the agency, please do not hesitate to transmit your views to ARRC:

RULE MAKING ACTIVITIES

Each rule making is identified by an I.D. No., which consists of 13 characters. For example, the I.D. No. AAM-01-96-00001-E indicates the following:

AAM -the abbreviation to identify the adopting agency
01 -the *State Register* issue number
96 -the year
00001 -the Department of State number, assigned upon receipt of notice.
E -Emergency Rule Making—permanent action not intended (This character could also be: A for Adoption; P for Proposed Rule Making; RP for Revised Rule Making; EP for a combined Emergency and Proposed Rule Making; EA for an Emergency Rule Making that is permanent and does not expire 90 days after filing.)

Italics contained in text denote new material. Brackets indicate material to be deleted.

NOTICE OF ADOPTION

Amendment to Good Manufacturing Practices in the Manufacture and Distribution of Commercial Feed

I.D. No. AAM-22-24-00010-A

Filing No. 922

Filing Date: 2024-10-25

Effective Date: 2024-11-13

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Amendment of section 257.10 of Title 1 NYCRR.

Statutory authority: Agriculture and Markets Law, sections 18 and 135

Subject: Amendment to good manufacturing practices in the manufacture and distribution of commercial feed.

Purpose: Detailing the good manufacturing practices, hazard analysis, and risk-based preventative controls for all commercial feed.

Text of final rule: Section 257.10 of Title 1 is amended to read as follows:

(a) For the purposes of enforcement of section 132(4) of the law, the commissioner hereby adopts the following as current good manufacturing practices:

(1) [(a)] The regulations prescribing good manufacturing practices for medicated feeds as published in the Code of Federal Regulations, title 21 (revised as of April 1, 1987; U.S. Government Printing Office, Washington, DC 20402), [P]part 225, sections 225.1 to 225.202 at pages 97-104.

(2) [(b)] The regulations prescribing good manufacturing practices

for medicated premixes as published in the Code of Federal Regulations, title 21 (revised as of April 1, 1987; U.S. Government Printing Office, Washington, DC 20402), [P]part 226, sections 226.1 to 226.115 at pages 104-109. Copies of these regulations, as published in title 21 of the Code of Federal Regulations, are maintained in a file at the Department of Agriculture and Markets, Division of Food Safety and Inspection[Services], 10B Airline Drive [Capital Plaza, One Winners Circle], Albany, NY 12235, and at the Department of State, 99 Washington Avenue, Suite 650, [162 Washington Avenue,] Albany, NY 12231, and are available for public inspection and copying during regular business hours.

(b) *For the purpose of the enforcement of article 8 of the Agriculture and Markets Law, the Commissioner of the Department of Agriculture and Markets hereby adopts, as good manufacturing practices, the regulations prescribing current good manufacturing practice, hazard analysis, and risk-based preventative controls for food for animals as published in the Code of Federal Regulations, title 21 (revised as of July 29, 2016; U.S. Government Printing Office, Washington, DC 20402), part 507, subparts A, B, C, E, and F.*

(1) *Every term used in this section that is defined or given meaning in subparts A, B, C, E, and F of title 21 of the Code of Federal Regulations part 507 shall be construed as set forth therein, except that “FDA” shall be deemed to be a reference to the Department of Agriculture and Markets.*

(2) *A copy of title 21 of the Code of Federal Regulations containing part 507, subparts A, B, C, E, and F, is maintained in a file at the Department of Agriculture and Markets, Division of Food Safety and Inspection, 10B Airline Drive, Albany, New York 12235, and at the Department of State, 99 Washington Avenue, Suite 650, Albany, New York 12231, and is available for public inspection and copying during regular business hours.*

Final rule as compared with last published rule: Nonsubstantial changes were made in section 257.10(a)(1) and (b).

Text of rule and any required statements and analyses may be obtained from: Daniel McCarthy, Director, Div of Food Safety and Inspection, Department of Agriculture and Markets, 10B Airline Drive, Albany, New York 12235, (518) 457-4492, email: FSIWebInquiries@agriculture.ny.gov

Revised Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement

The Department is amending the previously proposed regulation to provide the correct addresses for where copies of the incorporated material may be obtained, and to remove an obsolete effective date. These changes to the previously published rule are non-substantial in nature and do not materially alter the purpose, meaning, or effect of the text. Therefore, these changes do not necessitate revision to the previously published Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement.

Initial Review of Rule

As a rule that requires a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2027, which is no later than the 3rd year after the year in which this rule is being adopted.

Assessment of Public Comment

The agency received no public comment.

PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Elimination of the “12-6” Elbow Strike as an Enumerated Foul

I.D. No. ATH-46-24-00024-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Repeal of section 212.10(b)(10) of Title 19 NYCRR.

Statutory authority: General Business Law, section 1014(5)

Subject: Elimination of the “12-6” elbow strike as an enumerated foul.

Purpose: To conform the New York regulations with the Unified Rules of Mixed Martial Arts.

Text of proposed rule: Paragraph (10) of subdivision (b) of section 212.10 is repealed.

Text of proposed rule and any required statements and analyses may be obtained from: Samantha McEachin, Counsel, NYS Athletic Commission, 123 William Street, 2nd Floor, New York, NY 10038, (212) 417-2149, email: samantha.mceachin@dos.ny.gov

Data, views or arguments may be submitted to: Same as above.

Public comment will be received until: 60 days after publication of this notice.

This rule was not under consideration at the time this agency submitted its Regulatory Agenda for publication in the Register.

Regulatory Impact Statement

1. Statutory Authority

Article 41 of the General Business Law authorizes the New York State Athletic Commission (NYSAC) to promulgate regulations governing the conduct of authorized professional combative sports.

2. Legislative Objectives

To protect the health, safety, and general welfare of all participants in combative sports.

3. Needs and Benefits

The purpose of the rule is to protect the health and safety of combatants and officials during a mixed martial arts contest or exhibition. The rule is necessary to align New York’s regulations with the updated Unified Rules of Mixed Martial Arts, ensuring consistency with national standards. Specifically, the rule change eliminates the prohibition against the “12-6” elbow strike, a modification deemed crucial for athlete safety and regulatory uniformity. This rule amendment will prevent confusion that could arise from outdated regulations, reduce the risk of injury due to conflicting rules, and maintain the integrity of New York’s combative sports regulatory framework.

4. Costs

There are no costs to regulated parties for the implementation of and continuing compliance with the rule. There are also no costs to the agency, State or local governments for the implementation of and continuing compliance with the rule.

5. Local Government Mandates

There is no program, service, duty or responsibility imposed by the rule upon any county, city, town, village, school district or other special district.

6. Paperwork

The rule will not create any new reporting requirements and will therefore not establish a need for forms and other paperwork.

7. Duplication

This rule overlaps with another rule promulgated by NYSAC, 19 NYCRR 212.1 (Application of the unified rules of mixed martial arts). Section 212.1 requires that all professional mixed martial arts contests and exhibitions shall be contested according to the rules of the commission and the Unified Rules of Mixed Martial Arts adopted and amended by the Association of Boxing Commissions (ABC), unless otherwise authorized or directed by the commission. On September 5, 2024, NYSAC convened and adopted Commission Bulletin 2024-3 which seeks to repeal 19 NYCRR § 212.10(b)(10), which currently makes “striking downward using the point of the elbow” a foul in MMA, in order to conform with the Unified Rules of Mixed Martial Arts as adopted and amended by the ABC this past July pursuant to 19 NYCRR § 212.1. The ABC’s amendment is effective 11/1/24. This rulemaking is necessary to resolve any perceived or actual conflict of NYSAC rules on regulated persons. There are no relevant rules and other legal requirements of the state and federal governments that may duplicate, overlap or conflict with the rule.

8. Alternatives

There were no significant alternatives to be considered.

9. Federal Standards

There are no minimum standards of the federal government for the same or similar subject area.

10. Compliance Schedule

Regulated persons can achieve compliance immediately upon publication of the Notice of Adoption in the State Register.

Regulatory Flexibility Analysis

The rule imposes no adverse economic impact on small businesses or local governments, nor does it introduce any reporting, recordkeeping, or compliance requirements for these entities.

The rule aligns New York State’s regulations with the updated Unified Rules of Mixed Martial Arts, enhancing safety protocols for combatants and officials. By eliminating outdated restrictions, such as the prohibition of the “12-6” elbow strike, the rule reduces the risk of confusion during competitions and ensures consistent enforcement across jurisdictions. This promotes fairness and safeguards the health and safety of participants without imposing additional burdens on small businesses or local governments.

Rural Area Flexibility Analysis

This rule imposes neither an adverse impact on rural areas; nor reporting, recordkeeping or other compliance requirements on public or private entities in rural areas.

The rule aligns New York State’s regulations with the updated Unified Rules of Mixed Martial Arts, enhancing safety protocols for combatants and officials. By eliminating outdated restrictions, such as the prohibition of the “12-6” elbow strike, the rule reduces the risk of confusion during competitions and ensures consistent enforcement across jurisdictions. This promotes fairness and safeguards the health and safety of participants without imposing additional burdens on entities in rural areas.

Job Impact Statement

A Job Impact Statement is not required because, as apparent from the nature and purpose of the rule, it would not have a substantial adverse impact on jobs or employment opportunities. The repeal of 19 NYCRR 212.10(b)(10) would conform New York regulations to the updated Unified Rules of Mixed Martial Arts, which have been approved by the Association of Boxing Commissions and Combative Sports (ABC). This change, which would eliminate the prohibition on the downward elbow strike, would not affect the broader job market or employment opportunities in New York State. The rule aims to ensure consistency with national standards and streamline the regulation of mixed martial arts contests.

Empire State 9/11 Notice Program

I.D. No. EDV-46-24-00023-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Addition of Part 310 to Title 5 NYCRR.

Statutory authority: L. 2023, ch. 364

Subject: Empire State 9/11 Notice Program.

Purpose: Notify businesses/employees impacted by 9/11 of their potential eligibility for compensation/care under certain Federal programs.

Text of proposed rule: Title 5 is hereby amended, and a new chapter XXII is added as follows:

CHAPTER XXII THE EMPIRE STATE 9/11 NOTICE PROGRAM:

Part 310 The Empire State 9/11 Notice Program

310.1 Background

In the aftermath of the September 11, 2001 attacks, many workers, including first responders, cleanup workers, and other employees who were in the vicinity of the World Trade Center suffered from health issues as a result of their exposure to toxic substances. To address these health issues, the Federal government established the September 11th Victim Compensation Fund and the World Trade Center Health Program, to provide financial compensation and healthcare to those who were impacted by the attacks and their aftermath. However, many individuals who are eligible for these programs are not aware of their eligibility, or the benefits that they could receive. To address this problem, the Department of Economic Development has drafted these regulations, in connection with the 9/11 Notice Act (chapter 364 of the Laws of 2023) which promotes awareness and notification to the employees of State agencies and any past or present businesses that those State agencies regularly conduct business with and/or have existing contact information for. Which may have operated within or in proximity to the New York City disaster area and/or the New York City exposure zone during the eligible time period of their potential eligibility under the September 11th Victim Compensation Fund and the World Trade Center Health Program. In addition, the regulations also require businesses to notify their employees which operated within an area including but not limited to the New York City disaster area during the eligible time period of their potential eligibility under the September 11th Victim Compensation Fund and the World Trade Center Health Program.

310.2 Definitions.

(a) With respect to the World Trade Center Health Program, "New York City disaster area" means the area within New York City that is:

(1) the area of Manhattan that is south of Houston Street; and

(2) any block in Brooklyn that is wholly or partially contained within a 1.5-mile radius of the former World Trade Center site.

(b) With respect to the September 11th Victim Compensation Fund, "New York City exposure zone" means the area in Manhattan south of the line that runs along Canal Street from the Hudson River to the intersection of Canal Street and East Broadway, north on East Broadway to Clinton Street, and east on Clinton Street to the East River; and any area related to or along the routes of debris removal, such as barges and the Fresh Kills landfill.

(c) The eligible time period and notice area shall be the same as provided for in the September 11th Victim Compensation Fund pursuant to 49 USC 40101 and World Trade Center health program pursuant to 42 USC 300mm.

(d) The September 11th Victim Compensation Fund shall be the September 11th Victim Compensation Fund established under the Air Transportation Safety and System Stabilization Act pursuant to 49 USC 40101.

(e) The World Trade Center Health Program shall be the World Trade Center Health Program established pursuant to 42 USC 300mm.

310.3 Notification

All State agencies, to the extent practicable, shall provide notification to their past or present employees and to businesses that those State agencies regularly conduct business with and/or have existing contact information for which may have operated within or in proximity to the New

York City disaster area and/or the New York City exposure zone during the eligible time period, of their potential eligibility under the World Trade Center Health Program and September 11th Victim Compensation Fund. In addition, businesses shall provide notification to past or present employees which operated within or in proximity to the New York City disaster area and/or the New York City exposure zone during the eligible time period, of their potential eligibility under the World Trade Center Health Program and September 11th Victim Compensation Fund. Such notification required pursuant to this section shall be made by email, text, electronic message system, postal mail, or facsimile, and the entity providing such notification shall maintain a duplicate copy of such notification, and shall retain the same for not less than three years.

Public comment will be received until: 60 days after publication of this notice.

Regulatory Impact Statement

STATUTORY AUTHORITY:

Chapter 364 of the Laws of 2023 requires the Commissioner of the Department of Economic Development (the "Department"), in consultation with the Department of Labor and any other appropriate State or municipal entities, to develop rules and regulations necessary to promote awareness and notification to any past or present businesses and their employees which operated within the New York City disaster area during the eligible time period of their potential eligibility under the September 11th Victim Compensation Fund and the World Trade Center Health Program. These regulations included provisions describing the areas and zones businesses and employees would have had to have operated in to be potentially eligible for financial compensation and healthcare, and the methods of notification to be used to notify potentially eligible businesses and employees.

LEGISLATIVE OBJECTIVES:

Chapter 364 of the Laws of 2023 requires the Department to develop rules and regulations necessary to promote awareness and notification to any past or present businesses and their employees which operated within the New York City disaster area during the eligible time period of their potential eligibility under the September 11th Victim Compensation Fund and the World Trade Center Health Program. It is the Legislature's objective that the potentially eligible businesses and their employees who were impacted by the 9/11 attack are made aware of their potential eligibility for the September 11th Victim Compensation Fund and the World Trade Center Health Program.

NEEDS AND BENEFITS:

The proposed rule adds a new Chapter XXII to Title 5 of the New York Codes Rules and Regulations to require all State agencies to notify their past and present employees as well as businesses that those State agencies regularly conduct business with and/or have existing contact information for which may have been impacted by the 9/11 attacks of their potential eligibility to receive financial compensation and healthcare under the September 11th Victim Compensation Fund and the World Trade Center Health Program. In addition, the proposed rule also requires businesses, which operated within or in proximity to the New York City disaster area and/or the New York City exposure zone, to provide notification to their past and present employees of their potential eligibility for benefits under the September 11th Victim Compensation Fund and the World Trade Center Health Program.

By adding this new provision, an increased number of employees that were impacted by the devastating 9/11 attacks will receive notification from businesses of their potential eligibility to receive financial compensation and healthcare. This will likely increase number of potentially eligible employees applying to benefit from and receiving access to the World Trade Center Health Program and September 11th Victim Compensation Fund.

COSTS:

I. Costs to private regulated parties (the businesses): Minimal. The proposed rule may impose minimal costs to affected businesses.

II. Costs to the regulating agency for the implementation and continued administration of the rule: There are minimal costs imposed on the agency as a result of this amendment.

III. Costs to the State government: There are minimal costs imposed on the State as a result of this rule. Although State agencies must comply, the costs associated with doing so are de minimus.

IV. Costs to local governments: None. The proposed rule will not impose any costs on local governments.

LOCAL GOVERNMENT MANDATES:

None. There are no local government mandates associated with this program.

PAPERWORK:

Depending on the type of notification chosen by regulated parties, the Program could entail a slight increase in paperwork burdens. This rule does not require any additional paperwork; regulated entities could choose electronic means of notification to meet the requirements of the rulemaking.

DUPLICATION:

The proposed rule is an entirely new addition to Title 5 of the New York Codes Rules and Regulations and, accordingly, there is no risk of duplication in the adoption of the proposed rule.

ALTERNATIVES:

There is no alternative to creating this program as Chapter 364 of the Laws of 2023 require the Department to develop rules and regulations necessary to promote awareness notification to any past or present businesses and their employees who operated within the New York City disaster area during the eligible time period of their potential eligibility under the September 11th victim Compensation Fund and the World Trade Center Health Program.

FEDERAL STANDARDS:

There are no Federal standards applicable to this program; it is purely a State program with the purpose of notifying businesses and their employees of their potential eligibility for Federal programs providing financial compensation and healthcare to those impacted by the 9/11 attacks. Therefore, the proposed rule does not exceed any Federal standard.

COMPLIANCE SCHEDULE:

All agencies and any businesses will be expected to achieve compliance with this rulemaking within a reasonable time after publication of the Notice of Adoption in the State Register.

Regulatory Flexibility Analysis

Participation in the 9/11 Notice program does not impose any adverse economic impact or compliance requirements on small businesses or local governments.

Because it is evident from the nature of the proposed rule that it will have no adverse economic impact on small businesses and local government, no further affirmative steps were needed to ascertain that fact and none were taken. Accordingly, a regulatory flexibility analysis for small businesses and local governments is not required and one has not been prepared.

Rural Area Flexibility Analysis

The proposed rulemaking does not impose any special reporting, record keeping or other compliance requirements on public or private entities in rural areas. Therefore, the rule will not have a substantial adverse economic impact on rural areas nor on the reporting, record keeping or other compliance requirements on public or private entities in such rural areas. Accordingly, a rural area flexibility analysis is not required and one has not been prepared.

Job Impact Statement

The rule requires that all State agencies, to the extent practicable, provide notification to businesses which operated within the New York City disaster area and/or the New York City exposure zone during the eligible time period of the potential eligibility of their employees under the World Trade Center Health Program and September 11th Victim Compensation Fund. The rule will not have a substantial adverse impact on jobs and employment opportunities; rather, the rule is to inform businesses and employees impacted by the 9/11 attacks and their aftermath of their potential eligibility to receive financial compensation and healthcare.

Because it is evident from the nature of the rulemaking that it will have either no impact or a positive impact on job and employment opportunities, no further affirmative steps were needed to ascertain that fact and none were taken. Accordingly, a job impact statement is not required and one has not been prepared.

Revised Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement

The original Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement as published in the Notice of Proposed Rule Making, remain valid and do not need to be amended.

Initial Review of Rule

As a rule that requires a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2027, which is no later than the 3rd year after the year in which this rule is being adopted.

Assessment of Public Comment

A Proposed Rulemaking to enable cooperating sellers of New York sporting licenses to levy a nominal fee for the printing and/or mailing of plain paper sporting licenses and all items offered through the Department of Environmental Conservation's (DEC's) automated licensing system was released in the State Register for public review on June 12, 2024, with the comment period extending through August 12, 2024.

Public comment was also solicited through:

- a posting of the statewide public comment period in the Environmental Notice Bulletin on June 12, 2024,
- announcements on the DEC public website,
- a DEC press release distributed statewide on June 12, 2024, and
- an announcement distributed to subscribers to the DEC Delivers Hunting and Trapping newsletter (approximately 153,000 recipients) on June 18, 2024.

DEC received several dozen public comments on the proposed rule. Of those, the vast majority were only related to DEC's administrative decision to transition from printing carcass tags on plastic Valeron material to plain paper. As such those comments were not pertinent to the proposed printing and mailing fee. DEC has described the purpose and process of transitioning to paper licenses and carcass tags in a press release, email newsletters, via a question and answer document on DEC's website (<https://dec.ny.gov/sites/default/files/2024-01/plainpaperconversion.pdf>). DEC has provided print and video instructions about use and protection of paper license and carcass tags at <https://dec.ny.gov/things-to-do/hunting> and in our annual Hunting and Trapping Regulations Guide (<https://dec.ny.gov/things-to-do/hunting/hunting-trapping-regulations>).

Comments that expressed recommendations or concerns related to the proposed printing and mailing fee are summarized with responses below.

Comment: I would support an additional fee if DEC would keep printing on special Valeron stock.

Response: DEC's goal is to modernize the sporting license system and improve the license-buying experience for customers. The ability for customers to receive their license electronically and print tags at home on plain paper will make it quicker and easier to get outdoors and connect with nature through hunting, fishing and trapping.

In addition, DEC has faced difficulty obtaining Valeron material in recent years. Raising the cost of licenses or requiring an additional fee will not resolve the problem of Valeron availability. If DEC is unable to obtain Valeron, it would jeopardize the ability to provide customers with licenses and tags needed for their sporting activities.

Comment: I support the fee proposed to assist License Issuing Agents (LIAs) recoup the cost for the use of their printers, paper, and printer ink.

Response: DEC agrees.

Comment: I oppose any type of new fee associated with sporting licenses. We already pay enough for licenses.

Response: New York's sporting license fees are reasonable and less than half the average cost regionally and nationally. New York's fees have not increased since 2009, and in fact, fees were reduced in 2014 when

license options were streamlined and simplified. All license buyers can avoid the nominal \$1 printing fee or \$2 printing and mailing fee associated with this rule change by choosing to receive their license and tags by email for printing at home or elsewhere.

Comment: I oppose an additional fee since LIAs sell other products and services at their location, and sales of those items should cover the cost of printing licenses and tags.

Response: Most LIAs are municipal offices and not retail locations that sell other items. The nominal printing fee is intended to offset costs faced by LIAs to ensure they continue to sell licenses and provide in-person sales options for hunters, trappers, and anglers. All license buyers can avoid printing fees by choosing to receive their licenses and tags by email through any sales channel (in-person, online or over the phone).

Comment: I oppose the additional fee and believe the DEC should compensate LIAs for the use of their printers, paper, and ink by increasing the commissions made on the sale of sporting licenses.

Response: Increasing the commission rates paid to LIAs would require a change in law by the state Legislature and would then apply to all license sales transactions. The printing fee, as proposed, can be avoided by license buyers choosing to receive license material via email.

Comment: I have concerns that the proposed fee will discourage people from buying sporting licenses.

Response: Allowing a LIA or license vendor to charge for printing and/or mailing sporting licenses will not discourage individuals from buying sporting licenses. People can avoid an additional fee by choosing to have their licenses and tags emailed to them. DEC believes that by modernizing how individuals can receive their sporting licenses and associated tags and offering electronic delivery, it will encourage more people to acquire licenses and allow for easier and quicker access to their sporting activities.

Comment: Lifetime license holders should not have to pay an additional fee to have their licenses a carcass tags printed and mail.

Response: Lifetime licenses are produced and delivered annually between July and September 1st. DEC plans to offer lifetime license holders the option to have their license and tags delivered in this timeframe through email or mail. We anticipate that those who decide to continue receiving their licenses and tags in the mail will not be charged an additional fee.

Comment: I oppose paying an additional fee for printing a sporting license and propose that the state raise funds by charging people for the ability to perform activities other than hunting, fishing, and trapping in New York (Ex: parking on state lands when hiking and requiring cyclists to acquire a registration in order to ride on state and county roads).

Response: Charging such fees is beyond DEC's purview and would require law changes by the state legislature.

Comment: I oppose this fee because it unfairly discriminates against those who do not have modern electronics as a matter of religion or socioeconomic status.

Response: License buyers may avoid the printing fee by choosing to receive their license material by email. DEC recognizes that not all license buyers may have a personal email account, electronic devices, or a home printer. We encourage these license buyers to make arrangements with friends or family or take advantage of services provided by their local library or municipal government should they wish to avoid the LIA printing fee.

Waiver of Individual Metering Requirements

I.D. No. PSC-14-24-00014-A

Filing Date: 2024-10-23

Effective Date: 2024-10-23

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: On 10/16/24, the PSC adopted an order granting Neighbors of Watertown's (NoW) petition for waiver of the individual metering requirements in Opinion 76-17 and 16 NYCRR Part 96, for the building located at 160 Main Avenue, Watertown, New York.

Statutory authority: Public Service Law, sections 30, 32-48, 52, 53, 65(1), 66(1), (2), (3), (4), (12) and (14)

Subject: Waiver of individual metering requirements.

Purpose: To grant NoW's petition for waiver of individual metering requirements.

Substance of Final rule: The Commission, on October 16, 2024, adopted an order granting Neighbors of Watertown's (NoW) petition for waiver of the individual metering requirements established in Opinion 76-17 and 16 NYCRR Part 96, for the new building located at 160 Main Avenue, Watertown, New York, located in the service territory of Niagara Mohawk Power Corporation d/b/a National Grid. The waiver is expressly conditioned on the continued use of 160 Main Avenue, Watertown, New York as a residence for the provision of supportive services as described in the body of the order and this waiver shall terminate if the building is put to a different use. Should the use at 160 Main Avenue, Watertown, New York change, NoW shall submit notice within 10 days to the Secretary to the Commission with the new anticipated use in advance of any conversion. NoW shall, within 60 days of the date of the order, certify in writing to the Secretary to the Commission that it accepts the above condition that waiver of the individual metering requirements is contingent on the continued use of the building for the provision of supportive services, subject to the terms and conditions set forth in the order.

BES Programs

I.D. No. PSC-46-24-00022-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering the Bulk Energy Storage (BES) Implementation Plan Proposal filed by the New York State Energy Research and Development Authority (NYSERDA).

Statutory authority: Public Service Law, sections: 5(1), (2), 65(1), (5), 66(1), (12), (14), 66-p and 74

Subject: BES programs.

Purpose: To consider the outline of program goals and implementation strategies for the BES programs.

Substance of proposed rule: The Public Service Commission (Commission) is considering the Bulk Energy Storage Implementation Plan Proposal (Implementation Plan) filed by the New York State Energy Research and Development Authority (NYSERDA) on October 18, 2024. The Implementation Plan describes the goals and implementation strategies for the bulk energy storage program authorized by the Commission in its Order Establishing Updated Energy Storage Goal and Deployment Policy (Storage Order), issued on June 20, 2024.

The Storage Order established energy storage programs spanning

across the bulk, retail, and residential sectors and directed NYSEDA to file two implementation plans (one for bulk and one for retail and residential) to describe the strategies to be used to effectuate the programs described in the Storage Order. The Implementation Plan for the bulk energy storage program was filed by NYSEDA to comply with the Storage Order. As discussed therein, the bulk energy storage program includes an operating framework for bulk energy storage projects, which are those that are 5 megawatts (MW) or larger.

The Implementation Plan describes the following: • the bulk storage program, including the program incentive design, program funding, program administration, and evaluation and reporting; • the Index Storage Credit Mechanism, including program eligibility, bid evaluation criteria, and the solicitation schedule; • the procurement costs, the funding mechanism, as well as participation and crediting for the New York Power Authority and the Long Island Power Authority; • details regarding program administration, including costs, budget, measurement, and fire safety; and • the evaluation and reporting metrics and criteria, for future consideration by the Commission.

The full text of the Bulk Energy Storage Implementation Plan Proposal and the full record of the proceeding may be reviewed online at the Department of Public Service web page: www.dps.ny.gov. The Commission may adopt, reject, or modify, in whole or in part, the action proposed and may resolve related matters.

Physical/Occupational Therapy Assistants

I.D. No. WCB-46-24-00021-EP

Filing No. 920

Filing Date: 2024-10-24

Effective Date: 2024-10-27

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Proposed Action: Amendment of section 329-1.3 of Title 12 NYCRR.

Statutory authority: Workers' Compensation Law, sections 117, 141 and 13-b

Finding of necessity for emergency rule: Preservation of public health and general welfare.

Specific reasons underlying the finding of necessity: This amendment is adopted as an emergency measure because bill A1204 (same as S6501) allowing treatment by physical therapy assistants and occupational therapy assistants takes effect on the thirtieth day after it is signed into law. In order to ensure a smooth implementation of the law and prevent delays in treatment and payment for treatment, for general health and safety of injured workers receiving treatment that could be provided by occupational/physical therapy assistants under this bill, the proposal is being filed as an emergency adoption and proposal to prevent delays in treat-

ment and unnecessary billing disputes. This will provide guidance and clarity about which codes may be used for billing and procedures for billing when services are performed by physical therapy/occupational therapy assistants as soon as the law takes effect, and is being proposed as a permanent regulation as well to ensure public comments are taken into account so any necessary changes can be made before it is permanently adopted.

Subject: Physical/Occupational Therapy Assistants.

Purpose: To provide guidance about treatment by PT/OT assistants and implement amendment to section 13-b of the Workers' Compensation Law.

Text of emergency/proposed rule: A new subdivision (c) of section 329-1.3 of Title 12 NYCRR is hereby added to read as follows:

Section 329-1.3. Medical fee schedule; incorporation by reference

(a) The medical fee schedule for medical services shall be the Official New York Workers' Compensation Medical Fee Schedule, updated December 11, 2019, prepared by the board and published by OptumInsight, which is herein incorporated by reference.

(b) The Official New York Workers' Compensation Medical Fee Schedule incorporated by reference herein may be examined at the office of the Department of State, One Commerce Plaza, 99 Washington Avenue, Albany, NY 12231, the Legislative Library, the libraries of the New York State Supreme Court, and the district offices of the board. Copies may be purchased from OptumInsight, by writing to Official New York Workers' Compensation Fee Schedule, PO Box 88050, Chicago, IL 60680-9920; by telephone at 1-800-464-3649, option 1; or online at www.optum360coding.com keyword New York or <https://www.optum360coding.com/Product/40508/>

(c) *Physical Therapy Assistants (PTAs) and Occupational Therapy Assistants (OTAs) may provide services under the direct supervision of an authorized Physical Therapist (PT) or authorized Occupational Therapist (OT) respectively.*

(1) *When billing for PTA services, supervising authorized PTs must select codes from the Physical Medicine Section of the Official New York State Workers' Compensation Medical Fee Schedule that are permissible and within the scope of practice for PTAs using modifier CQ.*

(2) *When billing for OTA services, supervising authorized OTs must select codes from the Physical Medicine Section of the Official New York State Workers' Compensation Medical Fee Schedule that are permissible and within the scope of practice of OTAs using modifier CO.*

(3) *Services billed using the modifiers CQ or CO must be billed and paid at 85 percent of the amount payable for such services had they been performed directly by PTs and OTs. Clinical notes by PTAs must be cosigned by the supervising PT. Clinical notes by OTAs must be cosigned by the supervising OT. PTAs and OTAs may not provide services or bill for services independently.*

(4) *Nothing in this section shall change the maximum numbers of billable Relative Value Units (RVUs) for physical therapy and occupational therapy on any given date of service, as outlined elsewhere in the fee schedule. They are not increased or otherwise changed based on whether the services are provided by PTs, OTs, PTAs or OTAs.*

(5) *When services are performed by PTs and PTAs (or OTs and OTAs) on the same date of service, the services applied to the maximum number of RVUs on any given date of service shall be determined giving priority to services provided by PTs over those provided by PTAs, and services provided by OTs over those provided by OTAs.*

(6) *The ability of PTAs and OTAs to provide services under NYS Workers Compensation, and for supervising PTs and OTs to submit bills for said services, shall in no way expand or otherwise change the scope of practice or permissible activities for PTAs or OTAs by statute, and/or any applicable regulations promulgated by the New York State Education Department, New York State Department of Health, or the New York State Workers' Compensation Board. As such, it shall be impermissible for PTAs/OTAs to perform any services or activities otherwise reserved for PTs and OTs respectively, or for supervising PTs or OTs to bill for such services, and Current Procedural Terminology (CPT) codes must be selected accordingly.*

(i) *Examples may include, but are not limited to: a PTA is prohibited by section 6738(a) of the NYS Education Law from performing evaluation, testing, interpretation, planning or modification of patient/client programs; a PT conducts the initial evaluation and develops the plan of care, and the treatment may be provided by the PTA; PTAs and OTAs may not perform Functional Capacity Evaluations (FCEs).*

This notice is intended: to serve as both a notice of emergency adoption and a notice of proposed rule making. The emergency rule will expire January 21, 2025.

Text of rule and any required statements and analyses may be obtained from: Courtney Vallee, Workers' Compensation Board, Office of General Counsel, 328 State Street, Schenectady, NY 12304, (518) 486-9564, email: regulations@wcb.ny.gov

Data, views or arguments may be submitted to: Same as above.

Public comment will be received until: 60 days after publication of this notice.

This rule was not under consideration at the time this agency submitted its Regulatory Agenda for publication in the Register.

Regulatory Impact Statement

1. **Statutory authority:** Workers' Compensation Law (WCL) § 117(1) and 142 authorizes the Chair of the Workers' Compensation Board (Board) to adopt reasonable rules consistent with, and supplemental to, the provisions of the WCL. Section 13-b of the WCL was recently amended to allow treatment by occupational and physical therapy assistants under the direct supervision of an authorized occupational or physical therapist.

2. **Legislative objectives:** To establish clear regulatory guidelines about billing procedures when services are provided by occupational and physical therapy assistants under the direct supervision of an authorized occupational or physical therapist.

3. **Needs and benefits:**

Section 13-b of the WCL was recently amended to extend the ability to treat injured workers to physical therapy and occupational therapy assistants (under the direct supervision of authorized physical and occupational therapists) was signed into law using basic framework. This change allows more efficiency within the workers' compensation system by expanding services to be performed by physical therapy and occupational therapy assistants, but without regulations about billing, there would be confusion – as the bill does not allow physical therapy and occupational therapy assistants to be authorized under the workers' compensation system, but treat injured workers under the supervision of authorized physical or occupational therapists. The proposed regulations provide further clarity and guidance, specifically around billing and what codes should be used – these regulations are necessary to reflect the changes to the workers' compensation system introduced by this bill.

4. **Costs:**

The proposed amendments should not impose significant costs. The proposal provides guidance and clarity to implement the statute, while avoiding costs outside what the law requires. By providing explicit guidance about billing and codes to be used, the cost of unnecessary litigation about billing disputes when services are rendered by physical therapy and occupational therapy assistants should be avoided. These regulations just provide clarity about billing and neither the statute nor the regulations require physical or occupational therapy assistants to treat injured workers – it simply permits them as an option.

5. **Local government mandates:** The proposed amendments do not impose any additional program, service, duty, or responsibility upon any county, city, town, village, school district, fire district, or other special district.

6. **Paperwork:** The proposed amendments will require specific codes to be used in billing, but these are the same types of requirements already in place for every type of authorized treatment in the workers' compensation system.

7. **Duplication:** The proposal does not duplicate or conflict with any State or Federal requirements.

8. **Alternatives:** An alternative would be to not amend the regulation and not address this issue at all. However, without regulations in place to provide guidance and clarity, billing for when services are provided to injured workers by physical or occupational therapists would be difficult to implement, would increase paperwork and billing disputes, and lack of clarity could result in additional litigation.

9. **Federal standards.** There are no applicable Federal Standards.

10. **Compliance schedule:** All payers, as well as injured workers, and providers will need to comply with the proposed regulation upon publication of the Notice of Adoption in the State Register. The emergency adoption will take effect upon publication of the Notice of Emergency Adoption and Proposed Rule Making in the State Register and will align with the effective date of the statute (30 days after it is signed into law).

Regulatory Flexibility Analysis

The rule should not impose any adverse economic impact or reporting, recordkeeping or other compliance requirements on small businesses or local governments. The emergency adoption and proposal provides billing guidance when treatment is provided by a physical therapy or occupational therapy assistant as allowed (but not required) under the recent amendment to Workers' Compensation Law section 13-b.

Rural Area Flexibility Analysis

The rule will not impose any adverse economic impact or reporting, recordkeeping or other compliance requirements on rural areas. The emergency adoption and proposal provides billing guidance when treatment is provided by a physical therapy or occupational therapy assistant as allowed (but not required) under the recent amendment to Workers' Compensation Law section 13-b.

Job Impact Statement

A Job Impact Statement is not required because the proposal will not have any impact on jobs or employment opportunities. The proposal establishes guidance about billing practices for physical therapy and occupational therapy assistants who will be allowed (but not required) to treat under the supervision of authorized physical and occupational therapists in accordance with the recent amendments to Workers' Compensation Law section 13-b.

ACTION PENDING INDEX

The action pending index is a list of all proposed rules which are currently being considered for adoption. A proposed rule is added to the index when the notice of proposed rule making is first published in the *Register*. A proposed rule is removed from the index when any of the following occur: (1) the proposal is adopted as a permanent rule; (2) the proposal is rejected and withdrawn from consideration; or (3) the proposal's notice expires.

Most notices expire in approximately 12 months if the agency does not adopt or reject the proposal within that time. The expiration date is printed in the second column of the action pending index. Some notices, however, never expire. Those notices are identified by the word "exempt" in the second column. Actions pending for one year or more are preceded by an asterisk(*).

For additional information concerning any of the proposals

listed in the action pending index, use the identification number to locate the text of the original notice of proposed rule making. The identification number contains a code which identifies the agency, the issue of the *Register* in which the notice was printed, the year in which the notice was printed and the notice's serial number. The following diagram shows how to read identification number codes.

Agency code	Issue number	Year published	Serial number	Action Code

ADVERTISEMENTS FOR BIDDERS/CONTRACTORS

SEALED BIDS

REPLACE ROOF

Department of Transportation Region 8
Newburgh, Orange County

Sealed bids for Project No. Q1858-C, comprising of a contract for Construction Work, Replace Roof, DOT Region 8, Orange County, 112 Dickson Street, Newburgh (Orange County), NY, will be received by the Office of General Services (OGS), Design & Construction Group (D&C), Division of Contract Management, 35th Fl., Corning Tower, Empire State Plaza, Albany, NY 12242, on behalf of the Department of Transportation, until 2:00 p.m. on Wednesday, December 4, 2024, when they will be publicly opened and read. Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by a bid security (i.e. certified check, bank check, or bid bond in the amount of \$39,600 for C).

All successful bidders will be required to furnish a Performance Bond and a Labor and Material Bond pursuant to Sections 136 and 137 of the State Finance Law, each for 100% of the amount of the Contract estimated to be between \$1,000,000 and \$2,000,000 for C.

Pursuant to State Finance Law §§ 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between OGS D&C and a bidder during the procurement process. A bidder is restricted from making contacts from the earliest posting on the OGS website, in a newspaper of general circulation, or in the Contract Reporter, of written notice, advertisement or solicitation of offers, through final award and approval of the contract by OGS D&C and the Office of the State Comptroller ("Restricted Period") to other than designated staff, unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). Designated staff are Kimberly Belden, Catherine Skaczkowski, Jessica Hoffman, and Pierre Alric in the Division of Contract Management, telephone (518) 474-0203, fax (518) 473-7862. OGS D&C employees are also required to obtain certain information when contacted during the restricted period and to make a determination of the responsibility of the bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period, the bidder is debarred from obtaining governmental Procurement Contracts. Bidders responding to this Advertisement must familiarize themselves with the State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the bid form. Further information about these requirements can be found within the project manual or at: <https://ogs.ny.gov/ACPL/>

Pursuant to Public Buildings Law § 8(6), effective January 11, 2020, for any projects where the project design commenced on or after January 1, 2020 and for any contracts over \$5,000 for the work of construction, reconstruction, alteration, repair, or improvement of any State building, a responsible and reliable NYS-certified Minority or Women-Owned Business Enterprise that submits a bid within ten percent of the lowest bid will be deemed the apparent low bidder provided that the bid is \$1,628,283 or less, adjusted annually for inflation as of March 1, 2024. If more than one responsible and reliable MWBE firm meets these requirements, the MWBE firm with the lowest bid will be deemed the apparent low bidder.

— Project commenced design before January 1, 2020. Not subject to provision.

XX Project commenced design on or after January 1, 2020. Subject to provision.

The substantial completion date for this project is 255 days after the Agreement is approved by the Comptroller.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 11:00 a.m. on November 21, 2024, at the New York State DOT Residency, 112 Dickson Street, Newburgh, NY. Prospective bidders are urged, but not mandated, to visit the site at this time. Prospective bidders or their representatives attending the pre-bid site visit will not be admitted on facility grounds without proper photo identification. Note that parking restrictions and security provisions will apply, and all vehicles will be subject to search. Refer to Document 002218 for any additional requirements for attendance at the pre-bid site visit.

Phone the office of John Dibble (973) 600-8763 a minimum of 48 hours in advance of the date to provide the names of those who will attend the pre-bid site visit. Only contractors that schedule a visit at least 48 hours in advance will be allowed to participate in the pre-bid site visit.

Pursuant to New York State Executive Law Article 15-A and the rules and regulations promulgated thereunder, OGS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of OGS contracts. All bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises ("MBE") participation and 15% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs). The total contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under this Contract. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of MWBEs on the Contract for the provision of services and materials.

Article 3 of the Veteran's Services Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"). Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles. OGS hereby establishes overall goals for SDVOBs' participation under this contract as follows: 3% for the C trade contractor, based on the current availability of qualified SDVOBs. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials.

The Office of General Services reserves the right to reject any or all bids.

promote opportunities for the maximum feasible participation of New York State-certified Minority- and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of OGS contracts. All bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises (“MBE”) participation and 15% for Women-Owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs). The total contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under this Contract. Trades with 0% goals are encouraged to make “good faith efforts” to promote and assist in the participation of MWBEs on the Contract for the provision of services and materials.

Article 3 of the Veterans’ Services Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOBs”). Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles. OGS hereby establishes overall goals for SDVOBs’ participation under this contract as follows: 6% for the C trade contractor, based on the current availability of qualified SDVOBs. Trades with 0% goals are encouraged to make “good faith efforts” to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials.

The Office of General Services reserves the right to reject any or all bids.

Norwich, Chenango County

Sealed bids for Project No. 47552-E, comprising of a contract for Electrical Work, Upgrade Electronic Security Systems, Valley Ridge CIT, 276 County Road 46, Norwich (Chenango County), NY, will be received by the Office of General Services (OGS), Design & Construction Group (D&C), Division of Contract Management, 35th Fl., Corning Tower, Empire State Plaza, Albany, NY 12242, on behalf of the Office for People with Developmental Disabilities, until 2:00 p.m. on Wednesday, November 20, 2024, when they will be publicly opened and read. Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by a bid security (i.e. certified check, bank check, or bid bond in the amount of \$82,600 for E).

All successful bidders will be required to furnish a Performance Bond and a Labor and Material Bond pursuant to Sections 136 and 137 of the State Finance Law, each for 100% of the amount of the Contract estimated to be between \$3,000,000 and \$4,000,000 for E.

Pursuant to State Finance Law §§ 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between OGS D&C and a bidder during the procurement process. A bidder is

restricted from making contacts from the earliest posting on the OGS website, in a newspaper of general circulation, or in the Contract Reporter, of written notice, advertisement or solicitation of offers, through final award and approval of the contract by OGS D&C and the Office of the State Comptroller (“Restricted Period”) to other than designated staff, unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). Designated staff are Kimberly Belden, Catherine Skaczkowski, Jessica Hoffman, and Pierre Alric in the Division of Contract Management, telephone (518) 474-0203, fax (518) 473-7862. OGS D&C employees are also required to obtain certain information when contacted during the restricted period and to make a determination of the responsibility of the bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period, the bidder is debarred from obtaining governmental Procurement Contracts. Bidders responding to this Advertisement must familiarize themselves with the State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the bid form. Further information about these requirements can be found within the project manual or at: <https://ogs.ny.gov/ACPL/>

Pursuant to Public Buildings Law § 8(6), effective January 11, 2020, for any projects where the project design commenced on or after January 1, 2020 and for any contracts over \$5,000 for the work of construction, reconstruction, alteration, repair, or improvement of any State building, a responsible and reliable NYS-certified Minority or Women-Owned Business Enterprise that submits a bid within ten percent of the lowest bid will be deemed the apparent low bidder provided that the bid is \$1,628,283 or less, adjusted annually for inflation as of March 1, 2024. If more than one responsible and reliable MWBE firm meets these requirements, the MWBE firm with the lowest bid will be deemed the apparent low bidder.

— Project commenced design before January 1, 2020. Not subject to provision.

XX Project commenced design on or after January 1, 2020. Subject to provision.

The substantial completion date for this project is 470 days after the Agreement is approved by the Comptroller.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 10:00 a.m. on November 8, 2024, at Valley Ridge CIT, 276 County Road 46, Norwich, NY. Prospective bidders are urged, but not mandated, to visit the site at this time. Prospective bidders or their representatives attending the pre-bid site visit will not be admitted on facility grounds without proper photo identification. Note that parking restrictions and security provisions will apply, and all vehicles will be subject to search. Refer to Document 002218 for any additional requirements for attendance at the pre-bid site visit.

Phone the office of Luanne Vaughn (607) 721-8716 a minimum of 48 hours in advance of the date to provide the names of those who will attend the pre-bid site visit. Only contractors that schedule a visit at least 48 hours in advance will be allowed to participate in the pre-bid site visit.

Pursuant to New York State Executive Law Article 15-A and the rules and regulations promulgated thereunder, OGS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of OGS contracts. All bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises (“MBE”) participation and 15% for Women-Owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs). The total contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under this Contract. Trades with 0% goals are encouraged to make “good faith efforts” to promote and assist in the participation of MWBEs on the Contract for the provision of services and materials.

Article 3 of the Veteran’s Services Law provides for more meaning-

ful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOBs”). Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles. OGS hereby establishes overall goals for SDVOBs’ participation under this contract as follows: 6% for the E trade contractor, based on the current availability of qualified SDVOBs. Trades with 0% goals are encouraged to make “good faith efforts” to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials.

The Office of General Services reserves the right to reject any or all bids.

NOTICE OF AVAILABILITY OF STATE AND FEDERAL FUNDS

Division of Homeland Security and Emergency Services

Division of Homeland Security and Emergency Services
1220 Washington Ave.
State Office Building Campus
Bldg. 7A, Suite 710
Albany, NY 12226

LOCAL AND TRIBAL GOVERNMENTS

Federal Emergency Management Agency (FEMA); Flood Mitigation Assistance (FMA) Swift Current

Flood Mitigation Assistance (FMA) Swift Current is a mitigation grant program funded by FEMA and administered by the New York State Division of Homeland Security and Emergency Services (DHSES). DHSES has the authority and responsibility for developing and maintaining the New York State Hazard Mitigation Plan, reviewing FMA Swift Current subapplications recommending technically feasible and cost-effective subapplications to FEMA and providing pass-thru funding for FEMA-approved and awarded project grants to eligible subapplicants.

The FY 2024 Swift Current program includes several eligible project types to mitigate NFIP-insured and FEMA-defined Repetitive Loss (RL), Severe Repetitive Loss (SRL) or Substantially Damaged (SD) properties. At this time, up to \$20 million has been made available to New York State for FY2024, including up to 15%, or \$3 million, for applicant and subapplicant management costs. Additional funding may be available depending on additional qualifying events meeting activation criteria. Subapplicants are encouraged to apply for funding to support all potentially eligible projects. NYS DHSES administers the program and will review subapplications in the order that they are received. DHSES will submit complete and feasible subapplications to FEMA up to the total amount of funding available. NYS will accept subapplications until close of business on February 3, 2025. See page 2 for more information.

Subapplication Period Opens:	October 29, 2024
SUBAPPLICATION SUBMISSION DEADLINE (through FEMA GO):	February 3, 2025

Eligible Subapplicants include:

*Individuals, businesses, and non-profit organizations are not eligible to apply for FMA Swift Current funds; however, an eligible Subapplicant may apply on behalf of individuals, businesses, and non-profit organizations.

- Local governments
- Tribal governments

Important eligibility criteria:

[] Eligible structures that are part of a subapplication must have an NFIP policy (including a Group Flood Insurance Policy [GFIP]) in effect prior to the opening of the application period and the policy must be maintained throughout the life of the structure.

[] Subapplicants must have a FEMA-approved Local Hazard Mitigation Plan at the time of FEMA's deadline of March 3, 2025 and at the time of obligation of grant funds.

[] Subapplicants must adhere to FEMA regulations (2 CFR Pt. 200) and all applicable Executive Orders, federal, state and local laws.

[] Subapplicants must provide complete responses in the Environmental and Historic Preservation (EHP) section.

[] Subapplicants must complete subapplication development in FEMA GO. Please contact DHSES if you have any questions about project eligibility or requirements after reviewing the Resources section at the end of this NOFO.

FEMA's website and Notice of Funding Activity (NOFO) contains important program details about eligibility, the application process, and availability of technical assistance. See also Swift Current | FEMA.gov.

Application Process for Subapplicants

Pre-application support from FEMA for subapplication development can be requested via DHSES. This includes: FEMA GO technical support, questions regarding Benefit-Cost Analysis (BCA) or cost estimates, Environmental and Historic Preservation (EHP) or details on requesting sensitive data for NFIP properties such as Routine Use Letters or Information Sharing Access Agreements (ISAAs). FEMA GO technical support is available M-F, 9AM-6PM at 1-877-585-3242.

All subapplications are submitted to FEMA through the FEMA GO system. For help, contact FEMAGO@fema.dhs.gov. The Resources section below includes additional links for information and guides. All subapplicants will need a Unique Identified Number (UEI) from SAM.gov to replace the previous DUNS number, prior to submitting a subapplication.

All supporting documentation must be provided at the time of application. All subapplications must be complete and received (submitted through FEMA GO) by February 3, 2025.

Eligible Project Types (Only NFIP-insured properties w/NFIP or FMA-defined RL/SRL, or post-declaration SD structures)

- Property Acquisition and Structure Demolition or Relocation
- Structure Elevations
- Dry floodproofing of non-residential or historic residential properties
- Non-structural retrofitting of existing structures and facilities
- Mitigation reconstruction
- Structural retrofitting of existing structures

Required Supporting Documentation

In addition to the subapplication itself (web-form version via FEMA GO), Acquisition project subapplications must also include the following materials to be considered a complete application:

- The value of each property and documentation demonstrating how the market value was determined, as well as an appeal process for disputed property valuations.
 - A statement of assurance, non-federal financial share commitment and ongoing federal activities consultation.
 - A sample of the deed restriction.
 - Property owner documentation including Voluntary participation, Releases, and owner status certification.
 - Benefit Cost Analysis per property (See section Benefit Cost Analysis section below).
 - Pictures of all sides of each property and the year of construction.
- FEMA grant programs are not intended as a source of funds for

repair, replacement-in-kind, or for activities required as a result of neglect or lack of maintenance.

Cost Share

A non-federal cost share is usually required for FMA Swift Current funding; however, FEMA will provide up to:

- 100% federal cost share for structures that are FMA defined Severe Repetitive Loss (SRL) (42 U.S.C. § 4104c(d)(1)(A) & (h)(3))
- 90% federal cost share for structures that are FMA defined Repetitive Loss (RL) (42 U.S.C. § § 4104c (d)(2) and 4121(a)(7))
- 90% federal cost share for NFIP-insured structures located within a census tract with a Center for Disease Control and Prevention (CDC) Social Vulnerability Index (SVI) score not less than 0.5001 and the activity is funded under the Bipartisan Infrastructure Law (BIL). FEMA will use the following three SVI themes to determine the SVI score; Socioeconomic Status, Household Characteristics and Housing Type and Transportation. See CDC/ATSDR SVI Overview for more information.
- Up to 75% cost share for NFIP-insured structures that do not meet SRL, RL or BIL cost share eligibility (42 U.S.C. 4104c (d)(3)).

Subapplicants may request up to 5% of total project costs for Management Costs as a line item in the subapplication and such costs have the same non-federal cost share as outlined above. Limited activities may be eligible for Pre-award Costs, otherwise no work should be conducted prior to approval.

A commitment letter for the non-federal cost share is required with all subapplications, when applicable. All subapplications must comply with the Build America, Buy America Act (BABAA). The authorizing legislative authority for the Swift Current program is under Section 1366 of the National Flood Insurance Act of 1968. For more information visit [Swift Current | FEMA.gov](https://www.fema.gov)

Period of Performance

The period of performance is the FEMA-approved length of time for project completion and is 36 months starting on the date that an award is made to the Subapplicant.

Benefit-Cost Analysis

All projects are required to be cost-effective, employing methodologies endorsed by FEMA. The Swift Current program's focus on structures often presents opportunities for simplified Benefit-Cost Analyses (BCA) due to the recurring or significant damage these properties experience. Project proposals may meet this requirement through:

Pre-Calculated Benefits Waiver on Substantially Damaged Structures in a riverine Special Flood Hazard Area (SFHA)

- All Substantially Damaged structures in the SFHA are automatically cost-effective, per FEMA 2024 HMA Program and Policy Guide (see Part 5, B.1.1).

Pre-Calculated Benefits Waiver by project type

- Acquisition of properties that are located in the SFHA, or that are Severe Repetitive Loss or Repetitive Loss, and whose total costs are less than \$775,411, are deemed cost-effective for pre-calculated benefits waivers.

- Elevation of SRL/RL properties in the SFHA with total costs less than \$355,522 are deemed cost effective.

- Mitigation Reconstruction projects with total costs less than \$355,522 are deemed cost effective.

- See FEMA's website for more details on utilizing pre-calculated benefits.

Completion of a BCA using FEMA's BCA Toolkit

- See FEMA's website on [How to Perform a Full BCA](#) for more details.

Department of State F-2024-0529

Date of Issuance – November 13, 2024

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program.

In F-2024-0529, Boathouse Marine, LLC is proposing to install approximately six (6) permanent boat slips by extending L-sections on both ends of the existing permanent docks of the commercial marina. The new dock sections will be supported with 6-inch steel piling with wooden decking and staving to match the existing docks and no concrete fill. The proposal is for the applicant's property located at 39718 Pier 65 in the Town of Clayton, Jefferson County on the St. Lawrence River.

The stated purpose of the proposed action is to provide additional rental boat slips in the commercial marina.

The applicant's consistency certification and supporting information are available for review at:

Original copies of public information and data submitted by the applicant are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

Any interested parties and/or agencies desiring to express their

views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice, or December 13, 2024.

Comments should be addressed to: Consistency Review Unit, Department of State, Office of Planning, Development and Community Infrastructure, One Commerce Plaza, 99 Washington Ave., Albany, NY 12231, (518) 474-6000; Fax (518) 473-2464. Electronic submissions can be made by email at: CR@dos.ny.gov

This notice is promulgated in accordance with Title 15, Code of Federal Regulations, Part 930.

PUBLIC NOTICE

Department of State
F-2024-0697

Date of Issuance – November 13, 2024

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program.

In F-2024-0697, Buffalo Niagara Waterkeeper, is proposing the enhancement of the existing informal kayak launch area with a formal launch to allow for efficient staging and hand launching; universal access to the park and waterfront access points; slope stabilization plantings and brush layering; and pedestrian circulation, resting and gathering enhancements. Location: Seneca Bluffs Natural Habitat Park, 1670 Seneca Street, City of Buffalo, Erie County, Buffalo River.

The stated purpose of the proposed action to improve public access and connectivity with the Buffalo River, enhanced shoreline habitats, and additional nature based, low-impact activity and educational opportunities within the Seneca Bluffs Natural Habitat Park.

The applicant's consistency certification and supporting information are available for review at:

EXECUTIVE ORDERS

Executive Order No. 37.3: Declaration of a Disaster Emergency in the State of New York

WHEREAS, on July 16, 2024, I issued Executive Order Number 37 declaring a State Disaster Emergency for all counties in the State of New York;

WHEREAS, the storm produced tornadic activity, damaging straight-line winds, heavy rainfall, and flash flooding, resulting in road closures, travel disruptions, widespread power outages, and damage to public and private property, which pose an ongoing threat to public health and safety for which affected local governments are unable to respond adequately;

NOW, THEREFORE, I, KATHY HOCHUL, Governor of the State of New York, by virtue of the authority vested in me by the Constitution of the State of New York and Section 28 of Article 2-B of the Executive Law, do hereby extend the State Disaster Emergency as set forth in Executive Order 37 and do hereby continue the terms, conditions, and suspensions contained in Executive Order 37, as continued in Executive Order 37.2, until November 10, 2024.

(L.S.)

GIVEN under my hand and the Privy Seal of the State in the City of Albany this 11th day of October in the year two thousand twenty-four
