July – December 2026 In-Service Training Schedule

Twelve hours of approved In-Service training is available via live webinars:

Topic 1:	2 hour
Topic 2:	8 hours
Topic 3:	2 hour
Total:	**12 hours**

Webinar Registration and Attendance Requirements

Those who wish to participate in these training sessions must register for the specific offering that they wish to attend. The class size for these offerings is limited to 2,000 attendees.

When registering for a webinar, you must:

1. Register for the webinar using your **code enforcement training ID** and the email address that is associated with your SLMS account.
2. If the computer/tablet that you are using to register automatically fills in form fields (names, addresses, phone numbers, etc.), you must ensure that this information is correct prior to clicking "Submit".

When attending a webinar, you must:

1. Login to the webinar using a computer, tablet, or mobile device.
2. Login using the same email address that you used to register for the webinar.
3. Use the registration ID that was emailed to you by WebEx when your registration was confirmed.
4. Login no later than 15 minutes after the scheduled start time of the webinar.
5. Log out no earlier than:
    a. The scheduled end time if the webinar ends late, **or**
    b. The actual end time if the webinar ends early.

You can connect to the audio portion of a webinar by calling in from a phone. This may be necessary if you cannot use your computer for audio. You will then receive the audio portion of the webinar through your phone and the visual portion through your computer. You will not receive credit for attending a webinar if you call-in only.

Please allow at least three weeks for webinar training records to be available in your SLMS training history.
