RE: Application for Repair of Hazardous Monuments

DATE: June 24, 2025

APPLICATION DATE: May 15, 2025

Exhibits

A) Application for Repair or Removal of Dilapidated or Disrepair Monuments that Create a Hazardous Condition
B) Northeast Cemetery Services estimate for $129,150 (77 monuments)
C) Humphrey Memorials estimate for $133,737 (77 monuments)
D) Invoice and Legal Notice for lot owners in the Daily Sentinel for $133.17

Introduction and Recommendation

I received an application (Exhibit A) for the repair of 77 hazardous monuments located in the Holland Patent Cemetery of the Town of Trenton, Oneida County. The application was submitted by Thomas Furlong, President of the Holland Patent Cemetery Association. Included with this application was an estimate from Northeast Cemetery Services (Exhibit B) totaling $129,150 and an estimate from Humphrey Memorials (Exhibit C) for $133,737. Also included was an invoice for and copy of a legal notice to lot owners (Exhibit D) that was run for three consecutive weeks in The Daily Sentinel for $133.17. The ad included first and last names as well as lot numbers.

I recommend approval of this application.

The Monuments

I visited the cemetery on May 29, 2025, with Thomas Furlong, President of Holland Patent Cemetery, and found that Seventy-seven monuments were either loose on their foundations or tipping and appeared to pose a hazard to cemetery visitors and employees. The cemetery has had no response to either legal advertisement that it placed, and has no funds dedicated to the restoration of monuments. Mr. Furlong stated that he checked cemetery records and did not have contact information for the last known lot owners, based upon this information, it is the Division's understanding that the cemetery has determined that the lot owners cannot be located. Based on the advanced age of the monuments in question, it is assumed the foundations were laid privately by either the families or by monument contractors. The most recent monument is dated 1961.

Northeast Cemetery Services and Humphrey Memorials propose to remove the monuments from the existing foundations; dig out the existing foundations; place new foundations made of solid concrete poured to a depth

of forty-two inches with the dimensions being equivalent to the length and width of the monument; and replace the monument, resealing all joints with setting compound or epoxy. Both Northeast Cemetery Services and Humphrey Memorials offers a 10-year warranty.

Recommendation

The cemetery received a hazardous monument grant in 2023 for $34,994.26 to repair 26 monuments. These repairs have been made and the contractor was paid. The cemetery is current with its payments to the vandalism fund and with the filing of its annual reports. All documents are in order, I recommend that this application be approved in the amount of $129,283.17.

Has this cemetery previously applied for and received a grant from the Vandalism, Abandonment & Monument Repair Fund? ☒ YES* ☐ NO

*If **YES**, when? 2023 Amount Received: $ 34,994.26

Was proof of completed work forwarded to the Division of Cemeteries? ☒ YES ☐ NO

1. Provide a description of each damaged monument and/or marker and enclose referenced photos:

2. Attach copies of bids submitted by at least *two* contractors for the cost of repairs or removal and replacement.

3. Attach proof that the cemetery corporation has given not less than 60-day notice to the last known owner to repair or remove the monument or marker and that said owner has failed to do so within the time prescribed in that notice.

I, the undersigned, duly authorized, swear or affirm under the penalties of perjury that the above-named cemetery has not been able to obtain sufficient funds from the family of the deceased, that the proposed costs of the repairs or removals and replacements are fair and reasonable and that the above-described monuments and/or markers are so badly out of repair or dilapidated as to create a dangerous condition. I further swear or affirm that the information contained in this application is true and correct. I agree that, upon receipt of monies for the repair or removal of dilapidated or disrepaired monuments that create a dangerous condition, such repairs will be made as quickly as possible and documentation (receipts and statements) of the repairs and removals will be submitted to the Division of Cemeteries within 90 days following completion of work.

To whom it may concern:

The Holland Patent Cemetery would like to submit the enclosed application for Repair or Removal of Dilapidated or Disrepaired Monuments that Create a Dangerous Condition.

Enclosed are: 1. A description of the damaged monuments including photographs

2. Copies of the two bids received:
   a) Northeast Cemetery services for $129,150
   b) Humphrey Memorials, Inc. for $133,737

3. Proof of publication of the Legal Notice and invoice for $133.17

4. Notarized application.

We are requesting $129,283.17 which is the low bid of $129,150 from Northeast Cemetery Services and the cost of publication of the Legal Notice which was $133.17.

Thank you for your consideration.

Sincerely,

Thomas C. Furlong

Northeast Cemetery Services proposes the repair of 77 stones in Holland Patent Cemetery for a total of $129,150.00

Repair of the monuments described in the attached spreadsheet will be performed as follows:

- Monuments will be set aside.
- The original foundation and soil will be excavated to a depth of 42" below grade.
- The excavated material will be placed in the dump area on cemetery grounds.
- Concrete will be poured in the excavated hole to a few inches below grade.
- The base stone/tablet will be set in wet concrete.
- Topsoil and seed will be applied around the base to cover the concrete.
- The remaining pieces of the monument will be assembled with appropriate adhesive and all joints will be sealed with calk.
- Work to begin after %50 down payment

Please note: some excavated holes may be formed with wood at the discretion of the contractor. Base pieces deemed unrepairable will be discarded and the tablet/monument will be placed in/on a foundation the same dimensions as described in the spreadsheet.

While Northeast Cemetery Services agrees to use due care while handling these monuments, due the age and fragile condition of the pieces we will not be held liable for chips, breaks or cracks beyond a best effort repair.

The work mentioned above will resolve the current hazardous condition. The depth of the foundation and the joint sealing will resist frost movement for the foreseeable future.

A workmanship warranty of ten (10) years applies. Northeast cemetery services will repair failures. Only violations of this agreement apply. Further natural deterioration of the stone and other damages caused by outside forces including mowers, tree limbs and other such circumstances are not covered.

Thank you.

Edward McOwen.

Holland Patent Cemetery
Tom Furlong
Holland Patent, NY 13354

The attached bid sheet being submitted by Humphrey Memorials, Inc. will include the following work to be performed:

-Remove Memorials from existing foundation
-Disassemble Memorials if necessary
-Remove existing foundations
-New concrete foundations poured as stated dimensions-42" depth
-Reset Memorials on new foundations
-Reassemble and repair Memorials as needed
-Clean & Seal all joints of the Memorials
-Clean up of materials & repairing of affected grounds

The Memorials will be sealed with a Thirty(30) year silicone caulk. If any monument needs structural repairs, we will use a two part epoxy and/or mortar to make those repairs. New foundations and repairs completed will have a warranty of Ten(10) years. If any foundation or monument repair fails within those Ten(10) years, Humphrey Memorials, Inc. will make repairs or replace at no cost to the cemetery. If you have any further questions, please contact us at anytime.

Thank you,
CJ Karker
