Be a part of the rule making process!

Public comment on proposed rules is encouraged and may be submitted to the agency that is proposing the rule. Address your comments to the agency representative whose name and address is printed in the rule making notice. No special form is required; a handwritten letter will do. Individuals who access the online *Register* (dos.ny.gov/state-register) may send public comment via electronic mail to e-mail addresses that may be provided in Notices of Proposed Rule Making. This includes Proposed, Emergency/Proposed, Revised Proposed and Emergency/Revised Proposed rule makings.

To be considered, comments should reach the agency before expiration of the public comment period. The State Administrative Procedure Act provides for a minimum 60-day public comment period after publication in the *Register* for Notices of Proposed Rule Making, and a 45-day public comment period for Notices of Revised Rule Making. If a public hearing is required by statute, public comments are accepted for at least five days after the last such hearing. Agencies are also required to specify in each notice the last date of the public comment period.

When a public comment period would end on a Saturday or Sunday, the agency accepts public comment through the following Monday; when the comment period ends on a public holiday, public comment will be accepted through the next succeeding business day. Agencies cannot adopt a proposed rule until the day after the conclusion of the public comment period.

The Administrative Regulations Review Commission (ARRC) reviews newly proposed regulations to examine issues of compliance with legislative intent, impact on the economy, and impact on affected parties. In addition to sending comments or recommendations to the agency, please do not hesitate to transmit your views to ARRC:

RULE MAKING ACTIVITIES

Each rule making is identified by an I.D. No., which consists of 13 characters. For example, the I.D. No. AAM-01-96-00001-E indicates the following:

AAM	-the abbreviation to identify the adopting agency
01	-the *State Register* issue number
96	-the year
00001	-the Department of State number, assigned upon receipt of notice.
E	-Emergency Rule Making—permanent action not intended (This character could also be: A for Adoption; P for Proposed Rule Making; RP for Revised Rule Making; EP for a combined Emergency and Proposed Rule Making; EA for an Emergency Rule Making that is permanent and does not expire 90 days after filing.)

Italics contained in text denote new material. Brackets indicate material to be deleted.

Filing No. 860
Filing Date: 2026-09-09
Effective Date: 2026-09-30

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Amendment of section 430.12 of Title 18 NYCRR.

Statutory authority: Social Services Law, sections 20(3)(d), 34(3)(f) and 398(6)

Subject: Diligence of efforts requirements and permanency planning for youth in foster care.

Purpose: To provide greater clarity and specificity for permanency planning requirements for youth in foster care.

Text or summary was published in the November 19, 2025 issue of the Register, I.D. No. CFS-46-25-00014-P.

Final rule as compared with last published rule: No changes.

Text of rule and any required statements and analyses may be obtained from: Nicholas Martin, Office of Children and Family Services, 52 Washington Street, Rensselaer, New York 12144, (518) 474-8310, email: regcomments@ocfs.ny.gov

Initial Review of Rule

As a rule that does not require a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2031, which is no later than the 5th year after the year in which this rule is being adopted

Assessment of Public Comment

This rule significantly reorganizes and amends the regulatory provisions to provide clarity and improved standards for the diligent efforts required for permanency planning for youth in foster care.

The New York State Office of Children and Family Services (OCFS) received one (1) public comment in response to the proposed amendments during the public comment period. The comment was reviewed and considered by OCFS. No changes were made to the proposed regulations in response to this comment.

The commenter identified three (3) key recommendations for changes to the proposed regulations including seeking that OCFS:

(1) clarify definitions and terminology related to APPLA to eliminate confusion and ensure consistent application;

(2) strengthen discharge planning and discharge standards by requiring identification of a specific, stable residence prior to discharge and prohibiting discharge to all shelters or congregate settings; and

(3) preserve and strengthen independent living stipends by maintaining set rates, providing Cost of Living Adjustments (COLAs), extending eligibility to all youth receiving independent living skills instruction, and establishing clear, fair rules for suspension.

The Commenter additionally made recommendations that focus on expanding and clarifying visitation requirements (including virtual visitation) and providing greater transparency and notice for youth in the pre- and post- discharge periods. Additionally, regarding the ask that the regulations include an explicit prohibition on discharge when a youth is not meeting educational or vocational requirements, such a requirement is already set forth in clear terms at 430.12(f)(3)(i)(e), which provides "Youth may not be discharged to APPLA solely on the basis of not meeting the educational or vocational standards described in clauses (a) and (b) of this subparagraph…"

Regarding the first key recommendation, OCFS agrees that there is a need for clarification of definitions and terminology related to APPLA. Such clarifications are not appropriate for inclusion in this regulatory package but will be developed as part of policy issuance.

Regarding the second key recommendation, OCFS agrees that stable housing is important and has addressed this critical issue in this regulatory package. The regulations expressly state at 430.12(f)(3)(i)(e), "Under no circumstances may a youth be discharged without a plan for stable housing as identified in paragraph (4) of this subdivision." Paragraph (4) goes on to state that discharge may only occur when there is a reasonable expectation that housing will remain available for 12 months unless one of the exceptions apply. The commenter specifically takes issue with the inclusion of Transitional Independent Living Programs (TILPs) as an exception to the twelve-month minimum requirement. Unlike foster care, TILPs may serve youth up to age 24, for up to 24 months. Some youth may require additional services and supports to maintain stable housing for a period of time after they turn 21 and are required to leave foster care. Including TILPs is necessary to allow the youth flexibility and to provide developmentally appropriate supports as they transition from foster care.

Regarding the third key recommendation, OCFS will clarify expectations in policy around notice for youth in the pre-and post- discharge periods, including duration of a relationship with a permanency resource prior to discharge, notice to youth who have voluntarily left their foster care placement and have been absent for 60 days prior to their anticipated discharge date, supervision to 21 in accordance with 430.12(f)(5)(ii), discharge from care at age 21, and the youth's ability to provide a copy of their Transition Plan to their attorney. Additionally, regarding the comment around vital documents, this requirement is fully addressed in both the updated Transition Plan and the policy guidance released with that update, 24-OCFS-ADM-01-R1 titled "Revised New York State Transition Plan Form to Help Youth Plan for a Successful Discharge," as well as in regulation at 430.12(l).

Regarding the additional recommendations around visitation requirements, the ability to use virtual visitation, when appropriate, is already permitted. Additionally, to the extent that this comment seeks guidance on

virtual casework contacts with the youth in foster care, a regulatory package is in progress to address the ability to conduct casework contacts virtually in specific circumstances, as permitted by the Federal Government. Finally, regarding commenter's recommendations around defining "impossibility" in this section with regard to biweekly visitation requirements, OCFS acknowledges the importance of continuity in a child's environment and maintaining family connections. Of note, regulations at 430.11 require documentation in the case record as to the possibility or impossibility of biweekly visits and the issues commenter highlights around lack of due diligence have not borne out in practice observed during OCFS's oversight and monitoring. However, given the importance of maintaining family connections, OCFS will continue to conduct oversight and monitoring in this regard and counsel for the child(ren) are encouraged to raise lack of due diligence to the Courts as well.

Regarding the additional recommendations around stipends, please note that stipends are still included in the regulation at 430.12(f)(3)(i)(f), which provides, in relevant part, "Districts must ensure that a monthly stipend is provided to each youth aged 16 or older who has or is deemed to have the goal of APPLA." The change to this section was the removal of the outdated schedule of stipends which fixed the stipend amount at $20 to $40 per month, depending on the youth's age. It was replaced by language requiring that a stipend be paid and stipend information be confirmed in the Family Assessment Service Plan (FASP) or require that the FASP state the reasons that the stipend is suspended. This change is to allow for flexibility at the local level to consider the individual circumstances of the child and provide stipends appropriate to their needs. OCFS acknowledges the need for additional guidance for the field on this topic and will provide such through policy or other agency issuance.

Regarding the additional recommendations around compliance with Safe Landings legislation, OCFS published an Informational Letter, 25-OCFS-INF-10, titled "Amendment to the Safe Landings Act for Youth Leaving Foster Care" on September 23, 2025. That INF informed LDSSs and VAs of the enactment of the Safe Landings Act and the changes to relevant law.

Neighborhood Preservation Crime Prevention Act Guidelines

I.D. No. CJS-39-26-00001-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: This is a consensus rule making to repeal Part 6160 of Title 9 NYCRR.

Statutory authority: EXPRESS NY Initiative (Expediting Processes and Regulations to Enable Streamlined Services) - New York State effort to identity and reform or eliminate outdated and excessive regulations; Executive Law, section 837(14) - Division of Criminal Justice Services (DCJS) authority to "[d]o all other things necessary or convenient to carry out the functions, powers and duties [of DCJS]"

Subject: Neighborhood Preservation Crime Prevention Act Guidelines.

Purpose: Repeal unnecessary regulations relating to funding programs under the 1983 Neighborhood Preservation Crime Prevention Act.

Text of proposed rule: Repeal of Part 6160 of Title 9 of the New York Codes, Rules and Regulations.

Text of proposed rule and any required statements and analyses may be obtained from: Natasha Harvin, Esq. , Division of Criminal Justice Services, 80 South Swan Street, Albany, New York 12210, (518) 457-8413, email: dcjslegalrulemaking@dcjs.ny.gov

Data, views or arguments may be submitted to: Same as above.

Public comment will be received until: 60 days after publication of this notice.

Consensus Rule Making Determination

This proposal merely repeals outdated and excessive regulations as set forth in Part 6160 of Title 9 NYCRR. The regulations relate to guidelines for funding crime prevention programs under the 1983 Neighborhood Preservation Crime Prevention Act (Executive Law §§ 846-A through 846-G). There is no current funding appropriated for use under the foregoing statutes, nor has there been since at least 2009. The Division of Criminal Justice Services (DCJS) continues to support neighborhoods and crime prevention efforts through other appropriations. Specific programs include Gun Involved Violence Elimination (GIVE), SNUG (guns spelled backwards), and Respond, Invest, Sustain, Empower (RISE), whose funding allocations are based on clearly articulated factors, including crime statistics, community input, and other evidence-based factors.

Given the ministerial nature and purpose of the proposal, DCJS has determined that no person is likely to object to the repeal of the rule.

Job Impact Statement

This proposal merely repeals outdated and excessive regulations as set forth in Part 6160 of Title 9 NYCRR. The regulations relate to guidelines for funding crime prevention programs under the 1983 Neighborhood Preservation Crime Prevention Act (Executive Law §§ 846-A through 846-G). There is no current funding appropriated for use under the foregoing statutes, nor has there been since at least 2009. Specific programs include Gun Involved Violence Elimination (GIVE), SNUG (guns spelled backwards), and Respond, Invest, Sustain, Empower (RISE), whose funding allocations are based on clearly articulated factors, including crime statistics, community input, and other evidence-based factors.

As such, it is apparent from the nature and purpose of the proposal that it will have no impact on jobs and employment opportunities.

Supplementary Certificate and Supplementary Bilingual Education Extension Requirements

I.D. No. EDU-26-26-00007-E
Filing No. 861
Filing Date: 2026-09-14
Effective Date: 2026-09-14

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Amendment of sections 80-2.9, 80-4.3 and 80-5.18 of Title 8 NYCRR.

Statutory authority: Education Law, sections 101, 207, 208, 305, 308, 3001, 3004 and 3009

Finding of necessity for emergency rule: Preservation of general welfare.

Specific reasons underlying the finding of necessity: The Board of Regents permanently adopted regulatory amendments at its January 2024, November 2024, and October 2025 meetings to the Supplementary certificate requirements in order to provide flexibility for certified teachers who apply for the Supplementary English to Speakers of Other Languages (ESOL) certificate, and for teachers who hold a valid Initial, Professional, or Permanent ESOL certificate and apply for a Supplementary certificate in another area through August 31, 2026. This flexibility allows candidates to complete either the examination requirement or the enrollment and education requirements. At these same meetings, the Board of Regents also permanently adopted regulatory amendments to the Supplementary Bilingual Education extension requirements in order to create flexibility for certified teachers and certified pupil personnel services providers who apply for such extension through August 31, 2026.

The Department now proposes to extend these flexibilities for one additional year, through August 31, 2027, in order to ensure that educators can continue to expeditiously obtain this certificate and extension to address the influx of ELLs in schools.

The proposed amendment was presented to the Higher Education Committee for recommendation to the Full Board for adoption as an emergency rule at the June 2026 meeting of the Board of Regents, effective June 16, 2026. Since the Board of Regents meets at fixed intervals, the earliest the proposed amendment could be adopted by regular (nonemergency) action after expiration of the 60-day public comment period provided for in the State Administrative Procedure Act (SAPA) sections 201(1) and (5) would be the October 2026 Regents meeting. Furthermore, pursuant to SAPA 203(1), the earlier effective date of the proposed rule, if adopted at the October 2026 meeting, would be October 21, 2026, the date the Notice of Adoption would be published in the State Register.

However, the emergency rule will expire on September 13, 2026. Therefore, a second emergency action is necessary at the July 2026 meeting, effective September 14, 2026 for the preservation of the general welfare to continue allowing flexibilities for the Supplementary certificate and Supplementary Bilingual Education extension requirements in order to address staffing challenges due to the influx of recently arrived and asylum-seeking students and to ensure that the emergency action taken at the June 2026 meeting remains continuously in effect until the rule can be permanently adopted.

It is anticipated that the proposed rule will be presented to the Board of Regents for adoption as a permanent rule at its October 2026 meeting, which is the first scheduled meeting after expiration of the 60-day public comment period mandated by SAPA for State agency rulemaking.

Subject: Supplementary Certificate and Supplementary Bilingual Education Extension Requirements.

Purpose: Provide flexibility for Supplementary Certificate/Supplementary Bilingual Education Extension reqs. due to influx of students

Text of emergency rule: 1. Subparagraph (iv) of paragraph (5) of subdivision (a) of section 80-2.9 of the Regulations of the Commissioner of Education is amended to read as follows:

(vi) For candidates who apply for a supplementary bilingual education extension in the pupil personnel service between September 12, 2023, and August 31, [2026] *2027*, in order to provide necessary supports to recently arrived and asylum-seeking students, the candidate may submit evidence of having achieved a satisfactory level of performance on the bilingual education assessment, if available, in lieu of matriculating in a registered program leading to a bilingual education extension and completing coursework as prescribed in clauses (c) and (d) of this subparagraph (iii) of this section.

2. Subparagraph (iv) of paragraph (4) of subdivision (a) of section 80-4.3 of the Regulations of the Commissioner of Education is amended to read as follows:

(iv) For candidates who apply for a supplementary bilingual education extension in the classroom teaching service and in the school counselor title between September 12, 2023, and August 31, [2026] *2027*, in order to provide necessary supports to recently arrived and asylum-seeking students, the candidate may submit evidence of having achieved a satisfactory level of performance on the bilingual education assessment, if available, in lieu of matriculating in a registered program leading to a bilingual education extension and completing coursework as prescribed in clauses (c) and (d) of subparagraph (iii) of this section.

3. Paragraph 7 of section 80-5.18 of the Regulations of the Commissioner of Education is amended to read as follows:

(7) For candidates who apply for a supplementary certificate in English to speakers of other languages title, or who hold a valid certificate in English to speakers of other languages title and apply for a supplementary certificate in another area, between September 12, 2023, and August 31, [2026] *2027*, in order to provide necessary supports to recently arrived and asylum-seeking students, the candidate shall either:

This notice is intended to serve only as a notice of emergency adoption. This agency intends to adopt the provisions of this emergency rule as a permanent rule, having previously submitted to the Department of State a notice of proposed rule making, I.D. No. EDU-26-26-00007-EP, Issue of July 1, 2026. The emergency rule will expire November 12, 2026.

Text of rule and any required statements and analyses may be obtained from: Joshua Dingman, Education Department, Office of Counsel, 89 Washington Avenue, Albany, NY 12234, (518) 474-6400, email: legal@nysed.gov

Regulatory Impact Statement

1. STATUTORY AUTHORITY:

Education Law § 101 (not subdivided) charges the Department with the general management and supervision of all public schools and all of the educational work of the state.

Education Law § 207 grants general rule-making authority to the Regents to carry into effect State educational laws and policies.

Education Law § 208 grants general rule-making authority to the Regents to confer suitable certificates, diplomas and degrees on persons who satisfactorily meet the requirements prescribed.

Education Law § 305 authorizes the Commissioner to enforce the educational policies of this State and execute all educational policies determined by the Regents and shall prescribe the licensing of teachers employed in this State.

Education Law § 308 authorizes the Commissioner to enforce any rule or direction of the Regents pertaining to the school system or any part thereof.

Education Law § 3001 establishes the qualifications of teachers in the classroom.

Education Law § 3004 authorizes the Commissioner to promulgate regulations governing the certification requirements for teachers employed in public schools.

Education Law § 3009 prohibits school districts from paying the salary of an unqualified teacher.

2. LEGISLATIVE OBJECTIVES:

The proposed amendment is consistent with the above statutory authority and is necessary to extend the flexibility for the Supplementary Certificate and the Supplementary Bilingual Education extension requirements to continue to address staffing challenges due to the influx of recently arrived and asylum-seeking students.

3. NEEDS AND BENEFITS:

In response to the potential shortage of educators needed to support the influx of ELLs in schools, the Board of Regents adopted amendments to the Supplementary certificate requirements to provide flexibility for certified teachers who apply for the Supplementary English to Speakers of Other Languages (ESOL) certificate, and for teachers who hold a valid Initial, Professional, or Permanent ESOL certificate and apply for a Supplementary certificate in another area through August 31, 2026. This flexibility allows candidates to complete either the examination requirement or the enrollment and education requirements. The Department proposes to extend this flexibility through August 31, 2027.

The Board of Regents also amended the Supplementary Bilingual Education extension requirements to create flexibility for certified teachers and certified pupil personnel services professionals who apply for such extension through August 31, 2026. This flexibility allows candidates to pass the Bilingual Education Assessment (BEA), if available, in lieu of matriculating in a registered program leading to a Bilingual Education extension and completing coursework. The Department similarly proposes to extend this flexibility through August 31, 2027. Additionally, the amendment permits a single renewal of the Supplementary Bilingual Education extension if a candidate obtains their first extension through this flexibility. This is designed to accommodate candidates who may decide to matriculate in a registered Bilingual Education extension program at a later date.

By allowing candidates to demonstrate that they have the knowledge and skills to provide the necessary supports to recently arrived and asylum-seeking students by passing a test instead of completing coursework, this flexibility provides a quicker pathway to obtaining the Supplementary certificate and/or Supplementary Bilingual Education extension. This pathway is also less costly than completing coursework, which can ease the financial barrier for candidates.

4. COSTS:

a. Costs to State government: The proposed amendment does not impose any costs on State government.

b. Costs to local government: The proposed amendment does not impose any costs on local government.

c. Costs to private regulated parties: The proposed amendment does not impose any costs on private regulated parties.

d. Costs to regulating agency: The proposed amendment does not impose any costs on the State Education Department for implementation and continued administration.

5. LOCAL GOVERNMENT MANDATES:

The proposed amendment merely extends the flexibility provided for the requirements to obtaining the Supplementary Certificate and the Supplementary Bilingual Education extension to continue to address the increase in enrollment of students who are speakers of languages other than English. Therefore, the proposed amendment does not impose any additional program, service, duty or responsibility upon any local government.

6. PAPERWORK:

The proposed amendment does not impose any additional paperwork requirements.

7. DUPLICATION:

The proposed amendment does not duplicate existing State or Federal requirements.

8. ALTERNATIVES:

The proposed amendment is necessary to extend the flexibility provided for the requirements to obtain the Supplementary Certificate and the Supplementary Bilingual Education extension to continue to address the increase in enrollment of students who are speakers of languages other than English. No significant alternatives were considered.

9. FEDERAL STANDARDS:

Since there are no applicable federal standards, the proposed rule does not exceed any minimum federal standards for the same or similar subject areas.

10. COMPLIANCE SCHEDULE:

It is anticipated that the proposed amendment will be presented for permanent adoption at the October 2026 Regents meeting, after publication of the proposed amendment in the State Register and expiration of the 60-day public comment period required under the State Administrative Proce-

dure Act. Because the emergency action will expire before the October 2026 Regents meeting, it is anticipated that an additional emergency action will be presented for adoption at the July 2026 meeting. If adopted at the October 2026 meeting, the proposed amendment will become effective as a permanent rule on October 21, 2026.

Regulatory Flexibility Analysis

The purpose of the proposed rule is to extend the flexibility provided for the requirements to obtain the Supplementary Certificate and the Supplementary Bilingual Education extension to continue to address the increase in enrollment of students who are speakers of languages other than English.

The proposed rule will not have any adverse economic impact, nor impose any reporting, recordkeeping or other compliance requirements on small businesses or local governments. Because it is evident from the nature of the proposed amendment that it does not adversely affect small businesses or local governments, no further measures were needed to ascertain that fact and none were taken. Accordingly, a regulatory no regulatory flexibility analysis is not required pursuant to section 202-b(3)(a) of the State Administrative Procedure Act, and one has not been prepared.

Rural Area Flexibility Analysis

The purpose of the proposed rule is to extend the flexibility provided for the requirements to obtain the Supplementary Certificate and the Supplementary Bilingual Education extension to continue to address the increase in enrollment of students who are speakers of languages other than English.

The proposed rule will not have any adverse impact, nor imposed any reporting, recordkeeping or other compliance requirements on public or private entities in rural areas. Because it is evident from the nature of the proposed amendment that it does not adversely impact entities located in rural areas, no further measures were needed to ascertain that fact and none were taken. Accordingly, a rural area flexibility analysis is not required pursuant to section 202-bb(4)(a) of the State Administrative Procedure Act, and one has not been prepared.

Job Impact Statement

The purpose of the proposed rule is to extend the flexibility provided for the requirements to obtain the Supplementary Certificate and the Supplementary Bilingual Education extension to continue to address the increase in enrollment of students who are speakers of languages other than English.

Because it is evident from the nature of the proposed amendment that it will have no impact on jobs or employment opportunities attributable to its adoption or only a positive impact, no affirmative steps were needed to ascertain these facts and none were taken. Accordingly, a job impact statement is not required pursuant to section 201-a(2)(a) of the State Administrative Procedure Act, and one has not been prepared.

Assessment of Public Comment

EMERGENCY/PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Extending Flexibility for Incidental Teaching

I.D. No. EDU-39-26-00030-EP

Filing No. 864

Filing Date: 2026-09-15

Effective Date: 2026-09-15

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Proposed Action: Amendment of section 80-5.3 of Title 8 NYCRR.

Statutory authority: Education Law, sections 101, 207, 208, 305, 308, 3001, 3004 and 3009

Finding of necessity for emergency rule: Preservation of general welfare.

Specific reasons underlying the finding of necessity: At its December 2020 meeting, the Board of Regents permanently adopted regulatory amendments to increase the amount of incidental teaching permitted in schools from up to five classroom hours a week to up to 10 classroom hours a week during the 2020-2021 school year in response to the COVID-19 pandemic. Through incidental teaching, certified teachers can teach a subject not covered by their certificate when no certified or qualified teachers are available after extensive and documented recruitment.

The Board of Regents permanently adopted regulatory amendments at its October 2021, September 2022, September 2023, November 2024, and November 2025 meetings to extend the flexibility for incidental teaching from the 2021-2022 through the 2025-2026 school years, respectively, to give districts another way to address staffing challenges. The Department now proposes to extend the flexibility for incidental teaching again through the 2026-2027 school year. This proposal enables school districts to address their continuing staffing challenges by providing them with flexibility in making teaching assignments.

Since the Board of Regents meets at fixed intervals, the earliest the proposed amendment could be adopted by regular (non-emergency) action after expiration of the 60-day public comment period provided for in the State Administrative Procedure Act (SAPA) sections 201(1) and (5) would be the January 2027 Regents meeting. Furthermore, pursuant to SAPA 203(1), the earliest effective date of the proposed rule, if adopted at the January meeting, would be January 27, 2027, the date the Notice of Adoption would be published in the State Register. Therefore, emergency action is necessary at the September 2026 meeting for the preservation of the general welfare to continue allowing certified teachers to teach up to 10 classroom hours a week in a subject area not covered by their certificate for the 2026-2027 school year to address teacher shortages. It is anticipated that the proposed rule will be presented to the Board of Regents for adoption as a permanent rule at its January 2027 meeting, which is the first scheduled meeting after expiration of the 60-day public comment period mandated by SAPA for State agency rulemaking. However, since the emergency action will expire before the January 2027 meeting, it is anticipated that an additional emergency action will be presented for adoption at the November 2026 Regents meeting.

Subject: Extending Flexibility for Incidental Teaching.

Purpose: Enable school districts to address ongoing staffing challenges by providing them with flexibility in making teaching assignments.

Text of emergency/proposed rule: The opening paragraph of section 80-5.3 of the Regulations of the Commissioner of Education shall be amended to read as follows:

A superintendent of schools may assign a teacher to teach a subject not covered by such a teacher's certificate or license for a period not to exceed 5 classroom hours a week, and during the 2020-2021 through the [2025-2026] *2026-2027* school years for a period not to exceed 10 classroom hours a week, when no certified or qualified teacher is available after extensive and documented recruitment, and provided that approval of the commissioner is obtained in accordance with the following requirements:

This notice is intended: to serve as both a notice of emergency adoption and a notice of proposed rule making. The emergency rule will expire December 13, 2026.

Text of rule and any required statements and analyses may be obtained from: Joshua Dingman, Education Department, Office of Counsel, 89 Washington Avenue, Room 112EB, Albany, NY 12234, (518) 474-6400, email: legal@nysed.gov

Data, views or arguments may be submitted to: William P. Murphy, Deputy Commissioner, Education Department, Office of Higher Education, 89 Washington Avenue, Room 975 EBA, Albany, NY 12234, (518) 473-3781, email: OHERegcomments@nysed.gov

Public comment will be received until: 60 days after publication of this notice.

This rule was not under consideration at the time this agency submitted its Regulatory Agenda for publication in the Register.

Regulatory Impact Statement

1. STATUTORY AUTHORITY:

Education Law 101 (not subdivided) charges the Department with the general management and supervision of all public schools and all of the educational work of the state.

Education Law 207 grants general rule-making authority to the Regents to carry into effect State educational laws and policies.

Education Law 208 grants general rule-making authority to the Regents to confer suitable certificates, diplomas and degrees on persons who satisfactorily meet the requirements prescribed.

Education Law 305 authorizes the Commissioner to enforce the educational policies of this State and execute all educational policies determined by the Regents and shall prescribe the licensing of teachers employed in this State.

Education Law 308 authorizes the Commissioner to enforce any rule or direction of the Regents pertaining to the school system or any part thereof.

Education Law 3001 establishes the qualifications of teachers in the classroom.

Education Law 3004 authorizes the Commissioner to promulgate regulations governing the certification requirements for teachers employed in public schools.

Education Law 3009 prohibits school districts from paying the salary of an unqualified teacher.

2. LEGISLATIVE OBJECTIVES:

The proposed amendment is consistent with the above statutory authority and is necessary to extend the flexibility for incidental teaching through the 2026-2027 school year that enables school districts to address ongoing staffing challenges by providing them with flexibility in making teaching assignments.

3. NEEDS AND BENEFITS:

At its December 2020, October 2021, September 2022, September 2023, November 2024, and November 2025 meetings, the Board of Regents permanently adopted regulatory amendments to increase the amount of incidental teaching permitted in schools from up to five classroom hours a week to up to 10 classroom hours a week during the 2020-2021, 2021-2022, 2022-2023, 2023-2024, 2024-2025, and 2025-26 school years, respectively. This amendment helped school districts address staffing challenges related to and exacerbated by the COVID-19 pandemic. Through incidental teaching, certified teachers can teach a subject not covered by their certificate when the school district determines that no certified or qualified teachers are available. The school district must engage in extensive and documented recruitment efforts prior to making such a determination.

The Department now proposes to extend the flexibility for incidental teaching again through the 2026-2027 school year. This proposal will enable school districts to address ongoing staffing challenges by providing them with flexibility in making teaching assignments.

4. COSTS:

a. Costs to State government: The amendment does not impose any costs on State government, including the State Education Department.

b. Costs to local government: The amendment does not impose any costs on local government.

c. Costs to private regulated parties: The amendment does not impose any costs on private regulated parties.

d. Costs to regulating agency for implementation and continued administration: See above.

5. LOCAL GOVERNMENT MANDATES:

The proposed amendment does not impose any additional program, service, duty, or responsibility upon any local government.

6. PAPERWORK:

The proposed amendment does not impose any additional paperwork requirements.

7. DUPLICATION:

The proposed amendment does not duplicate existing State or Federal requirements.

8. ALTERNATIVES:

The proposed amendment is necessary to extend the flexibility for incidental teaching through the 2026-2027 school year that enables school districts to address ongoing staffing challenges by providing them with flexibility in making teaching assignments. Therefore, no alternatives were considered.

9. FEDERAL STANDARDS:

There are no applicable Federal standards.

10. COMPLIANCE SCHEDULE:

It is anticipated that the proposed rule will be presented to the Board of Regents for permanent adoption at its January 2027 meeting, which is the first scheduled meeting after expiration of the 60-day public comment period mandated by SAPA for State agency rulemaking. However, since the emergency action will expire before the January 2027 Regents meeting, it is anticipated that an additional emergency action will be presented for adoption at the November 2026 Regents meeting. If adopted at the January 2027 meeting, the proposed amendment will become effective as a permanent rule on January 27, 2027. Since the proposed amendment merely extends flexibility for incidental teaching through the 2026-2027 school year, the proposed amendment does not impose any compliance schedules on regulated parties.

Regulatory Flexibility Analysis

(a) Small businesses:

The purpose of the proposed rule is to extend the flexibility for incidental teaching through the 2026-2027 school year that enables school districts to address ongoing staffing challenges by providing them with flexibility in making teaching assignments.

The proposed rule does not have any adverse economic impact or impose any reporting, record keeping or any other compliance requirements on small businesses. Because it is evident from the nature of the proposed amendment that it does not affect small businesses, no further measures were needed to ascertain that fact, and none were taken. Accordingly, a regulatory flexibility analysis for small businesses is not required pursuant to section 202-b(3)(a) of the State Administrative Procedure Act, and one has not been prepared.

(b) Local governments:

1. EFFECT OF RULE:

The proposed amendment applies to all 731 public school districts in the state.

2. COMPLIANCE REQUIREMENTS:

At its December 2020, October 2021, September 2022, September 2023, November 2024, and November 2025 meetings, the Board of Regents permanently adopted regulatory amendments to increase the amount of incidental teaching permitted in schools from up to five classroom hours a week to up to 10 classroom hours a week during the 2020-2021, 2021-2022, 2022-2023, 2023-2024, 2024-2025, and 2025-26 school years, respectively. This amendment helped school districts address staffing challenges related to and exacerbated by the COVID-19 pandemic. Through incidental teaching, certified teachers can teach a subject not covered by their certificate when the school district determines that no certified or qualified teachers are available. The school district must engage in extensive and documented recruitment efforts prior to making such a determination.

The Department now proposes to extend the flexibility for incidental teaching again through the 2026-2027 school year. This proposal will enable school districts to address ongoing staffing challenges by providing them with flexibility in making teaching assignments.

Therefore, the proposed rule does not impose any additional compliance requirements on local governments.

3. PROFESSIONAL SERVICES:

The proposed rule does not impose any additional professional services requirements on local governments.

4. COMPLIANCE COSTS:

The proposed amendment does not impose any costs on regulated parties.

5. ECONOMIC AND TECHNOLOGICAL FEASIBILITY:

The proposed amendment does not impose any new technological requirements on school districts or charter schools. Economic feasibility is addressed in the Costs section above.

6. MINIMIZING ADVERSE IMPACT:

The proposed rule merely extends the flexibility for incidental teaching again through the 2026-2027 school year. This proposal enables school districts to address ongoing staffing challenges by providing them with flexibility in making teaching assignments. Therefore, the proposed rule will not have any adverse economic impact on regulated parties. No alternatives were considered.

7. LOCAL GOVERNMENT PARTICIPATION:

Copies of the proposed amendment have been provided to school districts through the offices of the district superintendents of each supervisory district in the State and to the chief school officers of the five big city school districts.

Rural Area Flexibility Analysis

The purpose of the proposed rule is to extend the flexibility for incidental teaching through the 2026-2027 school year that enables school districts to address ongoing staffing challenges by providing them with flexibility in making teaching assignments.

The proposed rule will not have any adverse impact, nor impose any reporting, recordkeeping, or other compliance requirements on public or private entities in rural areas. Because it is evident from the nature of the proposed amendment that it does not adversely impact entities located in rural areas, no further measures were needed to ascertain that fact, and none were taken. Accordingly, a rural area flexibility analysis is not required pursuant to section 202-bb(4)(a) of the State Administrative Procedure Act, and one has not been prepared.

Job Impact Statement

The purpose of the proposed rule is to extend the flexibility for incidental teaching through the 2026-2027 school year that enables school districts to address ongoing staffing challenges by providing them with flexibility in making teaching assignments.

Because it is evident from the nature of the proposed amendment that it will have no impact on jobs or employment opportunities attributable to its adoption or only a positive impact, no affirmative steps were needed to ascertain these facts, and none were taken. Accordingly, a job impact statement is not required pursuant to section 201-a(2)(a) of the State Administrative Procedure Act, and one has not been prepared.

Initial Review of Rule

As a rule that requires a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2029, which is no later than the 3rd year after the year in which this rule is being adopted.

Assessment of Public Comment

Since publication of the Notice of Proposed Rule Making in the State Register on June 3, 2026, the State Education Department received the following comment on the proposed amendment:

1. COMMENT: A New York State professional association representing speech-language pathologists stated that they strongly support the proposed regulation. They believe this proposal "maintains high standards for professional practice while removing unnecessary barriers that can delay or discourage qualified practitioners from entering the New York workforce." The Association notes that the amendments will create a more straightforward licensure process by recognizing supervised experiences completed in accordance with the American Speech-Langauge Hearing Association and by providing greater flexibility for applicants completing their supervised experience on a part-time basis. Additionally, the Association states that the amendments are necessary given the "growth in demand" for speech-language pathology services in our state.

DEPARTMENT RESPONSE: The Department appreciates the supportive comment as it works to reduce barriers to licensure while maintaining high professional standards for speech-language pathologists. No changes to the proposed rule are necessary.

PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Nurse Practitioners (NPs), Athletic Trainers, and Extra Class Athletic Activities

I.D. No. EDU-39-26-00028-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Amendment of sections 136.5 and 136.9 of Title 8 NYCRR.

Statutory authority: Education Law, sections 101, 207, 305, 923 and 8351; L. 2026, ch. 159; L. 2023, ch. 733

Subject: Nurse practitioners (NPs), athletic trainers, and extra class athletic activities.

Purpose: To authorize NPs to evaluate students for concussion or sudden cardiac arrest and to clarify athletic trainers are licensed.

Text of proposed rule: Section 136.5 of the Regulations of the Commissioner of Education is amended to read as follows:

Section 136.5 Concussion management and awareness

(a)…

(b) Course of instruction.

(1) Each school coach, physical education teacher, nurse and [certified] licensed athletic trainer, who works with and/or provides instruction to pupils engaged in school sponsored athletic activities, shall complete, on a biennial basis, a course of instruction relating to recognizing the symptoms of mild traumatic brain injuries and monitoring and seeking proper medical treatment for pupils who suffer mild traumatic brain injuries.

(2)…

(3)…

(c)…

(d) Removal from athletic activities.

(1)…

(2)…

[(2)]*(3)* No such pupil shall resume athletic activity until the pupil has been symptom free for not less than 24 hours, and has been evaluated by and received written and signed authorization from a licensed physician *or certified nurse practitioner*; and for extra class athletic activities in public schools, has received clearance from the director of school health services to participate in such activity.

(i) Such authorization shall be kept on file in the pupil's permanent health record.

(ii) The school shall follow any directives issued by the pupil's treating physician *or nurse practitioner* with regard to limitations and restrictions on school attendance and activities for the pupil.

(e) Concussion management team.

(1)…

(2) The concussion management team may be composed of:

(i) the athletic director;

(ii) a school nurse;

(iii) a district's director of school health services;

(iv) a coach of an interscholastic team;

(v) a [certified] *licensed* athletic trainer; or

(vi) such other appropriate personnel as designated by the school or school district.

(3)…

2. Section 136.9 of the Regulations of the Commissioner of Education is amended to read as follows:

Section 136.9 Sudden Cardiac Arrest

(a) Applicability.

(1) The provisions of this section relate to students who display signs or symptoms of pending or increased risk of sudden cardiac arrest while engaging in extra class athletic activities.

(2)…

(b) Definitions. As used in this section:

(1) [Athletic] *Extra class athletic* activities mean [participation in] *those* sessions organized for instruction, [and] practice*, and/or competition* in skills, attitudes, and knowledge through participation in individual, group, and team activities organized on an intramural, extramural, interschool athletic, or inclusive athletic basis to supplement regular physical education class instruction[, otherwise known as extraclass periods in physical education or extraclass activities].

[(b)]*(2)* Physical activities mean participation in physical education classes and recess or similar activities during the school day.

(c)…

(d) Removal from *extra class* athletic *activities* and physical activities.

(1) Any student who displays signs or symptoms of pending or increased risk of sudden cardiac arrest must be immediately removed from *extra class* athletic activities and any person who displays signs or symptoms of pending sudden cardiac arrest must be immediately removed from physical activities.

(2) No student removed from *extra class* athletic activities shall resume such activities until such student has been evaluated by and received written and signed authorization from[,] a licensed physician *or a certified nurse practitioner*. No student removed from physical activities shall resume such activities until such student has been evaluated and received written and signed authorization from a health care provider. With respect to *extra class* athletic activities, for students attending a public school, no such student shall resume such activities until the student has also received clearance from the director of school health services to participate in such activity.

(i)…

(ii) The school must abide by any limitations or restrictions concerning school attendance and athletic or physical activities issued by the student's treating [physician or a] health care provider.

Text of proposed rule and any required statements and analyses may be obtained from: Joshua Dingman, NYS Education Department, Office of Counsel, 89 Washington Avenue, Room 112EB, Albany, NY 12234, (518) 474-6400, email: legal@nysed.gov

Data, views or arguments may be submitted to: Gemma Rinefierd, Assistant Commissioner, NYS Education Department, Office of Student Support Services, 89 Washington Avenue, Room 319, Albany, NY 12234, (518) 473-2890, email: REGCOMMENTS@nysed.gov

Public comment will be received until: 60 days after publication of this notice.

This rule was not under consideration at the time this agency submitted its Regulatory Agenda for publication in the Register.

Regulatory Impact Statement

1. STATUTORY AUTHORITY:

Education Law § 101 charges the Department with the general management and supervision of all public schools and all of the educational work of the state.

Education Law § 207 grants general rule-making authority to the Regents to carry into effect State educational laws and policies.

Education Law § 305(1) and (2) provide that the Commissioner, as chief executive officer of the State's education system, with general supervision over all schools and institutions subject to the Education Law, or of any statute relating to education, and responsibility for executing all educational policies of the Board of Regents.

Education § 305(42) provides that the Commissioner, in conjunction with the Commissioner of Health, shall promulgate rules and regulations relating to students who suffer mild traumatic brain injuries, or concussions, while receiving instruction or engaging in school sponsored or related activities. Such regulations must require the immediate removal of any student from athletic activities that is believed to have sustained or who has sustained a mild traumatic brain injury; the student shall not resume athletic activities until they have been evaluated and received written authorization from a licensed physician or certified nurse practitioner.

Education Law § 923 provides that the Commissioner shall promulgate rules and regulations requiring that any student displaying signs or symptoms of pending or increased risk of sudden cardiac arrest is immediately removed from athletic activities and shall not resume athletic activities until they have been evaluated and received written authorization from a licensed physician or certified nurse practitioner.

Education Law § 8351, as amended by Chapter 733 of the Laws of 2023 (Chapter 733), defines "athletic trainer" as any person who is duly licensed to perform athletic training under the supervision of a physician.

Chapter 159 of the Laws of 2026 (Chapter 159) amends the Education Law to authorize nurse practitioners, in addition to physicians, to evaluate and provide written authorization for students to resume athletic activities.

2. LEGISLATIVE OBJECTIVES:

The proposed rule is consistent with the above statutory authority and is necessary to authorize nurse practitioners to evaluate and provide written authorization for students that are suspected of having suffered a concussion or displaying signs or symptoms of pending or increased risk of sudden cardiac arrest during school athletic activities consistent with Chapter 159. The proposed rule is also necessary to clarify that athletic trainers are licensed, rather than certified, Consistent with Chapter 733; to update the term "athletic activities" to "extra class athletic activities;" and to update the definition of "extra class athletic activities" to conform with definitions used in section 135.1 of the Commissioner's regulations.

3. NEEDS AND BENEFITS:

The Concussion Management and Awareness Act (Education Law § 305[42]) and the Dominic Murray Sudden Cardiac Arrest Prevention Act (Education Law § 923) were enacted to protect students participating in school athletics. Both laws require students who are suspected of having suffered a concussion or displaying signs or symptoms of pending or increased risk of sudden cardiac arrest to be immediately removed from athletic activities, and students may not resume such activities until they are evaluated by and receive written authorization from a physician. However, requiring evaluation and written authorization by a physician has created an unanticipated barrier to the resumption of athletic activities, as most students are evaluated in urgent care centers and emergency rooms staffed with non-physician health care providers, including nurse practitioners. Chapter 159 of the Laws of 2026 amended the Education Law, recognizing this by authorizing nurse practitioners, in addition to physicians, to evaluate and provide written authorization for students to resume athletic activities.

Separately, the Legislature also amended Education Law § 8305 to update the practice of athletic trainers from a credentialed to a licensed profession.

Therefore, the Department proposes amendments to sections 136.5 and 136.9 to implement the new legislation described above.

4. COSTS:

(a) Costs to State government: The proposed rule does not impose any costs on State government.

(b) Costs to local government: The proposed rule does not impose any costs on local government.

(c) Cost to private regulated parties. The proposed rule does not impose any costs on private regulated parties.

(d) Cost to the regulatory agency: The proposed rule does not impose any costs on the State Education Department for implementation and continued administration.

5. LOCAL GOVERNMENT MANDATES:

The proposed rule does not impose any program service, duty, responsibility, or other mandate on local governments.

6. PAPERWORK:

The proposed rule does not impose any paperwork mandates.

7. DUPLICATION:

There are no other state or federal requirements on the subject matter of the proposed rule. Therefore, the amendment does not duplicate other existing state or federal requirements.

8. ALTERNATIVES:

There are no significant alternatives to the proposed rule and none were considered.

9. FEDERAL STANDARDS:

There are no related federal standards. Since there are no applicable federal standards, the proposed rule does not exceed any minimum federal standards for the same or similar subject areas.

10. COMPLIANCE SCHEDULE:

It is anticipated that the proposed rule will be presented to the Board of Regents for permanent adoption at the January 2027 meeting. If adopted at the January 2027 Regents meeting, the proposed amendment will become effective as a permanent rule on January 27, 2027. It is anticipated that the regulated parties will be able to comply with the proposed rule by the effective date.

Regulatory Flexibility Analysis

(a) Small Businesses:

The purpose of the proposed rule is to authorize nurse practitioners to evaluate and provide written authorization for students that are suspected of having suffered a concussion or displaying signs or symptoms of pending or increased risk of sudden cardiac arrest during school athletic activities, consistent with Chapter 159 of the Laws of 2026 (Chapter 159). The proposed rule also clarifies that athletic trainers are licensed, rather than certified, consistent with Chapter 733 of the Laws of 2023 (Chapter 733); updates the term "athletic activities" to "extra class athletic activities;" and updates the definition of "extra class athletic activities" to conform with definitions used in section 135.1 of the Commissioner's regulations.

The proposed rule does not have any adverse economic impact or impose any reporting, record keeping or any other compliance requirements on small businesses. Because it is evident from the nature of the proposed amendment that it does not affect small businesses, no further measures were needed to ascertain that fact and none were taken. Accordingly, a regulatory flexibility analysis for small businesses is not required pursuant to section 202-b(3)(a) of the State Administrative Procedure Act, and one has not been prepared.

(b) Local Governments:

1. EFFECT OF RULE:

The proposed rule applies to each of the 731 public school districts in the State, and all charter and nonpublic schools.

2. COMPLIANCE REQUIREMENTS:

The Concussion Management and Awareness Act (Education Law § 305[42]) and the Dominic Murray Sudden Cardiac Arrest Prevention Act (Education Law § 923) were enacted to protect students participating in school athletics. Both laws require students who are suspected of having suffered a concussion or displaying signs or symptoms of pending or increased risk of sudden cardiac arrest to be immediately removed from athletic activities, and students may not resume such activities until they are evaluated by and receive written authorization from a physician. However, requiring evaluation and written authorization by a physician has created an unanticipated barrier to the resumption of athletic activities, as most students are evaluated in urgent care centers and emergency rooms staffed with non-physician health care providers, including nurse practitioners. Chapter 159 amended the Education Law, recognizing this by authorizing nurse practitioners, in addition to physicians, to evaluate and provide written authorization for students to resume athletic activities.

Separately, the Legislature also amended Education Law § 8305 (Chapter 733) to update the practice of athletic trainers from a credentialed to a licensed profession.

Therefore, the Department proposes amendments to sections 136.5 and 136.9 to implement the new legislation described above.

3. PROFESSIONAL SERVICES:

The Department does not anticipate that any professional services will be needed to comply with the proposed rule, beyond those needed to comply with statute.

4. COMPLIANCE COSTS:

The proposed rule does not impose any costs on local governments.

5. ECONOMIC AND TECHNOLOGICAL FEASIBILITY:

The proposed rule does not impose any additional technological requirements on school districts. Economic feasibility is addressed under the Compliance Costs section above.

6. MINIMIZING ADVERSE IMPACT:

Consistent with Chapter 159, the proposed rule authorizes nurse practitioners to evaluate and provide written authorization for students that are suspected of having suffered a concussion or displaying signs or symptoms of pending or increased risk of sudden cardiac arrest during school athletic activities. The proposed rule also clarifies that athletic trainers are licensed, rather than certified, consistent with Chapter 733; updates the term "athletic activities" to "extra class athletic activities;" and updates the definition of "extra class athletic activities" to conform with definitions used in section 135.1 of the Commissioner's regulations.

It is evident that the proposed rule will not have any adverse economic impact on local governments, therefore differing approaches as prescribed in SAPA § 202-b(1) were not considered.

7. LOCAL GOVERNMENT PARTICIPATION:

A copy of the proposed rule has been shared with school districts through the offices of the district superintendents of each supervisory district in the State and with the chief school officers of the five big city school districts for review and comment.

Rural Area Flexibility Analysis

The purpose of the proposed rule is to authorize nurse practitioners to evaluate and provide written authorization for students that are suspected of having suffered a concussion or displaying signs or symptoms of pending or increased risk of sudden cardiac arrest during school athletic activities, consistent with Chapter 159 of the Laws of 2026 (Chapter 159). The proposed rule is also necessary to clarify that athletic trainers are licensed, rather than certified, consistent with Chapter 733 of the Laws of 2023 (Chapter 733).

The proposed rule will not have any adverse impact, nor impose any reporting, recordkeeping or other compliance requirements on public or private entities in rural areas. Because it is evident from the nature of the proposed amendment that it does not adversely impact entities located in rural areas, no further measures were needed to ascertain that fact and none were taken. Accordingly, a rural area flexibility analysis is not required pursuant to section 202-bb(4)(a) of the State Administrative Procedure Act, and one has not been prepared.

Job Impact Statement

The purpose of the proposed rule is to authorize nurse practitioners to evaluate and provide written authorization for students that are suspected

of having suffered a concussion or displaying signs or symptoms of pending or increased risk of sudden cardiac arrest during school athletic activities, consistent with Chapter 159 of the Laws of 2026 (Chapter 159). The proposed rule is also necessary to clarify that athletic trainers are licensed, rather than certified, consistent with Chapter 733 of the Laws of 2023 (Chapter 733).

Because it is evident from the nature of the proposed amendment that it will have no impact on jobs or employment opportunities attributable to its adoption or only a positive impact, no affirmative steps were needed to ascertain these facts, and none were taken. Accordingly, a job impact statement is not required pursuant to section 201-a(2)(a) of the State Administrative Procedure Act, and one has not been prepared.

Regulatory Impact Statement

1. STATUTORY AUTHORITY:

Section 207 of the Education Law grants general rule-making authority to the Board of Regents to carry into effect the laws and policies of the State relating to education.

Section 6504 of the Education Law authorizes the Board of Regents to supervise the admission to and regulation of the practice of the professions.

Section 6507 of the Education Law requires the Commissioner and the Department to administer the admission to and the practice of the professions.

Section 6527 of the Education Law, as amended by Chapter 115 of the laws of 2026 (Chapter 115), authorizes physicians to prescribe and order a patient specific order or non-patient specific order to licensed pharmacists to administer a COVID-19 immunization to a patient two years or older and for patients 18 years and older, and removes the reference to the immunization being recommended by the Advisory Committee on Immunization Practices ("ACIP").

Section 6801 of the Education Law, as amended by Chapter 115, removes references to ACIP and changes the adult immunization schedule posting requirement at pharmacies to require the posting of the adult schedule as recommended by the Department of Health.

Section 6802 of the Education Law, as amended, authorizes pharmacists to administer COVID-19 vaccines to patients ages two years or older and removes a reference to only administering adult vaccines as recommended by ACIP

Section 6909 of the Education Law, as amended by Chapter 115, authorizes nurse practitioners to prescribe and order a patient specific or-

der or non-patient specific order to licensed pharmacists to administer a COVID-19 immunization to a patient two years or older and for patients 18 years and older, and removes the reference to the immunization being recommended by ACIP.

2. LEGISLATIVE OBJECTIVES:

The proposed amendments are consistent with the above statutory authority and necessary to align the Commissioner's regulations with the statutory amendments made by Chapter 115.

3. NEEDS AND BENEFITS:

Chapter 115 was enacted to ensure that access to life-saving immunizations continues unabated in New York, by eliminating reliance based solely on federal immunization recommendations. Consistent with Chapter 115, the Department proposes to amend subdivision (a) of section 63.9 and subdivision (a) of 64.7 to align such provisions with the statutory amendments made by Chapter 115.

4. COSTS:

(a) Costs to State government: There are no additional costs to State government.

(b) Costs to local government: There are no additional costs to local government.

(c) Costs to private regulated parties: There are no additional costs to private regulated parties and the proposed amendments.

(d) Costs to regulating agency for implementation and continued administration of this rule: There are no additional costs to the regulating agency.

5. LOCAL GOVERNMENT MANDATES:

The proposed amendment relates to regulations governing immunizations to ensure New York State residents have access that does not rely solely on federal recommendations, and it does not impose any program, service, duty, or responsibility upon local governments.

6. PAPERWORK:

The proposed amendment imposes no new reporting or other paperwork requirements.

7. DUPLICATION:

The proposed amendment does not duplicate other existing state or federal requirements and is necessary to align with the statutory amendments made by Chapter 115.

8. ALTERNATIVES:

The proposed amendment is necessary to align the Commissioner's regulations with Chapter 115 which ensure New York State residents have access to immunizations that do not rely solely on federal recommendations. There are no significant alternatives to the proposed amendments, and none were considered.

9. FEDERAL STANDARDS:

Federal immunization recommendations are established by ACIP. To the extent the proposed amendment exceeds any applicable minimum federal standards for the same or similar subject areas, such provisions are necessary to conform to the Commissioner's regulations with State law (Chapter 115).

10. COMPLIANCE SCHEDULE:

The proposed amendment will become effective on January 27, 2027. It is anticipated that New York State physicians, pharmacies, schools, and regulatory bodies will be able to comply with the proposed amendments by the effective date.

Regulatory Flexibility Analysis

The purpose of the proposed amendment is to align the Commissioner's regulations with Chapter 115. Chapter 115 was enacted to ensure that access to life-saving immunizations continues unabated in New York, by eliminating reliance based solely on federal immunization recommendations.

The proposed rule will not impose any reporting, recordkeeping, or other compliance requirements or costs or have any adverse economic impact on small businesses or local governments. Because it is evident from the proposed rule that it will not adversely affect small businesses or local governments, no affirmative steps were needed to ascertain that fact, and none were taken. Accordingly, a regulatory flexibility analysis for small businesses and local governments is not required pursuant to section 202-b(3) of the State Administrative Procedure Act, and one has not been prepared.

Rural Area Flexibility Analysis

The purpose of the proposed amendment is to align the Commissioner's regulations with Chapter 115. Chapter 115 was enacted to ensure that access to life-saving immunizations continues unabated in New York, by eliminating reliance based solely on federal immunization recommendations.

The amended rule will not have any adverse impact, nor impose any reporting, recordkeeping or other compliance requirements on public or private entities in rural areas. Because it is evident from the nature of the amendment that it does not adversely impact entities located in rural areas, no further measures were needed to ascertain that fact and none were taken. Accordingly, a rural area flexibility analysis is not required pursuant to section 202-bb(4)(a) of the State Administrative Procedure Act, and one has not been prepared.

Job Impact Statement

The purpose of the proposed amendment is to align the Commissioner's regulations with Chapter 115. Chapter 115 was enacted to ensure that access to life-saving immunizations continues unabated in New York, by eliminating reliance based solely on federal immunization recommendations.

Because it is evident from the nature of the proposed amendment that it will have no impact on jobs or employment opportunities attributable to its adoption or only a positive impact, no affirmative steps were needed to ascertain these facts, and none were taken. Accordingly, a job impact statement is not required pursuant to section 201-a(2)(a) of the State Administrative Procedure Act, and one has not been prepared.

Requirements for Earned Degrees at Institutions of Higher Education and Minimum Qualifications for Degree Conferral

I.D. No. EDU-39-26-00031-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Amendment of section 3.47 of Title 8 NYCRR.

Statutory authority: Education Law, sections 207, 210, 214, 215, 218, 224 and 305

Subject: Requirements for earned degrees at institutions of higher education and minimum qualifications for degree conferral.

Purpose: Adds and clarifies options for students to demonstrate eligibility for degree conferral.

Text of proposed rule: Paragraph (2) of subdivision (a) of section 3.47 of the Rules of the Board of Regents is amended to read as follows:

(2) No earned degree shall be conferred unless the candidate has met the requirements of subparagraphs (i) or (ii) of this paragraph.

(i) Candidates who are of compulsory school age, pursuant to section 3205 of the Education Law or other requirement of law, shall provide the degree-granting institution with satisfactory evidence of meeting one of the following requirements:

(a) holding a *New York State* high school diploma *or the equivalent from the student's jurisdiction at the time of graduation*; [or]

(b) having completed the substantial equivalent of a four-year high school course, *through home instruction pursuant to section 100.10 of this Title,* as certified by the superintendent of schools or comparable chief school administrator of the candidate's school district of residence at the time such course was completed[.]; or

(c) graduation from a high school deemed to offer substantial equivalency of instruction pursuant to Part 130 of this Title. Provided, however, that this provision shall not apply to graduation from a high school deemed to offer substantial equivalency of instruction solely under the provisions of section 3204(6)(b)(iii) of the Education Law.

(ii) Candidates who are beyond compulsory school age, pursuant to section 3205 of the Education Law or other requirement of law[.], shall provide the degree-granting institution with satisfactory evidence of meeting one of the following requirements:

(a) holding a *New York State* high school diploma *or the equivalent from the student's jurisdiction at the time of graduation*;

(b) having completed the substantial equivalent of a four-year high school course, *through home instruction pursuant to section 100.10 of this Title,* as certified by the superintendent of schools or comparable chief school administrator of the candidate's school district of residence at the time such course was completed;

(c) graduation from a high school deemed to offer substantial equivalency of instruction pursuant to Part 130 of this Title. Provided, however, that this provision shall not apply to graduation from a high school deemed to offer substantial equivalency of instruction solely under the provisions of section 3204(6)(b)(iii) of the Education Law;

(d) possession of a high school diploma, or the equivalent thereof, from an online high school program located within the United States that is accredited in accordance with paragraph four of appendix 302 of the Job Corps Policy and Requirements Handbook (Guidelines for the Accreditation of Job Corps High School Programs), as amended from time to time. Appendix 302 of the Job Corps Policy and Requirements Handbook (Guidelines for the Accreditation of Job Corps High School Programs) was published by Job Corps, which is administered by the

United States Department of Labor, and is available at the Office of Counsel, State Education Department, State Education Building, Room 148, 89 Washington Avenue, Albany, NY 12234;

[(c)]*(e)* holding a New York State high school equivalency diploma in accordance with the requirements of section 100.7 of this Title, or a local high school equivalency diploma in accordance with the requirements of section 100.8 of this Title, or a high school equivalency diploma issued by another state of the United States or an authorized local government of such state, or a high school equivalency diploma based on passing the General Educational Development (GED) test or its successor examination, or a high school equivalency diploma based upon completing requirements that are substantially equivalent to the requirements for a New York State high school equivalency diploma as prescribed in section 100.7 of this Title; [or]

[(d)]*(f)* having successfully completed 24 semester hours or the equivalent as a recognized candidate for a college-level degree or certificate at a degree-granting institution as defined in clause (e) of this subparagraph[.], distributed as follows; six semester hours or the equivalent in English language arts, including writing, speaking and reading (literature); three semester hours or the equivalent in mathematics; three semester hours or the equivalent in natural sciences; three semester hours or the equivalent in social sciences; three semester hours or the equivalent in humanities; and six semester hours or the equivalent in any other courses within the registered degree or certificate program, all as verified by the institution conferring the degree; [or]

[(e)]*(g)* having previously earned and been granted a degree from a degree-granting institution accredited by an *institutional* accrediting agency [approved] *recognized for this purpose* by the United States Department of Education[, pursuant to 20 USC 1099b]; [or from] a postsecondary institution authorized by the Board of Regents to confer degrees; or [from] a degree-granting institution located in a jurisdiction outside the United States that is approved, authorized, or recognized by the jurisdiction's ministry of education or other governmental agency responsible for higher education; or

[(f)]*(h)* having passed and successfully completed all requirements for the following Regents examinations or the approved alternative assessments for these examinations, pursuant to section 100.2(f) of this Title: the Regents Comprehensive Examination in English, the Regents examination in mathematics, the Regents examination in United States history and government, a Regents examination in science, and the Regents examination in global history and geography. For purposes of this clause, the passing score on the Regents examinations shall be 65 or, where applicable, a score of 55-64 as determined by the school district of residence, pursuant to section 100.5(a)(5)(i) of this Title.

Text of proposed rule and any required statements and analyses may be obtained from: Joshua Dingman, Education Department, Office of Counsel, 89 Washington Avenue, Room 112EB, Albany, NY 12234, (518) 474-6400, email: legal@nysed.gov

Data, views or arguments may be submitted to: William P. Murphy, Deputy Commissioner, Education Department, Office of Higher Education, 89 Washington Avenue, Room 975 EBA, Albany, NY 12234, (518) 473-3781, email: OHERegcomments@nysed.gov

Public comment will be received until: 60 days after publication of this notice.

Regulatory Impact Statement

1. STATUTORY AUTHORITY:

Education Law § 207 grants general rule-making authority to the Regents to carry into effect State educational laws and policies.

Education Law § 210 empowers the Regents to register domestic and foreign institutions in terms of New York standards, and fix the value of degrees, diplomas and certificates issued by institutions of other states or countries and presented to entrance to schools, colleges and the professions in New York.

Education Law § 214 provides that the institutions of the University of the State of New York shall include all secondary and higher educational institutions which are now or may hereafter be incorporated in this state, and such other libraries, museums, institutions, schools, organizations and agencies for education as may be admitted to or incorporated by the University.

Education Law § 215 empowers the Regents and the Commissioner to visit, examine into and inspect, any institution in the University and any school or institution under the educational supervision of the State and may require reports therefrom giving information as the Regents or the Commissioner prescribe.

Education Law § 218 prescribes requirements for institutional power to confer degrees in New York State.

Education Law § 224 Education Law grants the Regents the authority to confer by special charter to a university, college or other degree granting institution the ability to confer any degree or use, advertise or transact business under the name university or college.

Education Law § 305(1) and (2) provide that the Commissioner, as chief executive officer of the State's education system, with general supervision over all schools and institutions subject to the Education Law, or of any statute relating to education, and responsibility for executing all educational policies of the Board of Regents.

2. LEGISLATIVE OBJECTIVES:

The proposed rule is consistent with the above statutory authority and is necessary to align degree conferral requirements with recent statutory and regulatory changes and clarify the pathways through which students may demonstrate eligibility for degree conferral.

3. NEEDS AND BENEFITS:

Section 3.47 of the Rules of the Board of Regents sets forth the requirements for earned degrees at institutions of higher education in New York State, including the minimum qualifications that candidates for degree conferral must meet. In addition to completing a program registered by the Department, candidates must provide evidence of a high school diploma or its substantial equivalent, as certified by the superintendent of schools in the candidate's district of residence at the time of completion. Candidates beyond compulsory school age have additional pathways for degree conferral eligibility, such as a high school equivalency diploma.

Recent statutory and regulatory changes impact what can be considered an acceptable alternative to a high school diploma. These changes include the following:

- In September 2022, the Board of Regents adopted Part 130 of the Regulations of the Commissioner of Education relating to substantially equivalent instruction for nonpublic school students.
- The Legislature enacted Chapter 606 of the Laws of 2025 (Chapter 606), which expanded eligibility for state financial aid to graduates of a specific type of accredited online high school program. Specifically, Chapter 606, among other things, amends Education Law § 661(4)(f) to recognize high school diplomas earned through certain online high school programs located within the United States, provided that the programs are accredited in accordance with particular standards outlined in the Job Corps Policy and Requirements Handbook. Chapter 606 also allows for admission to SUNY, CUNY, and community colleges for graduates of this specific type of accredited online high school program, if more than 10,000 students per year nationally complete such program.
- In May 2026, Department staff proposed amendments to section 145-2.15 of the Regulations of the Commissioner to align state financial aid eligibility with Chapter 606 and clarify eligibility for students who completed the substantial equivalent of a four-year high school course through home instruction pursuant to section 100.10 of the Commissioner's regulations.
- Contemporaneously, Department staff is presenting a separate item at this meeting containing revisions to the proposed amendments to section 145-2.15 of the Commissioner's regulations to clarify State financial aid eligibility for students who graduated from a high school deemed to offer substantial equivalency of instruction pursuant to Part 130 of the Commissioner's regulations.

This activity has resulted in increased inquiries to the Department regarding the degree conferral provisions in section 3.47 of the Rules of the Board of Regents.

The Department is proposing regulatory amendments to align section 3.47 of the Regents Rules and section 145-2.15 of the Commissioner's regulations with each other and with Chapter 606. The proposed amendments to section 3.47 adds the following options for students to demonstrate eligibility for degree conferral:

- Graduation from a high school deemed to offer substantial equivalency of instruction pursuant to Part 130 of the Commissioner's Regulations. However, this option does not apply to graduates of a high school deemed to offer substantial equivalency of instruction solely under the provisions of section 3204(6)(b)(iii) of the Education Law.[1]
- For students beyond compulsory school age, possession of a high school diploma, or the equivalent, from an online high school program located within the United States that is accredited in accordance with paragraph four of appendix three hundred two of the Job Corps Policy and Requirements Handbook.

The proposed amendment also clarifies aspects of two current options for students to demonstrate eligibility for degree conferral. First, for students seeking eligibility based upon a high school diploma, the proposed language clarifies that the candidate must possess a New York State diploma or the equivalent from their jurisdiction at the time of graduation. Second, in the option that recognizes students who complete the substantial equivalent of a four-year high school course, the Department proposed language indicating that such course must be through home instruction pursuant to section 100.10 of the Commissioner's regulations.

Additional options for students beyond compulsory school age remain

unchanged, except for a technical amendment that updates language referencing accrediting bodies to conform to other language in the Commissioner's regulations and Regents Rules.

4. COSTS:

(a) Costs to State government: The proposed rule does not impose any costs on State government.

(b) Costs to local government: The proposed rule does not impose any costs on local government.

(c) Cost to private regulated parties. The proposed rule does not impose any costs on private regulated parties.

(d) Cost to the regulatory agency: The proposed rule does not impose any costs on the State Education Department for implementation and continued administration.

5. LOCAL GOVERNMENT MANDATES:

The proposed rule does not impose any program service, duty, responsibility, or other mandate on local governments.

6. PAPERWORK:

The proposed rule does not impose any paperwork mandates.

7. DUPLICATION:

There are no other state or federal requirements on the subject matter of the proposed rule. Therefore, the amendment does not duplicate other existing state or federal requirements.

8. ALTERNATIVES:

The proposed rule is necessary to align degree conferral requirements with recent statutory and regulatory changes and clarify the pathways through which students may demonstrate eligibility for degree conferral. There are no significant alternatives to the proposed rule and none were considered.

9. FEDERAL STANDARDS:

There are no related federal standards. Since there are no applicable federal standards, the proposed rule does not exceed any minimum federal standards for the same or similar subject areas.

10. COMPLIANCE SCHEDULE:

It is anticipated that the proposed rule will be presented to the Board of Regents for permanent adoption at the January 2027 meeting. If adopted at the January 2027 Regents meeting, the proposed amendment will become effective as a permanent rule on January 27, 2027. The proposed amendment does not impose any compliance schedules on regulated parties.

---

[1]Section 22-e of Part A of Chapter 56 of the Laws of 2025 amended Education Law 3204 to provide a phase in period for non-public schools to demonstrate substantial equivalency of instruction. The law deems all non-public schools as providing substantial equivalency of instruction through the 2032-2033 school year without the need to demonstrate that they meet the criteria prescribed in Education Law 3204(6)(a)(vi)-(vii).

Regulatory Flexibility Analysis

The purpose of the proposed rule is to align degree conferral requirements with recent statutory and regulatory changes and clarify the pathways through which students may demonstrate eligibility for degree conferral.

The proposed rule does not impose any new reporting, recordkeeping, or other compliance requirements on small businesses or local governments or have any adverse economic impact on small businesses or local governments. Because it is evident from the nature of the proposed rule that it does not adversely affect small businesses or local governments, no further measures were needed to ascertain that fact, and none were taken. Accordingly, a regulatory flexibility analysis for small businesses and local governments is not required pursuant to section 202-b(3)(a) of the State Administrative Procedure Act, and one has not been prepared.

Rural Area Flexibility Analysis

The purpose of the proposed rule is to align degree conferral requirements with recent statutory and regulatory changes and clarify the pathways through which students may demonstrate eligibility for degree conferral.

The proposed rule will not have any adverse impact, nor impose any reporting, recordkeeping or other compliance requirements on public or private entities in rural areas. Because it is evident from the nature of the proposed amendment that it does not adversely impact entities located in rural areas, no further measures were needed to ascertain that fact and none were taken. Accordingly, a rural area flexibility analysis is not required pursuant to section 202-bb(4)(a) of the State Administrative Procedure Act, and one has not been prepared.

Job Impact Statement

The purpose of the proposed rule is to align degree conferral requirements with recent statutory and regulatory changes and clarify the pathways through which students may demonstrate eligibility for degree conferral.

Because it is evident from the nature of the proposed amendment that it will have no impact on jobs or employment opportunities attributable to its adoption or only a positive impact, no affirmative steps were needed to ascertain these facts, and none were taken. Accordingly, a job impact statement is not required pursuant to section 201-a(2)(a) of the State Administrative Procedure Act, and one has not been prepared.

REVISED RULE MAKING
NO HEARING(S) SCHEDULED

State Financial Aid Eligibility

I.D. No. EDU-22-26-00015-RP

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following revised rule:

Proposed Action: Amendment of section 145-2.15 of Title 8 NYCRR.

Statutory authority: Education Law, sections 101, 207, 208, 305, 308 and 661; L. 2025, ch. 606

Subject: State Financial Aid Eligibility.

Purpose: To revise eligibility criteria for state financial aid.

Text of revised rule: 1. Subparagraphs (1) and (2) of paragraph (c) of section 145-2.15 of the Regulations of the Commissioner of Education are amended to read as follows:

(1) For students first receiving aid pursuant to section 661 of the Education Law in the 2007-2008 academic year and each academic year thereafter, students shall have a certificate of graduation from a recognized school providing secondary education from a state within the United States, or the recognized equivalent of such certificate[,]*; have a high school diploma, or the equivalent thereof, from an online high school program located within the United States that is accredited in accordance with paragraph four of appendix three hundred two of the Job Corps Policy and Requirements Handbook (Guidelines for the Accreditation of Job Corps High School Programs), as amended from time to time; have completed the substantial equivalent of a four-year high school course through home instruction pursuant to section 100.10 of this Title, as certified by the superintendent of schools or comparable chief school administrator of such student's school district of residence at the time such course was completed; have graduated from a high school deemed to offer substantial equivalency of instruction pursuant to Part 130 of this Title, provided, however, that this provision shall not apply to graduation from a high school deemed to offer substantial equivalency of instruction solely under the provisions of section 3204(6)(b)(iii) of the Education Law;* or receive a passing score on a federally approved ability-to-benefit test identified by the Board of Regents as satisfying the eligibility requirements of this section that has been independently administered and evaluated, as defined by the commissioner in subdivision (e) of this section. *Appendix three hundred two of the Job Corps Policy and Requirements Handbook (Guidelines for the Accreditation of Job Corps High School Programs) was published by Job Corps, which is administered by the United States Department of Labor, and is available at the Office of Counsel, State Education Department, State Education Building, Room 148, 89 Washington Avenue, Albany, NY 12234.*

(2) For purposes of eligibility for awards under section 661 of the Education Law, the department shall publish a list of ability-to-benefit tests that the Board of Regents has identified as satisfactory in determining eligibility to receive a first award in the academic year 2007-2008 and each year thereafter for students without *either* a certificate of graduation from a school providing secondary education from a state within the United States, or the recognized equivalent of such a certificate*; a high school diploma, or the equivalent thereof, from an online high school program located within the United States that is accredited in accordance with paragraph four of appendix three hundred two of the Job Corps Policy and Requirements Handbook (Guidelines for the Accreditation of Job Corps High School Programs), as amended from time to time; the substantial equivalent of a four-year high school course through home instruction pursuant to section 100.10 of this Title, as certified by the superintendent of schools or comparable chief school administrator of such student's school district of residence at the time such course was completed; or a certificate of graduation from a high school deemed to offer substantial equivalency of instruction pursuant to Part 130 of this Title, provided, however, that this provision shall not apply to graduation from a high school deemed to offer substantial equivalency of instruction solely under the provisions of section 3204(6)(b)(iii) of the Education Law*. The identification of such tests shall be without term unless the department determines that a test is no longer satisfactory in determining eligibility for awards under section 661 of the Education Law or the secretary discontinues Federal recognition of such test. *Appendix three hundred two of the Job Corps Policy and Requirements Handbook (Guidelines for the*

Accreditation of Job Corps High School Programs) was published by Job Corps, which is administered by the United States Department of Labor, and is available at the Office of Counsel, State Education Department, State Education Building, Room 148, 89 Washington Avenue, Albany, NY 12234.

Revised rule compared with proposed rule: Substantial revisions were made in sections 145-2.15(c)(1) and 145-2.15(c)(2).

Data, views or arguments may be submitted to: William P. Murphy, Deputy Commissioner, NYS Education Department, Office of Higher Education, 89 Washington Ave., Room 975 EBA, Albany, NY 12234, (518) 473-3781, email: OHERegcomments@nysed.gov

Public comment will be received until: 45 days after publication of this notice.

Revised Regulatory Impact Statement

Since publication of a Notice of Proposed Rule Making in the State Register on June 3, 2026, the following substantial revisions were made to the proposed rule:

In September 2022, the Board of Regents adopted Part 130 of the Regulations of the Commissioner of Education relating to substantially equivalent instruction for nonpublic school students. With the enactment of Part 130, there is now a regulatory process set forth to ensure that students who graduate from a non-public school have received an education that is substantially equivalent to students in their home district who attend the public schools.

Therefore, the Department proposes to revise the proposed rule to clarify that a student who graduates from a high school deemed to offer substantial equivalency of instruction pursuant to Part 130 of the Commissioner's regulations is eligible for state financial aid.[1] This revision is consistent with amendments proposed to section 3.47 of the Rules of the Board of Regents related to qualifications that candidates for degree conferral must meet.

The above changes require that the NEEDS AND BENEFITS, COSTS, ALTERNATIVES, and COMPLIANCE SCHEDULE sections of the previously published Regulatory Impact Statement be revised to read as follows:

3. NEEDS AND BENEFITS:

The Legislature enacted Chapter 606 of the Laws of 2025 (Chapter 606), which expanded eligibility for state financial aid to graduates of a specific type of accredited online high school program. Specifically, Chapter 606, among other things, amends Education Law § 661(4)(f) to recognize high school diplomas earned through certain online high school programs located within the United States, provided that the programs are accredited in accordance with particular standards outlined in the Job Corps Policy and Requirements Handbook.[2]

Under this change, students who obtain such diplomas are eligible to apply for New York State financial aid programs, including Tuition Assistance Program (TAP) awards. By formally recognizing high school diplomas from online high schools that are accredited under particular federal Job Corps standards, graduates who hold such diplomas no longer need to pass an Ability-to-Benefit (ATB) test or pursue one of several pathways for a High School Equivalency diploma.

Section 145-2.15 of the Commissioner's regulations governs how ATB tests are used and administered to determine eligibility for New York State student financial aid awards under Education Law § 661. The current regulatory language does not explicitly recognize diplomas issued by online high school programs that meet the Job Corps accreditation standards as a qualifying form of secondary education credential. Therefore, the Department proposes to amend sections 145-2.15(c)(1) and (2) to align the Commissioner's Regulations with the updated statutory requirements pursuant to Chapter 606.

Additionally, the proposed amendment clarifies, consistent with the requirements for earned degrees in section 3.47 of the Rules of the Board of Regents, that the substantial equivalent of a four-year high school course through home instruction pursuant to section 100.10 of the Commissioner's regulation, as certified by the superintendent of schools or comparable chief school administrator of such student's school district of residence at the time such course was completed, is sufficient for the purposes of New York State student financial aid eligibility. Although this eligibility criterion has been permitted under the current regulations, the Department intends to make this option transparent for students seeking financial aid.

Revisions to the Proposed Rule

In September 2022, the Board of Regents adopted Part 130 of the Regulations of the Commissioner of Education relating to substantially equivalent instruction for nonpublic school students. With the enactment of Part 130, there is now a regulatory process set forth to ensure that students who graduate from a non-public school have received an education that is substantially equivalent to students in their home district who attend the public schools.

Therefore, the Department proposes to revise the proposed rule to clarify that a student who graduates from a high school deemed to offer substantial equivalency of instruction pursuant to Part 130 of the Commissioner's regulations is eligible for state financial aid.[3] This revision is consistent with amendments proposed to section 3.47 of the Rules of the Board of Regents related to qualifications that candidates for degree conferral must meet.

4. COSTS:

(a) Costs to State government: While the proposed rule broadens the list of eligibility for students to obtain state financial aid to include students with a high school diploma from certain online high school programs, as well as students who have graduated from a high school deemed to offer substantial equivalency of instruction pursuant to Part 130 of the Commissioner's regulations, the Department does not anticipate these amendments to impose significant costs to the State beyond those imposed by statute, as students still have an alternate avenue to obtain eligibility for state financial aid; receiving a passing score on a federally approved ability-to-benefit test.

(b) Costs to local government: The proposed rule does not impose any costs on local government.

(c) Cost to private regulated parties: The proposed rule does not impose any costs on private regulated parties.

(d) Cost to the regulatory agency: The proposed rule does not impose any costs on the State Education Department for implementation and continued administration.

8. ALTERNATIVES:

The proposed rule is necessary to align the Commissioner's Regulations with the updated statutory requirements pursuant to Chapter 606. The proposed amendment clarifies, consistent with the requirements for earned degrees in section 3.47 of the Rules of the Board of Regents, that the substantial equivalent of a four-year high school course through home instruction pursuant to section 100.10 of the Commissioner's regulation, as certified by the superintendent of schools or comparable chief school administrator of such student's school district of residence at the time such course was completed, is sufficient for the purposes of New York State student financial aid eligibility. Additionally, with the enactment of Part 130, there is now a regulatory process set forth to ensure that students who graduate from a non-public school have received an education that is substantially equivalent to students in their home district who attend the public schools. Therefore, a student who graduates from a high school deemed to offer substantial equivalency of instruction pursuant to Part 130 of the Commissioner's regulations is eligible for state financial aid.[4] This revision is consistent with amendments proposed to section 3.47 of the Rules of the Board of Regents related to qualifications that candidates for degree conferral must meet. There are no significant alternatives to the proposed rule and none were considered.

10. COMPLIANCE SCHEDULE:

It is anticipated that the proposed rule will be presented to the Board of Regents for permanent adoption at the December 2026 meeting. If adopted at the December 2026 Regents meeting, the proposed amendment will become effective as a permanent rule on December 31, 2026. The proposed amendment does not impose any compliance schedules on regulated parties.

[1] This provision does not apply to graduation from a high school deemed to offer substantial equivalency of instruction solely under the provisions of section 3204(6)(b)(iii) of the Education Law.

[2] Chapter 606 references the "Guidelines for the Ongoing Quality Monitoring of Job Corps High School Diploma (HSD) Programs" in the Job Corps Policy and Requirements Handbook. However, Department staff confirmed with the Governor's office that the appropriate reference in the Job Corps Policy and Requirements Handbook would specify accreditation criteria for online high schools, as seen in the "Guidelines for the Accreditation of Job Corps High School Programs." Therefore, the proposed rule references the latter.

[3] This provision does not apply to graduation from a high school deemed to offer substantial equivalency of instruction solely under the provisions of section 3204(6)(b)(iii) of the Education Law.

[4] This provision does not apply to graduation from a high school deemed to offer substantial equivalency of instruction solely under the provisions of section 3204(6)(b)(iii) of the Education Law.

Revised Regulatory Flexibility Analysis

Since publication of a Notice of Proposed Rule Making in the State Register on June 3, 2026, the proposed rule was revised as set forth in the REVISED REGULATORY IMPACT STATEMENT submitted herewith.

Such revisions to the proposed rule do not require any revisions to the previously published Regulatory Flexibility Analysis.

Revised Rural Area Flexibility Analysis

Since publication of a Notice of Proposed Rule Making in the State Register on June 3, 2026, the proposed rule was revised as set forth in the REVISED REGULATORY IMPACT STATEMENT submitted herewith.

Such revisions to the proposed rule do not require any revisions to the previously published Rural Area Flexibility Analysis.

Revised Job Impact Statement

Since publication of a Notice of Proposed Rule Making in the State Register on June 3, 2026, the proposed rule was revised as set forth in the REVISED REGULATORY IMPACT STATEMENT submitted herewith.

The aforementioned revisions do not require any changes to the previously published Statement in Lieu of Job Impact Statement since the revised proposed rule will not have a substantial impact on jobs and employment opportunities. Because it is evident from the nature of the revised proposed rule that it will not affect job and employment opportunities, no affirmative steps were needed to ascertain that fact and none were taken. Accordingly, a job impact statement is not required pursuant to section 201-a(2)(a) of the State Administrative Procedure Act, and one has not been prepared.

NOTICE OF ADOPTION

Providing Conflict of Interest Regulations for Local Board of Elections Employees

I.D. No. SBE-10-26-00002-A

Filing No. 871

Filing Date: 2026-09-15

Effective Date: 2026-09-30

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Addition of Part 6224 to Title 9 NYCRR.

Statutory authority: Election Law, sections 3-102(17) and 3-304

Subject: Providing conflict of interest regulations for local board of elections employees.

Purpose: To ensure the bipartisan, standardized, transparent, application of conflicts of interest rules at boards of elections.

Text of final rule: A new Part 6224 is added to Title 9 NYCRR to read as follows:

PART 6224. CONFLICTS OF INTEREST AMONG BOARD OF ELECTIONS EMPLOYEES

Section 6224.1. Definitions

The terms used in this Part shall have the significance herein defined unless another meaning is clearly apparent in language or content.

(a) Conflict of interest means a situation wherein a person is in a position to derive pecuniary benefit from actions or decisions made in their official capacity.

(b) Board of elections employee means any person directly compensated with wages or salary by a board of elections for full-time or part-time work, excluding election inspectors, poll clerks, and election coordinators compensated solely for their work at a general, primary, or special election.

(c) Direct financial interest means a monetary benefit earned by an individual or by an entity in which said individual has an ownership stake, beneficial interest, or controlling influence.

(d) Vendor means any manufacturer, company, or individual who seeks to sell voting systems and/or election-related services for such systems in New York State, including but not limited to voting machines, electronic poll books, printers, tabulation equipment, voter registration systems, poll worker management systems, election night reporting systems, or any other technical or electronic equipment utilized in election administration. For purposes of subdivision (b) of this section, vendor shall also mean printing companies, election consulting companies, direct mail companies and digital marketing companies.

(e) Party position means an unpaid position within a recognized political party, including county committee member, district leader, State committee member, chair of a political party, member of an executive committee for a political party, delegate or alternate delegate to a nominating or party convention or judicial convention, or any similar internal party office that does not carry compensation. Party positions shall not be considered public offices for purposes of this Part.

Section 6224.2. Prohibition of conflicts of interest

(a) No board of elections employee shall engage in or participate in any trade or business which creates, or may tend to create, an actual or potential conflict of interest.

(b) No board of elections employee shall maintain a direct financial interest in or be employed by a vendor or a company providing services to a candidate who has an election overseen by such employee's office, including but not limited to, printing companies, election consulting companies, direct mail companies and digital marketing companies.

(c) No board of elections employee shall maintain a direct financial interest in or be employed by a vendor or company that sells to the board voting machines, electronic poll books, printers, tabulation equipment, or other technical or electronic equipment.

(d) No board of elections employee shall remain on the board of elections payroll while also a candidate for an office who has an election overseen, in whole or in part, by the board at which they are employed, without prior authorization by a majority vote of the board of elections commissioners and in accordance with the provisions of section 6224.3 of this Part.

Section 6224.3. Authorization for employee to seek elective office

(a) A board of elections employee who is also a candidate for public office at an election overseen by said board may remain under paid employment under the following circumstances:

(1) The commissioners of the board of elections approve the authorization by majority vote, and issue said authorization in a signed writing executed by both commissioners and acknowledged by the employee asking for such approval. The result of any such vote shall be made public.

(2) A board of elections employee so authorized shall be restricted from working on, and must not have any material contact with, or decision-making authority as to matters related to the election in the political subdivision in which the covered employee is a candidate, including but not limited to:

(i) designating or nominating petitions which the covered employee's name appears as a candidate for public office or any other petitions for any other person seeking the same office in the same political subdivision;

(ii) canvass of returns of elections in the same political subdivision as the covered employee, election day operations, poll site management, poll worker assignments or related election management activities in the same political subdivision where the covered employee's name appears as a candidate for public office;

(iii) voting machine setup, maintenance, testing, or any related activities for machines in use in the same political subdivision where the covered employee's name appears as a candidate for public office;

(iv) voter registration activities for any voter in the political subdivision where the covered employee's name appears as a candidate for public office; or

(v) any other board activity wherein participation or action by the covered employee could create the appearance of impropriety or a conflict of interest.

(b) A board of elections employee so authorized shall be prohibited from soliciting or accepting any contribution, as defined in section 14-100(9) of the Election Law, from any other employee of said board of elections.

(c) A board of elections employee shall be deemed a candidate for elective office upon the filing of a designating or nominating petition for such office or, where nominations for such office are made other than by petition, upon acceptance of a nomination.

(d) Notwithstanding the provisions of this Part, when there are no primary elections for the office being sought by a candidate that is also a board of elections employee, that candidate may remain on the board of elections payroll until 90 days prior to a general election.

(e) A board of elections employee who either does not request authorization or was denied authorization under this section shall be placed in "leave without pay" status until such time as their candidacy shall cease, or upon the day following the certification of election results for such office, whichever comes first.

(f) The provisions of this section shall not apply to unpaid party positions.

Section 6224.4. Penalties

(a) Violation of these provisions shall be cause for discipline by the board of elections. Penalties for violation of these provisions may include, but are not limited to:

(1) Suspension of the board of elections employee without pay, with said suspension not to be lifted until the conflict of interest is remedied.

(2) Termination of employment.

(3) Referral of the board of elections employee to local law enforcement.

Section 6224.5. Endorsements not to create conflicts of interest

(a) It shall not be considered a conflict of interest for a board of elections employee to seek and/or serve in a party position, or to endorse or support a candidate for a party position.

(b) It shall not be deemed a conflict of interest for a board of elections employee to endorse or support a candidate for public office when acting solely in their capacity as a county committee member, district leader, State committee member, chair of a political party, member of an executive committee for a political party, delegate or alternate delegate to a nominating or party convention or judicial convention.

(c) Nothing in this section shall be construed to permit otherwise impermissible political activity within a board of elections.

Final rule as compared with last published rule: Nonsubstantial changes were made in 6224.2(d), 6224.3(a)(1) and 6224.5.

Text of rule and any required statements and analyses may be obtained from: Brian Quail, New York State Board of Elections, 40 North Pearl Street, Floor 5, Albany, New York 12207-2729, (518) 474-2063, email: brian.quail@elections.ny.gov

NOTICE OF ADOPTION

Ballot Drop Boxes

I.D. No. SBE-24-26-00025-A

Filing No. 875

Filing Date: 2026-09-15

Effective Date: 2026-09-30

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Addition of Part 6225 to Title 9 NYCRR.

Statutory authority: Election Law, sections 3-102(1), (17) and 8-416(3)

Subject: Ballot drop boxes.

Purpose: Provides procedures and requirements for ballot drop boxes.

Substance of final rule: This proposed Part 6225 to 9 NYCRR establishes statewide guidelines for counties that choose to use ballot return drop boxes (excluding polling places and boards of elections offices).

Drop box design / voter-facing requirements:

- Outdoor unstaffed boxes must be durable, resistant to vandalism/removal/weather, and include fire-mitigation features (referencing CISA best practices).
- Slot must allow deposit but prevent removal/tampering; minimize liquid intrusion and prevent rain/snow entry if unsheltered.
- Must be tamper-evident (seals permitted), clearly marked "Official Ballot Drop Box," and include required multilingual signage (felony tampering warning; no postage; contact info for problems/full/damaged box; no ballots accepted after 9:00 p.m. Election Day; ballots-only; other New York State Board of Elections-required information).
- Usability/accessibility specifications include low-force operation ($\leq$ 5 lbs), no tight grasping/twisting, wheelchair reach range (15–48 inches) with limited exceptions, and high-contrast/non-glare signage.
- Counties should use uniform designs within the county for unstaffed boxes (and separately for staffed boxes).

Location decisions and deadlines:

- County board of election (BOE) chooses locations considering population/geography, convenience, transit access, community sites, security, and funding.

• Locations must be designated by March 15; locations shared with the State Board of Elections (SBOE).

Accessibility of sites:

• Drop-off locations must be accessible to voters with disabilities.

• If multiple boxes at one site, at least one must be accessible and inaccessible boxes must direct voters to the accessible one.

• Encourages placement along accessible paths from nearby transit stops, parking (including van-accessible space), and passenger drop-off zones; indoor sites assessed like polling places.

Security and surveillance:

• Unstaffed outdoor boxes must be anchored and placed in well-lit areas; indoor unstaffed boxes must be secured against removal.

• Staffed boxes must be secured/inaccessible when not in use.

• All drop boxes must have video surveillance (or internal camera) capable of capturing usable images; third-party systems allowed if access is arranged in writing prior to placement.

• Existing boxes in use as of the 2025 general election may continue at the same location until December 31, 2028 despite the new requirements.

Public notice, availability, and retrieval frequency:

• BOE must provide SBOE and post locations online at least 30 days before the election, including staffed-box hours and accessibility info; updates must be provided to SBOE the same day they occur.

• Boxes must be locked/covered (or otherwise unavailable) until the BOE begins issuing paper ballots.

• Prior to their use drop boxes must be inspected to confirm functionality and emptiness.

• Ballots must be retrieved at least once each business day while boxes are open.

• All boxes must be secured at poll close on Election day and ballots retrieved election night similar to poll-site returns.

• Signage must warn that voter intimidation/duress at drop boxes is a crime.

Chain of custody:

• At least two bipartisan designated ballot retrievers, with ID badges and the required poll-worker oath.

• Only designated retrievers (or authorized law enforcement where used) may transport ballots.

• On arrival, retrievers complete a retrieval form noting drop box location/unique ID and arrival time.

• Ballots are removed and either placed into a secure ballot transfer device (which must be sealed and seal numbers recorded) or the secure ballot container (or staffed box serving as the container) is retrieved. If ballots are transferred into a device, retrievers record the number of ballots moved and confirm the drop box is empty.

• If the box uses an internal secure container, an empty container is placed back in the drop box before leaving—except after the final Election Day retrieval.

• Retrievers reseal the drop box and record new seal numbers; after final retrieval post–poll closing, the box should be locked/covered to prevent further deposits.

• Departure time is recorded; arrival time at the BOE/receiving/processing site (or other custody-transfer point) is recorded.

• BOE (or bipartisan designees) inspect for tampering and accept custody by signing the retrieval form.

• The retrieval form must be attached to the container or maintained so it is traceable to that container and documents all custody transfers.

• When the container is opened, the BOE records the number of ballots in it; ballot totals by drop box must be reported to SBOE per Operations Unit procedures.

• Retrieval forms may be electronic if the container can be matched to the electronic record and signatures are captured/retained.

• Drop-box ballots are processed the same as ballots personally delivered to the BOE.

Record retention:

• Records must be retained like other election records.

• The BOE shall take reasonable measures to request that surveillance video of drop box locations in the possession of third parties is retained and accessible for at least thirty days.

Final rule as compared with last published rule: Nonsubstantial changes were made in section 6225.6(e).

Text of rule and any required statements and analyses may be obtained from: Brian Quail, New York State Board of Elections, 40 North Pearl Street, Floor 5, Albany, New York 12207-2729, (518) 474-2063, email: brian.quail@elections.ny.gov

Revised Regulatory Impact Statement, Revised Regulatory Flexibility Analysis, Revised Rural Area Flexibility Analysis and Revised Job Impact Statement

A Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement are not being submitted with these rules because the non-substantive changes made to the last published rule do not necessitate any changes to the previously published Regulatory Impact Statement, Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement.

Initial Review of Rule

As a rule that requires a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2029, which is no later than the 3rd year after the year in which this rule is being adopted.

Assessment of Public Comment

The State Board of Elections received several comments regarding the proposed addition of 9 NYCRR Part 6225. The comments generally expressed opposition to the use of ballot return drop boxes or commented on their security, cost, necessity, and administration. Commenters argued that New York voters already have sufficient, secure methods to cast or return ballots. Commenters also recommended additional requirements concerning increased drop box surveillance, bipartisan retrieval and transportation, greater chain-of-custody documentation, ballot reconciliation procedures, more detailed incident reporting, record retention, and public transparency.

The State Board has considered these comments and determined that the existing regulatory framework, together with applicable statutory requirements appropriately establish requirements for the administration of ballot drop boxes. Accordingly, no changes have been made in response to these comments.

PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Licensing of Owners in Thoroughbred Racing

I.D. No. SGC-39-26-00023-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Amendment of section 4026.3 of Title 9 NYCRR.

Statutory authority: Racing, Pari-Mutuel Wagering and Breeding Law, sections 104(1), (19) and 220(1)

Subject: Licensing of owners in Thoroughbred racing.

Purpose: To establish criteria for licensing horse owners in Thorougbred racing.

Text of proposed rule: § 4026.3. Nonmanaging ownership.

* * *

(b) Nonmanaging owners—licensing. No horse shall be entered or started by such horse's managing owner that is owned by [35] *20* or [less] *fewer* owners, unless all of the owners are licensed, or, if owned by more than [35] *20* owners, unless each individual having a [three] *five* percent or greater property interest is licensed as an owner by the commission. In addition, each such owner that is not an individual must be registered and licensed with the commission, and all such entity's officers, directors, trustees or other managing individuals must be licensed by the commission unless otherwise directed by the commission. The commission may also require any other individual involved in ownership to be licensed at any time [it] *the commission* may deem desirable. The commission or the State steward, for good cause, may waive any of such requirements for a race. In no event, however, may a horse start, if the license of any such individual has been denied, suspended or revoked, until the commission is satisfied that any withdrawal of such individual or transfer of such individual's interest is in good faith.

Text of proposed rule and any required statements and analyses may be obtained from: Kristen Buckley, New York State Gaming Commission, 354 Broadway Center, PO Box 7500, Schenectady, NY 12305, (518) 388-3332, email: gamingrules@gaming.ny.gov

Data, views or arguments may be submitted to: Same as above.

Public comment will be received until: 60 days after publication of this notice.

This rule was not under consideration at the time this agency submitted its Regulatory Agenda for publication in the Register.

Regulatory Impact Statement

1. STATUTORY AUTHORITY: The New York State Gaming Commission ("Commission") is authorized to promulgate the proposed rule by Racing, Pari-Mutuel Wagering and Breeding Law ("Racing Law") Sections 104(1) and (19) and 220(1).

Subdivision (1) of Section 104 confers upon the Commission general jurisdiction over all gaming activities within the State and over the corporations, associations and persons engaged in such activities. Subdivision (19) of Section 104 authorizes the Commission to promulgate any rules and regulations that it deems necessary to carry out its responsibilities.

Subdivision (1) of Section 220 authorizes the Commission to regulate licensing of participants in Thoroughbred racing.

2. LEGISLATIVE OBJECTIVES: To enable the Commission to enhance the integrity and safety of Thoroughbred horse racing and generate reasonable revenue for the support of government.

3. NEEDS AND BENEFITS: This rule making proposes to adjust the criteria under which non-managing owners of horses in Thoroughbred racing are required to be licensed by the Gaming Commission. Currently, each non-managing owner must be licensed when there are 35 or fewer owners and when an owner has a three percent or more interest, when there are more than 35 owners. This proposal would change those thresholds to, instead, require licensure of each owner only when there are 20 or fewer owners or an owner has a five percent or more interest, when there are more than 20 owners. The five-percent threshold is modeled after the Association of Racing Commissioners International Model Rule and is a standard that many other racing jurisdictions, such as Kentucky, Maryland and Ohio, use. Adjusting the threshold for licensing is expected to reduce administrative burden without compromising the integrity of racing.

4. COSTS:

(a) Costs to regulated parties for the implementation and continuing compliance with the rule: None.

(b) Costs to the regulating agency, the State, and local governments for the implementation and continued administration of the rule: No additional operating costs are anticipated as a result of the proposed rule.

(c) The information, including the source or sources of such information, and methodology upon which the cost estimate is based: The cost estimates are based on the Commission's experience with regulating Thoroughbred racing.

5. LOCAL GOVERNMENT: None. The Commission is the only governmental entity authorized to regulate Thoroughbred racing activities.

6. PAPERWORK: The proposed rule would reduce paperwork requirements.

7. DUPLICATION: The proposed regulation does not duplicate any existing State or federal requirements of the same or similar subject matter.

8. ALTERNATIVES: The Commission could continue the current rules or employ different thresholds for licensure. The threshold used in the Association of Racing Commissioners International Model Rule was deemed to be sufficient.

9. FEDERAL STANDARDS: There are no federal standards applicable to this aspect of Thoroughbred racing.

10. COMPLIANCE SCHEDULE: The Commission anticipates that affected parties will be able to achieve compliance with these rules upon publication of the Notice of Adoption in the State Register.

Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement

The proposed rule making will amend the rules governing the circumstances under which non-managing owners require a license from the Gaming Commission. These amendments will not have any adverse impact on small businesses, local governments, jobs or rural areas.

The proposed rulemaking does not affect local governments and will not harm small businesses in New York State.

When adopted, the rule will apply uniformly throughout the State, and it will impose no adverse impact on rural areas.

This rule making will not limit or decrease job opportunities.

Because the proposed rulemaking will not adversely impact small businesses, local governments, jobs or rural areas, a full Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement are not required and have not been prepared.

PROPOSED RULE MAKING NO HEARING(S) SCHEDULED

Coupling in Thoroughbred Racing

I.D. No. SGC-39-26-00024-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Amendment of section 4025.10 of Title 9 NYCRR.

Statutory authority: Racing, Pari-Mutuel Wagering and Breeding Law, sections 104(1), (19) and 235(1)

Subject: Coupling in Thoroughbred racing.

Purpose: To enhance wagering interest in Thorougbred racing.

Text of proposed rule: Section 4025.10 of 9 NYCRR would be amended to read as follows:

§ 4025.10. Limitations on entries.

* * *

(b) Coupling.

(1) Horses that have the same individual present in the managing ownership of the horses, that share a 25 percent commonality in ownership or that share a common trainer are related horses for purposes of this section.

(2) Related horses [may] *shall not* be coupled as a single betting interest in a race, unless paragraph [(6)] *(3)* of this subdivision applies.

(3) [If more than two horses in a race are related horses, such horses shall be coupled as a single betting interest in such race, unless paragraph (6) of this subdivision applies.

(4)] The State steward may require any related horses entered in a race to be coupled as a single betting interest in a race prior to the commencement of wagering on-track and off-track, if such steward, in such steward's discretion, finds it necessary in the public interest.

[(5)] *(4)* If related horses are not coupled, the racetrack operator shall take such actions as are necessary to inform the public adequately with regard to the common ownership and/or trainer [that would otherwise

make] *of* such horses [eligible to be coupled as a single betting interest pursuant to this subdivision].

[(6) No entry shall be coupled by reason of common ownership or training in any stakes race in which the gross purse is $50,000 or more, provided, however, that paragraph (4) of this subdivision shall apply in any such race. In any race subject to the provisions of this paragraph, the racing secretary shall have the authority to establish a mutuel field and coupled entries in any race with more than 14 starters.

(7)] *(5)* All horses trained or ridden by a spouse, parent, issue or member of a jockey's household shall not be considered related horses for the purposes of this subdivision.

[(c) Entries if related horses would exclude another horse. Up to two related horses are permitted to be drawn into any overnight race, or on the also-eligible list, provided, however, that two related horses shall not start to the exclusion of a single horse.]

This rule was not under consideration at the time this agency submitted its Regulatory Agenda for publication in the Register.

Regulatory Impact Statement

1. STATUTORY AUTHORITY: The New York State Gaming Commission ("Commission") is authorized to promulgate the proposed rule by Racing, Pari-Mutuel Wagering and Breeding Law ("Racing Law") Sections 104(1), (19) and 235(1).

Subdivision (1) of Section 104 confers upon the Commission general jurisdiction over all gaming activities within the State and over the corporations, associations and persons engaged in such activities. Subdivision (19) of Section 104 authorizes the Commission to promulgate any rules and regulations that it deems necessary to carry out its responsibilities.

Subdivision (1) of Section 235 authorizes the Commission to make rules regulating the conduct of pari-mutuel wagering.

2. LEGISLATIVE OBJECTIVES: To enable the Commission to enhance the integrity of Thoroughbred horse racing and generate reasonable revenue for the support of government.

3. NEEDS AND BENEFITS: This rule making proposes to amend the Commission's regulations to not require coupling of horses for wagering purposes unless the State steward finds it necessary to do so in the public interest. Coupling is the combining of two or more horses in a race into a single betting interest, so that a bettor who wagers on such interest wins the bet if any of the coupled horses satisfies the bet condition (for example, to win, place or show). Historically, when horses had common ownership or a common trainer, coupling was thought to protect bettors on a weaker horse in the group, because the common owner or trainer might set up the race strategy to sacrifice the interest of the weaker horse in the grouping to the benefit of a stronger horse in the grouping. By requiring coupling, regulators permit the bettor to win a bet if any horse in the grouping satisfies the bet condition. Yet coupling requirements also reduce the number of betting interests in a race, and races with fewer betting interests are less appealing to the wagering public, thereby reducing revenue opportunity for the betting platforms and, indirectly, to government.

Regulated parties, including the New York Racing Association, Inc., Finger Lakes Racetrack, The New York Thoroughbred Horsemen's Association and The New York Thoroughbred Breeders, Inc., have expressed to Commission staff that they support the elimination of coupling rules. Those supporting elimination contend that loosening coupling rules would increase betting interest and handle. They state that less restrictive coupling rules have been implemented successfully in other racing jurisdictions, such as California, Illinois, Kentucky, New Jersey, Maryland and others, and that race-integrity concerns can be addressed as they arise through close analysis of stored video files of races. For example, the Commission promulgated the current Rule 4025.10(g) in 2015, which eliminated mandatory coupling in any stakes race with a purse of $50,000 or more.

In 2025, the Commission continued with its measured approach in amending the coupling rules by limiting the number of uncoupled entries with common ties in races to no more than two, continuing to empower the State steward to exercise discretion to couple when in the public interest, requiring the wager acceptor to provide adequate notice to the betting public concerning such entries and maintaining the current rule that limits the number (at two) of horses trained by the same trainer that may be drawn into a race to the exclusion of another horse. Commission staff studied the effect of the 2025 rule amendment and identified no systemic integrity risk to racing as a result of the change in coupling requirements.

The Commission believes that adoption of this rule making, by relaxing the requirement to couple horses, will enhance the ability to offer races with more betting interest, which will be appealing to the wagering public and enhance revenue, while continuing to protect bettors by requiring disclosure of related horses to the public. The State steward would retain the discretion to require coupling in any circumstances in which such steward concludes coupling is necessary in the public interest, which should continue to protect the interests of the wagering public in unusual or unforeseen circumstances in a particular race.

4. COSTS:

(a) Costs to regulated parties for the implementation and continuing compliance with the rule: None. No costs are imposed on any regulated entity as a result of the proposal.

(b) Costs to the regulating agency, the State, and local governments for the implementation and continued administration of the rule: No additional operating costs are anticipated as a result of the proposed rule.

(c) The information, including the source or sources of such information, and methodology upon which the cost estimate is based: The cost estimates are based on the Commission's experience with regulating Thoroughbred racing.

5. LOCAL GOVERNMENT: None. The Commission is the only governmental entity authorized to regulate Thoroughbred racing activities.

6. PAPERWORK: The proposed rule imposes no changes in paperwork requirements.

7. DUPLICATION: The proposed regulation does not duplicate any existing State or federal requirements of the same or similar subject matter.

8. ALTERNATIVES: The Commission could continue the current rules. This alternative was rejected because the proposed rule would more effectively increase the number of betting interests in a race, and thereby potentially increase betting handle, while continuing to promote transparency of information to the betting public without compromising the integrity of the races.

9. FEDERAL STANDARDS: There are no federal standards applicable to this aspect of Thoroughbred racing.

10. COMPLIANCE SCHEDULE: The Commission anticipates that affected parties will be able to achieve compliance with these rules upon publication of the Notice of Adoption in the State Register.

Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement

The proposed rule making will amend the rules governing the circumstances under which horses must be coupled as a single betting interest in Thoroughbred horse racing. These amendments will not have any adverse impact on small businesses, local governments, jobs or rural areas.

The proposed rulemaking does not affect local governments and will not harm small businesses in New York State.

When adopted, the rule will apply uniformly throughout the State, and it will impose no adverse impact on rural areas.

This rule making will not limit or decrease job opportunities.

Because the proposed rulemaking will not adversely impact small businesses, local governments, jobs or rural areas, a full Regulatory Flexibility Analysis, Rural Area Flexibility Analysis and Job Impact Statement are not required and have not been prepared.

Cash 4 Life Lottery Game

I.D. No. SGC-39-26-00032-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Repeal of section 5007.15 of Title 9 NYCRR.

Statutory authority: Racing, Pari-Mutuel Wagering and Breeding Law, section 104(19); and Tax Law, section 1604(a)

Subject: Cash 4 Life lottery game.

Purpose: To repeal rules governing the Cash 4 Life lottery draw game, which is no longer offered.

Text of proposed rule: Section 4025.10 of 9 NYCRR would be amended to read as follows:

§ 4025.10. Limitations on entries.

* * *

(b) Coupling.

(1) Horses that have the same individual present in the managing ownership of the horses, that share a 25 percent commonality in ownership or that share a common trainer are related horses for purposes of this section.

(2) Related horses [may] *shall not* be coupled as a single betting interest in a race, unless paragraph [(6)] *(3)* of this subdivision applies.

(3) [If more than two horses in a race are related horses, such horses shall be coupled as a single betting interest in such race, unless paragraph (6) of this subdivision applies.

(4)] The State steward may require any related horses entered in a race to be coupled as a single betting interest in a race prior to the commencement of wagering on-track and off-track, if such steward, in such steward's discretion, finds it necessary in the public interest.

[(5)] *(4)* If related horses are not coupled, the racetrack operator shall take such actions as are necessary to inform the public adequately with regard to the common ownership and/or trainer [that would otherwise make] *of* such horses [eligible to be coupled as a single betting interest pursuant to this subdivision].

[(6) No entry shall be coupled by reason of common ownership or training in any stakes race in which the gross purse is $50,000 or more, provided, however, that paragraph (4) of this subdivision shall apply in any such race. In any race subject to the provisions of this paragraph, the racing secretary shall have the authority to establish a mutuel field and coupled entries in any race with more than 14 starters.

(7)] *(5)* All horses trained or ridden by a spouse, parent, issue or member of a jockey's household shall not be considered related horses for the purposes of this subdivision.

[(c) Entries if related horses would exclude another horse. Up to two related horses are permitted to be drawn into any overnight race, or on the also-eligible list, provided, however, that two related horses shall not start to the exclusion of a single horse.]

Regulatory Impact Statement

1. STATUTORY AUTHORITY: The New York State Gaming Commission ("Commission") is authorized to promulgate the proposed rule by Racing, Pari-Mutuel Wagering and Breeding Law ("Racing Law") Sections 104(1) and (19) and 235(1).

Subdivision (1) of Section 104 confers upon the Commission general jurisdiction over all gaming activities within the State and over the corporations, associations and persons engaged in such activities. Subdivision (19) of Section 104 authorizes the Commission to promulgate any rules and regulations that it deems necessary to carry out its responsibilities.

Subdivision (1) of Section 235 authorizes the Commission to make rules regulating the conduct of pari-mutuel wagering.

2. LEGISLATIVE OBJECTIVES: To enable the Commission to enhance the integrity of Thoroughbred horse racing and generate reasonable revenue for the support of government.

3. NEEDS AND BENEFITS: This rule making proposes to amend the Commission's regulations to not require coupling of horses for wagering purposes unless the State steward finds it necessary to do so in the public interest. Coupling is the combining of two or more horses in a race into a single betting interest, so that a bettor who wagers on such interest wins the bet if any of the coupled horses satisfies the bet condition (for example, to win, place or show). Historically, when horses had common ownership or a common trainer, coupling was thought to protect bettors on a weaker horse in the group, because the common owner or trainer might set up the race strategy to sacrifice the interest of the weaker horse in the grouping to the benefit of a stronger horse in the grouping. Commission staff studied the effect of the 2025 rule amendment and identified no systemic integrity risk to racing as a result of the change in coupling requirements.

The Commission believes that adoption of this rule making, by relaxing the requirement to couple horses, will enhance the ability to offer races with more betting interest, which will be appealing to the wagering public and enhance revenue, while continuing to protect bettors by requiring disclosure of related horses to the public. The State steward would retain the discretion to require coupling in any circumstances in which such steward concludes coupling is necessary in the public interest, which should continue to protect the interests of the wagering public in unusual or unforeseen circumstances in a particular race.

4. COSTS:

(a) Costs to regulated parties for the implementation and continuing compliance with the rule: None. No costs are imposed on any regulated entity as a result of the proposal.

(b) Costs to the regulating agency, the State, and local governments for the implementation and continued administration of the rule: No additional operating costs are anticipated as a result of the proposed rule.

(c) The information, including the source or sources of such information, and methodology upon which the cost estimate is based: The cost estimates are based on the Commission's experience with regulating Thoroughbred racing.

5. LOCAL GOVERNMENT MANDATES: None. The Commission is the only governmental entity authorized to regulate Thoroughbred racing activities.

6. PAPERWORK: The proposed rule imposes no changes in paperwork requirements.

7. DUPLICATION: The proposed regulation does not duplicate any existing State or federal requirements of the same or similar subject matter.

8. ALTERNATIVES: The Commission could continue the current rules. This alternative was rejected because the proposed rule would more effectively increase the number of betting interests in a race, and thereby potentially increase betting handle, while continuing to promote transparency of information to the betting public without compromising the integrity of the races.

Furnishing of Information in Thoroughbred Racing

I.D. No. SGC-39-26-00033-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: This is a consensus rule making to amend sections 4009.1, 4009.16 and 4025.6 of Title 9 NYCRR.

Statutory authority: Racing, Pari-Mutuel Wagering and Breeding Law, sections 104(1), (19), 205, 235(1) and (3)

Subject: Furnishing of information in Thoroughbred racing.

Purpose: To update methods of providing information in Thorougbred racing.

Text of proposed rule: Sections 4009.1, 4009.16 and 4025.6 of 9 NYCRR would be amended to read as follows:

§ 4009.1. [Posting] *Public notice* of *wagering* rules.

[Such rules for pari-mutuel betting as may be specified from time to time by the commission shall be reproduced in legible type and permanently displayed in locations within all betting areas of the premises of racing associations] *Each association shall, on its website, direct the public to the page on the commission website where rules for pari-mutuel betting are provided or post such in legible type within all betting areas of the racetrack*. The daily racing programs [sold] *an association sells* to the public [by racing associations] shall contain a statement indicating that such rules are posted in all betting areas *or include a direction to the website address of the commission at which such rules are available*.

* * *

§ 4009.16. Record of calculations.

[(a) The association, if operating a pari-mutuel system without the totalisator system, shall, in taking off total or mutuel ticket sales, prepare two additional carbon copies thereof at the time of making and furnish the same to the respective designated representatives of the commission and State Tax Commission before the calculations for mutuel prices to be paid shall have been made.

(b)] At race meetings where [the] *a* totalisator [machine] *system* is operated, if *an association uses or undertakes* any additional method of calculation [is used or undertaken], *such association shall furnish* full records thereof [shall be furnished] to the commission and the [State Tax Commission] *Department of Taxation and Finance*.

* * *

§ 4025.6. Procedure for making entries.

Entries [and declarations] shall be made in writing*, by electronic means approved by the association, or by telephone,* [signed] by the *managing* owner of the horse or [of the engagement or by the] *an* authorized agent or some person deputed by [him or her] *such managing owner*[; and in order to secure privacy, all entries to overnight races must be made at a specially designated booth].

Text of proposed rule and any required statements and analyses may be obtained from: Kristen Buckley, New York State Gaming Commission, 354 Broadway Center, PO Box 7500, Schenectady, NY 12305, (518) 388-3332, email: gamingrules@gaming.ny.gov

Data, views or arguments may be submitted to: Same as above.

Public comment will be received until: 60 days after publication of this notice.

This rule was not under consideration at the time this agency submitted its Regulatory Agenda for publication in the Register.

Consensus Rule Making Determination

This proposed rulemaking will allow Thoroughbred racetracks to direct patrons to relevant information available on websites, in lieu of posting the information physically at the track; eliminate an obsolete filing requirement related to an era when totalisators were not always used; and allow race entries to be made electronically. These changes would modernize how information is required to be provided and would not inconvenience the public or regulated parties. An obsolete reference to the State Tax Commission would be updated.

Because this rule making would modernize the methods by which information is provided, the Commission does not anticipate public comment and no person is likely to object to the proposed revisions.

Job Impact Statement

A Job Impact Statement is not required for this consensus rulemaking proposal because the proposed amendments will not adversely affect jobs or employment opportunities.

This proposed rulemaking will modernize methods of providing information to bettors about wagering rules, eliminate an obsolete filing requirement related to an era when totalisators were not always used; and allow race entries to be made electronically. An obsolete reference to the State Tax Commission would be updated.

The proposed amendments will not have an impact on jobs or employment opportunities.

Prevention of Retail Workplace Violence

I.D. No. LAB-39-26-00022-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Addition of Subpart 27-2 to Title 12 NYCRR.

Statutory authority: Labor Law, sections 27-e(6) and 21(11)

Subject: Prevention of Retail Workplace Violence.

Purpose: To promulgate regulations pursuant to NYS Labor Law section 27-e(6) regarding preventing retail workplace violence.

Text of proposed rule: A new Subpart 27-2 is added to Part 27 of Subchapter A of Chapter 1 of Title 12 of NYCRR as follows:

Subpart 27-2 – Prevention of Retail Workplace Violence

Section 27-2.1

(a) Definitions

(1) Easily Accessible. Any location that retail employees can quickly access in the event of an emergency. A location is not easily accessible if it is behind a locked door or other access point and retail employees cannot access it quickly.

(2) Employer. Any person, entity, business, corporation, partnership, limited liability company, or an association employing at least 10 retail employees. The term employer shall not include the State, any political subdivision of the State, a public authority, or any other governmental agency or instrumentality.

(3) Request for Immediate Assistance. A request, such as a notice or alert, transmitted immediately to a security officer, manager, or supervisor that notifies them of a need for immediate assistance.

(4) Retail Employee. Any employee working at a retail store for an employer.

(5) Retail Store. Any store that sells consumer commodities at retail and which is not primarily engaged in the sale of food for consumption on the premises.

(6) Security Officer. Any person who is either an employee of an employer or a third-party whose job duties include deterrence, observation, detection and/or reporting of incidents in order to prevent any unlawful or unauthorized activity including but not limited to unlawful or unauthorized intrusion or entry, larceny, vandalism, abuse, arson or trespass on property.

(7) Silent Response Button. A physical device or mobile phone-based application that allows retail employees to silently request immediate assistance from a security officer, manager, or supervisor while working at the employee's location in the case of an emergency. A silent response button may be:

(i) a device installed in an easily accessible location in the workplace;

(ii) a wearable device; or

(iii) a mobile phone-based application.

A silent response button must be specifically designed to silently request immediate assistance in the case of an emergency, as distinguished from buttons, devices, or applications designed for general communication, such as mobile or desk phones, handheld transceivers (walkie-talkies), or all-purpose email applications.

(8) Workplace. Any location away from an employee's domicile, permanent or temporary, where an employee performs any work-related duty in the course of their employment by an employer.

(b) Employer Responsibilities

(1) Every employer of 500 or more retail employees statewide shall provide every retail employee with a functioning silent response button to request immediate assistance from a security officer, manager, or supervisor while the employee is working at the employer's location in the case of an emergency.

(2) Multiple employees can be directed to utilize the same silent response button if that silent response button is in a location in the workplace that is easily accessible by each employee to whom the silent response button has been provided.

(3) An employer can fulfill their responsibility to provide every retail employee with a silent response button by installing multiple devices in easily accessible locations throughout a workplace. Each individual device location does not need to be easily accessible to every employee, so long as at least one device location is easily accessible to every employee throughout their shift.

(c) Restrictions on mobile phone-based and wearable silent response buttons.

(1) Mobile phone-based and wearable silent response buttons may only be used to track employee locations when the silent response button has been triggered. The mobile phone-based or wearable silent response button must stop tracking employee locations once the emergency that caused the button to be triggered has ended.

(2) Mobile phone-based silent response buttons may only be installed on employer-provided equipment. An employer may not require an employee to install a mobile phone-based silent response button on the employee's personal mobile phone or any other personal device.

(d) Instructions. Employers must provide all employees with written instructions on how to use the silent response button(s) that they have provided to employees.

(e) Retaliation. No employer shall retaliate against an employee who triggers a silent response button if such employee triggered the button accidentally or in good faith, even if there is ultimately no emergency to be resolved.

Text of proposed rule and any required statements and analyses may be obtained from: Andrew Schutts, Department of Labor, 1200 Washington Ave., Building 12, Suite 509, (518) 485-2191, email: regulations@labor.ny.gov

Data, views or arguments may be submitted to: Same as above.

Public comment will be received until: 60 days after publication of this notice.

This rule was not under consideration at the time this agency submitted its Regulatory Agenda for publication in the Register.

Regulatory Impact Statement

Labor Law Section 27-e(6) authorizes the Commissioner of Labor (Commissioner) to, "adopt rules and regulations necessary to implement the provisions of this section." Labor Law Section 27-e(5) requires private employers with 500 or more retail employees in New York State to, "provide every retail employee with a silent response button to request immediate assistance from a security officer, manager, or supervisor while the employee is working at the employee's location in case of an emergency." These regulations provide necessary information to employers to meet the requirements of Labor Law Section 27-e(5).

Labor Law Section 21(11) authorizes the commissioner to issue regulations governing any provision of the Labor Law as they find necessary and proper.

Legislative Objectives: The purpose of Labor Law Section 27-e is to protect the safety and health of New York State retail employees and to reduce retail workplace violence. The proposed rule accords with this objective by clarifying and developing the language of Labor Law Section 27-e(5). Clarifying and developing this requirement will help employers to better understand and fulfill their obligations under Labor Law Section 27-e(5), which will increase safety and reduce violence in retail workplaces.

Needs and Benefits: The proposed rule is necessary because Labor Law Section 27-e(5) provides a requirement with respect to certain New York State employers and the provision of silent response buttons to employees, yet leaves certain key terms undefined and key questions about the requirement unanswered. In light of this, Labor Law Section 27-e(6) expressly authorizes the Commissioner to adopt rules and regulations necessary to implement the provisions of this section.

By clarifying and developing the requirements at Labor Law Section 27-e(5) as necessary for implementation, the proposed rule will benefit both employers and employees. Employers will have greater certainty as to their obligations under the statute, and employees will also have more certainty as to their protections under the statute. Employees will also benefit from being sure that any mobile phone-based or wearable silent response buttons with which they are provided may not track them after an emergency situation has ended and that employers may not retaliate against them for triggering a silent response button in good faith or accidentally. Finally, employers, employees, and retail customers will all benefit from having safer workplaces.

Costs: The proposed rule does not impose any additional costs on employers beyond what is required under Labor Law Section 27-e(5). Compliance costs with Labor Law Section 27-e(5) will vary based on how employers choose to comply with the statutory requirement, how many locations or employees they must consider, and whether they can accomplish compliance through current practices or need to develop new capacities or purchase new equipment. The proposed rule clarifies the existing statutory requirement in several ways, including by defining additional terms, specifying that multiple employees can be directed by their employer to utilize the same silent response button in some circumstances, and indicating that not every silent response button needs to be easily accessible to every employee so long as at least one device is easily accessible to every employee throughout their shift. By ensuring that employers have flexibility in meeting the requirements of Labor Law Section 27-e(5), while still making sure that the section's purpose of preventing retail workplace violence is effectuated, the Department of Labor (department) aims to keep the costs associated with Labor Law Section 27-e(5) reasonable and as expected. Finally, the proposed rule can be implemented by the department using its existing resources.

Local Government Mandate: The proposed rule does not impose any program, service, duty, or other responsibility upon any county, city, town, village, school district, fire district, or other special district. In defining covered employers, Labor Law Section 27-e explicitly excludes, "the state, any political subdivision of the state, a public authority, or any other governmental agency or instrumentality thereof." The proposed rule adopts this definition and its exclusions.

Paperwork: The proposed rule does not impose any reporting or paperwork requirements.

Duplication: The proposed rule does not duplicate, overlap, or conflict with any other State or Federal legal requirements. The proposed rule does not modify or add on to the standards and requirements of Labor Law Section 27-e(5), it only clarifies and develops those standards and requirements.

Alternatives: The department considered multiple alternatives before deciding on the final text of the proposed rule. For example, the department considered not issuing regulations related to Labor Law Section 27-e; however, not issuing regulations would have left both employers and employees unsure of how the law would be enforced. Therefore, the department decided to develop regulations in order to clarify the obligations of covered employers under the law.

The department also considered alternative approaches to certain aspects of the proposed rule. For example, the department considered requiring covered employers to provide each individual employee with their own silent response button or requiring employers to ensure that each silent alarm button was accessible to all employees, but this would have increased costs for employers and reduced employer flexibility without necessarily resulting in greater safety for benefits for employees. Therefore, the department decided against this approach and developed these regulations instead, which provide greater flexibility and less imposed costs.

Federal Standards: There are not comparable Federal standards related to preventing retail workplace violence.

Compliance Schedule: The proposed rule will be effective upon publication of a Notice of Adoption in the State Register.

Regulatory Flexibility Analysis

A Regulatory Flexibility Analysis is not required because the Department of Labor has determined that the proposed rule will not impose an adverse economic impact on small businesses or local governments and will not impose reporting, recordkeeping, or other compliance requirements on small businesses or local governments.

The proposed rule does not apply to local governments. In defining covered employers, Labor Law Section 27-e(1)(a) explicitly excludes, "the state, any political subdivision of the state, a public authority, or any other governmental agency or instrumentality thereof." The proposed rule adopts this definition and its exclusions.

The proposed rule also does not apply to small businesses. New York State Economic Development Law Section 131 defines a small business as a business which, "…employs one hundred or less persons." While small businesses are included in the general definition of employer in Labor Law Section 27-e(1)(a), which states that an employer is, "any person, entity business, corporation, partnership, limited liability company, or an association employing at least ten retail employees;" Labor Law Section 27-e(5) narrows the scope of covered employers to only large employers for purposes of implementing silent response buttons by stating, "every employer of five hundred or more retail employees statewide shall provide every retail employee with a silent response button…" The proposed rule only applies to employers meeting the "500 or more retail employees statewide," threshold.

Therefore, because the proposed rule will only apply to private employers with 500 or more retail employees statewide, it will have no adverse impact on small businesses and local governments.

Rural Area Flexibility Analysis

Types and estimated numbers of rural areas: The proposed rule does not apply to local governments. In defining covered employers, Labor Law Section 27-e(1)(a) explicitly excludes, "the state, any political subdivision of the state, a public authority, or any other governmental agency or instrumentality thereof." The proposed rule adopts this definition and its exclusions.

The proposed rule does apply to certain private employers. In defining covered employers, Labor Law Section 27-e(1)(a) states that an employer is, "any person, entity business, corporation, partnership, limited liability company, or an association employing at least ten retail employees." Additionally, Labor Law Section 27-e(5) states that, "every employer of five hundred or more retail employees statewide shall provide every retail employee with a silent response button…" The proposed rule adopts this definition and the 500 or more retail employees statewide threshold for the silent response button requirement.

Therefore, the proposed rule will apply to private employers operating across the entire State with 500 or more retail employees statewide, in both rural and non-rural areas alike. With the most recently available data, the Department of Labor (department) estimates there are over 70 covered employers operating just over 1,000 covered locations in rural areas. Those employers must comply with the requirements included in Labor Law Section 27-e(5) at their rural locations as well as their non-rural locations.

Reporting, recordkeeping and other compliance requirements; and professional services: The proposed rule does not impose any reporting or recordkeeping requirements. As for compliance requirements, the proposed rule clarifies the compliance requirements in Labor Law Section 27-e(5) by specifying that multiple employees can be directed by their employer to utilize the same silent response button in some circumstances and indicating that not every silent response button needs to be easily accessible to every employee so long as at least one device is easily accessible to every employee throughout their shift. Also, the proposed rule requires employers to provide their employees with instructions on how to use the silent response button that they have been provided. Finally, professional services are not required to comply with the proposed rule regardless of whether compliance is required in a rural or non-rural area.

Costs: The proposed rule does not impose any additional costs beyond what is required under Labor Law Section 27-e(5), which requires all New York State employers with 500 or more retail employees in New York State to provide every retail employee with a silent response button to request immediate assistance in case of an emergency. The proposed rule clarifies this existing statutory requirement in several ways, including by defining additional terms, specifying that multiple employees can be directed by their employer to utilize the same silent response button in some circumstances, and indicating that not every silent response button needs to be easily accessible to every employee so long as at least one device is easily accessible to every employee throughout their shift. By ensuring that employers have flexibility in meeting the requirements of Labor Law Section 27-e(5), while still making sure that the section's purpose of preventing retail workplace violence is effectuated, the department aims to keep the costs associated with Labor Law Section 27-e(5) reasonable and as expected.

Minimizing adverse impact: The proposed rule will not have an adverse economic impact on rural areas. It will protect the lives, safety, and health of both rural and non-rural covered retail workers by clarifying and developing the requirements of Labor Law Section 27-e(5). In developing the proposed rule, the department did not identify a need to establish different compliance or reporting requirements or timetables that would take into account the resources available to rural areas. Similarly, the department did not include exemptions from coverage by the proposed rule because doing so would endanger the public health, safety, and general welfare and because such exemptions are not permissible under Labor Law Section 27-e. Furthermore, the proposed rule was drafted so as to allow flexibility for all covered employers, including those in rural areas, while still ensuring that the statute's purpose of preventing retail workplace violence is effectuated.

Rural area participation: As the proposed rule was developed, the department consulted with representatives of the regulated community with statewide constituencies, including those in rural areas. The department conducted listening sessions before drafting, and then provided drafts of the regulation to impacted industry groups, including the Business Council of New York State, the Retail, Wholesale, and Department Store Union, the Food Industry Alliance of New York State, and the Retail Council of New York State. Once the groups' members reviewed and submitted feedback, the department incorporated where possible and as appropriate. Upon this publication, the department will notify partners, through both the distribution list of employers who signed up for updates from the department and in direct communications, that the public comment period has opened and how to comment or otherwise contact the department. Further, the department will continue to develop resources and guidance for employers in rural areas that will be affected by the proposed rule.

The department will continue to develop resources and guidance for employers in rural areas that will be affected by the proposed rule. The proposed rule is not applicable to public employers and therefore there are no public interests in rural areas directly affected by the proposed rule.

Job Impact Statement

A Job Impact Statement is not required because the Department of Labor has determined that the proposed rule will not have a substantial adverse impact on jobs and employment opportunities. New York State Labor Law Section 27-e(5) requires all New York State employers with 500 or more retail employees in New York State to provide every retail employee with a silent response button to request immediate assistance in case of an emergency. The proposed rule, promulgated pursuant to Labor Law Section 27-e(6), clarifies this existing statutory requirement in several ways, including by defining additional terms, specifying that multiple employees can be directed by their employer to utilize the same silent response button in some circumstances, and indicating that not every silent response button needs to be easily accessible to every employee so long as at least one device is easily accessible to every employee throughout their shift. Because the proposed rule primarily clarifies the statutory requirement and does not impose additional obligations on employers, it will not have a substantial adverse impact on jobs and employment opportunities. Instead, increasing the safety of retail workers will may have a positive impact on jobs and employment opportunities.

Petition to Submeter Electricity

I.D. No. PSC-39-26-00025-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering the petition of Archer Ave Holdings LLC to Submeter Electricity at 147—27 Archer Avenue, Jamaica, New York, located in the territory of Consolidated Edison Company of New York, Inc.

Statutory authority: Public Service Law, sections 30, 32-48, 52, 53, 65(1), 66(1), (2), (3), (4), (12) and (14)

Subject: Petition to submeter electricity.

Purpose: To ensure adequate submetering equipment, consumer protections and energy efficiency protections are in place.

Substance of proposed rule: The Commission is considering the petition filed by Archer Ave Holdings LLC (Owner) on June 18, 2026, seeking authority to submeter electricity to a new rental building with fair-market and affordable units at 147-27 Archer Avenue, Jamaica, New York located in the service territory of Consolidated Edison Company of New York, Inc. (Con Edison). The Commission is also considering the Owner's request for a waiver of 16 NYCRR § 96.5(k)(3), which requires an energy audit for buildings where 20 percent or more of the residents receive income-based housing assistance.

In the petition, Archer Ave Holdings LLC requests authorization to take electric service from Con Edison and then distribute and meter that electricity to its residents. Once approved by the Commission, submetering of electricity to residential tenants is allowed so long as it complies with the protections and requirements of the Commission's regulations in 16 NYCRR Part 96.

The Owner states that, because the building is new construction subject to the current New York State Energy Conservation Construction Code, which provides strict energy conservation requirements for new and renovated buildings, including the design and construction of energy-efficient building envelopes, mechanical, lighting and power systems, an energy audit is not necessary.

The full text of the petition and the full record of the proceeding may be reviewed online at the Department of Public Service web page: www.dps.ny.gov. The Commission may adopt, reject, or modify, in whole or in part, the action proposed and may resolve related matters.

A Process for Offering Flexible Interconnection Service Options

I.D. No. PSC-39-26-00026-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Public Service Commission is considering the July 29, 2026, petition by New York State Electric & Gas Corporation and Rochester Gas and Electric Corporation seeking approval to expand their flexible interconnection demonstration project.

Statutory authority: Public Service Law, sections 5, 65 and 66

Subject: A process for offering flexible interconnection service options.

Purpose: To provide rules that ensure safe and adequate service at just and reasonable rates.

Substance of proposed rule: The Public Service Commission (Commission) is considering the July 29, 2026, petition (Petition) by New York State Electric & Gas Corporation and Rochester Gas and Electric Corporation (collectively, the Companies) seeking approval of their proposed tariff amendments to expand the Flexible Interconnection Capacity Solution (FICS) demonstration project. The Companies indicate that the proposed tariff language establishes the terms, conditions, and procedures for Flexible Interconnection applications for distributed energy resources (DERs) to interconnect at Company-identified locations. The Companies explain that the proposed expansion and tariff amendments are intended to enable increased utilization of existing distribution capacity by DERs while maintaining safe and reliable operation of the electric grid.

Issuance of Securities and Other Forms of Indebtedness

I.D. No. PSC-39-26-00027-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering a petition by National Fuel Gas Distribution Corporation for authority to issue long term debt in the aggregate principal amount not to exceed $500 million through December 31, 2029.

Statutory authority: Public Service Law, section 69

Subject: Issuance of securities and other forms of indebtedness.

Purpose: To provide funding for capital needs.

Substance of proposed rule: The Public Service Commission (Commission) is considering a petition of National Fuel Gas Distribution Corporation (NFG or the Company), filed on September 1, 2026, for authority to issue long-term securities for permitted purposes under Public Service Law Section 69.

NFG requests authority to issue up to $500 million of new long-term debt securities at any time through December 31, 2029, for purposes of (1) reimbursement of the Company's treasury for money expended for capital purposes, (2) payment for gross additions to utility plant used and useful in the public service, (3) repayment of short-term debt obligations outstanding and long-term promissory notes issued by the Company that will mature in 2027 and 2028, and (4) other corporate purposes.

ACTION PENDING INDEX

The action pending index is a list of all proposed rules which are currently being considered for adoption. A proposed rule is added to the index when the notice of proposed rule making is first published in the *Register*. A proposed rule is removed from the index when any of the following occur: (1) the proposal is adopted as a permanent rule; (2) the proposal is rejected and withdrawn from consideration; or (3) the proposal's notice expires.

Most notices expire in approximately 12 months if the agency does not adopt or reject the proposal within that time. The expiration date is printed in the second column of the action pending index. Some notices, however, never expire. Those notices are identified by the word "exempt" in the second column. Actions pending for one year or more are preceded by an asterisk(*).

For additional information concerning any of the proposals listed in the action pending index, use the identification number to locate the text of the original notice of proposed rule making. The identification number contains a code which identifies the agency, the issue of the *Register* in which the notice was printed, the year in which the notice was printed and the notice's serial number. The following diagram shows how to read identification number codes.

Agency code	Issue number	Year published	Serial number	Action Code
AAM	**01**	**12**	**00001**	**P**

Action codes: P — proposed rule making; EP — emergency and proposed rule making (expiration date refers to proposed rule); RP — revised rule making

Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by a bid security (i.e. certified check, bank check, or bid bond in the amount of $385,000 for C, $22,600 for H, $16,500 for P, and $22,600 for E).

All successful bidders will be required to furnish a Performance Bond and a Labor and Material Bond pursuant to Sections 136 and 137 of the State Finance Law, each for 100% of the amount of the Contract estimated to be between $15,000,000 and $20,000,000 for C, between $250,000 and $500,000 for H, between $100,000 and $250,000 for P, and between $250,000 and $500,000 for E.

Designated staff are Megan Whaley, Catherine Skaczkowski, Jessica Hoffman, and Pierre Alric in the Division of Contract Management, telephone (518) 474-0203, fax (518) 473-7862.

Pursuant to Public Buildings Law § 8(6), effective January 11, 2020, for any projects where the project design commenced on or after January 1, 2020 and for any contracts over $5,000 for the work of construction, reconstruction, alteration, repair, or improvement of any State building, a responsible and reliable NYS-certified Minority or Women-Owned Business Enterprise that submits a bid within ten percent of the lowest bid will be deemed the apparent low bidder provided that the bid is $1,737,918 or less, adjusted annually for inflation as of March 1, 2026. If more than one responsible and reliable MWBE firm meets these requirements, the MWBE firm with the lowest bid will be deemed the apparent low bidder.

XX Project commenced design before January 1, 2020. Not subject to provision.

__ Project commenced design on or after January 1, 2020. Subject to provision.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 10:00 a.m. on September 25, 2026, at Building 73, Creedmoor Psychiatric Center, 80-45 Winchester Blvd., Queens Village, NY. Phone the office of Bibi Bacchus, (718-776-4441 or Bibi.Bacchus@ogs.ny.gov) a minimum of 48 hours in advance of the date to provide the names of those who will attend the pre-bid site visit. Only contractors that schedule a visit at least 48 hours in advance will be allowed to participate in the pre-bid site visit.

Pursuant to New York State Executive Law Article 15-A and the rules and regulations promulgated thereunder, OGS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of OGS contracts. All bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises ("MBE") participation and 15% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs) for the Construction work, and an overall goal of 10% for MWBE participation, 5% for Minority-Owned Business Enterprises ("MBE") participation and 5% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs) for the HVAC work, Plumbing work and Electrical work. The total contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under this Contract. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of MWBEs on the Contract for the provision of services and materials.

Article 3 of the Veteran's Services Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"). Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles. OGS hereby establishes overall goals for SDVOBs' participation under this contract as follows: 6% for the C trade contractor,3% for the E trade contractor, 3% for the H trade contractor, and 3% for the P trade contractor, based on the current availability of qualified SDVOBs. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials.

PUBLIC NOTICE
Department of Health

The New York State Department of Health (Department) is required by the provisions of the federal Beaches Environmental Assessment and Coastal Health (BEACH) Act to provide for public review and comment on the Department's beach monitoring and notification plan. The BEACH Act (Section 406(b) of the Clean Water Act) enacted a federal Environmental Protection Agency grant program available to states, such as New York, with coastal recreational waters. Coastal recreational waters include the Great Lakes and marine coastal waters that are designated for swimming, bathing, surfing, or similar water contact activities. The Act is not applicable to inland waters or waters upstream of the mouth of a river or stream having an unimpaired natural connection with the open sea.

The beach monitoring and public notification plan also includes information on the beach evaluation and classification process, including a list of waters to be monitored and beach ranking. Also included in this plan, is the sampling design and monitoring plan, including sampling location and sampling frequency. Lastly, the plan contains information on procedures for public notification and risk communication, including methods to notify the public of a swimming advisory or beach closure.

Any interested parties and/or agencies desiring to review and/or comment on the beach monitoring and notification plan for coastal recreational waters may do so by writing to: Eric J. Wiegert, MPH, Director, Bureau of Community Environmental Health and Food Protection, Center for Environmental Health, Department of Health, Empire State Plaza, Corning Tower Bldg., Rm. 1395, Albany, NY 12237

PUBLIC NOTICE
Department of State
F-2026-0408
Date of Issuance – September 30, 2026

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program.

In F-2026-0408, NYS Department of Environmental Conservation is proposing to construct a new fish spawning reef measuring 15 feet wide x 35 feet long x 4 feet deep placed in 12-15 feet of water.

Off the south shore of Dablon Point, Mud Bay, Lake Ontario, Town of Cape Vincent, Jefferson County.

The stated purpose of the proposed action is to support native fish conservation efforts for Walleye, Lake Whitefish and Cisco.

The applicant's consistency certification and supporting information are available for review at: https://dos.ny.gov/f-2026-0408 or at https://dos.ny.gov/public-notices

Original copies of public information and data submitted by the applicant are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 15 days from the date of publication of this notice, or October 15, 2026.

Comments should be addressed to: Consistency Review Unit, Department of State, Office of Planning, Development and Community Infrastructure, One Commerce Plaza, 99 Washington Ave., Albany, NY 12231, (518) 474-6000; Fax (518) 473-2464. Electronic submissions can be made by email at: CR@dos.ny.gov

EXECUTIVE ORDERS

Executive Order No. 47.22: Declaring a Disaster Emergency in the State of New York and Ordering into Active Service the New York National Guard to Assist Authorities in Guaranteeing Public Order and Protection of Public Property at Various Correctional Facilities

WHEREAS, on February 17, 2025, and continuing thereafter, an illegal and unlawful strike by correction officers has created an imminent threat to the safety of correction officers who are currently on the job, the more than 32,290 individuals in the Department of Corrections and Community Supervision's care and the communities surrounding these correctional facilities;

WHEREAS, upon review, there exists a continued need to support staff, provide for the safety of those under the care of the Department of Corrections and Community Supervision, preserve staff resources, and ensure safe operations at correctional facilities statewide;

NOW THEREFORE, I, Kathy Hochul, Governor of the State of New York, by virtue of the authority vested in me by the Constitution of the State of New York and Section 28 of Article 2-B of the Executive Law, do hereby find a continued need for a statewide disaster emergency order to support safe and effective operations at correctional facilities. This executive order shall be in effect through October 11, 2026.

FURTHER, by virtue of the authority vested in me by Section 29-a of Article 2-B of the Executive Law do hereby temporarily suspend or modify the following laws, all of which have been suspended since February 19, 2025, through October 11, 2026:

- Section 97-G of the State Finance Law, to the extent necessary to purchase food, supplies, services, and equipment or furnish or provide various centralized services to assist affected local governments, individuals, and other non-State entities in responding to and recovering from the emergency;
- Section 112 of the State Finance Law, to the extent consistent with Article V, Section I of the State Constitution, and to the extent necessary to add additional work, sites and time to State contracts; and
- Section 163 of the State Finance Law, to the extent necessary to purchase commodities, services, technology and materials without following the standard notice and procurement processes.

(L.S.)

GIVEN under my hand and the Privy Seal of the State in the City of Albany this 11th day of September in the year two thousand twenty-six.

BY THE GOVERNOR

/S/ Kathy Hochul
